SMOOTH TARMAC OR ROUGH TERRAIN. THE CHOICE IS YOURS.

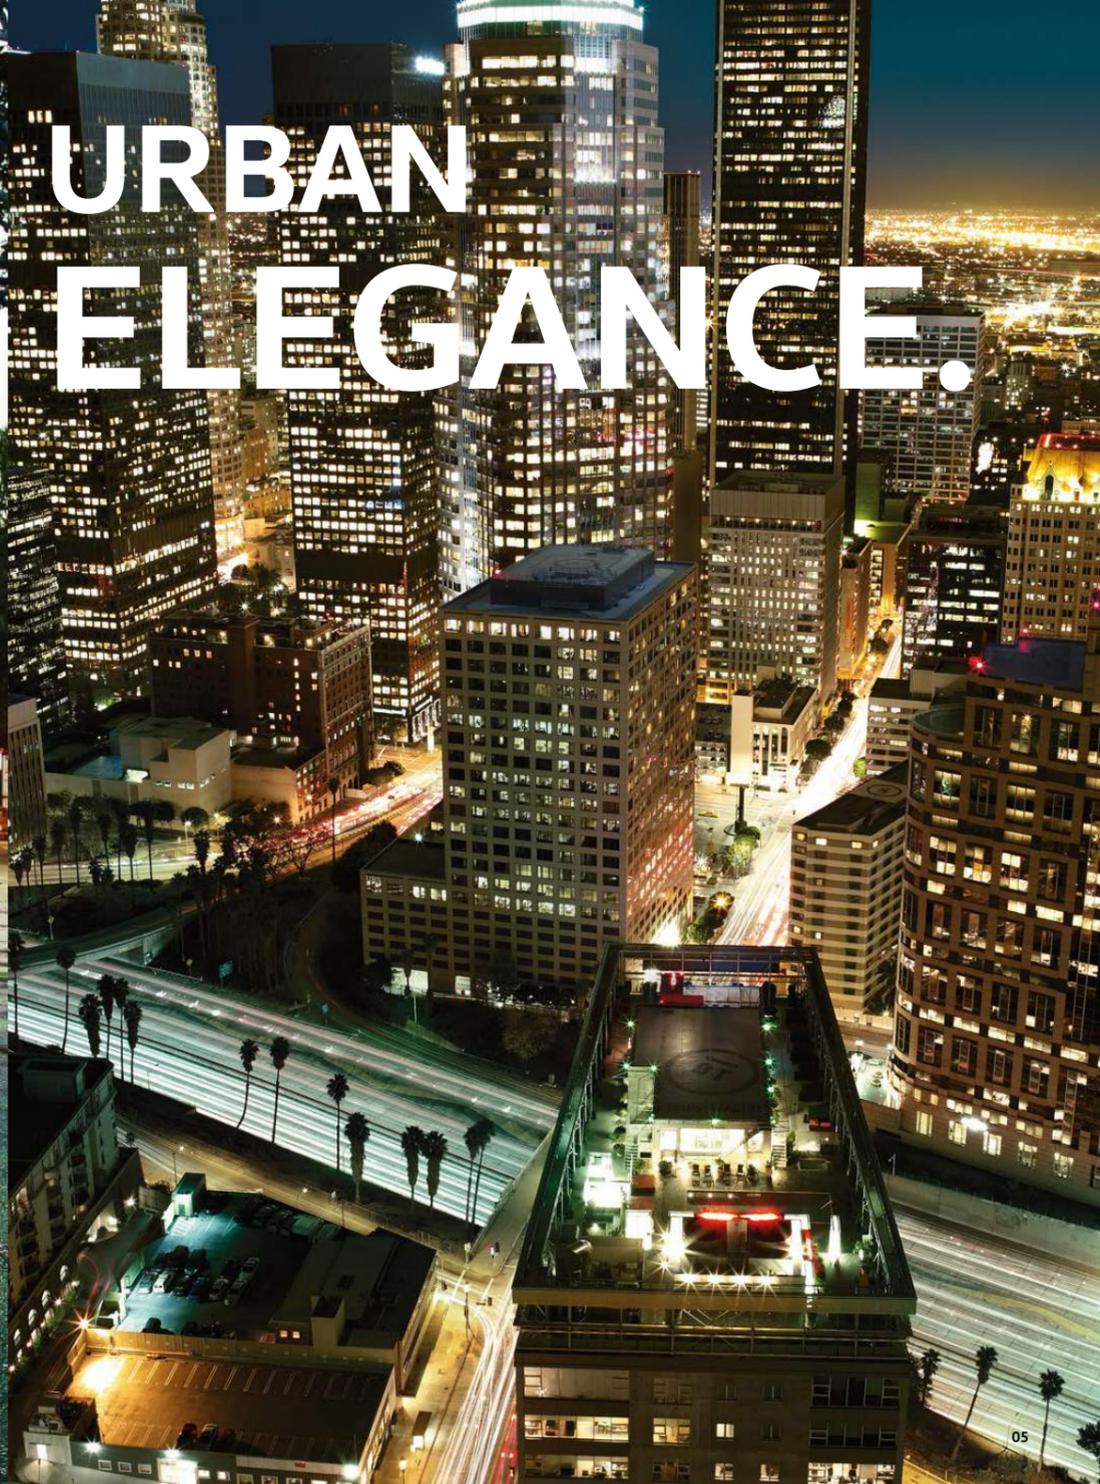

Front cover models shown are Tiguan Match Edition with optional Bi-xenon headlights and metallic paint, and Tiguan Escape with optional Bi-xenon headlights and metallic paint.

