# Solutions Personal Contract Plan (PCP)

Solutions PCP is the flexible finance plan designed to allow you to drive a new vehicle sooner than you may think.

Solutions PCP is simple, once you have chosen your vehicle you just need to make a few simple decisions at the start:

- > **Deposit**  
Pay your deposit, which can be made up of part-exchange or cash and can be as little as the value of one repayment
- > **Your repayment period**  
Choose any period between 18 to 48 months
- > **Mileage per year**  
Decide your annual mileage
- > **Optional final payment**  
Lower your repayments by setting aside an amount to the end of your agreement (the optional final payment)

## Solutions Personal Contract Plan (PCP) Continued

### At the end of your agreement you have three options:

1. Simply part exchange your car for a different Volkswagen on a new Solutions contract
2. Pay the option to purchase fee and the optional final payment then take full ownership of the vehicle
3. Simply return the vehicle to Volkswagen (fees may be payable)

### Important information to consider

- It is important that you keep up to date with your monthly repayments, so please contact us if you are having any difficulties as the vehicle maybe at risk if you don't
- You may end your agreement earlier than the full term. However, depending how far you are in to your agreement will affect the final amount left to pay
- If you exceed agreed mileage at the start of your agreement and intend to return the vehicle then excess mileage charges will apply
- Keep the vehicle in good condition as this will affect the value of the vehicle. You may be charged for any damage that goes beyond fair wear and tear.

An offer of finance depends on certain conditions. Subject to status. 18s and over. T&Cs apply. Volkswagen Financial Services.

- > **Your repayment period**  
Choose any repayment period between 12 and 60 months

Once you have paid all repayments and the option to purchase fee, the vehicle is yours to keep.

← You own the vehicle once your repayments and option to purchase fee has been paid.

Choose any period between 12 and 48 months
- **Mileage per year**  
Choose how many miles you expect to drive each year
- **Servicing**  
Choose to include a service, maintenance and tyres plan in your agreement

Once you have paid all outstanding rentals, you simply hand your vehicle back, subject to fair wear and tear and excess mileage charges.

Choose a rental period between 12 and 48 months

An offer of finance depends on certain conditions. Subject to status. 18s and over. T&Cs apply. Volkswagen Financial Services.

## Contract Hire Continued

### The benefits

- You can build in a service, maintenance and tyres plan to make budgeting even easier

### If you are a business user:

- A proportion of the rentals may be claimable as an expense against taxable profits\*

# What is GAP Insurance?

GAP insurance bridges the gap between your insurance payout and the original cost of your car, or its outstanding finance cost. So if your car is written off or stolen without recovery, you know you'll have the money to replace it. Explore our options to find the cover that works best for you.

Here are the options...

Choose from 4 different types of GAP insurance

Terms and conditions apply. Volkswagen Gap Insurance from Volkswagen Financial Services is administered by Abraxas Insurance Administration Service Limited.

GAP insurance will cover the difference

### GAP Insurance Continued

If, for example, you purchased a vehicle costing £23,000 and it is written off after 15 months, your motor insurer may only pay out the current market value which might be £15,000. To replace your Volkswagen with another model worth £23,000 you will need to find £8,000.

### Return to invoice price

With our 'Return to invoice price' cover we could pay you the difference between the insurance company payout and the original invoice price, so for the example above £8,000.

### Outstanding finance

With our 'Outstanding finance' cover the gap insurance payment would cover any charges (up to a maximum of £10,000) that would need to be paid in order to fully settle your finance agreement.

Ensurance works alongside your existing comprehensive motor insurance policy, no matter who you are insured with, to help get your Volkswagen back on the road if it has been damaged in an accident. Ensurance is designed for anyone driving a Volkswagen, regardless of the age of your vehicle.
