Front cover model shown is Polo SEL with optional 17" 'Pamplona' alloy wheels, LED dipped and main beam headlights and metallic paint.

Model shown is Polo R-Line with optional panoramic sunroof and metallic paint.

Protection all round. All round beauty.

Charismatic and confident, the Polo has arrived. With its advanced technology, efficient engines and sophisticated driver's and safety assistance systems, it's one of the world's most advanced compact cars, providing more interior space and boot volume than ever before. The sporty exterior is designed to turn heads, matched by an interior that's totally at home in the digital age. No wonder it's creating such a stir.

Model shown is Polo R-Line with optional 17" 'Bonneville' Black diamond-turned alloy wheels, LED dipped and main beam headlights, panoramic sunroof and metallic paint.

Model shown is Polo SEL with optional 17" 'Pamplona' alloy wheels, panoramic sunroof and metallic paint.

Exterior.

02

Model shown is Polo SEL with optional 17" 'Pamplona' Dark Adamantium alloy wheels, LED dipped and main beam headlights and metallic paint.

01 The **Polo's rear design** is strong and distinctive. A prominent tornado line extends from the front side panels along the doors and around the rear, defining the bodylines and creating a sculpted, sporty appearance. Stylish rear lights with LED number plate lights complete the square-edged rear design, giving real visual presence.

02 The **17 inch 'Pamplona' Dark Adamantium alloy wheels** with five double spokes add serious sports appeal and complement the exterior design perfectly. Optional on SEL models.

03 The **front design** is sporty and athletic, characterised by the long bonnet and horizontal lines, giving a broader, more muscular appearance, while optional LED headlights with LED daytime running lights enhance its sharp look. Model shown is Polo SEL with optional 17" 'Pamplona' alloy wheels, LED dipped and main beam headlights and metallic paint.

03

Great view. Great outlook.

The optional panoramic sunroof gives an impressive uninterrupted view of the sky above, adding an extra dimension of light and space and creating a relaxing interior ambience.

01-02 Enjoy your surroundings. The optional **panoramic sunroof** gives an unobstructed view to the sky above, allowing sunshine and fresh air to flood into the interior. Optional on SE models and above. Model shown is Polo SEL with optional panoramic sunroof and metallic paint.

A new generation of technology with a design to match.

Sophisticated and advanced, the interior of the Polo is designed for today.

Digital instruments are highly functional and easy to use, such as the innovative 10.3 inch Active Info Display¹ and the latest generation infotainment systems, featuring glass, high-resolution touch-screen displays.

01 Adjustable lumbar support allows you to enjoy maximum comfort and maintain the optimum position for your spine ensuring maximum comfort even on the longest of trips. Interior shown is SEL with optional Art Velours upholstery.

02 The Start/Stop (Keyless entry) enables you to start the engine using a button in the centre console, without taking the key from your pocket. Standard on GTI+ and optional on SE models and above.

03 Style and comfort are second nature inside the Polo. Ambient lighting, standard on SEL models and above, provides real atmosphere, whilst a choice of **optional Dashpad and Style packs** as well as different upholstery colours, allow you to add individuality and colour, furthermore plenty of head and legroom helps keep you relaxed. Dashpad and Style packs are optional on SE and SEL models.

¹ Active Info Display is standard on GTI+ and optional on SE models and above.

Interior shown is Polo SEL with optional 'Energetic Orange' Dashpad pack, Active Info Display, Adaptive Cruise Control (ACC) and metallic paint.

Model shown is Polo SEL with optional 17" 'Pamplona' Dark Adamantium alloy wheels, Black roof pack, 'Energetic Orange' Dashpad pack, LED dipped and main beam headlights and metallic paint.

Your Polo. Your design. Your style.

It's up to you how your Polo looks. Optional style packs provide a choice of finishes, interior styling, interior and exterior colours and equipment, offering all the customisation options you need to create your own unique Polo. So you feel totally at home, the moment you sit behind the wheel.

02

03

01 The **Black style pack** is elegant and classic, comprising a range of black features to create a stylish and exclusive look. The 'Gloss Black' roof decal, 'Gloss Black' upper door mirror housings create a dynamic contrast with your chosen vehicle colour. Optional on SE and SEL models.

02 Also included in the Black style pack are the 16 inch '**Sebring**' **Black diamond-turned alloy wheels** featuring a five double-spoke design. Their glossy black look provides a further contrast with the vehicle colour, while wide 195/55 R16 tyres enhance the exterior's sporty appeal. Optional on SE and SEL models.

03 Not only does the **Black style pack** deliver a sporty and dynamic look, it also ensures exceptional comfort, thanks to the front sports seats equipped with lumbar support, 'Level' cloth seat centre section and 'Carbon leather' side bolsters. The look is completed by the Titanium black rooflining and sun visors, 'Deep Iron' upper dashpad, and front and rear carpet mats, creating a luxurious and inviting interior. Optional on SE and SEL models. Interior shown is Polo SEL with optional Black style pack, Dashpad pack, Active Info Display and metallic paint.

Also available as an option is the **Style pack**, which includes all the interior equipment of the Black style pack. Optional on SE and SEL models.

01

02

01–02 The **Dashpad pack** allows you to introduce even more colour and individuality to the interior of your Polo, with a choice of 'Energetic Orange', 'Reef Blue' or 'Silver Silk' dashpad inserts. Optional on SE and SEL models. 'Deep Iron' dashpad is also available as a no cost option on GTI and GTI+ models. Interiors shown are Polo SEL with optional 'Energetic Orange' and 'Reef Blue' Dashpad packs, Active Info Display, cruise control and metallic paint.

03 When choosing your Polo, why not make the most of the opportunity to express your individual style? Thanks to the extensive choice of finishes, there's a wide selection of stylish body colours and you can further enhance the visual presence by selecting the **Black roof pack**, comprising of 'Gloss Black' roof decal, 'Gloss Black' upper door mirror housings and rear tinted glass from B-pillar backwards. Matched with a vibrant body colour such as 'Energetic Orange' or a classic colour such as 'Pure White', it ensures your Polo really stands out, while creating a truly individual look. Optional on SE, SEL, R-Line, GTI and GTI+ models.

03

Model shown is Polo SEL with optional 'Energetic Orange' Dashpad pack, Black roof pack and metallic paint.

