This recommended retail price list supersedes all previous recommended retail price lists and is effective from 1.2.2019. All recommended 'On the road' retail prices, recommended retail prices and specifications are correct at the time of going to press. These prices and specifications may be subject to change without notice.

VOLKSWAGEN SERVICE PLAN – RETAIL SALES ONLY

For vehicles under 1 year old set to the Fixed Service regime that has not had its first service, comprising first two manufacturer's scheduled services:

- 'Oil service' including oil filter change
- 'Oil service' including oil filter change and 'Inspection service' plus a pollen filter replacement (if required)

Excludes electric vehicles. Service plan covers first two consecutive services, limited to 1x 'Oil service' and 1x 'Oil and Inspection service'. T&Cs apply: All vehicles must be set to the Fixed Service regime by the retailer. Maximum age of car is 12 months (Service plan must be taken out before first service is due). Additional work, including wear and tear is excluded. Servicing must be carried out in line with the requirement of the Service Schedule. All work must be carried out by an Authorised Volkswagen Repairer. Offers may be varied or withdrawn at any time. Plan validity is dependent on required payments received. Administered by Volkswagen Financial Services. Retail sales only. For pricing and further details, please consult your authorised Volkswagen retailer or visit www.volkswagen.co.uk

Front cover model shown is Touran R-Line with optional LED premium headlights, panoramic sunroof and Pure White non-metallic paint.

1 Stock vehicle(s) tested according to NEDC technical procedures. Figures shown are for comparability purposes; only compare fuel consumption and CO_2 figures with other vehicles tested to the same technical procedures. These figures may not reflect real life driving results, which will depend upon a number of factors including the accessories fitted (post-registration), variations in weather, driving styles and vehicle load. There is a new test used for fuel consumption and CO_2 figures (known as WLTP). The figures shown however, are based on the outgoing (NEDC) test cycle. Please consult your authorised Volkswagen retailer for further information.

2 For full details of 'First year rate' VED (Vehicle Excise Duty), delivery to retailer, number plates and vehicle first registration fee included in the recommended 'On the road' retail price, please see page 26. For full details, please see CO_2 emissions and VED bands with optional wheels on page 32.

3 P11D value = Total recommended retail price + delivery to retailer £509.17, + number plates £20, + VAT £105.83 (calculated by reference to total of delivery to retailer + number plates). P11D value is based on standard specification model with no factory-fitted options or other accessories.

4 The BIK % figure quoted includes the 4% diesel supplement, where applicable.

5 The ABI insurance group is the recommended insurance rating set by the Association of British Insurers. Please note that insurance group ratings are purely advisory. They are used by insurers (ABI members and Lloyd's syndicates) as one of the factors in calculating premiums. Insurers are not required to follow the advisory group ratings and they may depart from them if they so wish.

† Please note these models may no longer be available to order, or may only be available from stock and not available to factory order.

SCR (Selective Catalytic Reduction) requires AdBlue®, please see page 36 or visit www.volkswagen.co.uk/technology/adblue for more details.

MAIN ITEMS OF STANDARD SPECIFICATION

STANDARD ITEMS OF EQUIPMENT: S

VOLKSWAGEN SERVICE

3-year/60,000 miles warranty (whichever is soonest)

3-year paintwork warranty

12-year body protection warranty

Volkswagen Roadside Assistance

Exclusions and terms apply, please see page 40 for more details

WHEELS AND SUSPENSION

6½J x 16" steel wheels with 205/60 R16 tyres

Full size wheel trims

Tyre mobility kit including compressor and sealing foam (not SEL models)

EXTERIOR

Black front air intake and radiator grille

Body-coloured bumpers, front and rear

Body-coloured door mirrors with integrated indicators incorporating LED technology

Body-coloured exterior door handles

Chrome-plated radiator grille louvre inserts

Galvanised body

'Gloss Black' B-pillar

Halogen clear headlights, range adjustable with daytime running lights

Rear screen wash/wipe with intermittent wipe

Roof rails, black

Windscreen wiper with intermittent wipe function

INTERIOR

Cup holders, front x 2

Front centre armrest with storage compartment

Glovebox, illuminated

Height and reach adjustable steering wheel

Instrument lighting, white adjustable panel illumination with red night-time illumination

Interior light delay

Leather trimmed gear knob (DSG model only)

Load lashing points x 4, in luggage compartment

Luggage compartment cover, retractable and removable

INTERIOR (CONTINUED)

Luggage compartment light, 3rd row

'Light Cortina Silver' decorative inserts in dash, centre console and front doors

Media box in dashboard, passenger side

Multiple storage compartments in passenger and luggage areas

Reading lights, front x 2, rear x 2

Seating

- Upholstery – 'Charlie' cloth
- Driver's seat height adjustment
- Leatherette on rear of both front seats
- Low tunnel 2nd row seat
- 3 single seats in the 2nd row with forward and backward adjustments, foldable
- 2 single seats in the 3rd row, can be folded flush into floor of luggage compartment

Storage compartments in all doors (for 1.5 litre bottles in front doors and 1.0 litre bottles in rear doors)

Storage compartments in roof console

12V socket in luggage compartment

IN-CAR ENTERTAINMENT AND COMMUNICATIONS

Composition Media infotainment system

- 8" colour touch-screen
- Bluetooth telephone and audio connection for compatible devices[1]
- Car information display
- DAB digital radio receiver
- MDI (Multi Device Interface), via USB connection – compatible products only
- Music playback from MP3, WMA and AAC files
- SD card reader
- Simultaneous pairing of 2 compatible mobile devices
- Single CD player
- SMS functionality – read, compose and send SMS messages using touch-screen display (when stationary, compatible Android smartphones only)
- 'Think Blue. Trainer.' Driver tips and journey analysis
- Title and cover art display
- USB connection (compatible products only)
- 4 x 20 watt output
- 8 speakers, front and rear

Premium USB cable (choice of either Apple or Android smartphone compatibility)

1 Devices must be Bluetooth HFP (Hands Free Profile) compatible, please contact your authorised Volkswagen retailer for specific phone compatibility.
2 The integrated child seats cannot be used in conjunction with the Isofix child seats.

