

The T-Roc

Price and specification guide

Effective from 24.2.2020

[Configure now >](#)

Made to lead. Designed to inspire.

Do you appreciate good design and individuality? The self-confident T-Roc stands out from the crowd with its expressive design and numerous customisable options. Now available in six trim levels: S, SE, Design, SEL, R-Line or R, combined with a choice of exterior and interior colours and styling, you can choose a T-Roc that perfectly reflects your personality.

Models shown are T-Roc SEL with optional two-tone black roof and metallic paint and T-Roc Design with optional 18" 'Arlo' Sterling Silver alloy wheels and metallic paint. Front cover model shown is T-Roc R-Line with optional two-tone black roof and Pure White non-metallic paint.

Self-confidence comes from within.

Robust, modern and elegant, the interior of the T-Roc embraces the future, combining an all-new design with Volkswagen’s characteristic build quality. Unprecedented levels of functionality and technology, enhanced by ergonomic attention to detail, places it in a league of its own. With plenty of space for occupants and luggage alike, the T-Roc offers all you could ask for in terms of comfort, style and convenience. Look within and discover the inside story.

Interior shown is T-Roc SEL DSG 4MOTION with optional Sport pack, beats soundpack, carpet mats and metallic paint.

01-02 The interior of the T-Roc SEL is luxurious and elegant, with ambient lighting in the front footwell and light strips below the trim in the front doors, enhanced with Caribou Grey decorative inserts in the dash and door panels. Front sport seats, beautifully finished in contemporary 'Gem' cloth upholstery, feature height adjustment, ensuring the optimum driving position, while front and rear reading lights incorporate LED technology for optimum illumination, furthermore the optional panoramic sunroof adds a new dimension of light and spaciousness above. Interior shown is T-Roc SEL with optional panoramic sunroof, Sport pack and metallic paint.

1 Figures shown are for comparability purposes; only compare fuel consumption and CO₂ figures with other vehicles tested to the same technical procedures. These figures may not reflect real life driving results, which will depend upon a number of factors including the accessories fitted (post-registration), variations in weather, driving styles and vehicle load. There is a new test used for fuel consumption and CO₂ figures (known as WLTP). The CO₂ figures shown however, are based on a calculation designed to be equivalent to the outgoing (NEDC) test cycle and will be used to calculate vehicle tax on first registration. For more information, please see [www.volkswagen.co.uk/need-help/wltp](#) or consult your authorised Volkswagen retailer. 2 For full details of 'First year rate' VED (Vehicle Excise Duty), delivery to retailer, number plates and vehicle first registration fee included in the recommended 'On the road' retail price, [please click here](#) 3 P11D value = Total recommended retail price + delivery to retailer £509.17, + number plates £20, + VAT £105.83 (calculated by reference to total of delivery to retailer + number plates). P11D value is based on standard specification model with no factory-fitted options or other accessories. 4 The BIK % figure quoted includes the 4% diesel supplement, where applicable. 5 The ABI insurance group is the recommended insurance rating set by the Association of British Insurers. Please note that insurance group ratings are purely advisory. They are used by insurers (ABI members and Lloyd's syndicates) as one of the factors in calculating premiums. Insurers are not required to follow the advisory group ratings and they may depart from them if they so wish. ‡ These vehicles are WLTP (Worldwide Harmonised Light-Duty Vehicles Test Procedure) type approved vehicles. More information is available at [www.volkswagen.co.uk/need-help/wltp](#). SCR (Selective Catalytic Reduction) requires AdBlue®, [please click here](#) or visit [www.volkswagen.co.uk/technology/engines/adblue](#) for more details. RDE2 refers to Real Driving Emissions Step 2.

Volkswagen Service Plan – Retail sales only.

For vehicles under 1 year old set to the Fixed Service regime that has not had its first service, comprising first two manufacturer's scheduled services:

- 'Oil service' including oil filter change

- 'Oil service' including oil filter change and 'Inspection service' plus a pollen filter replacement (if required)

Excludes electric vehicles. Service plan covers first two consecutive services, limited to 1x 'Oil service' and 1x 'Oil and Inspection service'. T&Cs apply: All vehicles must be set to the Fixed Service regime by the retailer. Maximum age of car is 12 months (Service plan must be taken out before first service is due). Additional work, including wear and tear is excluded. Servicing must be carried out in line with the requirement of the Service Schedule. All work must be carried out by an Authorised Volkswagen Repairer. Offers may be varied or withdrawn at any time. Plan validity is dependent on required payments received. Administered by Volkswagen Financial Services. Retail sales only. For pricing and further details, please consult your authorised Volkswagen retailer or visit [www.volkswagen.co.uk](#)

Prices, specifications, features, technical and other information (including fuel consumption, CO₂ emissions and range) are updated regularly and are subject to change without notice (this may include changes between order and delivery). There may be a delay in updates to our materials – always consult your authorised Volkswagen retailer for the latest information. Volkswagen UK may change RRP's at any time (this includes where there are government changes in regulation and/or legislation). There may be a delay to any RRP displaying correctly on our materials. Always obtain prices from your chosen authorised Volkswagen retailer.

VAT IS CALCULATED AT 20%. EFFECTIVE FROM 24 FEBRUARY 2020.

Black grained wheel arches
Body-coloured bumpers and door handles
Body-coloured door mirrors with integrated indicators
Chrome trim on radiator grille, upper and lower
Electrically heated and adjustable door mirrors
Galvanised body
Halogen clear headlights, range adjustable via infotainment system with automatic headlight activation and separate LED daytime running lights
LED rear number plate lights
Rear wash/wipe with intermittent wipe
Windscreen wiper with intermittent wipe and 4 position delay

INTERIOR
Deep Matt Black decorative inserts in dash and centre console
Cup holders, front x 2
Glovebox
Height and reach adjustable steering wheel
Instrument lighting, white adjustable panel illumination
Interior light delay
Load lashing points x 4, in luggage compartment
Luggage compartment cover, removable
Luggage compartment light
Reading lights, front x 2
Seating
– Upholstery – ‘Mercutio’ cloth
– Front seats with height adjustment
– Split folding rear seat backrests

Storage compartment in driver's and front passenger's door (for 1.5 litre bottle)
Storage compartment in rear doors
Storage compartments in luggage area, left and right
Three-spoke steering wheel
Vanity Mirrors, illuminated

SAFETY AND SECURITY
Airbags
– Curtain airbag system
– Driver's and front passenger's airbags with passenger's airbag deactivation switch
– Front seat side impact airbags
Automatic hazard lights activation under emergency braking
Disc brakes, front and rear, front ventilated
Driver's and front passenger's safety-optimised head restraints
Electronic engine immobiliser
ESC (Electronic Stability Control) – includes EDL (Electronic Differential Lock) and ASR (Traction Control), EDTC (Engine Drag Torque Control) and trailer stabilisation function

SAFETY AND SECURITY (CONTINUED)
Height-adjustable front three-point seat belts with tensioners
High level 3rd brake light
Isofix child seat preparation, easy-fit (for 2 outer rear seats)
Manual coming/automatic leaving home lighting function
Misfuel prevention device for diesel engines
Remote central locking with 2 remote folding keys
Rigid safety cell with front and rear crumple zones
Tyre pressure loss indicator
Warning sound and light for front seat belts if unfastened
3 rear head restraints
3 rear three-point seat belts

COMFORT AND CONVENIENCE
Automatic dimming interior rear-view mirror
Climate control – 2Zone electronic air conditioning with automatic air recirculation and allergy filter
Electric windows, front and rear
Heated rear window
Rain sensor