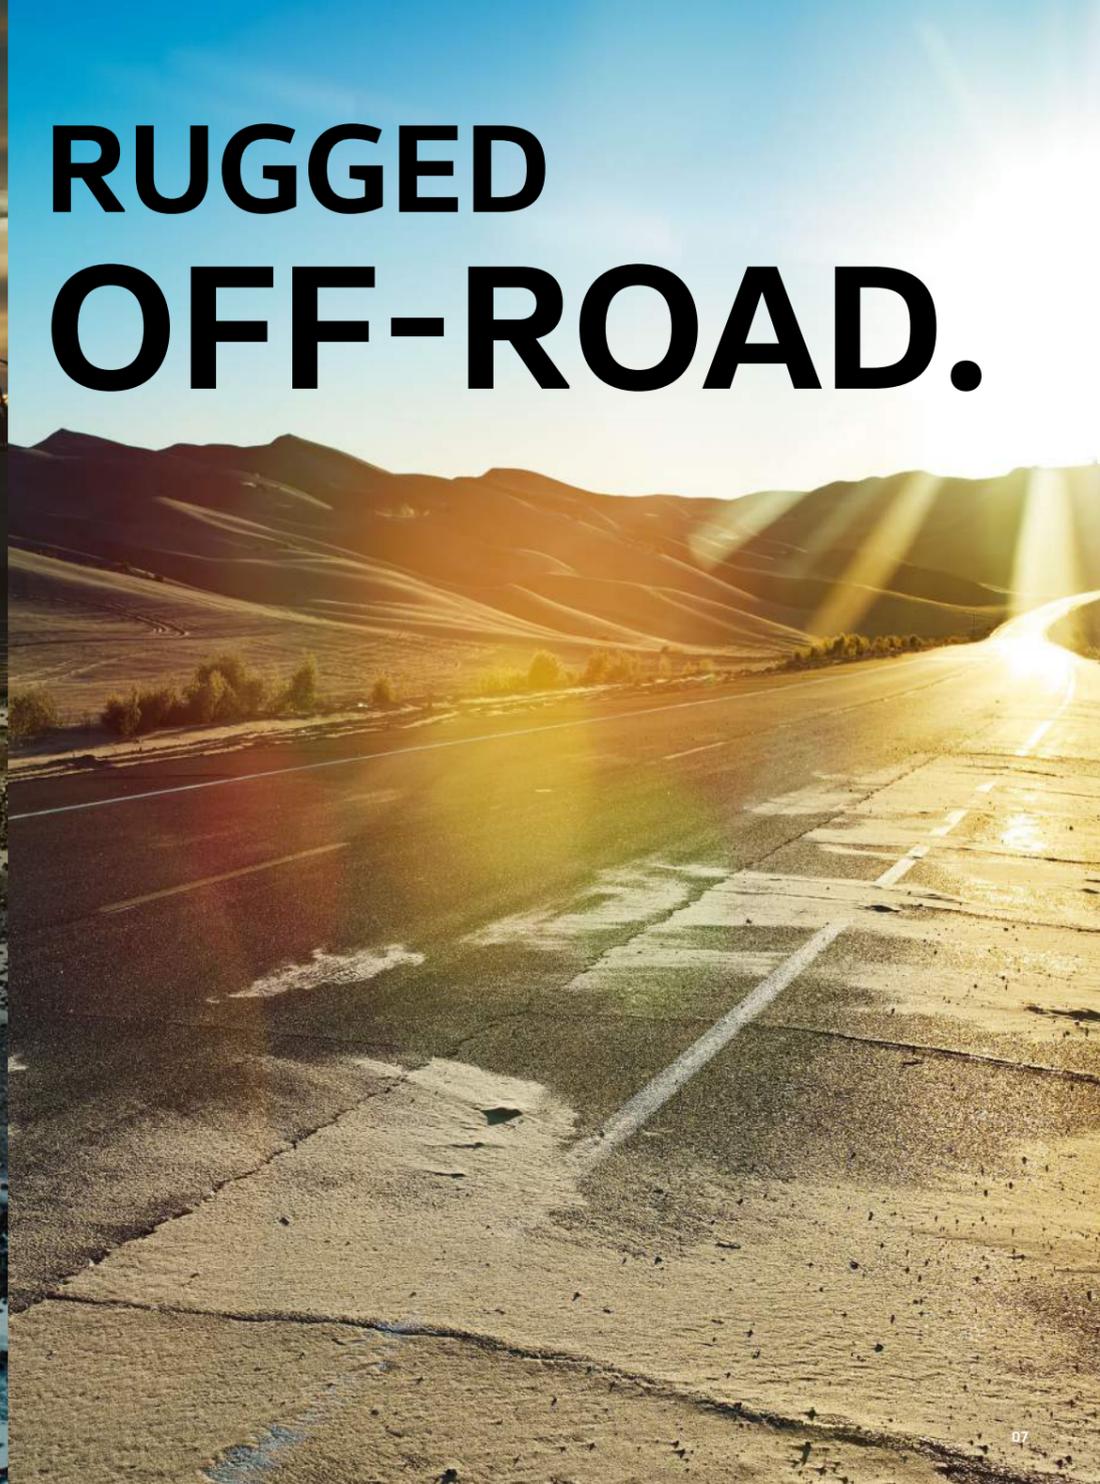

Model shown is Tiguan R-Line Edition with no cost optional Pure White non-metallic paint (R-Line Edition models only).

URBAN ELEGANCE.

Model shown is Tiguan Match Edition with optional 'Vienna' leather upholstery and metallic paint.

**RUGGED
OFF-ROAD.**

Model shown is Tiguan Escape with optional Bi-xenon headlights and metallic paint.

**THE TIGUAN.
STOP AND ADMIRE, WHILE THE WORLD RUSHES PAST.**

Model shown is Tiguan Match Edition with optional metallic paint.

EXTERIOR.

With its distinctive shape, sculpted bodylines and refined design, the Tiguan is unmistakably Volkswagen, while the front incorporates two designs: elegant and sporty or rugged and robust, depending whether you require on- or off-road capability.

01

The electrically operated panoramic glass sunroof adds an extra dimension of light and space and comes equipped with a retractable blind to help prevent glare from the sun. The front area of the sunroof can be adjusted to a number of positions to provide ventilation. Optional on all models. Model shown features optional metallic paint.

Not in conjunction with Storage pack.

02

Optional Bi-xenon headlights are equipped with automatic range adjustment, dynamic curve lighting, LED daytime running lights and headlight washers providing optimum illumination whilst driving. Standard on R-Line Edition models and optional on all other models. Model shown features optional metallic paint.

Bi-xenon headlights are not available in conjunction with optional High Beam Assist.

03

Front fog lights with static cornering function allow greater illumination of the road in adverse weather conditions, and mounted in the front bumper, reduce the amount of light reflected by fog, rain and snow. Standard on Match Edition, R-Line Edition and Escape models and optional on S models. Model shown features optional metallic paint.

04

Sturdy black roof rails are integrated into the design of the Tiguan and are a standard feature on S models. Not only are roof rails extremely practical, they can also be fitted with various carrier systems for transporting bulky items. Model shown features optional metallic paint.

05

The rear tinted glass from the B pillar backwards is approximately 65% tinted helping to reduce the sunlight that enters the car, whilst giving your Tiguan a sporty look. Standard on Match Edition, R-Line Edition and Escape models and optional on S models. Model shown features optional metallic paint.

06

The optional Mirror pack includes electrically foldable door mirrors for all models. Specify this option on S models and you will also benefit from automatic dimming interior rear-view mirror, dusk sensor (automatic headlights), coming/leaving home lighting function (shown above), driver's and front passenger's footwell illumination and a rain sensor. Optional on all models. Model shown features optional metallic paint.

07

The manually swivelling towbar enables you to tow loads of up to approximately 2.5 tons. It can easily be stored behind the bumper and folded out when required. 13-pin connection and 12 electrified poles provide functionality for vehicle lighting plus additional power supply for caravan auxiliary battery charger, internal trailer lighting and fridge. Optional on all models. Model shown features optional metallic paint.

An adaptor for 13-pin 12V socket to a 2 x 7-pin 12V socket is available from the Tiguan Accessories brochure, enabling additional functionality i.e. split charging, fridge and interior lighting.

Weather, temperature, terrain as well as other factors may have an influence on the maximum towing load.

Interior shown is Tiguan Match Edition with optional 'Vienna' leather upholstery and panoramic sunroof.

THE TIGUAN WITH PANORAMIC SUNROOF. STUNNING VIEWS, INSIDE AND OUT.

INTERIOR.

01

High quality materials combine with ergonomic styling to bring you an interior that is as comfortable and refined as it is well designed and practical. Thanks to the flexible seat system, the Tiguan is as adaptable as you like, offering many different seating and stowage arrangements, and enabling you to transport longer and bulky items. This, combined with a wealth of equipment designed to provide both comfort and convenience, creates an inviting environment for any journey.

The interior of the Tiguan can be specified in optional luxurious and durable 'Vienna' leather* upholstery, which includes the driver's seat with electric 12-way adjustment (in lieu of driver's under seat drawer) and electrically adjustable lumbar support, while the front passenger benefits from manual lumbar support. Heated front seats are also included to make cold mornings just that little bit easier to bear. Standard on R-Line Edition and optional on all other models. The leather trimmed three-spoke multifunction steering wheel and gear knob are standard on Match Edition, R-Line Edition and Escape models and optional on S models.

* Please note: some parts of leather interior will contain artificial leather.

02

The manual air conditioning system is extremely user-friendly achieving your required cabin temperature quickly and efficiently, producing a pleasant, consistent temperature throughout your journey. Standard on S and Escape models.

03

The Driver Alert system monitors your driving behaviour and if you've been driving too long, an alert will sound with a visual warning appearing on the multifunction display advising you to take a break. Standard on Match Edition, R-Line Edition and Escape models.