The specifications listed are for information purposes only as our products are continually updated and changes may be made to the specifications at any time. If you require any specific feature, please consult your authorised Volkswagen retailer who is regularly updated with any change in specification. Specifications are subject to change without notice.

ADDITIONAL ITEMS OF STANDARD EQUIPMENT: SE (OVER S)

SAFETY AND SECURITY

ABS (Anti-lock Braking System) with HBA (Hydraulic Brake Assist)

Airbags

- Curtain airbag system, for front and 2nd row passengers
- Driver's and front passenger's airbags with passenger's airbag deactivation switch
- Driver's knee airbag
- Front seat side impact airbags

Automatic Post-Collision Braking System

Disc brakes, front and rear

Driver's and front passenger's safety-optimised head restraints

Electronic engine immobiliser

ESC (Electronic Stability Control) including EDL (Electronic Differential Lock) and ASR (Traction Control)

Front three-point seat belts with height adjustment

High level 3rd brake light

Isofix child seat preparation, all rear seats 2nd and 3rd row [2]

Misfuel prevention device for diesel engines

Remote central locking with 2 remote folding keys

Two-tone horn

Tyre pressure loss indicator

Warning buzzer and light for front and 2nd row seat belts if unfastened

Warning triangle and first aid kit

SAFETY AND SECURITY (CONTINUED)

XDS electronic differential lock for improved traction and handling

3 three-point seat belts in the 2nd row, with height adjustment on outer seats

2 three-point seat belts in the 3rd row

5 rear head restraints

COMFORT AND CONVENIENCE

Air conditioning, manual

Electric windows, front and rear

Electrically heated and adjustable door mirrors

DRIVER'S ASSISTANCE

Battery regeneration (recuperation – energy recovery during braking)

Electronic parking brake – with auto hold function

Hill hold function

Multifunction computer, includes visual gear change recommendation for improved fuel consumption

Power-assisted steering, speed-sensitive

Speedo and rev counter, electronic odometer, trip, service interval display, exterior temperature gauge and fuel gauge

Start/Stop function

SAFETY AND SECURITY

Alarm with interior protection, with deactivation via infotainment system

Automatic coming/leaving home lighting function

Driver's and front passenger's four way adjustable head restraints

COMFORT AND CONVENIENCE

Automatic dimming interior rear-view mirror

Rain sensor

DRIVER'S ASSISTANCE

Adaptive Cruise Control (ACC), including Front Assist, radar sensor controlled distance monitoring system, City emergency braking system, cruise control and speed limiter

Dusk sensor, automatic driving lights

Multifunction computer with 3.5" TFT screen

Parking sensors, front and rear – ultrasonic, audible with audio volume reduction when activated and optical parking display via vehicle's infotainment system

ADDITIONAL ITEMS OF STANDARD EQUIPMENT: SE FAMILY (OVER SE)

IN-CAR ENTERTAINMENT AND COMMUNICATIONS

Discover Navigation infotainment system (in addition to Composition Media infotainment system)

- 8.0" colour touch-screen
- Branded points of interest
- Dynamic navigation based on TMC+
- Preloaded European navigation data
- Speed Limit Display[1]
- Three route options (Fast, Short, Eco)
- Volkswagen Media Control[2] – allows remote control of the infotainment system via smartphone or tablet
- 2D/3D map view

CAR-NET

Car-Net 'Guide and Inform'[3] – 3-year subscription

- Providing online access to a range of useful information such as traffic, fuel pricing, weather and news feeds

SAFETY AND SECURITY

PreCrash preventive occupant protection

COMFORT AND CONVENIENCE

Electrically activated/deactivated rear door child locks

Electronic voice amplification function for driver

Panoramic sunroof

Rear side window sunblinds, manual roll-up

DRIVER'S ASSISTANCE

Driver profile selection (not 1.0 litre TSI 115 or 1.2 TSI 110 PS models)

1 Speed Limit Display only reflects national speed limits and does not show temporary speed limit restrictions, or where permanent changes to speed limits are made in-between map updates.
2 Only operable in conjunction with compatible tablets and smartphones including iPhone 5 and above. Please see www.volkswagen.co.uk to check compatibility.
3 Car-Net 'Guide and Inform' services are accessed via a compatible mobile device. Please see www.volkswagen.co.uk for more information. The use of 'Guide and Inform' services entails exchanging large volumes of data. As such, we strongly recommend that you sign-up for a flat rate data plan with your mobile network provider. After the initial 3-year Car-Net contract, an annual subscription is chargeable for the continuation of 'Guide and Inform' services.

The specifications listed are for information purposes only as our products are continually updated and changes may be made to the specifications at any time. If you require any specific feature, please consult your authorised Volkswagen retailer who is regularly updated with any change in specification. Specifications are subject to change without notice.
Model shown features optional metallic paint.