DRIVER'S ASSISTANCE
Dusk sensor
Electronic parking brake – with auto hold function
Front Assist, radar sensor controlled distance monitoring system, City emergency braking system and Predictive Pedestrian Protection
Lane Assist
Power-assisted steering, speed-sensitive
Remote tailgate unlocking, via key fob
Warning 'lights on' buzzer
Warning sound and light for doors and tailgate if open

WE CONNECT GO®
(S, SE and Design models only)
DataPlug sends vehicle information via Bluetooth to the We Connect Go® app displayed on your smartphone. We Connect Go® app free to download from the App Store or Google Play Store, with DataPlug connection to OBD2 port underneath the steering wheel. Features include:
– My Volkswagen – vehicle information for service and maintenance intervals, warning message displays, fuel level and mileage
– Trips – business or private journey analysis. Provides detailed map views, journey details, statistics and journey cost
– Driving style – analysis of driving style to provide tips for more efficient driving
– Parking space – displays parking location and parking duration
– Fuel monitor – monitors fuel consumption and cost
– Service partner – locates and provides directions to local retailers. Direct dial access if required
– Assistance call – direct dial to Volkswagen's 24-hour Customer Service helpline with the ability to send the vehicle's location
– Challenges – sets efficiency and driving style targets. Collect points and trophies with bonus challenges to improve your scores

IN-CAR ENTERTAINMENT AND COMMUNICATIONS
Composition Media infotainment system
– 8.0" colour touch-screen
– Bluetooth telephone and audio connection for compatible devices ¹
– Car information display
– DAB digital radio receiver
– MDI (Multi Device Interface), via USB connection – compatible products only
– Music playback, MP3, WMA and AAC files
– SD card reader
– Simultaneous pairing of 2 compatible mobile devices
– Single CD player, glovebox mounted
– SMS functionality – read, compose and send SMS messages using touch-screen display (when stationary, compatible Android smartphones only)
– 'Think Blue. Trainer.' Driver tips and journey analysis
– Title and cover art display
– USB connection, USB charging socket (compatible products only)
– 4 x 20 watt output
– 6 speakers, front and rear
Premium USB cable (choice of either Apple or Android smartphone compatibility)

EFFICIENCY
Battery regeneration (recuperation – energy recovery during braking)
Multifunction computer, includes visual gear change recommendation for improved fuel consumption
Start/Stop function

1 Devices must be Bluetooth HFP (Hands Free Profile) compatible, please contact your authorised Volkswagen retailer for specific phone compatibility.

The specifications listed are for information purposes only as our products are continually updated and changes may be made to the specifications at any time. If you require any specific feature, please consult your authorised Volkswagen retailer who is regularly updated with any change in specification. Specifications are subject to change without notice.

– Front sports seats with height adjustment

IN-CAR ENTERTAINMENT AND COMMUNICATIONS

Discover Navigation infotainment system (in addition to Composition Media infotainment system)

– 8.0" colour touch-screen

– Branded points of interest

– Dynamic navigation based on TMC+

– Preloaded European navigation data

– Speed Limit Display¹

– Three route options (Fast, Short, Eco)

– 2D/3D map view

CAR-NET

Car-Net 'Guide and Inform'² – 3-year subscription

– Providing online access to a range of useful information such as traffic, fuel pricing, weather and news feeds

Car-Net 'Security & Service'³

– Provides continuous interaction between the driver, vehicle and Volkswagen, via integrated SIM-card connectivity

– Driver and vehicle integration with Volkswagen call centre or server for: 'eCall' – Emergency call service for SOS calls to emergency response incl. Automatic accident notification, Car breakdown, Vehicle health report and Service schedule

– Driver and vehicle integration via Car-Net Portal or Car-Net app for: Driving data, Doors and lights, Area alert, Speed alert, Horn and hazard lights, Parking position and Online anti-theft alarm – 3-year subscription

DRIVER'S ASSISTANCE

Active Info Display, 10.3" high resolution TFT dash display screen with customisable menus and information⁴

Driver Alert system, fatigue detection

Driving profile selection – choice of four preset modes: Eco, Normal, Sport or Individual modes. Individual mode allows manual settings for steering, drive and air conditioning settings

- 1 Speed Limit Display only reflects national speed limits and does not show temporary speed limit restrictions, or where permanent changes to speed limits are made in-between map updates.
- 2 Car-Net 'Guide and Inform' services are accessed via a compatible mobile device. Please see www.volkswagen.co.uk for more information. The use of 'Guide and Inform' services entails exchanging large volumes of data. As such, we strongly recommend that you sign-up for a flat rate data plan with your mobile network provider. After the initial 3-year Car-Net contract, an annual subscription is chargeable for the continuation of 'Guide and Inform' services.
- 3 Use of Car-Net 'Security & Service' is governed in a separate Contract concluded online with Volkswagen. To use the free Car-Net app you will need a smartphone with iOS or Android operating system and a SIM-card with a data option. Depending on your mobile tariff, sending and receiving data online may incur additional charges (e.g. roaming charges), particularly if you are using Car-Net abroad. For more information on Car-Net Security & Service, go to www.volkswagen.co.uk/technology/car-net/security-and-service or contact your Volkswagen retailer.
- 4 Please note: When the navigation map is displayed in the Active Info Display in conjunction with the Discover Navigation infotainment system, the navigation map cannot be displayed on the Discover Navigation's 8.0" touch-screen.

The specifications listed are for information purposes only as our products are continually updated and changes may be made to the specifications at any time. If you require any specific feature, please consult your authorised Volkswagen retailer who is regularly updated with any change in specification. Specifications are subject to change without notice.

The T-Roc R.

There’s no mistaking the sports characteristics of the stylish T-Roc R. From the sporty body-coloured bumpers and distinctive radiator grille bearing the ‘R’ logo, to the rear ‘Black’ diffuser with twin chrome exhaust tailpipes left and right. Widened wheel arches surround the 19 inch ‘Pretoria’ alloy wheels and perfectly complement the ‘Black’ brake callipers complete with ‘R’ logo – it’s all about performance. The interior exudes a motorsport feeling, with ambient lighting, ‘Gloss Black’ décor, and the ‘R’ motif synonymous with power, on the door sill protectors, front seat backrests and leather trimmed multifunction sports steering wheel.

Model shown is T-Roc R with optional two-tone black roof and Lapiz Blue metallic signature paint.

Additional items of standard equipment: R (over R-Line)

WHEELS AND SUSPENSION

Alloy wheels, four 8J x 19" 'Pretoria' with 235/40 R19 tyres and anti-theft wheel bolts

'R' sports suspension, lowered

EXTERIOR

'Black' brake callipers with 'R' logo

LED daytime running lights set into front bumper (in lieu of front fog lights)

Matt-chrome effect door mirrors

'R' styling pack – uniquely shaped front and rear bumpers, rear roof spoiler and side sills

Rear diffuser in 'Black' with twin chrome exhaust tailpipes, left and right

Unique 'R' badging

DRIVER'S ASSISTANCE

Driving profile selection – Race mode

Four wheel drive – 4MOTION

SAFETY AND SECURITY

Unique 'R' design key

INTERIOR

Carpet mats, front and rear with grey contrast stitching

Leather trimmed three-spoke multifunction steering wheel with grey contrast stitching and aluminium inserts with 'R' logo

'Gloss Black' decorative inserts in dash, centre console and door panels

Seating

- Upholstery – 'Race' cloth
- Front sports seats with embroidered 'R' logo

Stainless steel pedals – brake and accelerator

Unique 'R' door sill protectors

Unique 'R' gear lever knob

Unique 'R' instrument cluster

The specifications listed are for information purposes only as our products are continually updated and changes may be made to the specifications at any time. If you require any specific feature, please consult your authorised Volkswagen retailer who is regularly updated with any change in specification. Specifications are subject to change without notice.