04

The MDI (Multi Device Interface) via USB connection enables you to play audio files directly from a compatible device and can be operated via the radio or navigation system. Standard on Match Edition, R-Line Edition and Escape models. MDI (Multi Device Interface) via USB connection is available on S models in conjunction with the optional Composition Media system.

05

The Composition Colour system features a 5 inch colour touch-screen, dash-mounted single CD player, DAB digital radio receiver, SD card reader, USB connectivity, an AUX-in socket for connection to an external multimedia source (e.g. iPod or MP3 player) and six speakers delivering clear precise sound. Standard on S models.

Please note: USB connectivity is not compatible with Apple products, compatibility with other devices may vary, please contact your authorised Volkswagen retailer for full details.

06

The multifunction leather trimmed steering wheel enables you to control the radio, multifunction computer and Bluetooth telephone connection without taking your hands off the steering wheel. Standard on Match Edition, R-Line Edition and Escape models and optional on S models.

Please note: Devices must be Bluetooth HFP (Hands Free Profile) compatible, please contact your authorised Volkswagen retailer for specific phone compatibility.

R-Line Edition models feature aluminium inserts and 'R-Line' logo on the multifunction leather trimmed steering wheel.

Interior shown is Tiguan Match Edition with optional panoramic sunroof, 'Vienna' leather upholstery and metallic paint.

01

The **front centre armrest** provides a handy storage compartment, keeping all those useful items at easy reach. It also has two rear air vents and two rear cup holders. Standard on Match Edition, R-Line Edition and Escape models and optional on S models.

02

The **net partition** can be pulled out when the rear seats are folded down, keeping luggage or pets securely in the boot area, as well as helping to protect occupants from luggage or other items in the event of an emergency stop. Optional on R-Line Edition models, or as part of the Storage pack on all other models.

03

Forming part of the **Storage pack**, additional storage compartments in the roof console ensure items such as sunglasses can easily be reached. It also includes a handy luggage net and net partition which can be used to secure items when the rear seats are folded down. Optional on S, Match Edition and Escape models. Model shown features optional metallic paint.

04

The **electrically operated panoramic glass sunroof** provides an extra dimension of space and light. If it gets too hot or too cold, simply close the roof at the touch of a button using the control panel in the roof console above. As well as tinted glass to help reduce glare, there's also an electric sunblind that can be closed while the roof is still open, enabling you to enjoy the sunshine without being in direct sunlight. Optional on all models.

Panoramic sunroof and Storage pack cannot be specified in conjunction with each other. Images shown are for illustration purposes only and may not necessarily reflect UK specification.

05

Thanks to its **interior flexibility**, the Tiguan provides the seating or stowage arrangements you require. The rear seats split 60:40 and each side can be moved lengthways, while all but the driver's seat can be folded flat, providing a loading volume of up to 1,510 litres. Models shown feature optional 'Vienna' leather upholstery and metallic paint.

Please see page 48 for full details of dimensions. Please note: passenger seat on S models cannot be folded flat.

Tiguan

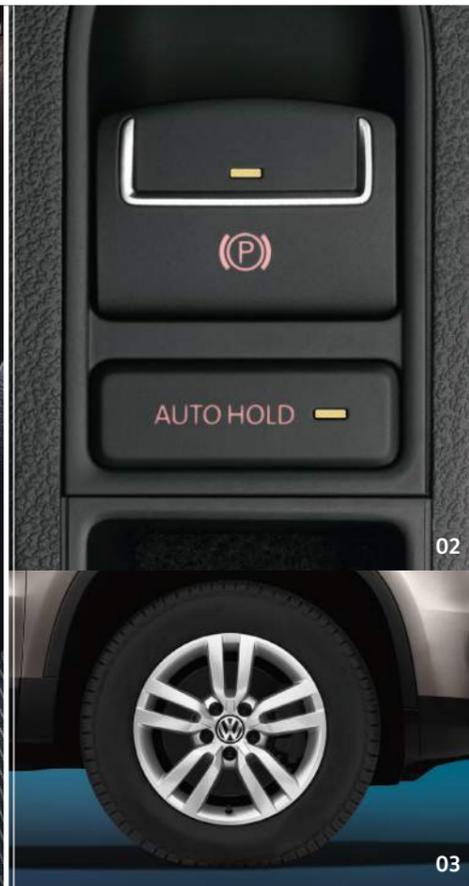

**FOUR DIFFERENT MODELS.
JUST ONE OF LIFE'S DIFFICULT CHOICES.**

Model shown is Tiguan S with optional 18" 'Sierra' alloy wheels, Bi-xenon headlights and metallic paint.

Interior shown is Tiguan S.

01

02

03

TIGUAN S.

01

The impressively equipped entry level Tiguan includes a host of features fitted as standard, including manual air conditioning, tyre pressure loss indicator and a Composition Colour system with 5 inch colour-touch screen and dash-mounted single CD player to make driving so much more relaxed and entertaining. The stylish front, with its prominent radiator grille with double chrome louvres and sleek front bumper, gives a dynamic, characteristically Volkswagen look.

The seats are finished in contemporary 'Pakata' upholstery, and the interior enhanced by 'Steel finish' air vent surrounds and 'Anthracite metallic' decorative inserts. Front seats feature height and lumbar adjustment and the steering wheel is height and reach adjustable for your driving comfort. Model shown features optional metallic paint.

02

The electronic parking brake with auto hold function secures the vehicle automatically via a toggle switch when you come to a stop on a hill, and is automatically released when pulling away.

03

16 inch 'Portland' alloy wheels with 215/65 R16 tyres add a touch of style to the exterior of the Tiguan S. Model shown features optional metallic paint.

Interior shown is Tiguan Match Edition.

01

02

03

TIGUAN MATCH EDITION.

01

The elegant and luxurious Tiguan Match Edition is equipped with a wealth of features, such as the Driver Alert system which helps detect when the driver is becoming tired and recommends taking a break and climate control – 2Zone electronic air conditioning which allows you and your passengers to choose their individual interior temperature. Keyless entry enables you to enter your vehicle and even start the engine using a button in the centre console without taking the key out of your pocket, and cruise control which can be set at speeds of over 19mph to maintain a constant speed creating a more relaxed drive. The 18 inch 'Sierra' alloy wheels, chrome trimmed front air intake surround, chrome-plated roof rails and chrome side window surrounds add a particularly refined look to the exterior.

Please note: keyless entry and cruise control are only standard on Match Edition models.

02

Alcantara seat centre section and 'Milan' side bolsters, 'Silver metallic' decorative inserts, multifunction colour display and a leather trimmed three-spoke multifunction steering wheel and gear knob give the interior a subtle, refined feel. Model shown features optional metallic paint.

The Discover Navigation touch-screen navigation/radio system with Car-Net 'Guide and Inform'¹ includes a 6.5 inch colour touch-screen for navigation, CD and radio functions, Bluetooth and audio connection for compatible devices² and 8 speakers. The system uses preloaded European navigation data, 2D/3D map view, three calculated routes (Fast, Short, Eco), dynamic navigation based on TMC+, branded points of interest and Speed Limit Display³. The system also includes online navigation software updates, enabling you to download updated map data.

¹ Car-Net 'Guide and Inform' services are accessed via a compatible mobile device. Please see www.volkswagen.co.uk for more information. The use of 'Guide and Inform' services entails exchanging large volumes of data. As such, we strongly recommend that you sign-up for a flat rate data plan with your mobile network provider. After the initial 3-year Car-Net contract, an annual subscription is chargeable for the continuation of Car-Net 'Guide and Inform' services.

² Devices must be Bluetooth HFP (Hands Free Profile) compatible, please contact your authorised Volkswagen retailer for specific phone compatibility.

³ Speed Limit Display only reflects national speed limits and does not show temporary speed limit restrictions, or where permanent changes to speed limits are made in-between map updates.