ADDITIONAL ITEMS OF STANDARD EQUIPMENT: SEL (OVER SE)

- Upholstery – 'Race' seat centre section and 'San Remo' microfibre side bolsters
- Front seats with 'R-Line' logo on rear seat backrest

Stainless steel pedals – clutch, brake and accelerator

Steering wheel including paddle shift (auto DSG only)

Unique 'R-Line' door sill protectors

2019 MODEL YEAR ONLY CAR-NET

Car-Net 'Security & Service'[1]

- Provides continuous interaction between the driver, vehicle and Volkswagen, via integrated SIM-card connectivity
- Driver and vehicle integration with Volkswagen call centre or server for: 'eCall' – Emergency call service for SOS calls to emergency response incl. Automatic accident notification, Car breakdown, Vehicle health report and Service schedule – 10-year subscription
- Driver and vehicle integration via Car-Net Portal or Car-Net app for: Driving data, Doors and lights, Area alert, Speed alert, Horn and hazard lights, Parking position and Online anti-theft alarm – 3-year subscription

1 Use of Car-Net 'Security & Service' is governed in a separate Contract concluded online with Volkswagen. To use the free Car-Net app you will need a smartphone with iOS or Android operating system and a SIM-card with a data option. Depending on your mobile tariff, sending and receiving data online may incur additional charges (e.g. roaming charges), particularly if you are using Car-Net abroad. For more information on Car-Net Security & Service, go to www.volkswagen.com/car-net or contact your Volkswagen retailer.

The specifications listed are for information purposes only as our products are continually updated and changes may be made to the specifications at any time. If you require any specific feature, please consult your authorised Volkswagen retailer who is regularly updated with any change in specification. Specifications are subject to change without notice. Model shown features optional non-metallic paint.

Model shown is Touran R-Line with optional Pure White non-metallic paint.

FACTORY-FITTED OPTIONS

At Volkswagen, we work towards making sure that our cars are as close to how you want them as possible, and we understand that every detail needs to be right for you and your needs.

Introducing our exceptional range of factory-fitted options which allow you to express your individuality, help with the practical things in life, and add a touch of luxury at the same time. Whether you're looking for things to help you relax and help take the stress out of driving, feel protected, or simply look fantastic, just take your pick.

From cargo management system to keyless entry, from rear-view camera to Park Assist, you'll find everything you need on the following pages to make your Touran **your** Touran, and perfect in every detail.

Factory-fitted option prices are the manufacturer's Recommended Retail Prices (RRP), inclusive of 20% VAT, and are charged in addition to recommended 'On the road' retail price paid for the vehicle. Models shown feature optional metallic paint.

1 Mobility tyres in lieu of tyre mobility kit. 2 Only in conjunction with 16 inch 'Trondheim' alloy wheels.

Choosing larger alloy wheels than standard, as an option, may result in increased fuel consumption as well as higher CO_2 emissions and subsequently increased Vehicle Excise Duty (VED) band, and BIK rates paid by company car drivers may increase. This is due to the fact that larger wheels have both more aerodynamic drag and more mechanical drag, resulting in increased rolling resistance and increased wind resistance. As a result, the VED band that the vehicle falls into may increase from its original VED band when fitted with standard size wheels. In some instances, the recommended 'On the road' retail price paid for the vehicle may increase as a result of the increased VED rate. Please see page 32 for full details.

Choosing larger alloy wheels than standard, may result in increased fuel consumption as well as higher CO_2 emissions and subsequently increased Vehicle Excise Duty (VED) band, and BIK rates paid for company car drivers may increase. As a result, the VED band that the vehicle falls into may increase from its original VED band when fitted with standard size wheels. In some instances, the recommended 'On the road' retail price paid for the vehicle may increase as a result of the increased VED rate. Please see page 32 for full details. In addition, larger alloy wheels than standard size will require the purchase of tyres. Prices shown do not include the transfer of tyres. 1 Price per wheel excludes tyre.

Accessory prices are the manufacturer's Recommended Retail Prices (RRP), shown exclusive and inclusive of fitting where applicable, inclusive of appropriate VAT, and are charged in addition to recommended 'On the road' retail price paid for the vehicle. For full details, please contact your authorised Volkswagen retailer.

Volkswagen UK may change RRPs at any time (this includes where there are government changes in regulation and/or legislation). There may be a delay to any RRP displaying correctly on our materials. Always obtain prices from your chosen authorised Volkswagen retailer.

VAT IS CALCULATED AT 20%, EXCEPT RETAILER SUPPLIED CHILD SAFETY SEATS WHERE IT IS CALCULATED AT 5%. EFFECTIVE FROM 1 FEBRUARY 2019.

VOLKSWAGEN SERVICE PLAN

AN ADDITIONAL WAY TO KEEP YOUR PERFECT CAR, PERFECT... FOR LONGER

Exclusions and terms apply, please see page 40 for more details. For pricing and further details of the Volkswagen Service Plan, please consult your authorised Volkswagen retailer or visit www.volkswagen.co.uk

VOLKSWAGEN SERVICE PLAN – RETAIL SALES ONLY

We offer Volkswagen Service Plans to cover all new models for their first two consecutive services in line with the Fixed Service schedule required on the vehicle. Your car will be in the hands of Volkswagen trained technicians who use specialist Volkswagen tools, technology and Volkswagen original parts, and all parts and labour are guaranteed for two years. What's more, the Volkswagen Service Plan will remain with the vehicle should you decide to sell your car.

Volkswagen Service Plan
For vehicles under 1 year old set to the Fixed Service regime that has not had its first service, comprising first two manufacturer's scheduled services:

- 'Oil service' including oil filter change
- 'Oil service' including oil filter change and 'Inspection service' plus a pollen filter replacement (if required)

Excludes electric vehicles. Service plan covers first two consecutive services, limited to 1x 'Oil service' and 1x 'Oil and Inspection service'. T&Cs apply: All vehicles must be set to the Fixed Service regime by the retailer. Maximum age of car is 12 months (Service plan must be taken out before first service is due). Additional work, including wear and tear is excluded. Servicing must be carried out in line with the requirement of the Service Schedule. All work must be carried out by an Authorised Volkswagen Repairer. Offers may be varied or withdrawn at any time. Plan validity is dependent on required payments received. Administered by Volkswagen Financial Services. Retail sales only. For pricing and further details, please consult your authorised Volkswagen retailer or visit www.volkswagen.co.uk

Solutions PCP

THE MAGIC OF MORE CAR FOR YOUR MONEY

So what's the big deal?