Driver's assistance systems.

01 Progressive steering in the T-Roc gives you better control when driving at higher speeds and additional comfort in everyday use. The progressive gear ratio reduces steering work, making it easier to park and increasing driving dynamics on winding roads. Standard on R-Line and R models and optional on SE, Design and SEL models as part of the optional Dynamic Chassis Control (DCC) and Sports suspension.

02 PreCrash preventive occupant protection recognises dangerous driving situations and automatically takes measures to help protect vehicle occupants, tensioning the front seat belts, closing the electric windows, shutting the optional panoramic sunroof, if fitted, and deploying the brakes. Optional on all models.

03 Lane Assist is a camera controlled warning system that alerts you if your vehicle drifts out of its lane, helping to reduce the chance of an accident and making long motorway journeys safer. Using a camera located in the rear-view mirror unit, it monitors the road markings and prevents unintentional lane deviations. The system only intervenes if the indicators are not used, so if you decide to change lanes and indicate, the intelligent system recognises this and switches off. Standard on all models.

Images shown are for illustration purposes only and may not necessarily reflect UK specification.

The T-Roc	Model prices	Standard equipment	Driver's assistance systems	Infotainment and connectivity	We Connect Go®	Factory-fitted options	The T-Roc Design	Accessories	Alloy wheels	Paint and roof options	Upholstery	Combinations	Dimensions	VED and additional 'On the road' costs	Environmental information	AdBlue®	CO ₂ emissions, BIK % and VED Bands with optional wheels	Company car taxation chart and comparison	Volkswagen service and service plan
-----------	--------------	--------------------	-----------------------------	-------------------------------	----------------	------------------------	------------------	-------------	--------------	------------------------	------------	--------------	------------	--	---------------------------	---------	---	---	-------------------------------------

01 The **Front Assist** monitoring system combines Predictive Pedestrian Protection with City Emergency Braking, alerting you if it detects vehicles or pedestrians at the edge of the road or on the carriageway, via acoustic and optical signals, as well as a gentle application of the brakes. The system even performs an emergency stop should the distance become critical, helping to protect other road users and possibly avert potential accidents. Standard on all models.

02 **Front and rear parking sensors** assist parking manoeuvres by emitting both audible and visual signals, alerting the driver to any obstacles in the way. The closer you are to an obstacle the faster the sound frequency, while an optical parking display indicates your position in relation to obstacles on the screen of the vehicle's infotainment system. Standard on SE models and above, and optional on S models.

03 All 4MOTION models feature **4MOTION Active Control** which allows you to adapt your T-Roc to suit the weather and road conditions ahead. Choose from four driving modes including On road, Off-road, Off-road Individual and Snow, enabling you to find the optimum choice of driving mode wherever your adventures may take you. Standard on all 4MOTION models.

04 The **electric tailgate** opens easily and conveniently, either from the driver's seat or using the remote control key. You can also adjust the opening height so it doesn't strike a low ceiling. Once everything is stowed, simply press a button in the tailgate and it closes automatically. Optional on SE models and above.

05 The **Park Assist system** not only makes parallel parking easier, but also helps you reverse park into a space at 90 degrees to the kerb. Using ultrasonic sensors, Park Assist will detect a parking space large enough for either bay or parallel parking. Once the vehicle is in reverse, all the driver has to do is operate the accelerator and brake and keep a lookout, while the T-Roc steers itself into its chosen space. Optional on SE, Design, SEL and R-Line models.

All-new interactive dashboard.

Enjoy all the benefits of an interactive, digital dashboard thanks to a host of standard and optional equipment. The Active Info Display allows you to customise menus as you wish, while the Discover Navigation touch-screen infotainment system keeps you connected and informed, furthermore the powerful beats soundpack delivers exceptional acoustics.

01 The Composition Media infotainment system is equipped with an 8.0 inch colour touch-screen, DAB digital radio receiver, Multi Device Interface (MDI), single CD player, SD card reader and USB connection. It allows music playback from MP3, WMA and AAC files, simultaneous pairing of two compatible mobile devices, SMS functionality (when stationary and on compatible Android smartphones only), Bluetooth telephone and audio functionality¹, and provides driver tips and journey analysis via the 'Think Blue. Trainer.' Six speakers, situated to the front and rear, make sure excellent acoustics are delivered on every journey. Standard on S, SE and Design models.

02 The Discover Navigation infotainment system with Car-Net 'Guide and Inform' and Car-Net 'Security & Service' builds upon the impressive Composition Media infotainment system, but with additional features enabling you to easily manage not only your music, but also navigation data and a broad range of vehicle information. The system offers preloaded European navigation data, 2D/3D map view which can be easily followed on the 8.0 inch colour touch-screen, three calculated route choices (Fast, Short and Eco), dynamic navigation based on TMC+, branded points of interest, Speed Limit Display² and 3-years Car-Net 'Guide and Inform'³ access makes it possible to integrate 'traffic information online' into route guidance and transfer public and personal points of interest to the navigation system. The service also includes information for fuel location, weather and news feeds. Car-Net 'Security & Service'⁴ acts as your personal assistant supporting you in every driving situation and providing you with all the key information you need regarding your mobility. An integrated SIM-card provides continuous connectivity and interaction between the driver, vehicle and Volkswagen's call centre or server. Standard on SEL models and above and optional on all other models.

03 The Active Info Display provides a 10.3 inch high-resolution TFT dash display with customisable menus that can be configured as you wish, providing such information as detailed driving data, graphic displays of your driver assistance systems, and, when used in conjunction with the Discover Navigation system, large map display⁵. Standard on SEL models and above and optional on SE and Design models.

04 The beats soundpack delivers just the right amount of bass. Inspired by Dr Dre, it includes six speakers, a subwoofer and an eight channel digital amplifier with Digital Signal Processor (DSP), delivering 400 watt output with Dolby Pro Logic surround sound. It's controlled via your infotainment or navigation system and displays a beats welcome screen when switching on. Optional on SE models and above.

- 1 Devices must be Bluetooth HFP (Hands Free Profile) compatible, please contact your authorised Volkswagen retailer for specific phone compatibility.
- 2 Speed Limit Display only reflects national speed limits and does not show temporary speed limit restrictions, or where permanent changes to speed limits are made in-between map updates.
- 3 Car-Net 'Guide and Inform' services are accessed via a compatible mobile device. Please see www.volkswagen.co.uk for more information. The use of 'Guide and Inform' services entails exchanging large volumes of data. As such, we strongly recommend that you sign-up for a flat rate data plan with your mobile network provider. After the initial 3-year Car-Net contract, an annual subscription is chargeable for the continuation of Car-Net 'Guide and Inform' services.
- 4 Use of Car-Net 'Security & Service' is governed in a separate Contract concluded online with Volkswagen. To use the free Car-Net app you will need a smartphone with iOS or Android operating system and a SIM-card with a data option. Depending on your mobile tariff, sending and receiving data online may incur additional charges (e.g. roaming charges), particularly if you are using Car-Net abroad. For more information on Car-Net Security & Service, go to www.volkswagen.co.uk/technology/car-net/security-and-service or contact your Volkswagen retailer.
- 5 Please note: When the navigation map is displayed in the Active Info Display in conjunction with the Discover Navigation infotainment system, the navigation map cannot be displayed on the Discover Navigation's infotainment touch-screen.

