The Polo
Price and specification guide
Effective from 1.5.2021

Please note, the Volkswagen roundel depicted in the interior and exterior images featured in this publication does not represent the new Volkswagen brand identity so, therefore, will appear different.
Charismatic and confident, the Polo imparts maximum driving enjoyment. With its advanced technology, efficient engines and sophisticated driver’s and safety assistance systems, it’s one of the world’s most advanced compact cars, providing more interior space and boot volume than ever before. The sporty exterior is designed to turn heads, matched by an interior that’s totally at home in the digital age. No wonder it’s creating such a stir.

Model shown is Polo R-Line with optional 17” ‘Bonneville’ Black diamond-turned alloy wheels, LED dipped and main beam headlights, panoramic sunroof and metallic paint.

Front cover model shown is Polo SEL with optional 17” ‘Pamplona’ alloy wheels, LED dipped and main beam headlights and metallic paint.

Please note, the Volkswagen roundel depicted in the interior and exterior images featured in this publication does not represent the new Volkswagen brand identity so, therefore, will appear different.
Exterior.

01 The Polo's rear design is strong and distinctive. A prominent tornado line extends from the front side panels along the doors and around the rear, defining the bodylines and creating a sculpted, sporty appearance. Stylish rear lights with LED number plate lights complete the square-edged rear design, giving real visual presence.

02 The 17 inch 'Pamplona' alloy wheels with five double spokes add serious sports appeal and complement the exterior design perfectly. Model shown is Polo SEL with optional 17" 'Pamplona' alloy wheels, LED dipped and main beam headlights and metallic paint.

03 The front design is sporty and athletic, characterised by the long bonnet and horizontal lines, giving a broader, more muscular appearance, while optional LED headlights with LED daytime running lights enhance its sharp look. Model shown is Polo SEL with optional 17" 'Pamplona' alloy wheels, LED dipped and main beam headlights and metallic paint.

Please note the new design Volkswagen roundel will feature on the front grille and alloy wheel centre caps.

Please note the new design Volkswagen roundel and badging will feature on the rear tailgate and alloy wheel centre caps.
Great view. Great outlook.

The optional panoramic sunroof gives an impressive uninterrupted view of the sky above, adding an extra dimension of light and space and creating a relaxing interior ambience.

1 Not in conjunction with optional Black style pack or Black roof pack.
State-of-the-art technology with a design to match.

Sophisticated and advanced, the interior of the Polo is designed for today. Digital instruments are highly functional and easy to use, such as the innovative 10.3 inch Digital Cockpit Pro and the latest generation infotainment systems, featuring glass, high-resolution touch-screen displays.

01 Style and comfort are second nature inside the Polo. Ambient lighting, standard on SEL models and above, provides real atmosphere, whilst a choice of optional Dashpad and Style packs as well as different upholstery colours, allow you to add individuality and colour, furthermore plenty of head and legroom helps keep you relaxed. Dashpad packs are optional on Match and SEL models.

02 Adjustable lumbar support allows you to enjoy maximum comfort and maintain the optimum position for your spine ensuring maximum comfort even on the longest of trips. Interior shown is Match with optional Art Velours upholstery.

03 The Start/Stop function, part of the Keyless entry option, enables you to start the engine using a button in the centre console, without taking the key from your pocket. Standard on GTI+ and optional on Match, ACTIVE, beats, SEL, R-Line and GTI models. Please note: When the navigation map is displayed in the Digital Cockpit Pro in conjunction with the Discover Media Navigation infotainment system, the navigation map cannot be displayed on the Discover Media Navigation’s 8.0 inch touch-screen.

1 Figures shown are for comparability purposes; only compare fuel consumption and CO₂ figures with other vehicles tested to the same technical procedures. These figures may not reflect real-life driving results, which will depend upon a number of factors including the accessories fitted (post-registration), variations in weather, driving styles and vehicle load. Data correct at 29.4.2021.

Volkswagen Service Plan – Retail sales only.

For vehicles under 1 year old set to the Fixed Service regime that has not had its first service, comprising first two manufacturer's scheduled services:

- Oil service including oil filter change (post-registration) variations in weather, driving styles and vehicle load. Data correct at 29.4.2021. For more information, please see www.volkswagen.co.uk/need-help/wltp or consult your authorised Volkswagen retailer.

Prices, specifications, features, technical and other information (including fuel consumption, CO₂ emissions and range) are updated regularly and are subject to change without notice (this may include changes between order and delivery). There may be a delay in updates to our materials – always consult your authorised Volkswagen retailer for the latest information.

There may be a delay to any RRP displaying correctly on our materials. Always obtain prices from your chosen authorised Volkswagen retailer.
Volkswagen Service Plan – Retail sales only.

For vehicles under 1 year old set to the Fixed Service regime that has not had its first service, comprising first two manufacturer’s scheduled services:

- ‘Oil service’ including oil filter change
- ‘Oil service’ including oil filter change and ‘inspection service’ plus a pollen filter replacement (if required)

Excludes electric vehicles. Service plan covers first two consecutive services, limited to 1x ‘Oil service’ and 1x ‘Oil and Inspection service’. T&Cs apply. All vehicles must be set to the Fixed Service regime by the retailer. Maximum age of car is 12 months (Service plan must be taken out before first service is due). Additional work, including wear and tear is excluded. Servicing must be carried out in line with the requirements of the Service Schedule. All work must be carried out by an Authorised Volkswagen Repairer. Offers may be varied or withdrawn at any time. Plan validity is dependent on required payments received. Administered by Volkswagen Financial Services. Retail sales only. For pricing and further details, please consult your authorised Volkswagen retailer or visit www.volkswagen.co.uk

Prices, specifications, features, technical and other information (including fuel consumption, CO₂ emissions and range) are updated regularly and are subject to change without notice (this may include changes between order and delivery). There may be a delay in updates to our materials – always consult your authorised Volkswagen retailer for the latest information.

Volkswagen UK may change RRPs at any time (this includes where there are government changes in regulation and/or legislation). There may be a delay to any RRP displaying correctly on our materials. Always obtain prices from your chosen authorised Volkswagen retailer.
Polo Match.

The entry level Polo Match is impressively equipped, with many stylish touches. A higher level of comfort and style is enhanced by 'Millie' cloth upholstery, lumbar adjustment on the front seats, a leather trimmed three-spoke multifunction steering wheel, gear knob and handbrake grip, illuminated vanity mirrors and rear tinted glass. The multifunction computer ‘Plus’ gives easy access to driving data, telephone operation, audio selection and driver assistant system's information, while reading lights front and rear, electrically heated and adjustable door mirrors and rear electric windows enhance driving comfort. Split folding 60:40 rear seat backrest and a variable load floor in the luggage compartment increases functionality, while allowing easy access and providing ample storage space for bulky objects. Front and rear parking sensors assist parking manoeuvres by emitting both audible and visual signals, alerting the driver to any obstacles in the way, while front fog lights add presence to the exterior as well as helping with safety.
Standard items of equipment: 

**INTERIOR**
- Air vents with ‘High Gloss Black’ trim
- Bag hooks in luggage compartment x 2
- Centre console with open storage compartment
- Cup holders, front x 2 and 12V socket with cover
- Driver’s and front passenger’s sun visors, with illuminated vanity mirrors
- Gear lever gaiter in ‘Black’ trim surround
- Glovebox
- Handbrake grip button in chrome effect
- Height and reach adjustable steering wheel
- Instrument lighting – adjustable panel illumination
- Interior lighting with delayed switch off
- Leather trimmed three-spoke multifunction steering wheel, gear knob and handbrake grip
- ‘Limestone Grey’ decorative inserts
- Luggage compartment cover, removable
- Luggage compartment light
- Luggage compartment with variable load floor (not beats)
- Seating
  - Upholstery – ‘Milie’ cloth
  - Driver’s and front passenger’s seat height adjustment
  - Front passenger’s under seat drawer
  - Front seat back storage pockets
  - Front seats with lumbar adjustment (not beats or SEL)
- Split folding rear seat backrest 60/40
- Reading lights, front x 2, rear x 2
- Storage compartments in front and rear doors