Solutions from Volkswagen Financial Services offers you flexible competitive rates and a finance plan that's completely built around you. Because it allows you to leave paying for some of the car's value to the very end, you can lower your monthly repayments... allowing you to get more car for your money.
At the end of the agreement you also get three options to suit you. Solutions. Not smoke and mirrors, just brilliant, flexible finance. **(There, the secret's out!)**

Volkswagen Financial Services

Finance. Insurance. Fleet. Mobility.

The nitty-gritty

1. Choose a repayment period and annual mileage.
2. Pay your deposit, which can be made up of cash or a part-exchange.
3. Defer an agreed amount until the end of your agreement.

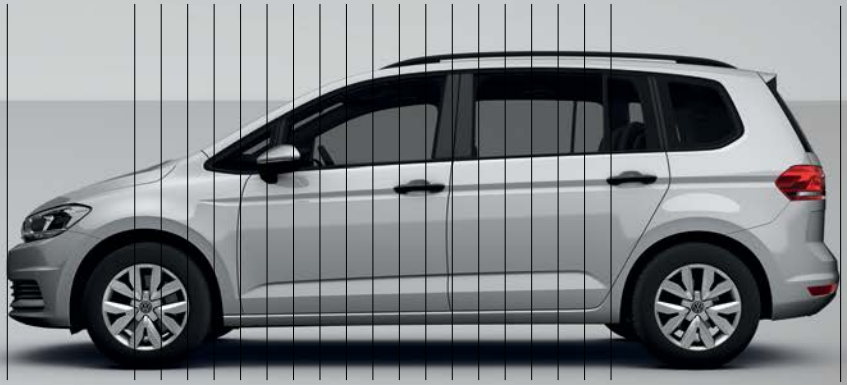
Setting the deposit and repayment term helps create the right combination for a monthly payment budget.

In the end... the choice is yours

1. Part-exchange your existing car for a new Volkswagen on a Solutions (PCP) contract (subject to status).
2. Pay the option to purchase fee and the optional final payment and keep your Volkswagen.
3. Hand the car back (subject to terms and conditions).

Cost of your vehicle

Deposit	**Monthly payments**	**Optional final payment**
As little as one monthly payment	Spread across 18 to 48 months	You have three choices at the end of your agreement



Test drive some numbers with our finance calculator by scanning this QR code with your mobile device.

For more information and things to consider when taking out finance, please visit vwfinance.co.uk

Model shown is Touran S with optional metallic paint.

An offer of finance depends on certain conditions. Finance subject to status. 18s and over. Terms and conditions apply. Volkswagen Financial Services.

VED AND ADDITIONAL 'ON THE ROAD' COSTS

The Autumn Budget 2017 announced that new diesel vehicles registered after 1 April 2018, that do not meet the RDE2 standard, will be charged a supplement on their 'First year rate' to the effect of moving up by one VED (Vehicle Excise Duty) band. VED rates for vehicles registered before 1 April 2018 will not be affected by the new VED rate changes.

'FIRST YEAR RATE' VED – BASED ON CO_2 EMISSIONS

Petrol– 'First year rate' VED

CO_2 emissions (g/km)	Petrol VED £	Petrol total 'On the road' costs £
0	**0.00**	**690.00**
1-50	**10.00**	**700.00**
51-75	**25.00**	**715.00**
76-90	**105.00**	**795.00**
91-100	**125.00**	**815.00**
101-110	**145.00**	**835.00**
111-130	**165.00**	**855.00**
131-150	**205.00**	**895.00**
151-170	**515.00**	**1,205.00**
171-190	**830.00**	**1,520.00**
191-225	**1,240.00**	**1,930.00**
226-255	**1,760.00**	**2,450.00**
Over 255	**2,070.00**	**2,760.00**

Diesel – 'First year rate' VED

CO_2 emissions (g/km)	Diesel VED £	Diesel total 'On the road' costs £
0	**0.00**	**690.00**
1-50	**25.00**	**715.00**
51-75	**105.00**	**795.00**
76-90	**125.00**	**815.00**
91-100	**145.00**	**835.00**
101-110	**165.00**	**855.00**

191-225	**1,230.00**	**1,920.00**
226-255	**1,750.00**	**2,440.00**
Over 255	**2,060.00**	**2,750.00**

ADDITIONAL 'OTR' COSTS

Additional 'On the road' costs

Delivery to retailer	**509.17**
Number plates	**20.00**
VAT	**105.83**
Vehicle first registration fee	**55.00**
Total	**690.00**

The total 'On the road' costs above for petrol, diesel, electric and alternative fuel vehicles include the applicable 'First year rate' VED charge plus the 'On the road' costs as detailed above:

'STANDARD RATE' VED

'Standard rate' VED based on fuel type

Fuel type	CO_2 emissions (g/km)	'Standard rate' VED £
Electric/Other	0	**0.00**
Petrol/Diesel	1 - Over 255	**140.00**
Alternative	1 - Over 255	**130.00**

After the 'First year rate', all vehicles with zero emissions will be exempt from the 'Standard rate' of vehicle tax. All petrol and diesel vehicles will pay a standard rate of £140 a year, and alternative fuel vehicles will pay a standard rate of £130 a year.