Infotainment and connectivity.

The Polo is truly a car of the digital age, providing endless infotainment and connectivity possibilities, exceptional ease of use and amazing functionality. Take the Active Info Display, offering five different customisable screens and journey data, with either large or small dials depending on your preference, on the interactive 10.3 inch high resolution screen, enabling you to view information exactly as you wish, in the configuration of your choice.

01-03 It's up to you in which configuration you display data. Thanks to the **Active Info Display's** fully configurable screen*, you can view combinations of information, from a full screen navigation map to detailed driving data such as journey time, speedometer display and fuel level, phone information or driver assistance systems. The choice is yours. Standard on GTI+ and optional on SE models and above. Images shown feature cruise control which is optional on S, SE, beats, SEL, R-Line and GTI models.

* When the large navigation map is displayed on the full Active Info Display in conjunction with the optional Discover Navigation infotainment system, the navigation map cannot be displayed on the central 8.0 inch colour touch-screen.

Interior shown is Polo SEL with optional 'Energetic Orange' Dashpad pack, Active Info Display and Adaptive Cruise Control (ACC).

Completely free. But well connected.

Whatever your plans, you're totally flexible in the Polo. Car-Net online mobile services provide remote access via your smartphone, enabling you to stay connected with everything that's important to you whilst still enjoying complete independence.

Model shown is Polo R-Line with optional panoramic sunroof and metallic paint.

It's never been easier to stay connected.

Thanks to Car-Net 'App-Connect'¹, your smartphone, your music, your messages, the internet, and selected apps are available at your fingertips. Simply connect your smartphone via USB to the infotainment touch-screen and your phone integrates seamlessly into your infotainment system allowing you to listen to your favourite music, use your phone, view messages or check the latest news and journey information. It's that simple to stay connected on every trip.

Interior shown is Polo SEL with optional 'Energetic Orange' Dashpad pack and metallic paint.

01

02

03

01 Depending on which smartphone you have, you can connect Car-Net 'App-Connect'¹ via USB connection to one of three interfaces: Apple 'CarPlay', Google 'Android Auto' or 'MirrorLink'[™], allowing your smartphone display to be 'mirrored' on the infotainment touch-screen and giving access to your favourite smartphone functions, such as music, messages, phone and news. Volkswagen apps such as 'Think Blue. Trainer.', 'Shared Audio', 'Drive & Track' or 'My Guide' can help to make your journey more pleasant and interesting by providing useful tips on driving your car, parking opportunities and even where to find the closest café. Volkswagen apps are only available with compatible smartphones. Please consult www.volkswagen.co.uk to check smartphone compatibility. Usage of certified apps only while driving. Standard on SE models and above, and optional on S models. Image shown features optional Discover Navigation infotainment system.

02 Car-Net 'Guide and Inform'² gives you online access to a wide range of useful information, such as weather, exciting destinations in your surrounding area, or the next filling station. You can also receive the latest traffic information with recommendations for avoiding congestion or news and weather feeds from the Internet. Car-Net 'Guide and Inform' is standard on the Discover Navigation infotainment system.

03 The Active Info Display is a fully configurable, interactive 10.3 inch TFT display which replaces the standard analogue instrument cluster, displaying vehicle data and information on your dashboard. Five different modes allow you to customise the screen, with large or small dials as you prefer, and a number of items displayed behind them. When used in navigation mode, in conjunction with the optional Discover Navigation infotainment system³, you can move the speedometer and rev counter to the edge of the display, creating more space for the navigational map. If you wish, you can include driving, navigation and assistance functions within the graphics of the speedometer. As the Active Info Display is linked to all other assistance systems in the vehicle, any data shown in the centre console of the infotainment system, such as phone numbers or your music's compatible cover art, can also be displayed on the dash, conveniently placed directly within the driver's optimum field of vision. Standard on GTI+ and optional on SE models and above.

¹ Only operable in conjunction with compatible smartphones including iPhone 5 and above. Please see www.volkswagen.co.uk to check smartphone compatibility.

² Car-Net 'Guide and Inform' services are accessed via a compatible mobile device. Please see www.volkswagen.co.uk for more information. The use of 'Guide and Inform' services entails exchanging large volumes of data. As such, we strongly recommend that you sign-up for a flat rate data plan with your mobile network provider. After the initial 3-year Car-Net contract, an annual subscription is chargeable for the continuation of Car-Net 'Guide and Inform' services.

³ When the large navigation map is displayed on the full Active Info Display in conjunction with the optional Discover Navigation infotainment system, the navigation map cannot be displayed on the central 8.0 inch colour touch-screen.

Everything to hand. Exactly as you'd expect.

Want to combine your selected route with your favourite music? No problem. The infotainment systems in the Polo couldn't be easier to use. Featuring high quality, touch-screen displays, they're ergonomically designed for intuitive use with everything to hand, exactly where you'd expect it to be. Sit back, enjoy the journey and the entertainment.

01 The **Composition Media infotainment system** is equipped with an 8.0 inch colour touch-screen, DAB digital radio receiver, Multi Device Interface (MDI), single CD player, SD card reader and USB connection. It allows music playback from MP3, WMA and AAC files, simultaneous pairing of two compatible mobile devices, SMS functionality (when stationary and on compatible Android smartphones only), Bluetooth telephone and audio functionality¹, and provides driver tips and journey analysis via the 'Think Blue. Trainer'. Six speakers, situated to the front and rear, deliver 4 x 20 watt output. Standard on S, SE, beats, R-Line, GTI and GTI+ models.

02 The **Discover Navigation touch-screen navigation/infotainment system** adds navigational functionality to the 'Composition Media' system, providing dynamic navigation based on TMC+, branded points of interest, preloaded European navigation data, Speed Limit Display² and three routes (Fast, Short and Eco), and 2D/3D map view. It comes with 3-years' Car Net 'Guide and Inform'³, providing online access to such information as traffic, fuel pricing, weather and news feeds; and includes online navigation software updates, enabling you to download the latest map data. The system also offers Volkswagen Media Control⁴, which allows remote control of the infotainment system via a smartphone or tablet. Standard on SEL and optional on SE, beats, R-Line, GTI and GTI+.

¹ Devices must be Bluetooth HFP (Hands Free Profile) compatible, please contact your authorised Volkswagen retailer for specific phone compatibility.