**EXTERIOR**
- Black radiator grille with chrome trimmed louvre
- Body-coloured bumpers and side sills
- Body-coloured door handles
- Body-coloured door mirrors with integrated indicators
- Front fog lights with staticcornering function
- Front windscreen washers and wipers with 4 speed intermittent delay
- Galvanised body
- Halogen clear headlights, range adjustable, with separate LED daytime running lights including automatic headlight on
- LED rear number plate lights
- Rear tinted glass from B-pillar backwards, approx. 65% tinted (not SEL and GTI)
- Rear windscreen washer and wiper with interval delay, reverse activated

**IN-CAR ENTERTAINMENT AND COMMUNICATIONS**
- Ready 2 Discover infotainment system
- 8" colour touch-screen with natural, intuitive, touch sensitive functionality
- Bluetooth telephone and audio connection for compatible devices
- Car information display
- DAB digital radio receiver
- In-Car shop: Purchase additional services i.e. We Connect contract extensions or upgrade to navigation services after vehicle purchase
- Integrated SIM-card
- MIB (Multi-Device Interface), via USB-C connection – compatible products only
- Music playback from MP3, WMA and AAC files
- Simultaneous pairing of 2 compatible mobile devices
- Title and cover art display
- 1 x USB-C connection, USB charging socket (compatible products only)
- 6 speakers, front and rear
- Premium USB-C cable (choice of either Apple or Android smartphone compatibility)
- ‘App-Connect’
- Combines the functionality of Apple ‘CarPlay’, Google ‘Android Auto’ and ‘MirrorLink’™ allowing ‘mirroring’ of smartphone display on the infotainment touch-screen
- Wireless connection for Apple ‘CarPlay’
- USB connection for Google ‘Android Auto’ and ‘MirrorLink’™

**WE CONNECT**
- We Connect preparation
  - Driver and vehicle integration via We Connect Portal or We Connect app
  - Driver and vehicle integration with Volkswagen call centre or server for: ‘eCall’– Emergency call service for SOS calls to emergency response
  - Provides continuous interaction between the driver, vehicle and Volkswagen, via integrated SIM-card connectivity
  - Vehicle based services for: Car breakdown call, Vehicle status, Doors and lights, Automatic accident notification, Vehicle health report, Driving data, Parking position, Service schedule

**SAFETY AND SECURITY**
- ABS (Anti-lock Braking System) with HBA (Hydraulic Brake Assist)
- Alarm with interior protection, with deactivation via infotainment system
- Airbags
  - Driver’s and front passenger’s airbags with passenger’s airbag deactivation switch
  - Curtain airbag system, for front and rear passengers
- Automatic Post-Collision Braking System
- Disc brakes, front and drum brakes, rear
- Driver’s and front passenger’s safety optimised head restraints
- Electronic engine immobiliser
- ESC (Electronic Stability Control) including EDL (Electronic Differential Lock) and ASR (Traction Control)
- Height-adjustable front three-point seat belts with tensioners
- High level 3rd brake light
- Isofix child seat preparation (for 2 outer rear child seats)
- Rear head restraints x 3
- Rear three-point seat belts x 3 with tensioners
- Remote central locking with 2 remote folding keys

**SAFETY AND SECURITY (CONTINUED)**
- Tyre pressure monitoring system
- Warning buzzer and light for front seat belts if unfastened

**COMFORT AND CONVENIENCE**
- Air conditioning, manual
- Dust and pollen filter
- Electric windows, front and rear
- Electrically heated and adjustable door mirrors
- Heated rear windscreen, automatically switches off
- Internally adjustable door mirrors
- Manually dimmable interior rear-view mirror

**EFFICIENCY**
- Battery regeneration (recovery – energy recovery during braking)
- Start/Stop function

**DRIVER’S ASSISTANCE**
- Cruise control with speed limiter (not beats, SEL or R-Line)
- Driver alert system
- Front Assist, radar sensor controlled distance monitoring system, City emergency braking system and Predictive Pedestrian Protection
- Hill hold function

- Multifunction computer ‘Plus’
  - Driver assistance (where applicable)
  - Driving data
- Telephone operation and phone book
- Navigation instructions (where applicable)

**SERVICE**
- Vehicle based services for:
  - Telephones operation and phone book
  - Navigation instructions (where applicable)
- Parking sensors, front and rear – ultrasonic, audible with audio volume reduction when activated and optical parking display via vehicle’s infotainment system (not beats)
- Power-assisted steering, speed-sensitive Speedo and rev counter, electronic odometer, trip, service interval display, digital clock and fuel gauge

**Warning ‘lights on’ buzzer**

1. Devices must be Bluetooth HFP (Hands Free Profile) compatible, please contact your authorised Volkswagen retailer for specific phone compatibility.
2. Only operable in conjunction with compatible smartphones including iPhone 5 and above. Display and operation of certified apps including audio and voice control (if supported by the app). Usage of certified apps only while driving. Please see www.volkswagen.co.uk to check smartphone compatibility.
3. To use the free We Connect app you will need a smartphone with iOS or Android operating system and a SIM card with a data option. Depending on your mobile tariff, sending and receiving data online may incur additional charges (e.g. roaming charges), particularly if you are using We Connect abroad. For more information on We Connect services, go to www.volkswagen.co.uk/myvolkswagen or contact your Volkswagen retailer.

For detailed information regarding tyre efficiency labelling and technical specifications on all potential tyre fitments, visit the Volkswagen online car configurator at www.volkswagen.co.uk or consult your authorised Volkswagen retailer.

The specifications listed are for information purposes only as our products are continually updated and changes may be made to the specifications at any time. If you require any specific feature, please consult your authorised Volkswagen retailer who is regularly updated with any change in specification. Specifications are subject to change without notice.

Please note, the new design Volkswagen roundel will feature on the alloy wheel centre caps.
Standard items of equipment: UNITED† (over Match).

IN-CAR ENTERTAINMENT AND COMMUNICATIONS
Discover Media Navigation infotainment system (in addition to Ready 2 Discover infotainment system)
- Branded points of interest
- Dynamic guidance via We Connect Plus online traffic information
- Preloaded European navigation data
- SMS functionality – read, compose and send SMS messages using touch-screen display (when stationary, compatible Android smartphones only)
- Speed Limit Display ¹
- Three route options (Fast, Short, Eco)
- 2D/3D map view
2x USB – C connection, USB charging sockets, front centre console and 2x USB – C connection, USB charging sockets, rear of centre console (compatible products only)

WE CONNECT PLUS ®
We Connect Plus preparation ², ³
- Vehicle based services for: Area alert, Speed alert, Horn and indicators, Online anti-theft alarm, Lock & unlock ⁴

Polo R-Line.

Exciting, sporty and stylish, the Polo R-Line is no ordinary model. It has its own unique styling, providing a level of specification that is fitting for a car of this stature, adding to the excitement of driving this eye-catching car. Thanks to the ‘R-Line’ exterior styling pack, it’s easy to recognise this distinctive model, with its specially designed front and rear bumpers, ‘C’ signature ‘Gloss Black’ front air intakes and radiator grille. The unique ‘R-Line’ badging and striking 16 inch ‘Sebring’ Galvano Grey alloy wheels add the finishing touch, creating a look that’s sleek, stylish and distinctively R-Line.
The interior emphasises the sporty character of the Polo R-Line, demonstrated by the leather trimmed three-spoke multifunction steering wheel with aluminium inserts and ‘R-Line’ logo, Titanium Black rooflining and sun visors, and stainless steel pedals. Electrically heated, adjustable and foldable door mirrors feature reverse-activated kerb-view adjustment on the passenger’s side, completing the impressive specification, reinforcing the quality and attention to detail.