'STANDARD RATE' – OVER £40,000 RRP

'Standard rate' VED for vehicles over £40,000 list price – five year annual rate

Fuel type	'Standard rate' VED £	Additional rate £	Total annual payment £
Electric	**0.00**	**310.00**	**310.00**
Petrol/Diesel	**140.00**	**310.00**	**450.00**
Alternative	**130.00**	**310.00**	**440.00**

Petrol or diesel vehicles with a list price over £40,000 at first registration pay £450 a year after the 'First year rate' for a period of five years. Alternative fuel vehicles over £40,000 at first registration – hybrids, bi-ethanol or LPG, pay £440 a year after the 'First year rate' for a period of five years. Electric or vehicles producing zero emissions over £40,000 at first registration pay £310 a year after the 'First year rate' for a period of five years. After five years, vehicles will revert to their 'Standard rate' tax depending on fuel type.

VAT IS CALCULATED AT 20%. EFFECTIVE FROM 1 FEBRUARY 2019.

The way VED (Vehicle Excise Duty) vehicle tax is calculated will change for vehicles that are first registered with the DVLA on, or after, 1 April 2018. All new diesel vehicles registered after 1 April 2018 that do not meet the RDE2 standard will be charged a supplement on their 'First year rate' to the effect of moving up by one VED (Vehicle Excise Duty) band.

If a new vehicle is registered on or after 1 April 2018, after the 'First year rate' VED the majority of vehicles move to the 'Standard rate' of vehicle tax which is £140 a year.

The 'First year rate' will be based on the CO_2 emissions and the list price of the vehicle supplied by the Manufacturer or Retailer as applicable on the day before the vehicle is first registered and taxed.

After the 'First year rate', all vehicles with zero emissions will be exempt from the 'Standard rate' of vehicle tax. All petrol and diesel vehicles will pay a standard rate of £140 a year, and alternative fuel vehicles will pay a standard rate of £130 a year.

Petrol or diesel vehicles with a list price over £40,000 at first registration will pay £450 a year, after the first 'First year rate' vehicle tax, for a period of five years. This comprises the £140 'Standard rate' and £310 additional rate. After five years the vehicle tax will revert to the 'Standard rate' of £140 per year.

Alternative fuel vehicles – hybrids, bi-ethanol or LPG, with a list price over £40,000 at first registration will pay £440 a year after the 'First year rate' vehicle tax for a period of five years. This comprises the £130 'Standard rate' and £310 additional rate which reverts to £130 'Standard rate' after five years.

Vehicles with a list price exceeding £40,000 with zero emissions (including electric) will pay the additional rate of £310 a year for a further five year period, after the 'First year rate' tax. After the five year period these vehicles will pay zero VED tax.

There is no provision for 6 month's 'First year rate' VED.

EFFECTIVE FROM 1 FEBRUARY 2019.

Interior shown is Touran SE Family with optional Discover Navigation Pro touch-screen navigation/DVD infotainment system with integrated voice activation, 3Zone electronic air conditioning, Driver Alert system and metallic paint.

1 Figures shown are for comparability purposes; only compare fuel consumption and CO_2 figures with other vehicles tested to the same technical procedures. These figures may not reflect real life driving results, which will depend upon a number of factors including the accessories fitted (post-registration), variations in weather, driving styles and vehicle load. There is a new test used for fuel consumption and CO_2 figures (known as WLTP). The CO_2 figures shown however, are based on a calculation designed to be equivalent to the outgoing (NEDC) test cycle and will be used to calculate vehicle tax on first registration. For more information, please see volkswagen.co.uk/owners/wltp or consult your authorised Volkswagen retailer. For fuel consumption data based on the outgoing test cycle (NEDC equivalent data), which is the 'official' UK fuel consumption data until 31.12.18, please consult your authorised Volkswagen retailer. Data correct at 28.1.19. Figures quoted are for a range of configurations (including non-UK) and are subject to change due to ongoing approvals/changes.

‡ These vehicles are WLTP (Worldwide Harmonised Light-Duty Vehicles Test Procedure) type approved vehicles. More information is available at www.volkswagen.co.uk/owners/wltp.

SCR (Selective Catalytic Reduction) requires AdBlue®, please see page 36 or visit www.volkswagen.co.uk/technology/adblue for more details.

Interior shown is Touran SEL DSG with optional Discover Navigation Pro touch-screen navigation/DVD infotainment system with integrated voice activation and metallic paint.

CO_2 EMISSIONS, BIK% AND VED BANDS WITH OPTIONAL WHEELS – 2018 MODEL YEAR

EFFECT OF WHEEL SIZE ON CO_2 EMISSIONS, BIK% AND VED BANDS

Choosing larger alloy wheels than standard as an option, may result in increased fuel consumption as well as higher CO_2 emissions and subsequently increased Vehicle Excise Duty (VED) band and BIK rates paid by company car drivers may increase. This is due to the fact that larger wheels have both more aerodynamic drag and more mechanical drag, resulting in increased rolling resistance and increased wind resistance. As a result, the VED band that the vehicle falls into may increase from its original VED band when fitted with standard size wheels. In some instances, the recommended 'On the road' retail price paid for the vehicle may increase as a result of the increased VED rate. The chart below shows CO_2 emissions and the related VED bands for vehicles with both standard-fit wheels and larger optional alloy wheels, as well as the increased cost payable due to a change in VED band.

CO_2 EMISSIONS, BIK% AND VED BANDS WITH OPTIONAL WHEELS – 2019 MODEL YEAR ‡

EFFECT OF WHEEL SIZE ON CO_2 EMISSIONS, BIK% AND VED BANDS

Choosing larger alloy wheels than standard as an option, may result in increased fuel consumption as well as higher CO_2 emissions and subsequently increased Vehicle Excise Duty (VED) band and BIK rates paid by company car drivers may increase. This is due to the fact that larger wheels have both more aerodynamic drag and more mechanical drag, resulting in increased rolling resistance and increased wind resistance. As a result, the VED band that the vehicle falls into may increase from its original VED band when fitted with standard size wheels. In some instances, the recommended 'On the road' retail price paid for the vehicle may increase as a result of the increased VED rate. The chart below shows CO_2 emissions and the related VED bands for vehicles with both standard-fit wheels and larger optional alloy wheels, as well as the increased cost payable due to a change in VED band.