² Speed Limit Display only reflects national speed limits and does not show temporary speed limit restrictions, or where permanent changes to speed limits are made in-between map updates.

³ Car-Net 'Guide and Inform' services are accessed via a compatible mobile device. Please see www.volkswagen.co.uk for more information. The use of 'Guide and Inform' services entails exchanging large volumes of data. As such, we strongly recommend that you sign-up for a flat rate data plan with your mobile network provider. After the initial 3-year Car-Net contract, an annual subscription is chargeable for the continuation of Car-Net 'Guide and Inform' services.

⁴ Only operable in conjunction with compatible tablets and smartphones including iPhone 5 and above. Please see www.volkswagen.co.uk to check compatibility.

Images shown features optional 'Energetic Orange' Dashpad pack.

Volkswagen Connect®.

All your car's information. All in one place.

Volkswagen Connect is the easy way to connect your Polo to your smartphone.

It relays everything you need to know, from service information and fuel consumption, parking location and helpful tips on driving more economically.

Welcome on board.

Getting started is easy. Follow these simple steps to find out how Volkswagen Connect® can provide you with help and information on every journey.

Step 1

Download the free Volkswagen Connect® App to your smartphone from the App Store for iOS, or Google Play Store for Android.

Step 2

Follow the instructions in the App.

Step 3

Put the DataPlug onto the diagnostic port that you'll find below the steering wheel.

Step 4

Connect via Bluetooth.

Step 5

That's it.

For a list of all compatible models and for more information visit www.vwconnect.com

My Volkswagen.

The overview of key information about your car such as service and maintenance intervals, warning message displays, fuel level and mileage.

Trips.

This feature shows detailed map views, trip details, statistics, and the cost of each trip. You can categorise all trips into either business or private, and all of this can be downloaded to your desktop if required.

Driving style.

This feature can help save you money, analysing and evaluating all the elements of the engine and braking performance, combined with your driving style to give you tips on how to be even more efficient when driving.

Parking space.

The app automatically remembers where you've parked. And while you're away from your car, it'll show you how long you've been parked for.

Fuel monitor.

Everything you need to know about your vehicle's fuel consumption and costs. It even tracks your fuel stops, especially useful if you use your car for business purposes.

Service partner.

Wherever you are, you can see exactly where your nearby retailers are and be navigated to the nearest one. And if you need to call them, the app will put you straight through.

Assistance call.

Just press and call Volkswagen's 24-hour helpline where you'll be put straight through to Customer Service. And if you're not sure where you are, don't worry, it transmits your location directly to them.

Challenges.

This feature helps you meet efficiency and driving style targets. Collect points and trophies as you move through the tasks and discover hidden bonus challenges to help keep you improving your scores.

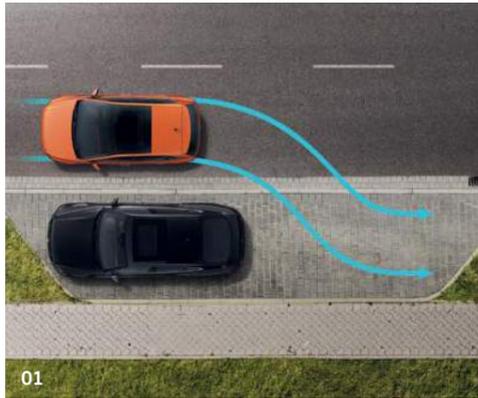

Safety is a team effort.

When it comes to safety, the Polo is well equipped, scoring a maximum Euro NCAP five-star rating. Which means it's well equipped to take good care of occupants and other road users. A wealth of on-board driver assistance systems help you travel safely and comfortably, arriving at your destination relaxed and stress free.