03

The Park Assist system makes parallel parking easier and can now help you reverse park into a space at 90 degrees to the kerb. Using ultrasonic parking sensors, Park Assist will detect a parking space large enough for either reverse or parallel parking. Once the vehicle is in reverse, all the driver has to do is operate the pedals and keep a good lookout, while the Tiguan steers itself into its chosen space. This ingenious system can now manoeuvre your Tiguan into spaces approximately 1.1m longer than the vehicle. Model shown features optional metallic paint.

Image shown is for illustration purposes only and may not necessarily reflect UK specification.

Interior shown is Tiguan R-Line Edition.

01

TIGUAN R-LINE EDITION.

01

Uncompromisingly sporty, timelessly elegant. The Tiguan R-Line Edition builds on the sporty character of the Tiguan Match Edition – and adds even more dynamism. From the outside the R-Line Edition boasts a sportier silhouette, with Bi-xenon headlights and LED daytime running lights, 18 inch 'Mallory' alloy wheels, a body-coloured rear roof spoiler and an 'R-Line' styling pack comprising unique front and rear bumpers, black wheel arch extensions and body-coloured side skirts with matt chrome trim. There's no mistaking the R-Line Edition either, with unique badging on the front grille completing the look.

Inside the cabin the R-Line Edition is easily recognisable too, with sporty details throughout. The front sports seats are upholstered in Titan Black 'Vienna' leather* upholstery, featuring driver's seat with electric 12-way adjustment (in lieu of driver's under seat drawer), electrically adjustable lumbar support and passenger's seat with manual lumbar support, together with the 'R-Line' logo on the front head restraints. For even more comfort the front seats are heated, with three individual temperature settings available for the driver and front seat passenger. There are also 'R-Line' logos on the door sill protectors and aluminium inserts on the leather trimmed three-spoke multifunction steering wheel. The sporty feel is completed with a 'Titanium Black' rooflining and stainless steel pedals. Model shown features no cost optional Pure White non-metallic paint (R-Line Edition models only).

* Please note: some parts of leather interior will contain artificial leather.

02

The leather trimmed multifunction steering wheel offers a soft, comfortable grip, along with features and aesthetics that look and feel sporty. The aluminium inserts and 'R-Line' logo set off the sporty interior, while intuitive buttons on either side allow fingertip control of the radio, multifunction computer's colour display and Bluetooth telephone connection¹.

¹ Devices must be Bluetooth HFP (Hands Free Profile) compatible, please contact your authorised Volkswagen retailer for specific phone compatibility.

02

03

04

05

06

03

LED daytime running lights give a purposeful look to the R-Line Edition, while Bi-xenon headlights with automatic range adjustment and dynamic curve lighting provide optimum illumination of the road ahead, on bends and when turning. Headlight washers help keep your headlights free from dirt, helping to ensure the best possible visibility from the headlights. Model shown features no cost optional Pure White non-metallic paint (R-Line Edition models only).

04

The 'R-Line' logo on the radiator grille is an unmistakable sign of the Tiguan's sporty character. Model shown features no cost optional Pure White non-metallic paint (R-Line Edition models only).

05

The striking finish of the 18 inch 'Mallory' alloy wheels with 235/50 R18 tyres, anti-theft wheel bolts and sports suspension complement the black wheel arch extensions and give the R-Line Edition its powerful stance. Model shown features no cost optional Pure White non-metallic paint (R-Line Edition models only).

06

The powerful rear of the Tiguan R-Line Edition is easily identifiable by the body-coloured roof spoiler and uniquely-shaped rear bumper, incorporating black grained diffuser. Model shown features no cost optional Pure White non-metallic paint (R-Line Edition models only).

01

Interior shown is Tiguan Escape.

03

TIGUAN ESCAPE.

01

Robust and rugged, the off-road design of the Tiguan Escape features a 28 degree angle of approach and front underbody protection allowing it to take inclines in its stride, while the refined interior offers a wealth of advanced features, ensuring you travel in both comfort and style.

02

The off-road setting, which includes hill descent assist combined with ABSPlus, adjusts to suit braking on loose ground and helps the Tiguan to manage more difficult terrain at the press of a button.

03

The exterior of the Tiguan Escape features rear tinted glass from the B pillar backwards, approximately 65% tinted helping to reduce the sunlight that enters the car, creating a pleasant temperature in the passenger compartment and provide additional privacy. Chrome-plated roof rails are also a handy and practical addition allowing various carrier systems to be easily utilised. Model shown features optional pearl effect paint.

The impressive passenger compartment is fitted with front comfort seats, attractive 'Pandu' upholstery, a Composition Media system with 6.5 inch colour touch-screen, and a leather trimmed multifunction steering wheel and gear knob, while a useful extra is the compass in the multifunction computer's colour display. Model shown features optional metallic paint.

Model shown is Tiguan Escape with optional Bi-xenon headlights and metallic paint.

LET THE ADVENTURE BEGIN.

Model shown is Tiguan Escape with optional 18" 'Sierra' alloy wheels, Bi-xenon headlights and metallic paint.

ALLOY WHEELS.

01

'Portland' 6½J x 16" alloy wheels with 215/65 R16 tyres and anti-theft wheel bolts. Standard on S models. Model shown features optional metallic paint.

02

'Sierra' 7J x 18" alloy wheels with 235/50 R18 tyres and anti-theft wheel bolts. Standard on Match Edition and optional on S and Escape models. Model shown features optional metallic paint.

03

'Mallory' 8J x 18" alloy wheels with 235/50 R18 tyres and anti-theft wheel bolts. Standard on R-Line Edition models. Model shown features no cost optional Pure White non-metallic paint (R-Line Edition models only).

04

'Tunis' 7J x 17" alloy wheels with 235/55 R17 tyres and anti-theft wheel bolts. Standard on Escape and optional on S models. Model shown features optional metallic paint.

05

'Savannah' 9J x 19" alloy wheels with 255/40 R19 tyres and anti-theft wheel bolts. Also includes sports suspension. Optional on Match Edition models. Model shown features optional metallic paint.

06

'Mallory' 9J x 19" alloy wheels with 255/40 R19 tyres and anti-theft wheel bolts. Optional on R-Line Edition models. Model shown features no cost optional Pure White non-metallic paint (R-Line Edition models only).

Not in conjunction with Dynamic Chassis Control (DCC).

Not in conjunction with Dynamic Chassis Control (DCC).

Please note, the addition of larger optional wheels may result in a higher CO₂ emission figure and change in VED band, and subsequently an increase in the Manufacturer's Recommended 'On the road' Retail price. Please consult your authorised Volkswagen retailer or repairer for full details.

Think Blue.

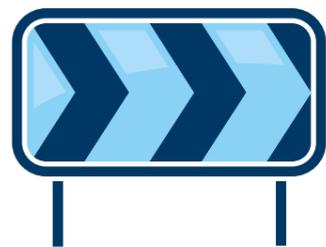

Think Blue.

=

Start/Stop technology
saves fuel by automatically switching off the engine when the car isn't in motion.

+

Brake energy recuperation system
makes use of energy that's usually lost when you brake.

+

Turbocharged engines
deliver more power when you need it and use less fuel when you don't.

+

Low rolling resistance tyres
reduce the friction between the tyre and the road, meaning it takes less energy – and less fuel – to go further.

+

Purpose-built BlueMotion cars
include the full range of BlueMotion Technologies as well as an aerodynamically optimised design to reduce wind resistance.

+

Electric vehicles
comprise both hybrid and fully electric vehicles, offering all the features of their regular counterparts.

BlueMotion Technologies*

BlueMotion

E-Mobility

*BlueMotion Technologies are available on all Volkswagens and vary between models.