SCR (Selective Catalytic Reduction) requires AdBlue®, please see page 36 or visit www.volkswagen.co.uk/technology/adblue for more details.

AdBlue®

Your Volkswagen car is fitted with an advanced emissions control system, which helps your vehicle meet EURO 6 exhaust gas regulations.

How does the system work?

AdBlue®, a water/urea based additive, is stored in a tank (like diesel fuel), however, unlike fuel it is not injected into the engine, but directly into a specially modified part of the vehicle's exhaust. This begins a chemical reaction which removes the polluting oxides of nitrogen (NOx), converting them into harmless oxygen and nitrogen in a process known as Selective Catalytic Reduction, or SCR for short. SCR is only applicable to diesel engines and the more economically you drive, typically, the less AdBlue® you will use.

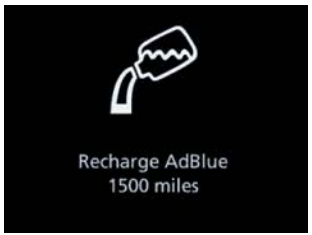
The size of the AdBlue® tank fitted to your car will vary depending on which Volkswagen model you have, therefore the interval between top-ups will vary. In addition, many factors such as mileage, journey type, driving style and environmental conditions can influence how much AdBlue® is consumed. A passenger car can consume approximately 1.5 litres of AdBlue® every 620 miles (1.0–1.5 litres for the Passat and Passat Estate). The chart below details the AdBlue® tank size and location.

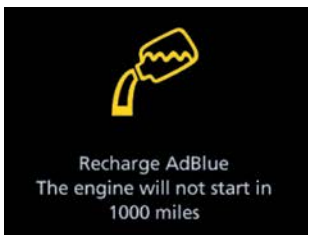
Model (SCR derivatives only)	Tank size (Approximately)	AdBlue® tank filler location	Initial warning of low AdBlue® (2,400km/1,500 miles to go) can be expected to occur at:
Touran	11 litres	Next to fuel filler nozzle	3,000 to 4,000 miles or sooner*

* Distances are approximate and the warning light may come on sooner depending on driving style, journey type, engine and vehicle load and environmental conditions.

How will I know if the system needs topping-up?

A series of warnings will be given via the driver information system, accompanied by advice/messages.





AdBlue® warning lights.

The first message is displayed when the remaining range is approximately 1,500 miles, and is repeated every 62 miles until the range reaches 1,000 miles, at which point the warning turns amber. This warning is repeated every 31 miles and is accompanied by an audible tone. If these warnings are not acted upon, the warning turns red; once this happens the car will not restart once the ignition is turned off. This is not a fault, but a required feature of the system. If this stage is reached the system will need a full top-up before the car can be restarted. Further information is available in the vehicle handbook.

Why should I use a Volkswagen Authorised repairer for top-ups?

- AdBlue® top-ups at authorised repairers are extremely competitive and charged by the litre, so you only pay for what you need
- Authorised repairer staff are trained to handle AdBlue®
- AdBlue® tanks need special adaptors on fillers to ensure there are no spillages
- Volkswagen do not recommend keeping top-up bottles in cars

The top-up bottles supplied by Volkswagen have a capacity of 1.89 litres, and come complete with the adaptor nozzles that fit the Volkswagen AdBlue® tank. These are available from all Volkswagen Authorised repairers.

Important information

- AdBlue® is not a fuel additive. This is why there is a separate AdBlue® tank
- If you put AdBlue® in your fuel tank by mistake, please do not start the engine, but contact a retailer for help
- Put only AdBlue® in the AdBlue® tank; do not fill the AdBlue® tank with any other liquids
- Prevent anything from contaminating AdBlue®
- If small quantities of AdBlue® come into contact with the vehicle's paintwork, for example, wipe them off and if necessary rinse the area with water

COMPANY CAR TAXATION CHART – TAX YEAR 2018/19

HOW TO CALCULATE YOUR COMPANY CAR INCOME TAX LIABILITY – EFFECTIVE 6.4.2018

Use the car's CO_2 emission figure to look up the Benefit in Kind (BIK) %

↓

Multiply the BIK % by the sum of the car's P11D value [1]

↓

Multiply by employee income tax rating (19% [2], 20%, 21% [2], 40%, 41% [2], 45% or 46% [2])

↓

That's the tax you'll pay for your car in 2018/19

The government is retaining the diesel supplement in company car tax until 2021, when EU-wide testing procedures will ensure new diesel cars meet air quality standards even under strict 'real world' driving conditions. From 6 April 2018 drivers must add 4% (increased from 3% at Autumn Budget 2017) to their appropriate percentage if the car is propelled solely by diesel (up to a maximum of 37%).

From 2020/21, the BIK percentages for zero emission cars will reduce from 16% to 2%, whilst BEV/PHEV cars with CO_2 emissions between 1-50g/km will vary between 2% and 14%, depending on the electric range (miles).

For further details of company car tax, please consult your authorised Volkswagen retailer, or visit www.volkswagen.co.uk/fleet/company-tax

1 P11D values given in this price list are based on standard specification models with no factory-fitted options or other accessories. If your car includes factory-fitted options or other accessories, you may need to adjust the P11D value to take this into account.
2 From 6 April 2018, new income tax rates have been introduced for Scottish Taxpayers, these figures reflect the new Scottish rates. For full details of Scottish BIK tax liability, please refer to the Benefit In Kind for Scottish Residents section on page 41.