Cutting-edge connectivity.

The T-Roc is a pioneer not only in terms of design, but technology too. Cutting-edge connectivity ensures it's never been easier to integrate your mobile devices, whether you're looking to charge your smartphone or stay connected, and there's a wide range of online services and apps available via your smartphone and Volkswagen Car-Net.

01 Car-Net 'Security & Service'¹ acts as your personal assistant supporting you in every driving situation and providing you with all the key information you need regarding your mobility. An integrated SIM-card provides continuous connectivity and interaction between the driver, vehicle and Volkswagen's call centre or server. In the event of an accident, should the driver activate the 'eCall' button or the airbags are deployed triggering the 'eCall' service, Volkswagen's Emergency Centre will be contacted directly. Key information such as the condition and location of the vehicle will be sent to emergency response units. In the event of minor incidents, the 'Automatic accident notification' can send location and vehicle details to the Volkswagen Emergency Centre should the driver wish. Additional data is also shared including details of 'Car breakdown', 'Vehicle health report' and 'Service schedule' ensuring your vehicle's information is always up to date. Image shown features optional panoramic sunroof.

The service also allows vehicle information to be accessed via the Car-Net Portal or Car-Net app, via a laptop or smartphone, from the comfort of your home or even the office. Information such as 'Driving data', the status of 'Doors and lights', 'Area alert', 'Speed alert', remote control of 'Horn and hazard lights', 'Parking position' and 'Online anti-theft alarm' can be easily accessed and monitored – 3-year subscription included. Standard on SEL models and above and optional on all other models.

02 Depending on which smartphone you have, you can connect **Car-Net 'App-Connect'**² via USB connection to one of three interfaces: Apple 'CarPlay', Google 'Android Auto' or 'MirrorLink'™, allowing your smartphone display to be 'mirrored' on the infotainment touch-screen and giving access to your favourite smartphone functions, such as music, messages, phone and news. Volkswagen apps such as 'Think Blue. Trainer.', 'Shared Audio', 'Drive & Track' or 'My Guide' can help to make your journey more pleasant and interesting by providing useful tips on driving your car, parking opportunities and even where to find the closest café. Volkswagen apps are only available with compatible smartphones. Please consult www.volkswagen.co.uk to check smartphone compatibility. Usage of certified apps only while driving. Standard on SE models and above, and optional on S models. Image shown features optional Discover Navigation infotainment system.

03 Car-Net 'Guide and Inform'³ gives you online access to a wide range of useful information, such as weather, exciting destinations in your surrounding area, or the next petrol station. You can also receive the latest traffic information with recommendations for avoiding congestion or news and weather feeds from the Internet. Car-Net 'Guide and Inform' is standard on the Discover Navigation infotainment system.

¹ Use of Car-Net 'Security & Service' is governed in a separate Contract concluded online with Volkswagen. To use the free Car-Net app you will need a smartphone with iOS or Android operating system and a SIM-card with a data option. Depending on your mobile tariff, sending and receiving data online may incur additional charges (e.g. roaming charges), particularly if you are using Car-Net abroad. For more information on Car-Net Security & Service, go to www.volkswagen.co.uk/technology/car-net/security-and-service or contact your Volkswagen retailer.

² Only operable in conjunction with compatible smartphones including iPhone 5 and above. Please see www.volkswagen.co.uk to check smartphone compatibility.

³ Car-Net 'Guide and Inform' services are accessed via a compatible mobile device. Please see www.volkswagen.co.uk for more information. The use of 'Guide and Inform' services entails exchanging large volumes of data. As such, we strongly recommend that you sign-up for a flat rate data plan with your mobile network provider. After the initial 3-year Car-Net contract, an annual subscription is chargeable for the continuation of Car-Net 'Guide and Inform' services.

We Connect Go[®].

All your car's information. All in one place.

We Connect Go is the easy way to connect your T-Roc to your smartphone. It relays everything you need to know, from service information and fuel consumption, parking location and helpful tips on driving more economically.

Welcome on board.

Getting started is easy. Follow these simple steps to find out how We Connect Go[®] can provide you with help and information on every journey.

Step 1

Download the free We Connect Go[®] App to your smartphone from the App Store for iOS, or Google Play Store for Android.

Step 2

Follow the instructions in the App.

Step 3

Put the DataPlug onto the diagnostic port that you'll find below the steering wheel.

Step 4

Connect via Bluetooth.

Step 5

That's it.

My Volkswagen.

The overview of key information about your car such as service and maintenance intervals, warning message displays, fuel level and mileage.

Trips.

This feature shows detailed map views, trip details, statistics, and the cost of each trip. You can categorise all trips into either business or private, and all of this can be downloaded to your desktop if required.

Driving style.

This feature can help save you money, analysing and evaluating all the elements of the engine and braking performance, combined with your driving style to give you tips on how to be even more efficient when driving.

Parking space.

The app automatically remembers where you've parked. And while you're away from your car, it'll show you how long you've been parked for.

Fuel monitor.

Everything you need to know about your vehicle's fuel consumption and costs. It even tracks your fuel stops, especially useful if you use your car for business purposes.

Service partner.

Wherever you are, you can see exactly where your nearby retailers are and be navigated to the nearest one. And if you need to call them, the app will put you straight through.

Assistance call.

Just press and call Volkswagen's 24-hour helpline where you'll be put straight through to Customer Service. And if you're not sure where you are, don't worry, it transmits your location directly to them.

Challenges.

This feature helps you meet efficiency and driving style targets. Collect points and trophies as you move through the tasks and discover hidden bonus challenges to help keep you improving your scores.

Step out in style.

The T-Roc is designed to be noticed. Its sporty, modern exterior heralds a new era of Volkswagen style, combining the practicality of an SUV with the agility of a sports model. The elongated coupé silhouette is characterised by a striking chrome strip running the length of the side roofline, while a choice of contrasting colours for the roof, A-pillar and door mirror housings on Design models, allow you to create a look that’s as individual as you are.

01 Eye-catching 17 inch 'Mayfield' alloy wheels give the T-Roc Design a distinctive look and can be personalised to your taste with a **choice of traditional silver-finish or Gloss Black**. Along with the two-tone customisable colour options for the bodywork and roof, what better way to express yourself? Image shown features 17 inch 'Mayfield' Gloss Black diamond-turned alloy wheels which are optional on SE and Design models.

[Configure now >](#)

An interior that's all about you.

The interior of the T-Roc Design is the epitome of contemporary design and individuality. A choice of three exclusive interior colours gives you maximum opportunity to personalise the interior, creating a look that reflects your taste and style. It's time to express yourself!

Limestone Grey dashpad

Turmeric Yellow dashpad

Ravenna Blue dashpad

Specify the T-Roc Design and you decide on the **dashpad colour**, with a choice of Limestone Grey, Ravenna Blue or Turmeric Yellow depending on your choice of exterior paint. The dashpad colour you select will also feature on the front interior door panels and centre console trim as well as the central stripe detail of the 'Tracks 4' seat upholstery, creating an interior that's fun, stylish and totally personal. Interiors shown feature optional Discover Navigation infotainment system, Active Info Display, beats soundpack, carpet mats and metallic paint.

Front comfort seats in the T-Roc Design feature **'Tracks 4' upholstery**, shown above in 'Turmeric Yellow' to match the dashboard, centre console and interior door panels. Thanks to the Composition Media infotainment system, you can make phone calls safely while you drive or play your favourite music via your smartphone, plus a host of other helpful features. The leather trimmed three-spoke multifunction steering wheel and gear lever knob provide excellent grip and add a sporty touch, while ambient lighting in the front footwell and lighting strips below the trim in the front doors, and front and rear LED reading lights create real atmosphere, especially at night.