01

02

03

ENGINES, CHASSIS AND GEARBOXES.

01

Volkswagen's latest generation engines and modern gearbox technologies deliver refinement and innovation. With powerful TDI engines with high torque ensure driving enjoyment even on the longest journey.

Intelligent 4MOTION four wheel drive distributes power to all four wheels as required, and ensures optimum traction even in adverse weather conditions.

Image shown is for illustration purposes only and may not necessarily reflect UK specification.

02

Dynamic Chassis Control (DCC) adapts the damping control and shock absorption rate to the road conditions and driving style you require within milliseconds. At the touch of a button, you can decide how firm or comfortable you wish to set the suspension, from Sport, Comfort or Normal modes. Optional on all models.

Not in conjunction with 19 inch alloy wheels.

03

The dual clutch DSG (Direct Shift Gearbox) shifts smoothly and imperceptibly into the next pre-selected gear within a few hundredths of a second, without disrupting traction, enabling you to change gear faster than a manual and more smoothly than a conventional automatic.

01

02

03

04

SAFETY.

01

From its elevated driving position and ergonomic design to the latest active and passive safety features, the Tiguan helps provide protection for you and your passengers, ensuring you're well prepared for any adventure and creating a calm, relaxed driving experience.

Lane assist is a camera controlled lane tracking aid which warns you by vibrating the steering wheel if your vehicle drifts out of its lane at speeds of 40mph and above. It operates via a camera located between the roof console and rear-view mirror. This option also includes cruise control, which is standard on Match Edition models, and can be set at speeds of over 19mph to maintain a constant speed. Optional on Match Edition, R-Line Edition and Escape models. Image shown is for illustration purposes only and may not necessarily reflect UK specification.

02

ABSPlus (Anti-lock Braking System) together with EBD (Electronic Brake-pressure Distribution) help to deliver optimum handling and braking. When driving straight ahead on loose surfaces, the system will briefly lock the front wheels which enables them to dig into the surface and help reduce the stopping distance. When the wheels are turned, the normal ABS is activated.

03

The ESC (Electronic Stability Control) utilises sensors to detect critical driving situations at an early stage, reacting within milliseconds by controlling the speed of individual wheels, helping to bring the vehicle back under control. A careful driving style is essential, however, as even Electronic Stability Control cannot extend beyond the laws of physics.

04

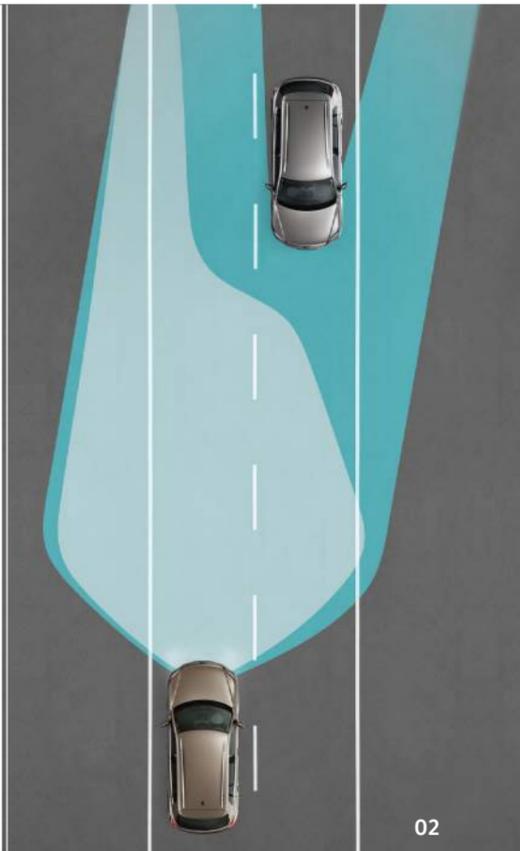

The airbag system includes driver's and front passenger's airbags with passenger deactivation switch, front seat side impact airbags and curtain airbag system, with rear side airbags available as an option. On deployment of the airbags, the doors are simultaneously unlocked, hazard warning lights and inside lights switched on and the fuel pump deactivated.

Image shown features optional metallic paint and is for illustration purposes only and may not necessarily reflect UK specification.

The tyre pressure loss indicator (not shown) will alert you to any change in tyre pressure via a visual warning in the multifunction display, advising you to rectify the situation.

01

02

03

04

06

OPTIONAL EQUIPMENT.

01

Bi-xenon headlights with automatic range adjustment and dynamic curve lighting continually follow steering movements, allow optimum illumination, particularly on bends and when turning. Integrated LED daytime running lights helps the vehicle to be seen better during the day and headlight washers improve the headlight's visibility in rain, snow and poor road conditions. Optional on S, Match Edition and Escape models and standard on R-Line Edition models. Model shown features optional metallic paint.

Not in conjunction with High Beam Assist.

02

High Beam Assist ingeniously senses the lights from oncoming vehicles and switches between main and dipped beam accordingly. It also senses vehicles you are approaching from the rear and ensures dipped beam is selected in order not to dazzle vehicles in front. Optional on Match Edition and Escape models.

Not in conjunction with Bi-xenon headlights. Image shown features optional metallic paint and is for illustration purposes only and may not necessarily reflect UK specification.

03

The **Park Assist system** not only makes parallel parking easier, but now has the added functionality to help you reverse park into a space at 90 degrees to the kerb. The driver activates the system by pressing a button on the centre console and, using ultrasonic front and rear parking sensors, Park Assist will then detect a parking space large enough for either reverse or parallel parking. Once the vehicle is in reverse, all the driver has to do is operate the pedals and keep a good lookout, while the Tiguan manoeuvres itself into its chosen space. Improvements to the system mean Park Assist can now manoeuvre into spaces approximately 1.1m longer than the vehicle. Optional on S and Escape models and standard on Match Edition and R-Line Edition models.

Image shown features optional metallic paint and is for illustration purposes only and may not necessarily reflect UK specification.

04

The optional **Mirror pack** includes electrically foldable door mirrors for all models. Specifying this option for S models will include automatic dimming interior rear-view mirror, dusk sensor (automatic headlights), coming/leaving home lighting function (shown above), driver's and front passenger's footwell illumination and a rain sensor. Optional on all models. Model shown features optional metallic paint.

05

Cruise control can be set at speeds of over 19mph to maintain a constant speed. Once set to your desired speed up to and within the legal speed limit, all your concentration can be focused on the road ahead creating a more relaxed drive. Optional on S, R-Line Edition and Escape models and standard on Match Edition models.

Cruise control cannot be specified in conjunction with Lane Assist. Image shown features optional metallic paint and is for illustration purposes only and may not necessarily reflect UK specification.

06

The **tyre pressure monitoring system** informs you, audibly and also via notification on the multifunction display, of any loss in tyre pressure. Not only does permanent monitoring ensure a high degree of reassurance, but correct tyre pressure helps prolong the life of the tyres. Optional on all models.

Image shown features colour multifunction display.

01

The **Winter pack in conjunction with cloth upholstery** includes heated front seats with three preset temperature settings and heated windscreen washer jets, ensuring you are more prepared to face any cold spell. Optional on S, Match Edition and Escape models.

02

In the event of poor visibility, the **front fog lights with static cornering function** provide better illumination of the road ahead and are recommended for optimum visibility. Optional on S models and standard on all other models. Model shown features optional metallic paint.

03

The **Keyless entry system** offers the added convenience of enabling you to enter your vehicle and even start the engine using a button in the centre console, without taking the key out of your pocket. Optional on S, R-Line Edition and Escape models and standard on Match Edition models.

04

The **electric panoramic glass sunroof** is just as eye-catching from the outside as it is from the inside. Allowing in additional light it fills the interior with more natural light, providing a picturesque view of the sky overhead. The front area of the sunroof can be adjusted to a number of positions to provide optimum ventilation. Optional on all models. Model shown features optional metallic paint.

