- For our ID. electric vehicles, the cost of a home charger install is covered or access the BP pulse public charging network is provided
- Plus all the benefits of a Volkswagen!

Do I Qualify?

To qualify, you must be in receipt of one of the government-funded mobility allowances listed below with at least 12-months allowance remaining.

- The Higher Rate Mobility Component of Disability Living Allowance (DLA)
- The Higher Rate Mobility Part of Personal Independence Payment (PIP)
- The War Pensioners' Mobility Supplement (WPMS)

In this price list, you can find the Volkswagens available on the Motability scheme. Listed is the Advanced Payment (AP) amount, this is a one-off payment required at the start of your lease. Alongside this, there is the weekly rental. Some vehicles will cost your whole weekly mobility allowance, shown as total allowance (TA) in the pricing table. Whereas other vehicles won't cost your full allowance and will take the amount shown in the table away from your weekly allowance, leaving the remainder of your allowance to spend as you wish.