Front sports seats feature the familiar ‘R-Line’ logo on the backrest and are finished in contemporary ‘Carbon Flag’ cloth upholstery.

The unique door sill protectors with ‘R-Line’ logo are proudly seen as the door opens, adding an extra touch of sportiness to the dynamic appearance.
**Standard items of equipment:** R-Line (over SEL).

**WHEELS AND SUSPENSION**
Alloy wheels, four 6½J x 16" ‘Sebring’ Galvano Grey with 195/55 R16 tyres and anti-theft wheel bolts.

**EXTERIOR**
- Chrome effect trapezoid fascia exhaust tailpipe surrounds, left and right
- LED tinted rear light clusters
- ‘R-Line’ styling pack – ‘R-Line’ design front and rear bumpers with unique ‘C’ signature ‘Gloss Black’ front air intakes, rear roof spoiler, radiator grille and side skirts
- Unique ‘R-Line’ badging

**INTERIOR**
- ‘Glossy Shadow Steel’ decorative inserts
- Leather trimmed three-spoke multifunction steering wheel with aluminium inserts and ‘R-Line’ logo
- Paddle shift on steering wheel (auto DSG only)
- Seating
  - Upholstery – ‘Carbon Flag’ cloth
  - Front sports seats with lumbar adjustment and ‘R-Line’ logo on seat backrest
- Stainless steel pedals
- Titanium Black rooflining and sun visors
- Unique ‘R-Line’ door sill protectors

**COMFORT AND CONVENIENCE**
- Electrically heated, adjustable and foldable door mirrors and reverse activated kerb-view adjustment on passenger’s side

---

Model shown is Polo R-Line with optional 17" ‘Bonneville’ Black diamond-turned alloy wheels and metallic paint. Please note the new design Volkswagen roundel and badging will feature on the rear tailgate and alloy wheel centre caps.

For detailed information regarding tyre efficiency labelling and technical specifications on all potential tyre fitments, visit the Volkswagen online car configurator at www.volkswagen.co.uk or consult your authorised Volkswagen retailer.

The specifications listed are for information purposes only as our products are continually updated and changes may be made to the specifications at any time. If you require any specific feature, please consult your authorised Volkswagen retailer who is regularly updated with any change in specification. Specifications are subject to change without notice.
Three letters that say it all. GTI†.

The name GTI has always stood for exceptional performance and driving enjoyment. The Polo GTI continues this tradition with a truly striking exterior and dynamic appeal. Sporty 17 inch ‘Parker’ alloy wheels with red brake callipers, sports suspension lowered by approximately 15mm and extended sill strips flared in black all bear testimony to its sporting heritage, continued on the rear by the chrome exhaust twin tailpipe, ‘Gloss Black’ rear spoiler and LED darkened rear light clusters.

† Please note these models are only available from stock and not available to factory order.
Iconic design. Ground-breaking technology.

Iconic GTI design meets ground-breaking technology in the GTI's interior. The leather trimmed three-spoke multifunction steering wheel with 'GTI' logo, 'Velvet Red' or 'Deep Iron' decorative inserts and stainless steel door sill protectors with 'GTI' logo pay homage to its sporting tradition, while a choice of driver profiles allows you to select Eco, Normal, Sport or Individual settings, depending on the driving style you prefer.

01
Sporty details such as black gloss instrument surrounds, black rooflining and sun visors and aluminium-look pedals complete the dynamic interior, and the high resolution 10.3 inch Digital Cockpit Pro, which is standard on GTI+ models, is a real highlight.

02
Front sports seats are stylishly finished in classic tartan 'Jacara' cloth upholstery, with height and lumbar adjustment to ensure the optimum driving position.

Interior shown is Polo GTI+ with 'Deep Iron' dashpad pack and optional Discover Navigation infotainment system and climate control – 2Zone electronic air conditioning.

Specifications are subject to change without notice.

† Please note these models are only available from stock and not available to factory order.

Model shown is Polo GTI+ with optional 18” ‘Brescia’ Black diamond-turned alloy wheels.
Infotainment and connectivity.

The Polo is truly a car of the digital age, providing endless infotainment and connectivity possibilities, exceptional ease of use and amazing functionality. Take the Digital Cockpit Pro, offering five different customisable screens and journey data, with either large or small dials depending on your preference, on the interactive 10.3 inch high resolution screen, enabling you to view information exactly as you wish in the configuration of your choice.

Please note: When the navigation map is displayed in the Digital Cockpit Pro in conjunction with the Discover Media Navigation infotainment system, the navigation map cannot be displayed on the Discover Media Navigation’s 8.0 inch touch-screen.

Please note the new design Volkswagen roundel will feature on the steering wheel.

01-03 It’s up to you in which configuration you display data. Thanks to the Digital Cockpit Pro’s fully configurable screen 1, you can view combinations of information, from a full screen navigation map to detailed driving data such as journey time, speedometer display and fuel level, phone information or driver assistance systems. The choice is yours. Standard on GTI+ and optional on Match, ACTIVE, beats, SEL, R-Line and GTI models. Images shown feature cruise control which is optional on beats and SEL models.

1 Please note: When the navigation map is displayed in the Digital Cockpit Pro in conjunction with the Discover Media Navigation infotainment system, the navigation map cannot be displayed on the Discover Media Navigation’s 8.0 inch touch-screen.

Please note the new design Volkswagen roundel will feature on the steering wheel.
Completely free. But well connected.

Whatever your plans, you’re totally flexible in the Polo. We Connect online mobile services provide remote access via your smartphone, enabling you to stay connected with everything that’s important to you whilst still enjoying complete independence.

Model shown is Polo R-Line with optional panoramic sunroof and metallic paint.

Please note the new design Volkswagen roundel and badging will feature on the rear tailgate and alloy wheel centre caps.
It’s never been easier to stay connected.

Thanks to ‘App-Connect’\(^1\), your smartphone, your music, your messages, the internet, and selected apps are available at your fingertips. Simply connect your smartphone via USB-C connection for Google ‘Android Auto’ or ‘MirrorLink’™ and Wireless connection for Apple ‘CarPlay’ to the infotainment touch-screen and your phone integrates seamlessly into your infotainment system allowing you to listen to your favourite music, use your phone, view messages or check the latest news and journey information. It’s that simple to stay connected.

---

**01** ‘App-Connect’\(^1\) combines the functionality of Apple ‘CarPlay’, Google ‘Android Auto’ and ‘MirrorLink’™, allowing you to mirror apps from your smartphone onto the infotainment touch-screen. Via USB-C connection for Google ‘Android Auto’ or ‘MirrorLink’™ and Wireless connection for Apple ‘CarPlay’, it cleverly allows display and operation of certified apps including audio and voice control, if supported by the app, and gives you access to your favourite smartphone functions, such as music, messages, phone and news. Please note, there is usage of only certified apps while driving. Standard on all models.

**02** The **Digital Cockpit Pro** is a fully configurable, interactive 10.3 inch TFT display which replaces the standard analogue instrument cluster, displaying vehicle data and information on your dashboard. Five different modes allow you to customise the screen, with large or small dials as you prefer, and a number of items displayed behind them. When used in navigation mode, in conjunction with the Discover Media Navigation infotainment system\(^2\), you can move the speedometer and rev counter to the edge of the display, creating more space for the navigational map. If you wish, you can include driving, navigation and assistance functions within the graphics of the speedometer. As the Digital Cockpit Pro is linked to all other assistance systems in the vehicle, any data shown in the centre console of the infotainment system, such as phone numbers or your music’s compatible cover art, can also be displayed on the dash, conveniently placed directly within the driver’s optimum field of vision. Standard on GTI+ and optional on Match, ACTIVE, beats, SEL, R-Line and GTI models.