1 Stock vehicle(s) tested according to NEDC technical procedures. Figures shown are for comparability purposes; only compare fuel consumption and CO_2 figures with other vehicles tested to the same technical procedures. These figures may not reflect real life driving results, which will depend upon a number of factors including the accessories fitted (post-registration), variations in weather, driving styles and vehicle load. There is a new test used for fuel consumption and CO_2 figures (known as WLTP). The figures shown however, are based on the outgoing (NEDC) test cycle. Please consult your authorised Volkswagen retailer for further information. More information is available at www.volkswagen.co.uk/owners/wltp.

2 The BIK % figure quoted includes the 4% diesel supplement, where applicable.

3 From 6 April 2018, new income tax rates have been introduced for Scottish Taxpayers. For full details of Scottish BIK tax liability, please refer to the Benefit In Kind for Scottish Residents section on page 41.

4 Figures shown are for comparability purposes; only compare fuel consumption and CO_2 figures with other vehicles tested to the same technical procedures. These figures may not reflect real life driving results, which will depend upon a number of factors including the accessories fitted (post-registration), variations in weather, driving styles and vehicle load. There is a new test used for fuel consumption and CO_2 figures (known as WLTP). The CO_2 figures shown however, are based on a calculation designed to be equivalent to the outgoing (NEDC) test cycle and will be used to calculate vehicle tax on first registration. For more information, please see volkswagen.co.uk/owners/wltp or consult your authorised Volkswagen retailer.

‡ These vehicles are WLTP (Worldwide Harmonised Light-Duty Vehicles Test Procedure) type approved vehicles. More information is available at www.volkswagen.co.uk/owners/wltp.

† Please note these models may no longer be available to order, or may only be available from stock and not available to factory order.

All examples are for manual derivatives unless otherwise stated.

THE VOLKSWAGEN SERVICE, FOR YOUR PEACE OF MIND

THE VOLKSWAGEN WARRANTY

Exclusions and terms and conditions apply to all warranties and plans listed. For pricing and further details of Volkswagen Warranties and Service Plans, please consult your authorised Volkswagen retailer or repairer, or visit www.volkswagen.co.uk

THREE-YEAR WARRANTY

All Volkswagen passenger cars come with a three-year/60,000 miles warranty, which protects your car against the failure of most technical and electrical components due to manufacturing defects. This comprises a two-year manufacturer's warranty with unlimited mileage plus a further one-year/60,000 miles (whichever is soonest) Retailer Warranty[1]. Should the mileage exceed 60,000 miles within the first two years, the manufacturer's two-year warranty will still be valid. Full details of the three-year warranty are available from your authorised Volkswagen retailer or repairer.

BODY PROTECTION WARRANTY

The internal body sections and panels of the Touran are covered against rusting through from the inside for 12 years. Naturally, the vehicle must be cared for in compliance with the manufacturer's operating instructions. Please consult your authorised Volkswagen retailer or repairer for full warranty details.

THREE-YEAR PAINTWORK WARRANTY

This latest paintwork warranty, pioneered by Volkswagen, provides you with cover on a new car. Naturally, during the warranty period the car must be cared for in compliance with the manufacturer's operating instructions. Any paintwork defects, as a result of the manufacturing process, will be rectified without charge.

SERVICE INTERVALS

Volkswagen is pleased to offer you a choice on how your Volkswagen is serviced. The appropriate selection is entirely dependent on how the car is likely to be driven and its general use. To help you identify which type of service would be most suitable, please refer to the following guide.

The Fixed Service is recommended for vehicles that will cover less than 10,000 miles in 12 months and if the vehicle is likely to be used in the following way:

- Predominantly urban driving, short journeys with frequent cold starts.
- Activities regularly producing high engine loading, e.g. frequent hill climbs, driving with vehicle fully loaded and towing.
- Uneconomical driving style using high rpms with heavy acceleration and heavy braking.

The service intervals for the Fixed Service are as follows:

- Oil change service – After 1 year or 10,000 miles (15,000km), whichever is soonest.
- Inspection service[2] – First after 2 years or 20,000 miles (30,000km), then every one year or 20,000 miles (30,000km), whichever is soonest.

SERVICE INTERVALS (CONTINUED)

The Flexible Service is recommended for vehicles with daily mileage of more than 25 miles where the vehicle is driven regularly mainly on longer distance journeys. The vehicle is driven mainly at a constant speed with minimum vehicle and engine loading, minimal towing and driven in an economical manner. With the Flexible Service the vehicle can cover anywhere between 10,000[3] and a maximum of 20,000[3] miles or 24 months (whichever is soonest) between oil changes.

The service intervals for the Flexible Service are as follows:

- Oil change service – According to flexible service interval display (after 2 years at the latest).
- Inspection service[2] – First after 2 years or 20,000 miles (30,000km), then every one year or 20,000 miles (30,000km), whichever is soonest.

The up! model is only available with the Fixed Service schedule. Please consult your authorised Volkswagen retailer or repairer for advice and full details.

VOLKSWAGEN INSURANCE[4]

We want you to start enjoying your new car from day one, and thanks to our 5 day complimentary Volkswagen Drive Away Insurance you can. Call 0345 300 6119 (lines are open Monday to Friday 8am-8pm and Saturday 9am-5pm). If eligible, we will also give you a quotation for our annual insurance, designed specifically for Volkswagen drivers.

VOLKSWAGEN ENSURANCE[5]

Get three years' Volkswagen Ensurance cover for free.

Another great benefit of being a Volkswagen driver. If your Volkswagen was damaged in an accident, wouldn't you want it fixed by a Volkswagen trained technician using only genuine Volkswagen parts? Ensurance is Volkswagen's accident and repair cover which does exactly that. It works alongside your main comprehensive motor insurance policy no matter who you are insured with, to make sure you get the quality repair and service you would want. If you're involved in an accident or your car is stolen, just one call to us and we'll look after your claim from start to finish ensuring your Volkswagen is restored to the highest standard.