Not in conjunction with Storage pack.

05

Sumptuous 'Vienna' leather* upholstery creates a quality look and feel that is both durable and hard-wearing. This option also features driver's seat with electric 12-way adjustment (in lieu of driver's under seat drawer), electrically adjustable lumbar support and passenger's seat with manual lumbar support. Optional on S, Match Edition and Escape models and standard on R-Line Edition models. Image shown is Match Edition model.

* Please note: some parts of leather interior will contain artificial leather.

06

The **Storage pack** includes a handy **luggage net**, a **net partition** which can be pulled out when the rear seats are folded down, and additional **storage compartments in the roof console** help to ensure items such as sunglasses can be kept safe and easily accessed. Optional on S, Match Edition and Escape models.

Panoramic sunroof and Storage pack cannot be specified in conjunction with each other.

07

Climate control – 2Zone electronic air conditioning controls the temperature electronically and divides the interior into two different climate zones, enabling the driver and front passenger to adjust the temperature, air supply and distribution to suit their individual preference. An air quality sensor continually monitors the outside air quality, automatically activating the interior air recirculation if necessary. Optional on S and Escape models and standard on Match Edition and R-Line Edition models.

01

02

03

04

05

04

06

ACOUSTICS AND NAVIGATION.

01

The **Composition Colour system** features a 5 inch colour touch-screen, AUX-in socket for connection to an external multimedia source, such as an iPod or MP3 player, dash-mounted single CD player, SD card reader, music playback from MP3, WMA and AAC files, DAB digital radio receiver, USB connectivity¹ and six speakers, front and rear. Standard on S models.

02

Building over the impressive Composition Colour system, the **Composition Media system** is further equipped with a 6.5 inch colour touch-screen and features title and compatible cover art display. There is also SMS functionality which allows you to read, compose and send SMS messages using the touch-screen display when the vehicle is stationary (compatible Android smartphones only). Finally, an MDI (Multi Device Interface) via USB connection allows connectivity to a compatible device, while a Bluetooth telephone and audio connection also allows simultaneous pairing of two compatible mobile devices². Optional on S models and standard on Escape models.

03

The **Discover Navigation touch-screen navigation/radio system with Car-Net 'Guide and Inform'**¹ includes a 6.5 inch colour touch-screen for navigation, CD and radio functions, and has preloaded European navigation data, 2D/3D map view, three calculated routes (Fast, Short, Eco), dynamic navigation based on TMC+, branded points of interest and Speed Limit Display². **Car-Net 'Guide and Inform'** functionality allows online access for a period of three years to a range of useful information such as traffic, fuel pricing, parking space availability, weather and news feeds. The system also includes online navigation software updates, enabling you to download updated map data, please contact your authorised Volkswagen retailer for full details. Optional on S and Escape models and standard on Match Edition and R-Line Edition models.

04

The **Car-Net 'App-Connect'**³ option combines the functionality of Apple 'CarPlay', Google 'Android Auto' and 'MirrorLink'TM allowing 'mirroring' of smartphone display on the infotainment touch-screen via USB connection. Volkswagen apps such as 'Think Blue. Trainer', 'Shared Audio', 'Drive & Track' or 'My Guide' can help to make your journey more pleasant and interesting, providing useful tips about handling your car, parking opportunities and even where to find the closest café. Volkswagen apps are only available with compatible smartphones. Please note, there is usage of only certified apps while driving. Optional on all models.

Images shown feature Composition Media system.

05

The **rear-view camera** provides a clear view to the rear of your vehicle, transmitting an undistorted live image to your infotainment system's display, enabling you to manoeuvre quickly and more easily into the parking space. Optional on all models.

Image shown features Composition Media system.

06

Another addition to improve your journey's soundtrack is the **'Dynaudio' soundpack** incorporating an eight channel digital amplifier. It provides impressive acoustics and high levels of audio pleasure through eight high performance speakers. Optional on all models.

¹ Not compatible with Apple products, compatibility with other devices may vary, please contact your authorised Volkswagen retailer for full details.
² Devices must be Bluetooth HFP (Hands Free Profile) compatible, please contact your authorised Volkswagen retailer for specific phone compatibility.

¹ Car-Net 'Guide and Inform' services are accessed via a compatible mobile device. Please see www.volkswagen.co.uk for more information. There's a Volkswagen for all of us.

Nippy city run around? Luxurious executive saloon? Open-top cruiser? Whatever it is you're looking for, we probably have it. From the iconic Beetle and Golf GTI to the compact up!, there's a Volkswagen for everyone.

If you're thinking you might like to try a different Volkswagen, there are over 20 models in our range, so there's bound to be at least one that catches your eye.

To see these models and configure your ideal Volkswagen, visit: www.volkswagen.co.uk

Sporty

Golf: As exciting to drive as it is to look at. Style, performance and power.

You will also find our sporty gene in the iconic Golf GTD and Golf R.

Spacious family cars

New Sharan: The ultimate in convenience with sliding rear doors, and enough space for the whole family. And their luggage. And the dogs.

If it's space you're after, then you might also like to consider the Tiguan, Golf SV, Golf Estate, new Touran and Passat Estate.

Style

Beetle: The original icon. And still the most unique way to make a fashion statement.

For more fun with the top down, why not consider Beetle Cabriolet or the Golf Cabriolet.

City run around

up!: The ideal city car. Fun, easy to manoeuvre and surprisingly spacious, with that trademark Volkswagen solidity.

If you're looking for something slightly more spacious, then why not consider the up!'s bigger sibling, the Polo. City run around practicality with more versatility and even more space can be found on the iconic Golf.

Executive

Volkswagen CC: Perfectly turned out high-tech, executive luxury. A contemporary, stylish and innovative coupé.

All the luxury you need can also be found in the Jetta, and executive comfort in the Passat and Passat Estate – winner of 'European Car of the Year 2015'.

4x4

Touareg: The SUV just got smarter. True four by four capability off-road, and smooth, luxurious and powerful when on it, with four wheel drive technology, '4MOTION' as standard.

Go everywhere, do anything in our four wheel drive alternatives: Golf Alltrack, Tiguan and Passat and Passat Estate 4MOTION models.

SCR (Selective Catalytic Reduction) requires AdBlue®, please see www.volkswagen.co.uk/technology/adblue for more details.

TECHNOLOGY.

Technical specification notes

- 01) The maximum power output figures are quoted in PS (or Pferdestärke, which is the metric equivalent of horsepower). To convert from metric to imperial horsepower, divide the PS figure by 1.0139.
- 02) Figures are calculated in accordance with manufacturer's criteria. The individual unladen weight depends on the specification of the vehicle, this then reduces the possible payload accordingly. The unladen weight and payload both include the fuel tank 90% full, driver (68kg) and luggage (7kg) in line with EU directive 95/48.
- 03) With increasing altitude the engine performance diminishes. From 1,000m above sea level and for every 1,000m thereafter 10% of the vehicle/trailer weight (trailer weight + gross vehicle weight) must be deducted.
- 04) The use of 100% RME and FAME (bio diesel) is not possible. Forecourt diesel with up to 7% bio diesel content, adhering to standard BS EN 590, can be used in diesel engines. The use of ethanol in forecourt petrol meeting BS EN 228 is allowable. All Tiguan diesel models require AdBlue®, please see www.volkswagen.co.uk/technology/adblue for more details.
- 05) The size of the fuel tank is approximate and therefore it may be possible to add a greater amount of fuel than the size of the tank specified, due to the space in the filler neck.
- 06) Fuel consumption and CO₂ figures are obtained under standardised EU test conditions (Directive 93/116/EEC). This allows a direct comparison between different manufacturer models but may not represent the actual fuel consumption achieved in 'real world' driving conditions. More information is available on the Volkswagen website at www.volkswagen.co.uk and at www.dft.gov.uk/vca. The weight of a vehicle will influence the level of CO₂ emissions it produces; as a result, vehicles with higher levels of specification and factory-fitted options may emit higher levels of CO₂. Choosing larger alloy wheels than those fitted as standard may result in increased fuel consumption as well as higher CO₂ emissions and subsequently an increased Vehicle Excise Duty (VED) band. BIK rates paid by company car drivers may also increase. In some instances, the recommended 'On the road' retail price paid for a vehicle may increase as a result of the increased VED rate. CO₂ is the main greenhouse gas responsible for global warming. The specifications contained in this brochure are for information purposes only and are subject to change.