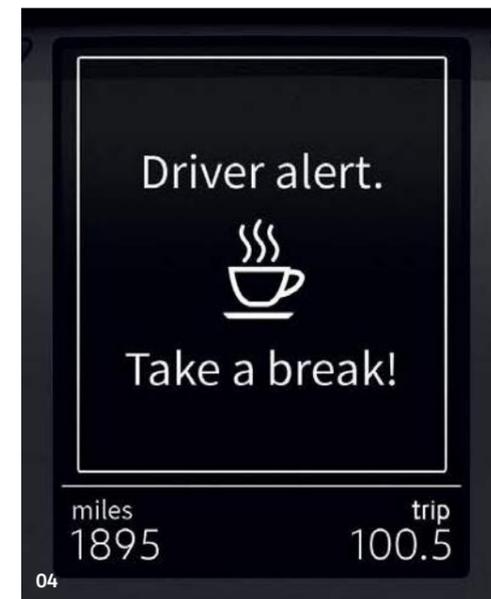

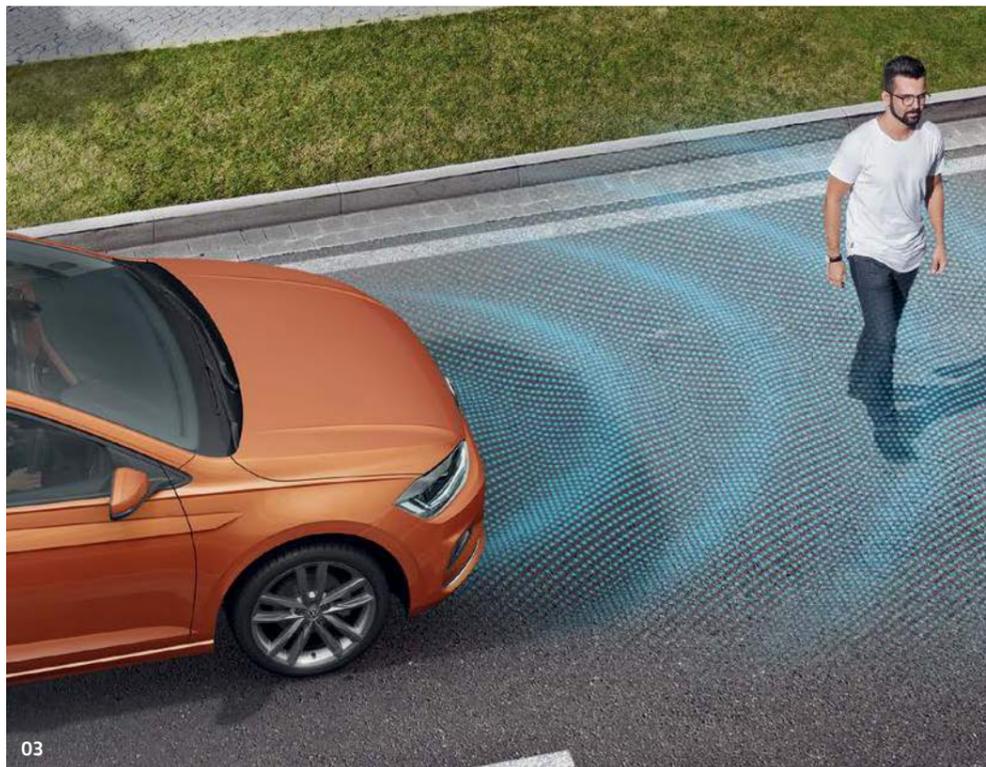

01 The **Park Assist system** not only makes parallel parking easier, but also helps you reverse park into a space at 90 degrees to the kerb. Using ultrasonic sensors, Park Assist will detect a parking space large enough for either bay or parallel parking. Once the vehicle is in reverse, all the driver has to do is operate the accelerator and brake, and keep a lookout, while the Polo steers itself into its chosen space. Optional on SE models and above.

02 The **PreCrash preventive occupant protection** recognises dangerous driving situations and automatically takes measures to help protect vehicle occupants, tensioning the front seat belts, closing the electric windows, shutting the optional panoramic sunroof, if fitted, and deploying the brakes. Optional on all models.

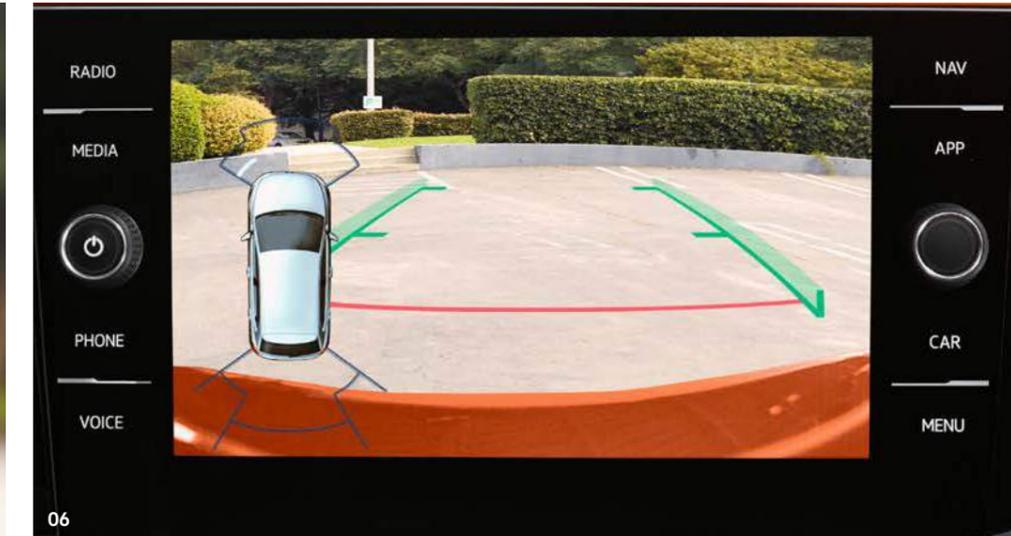

03 The **Front Assist monitoring system** combines **Predictive Pedestrian Protection with City Emergency Braking**, alerting you if it detects vehicles or pedestrians at the edge of the road or on the carriageway, via acoustic and optical signals, as well as a gentle application of the brakes. The system even performs an emergency stop should the distance become critical, helping to protect other road users and possibly avert potential accidents. Standard on all models.

04 The **Driver Alert system** monitors driver behaviour. As soon as it detects unusual driving patterns, such as lane deviation or erratic steering movements, it recommends taking a break via visual and acoustic signals. Standard on all models.

05 **Blind spot detection with rear traffic alert** provides additional peace of mind by assisting when you want to change lanes. A radar sensor controlled warning system monitors your blind spot and should it detect a potentially hazardous situation, it warns you by means of flashing warning lights in the door mirror housing. The rear traffic alert monitors the area to the rear and both sides when in reverse gear. If it detects a vehicle moving towards you, the system provides audible and visual warnings and will initiate braking if necessary. Optional on SE models and above.

06 The **rear-view camera** displays the area behind your vehicle on the screen of the vehicle's infotainment system, helping you to manoeuvre into tight spaces quickly and easily. Auxiliary lines help you navigate safely into parking spaces, and thanks to the high resolution display, even small obstacles such as kerbs are visible. Optional on SE models and above. Image shown features optional Discover Navigation infotainment system.

07 **Adaptive Cruise Control (ACC)** including Front Assist radar sensor controlled distance monitoring system, City emergency braking system, cruise control and speed limiter, offers you intelligent control of your driving speed by automatically adjusting acceleration and braking. Whether around town or on the motorway, the system will adjust your speed to that of the vehicle in front, keep your specified distance, warn if you are approaching too fast and, in an emergency situation, generate enough braking force to try to reduce the severity of a collision or possibly even prevent the collision entirely. Standard on GTI+ and optional on SE models and above.

Polo S and SE.

01 The entry level **Polo S** is impressively equipped, with many stylish touches. Contemporary 'Basket' cloth upholstery contrasts with 'Limestone Grey' decorative inserts, 'High Gloss Black' air vent trim and 'Black' gear lever trim help to give the interior a sporty look, while the Composition Media infotainment system provides an 8.0 inch colour touch-screen, Bluetooth telephone connection¹ and a wealth of entertainment and communication functions. Safety features and driver assistant systems provide additional peace of mind, for example, Front Assist and City emergency braking offers you intelligent control of your driving speed by automatically adjusting acceleration and braking. Curtain airbags for front and rear passengers provide increased protection, helping to protect heads in an emergency.