---

\(^1\) Only operable in conjunction with compatible smartphones including iPhone 5 and above. Please see [www.volkswagen.co.uk](http://www.volkswagen.co.uk) to check smartphone compatibility.
\(^2\) Please note: When the navigation map is displayed in the Digital Cockpit Pro in conjunction with the Discover Media Navigation infotainment system, the navigation map cannot be displayed on the Discover Media Navigation’s 8.0 inch touch-screen.

Images shown are Polo SEL with optional ‘Energetic Orange’ Dashpad pack and metallic paint.
Want to combine your selected route with your favourite music? No problem. The infotainment systems in the Polo couldn’t be easier to use. Featuring high quality, touch-screen displays, they’re ergonomically designed for intuitive use with everything to hand, exactly where you’d expect it to be. Sit back, enjoy the journey and the entertainment.

1. Devices must be Bluetooth HFP (Hands Free Profile) compatible, please contact your authorised Volkswagen retailer for specific phone compatibility.

2. To use the free We Connect app you will need a smartphone with iOS or Android operating system and a SIM-card with a data option. Depending on your mobile tariff, sending and receiving data online may incur additional charges (e.g. roaming charges), particularly if you are using We Connect abroad. For more information on We Connect services, go to www.volkswagen.co.uk/myvolkswagen or contact your Volkswagen retailer.

3. We Connect Plus services are accessed via a compatible mobile device. Please see www.volkswagen.co.uk/myvolkswagen for more information. The use of We Connect Plus entails exchanging large volumes of data. As such, we strongly recommend that you sign-up for a flat rate data plan with your mobile network provider. Information on the duration of We Connect Plus services can be obtained once a user account has been registered on the myVolkswagen web portal.

4. Speed Limit Display only reflects national speed limits and does not show temporary speed limit restrictions, or where permanent changes to speed limits are made in-between map updates.

5. For the use of the Streaming and Internet based services and for the Wi-Fi hotspot, data packages can be purchased from Cubic Telecom, our mobile communications partner and used in the network coverage area within many European countries. You can find information on prices and supported countries at www.vw.cubictelecom.com

6. Lock & unlock service is a secure service and requires that your identity be verified via the Volkswagen Ident process. Your identity will be verified by a Volkswagen retailer or via video chat.
Safety is a team effort.

When it comes to safety, the Polo is well equipped, scoring a maximum Euro NCAP five-star rating. Which means it's well equipped to take good care of occupants and other road users. A wealth of on-board driver assistance systems help you travel safely and comfortably, arriving at your destination relaxed and stress free.
01 The **Front Assist** monitoring system combines Predictive Pedestrian Protection with City emergency braking, alerting you if it detects vehicles or pedestrians at the edge of the road or on the carriageway, via acoustic and optical signals, as well as a gentle application of the brakes. The system even performs an emergency stop should the distance become critical, helping to protect other road users and possibly avert potential accidents. Standard on all models.

02 The **PreCrash preventive occupant protection** recognises dangerous driving situations and automatically takes measures to help protect vehicle occupants, tensioning the front seat belts, closing the electric windows, shutting the optional panoramic sunroof, if fitted, and deploying the brakes. Optional on Match, ACTIVE, beats, SEL, R-Line and GTI and GTI+ models.

03 The **Park Assist system** not only makes parallel parking easier, but also helps you reverse park into a space at 90 degrees to the kerb. Using ultrasonic sensors, Park Assist will detect a parking space large enough for either bay or parallel parking. Once the vehicle is in reverse, all the driver has to do is operate the accelerator and brake, and keep a lookout, while the Polo steers itself into its chosen space. Optional on Match, ACTIVE, beats, SEL, R-Line, GTI and GTI+ models.

04 The **Driver Alert system** monitors driver behaviour. As soon as it detects unusual driving patterns, such as lane deviation or erratic steering movements, it recommends taking a break via visual and acoustic signals. Standard on all models.
01. **Lane Assist with blind spot detection with rear traffic alert** provides additional peace of mind by assisting when you want to change lanes. A radar sensor controlled warning system monitors your blind spot and should it detect a potentially hazardous situation, it warns you by means of flashing warning lights in the door mirror housing. The rear traffic alert monitors the area to the rear and both sides when in reverse gear. If it detects a vehicle moving towards you, the system provides audible and visual warnings and will initiate braking if necessary. Optional on Match, ACTIVE, beats, SEL, R-Line, GTI and GTI+ models.

02. The **rear-view camera** displays the area behind your vehicle on the screen of the vehicle's infotainment system, helping you to manoeuvre into tight spaces quickly and easily. Auxiliary lines help you navigate safely into parking spaces, and thanks to the high resolution display, even small obstacles such as kerbs are visible. Optional on Match, ACTIVE, beats, SEL, R-Line, GTI and GTI+ models. Image shown features optional Discover Media Navigation infotainment system.

03. **Adaptive Cruise Control (ACC)** including Front Assist radar sensor controlled distance monitoring system, City emergency braking system, cruise control and speed limiter, offers you intelligent control of your driving speed by automatically adjusting acceleration and braking. Whether around town or on the motorway, the system will adjust your speed to that of the vehicle in front, keep your specified distance, warn if you are approaching too fast and, in an emergency situation, generate enough braking force to try to reduce the severity of a collision or possibly even prevent the collision entirely. Standard on GTI+ and optional on Match, ACTIVE, beats, SEL, R-Line and GTI models.

---

1 Not in conjunction with 1.0 litre TSI EVO 80 PS engines or cruise control.

Images shown features optional metallic paint.

1. Steel space saver spare wheel is only available in conjunction with optional 16" or 17" alloy wheels.

Choosing larger alloy wheels than standard, as an option, may result in increased fuel consumption as well as higher CO₂ emissions and subsequently increased vehicle Excise Duty (VED) band, and BIK rates paid by company car drivers may increase. This is due to the fact that larger wheels have both more aerodynamic drag and more mechanical drag, resulting in increased rolling resistance and increased wind resistance. As a result, the VED band that the vehicle falls into may increase from its original VED band when fitted with standard size wheels. In some instances, the recommended ‘On the road’ retail price paid for the vehicle may increase as a result of the increased VED rate. Please refer to CO₂ emissions, BIK % and VED Bands with optional wheels section.

For detailed information regarding tyre efficiency labelling and technical specifications on all potential tyre fitments, visit the Volkswagen online car configurator at www.volkswagen.co.uk or consult your authorised Volkswagen retailer.

Volkswagen UK may change RRPs at any time (this includes where there are government changes in regulation and/or legislation). There may be a delay to any RRP displaying correctly on our materials. Always obtain prices from your chosen authorised Volkswagen retailer.

**VAT IS CALCULATED AT 20%. EFFECTIVE FROM 1 MAY 2021.**

- Standard equipment
- Optional equipment
- Not available

Factory-fitted options are subject to availability and extended delivery.

Volkswagen UK may change RRP’s at any time (this includes where there are government changes in regulation and/or legislation). There may be a delay to any RRP displaying correctly on our materials. Always obtain prices from your chosen authorised Volkswagen retailer.

VAT is calculated at 20% - EFFECTIVE FROM 1 MAY 2021.
Factory-fitted options.