Maximum luggage capacity, litres VDA measuring method using 200 x 100 x 50mm blocks

With rear seat upright	470
With rear seat folded	1510

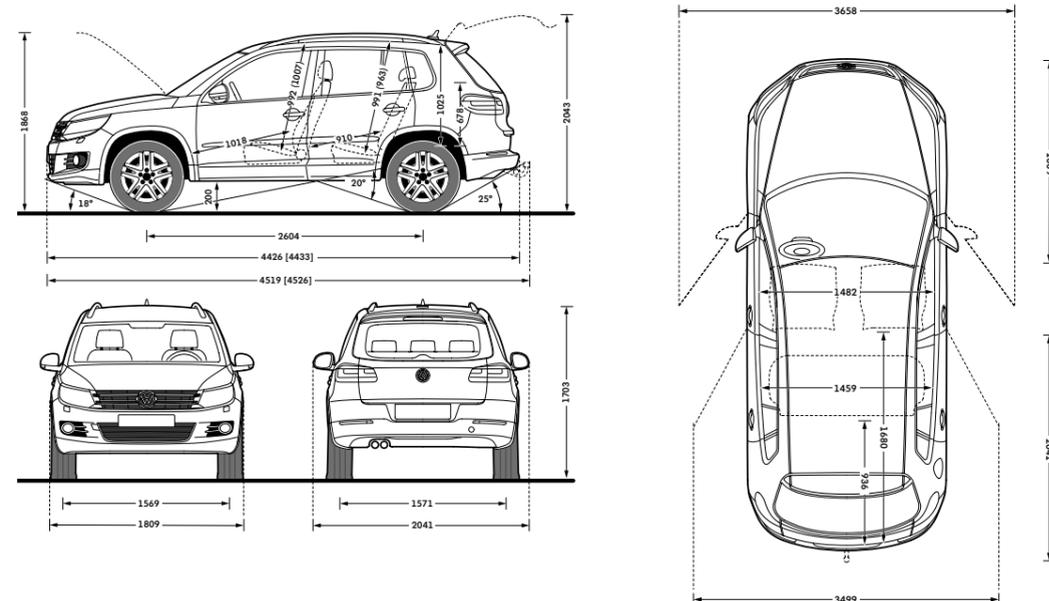

Exterior dimensions

Elbow width, rear, mm	1459

Figures shown are for standard specification models. The addition of certain factory-fitted options and/or accessories may affect some of the dimensions shown.

On illustrations, where arrows and figures are shown inside of the vehicle, the measurements are for interior dimensions. Where arrows and figures are shown outside of the vehicle, the measurements are for exterior dimensions.

Engines

Front transverse-installed engine

- 2.0 litre/110 PS⁽⁰¹⁾ (81 kW) common rail diesel engine: EU6 emissions standard, four cylinder in-line common rail diesel engine with four valves per cylinder. Fitted with a turbocharger and a DPF (Diesel Particulate Filter) with SCR (Selective Catalytic Reduction). Available with a six speed manual transmission.
- 2.0 litre/150 PS⁽⁰¹⁾ (110 kW) common rail diesel engine: EU6 emissions standard, four cylinder in-line common rail diesel engine with four valves per cylinder. Fitted with a turbocharger and a DPF (Diesel Particulate Filter) with SCR (Selective Catalytic Reduction). Available with a six speed manual or a seven speed automatic DSG transmission.
- 2.0 litre/184 PS⁽⁰¹⁾ (135 kW) common rail diesel engine: EU6 emissions standard, four cylinder in-line common rail diesel engine with four valves per cylinder. Fitted with a turbocharger and a DPF (Diesel Particulate Filter) with SCR (Selective Catalytic Reduction). Available with a seven speed automatic DSG transmission.

SCR (Selective Catalytic Reduction) requires AdBlue®, please see www.volkswagen.co.uk/technology/adblue for more details.

Transmission

Front wheel drive

- Six speed manual gearbox: 2.0 litre TDI SCR 110 PS, 2.0 litre TDI SCR 150 PS

Four wheel drive

- Six speed manual gearbox: 2.0 litre TDI SCR 150 PS 4MOTION,
- Seven speed auto DSG gearbox: 2.0 litre TDI SCR 150 PS 4MOTION, 2.0 litre TDI SCR 184 PS 4MOTION

Running gear

- Front suspension: McPherson strut, one-piece aluminium subframe, decoupled spring and shock absorber mounting, anti-roll bar
- Rear suspension: multilink, anti-roll bar
- ESC (Electronic Stability Control) – includes EDL (Electronic Differential Lock) and ASR (Traction Control)

Steering

- Maintenance-free rack and pinion steering rack with speed related, electronically controlled servo assistance
- Height and reach adjustable and collapsible safety steering column

Brakes

- Diagonal twin-circuit brake system with inner-ventilated front disc brakes and rear disc brakes
- Electronically controlled ABSPlus (Anti-lock Braking System) and EBD (Electronic Brake-pressure Distribution)
- Electronic parking brake – with auto hold function
- Battery regeneration (recuperation – energy recovery during braking)

VOLKSWAGEN SERVICE.

Exclusions and terms and conditions apply to all warranties and plans listed. For pricing and further details of Volkswagen Warranties and Service Plans, please consult your authorised Volkswagen retailer or repairer, or visit www.volkswagen.co.uk

The Volkswagen Warranty.

Three-year Warranty.

All Volkswagen passenger cars come with a three-year/60,000 miles warranty, which protects your car against the failure of most technical and electrical components due to manufacturing defects. This comprises a two-year manufacturer's warranty with unlimited mileage plus a further one-year/60,000 miles (whichever is soonest) Retailer Warranty¹. Should the mileage exceed 60,000 miles within the first two years, the manufacturer's two-year warranty will still be valid. Full details of the three-year warranty are available from your authorised Volkswagen retailer or repairer.

Body Protection Warranty.

The internal body sections and panels of the Tiguan are covered against rusting through from the inside for 12 years. Naturally, the vehicle must be cared for in compliance with the manufacturer's operating instructions. Please consult your authorised Volkswagen retailer or repairer for full warranty details.

Three-year Paintwork Warranty.

This latest paintwork warranty, pioneered by Volkswagen, provides you with cover on a new car. Naturally, during the warranty period the car must be cared for in compliance with the manufacturer's operating instructions. Any paintwork defects, as a result of the manufacturing process, will be rectified without charge.

Approved Accessories.

A comprehensive range of accessories from alloy wheels to carpet mats is available to complement the factory-fitted option list. Volkswagen approved accessories purchased from and fitted by your authorised Volkswagen retailer at the point of vehicle sale will also benefit from the three-year vehicle warranty.

Extended Warranty.

If you order the Volkswagen Extended Warranty as an option when buying your new Tiguan then you get the 100% Volkswagen Warranty and you can continue to enjoy comprehensive Volkswagen protection against many unforeseeable repair costs. Designed to your needs, you can purchase an extra one or two year's warranty up to a maximum of five years or 90,000 miles.

Service Intervals.