02 The **Polo SE** offers a higher level of comfort and style, enhanced by 'Millie' cloth upholstery, a leather trimmed three-spoke multifunction steering wheel, gear knob and handbrake grip and illuminated vanity mirrors. The multifunction computer 'Plus' gives easy access to driving data, telephone operation, audio selection and driver assistant system's information, while reading lights front and rear, electrically heated and adjustable door mirrors and rear electric windows enhance driving comfort. Split folding 60:40 rear seat backrest and a variable load floor in the luggage compartment increases functionality, while allowing easy access and providing ample storage space for bulky objects.

¹ Devices must be Bluetooth HFP (Hands Free Profile) compatible, please contact your authorised Volkswagen retailer for specific phone compatibility.

01

Interior shown is Polo S with optional non-metallic paint.

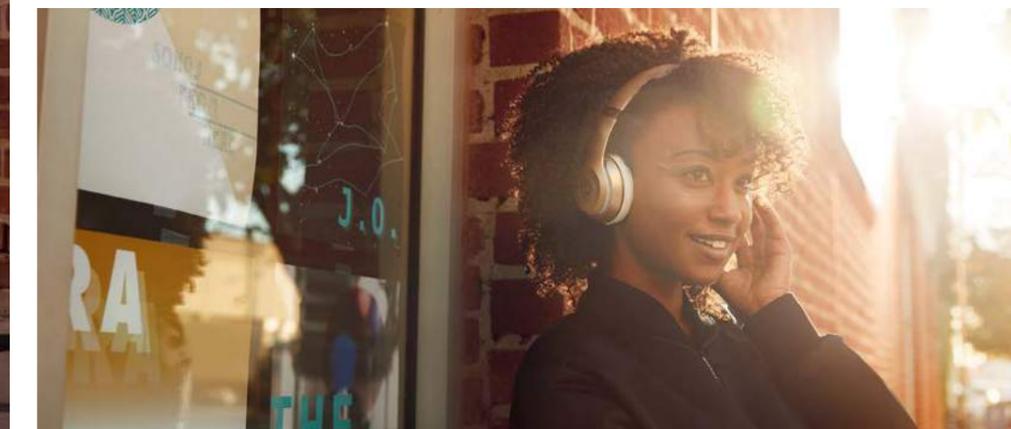

02

Interior shown is Polo SE with optional Light & Sight pack, front centre armrest, climate control – 2Zone electronic air conditioning, Adaptive Cruise Control (ACC) and metallic paint.

Polo beats. Discover the bass.

Enjoy near perfect sound in the Polo beats with the phenomenal beats audio™ sound system. The powerful eight channel amplifier, Digital Sound Processor, subwoofer and six speakers with 300 watt output ensures an acoustic experience that's as good as it gets, giving you maximum enjoyment wherever you go. And you don't just hear it, the distinctive 'beats' branding gives it a visual presence both inside and out.

01 Dynamic décor: the unique 'beats' decals*, slightly offset from centre, gives your Polo beats a truly eye-catching look. The stylish decal, shown here in Flash Red, runs up the bonnet and continues across the length of the roof creating a striking exterior.

* The decorative decals shown in this flyer can show signs of usage or aging, especially in direct sunlight, after one to three years or in very hot climate zones. Leaving the decorative decals on the vehicle for some time can lead to optical differences between the area of the paintwork covered by the decorative decals and the unprotected area.

01

Interior shown is Polo beats with optional Discover Navigation infotainment system, climate control – 2Zone electronic air conditioning, Light & Sight pack, Adaptive Cruise Control (ACC) and metallic paint.

Model shown is Polo beats with optional metallic paint.

01 The Polo beats' interior is designed to be noticed. Door sill protectors proudly feature the **beats audio logo** on the backrest of the front sports seats and also on the speakers. The 'Velvet Red' trim in the dash and centre console are vibrant and eye-catching, echoed in the red double seam on the stylish 'Tracks 2' seats.

02 The Polo beats' **distinctive tornado line** starts at the front side panels, extends across the doors and around the rear, emphasising its dynamic shape and bodyline. To the front, exterior door mirror housings are finished in Black, creating a highly visual detail, and to the rear, stylish rear lights and tinted glass from the B-pillar back complete the look.

03

04

03 All about that bass. The 'beats' logo refers to the Polo **beats audio™ sound system**, offering phenomenal acoustics, with a Digital Sound Processor and eight channel amplifier controlling its six tweeters, woofers and broadband speakers, delivering an overall 300 watt output. The integrated subwoofer ensures the right level of bass is supplied throughout the interior, creating the beats audio characteristic rich sound.

04 **Front sports seats** provide exceptional comfort and excellent support, especially when cornering. Finished in hard-wearing 'Tracks 2' fabric in Titan Black with twin contrasting red stripes and leatherette/'Tracks 2' side bolsters, they're contemporary and stylish, displaying the 'beats' logo proudly on the backrest.

01

Interior shown is Polo SEL with optional 'Energetic Orange' Dashpad pack, Active Info Display, Driving Profile Selection, Adaptive Cruise Control (ACC) and metallic paint.

Polo SEL.

02

01 The Polo SEL ensures a luxurious and comfortable driving experience. 'Tracks 2' cloth upholstery, 'Deep Iron' decorative inserts, interior chrome-plated detailing and front and rear carpet mats create a stylish and relaxed interior, enhanced by ambient lighting in the front footwell and light strips below the trim in the front and rear doors and dashboard. Front sports seats feature height adjustment, while the Discover Navigation infotainment system provides a full range of in-car entertainment, navigation and communication functions, and a storage compartment in the front centre armrest provides a practical touch.

02 Climate control – 2Zone electronic air conditioning with automatic air recirculation features dual zone temperature control for the driver and front passenger, allowing each to select their individual preferred temperature. A sensor monitors the outside air quality and if necessary automatically activates the air recirculation function.

03 The stunning looking 16 inch 'Las Minas' alloy wheels characterise the design of the SEL and provide an elegant flair as well as a sporty look to the exterior.

04 Front and rear parking sensors assist parking manoeuvres by emitting both audible and visual signals, alerting the driver to any obstacles in the way. The closer you are to an obstacle the faster the sound frequency, while an optical parking display indicates your position in relation to obstacles on the screen of the vehicle's infotainment system.

03

04

Polo R-Line.