**IN-CAR ENTERTAINMENT AND COMMUNICATIONS**

- **beats audio™**
  8 channel amplifier with 300 watt output, 2 x tweeters in A-pillars, 2 x woofers in front doors, 2 x broadband speakers in rear, 1 x subwoofer below luggage compartment cover and Digital Sound Processor (DSP). **Subwoofer in the luggage compartment in lieu of the variable load floor**

- **Discover Media navigation infotainment system with We Connect Plus preparation**
  8.0” colour touch-screen with natural, intuitive, touch sensitive functionality for navigation, infotainment and radio functions. Preloaded European navigation data, 2D/3D map view, three calculated routes (Fast, Short, Eco), dynamic guidance via We Connect Plus online traffic information, SMS functionality (when stationary, compatible Android smartphones only), branded points of interest and Speed Limit Display. We Connect Plus preparation providing online access to: Vehicle based services for Area alert, Speed alert, Horn and indicators, Online anti-theft alarm, Lock & unlock. Navigation based services for: Online voice control, Online traffic information, Online route calculations and Online destination import. Petrol station, Charging point and Parking locations. Online map updates. Streaming and internet based services for Internet radio, Wi-Fi hotspot, Media streaming. Includes online navigation software updates, enabling you to download the latest map data. Please contact your authorised Volkswagen retailer for full details.

- **Inductive smartphone charging**
  Storage compartment in front centre console for wireless smartphone charging

- **Voice activation**
  Spoken voice commands for telephone and, if fitted, navigation functions

1. We Connect Plus services are accessed via a compatible mobile device. Please see www.volkswagen.co.uk for more information. The use of We Connect Plus services entails exchanging large volumes of data. As such, we strongly recommend that you sign-up for a flat rate data plan with your mobile network provider. Information on the duration of We Connect Plus services can be obtained once a user account has been registered on the myVolkswagen web portal.

1. Only operable in conjunction with compatible inductive charge enabled smartphones.

**COMFORT AND CONVENIENCE**

- **Climate control**
  2Zone electronic air conditioning with automatic air recirculation and allergy filter

- **Electrically foldable door mirrors**
  Electrically heated, adjustable and foldable door mirrors and reverse activated kerb-view adjustment on passenger’s side

- **Keyless entry**
  Remote keyless entry including Start/Stop button on centre console

- **Light & Sight pack**
  Automatic dimming interior rear-view mirror, automatic headlights on, manual coming/automatic leaving home lighting function and rain sensor

- **Panoramic sunroof**
  Electric, glass sliding/titling including integrated roller blind

- **Smoking pack**
  Cigarette lighter and ashtray in front

- **Winter pack**
  Heated front seats and low washer fluid warning light

- **Winter pack in conjunction with Upholstery – Art Velours**
  Low washer fluid warning light

- **Factory-fitted options**
  - Match
  - United
  - Active
  - SEL
  - R-Line
  - GTI

#### Cruise control

With speed limiter

| ○       | ○     | –      | ○      | ○   | –      | –   | –    | 245.83                  | 295.00                  |

#### Digital Cockpit Pro

10.3” high resolution TFT dash display screen with customisable menus and information.  
*In lieu of multifunction display.*

*Please note: When the navigation map is displayed in the Digital Cockpit Pro in conjunction with the Discover Media Navigation infotainment system, the navigation map cannot be displayed on the Discover Media Navigation’s 8.0” touch-screen*

| ○       | –     | –      | ○      | ○   | –      | –   | –    | 408.33                  | 490.00                  |

#### Driving Profile Selection

Choice of four preset modes: Eco, Normal, Sport or Individual modes. Individual mode allows manual settings for steering, drive, dynamic cornering lights and air conditioning settings.  
*Not in conjunction with 1.0 litre TSI EVO 80 PS engines*

| ○       | ○     | –      | ○      | ○   | –      | ○   | ●    | 104.17                  | 125.00                  |

#### Lane Assist with Blind spot detection, rear traffic alert and electrically foldable door mirrors

Lane Assist, camera controlled warning system should the vehicle drift out of its lane. Radar sensor controlled warning system for lane changing and blind spots. The system also sees fast approaching vehicles in adjacent lanes with visual warning via light in door mirror housing. Rear traffic alert monitors the area to the rear and both sides when in reverse gear. If it detects a vehicle moving towards you, the system provides audio and visual warnings and will initiate braking if necessary. Electrically heated, adjustable and foldable door mirrors and reverse activated kerb-view adjustment on passenger’s side.

| ○       | ○     | –      | ○      | ○   | –      | ○   | –    | 587.50                  | 705.00                  |

#### Lane Assist with Blind spot detection, rear traffic alert, Dynamic road sign display and electrically foldable door mirrors

Lane Assist, camera controlled warning system should the vehicle drift out of its lane. Radar sensor controlled warning system for lane changing and blind spots. The system also sees fast approaching vehicles in adjacent lanes with visual warning via light in door mirror housing. Rear traffic alert monitors the area to the rear and both sides when in reverse gear. If it detects a vehicle moving towards you, the system provides audio and visual warnings and will initiate braking if necessary. Dynamic road sign display, camera controlled system with visual warning for traffic and road signs. Electrically heated, adjustable and foldable door mirrors and reverse activated kerb-view adjustment on passenger’s side.

| ○       | ○     | –      | ○      | ○   | –      | ○   | –    | 625.00                  | 750.00                  |

#### Parking sensors, front and rear

Ultrasound, audible with audio volume reduction when activated and optical parking display via vehicle’s infotainment system

| ○       | ○     | –      | ○      | ○   | –      | ○   | –    | 495.83                  | 595.00                  |

#### Park Assist

Sensor controlled steering aid to assist parallel or bay parking including Parking sensors, front and rear. Features optical parking display via vehicle’s audio system

| ○       | –     | –      | ○      | ○   | ○      | ○   | –    | 379.17                  | 455.00                  |

It's up to you how your Polo looks. Optional style packs provide a choice of finishes, interior styling, interior and exterior colours and equipment, offering all the customisation options you need to create your own unique Polo. So you feel totally at home, the moment you sit behind the wheel.

The Black style pack is elegant and classic, comprising a range of black features to create a stylish and exclusive look. The metallic Black roof and upper door mirror housings create a dynamic contrast with your chosen vehicle colour. Also included in the Black style pack are the 16 inch 'Torsby' Black diamond-turned alloy wheels featuring a five double-spoke design. Their glossy black look provides a further contrast with the vehicle colour, while wide 195/55 R16 tyres enhance the exterior’s sporty appeal. Optional on Match and SEL models.

For detailed information regarding tyre efficiency labelling and technical specifications on all potential tyre fitments, visit the Volkswagen online car configurator at www.volkswagen.co.uk or consult your authorised Volkswagen retailer.

1 Not in conjunction with optional Black roof pack or panoramic sunroof.
01 Not only does the Black style pack deliver a sporty and dynamic look, it also ensures exceptional comfort, thanks to the front sports seats equipped with lumbar support, 'Level' cloth seat centre section and 'Carbon leather' side bolsters. The look is completed by the Titanium black rooflining and sun visors, 'Deep iron' upper dashpad, and front and rear carpet mats, creating a luxurious and inviting interior, while two LED reading lights in the front and rear with interior delay and dimming function help create a relaxing interior ambience. Optional on Match and SEL models. Interior shown is Polo SEL with optional Black style pack, Dashpad pack, Digital Cockpit Pro and metallic paint.

Also available as an option is the Style pack, which includes all the interior equipment of the Black style pack. Optional on Match and SEL models.

1 Not in conjunction with optional Black roof pack or panoramic sunroof.

Please note the new design Volkswagen roundel will feature on the steering wheel.
01 The Dashpad pack allows you to introduce even more colour and individuality to the interior of your Polo, with a choice of 'Energetic Orange' or 'Silver Silk' dashpad inserts. Optional on Match and SEL models. 'Deep Iron' dashpad is standard on SEL models. Interior shown is Polo SEL with optional 'Energetic Orange' Dashpad pack, Digital Cockpit Pro, cruise control and metallic paint.