Interiors shown are T-Roc Design DSG with optional Discover Navigation infotainment system, Active Info Display, beats soundpack, carpet mats and metallic paint.

Please note, choosing optional alloy wheels does not affect CO₂ emissions on T-Roc models. Choosing larger alloy wheels than standard, as an option, may result in increased fuel consumption. This is due to the fact that larger wheels have both more aerodynamic drag and more mechanical drag, resulting in increased rolling resistance and increased wind resistance.

Images shown feature optional metallic paint.

All figures in millimetres. On illustrations, where arrows and figures are shown inside of the vehicle, the measurements are for interior dimensions. Where arrows and figures are shown outside of the vehicle, the measurements are for exterior dimensions.

VED and additional ‘On the road’ costs.

Diesel vehicles that do not meet the RDE2 standard will be charged a supplement on their ‘First year rate’ to the effect of moving up by one VED (Vehicle Excise Duty) band. The following tables give the rates of vehicle tax on cars registered on or after 1 April 2019. Please refer to the Model Prices pages to confirm which models are RDE2 compliant.

‘FIRST YEAR RATE’ VED – CARS REGISTERED ON OR AFTER 1.4.2019 BASED ON CO₂ EMISSIONS AND FUEL TYPE

Petrol/Diesel[†] – ‘First year rate’ VED

CO ₂ emissions (g/km)	Petrol/Diesel [†] VED £	Petrol total ‘On the road’ costs £
0	0.00	690.00
1-50	10.00	700.00
51-75	25.00	715.00
76-90	110.00	800.00
91-100	130.00	820.00
101-110	150.00	840.00
111-130	170.00	860.00
131-150	210.00	900.00
151-170	530.00	1,220.00
171-190	855.00	1,545.00
191-225	1,280.00	1,970.00
226-255	1,815.00	2,505.00
Over 255	2,135.00	2,825.00

Diesel[‡] – ‘First year rate’ VED

CO ₂ emissions (g/km)	Diesel [‡] VED £	Diesel total ‘On the road’ costs £
0	0.00	690.00
1-50	25.00	715.00
51-75	110.00	800.00
76-90	130.00	820.00

111-130	210.00	900.00
131-150	530.00	1,220.00
151-170	855.00	1,545.00
171-190	1,280.00	1,970.00
191-225	1,815.00	2,505.00
226-255	2,135.00	2,825.00
Over 255	2,135.00	2,825.00

Alternative fuel – ‘First year rate’ VED

CO ₂ emissions (g/km)	Alternative fuel VED £	Alternative fuel total ‘On the road’ costs £
0	0.00	690.00
1-50	0.00	690.00
51-75	15.00	705.00
76-90	100.00	790.00
91-100	120.00	810.00
101-110	140.00	830.00
111-130	160.00	850.00
131-150	200.00	890.00
151-170	520.00	1,210.00
171-190	845.00	1,535.00
191-225	1,270.00	1,960.00
226-255	1,805.00	2,495.00
Over 255	2,125.00	2,815.00

The way VED (Vehicle Excise Duty) vehicle tax is calculated will change for vehicles that are first registered with the DVLA on, or after, 1 April 2018. All new diesel vehicles registered after 1 April 2018 that do not meet the RDE2 standard will be charged a supplement on their ‘First year rate’ to the effect of moving up by one VED (Vehicle Excise Duty) band.

If a new vehicle is registered on or after 1 April 2018, after the ‘First year rate’ VED the majority of vehicles move to the ‘Standard rate’ of vehicle tax which is £145 a year.

The ‘First year rate’ will be based on the CO₂ emissions, fuel type and the list price of the vehicle supplied by the Manufacturer or Retailer as applicable on the day before the vehicle is first registered and taxed.

After the ‘First year rate’, all vehicles with zero emissions will be exempt from the ‘Standard rate’ of vehicle tax. All petrol and diesel vehicles will pay a standard rate of £145 a year, and alternative fuel vehicles will pay a standard rate of £135 a year.

Petrol or diesel vehicles with a list price over £40,000 at first registration will pay £465 a year, after the first ‘First year rate’ vehicle tax, for a period of five years. This comprises the £145 ‘Standard rate’ and £320 additional rate. After five years the vehicle tax will revert to the ‘Standard rate’ of £145 per year.

Alternative fuel vehicles – hybrids, bi-ethanol or LPG, with a list price over £40,000 at first registration will pay £455 a year after the ‘First year rate’ vehicle tax for a period of five years. This comprises the £135 ‘Standard rate’ and £320 additional rate which reverts to £135 ‘Standard rate’ after five years.

Vehicles with a list price exceeding £40,000 with zero emissions (including electric) will pay the additional rate of £320 a year for a further five year period, after the ‘First year rate’ tax. After the five year period these vehicles will pay zero VED tax.

There is no provision for 6 month’s ‘First year rate’ VED.

‘STANDARD RATE’ VED

‘Standard rate’ VED based on fuel type

Fuel type	CO ₂ emissions (g/km)	‘Standard rate’ 12 months VED £
Electric/Other	0	0.00
Petrol/Diesel	1 - Over 255	145.00
Alternative	1 - Over 255	135.00

After the ‘First year rate’, all vehicles with zero emissions will be exempt from the ‘Standard rate’ of vehicle tax. All petrol and diesel vehicles will pay a standard rate of £145 a year, and alternative fuel vehicles will pay a standard rate of £135 a year.

‘STANDARD RATE’ – OVER £40,000 RRP

‘Standard rate’ VED for vehicles over £40,000 list price – five year annual rate

Fuel type	‘Standard rate’ 12 months VED £	Additional rate £	Total annual payment £
Electric	0.00	320.00	320.00
Petrol/Diesel	145.00	320.00	465.00
Alternative	135.00	320.00	455.00

Petrol or diesel vehicles with a list price over £40,000 at first registration pay £465 a year after the ‘First year rate’ for a period of five years. Alternative fuel vehicles over £40,000 at first registration – hybrids, bi-ethanol or LPG, pay £455 a year after the ‘First year rate’ for a period of five years. Electric or vehicles producing zero emissions over £40,000 at first registration pay £320 a year after the ‘First year rate’ for a period of five years. After five years, vehicles will revert to their ‘Standard rate’ tax depending on fuel type.

ADDITIONAL ‘OTR’ COSTS

Additional ‘On the road’ costs

Delivery to retailer	509.17
Number plates	20.00
VAT	105.83
Vehicle first registration fee	55.00
Total	690.00

The total ‘On the road’ costs above for petrol, diesel, electric and alternative fuel vehicles include the applicable ‘First year rate’ VED charge plus the ‘On the road’ costs as detailed above:

VAT IS CALCULATED AT 20%. EFFECTIVE FROM 24 FEBRUARY 2020.

1 Figures shown are for comparability purposes; only compare fuel consumption and CO₂ figures with other vehicles tested to the same technical procedures. These figures may not reflect real life driving results, which will depend upon a number of factors including the accessories fitted (post-registration), variations in weather, driving styles and vehicle load. There is a new test used for fuel consumption and CO₂ figures (known as WLTP). The CO₂ figures shown however, are based on a calculation designed to be equivalent to the outgoing (NEDC) test cycle and will be used to calculate vehicle tax on first registration. For more information, please see www.volkswagen.co.uk/need-help/wltp or consult your authorised Volkswagen retailer. For fuel consumption data based on the outgoing test cycle (NEDC equivalent data), which is the 'official' UK fuel consumption data until 31.12.18, please consult your authorised Volkswagen retailer. Data correct at 16.12.19. Figures quoted are for a range of configurations (including non-UK) and are subject to change due to ongoing approvals/changes.