Exciting, sporty and stylish, the Polo R-Line is no ordinary model. It has its own unique styling, providing a level of specification that is fitting for a car of this stature, adding to the excitement of driving this eye-catching car. Thanks to the 'R-Line' exterior styling pack, it's easy to recognise this distinctive model, with its specially designed front and rear bumpers, 'C' signature 'Gloss Black' front air intakes and radiator grille. The unique 'R-Line' badging and striking 16 inch 'Sebring' Galvano Grey alloy wheels add the finishing touch, creating a look that's sleek, stylish and distinctively R-Line.

01 The **R-Line exterior** packs a punch from the minute you set eyes on it. The specially designed 'R-Line' front and rear bumpers, 'C' signature 'Gloss Black' front air intakes and radiator grille, extended side skirts and unique 'R-Line' badging create a powerful front design, with an assured sense of style.

01 16 inch 'Sebring' Galvano Grey alloy wheels with its distinctive five-spoke design enhance the sporty appearance, completing the stylish look.

02 The rear design is just as distinctive as the front, with chrome effect trapezoid fascia exhaust tailpipe surrounds, left and right, LED tinted rear light clusters, rear diffuser and rear tinted glass from the B-pillar backwards and unique 'R-Line' badging on the front side panels.

01

02

Model shown is Polo R-Line with optional 17" 'Bonneville' Black diamond-turned alloy wheels and metallic paint.

01 The interior emphasises the sporty character of the Polo R-Line, demonstrated by the **leather trimmed three-spoke multifunction steering wheel with aluminium inserts and 'R-Line' logo**, Titanium Black rooflining and sun visors, and stainless steel pedals. Electrically heated, adjustable and foldable door mirrors feature reverse-activated kerb-view adjustment on the passenger's side, completing the impressive specification, reinforcing the quality and attention to detail.

02 **Front sports seats** feature the familiar 'R-Line' logo on the backrest and are finished in contemporary 'Carbon Flag' cloth upholstery.

03 The unique **door sill protectors with 'R-Line' logo** add an extra touch of sportiness to the dynamic appearance and are proudly seen as the door opens.

Three letters that say it all. GTI.

The name GTI has always stood for exceptional performance and driving enjoyment. The Polo GTI continues this tradition with a truly striking exterior and dynamic appeal. Sporty 17 inch 'Parker' alloy wheels with red brake callipers, sports suspension lowered by approximately 15mm and extended sill strips flared in black all bear testimony to its sporting heritage, continued on the rear by the chrome exhaust twin tailpipe, 'Gloss Black' rear spoiler and LED darkened rear light clusters.

01 The GTI is easily recognisable from a distance, thanks to its **unique 'GTI' styling**, with its uniquely shaped front and rear GTI bumpers and 'Black' honeycomb front air intake, familiar honeycomb radiator grille with traditional red stripe, fog lights and unique 'GTI' badging. Model shown is Polo GTI with optional LED dipped and main beam headlights.

Model shown is Polo GTI+ with optional 18" 'Brescia' Black diamond-turned alloy wheels.

Iconic design. Ground-breaking technology.

Iconic GTI design meets ground-breaking technology in the GTI's interior. The leather trimmed three-spoke multifunction steering wheel with 'GTI' logo and red stitching, 'Velvet Red' or 'Deep Iron' decorative inserts and stainless steel door sill protectors with 'GTI' logo pay homage to its sporting tradition, while a choice of driver profiles allows you to select Eco, Normal, Sport or Individual settings, depending on the driving style you prefer.

01 Sporty details such as black gloss instrument surrounds, black rooflining and sun visors, aluminium-look pedals and carpet mats front and rear finished with red stitching complete the dynamic interior, and the high resolution 10.3 inch **Active Info Display**, which is standard on GTI+ models, is a real highlight.

02 Front sports seats are stylishly finished in classic tartan '**Jacara**' cloth upholstery, with height and lumbar adjustment to ensure the optimum driving position.

Wheels.

01 Steel wheels 5J x 14" with 185/70 R14 tyres and full size wheel trims.

02 'Sassari' 5½J x 15" alloy wheels with 185/65 R15 low rolling resistance tyres and anti-theft wheel bolts.

03 'Torsby' Black diamond-turned 6½J x 16" alloy wheels with 195/55 R16 tyres and anti-theft wheel bolts. Including steel space saver spare wheel on SE models.

04 'Las Minas' 6½J x 16" alloy wheels with 195/55 R16 tyres and anti-theft wheel bolts.

05 'Sebring' Galvano Grey 6½J x 16" alloy wheels with 195/55 R16 tyres and anti-theft wheel bolts.

06 'Parker' 7½J x 17" alloy wheels with 215/45 R17 tyres and anti-theft wheel bolts.

07 'Sassari' Smokey Aurora* 5½J x 15" alloy wheels with 185/65 R15 low rolling resistance tyres and anti-theft wheel bolts.

08 'Seyne' Black diamond-turned 5½J x 15" alloy wheels with 185/65 R15 low rolling resistance tyres and anti-theft wheel bolts.

09 'Salou' 5½J x 15" alloy wheels with 185/65 R15 tyres and anti-theft wheel bolts.

10 'Las Minas' Dark Adamantium 6½J x 16" alloy wheels with 195/55 R16 tyres and anti-theft wheel bolts. Including steel space saver spare wheel.

11 'Pamplona' 7J x 17" alloy wheels with 215/45 R17 tyres and anti-theft wheel bolts.

12 'Pamplona' Dark Adamantium 7J x 17" alloy wheels with 215/45 R17 tyres and anti-theft wheel bolts.

13 'Bonneville' Black diamond-turned 7J x 17" alloy wheels with 215/45 R17 tyres and anti-theft wheel bolts.

14 'Brescia' Black diamond-turned 7½J x 18" alloy wheels with 215/40 R18 tyres and anti-theft wheel bolts.

Technology.