02 When choosing your Polo, why not make the most of the opportunity to express your individual style? Thanks to the extensive choice of finishes, there's a wide selection of stylish body colours and you can further enhance the visual presence by selecting the Black roof pack, comprising of metallic Black roof and upper door mirror housings and rear tinted glass from B-pillar backwards. Matched with a vibrant body colour such as 'Energetic Orange' or a classic colour such as 'Pure White', it ensures your Polo really stands out, while creating a truly individual look. Optional on Match, SEL, R-Line, GTI and GTI+ models.

1. Not in conjunction with optional panoramic sunroof.
Please note the new design Volkswagen roundel will feature on the steering wheel.

1 Price excludes painting.

Accessory prices are the manufacturer’s Recommended Retail Prices (RRP), shown exclusive and inclusive of fitting where applicable, inclusive of appropriate VAT, and are charged in addition to recommended ‘On the road’ retail price paid for the vehicle. For full details, please contact your authorised Volkswagen retailer.

Volkswagen UK may change RRPs at any time (this includes where there are government changes in regulation and/or legislation). There may be a delay to any RRP displaying correctly on our materials. Always obtain prices from your chosen authorised Volkswagen retailer.

VAT IS CALCULATED AT 20%, EXCEPT RETAILER SUPPLIED CHILD SAFETY SEATS WHERE IT IS CALCULATED AT 5%. EFFECTIVE FROM 1 MAY 2021.
**Alloy wheels** – standard.

01 ‘Seyne’ Black diamond-turned 5½J x 15” alloy wheels with 185/65 R15 low rolling resistance tyres and anti-theft wheel bolts.

02 ‘Forsby’ Black diamond-turned 6½J x 16” alloy wheels with 195/55 R16 tyres and anti-theft wheel bolts.

03 ‘Las Minas’ 6½J x 16” alloy wheels with 195/55 R16 tyres and anti-theft wheel bolts.

04 ‘Dublin’ 5½J x 15” alloy wheels with 185/65 R15 low rolling resistance tyres and anti-theft wheel bolts.

05 ‘Galway’ 5½J x 15” alloy wheels with 185/65 R15 low rolling resistance and anti-theft wheel bolts.

06 ‘Sebring’ Galvano Grey 6½J x 16” alloy wheels with 195/55 R16 tyres and anti-theft wheel bolts.

07 ‘Parker’ 7½J x 17” alloy wheels with 215/45 R17 tyres and anti-theft wheel bolts.

Choosing alloy wheels with low rolling resistance tyres, as an option, may result in lowered fuel consumption as well as lower CO₂ emissions. Images 01 – 07 feature optional metallic paint. Please note the new design Volkswagen roundel will feature on the alloy wheel centre caps.

For detailed information regarding tyre efficiency labelling and technical specifications on all potential tyre fitments, visit the Volkswagen online car configurator at www.volkswagen.co.uk or consult your authorised Volkswagen retailer.
Alloy wheels – optional.

01 ‘Torsby’ Black diamond-turned 6½J x 16" alloy wheels with 195/55 R16 tyres and anti-theft wheel bolts.

02 ‘Las Minas’ 6½J x 16" alloy wheels with 195/55 R16 tyres and anti-theft wheel bolts.

03 ‘Salou’ 5½J x 15" alloy wheels with 185/65 R15 tyres and anti-theft wheel bolts.

04 ‘Sebring’ Galvano Grey 6½J x 16” alloy wheels with 195/55 R16 tyres and anti-theft wheel bolts.

05 ‘Las Minas’ Dark Adamantium 6½J x 16” alloy wheels with 195/55 R16 tyres and anti-theft wheel bolts.

Figures shown are for standard specification models. The addition of certain factory-fitted options and/or accessories may affect some of the dimensions shown.

All figures in millimetres. On illustrations, where arrows and figures are shown inside of the vehicle, the measurements are for interior dimensions. Where arrows and figures are shown outside of the vehicle, the measurements are for exterior dimensions.
VED and additional ‘On the road’ costs.

Diesel vehicles that do not meet the RDE2 standard will be charged a supplement on their ‘First year rate’ to the effect of moving up by one VED (Vehicle Excise Duty) band. The following tables give the rates of vehicle tax on cars registered on or after 1 April 2021. Please refer to the Model Prices pages to confirm which models are RDE2 compliant.

**FIRST YEAR RATE’ VED – CARS REGISTERED ON OR AFTER 1.4.2021 BASED ON CO₂ EMISSIONS AND FUEL TYPE**

† Diesel cars that are tested to RDE2 standards. ‡ Diesel cars, including those tested to RDE standards.

**STANDARD RATE’ VED**

‘Standard rate’ VED based on fuel type

<table>
<thead>
<tr>
<th>Fuel type</th>
<th>CO₂ emissions (g/km)</th>
<th>‘Standard rate’ 12 months VED £</th>
</tr>
</thead>
<tbody>
<tr>
<td>Electric/Other</td>
<td>0</td>
<td>0.00</td>
</tr>
<tr>
<td>Petrol/Diesel</td>
<td>1 - Over 255</td>
<td>15.00</td>
</tr>
<tr>
<td>Alternative</td>
<td>1 - Over 255</td>
<td>145.00</td>
</tr>
</tbody>
</table>

After the ‘First year rate’, all vehicles with zero emissions will be exempt from the ‘Standard rate’ of vehicle tax. All petrol and diesel vehicles will pay a standard rate of £145 a year, and alternative fuel vehicles will pay a standard rate of £145 a year.

**STANDARD RATE’ – OVER £40,000 RRP**

‘Standard rate’ VED for vehicles over £40,000 list price – five year annual rate

<table>
<thead>
<tr>
<th>Fuel type</th>
<th>‘Standard rate’ 12 months VED £</th>
<th>Additional rate</th>
<th>Total annual payment £</th>
</tr>
</thead>
<tbody>
<tr>

<td>490.00</td>
</tr>
<tr>
<td>Alternative</td>
<td>165.00</td>
<td>335.00</td>
<td>480.00</td>
</tr>
</tbody>
</table>

Petrol or diesel vehicles with a list price over £40,000 at first registration pay £490 a year after the ‘First year rate’ for a period of five years. Alternative fuel vehicles over £40,000 at first registration – hybrids, bi-ethanol or LPG, pay £480 a year after the ‘First year rate’ for a period of five years. After five years, vehicles will revert to their ‘Standard rate’ tax depending on fuel type. Electric or vehicles producing zero emissions over £40,000 at first registration are exempt from any charge after the ‘First year rate’.

**ADDITIONAL ‘OTR’ COSTS**

Additional ‘On the road’ costs

<table>

RDE2 refers to Real Driving Emissions Step 2.
**CO₂ emissions, BIK % and VED Bands with optional wheels.**

**Effect of wheel size on CO₂ emissions, BIK % and VED Bands.**

Choosing alternative alloy wheels than standard, as an option, may result in different fuel consumption as well as different CO₂ emissions and subsequently an alternative Vehicle Excise Duty (VED) Band, while BIK rates paid by company car drivers may differ. This is due to the fact that different wheels have both alternative aerodynamic drag and mechanical drag, resulting in different rolling resistance and wind resistance. As a result, the VED Band that the vehicle falls into may differ from its original VED Band when fitted with standard size wheels. In some instances, the recommended ‘On the road’ retail price paid for the vehicle may change as a result of the change in VED rate. The chart below shows CO₂ emissions and the related VED Bands for vehicles with both standard-fit wheels and larger optional alloy wheels, as well as the different cost payable due to a change in VED Band if applicable.

1 Figures shown are for comparability purposes; only compare fuel consumption and CO₂ figures with other vehicles tested to the same technical procedures. These figures may not reflect real life driving results, which will depend upon a number of factors including the accessories fitted (post-registration), variations in weather, driving styles and vehicle load. Data correct at 29.4.2021. Figures quoted are for a range of configurations (including non-UK) and are subject to change due to ongoing approvals/changes. For more information, please see www.volkswagen.co.uk/need-help/wltp or consult your authorised Volkswagen retailer.