‡ These vehicles are WLTP (Worldwide Harmonised Light-Duty Vehicles Test Procedure) type approved vehicles. More information is available at www.volkswagen.co.uk/need-help/wltp.

SCR (Selective Catalytic Reduction) requires AdBlue®, [please click here](#) or visit [www.volkswagen.co.uk/technology/engines/adblue](#) for more details.

RDE2 refers to Real Driving Emissions Step 2.

EFFECTIVE FROM 24 FEBRUARY 2020.

AdBlue®.

Your Volkswagen car is fitted with an advanced emissions control system, which helps your vehicle meet EURO 6 exhaust gas regulations.

How does the system work?

AdBlue®, a water/urea based additive, is stored in a tank (like diesel fuel), however, unlike fuel it is not injected into the engine, but directly into a specially modified part of the vehicle’s exhaust. This begins a chemical reaction which removes the polluting oxides of nitrogen (NOx), converting them into harmless oxygen and nitrogen in a process known as Selective Catalytic Reduction, or SCR for short. SCR is only applicable to diesel engines and the more economically you drive, typically, the less AdBlue® you will use.

The size of the AdBlue® tank fitted to your car will vary depending on which Volkswagen model you have, therefore the interval between top-ups will vary. In addition, many factors such as mileage, journey type, driving style and environmental conditions can influence how much AdBlue® is consumed. A passenger car can consume approximately 1.5 litres of AdBlue® every 620 miles (1.0–1.5 litres for the Passat and Passat Estate). The chart below details the AdBlue® tank size and location.

Model (SCR derivatives only)	Tank size (Approximately)	AdBlue® tank filler location	Initial warning of low AdBlue® (2,400km/1,500 miles to go) can be expected to occur at:
T-Roc	12 litres	Next to fuel filler nozzle	3,000 to 4,000 miles or sooner*

* Distances are approximate and the warning light may come on sooner depending on driving style, journey type, engine and vehicle load and environmental conditions.

How will I know if the system needs topping-up?

A series of warnings will be given via the driver information system, accompanied by advice/messages.

The first message is displayed when the remaining range is approximately 1,500 miles, and is repeated every 62 miles until the range reaches 1,000 miles, at which point the warning turns amber. This warning is repeated every 31 miles and is accompanied by an audible tone. If these warnings are not acted upon, the warning turns red; once this happens the car will not restart once the ignition is turned off. This is not a fault, but a required feature of the system. If this stage is reached the system will need a full top-up before the car can be restarted. Further information is available in the vehicle handbook.

Why should I use a Volkswagen Authorised repairer for top-ups?

- AdBlue® top-ups at authorised repairers are extremely competitive and charged by the litre, so you only pay for what you need
- Authorised repairer staff are trained to handle AdBlue®
- AdBlue® tanks need special adaptors on fillers to ensure there are no spillages
- Volkswagen do not recommend keeping top-up bottles in cars

The top-up bottles supplied by Volkswagen have a capacity of 1.89 litres, and come complete with the adaptor nozzles that fit the Volkswagen AdBlue® tank. These are available from all Volkswagen Authorised repairers.

AdBlue® warning lights.

Important information

- AdBlue® is not a fuel additive. This is why there is a separate AdBlue® tank
- If you put AdBlue® in your fuel tank by mistake, please do not start the engine, but contact a retailer for help
- Put only AdBlue® in the AdBlue® tank; do not fill the AdBlue® tank with any other liquids
- Prevent anything from contaminating AdBlue®
- If small quantities of AdBlue® come into contact with the vehicle’s paintwork, for example, wipe them off and if necessary rinse the area with water

EFFECTIVE FROM 24 FEBRUARY 2020.

CO₂ emissions, BIK % and VED Bands with optional wheels‡.

Effect of wheel size on CO₂ emissions, BIK % and VED Bands.

Choosing larger alloy wheels than standard as an option, may result in increased fuel consumption as well as higher CO₂ emissions and subsequently increased Vehicle Excise Duty (VED) band and BIK rates paid by company car drivers may increase. This is due to the fact that larger wheels have both more aerodynamic drag and more mechanical drag, resulting in increased rolling resistance and increased wind resistance. As a result, the VED band that the vehicle falls into may increase from its original VED band when fitted with standard size wheels. In some instances, the recommended ‘On the road’ retail price paid for the vehicle may increase as a result of the increased VED rate. The chart below shows CO₂ emissions and the related VED bands for vehicles with both standard-fit wheels and larger optional alloy wheels, as well as the increased cost payable due to a change in VED band.

5-DOOR RANGE.			Output, PS	Standard wheel size	CO ₂ emission, g/km ¹ , standard wheels	First year VED £, standard wheels	BIK % with standard wheel size ²	Optional alloy wheel and size	CO ₂ emission, g/km ¹ , optional alloy wheels	First year VED £, optional wheels	BIK % with optional wheel size ²

1 Figures shown are for comparability purposes; only compare fuel consumption and CO₂ figures with other vehicles tested to the same technical procedures. These figures may not reflect real life driving results, which will depend upon a number of factors including the accessories fitted (post-registration), variations in weather, driving styles and vehicle load. There is a new test used for fuel consumption and CO₂ figures (known as WLTP). The CO₂ figures shown however, are based on a calculation designed to be equivalent to the outgoing (NEDC) test cycle and will be used to calculate vehicle tax on first registration. For more information, please see www.volkswagen.co.uk/need-help/wltp or consult your authorised Volkswagen retailer.

2 The BIK % figure quoted includes the 4% diesel supplement, where applicable. Please note: the increase in VED and BIK rate that is payable is in addition to the cost of the optional alloy wheels. Please consult your Volkswagen retailer for full details.

‡ These vehicles are WLTP (Worldwide Harmonised Light-Duty Vehicles Test Procedure) type approved vehicles. More information is available at www.volkswagen.co.uk/need-help/wltp.

SCR (Selective Catalytic Reduction) requires AdBlue®, [please click here](#) or visit www.volkswagen.co.uk/technology/engines/adblue for more details.

VAT IS CALCULATED AT 20%. EFFECTIVE FROM 24 FEBRUARY 2020.

CO₂ emissions, BIK % and VED Bands with optional wheels‡.

Effect of wheel size on CO₂ emissions, BIK % and VED Bands.

Choosing larger alloy wheels than standard as an option, may result in increased fuel consumption as well as higher CO₂ emissions and subsequently increased Vehicle Excise Duty (VED) band and BIK rates paid by company car drivers may increase. This is due to the fact that larger wheels have both more aerodynamic drag and more mechanical drag, resulting in increased rolling resistance and increased wind resistance. As a result, the VED band that the vehicle falls into may increase from its original VED band when fitted with standard size wheels. In some instances, the recommended ‘On the road’ retail price paid for the vehicle may increase as a result of the increased VED rate. The chart below shows CO₂ emissions and the related VED bands for vehicles with both standard-fit wheels and larger optional alloy wheels, as well as the increased cost payable due to a change in VED band.

5-DOOR RANGE.			Output, PS	Standard wheel size	CO ₂ emission, g/km ¹ , standard wheels	First year VED £, standard wheels	BIK % with standard wheel size ²	Optional alloy wheel and size	CO ₂ emission, g/km ¹ , optional alloy wheels	First year VED £, optional wheels	BIK % with optional wheel size ²

VAT IS CALCULATED AT 20%. EFFECTIVE FROM 24 FEBRUARY 2020.