Transmission

- Electronic differential lock, combined with a hydraulically operated single-plate dry clutch with asbestos-free lining via a six or seven speed automatic DSG gearbox
- Front wheel drive through asbestos-free single-plate dry clutch. Hydraulic clutch-mechanism. Five or six speed manual, six or seven speed automatic DSG gearbox with double joint half axles (wet clutch on six speed DSG models)

Brakes

- Electronically controlled Anti-lock Braking System (ABS) with Electronic Brake-pressure Distribution (EBD)
- Diagonal twin-circuit brake system with ventilated front disc brakes and rear drum brakes. Rear disc brakes on SEL and R-Line 1.0 TSI 115 PS engines, GTI and GTI+ models
- Asbestos-free brake pad
- HBA (Hydraulic Brake Assist)

Steering

- Electro-mechanical steering rack
- Collapsible, height and lengthways adjustable safety steering column

Running gear

- ESC (Electronic Stability Control) including EDL (Electronic Differential Lock), ASR (Traction Control) and Countersteer Support
- Front suspension through coil springs with telescopic shock absorbers, all elements integrated in chassis legs
- Rear suspension with gas pressure shock absorbers and separate springs
- Twist beam rear axle (1.0 litre 65 PS, 1.0 litre 75 PS, 1.0 litre TSI 95 PS, 1.0 litre TSI 115 PS, 1.6 litre TDI 80 PS, 1.6 litre TDI 95 PS)
- Multilink rear axle (2.0 litre TSI 200 PS)
- Wheel control: front through chassis legs and (lower) triangular wishbones (directionally stabilising steering roll radius)
- Wheel control: rear through four-link suspension with independent wheel suspension
- Front and rear anti-roll bar
- XDS electronic differential lock (2.0 litre TSI 200 PS)

| | | |
|--|------|------|
| With rear seats upright and rear bench forward | 351 | 305 |
| With rear seats folded and rear bench forward | 1125 | 1079 |

Figures shown are for standard specification models. The addition of certain factory-fitted options and/or accessories may affect some of the dimensions shown.

On illustrations, where arrows and figures are shown inside of the vehicle, the measurements are for interior dimensions. Where arrows and figures are shown outside of the vehicle, the measurements are for exterior dimensions.

Model shown is Polo R-Line with optional 17" 'Bonneville' Black diamond-turned alloy wheels and metallic paint.

Volkswagen service.

Exclusions and terms and conditions apply to all warranties and plans listed. For pricing and further details of Volkswagen Warranties and Service Plans, please consult your authorised Volkswagen retailer or repairer, or visit www.volkswagen.co.uk

The Volkswagen Warranty

Three-year Warranty

All Volkswagen passenger cars come with a three-year/60,000 miles warranty, which protects your car against the failure of most technical and electrical components due to manufacturing defects. This comprises a two-year manufacturer's warranty with unlimited mileage plus a further one-year/60,000 miles (whichever is soonest) Retailer Warranty¹. Should the mileage exceed 60,000 miles within the first two years, the manufacturer's two-year warranty will still be valid. Full details of the three-year warranty are available from your authorised Volkswagen retailer or repairer.

Body Protection Warranty

The internal body sections and panels of the Polo are covered against rusting through from the inside for 12 years. Naturally, the vehicle must be cared for in compliance with the manufacturer's operating instructions. Please consult your authorised Volkswagen retailer or repairer for full warranty details.

Three-year Paintwork Warranty

This latest paintwork warranty, pioneered by Volkswagen, provides you with cover on a new car. Naturally, during the warranty period the car must be cared for in compliance with the manufacturer's operating instructions. Any paintwork defects, as a result of the manufacturing process, will be rectified without charge.

Approved Accessories

A comprehensive range of accessories from alloy wheels to carpet mats is available to complement the factory-fitted option list. Volkswagen approved accessories purchased from and fitted by your authorised Volkswagen retailer at the point of vehicle sale will also benefit from the three-year vehicle warranty.

Service Intervals

Volkswagen is pleased to offer you a choice on how your Volkswagen is serviced. The appropriate selection is entirely dependent on how the car is likely to be driven and its general use. To help you identify which type of service would be most suitable, please refer to the following guide.

The Fixed Service is recommended for vehicles that will cover less than 10,000 miles in 12 months and if the vehicle is likely to be used in the following way:

- Predominantly urban driving, short journeys with frequent cold starts.
- Activities regularly producing high engine loading, e.g. frequent hill climbs, driving with vehicle fully loaded and towing.
- Uneconomical driving style using high rpms with heavy acceleration and heavy braking.

The service intervals for the Fixed Service are as follows:

- Oil change service – After 1 year or 10,000 miles (15,000km), whichever is soonest.
- Inspection service² – First after 2 years or 20,000 miles (30,000km), then every one year or 20,000 miles (30,000km), whichever is soonest.

The Flexible Service is recommended for vehicles with daily mileage of more than 25 miles where the vehicle is driven regularly mainly on longer distance journeys. The vehicle is driven mainly at a constant speed with minimum vehicle and engine loading, minimal towing and driven in an economical manner. With the Flexible Service the vehicle can cover anywhere between 10,000³ and a maximum of 20,000³ miles or 24 months (whichever is soonest) between oil changes.

The service intervals for the Flexible Service are as follows:

- Oil change service – According to flexible service interval display (after 2 years at the latest).
- Inspection service² – First after 2 years or 20,000 miles (30,000km), then every one year or 20,000 miles (30,000km), whichever is soonest.

The up! model is only available with the Fixed Service schedule. Please consult your authorised Volkswagen retailer or repairer for advice and full details.

Please note: If you purchase a Volkswagen Fixed Price Service Plan your vehicle will follow the Fixed Service schedule.

Volkswagen Insurance⁴

We want you to start enjoying your new car from day one, and thanks to our 5 day complimentary Volkswagen Drive Away Insurance you can. Call 0345 300 6119 (lines are open Monday to Friday 8am-8pm and Saturday 9am-5pm). If eligible, we will also give you a quotation for our annual insurance, designed specifically for Volkswagen drivers.

¹ All warranty work must be completed by an authorised Volkswagen retailer or repairer.

² The inspection service first at 3 years (or 40,000 miles) and then every second year (or 40,000 miles) has additional workscope.

³ The quoted mileage is based on a conversion from kilometres and is therefore unlikely to exceed circa 18,000 miles between oil changes.