2 The BIK charges quoted reflect the charges which apply to vehicles registered after 6 April 2021. These charges may differ from any charges displayed or quoted before 6 April 2021. The BIK % figure quoted includes the 4% diesel supplement, where applicable.

† These vehicles are WLTP (Worldwide Harmonised Light-Duty Vehicles Test Procedure) type approved vehicles. More information is available at www.volkswagen.co.uk/need-help/wltp.

‡ These vehicles are WLTP (Worldwide Harmonised Light-Duty Vehicles Test Procedure) type approved vehicles. More information is available at www.volkswagen.co.uk/need-help/wltp.

For detailed information regarding tyre efficiency labelling and technical specifications on all potential tyre fitments, visit the Volkswagen online car configurator at www.volkswagen.co.uk or consult your authorised Volkswagen retailer.
CO₂ emissions, BIK % and VED Bands with optional wheels.

Effect of wheel size on CO₂ emissions, BIK % and VED Bands.

Choosing alternative alloy wheels than standard, as an option, may result in different fuel consumption as well as different CO₂ emissions and subsequently an alternative Vehicle Excise Duty (VED) Band, while BIK rates paid by company car drivers may differ. This is due to the fact that different wheels have both alternative aerodynamic drag and mechanical drag, resulting in different rolling resistance and wind resistance. As a result, the VED Band that the vehicle falls into may differ from its original VED Band when fitted with standard size wheels. In some instances, the recommended ‘On the road’ retail price paid for the vehicle may change as a result of the change in VED rate. The chart below shows CO₂ emissions and the related VED Bands for vehicles with both standard-fit wheels and larger optional alloy wheels, as well as the different cost payable due to a change in VED Band if applicable.

The BIK % figure quoted includes the 4% diesel supplement, where applicable. Please note: the increase in VED and BIK rate that is payable is in addition to the cost of the optional alloy wheels. Please consult your Volkswagen retailer for full details.

† These vehicles are WLTP (Worldwide Harmonised Light-Duty Vehicles Test Procedure) type approved vehicles. More information is available at www.volkswagen.co.uk/need-help/wltp.

‡ Please note these models are only available from stock and not available to factory order.

For detailed information regarding tyre efficiency labelling and technical specifications on all potential tyre fitments, visit the Volkswagen online car configurator at www.volkswagen.co.uk or consult your authorised Volkswagen retailer.
The government is retaining the diesel supplement in company car tax until 2021, when EU-wide testing procedures will ensure new diesel cars meet air quality standards even under strict ‘real world’ driving conditions. In the 2017 Autumn Budget the Chancellor announced that there will be a new VED supplement on new diesel cars first registered from 1 April 2018 adding 4% to their appropriate percentage if the car is propelled solely by diesel (up to a maximum of 37%), so that their First-Year Rate will be calculated as if they were in the VED band above. However, this will not apply on those diesel cars which meet Real Driving Emissions Step 2 (RDE2) standards.

For further details of company car tax, please consult your authorised Volkswagen retailer, or visit www.volkswagen.co.uk/offers-and-finance/fleet/calculators/company-car-tax-calculator.

1 P11D values given in this price list are based on standard specification models with no factory-fitted options or other accessories. If your car includes factory-fitted options or other accessories, you may need to adjust the P11D value to take this into account.

2 From 6 April 2018, new income tax rates have been introduced for Scottish Taxpayers, these figures reflect the new Scottish rates. For full details of Scottish BIK tax liability, please refer to the Benefit in Kind for Scottish Residents section

### Notes:

1. Figures shown are for comparability purposes; only compare fuel consumption and CO2 figures with other vehicles tested to the same technical procedures. These figures may not reflect real life driving results, which will depend upon a number of factors including the accessories fitted (post-registration), variations in weather, driving styles and vehicle load. Data correct at 29.4.2021. For more information, please see www.volkswagen.co.uk/need-help/wltp or consult your authorised Volkswagen retailer.

2. P11D value = Total recommended retail price + delivery to retailer £509.17, + number plates £20, + VAT £105.83 (calculated by reference to total of delivery to retailer + number plates). P11D value is based on standard specification model with no factory-fitted options or other accessories.

3. The BIK charges quoted reflect the charges which apply to vehicles registered after 6 April 2021. These charges may differ from any charges displayed or quoted before 6 April 2021. The BIK % figure quoted includes the 4% diesel supplement, where applicable. Please consult your Volkswagen retailer for full details.

4. From 6 April 2018, new income tax rates have been introduced for Scottish Taxpayers. For full details of Scottish BIK tax liability, please refer to the Benefit In Kind for Scottish Residents section.

‡ These vehicles are WLTP (Worldwide Harmonised Light-Duty Vehicles Test Procedure) type approved vehicles. More information is available at www.volkswagen.co.uk/owners/wltp.

All examples are for manual derivatives unless otherwise stated.

RDE2 refers to Real Driving Emissions Step 2.
Volkswagen service.

Volkswagen Finance
Volkswagen Finance specialises in providing funding solutions for Volkswagen drivers. Whether your Volkswagen is for private or business use, you can choose from a range of funding options.

Solutions – A Personal Contract Plan
Flexible finance plan designed to allow you to drive a new vehicle sooner than you think. At the end of your agreement you can choose to trade in your Volkswagen for a new one, keep it, or hand it back.

Hire Purchase
A simple and straightforward way to finance your Volkswagen. Have the option to break down your monthly payments over a period that suits you, making financing your car much more manageable than you think.

Contract Hire
Available for both personal and business customers. Ideal for customers simply wanting to pay a monthly rental for the vehicle, change it on a regular fixed period and have no disposal risk.

Lease Purchase
Finance Lease
With all Volkswagen Finance products you can choose a fixed-cost maintenance plan to help you budget for your servicing and maintenance costs. Buy your service plan online or visit your local Volkswagen retailer for more information.

SERVICING AND MAINTENANCE
Volkswagen is pleased to offer you a choice on how your Volkswagen is serviced. The appropriate selection is entirely dependent on how the car is likely to be driven and its general use. To help you identify which type of service would be most suitable, please refer to the following guide.

Fixed Service
The Fixed Service is recommended for vehicles that will cover less than 9,300 miles in 12 months and if the vehicle is likely to be used in the following way:

- Predominantly urban driving, short journeys with frequent cold starts.
- Activities regularly producing high engine loading, e.g. frequent hill climbing, driving with vehicle fully loaded and towing.
- Unecomonical driving style using high rpms with heavy acceleration and heavy braking.

The service intervals for the Fixed Service schedule on 2021 MY onwards are as follows:

- Oil change service – According to flexible service interval display, 2 years or 18,600 miles (30,000 km), whichever is sooner.
- Inspection service – First after 2 years or 18,600 miles (30,000 km), then every 2 years or 18,600 miles (30,000 km), whichever is sooner.

The quoted mileage is based on a conversion from kilometers and is therefore unlikely to exceed circa 18,600 miles between oil changes.

Volkswagen service, service plan, and comparison

VOLKSWAGEN ENSURANCE
Get three years’ Volkswagen Ensurance cover for free.
Another great benefit of being a Volkswagen driver. If your Volkswagen was damaged in an accident, wouldn’t you want it fixed by a Volkswagen trained technician using only Genuine Volkswagen Parts? Ensurance is Volkswagen’s accident and repair cover which does exactly that. It works alongside your main comprehensive motor insurance policy no matter who you are insured with, to make sure you get the quality repair and service you would want.

If you’re involved in an accident or your car is stolen, just one call to us and we’ll look after your claim from start to finish, ensuring your Volkswagen is restored to the highest standard.