Volkswagen is pleased to offer you a choice on how your Volkswagen is serviced. The appropriate selection is entirely dependent on how the car is likely to be driven and its general use. To help you identify which type of service would be most suitable, please refer to the following guide.

The Fixed Service is recommended for vehicles that will cover less than 10,000 miles in 12 months and if the vehicle is likely to be used in the following way:

- Predominantly urban driving, short journeys with frequent cold starts.
- Activities regularly producing high engine loading, e.g. frequent hill climbs, driving with vehicle fully loaded and towing.
- Uneconomical driving style using high rpms with heavy acceleration and heavy braking.

The service intervals for the Fixed Service are as follows:

- Oil change service – After 1 year or 10,000 miles (15,000km), whichever is soonest.
- Inspection service² – First after 2 years or 20,000 miles (30,000km), then every one year or 20,000 miles (30,000km), whichever is soonest.

The Flexible Service is recommended for vehicles with daily mileage of more than 25 miles where the vehicle is driven regularly mainly on longer distance journeys. The vehicle is driven mainly at a constant speed with minimum vehicle and engine loading, minimal towing and driven in an economical manner. With the Flexible Service the vehicle can cover anywhere between 10,000³ and a maximum of 20,000³ miles or 24 months (whichever is soonest) between oil changes.

The service intervals for the Flexible Service are as follows:

- Oil change service – According to flexible service interval display (after 2 years at the latest).
- Inspection service² – First after 2 years or 20,000 miles (30,000km), then every one year or 20,000 miles (30,000km), whichever is soonest.

The up! model is only available with the Fixed Service schedule. Please consult your authorised Volkswagen retailer or repairer for advice and full details.

Please note: If you purchase a Volkswagen Fixed Price Service Plan your vehicle will follow the Fixed Service schedule.

Volkswagen Insurance⁴.

We want you to start enjoying your new car from day one and thanks to Volkswagen free 5 day insurance, you can. Call free on 0800 316 7892 (lines are open Monday to Friday 8am – 9pm and Saturday 9am – 5pm), provide a few details and a cover note will be sent to your retailer. They will then tax your car and you can drive it away.

Volkswagen Insurance⁵.

Get three years' Volkswagen Insurance cover for free.

Another great benefit of being a Volkswagen driver. If your Volkswagen was damaged in an accident, wouldn't you want it fixed by a Volkswagen trained technician using only genuine Volkswagen parts? Insurance is Volkswagen's accident and repair cover which does exactly that. It works alongside your main comprehensive motor insurance policy no matter who you are insured with, to make sure you get the quality repair and service you would want. If you're involved in an accident or your car is stolen, just one call to us and we'll look after your claim from start to finish ensuring your Volkswagen is restored to the highest standard.

Activate your cover and benefit from:

- A guarantee that your Volkswagen will be repaired in a Volkswagen approved repairer and Volkswagen trained technicians, using only genuine Volkswagen parts and paints.
- A dedicated Claims Manager who will manage your claim from start to finish, liaising with your insurer and the repairer so you don't have to.
- Help to recover any uninsured losses using our Legal Expenses Cover.
- Online claims tracking so you can keep up to date with the status of any claim.

Volkswagen Insurance is free to all Volkswagen customers for three years and it only takes a minute to get cover. To find out more and to activate your cover, visit volkswagen-insurance.co.uk

Volkswagen Finance⁶.

Volkswagen Finance specialises in providing funding solutions for Volkswagen drivers. Whether your Volkswagen is for private or business use, you can choose from a range of funding options.

- Solutions – a Personal Contract Plan
- Hire purchase
- Lease purchase
- Finance lease
- Contract hire

With all Volkswagen Finance products you can choose a fixed-cost maintenance plan to help you budget for your servicing and maintenance costs. No matter what finance product you choose, your local Volkswagen retailer will be able to provide you with a personalised quote that could meet your budget and vehicle needs.

Fuel consumption and CO₂ Emissions.

Fuel consumption and CO₂ figures are obtained under standardised EU test conditions (Directive 93/116/EEC). This allows a direct comparison between different manufacturer models but may not represent the actual fuel consumption achieved in 'real world' driving conditions. More information is available on the Volkswagen website at www.volkswagen.co.uk and at www.dft.gov.uk/vca. The weight of a vehicle will influence the level of CO₂ emissions it produces; as a result, vehicles with higher levels of specification and factory-fitted options may emit higher levels of CO₂. Choosing larger alloy wheels than those fitted as standard may result in increased fuel consumption as well as higher CO₂ emissions and subsequently an increased Vehicle Excise Duty (VED) band. BIK rates paid by company car drivers may also increase. In some instances, the recommended 'On the road' retail price paid for a vehicle may increase as a result of the increased VED rate. CO₂ is the main greenhouse gas responsible for global warming. The specifications contained in this brochure are for information purposes only and are subject to change.

AdBlue[®].

Diesel engines with SCR (Selective Catalytic Reduction) technology require AdBlue[®] which must be kept topped up. Please see www.volkswagen.co.uk/technology/adblue for more details.

Volkswagen Roadside Assistance.

Every new car is registered for Volkswagen Roadside Assistance for one year except the Touareg which is registered for three years. This provides vehicle roadside and home recovery in the unlikely event of a breakdown in the UK and Europe (subject to conditions). Volkswagen Roadside Assistance can also be purchased for subsequent years. For full details, please contact your authorised Volkswagen retailer. Exclusions and terms and conditions apply. For pricing and further details of Volkswagen Roadside Assistance, please consult your authorised Volkswagen retailer, or visit www.volkswagen.co.uk

Tax Free Sales.

For full details, please contact your authorised Volkswagen retailer.

Please note:

Some illustrations in this brochure do not necessarily reflect UK specifications and may not be available. In particular, controls and some items of equipment are positioned differently for the UK. The specifications contained in this brochure are for information purposes only and are subject to change. If you require any specific feature, you must consult your authorised Volkswagen retailer who is regularly updated with any change in specification. Please check model availability and full specification details with your authorised Volkswagen retailer prior to ordering. Note: we would like to advise you that telephone calls to Volkswagen Customer Care may be monitored and recorded as part of our training and quality assurance processes. All our monitoring and recording processes meet Ofcom regulations.

¹ All warranty work must be completed by an authorised Volkswagen retailer or repairer.

² The inspection service first at 3 years (or 40,000 miles) and then every second year (or 40,000 miles) has additional workscope.

³ The quoted mileage is based on a conversion from kilometres and is therefore unlikely to exceed circa 18,000 miles between oil changes.

⁴ Volkswagen Financial Services is a trading name of Volkswagen Financial Services (UK) Limited ('VWFS UK'). Registered in England and Wales number: 2835230. Registered Office: Brunswick Court, Yeomans Drive, Blakelands, Milton Keynes MK14 5LR. Financial and consumer credit services are provided by VWFS UK. Annual insurance credit is provided by Ageas Retail Limited.

Volkswagen Motor Insurance from VWFS UK is sold and administered by Ageas Retail Limited, registered in England and Wales number: 1324965 Registered Office: Ageas House, Hampshire Corporate Park, Templars Way, Eastleigh, Hampshire SO53 3YA. VWFS UK and Ageas Retail Limited are not part of the same corporate group.

⁵ Insurance from Volkswagen Financial Services is sold and administered by Lawshield UK Limited, registered in England number: 3360532 (registered office: Lawshield House, 850 Ibis Court, Lakeside Drive, Centre Park, Warrington, Cheshire WA1 1RL) and underwritten by UK General Insurance Limited on behalf of Ageas Insurance Limited, registered in England number: 354568 (registered office: Ageas House, Tollgate, Eastleigh, Hampshire SO53 3YA).

⁶ Finance is available to 18s and over, subject to status. Terms and conditions apply. Volkswagen Finance.