⁴ Volkswagen Car Insurance is underwritten by U K Insurance Limited. Registered Office: The Wharf, Neville Street, Leeds LS1 4AZ. Registered in England and Wales number: 1179980. U K Insurance Limited is authorised by the Prudential Regulation Authority and regulated by the Financial Conduct Authority (FCA) and the Prudential Regulation Authority. Calls may be recorded. Volkswagen Financial Services is a trading name of Volkswagen Financial Services (UK) Limited ('VWFS UK'), registered in England and Wales number: 2835230 (Registered Office: Brunswick Court, Yeomans Drive, Blakelands, Milton Keynes MK14 5LR). Volkswagen Insurance Service (Great Britain) Ltd. is an appointed representative of VWFS UK. VWFS UK is authorised and regulated by the FCA, registration number: 311988. Authorisation details for both organisations can be checked on the Financial Services Register by visiting www.fca.org.uk. VWFS UK and U K Insurance Limited are not part of the same corporate group.

Volkswagen Ensurance⁵

Get three years' Volkswagen Ensurance cover for free.

Another great benefit of being a Volkswagen driver. If your Volkswagen was damaged in an accident, wouldn't you want it fixed by a Volkswagen trained technician using only genuine Volkswagen parts? Ensurance is Volkswagen's accident and repair cover which does exactly that. It works alongside your main comprehensive motor insurance policy no matter who you are insured with, to make sure you get the quality repair and service you would want. If you're involved in an accident or your car is stolen, just one call to us and we'll look after your claim from start to finish ensuring your Volkswagen is restored to the highest standard.

Activate your cover and benefit from:

- A guarantee that your Volkswagen will be repaired by a Volkswagen approved repairer and Volkswagen trained technicians, using only genuine Volkswagen parts and paints.
- A dedicated Claims Manager who will manage your claim from start to finish, liaising with your insurer and the repairer so you don't have to.
- Help to recover any uninsured losses using our Legal Expenses Cover.
- Online claims tracking so you can keep up to date with the status of any claim.

Volkswagen Ensurance is free to all Volkswagen customers for three years and it only takes a minute to get cover. To find out more and to activate your cover, visit www.volkswagen-ensurance.co.uk

Volkswagen Finance⁶

Volkswagen Finance specialises in providing funding solutions for Volkswagen drivers. Whether your Volkswagen is for private or business use, you can choose from a range of funding options.

- Solutions – a Personal Contract Plan
- Hire purchase
- Lease purchase
- Finance lease
- Contract hire

With all Volkswagen Finance products you can choose a fixed-cost maintenance plan to help you budget for your servicing and maintenance costs. No matter what finance product you choose, your local Volkswagen retailer will be able to provide you with a personalised quote that could meet your budget and vehicle needs.

Tax Free Sales

For full details, please contact your authorised Volkswagen retailer.

Volkswagen Roadside Assistance

Every new car is registered for Volkswagen Roadside Assistance for one year except the Touareg which is registered for three years. This provides vehicle roadside and home recovery in the unlikely event of a breakdown in the UK and Europe (subject to conditions). Volkswagen Roadside Assistance can also be purchased for subsequent years.

Exclusions and terms and conditions apply. For pricing and further details of Volkswagen Roadside Assistance, please consult your authorised Volkswagen retailer, or visit www.volkswagen.co.uk

Fuel consumption and CO₂ Emissions

From 1996 and prior to September 2017, fuel consumption and CO₂ emission figures were obtained under standardised NEDC (New European Driving Cycle) EU test conditions (Directive 93/116/EEC). This allowed a direct comparison between different manufacturer models but did not represent the actual fuel consumption achieved in 'real world' driving conditions.

As of September 2017, WLTP (Worldwide Harmonised Light-Duty Vehicles Test Procedure) a new worldwide standardised testing procedure for estimating fuel consumption and CO₂ emissions was introduced. More information is available at www.volkswagen.co.uk/owners/wltp. In line with Government guidance, to facilitate direct comparison between different models from different manufacturers and to accommodate the full transition to this new testing regime, we are displaying the NEDC figures. These NEDC figures are the values for this vehicle used in all registration and taxation documentation until further notice from the UK authorities. Fuel consumption and efficiency figures are provided for comparative purposes only and may not reflect 'real world' driving results. The weight of a vehicle will influence the level of CO₂ emissions it produces; as a result, vehicles with higher levels of specification and factory-fitted options may emit higher levels of CO₂. Choosing larger alloy wheels than those fitted as standard may result in increased fuel consumption as well as higher CO₂ emissions and subsequently an increased Vehicle Excise Duty (VED) band. BIK rates paid by company car drivers may also increase. In some instances, the recommended 'On the road' retail price paid for a vehicle may increase as a result of the increased VED rate. CO₂ is the main greenhouse gas responsible for global warming. The specifications contained in this brochure are for information purposes only and are subject to change. More information is available on the Volkswagen website at www.volkswagen.co.uk/owners/wltp and at www.dft.gov.uk/vca.

Please note:

Some illustrations in this brochure do not necessarily reflect UK specifications and may not be available.

In particular, controls and some items of equipment are positioned differently for the UK.

The specifications contained in this brochure are for information purposes only and are subject to change.

If you require any specific feature, you must consult your authorised Volkswagen retailer who is regularly updated with any change in specification. Please check model availability and full specification details with your authorised Volkswagen retailer prior to ordering.

Note: we would like to advise you that telephone calls to Volkswagen Customer Care may be monitored and recorded as part of our training and quality assurance processes. All our monitoring and recording processes meet Ofcom regulations.

⁵ Ensurance from Volkswagen Financial Services is sold and administered by Lawshield UK Limited, registered in England number: 3360532. Registered office: Lawshield House, 850 Ibis Court, Lakeside Drive, Centre Park, Warrington, Cheshire, WA1 1RL and underwritten by UK General Insurance Limited on behalf of Great Lakes Insurance SE. Great Lakes Insurance SE is a German insurance company with its headquarters at Königinstrasse 107, 80802 Munich. UK Branch office: Plantation Place, 30 Fenchurch Street, London, EC3M 3AJ. Lawshield UK Limited is authorised and regulated by the Financial Conduct Authority (FCA). Authorisation details can be checked on the FCA's register at www.fca.org.uk. Great Lakes Insurance SE, UK Branch, is authorised by Bundesanstalt für Finanzdienstleistungsaufsicht and subject to limited regulation by the Financial Conduct Authority and Prudential Regulation Authority. Details about the extent of their regulation by the Financial Conduct Authority and Prudential Regulation Authority are available on request.

⁶ Finance is available to 18s and over, subject to status. Terms and conditions apply. Volkswagen Finance.