Activate your cover and benefit from:
- A guarantee that your Volkswagen will be repaired by a Volkswagen approved repairer and Volkswagen trained technicians, using only Genuine Volkswagen Parts and paints.
- A dedicated Claims Manager who will manage your claim from start to finish, liaising with your insurer and the repairer so you don’t have to.
- To help to recover any uninsured losses using our Legal Expenses Cover.
- Online claims tracking so you can keep up to date with the status of any claim.

Volkswagen Ensurance is free to all Volkswagen customers for three years and it only takes a minute to get cover.
To find out more and to activate your cover, visit www.insurewithvolkswagen.co.uk/ensurance
Volkswagen service (continued).

**WARRANTY**
Exclusions and terms and conditions apply to all warranties, plans and insurance listed. For pricing and further details of Volkswagen Warranties, Service Plans and Insurance, please consult your authorised Volkswagen retailer or repairer, or visit www.volkswagen.co.uk

**THE VOLKSWAGEN WARRANTY**
**THREE-YEAR WARRANTY**
All Volkswagen passenger cars come with a three-year/60,000 miles warranty, which protects your car against the failure of most technical and electrical components due to manufacturing defects. This comprises a two-year manufacturer’s warranty with unlimited mileage plus a further one-year/60,000 miles (whichever is sooner) Retailer Warranty2. Should the mileage exceed 60,000 miles within the first two years, the manufacturer’s two-year warranty will still be valid. Full details of the three-year warranty are available from your authorised Volkswagen retailer or repairer.

**BODY PROTECTION WARRANTY**
The internal body sections and panels are covered against rusting through from the inside for 12 years. Naturally, the vehicle must be cared for in compliance with the manufacturer’s operating instructions. Please consult your authorised Volkswagen retailer or repairer for full warranty details.

**THE VOLKSWAGEN WARRANTY**
**THREE-YEAR PAINTWORK WARRANTY**
This latest paintwork warranty, pioneered by Volkswagen, provides you with cover on a new car. Naturally, during the warranty period the car must be cared for in compliance with the manufacturer’s operating instructions. Any paintwork defects, as a result of the manufacturing process, will be rectified without charge.

**APPROVED ACCESSORIES**
A comprehensive range of accessories from alloy wheels to carpet mats is available to complement the factory-fitted option list. Volkswagen approved accessories purchased from and fitted by your authorised Volkswagen retailer at the point of sale will also benefit from the three-year vehicle warranty.

**VOLKSWAGEN ROADSIDE ASSISTANCE**
Every new car is registered for Volkswagen Roadside Assistance for one year except the Touareg which is registered for three years. This provides vehicle roadside and home recovery in the unlikely event of a breakdown in the UK and Europe (subject to conditions). Volkswagen Roadside Assistance can also be purchased for subsequent years.

Exclusions and terms and conditions apply. For pricing and further details of Volkswagen Roadside Assistance, please consult your authorised Volkswagen retailer, or visit www.volkswagen.co.uk

**PRICES AND SPECIFICATIONS**
The prices and specifications contained in this price list are for information purposes only as our products are continually updated and changes may be made to the prices and specifications at any time. If you require any specific feature, please consult your authorised Volkswagen retailer who is regularly updated with any change in specification. Prices and specifications are subject to change without notice.

Following the announcement of a price increase, any vehicle order which can be accepted into the factory production system before the effective date of the price increase will be supplied at the current price, even if built and delivered after the date on which the increase became effective.

Note: We would like to advise you that telephone calls to Volkswagen Customer Care may be monitored and recorded as part of our training and quality assurance processes. All our monitoring and recording processes meet OfTtel regulations.

**TAX FREE SALES**
For full details, please contact your authorised Volkswagen retailer.

**BENEFIT IN KIND (BIK) FOR SCOTTISH RESIDENTS**
Effective as of 6 April 2018, the Scottish Government introduced their own BIK taxation structure. This is only applicable to Company Car Drivers that are resident Scottish taxpayers. HMRC will continue to be responsible for the collection and management of taxes and will determine whether or not an individual is a Scottish taxpayer based on where their primary place of residence is.

Scottish Income Tax rates and Bands 2018/19
- Starter rate 19% over £11,850 - £13,850
- Basic rate of 20% over £13,850 - £24,000
- Intermediate rate 21% over £24,000 - £44,273
- Higher rate 41% over £44,273 - £150,000
- Top rate 46% above £150,000

**FUEL CONSUMPTION AND EMISSIONS**
Fuel consumption and CO₂ figures are obtained under standardised EU test conditions (Directive 93/116/EC). This allows a direct comparison between different manufacturer models but may not represent the actual fuel consumption achieved in ‘real world’ driving conditions. More information is available on the Volkswagen website at www.volkswagen.co.uk and at www.dft.gov.uk/vea. The weight of a vehicle will influence the level of CO₂ emissions it produces; as a result, vehicles with higher levels of specification and factory-fitted options may emit higher levels of CO₂. Choosing larger alloy wheels than those fitted as standard may result in increased fuel consumption as well as higher CO₂ emissions and subsequently an increased Vehicle Excise Duty (VED) band. BIK rates paid by company car drivers may also increase. In some instances, the recommended ‘On the road’ retail price paid for a vehicle may increase as a result of the increased VED rate. CO₂ is the main greenhouse gas responsible for global warming. The specifications contained in this brochure are for information purposes only and are subject to change.

1 All warranty work must be completed by an authorised Volkswagen retailer or repairer.

Volkswagen service plan.

An additional way to keep your perfect car, perfect for longer.

Exclusions and terms apply, please click here for more details. For pricing and further details of the Volkswagen Service Plan, please consult your authorised Volkswagen retailer or visit www.volkswagen.co.uk

**Volkswagen Service Plan – retail sales only**

We offer Volkswagen Service Plans to cover all new models for their first two consecutive services in line with the Fixed Service schedule required on the vehicle. Your car will be in the hands of Volkswagen trained technicians who use specialist Volkswagen tools, technology and Volkswagen original parts, and all parts and labour are guaranteed for two years. What's more, the Volkswagen Service Plan will remain with the vehicle should you decide to sell your car.

**Volkswagen Service Plan – retail sales only**

For vehicles under 1 year old set to the Fixed Service regime that has not had its first service, comprising first two manufacturer's scheduled services:

- 'Oil service' including oil filter change
- 'Oil service' including oil filter change and 'Inspection service' plus a pollen filter replacement (if required)

Excludes electric vehicles. Service plan covers first two consecutive services, limited to 1x 'Oil service' and 1x 'Oil and Inspection service'.

T&Cs apply: All vehicles must be set to the Fixed Service regime by the retailer. Maximum age of car is 12 months (Service plan must be taken out before first service is due). Additional work, including wear and tear is excluded. Servicing must be carried out in line with the requirement of the Service Schedule. All work must be carried out by an Authorised Volkswagen Repairer. Offers may be varied or withdrawn at any time. Plan validity is dependent on required payments received. Administered by Volkswagen Financial Services. Retail sales only. For pricing and further details, please consult your authorised Volkswagen retailer or visit www.volkswagen.co.uk

Interior shown is Polo beats with optional Discover Media Navigation infotainment system, climate control – 2-zone electronic air conditioning, Light & Sight pack, Adaptive Cruise Control (ACC) and metallic paint.

Model shown is Polo R-Line with optional 17" 'Bonneville' Black diamond-turn alloy wheels, LED dipped and main beam headlights, panoramic sunroof and metallic paint.

Prices, specifications, features, technical and other information (including fuel consumption, CO2 emissions and range) are updated regularly and are subject to change without notice (this may include changes between order and delivery). There may be a delay in updates to our materials – always consult your authorised Volkswagen retailer for the latest information.