Company car taxation chart – tax year 2019/20.

How to calculate your company car income tax liability – effective 6.4.2019

The government is retaining the diesel supplement in company car tax until 2021, when EU-wide testing procedures will ensure new diesel cars meet air quality standards even under strict 'real world' driving conditions. From 6 April 2018 drivers must add 4% to their appropriate percentage if the car is propelled solely by diesel (up to a maximum of 37%).

From 2020/21, the BIK percentages for zero emission cars will reduce from 16% to 2%, whilst BEV/PHEV cars with CO₂ emissions between 1-50g/km will vary between 2% and 14%, depending on the electric range (miles).

For further details of company car tax, please consult your authorised Volkswagen retailer, or visit www.volkswagen.co.uk/offers-and-finance/fleet/calculators/company-car-tax-calculator. Full details can be found at www.assets.publishing.service.gov.uk/government/uploads/system/uploads/attachment_data/file/815268/190617_-_WLTP_-_summary_of_responses_v2.2.pdf

¹ P11D values given in this price list are based on standard specification models with no factory-fitted options or other accessories. If your car includes factory-fitted options or other accessories, you may need to adjust the P11D value to take this into account.

² From 6 April 2018, new income tax rates have been introduced for Scottish Taxpayers, these figures reflect the new Scottish rates. For full details of Scottish BIK tax liability, please refer to the [Benefit In Kind for Scottish Residents section](#)

³ Subject to UK Government announcements.

VOLKSWAGEN FINANCE¹

Volkswagen Finance specialises in providing funding solutions for Volkswagen drivers. Whether your Volkswagen is for private or business use, you can choose from a range of funding options.

Solutions – a Personal Contract Plan

Flexible finance plan designed to allow you to drive a new vehicle sooner than you think. At the end of your agreement you can choose to trade in your Volkswagen for a new one, keep it, or hand it back.

Hire Purchase

A simple and straightforward way to finance your Volkswagen. Have the option to break down your monthly payments over a period that suits you, making financing your car much more manageable than you think.

Contract Hire

Available for both personal and business customers. Ideal for customers simply wanting to pay a monthly rental for the vehicle, change it on a regular fixed period and have no disposal risk.

- Lease Purchase
- Finance Lease

With all Volkswagen Finance products you can choose a fixed-cost maintenance plan to help you budget for your servicing and maintenance costs. Buy your service plan online or visit your local Volkswagen retailer for more information.

VOLKSWAGEN INSURANCE²

We want you to start enjoying your new car from day one, and thanks to our complimentary five day Volkswagen Drive Away Insurance you can. Please visit www.insurewithvolkswagen.co.uk/driveaway to activate your cover. If eligible, we will also give you a quotation for our annual insurance, designed specifically for Volkswagen drivers.

ANNUAL CAR INSURANCE

Volkswagen car insurance helps give you peace of mind with the following benefits at no extra cost:

- Repairs carried out by Volkswagen trained technicians using Volkswagen Genuine Parts and paints when repaired by a Volkswagen approved repairer
- Guaranteed courtesy car
- Child seat replacement
- Uninsured driver promise
- Vandalism promise
- 24 hour accident recovery

For more information or to get a quote, visit www.insurewithvolkswagen.co.uk

SERVICING AND MAINTENANCE

Volkswagen is pleased to offer you a choice on how your Volkswagen is serviced. The appropriate selection is entirely dependent on how the car is likely to be driven and its general use. To help you identify which type of service would be most suitable, please refer to the following guide.

Fixed Service

The Fixed Service is recommended for vehicles that will cover less than 10,000 miles in 12 months and if the vehicle is likely to be used in the following way:

- Predominantly urban driving, short journeys with frequent cold starts.
- Activities regularly producing high engine loading, e.g. frequent hill climbs, driving with vehicle fully loaded and towing.
- Uneconomical driving style using high rpms with heavy acceleration and heavy braking.

The service intervals for the Fixed Service schedule are as follows:

- Oil change service – After 1 year or 10,000 miles (15,000km), whichever is soonest.
- Inspection service³ – First after 2 years or 20,000 miles (30,000km), then every 1 year or 20,000 miles (30,000km), whichever is soonest.

SERVICING AND MAINTENANCE (CONTINUED)

Flexible Service

The Flexible Service is recommended for vehicles with daily mileage of more than 25 miles where the vehicle is driven regularly mainly on longer distance journeys. The vehicle is driven mainly at a constant speed with minimum vehicle and engine loading, minimal towing and driven in an economical manner. With the Flexible Service the vehicle can cover anywhere between 10,000⁴ and a maximum of 20,000⁴ miles or 24 months (whichever is soonest) between oil changes.

The service intervals for the Flexible Service schedule are as follows:

- Oil change service – According to flexible service interval display (after 2 years at the latest).
- Inspection service³ – First after 2 years or 20,000 miles (30,000km), then every one year or 20,000 miles (30,000km), whichever is soonest.

The up! model is only available with the Fixed Service schedule. Please consult your authorised Volkswagen retailer or repairer for advice and full details.

Please note: If you purchase a Volkswagen Fixed Price Service Plan your vehicle will follow the Fixed Service schedule.

VOLKSWAGEN ENSURANCE⁵

Get three years' Volkswagen Insurance cover for free.

Another great benefit of being a Volkswagen driver. If your Volkswagen was damaged in an accident, wouldn't you want it fixed by a Volkswagen trained technician using only Genuine Volkswagen Parts? Insurance is Volkswagen's accident and repair cover which does exactly that. It works alongside your main comprehensive motor insurance policy no matter who you are insured with, to make sure you get the quality repair and service you would want. If you're involved in an accident or your car is stolen, just one call to us and we'll look after your claim from start to finish, ensuring your Volkswagen is restored to the highest standard.

Activate your cover and benefit from:

- A guarantee that your Volkswagen will be repaired by a Volkswagen approved repairer and Volkswagen trained technicians, using only Genuine Volkswagen Parts and paints.
- A dedicated Claims Manager who will manage your claim from start to finish, liaising with your insurer and the repairer so you don't have to.
- Help to recover any uninsured losses using our Legal Expenses Cover.
- Online claims tracking so you can keep up to date with the status of any claim.

Volkswagen Insurance is free to all Volkswagen customers for three years and it only takes a minute to get cover.

To find out more and to activate your cover, visit www.insurewithvolkswagen.co.uk/insurance

- 1 Finance is available to 18s and over, subject to status. Terms and conditions apply. Volkswagen Finance.
- 2 Volkswagen Car Insurance is underwritten by U K Insurance Limited. Registered Office: The Wharf, Neville Street, Leeds LS1 4AZ. Registered in England and Wales number: 1179980. U K Insurance Limited is authorised by the Prudential Regulation Authority and regulated by the Financial Conduct Authority (FCA) and the Prudential Regulation Authority. Calls may be recorded. Volkswagen Financial Services is a trading name of Volkswagen Financial Services (UK) Limited ('VWFS UK'), registered in England and Wales number: 2835230 (Registered Office: Brunswick Court, Yeomans Drive, Blakelands, Milton Keynes MK14 5LR). Volkswagen Insurance Service (Great Britain) Ltd. is an appointed representative of VWFS UK. VWFS UK is authorised and regulated by the FCA, registration number: 311988. Authorisation details for both organisations can be checked on the Financial Services Register by visiting www.fca.org.uk. VWFS UK and U K Insurance Limited are not part of the same corporate group.
- 3 The inspection service first at 2 years (or 40,000 miles) and then every second year (or 40,000 miles) has additional workscope.
- 4 The quoted mileage is based on a conversion from kilometres and is therefore unlikely to exceed circa 18,000 miles between oil changes.
- 5 Insurance from Volkswagen Financial Services is sold and administered by Lawshield UK Limited, registered in England number: 3360532. Registered office: Lawshield House, 850 Ibis Court, Lakeside Drive, Centre Park, Warrington, Cheshire, WA1 1RL and underwritten by UK General Insurance Limited on behalf of Great Lakes Insurance SE. Great Lakes Insurance SE is a German insurance company with its headquarters at Königinstrasse 107, 80802 Munich. UK Branch office: Plantation Place, 30 Fenchurch Street, London, EC3M 3AJ. Lawshield UK Limited is authorised and regulated by the Financial Conduct Authority (FCA). Authorisation details can be checked on the FCA's register at fca.org.uk. Great Lakes Insurance SE, UK Branch, is authorised by Bundesanstalt für Finanzdienstleistungsaufsicht and subject to limited regulation by the Financial Conduct Authority and Prudential Regulation Authority. Details about the extent of their regulation by the Financial Conduct Authority and Prudential Regulation Authority are available on request.