Activate your cover and benefit from:

- A guarantee that your Volkswagen will be repaired by a Volkswagen approved repairer and Volkswagen trained technicians, using only genuine Volkswagen parts and paints.
- A dedicated Claims Manager who will manage your claim from start to finish, liaising with your insurer and the repairer so you don't have to.
- Help to recover any uninsured losses using our Legal Expenses Cover.
- Online claims tracking so you can keep up to date with the status of any claim.

Volkswagen Ensurance is free to all Volkswagen customers for three years and it only takes a minute to get cover.

To find out more and to activate your cover, visit www.volkswagen-ensurance.co.uk

VOLKSWAGEN FINANCE[6]

Volkswagen Finance specialises in providing funding solutions for Volkswagen drivers. Whether your Volkswagen is for private or business use, you can choose from a range of funding options.

- Solutions – a Personal Contract Plan
- Hire purchase
- Lease purchase
- Finance lease
- Contract hire

With all Volkswagen Finance products you can choose a fixed-cost maintenance plan to help you budget for your servicing and maintenance costs. No matter what finance product you choose, your local Volkswagen retailer will be able to provide you with a personalised quote that could meet your budget and vehicle needs.

VOLKSWAGEN ROADSIDE ASSISTANCE

Every new car is registered for Volkswagen Roadside Assistance for one year except the Touareg which is registered for three years. This provides vehicle roadside and home recovery in the unlikely event of a breakdown in the UK and Europe (subject to conditions). Volkswagen Roadside Assistance can also be purchased for subsequent years.

Exclusions and terms and conditions apply. For pricing and further details of Volkswagen Roadside Assistance, please consult your authorised Volkswagen retailer, or visit www.volkswagen.co.uk

PRICES AND SPECIFICATIONS

The prices and specifications contained in this price list are for information purposes only as our products are continually updated and changes may be made to the prices and specifications at any time. If you require any specific feature, please consult your authorised Volkswagen retailer who is regularly updated with any change in specification. Prices and specifications are subject to change without notice.

Following the announcement of a price increase, any vehicle order which can be accepted into the factory production system before the effective date of the price increase will be supplied at the current price, even if built and delivered after the date on which the increase became effective.

Note: We would like to advise you that telephone calls to Volkswagen Customer Care may be monitored and recorded as part of our training and quality assurance processes. All our monitoring and recording processes meet Oftel regulations.

ADBLUE®

Diesel engines with SCR (Selective Catalytic Reduction) technology require AdBlue® which must be kept topped up. Please see www.volkswagen.co.uk/technology/adblue for more details.

BENEFIT IN KIND (BIK) FOR SCOTTISH RESIDENTS

Effective as of April 6 2018, the Scottish Government introduced their own BIK taxation structure. This is only applicable to Company Car Drivers that are resident Scottish taxpayers. HMRC will continue to be responsible for the collection and management of taxes and will determine whether or not an individual is a Scottish taxpayer based on where their primary place of residence is.

Scottish Income Tax rates and Bands 2018/19

Starter rate 19% – over £11,850 - £13,850

Basic rate of 20% – over £13,850 - £24,000

Intermediate rate 21% – over £24,000 - £44,273

Higher rate 41% – over £44,273 - £150,000

Top rate 46% – above £150,000

1 All warranty work must be completed by an authorised Volkswagen retailer or repairer.
2 The inspection service first at 3 years (or 40,000 miles) and then every second year (or 40,000 miles) has additional workscope.
3 The quoted mileage is based on a conversion from kilometres and is therefore unlikely to exceed circa 18,000 miles between oil changes.
4 Volkswagen Car Insurance is underwritten by U K Insurance Limited. Registered Office: The Wharf, Neville Street, Leeds LS1 4AZ. Registered in England and Wales number: 1179980. U K Insurance Limited is authorised by the Prudential Regulation Authority and regulated by the Financial Conduct Authority (FCA) and the Prudential Regulation Authority. Calls may be recorded.

Volkswagen Financial Services is a trading name of Volkswagen Financial Services (UK) Limited ('VWFS UK'), registered in England and Wales number: 2835230 (Registered Office: Brunswick Court, Yeomans Drive, Blakelands, Milton Keynes MK14 5LR). Volkswagen Insurance Service (Great Britain) Ltd. is an appointed representative of VWFS UK. VWFS UK is authorised and regulated by the FCA, registration number: 311988. Authorisation details for both organisations can be checked on the Financial Services Register by visiting www.fca.org.uk. VWFS UK and U K Insurance Limited are not part of the same corporate group.

5 Ensurance from Volkswagen Financial Services is sold and administered by Lawshield UK Limited, registered in England number: 3360532. Registered office: Lawshield House, 850 Ibis Court, Lakeside Drive, Centre Park, Warrington, Cheshire, WA1 1RL and underwritten by UK General Insurance Limited on behalf of Great Lakes Insurance SE. Great Lakes Insurance SE is a German insurance company with its headquarters at Königinstrasse 107, 80802 Munich. UK Branch office: Plantation Place, 30 Fenchurch Street, London, EC3M 3AJ. Lawshield UK Limited is authorised and regulated by the Financial Conduct Authority (FCA). Authorisation details can be checked on the FCA's register at www.fca.org.uk. Great Lakes Insurance SE, UK Branch, is authorised by Bundesanstalt für Finanzdienstleistungsaufsicht and subject to limited regulation by the Financial Conduct Authority and Prudential Regulation Authority. Details about the extent of their regulation by the Financial Conduct Authority and Prudential Regulation Authority are available on request.
6 Finance is available to 18s and over, subject to status. Terms and conditions apply. Volkswagen Finance.