WARRANTY

Exclusions and terms and conditions apply to all warranties, plans and insurance listed. For pricing and further details of Volkswagen Warranties, Service Plans and Insurance, please consult your authorised Volkswagen retailer or repairer, or visit www.volkswagen.co.uk

THE VOLKSWAGEN WARRANTY THREE-YEAR WARRANTY

All Volkswagen passenger cars come with a three-year/60,000 miles warranty, which protects your car against the failure of most technical and electrical components due to manufacturing defects. This comprises a two-year manufacturer's warranty with unlimited mileage plus a further one-year/60,000 miles (whichever is soonest) Retailer Warranty¹. Should the mileage exceed 60,000 miles within the first two years, the manufacturer's two-year warranty will still be valid. Full details of the three-year warranty are available from your authorised Volkswagen retailer or repairer.

BODY PROTECTION WARRANTY

The internal body sections and panels are covered against rusting through from the inside for 12 years. Naturally, the vehicle must be cared for in compliance with the manufacturer's operating instructions. Please consult your authorised Volkswagen retailer or repairer for full warranty details.

THREE-YEAR PAINTWORK WARRANTY

This latest paintwork warranty, pioneered by Volkswagen, provides you with cover on a new car. Naturally, during the warranty period the car must be cared for in compliance with the manufacturer's operating instructions. Any paintwork defects, as a result of the manufacturing process, will be rectified without charge.

APPROVED ACCESSORIES

A comprehensive range of accessories from alloy wheels to carpet mats is available to complement the factory-fitted option list. Volkswagen approved accessories purchased from and fitted by your authorised Volkswagen retailer at the point of vehicle sale will also benefit from the three-year vehicle warranty.

VOLKSWAGEN ROADSIDE ASSISTANCE

Every new car is registered for Volkswagen Roadside Assistance for one year except the Touareg which is registered for three years. This provides vehicle roadside and home recovery in the unlikely event of a breakdown in the UK and Europe (subject to conditions). Volkswagen Roadside Assistance can also be purchased for subsequent years.

Exclusions and terms and conditions apply. For pricing and further details of Volkswagen Roadside Assistance, please consult your authorised Volkswagen retailer, or visit www.volkswagen.co.uk

ADBLUE®

Diesel engines with SCR (Selective Catalytic Reduction) technology require AdBlue® which must be kept topped up. Please see www.volkswagen.co.uk/technology/engines/adblue for more details.

PRICES AND SPECIFICATIONS

The prices and specifications contained in this price list are for information purposes only as our products are continually updated and changes may be made to the prices and specifications at any time. If you require any specific feature, please consult your authorised Volkswagen retailer who is regularly updated with any change in specification. Prices and specifications are subject to change without notice.

Following the announcement of a price increase, any vehicle order which can be accepted into the factory production system before the effective date of the price increase will be supplied at the current price, even if built and delivered after the date on which the increase became effective.

Note: We would like to advise you that telephone calls to Volkswagen Customer Care may be monitored and recorded as part of our training and quality assurance processes. All our monitoring and recording processes meet Ofcom regulations.

BENEFIT IN KIND (BIK) FOR SCOTTISH RESIDENTS

Effective as of 6 April 2018, the Scottish Government introduced their own BIK taxation structure. This is only applicable to Company Car Drivers that are resident Scottish taxpayers. HMRC will continue to be responsible for the collection and management of taxes and will determine whether or not an individual is a Scottish taxpayer based on where their primary place of residence is.

Scottish Income Tax rates and Bands 2018/19

Starter rate 19% over £11,850 - £13,850

Basic rate of 20% over £13,850 - £24,000

Intermediate rate 21% over £24,000 - £44,273

Higher rate 41% over £44,273 - £150,000

Top rate 46% above £150,000

FUEL CONSUMPTION AND CO₂ EMISSIONS

Fuel consumption and CO₂ figures are obtained under standardised EU test conditions (Directive 93/116/EEC). This allows a direct comparison between different manufacturer models but may not represent the actual fuel consumption achieved in 'real world' driving conditions. More information is available on the Volkswagen website at www.volkswagen.co.uk and at www.dft.gov.uk/vca. The weight of a vehicle will influence the level of CO₂ emissions it produces; as a result, vehicles with higher levels of specification and factory-fitted options may emit higher levels of CO₂. Choosing larger alloy wheels than those fitted as standard may result in increased fuel consumption as well as higher CO₂ emissions and subsequently an increased Vehicle Excise Duty (VED) band. BIK rates paid by company car drivers may also increase. In some instances, the recommended 'On the road' retail price paid for a vehicle may increase as a result of the increased VED rate. CO₂ is the main greenhouse gas responsible for global warming. The specifications contained in this brochure are for information purposes only and are subject to change.

¹ All warranty work must be completed by an authorised Volkswagen retailer or repairer.

Volkswagen service plan.

An additional way to keep your perfect car, perfect for longer.

Exclusions and terms apply, [please click here](#) for more details. For pricing and further details of the Volkswagen Service Plan, please consult your authorised Volkswagen retailer or visit www.volkswagen.co.uk

Volkswagen Service Plan – retail sales only

We offer Volkswagen Service Plans to cover all new models for their first two consecutive services in line with the Fixed Service schedule required on the vehicle. Your car will be in the hands of Volkswagen trained technicians who use specialist Volkswagen tools, technology and Volkswagen original parts, and all parts and labour are guaranteed for two years. What's more, the Volkswagen Service Plan will remain with the vehicle should you decide to sell your car.

Volkswagen Service Plan – retail sales only

For vehicles under 1 year old set to the Fixed Service regime that has not had its first service, comprising first two manufacturer's scheduled services:

- 'Oil service' including oil filter change
- 'Oil service' including oil filter change and 'Inspection service' plus a pollen filter replacement (if required)

Excludes electric vehicles. Service plan covers first two consecutive services, limited to 1x 'Oil service' and 1x 'Oil and Inspection service'. T&Cs apply: All vehicles must be set to the Fixed Service regime by the retailer. Maximum age of car is 12 months (Service plan must be taken out before first service is due). Additional work, including wear and tear is excluded. Servicing must be carried out in line with the requirement of the Service Schedule. All work must be carried out by an Authorised Volkswagen Repairer. Offers may be varied or withdrawn at any time. Plan validity is dependent on required payments received. Administered by Volkswagen Financial Services. Retail sales only. For pricing and further details, please consult your authorised Volkswagen retailer or visit www.volkswagen.co.uk
