The Polo
Price and specification guide
Effective from 23.7.2020

Please note, the Volkswagen roundel depicted in the interior and exterior images featured in this publication does not represent the new Volkswagen brand identity so, therefore, will appear different.
Charismatic and confident, the Polo imparts maximum driving enjoyment. With its advanced technology, efficient engines and sophisticated driver’s and safety assistance systems, it’s one of the world’s most advanced compact cars, providing more interior space and boot volume than ever before. The sporty exterior is designed to turn heads, matched by an interior that’s totally at home in the digital age. No wonder it’s creating such a stir.
Exterior.

01. The Polo's rear design is strong and distinctive. A prominent tornado line extends from the front side panels along the doors and around the rear, defining the bodylines and creating a sculpted, sporty appearance. Stylish rear lights with LED number plate lights complete the square-edged rear design, giving real visual presence.

02. The 17 inch 'Pamplona' Dark Adamantium alloy wheels with five double spokes add serious sports appeal and complement the exterior design perfectly. Optional on SEL models.

03. The front design is sporty and athletic, characterised by the long bonnet and horizontal lines, giving a broader, more muscular appearance, while optional LED headlights with LED daytime running lights enhance its sharp look. Model shown is Polo SEL with optional 17" 'Pamplona' alloy wheels, LED dipped and main beam headlights and metallic paint.
Great view. Great outlook.

The optional panoramic sunroof gives an impressive uninterrupted view of the sky above, adding an extra dimension of light and space and creating a relaxing interior ambience.

1 Not in conjunction with optional Black style pack or Black roof pack.
State-of-the-art technology with a design to match.

Sophisticated and advanced, the interior of the Polo is designed for today. Digital instruments are highly functional and easy to use, such as the innovative 10.3 inch Active Info Display and the latest generation infotainment systems, featuring glass, high-resolution touch-screen displays.

01 Style and comfort are second nature inside the Polo. Ambient lighting, standard on SEL models and above, provides real atmosphere, whilst a choice of optional Dashpad and Style packs as well as different upholstery colours, allow you to add individuality and colour, furthermore plenty of head and legroom helps keep you relaxed. Dashpad packs are optional on Match and SEL models.

02 Adjustable lumbar support allows you to enjoy maximum comfort and maintain the optimum position for your spine ensuring maximum comfort even on the longest of trips. Interior shown is Match with optional Art Velours upholstery.

03 The Start/Stop (Keyless entry) enables you to start the engine using a button in the centre console, without taking the key from your pocket. Standard on GTI+ and optional on Match, beats, SEL, R-Line, GTI and GTI+ models.

1 Active Info Display is standard on GTI+ and optional on Match, beats, SEL, R-Line, GTI and GTI+ models. Please note: When the navigation map is displayed in the Active Info Display in conjunction with the Discover Navigation infotainment system, the navigation map cannot be displayed on the Discover Navigation’s 8.0 inch touch-screen.

Volkswagen Service Plan – Retail sales only.

For vehicles under 1 year old set to the Fixed Service regime that has not had its first service, comprising first two manufacturer’s scheduled services:

- ‘Oil service’ including oil filter change
- ‘Oil service’ including oil filter change and ‘Inspection service’ plus a pollen filter replacement (if required)

Excludes electric vehicles. Service plan covers first two consecutive services, limited to 1 x ‘Oil service’ and 1 x ‘Oil and Inspection service’. T&Cs apply: All vehicles must be set to the Fixed Service regime by the retailer. Maximum age of car is 12 months (Service plan must be taken out before first service is due). Additional work, including wear and tear is excluded. Servicing must be carried out in line with the requirements of the Service Schedule. All work must be carried out by an Authorised Volkswagen Repairer. Offers may be varied or withdrawn at any time. Plan validity is dependent on required payments received. Administered by Volkswagen Financial Services. Retail sales only. For pricing and further details, please consult your authorised Volkswagen retailer or visit www.volkswagen.co.uk.

Prices, specifications, features, technical and other information (including fuel consumption, CO2 emissions and range) are updated regularly and are subject to change without notice (this may include changes between order and delivery). There may be a delay in updates to our materials – always consult your authorised Volkswagen retailer for the latest information.

Volkswagen UK may change RRPs at any time (this includes where there are government changes in regulation and/or legislation). There may be a delay to any RRP displaying correctly on our materials. Always obtain prices from your chosen authorised Volkswagen retailer.

VAT IS CALCULATED AT 20%. EFFECTIVE FROM 23 JULY 2020.

1. Figures shown are for comparability purposes; only compare fuel consumption and CO₂ figures with other vehicles tested to the same technical procedures. These figures may not reflect real-life driving results, which will depend upon a number of factors including the accessories fitted (post-registration), variations in weather, driving styles and vehicle load. Data correct at 23.7.2020. For more information, please see www.volkswagen.co.uk or contact your authorised Volkswagen retailer.
2. The recommended “On the road” prices and any VED charges quoted reflect the VED charges which apply to vehicles registered after 1 April 2020. The price and charges you pay may differ from any prices or charges displayed or quoted before 1 April 2020. For full details of “First year rate” VED (Vehicle Excise Duty), delivery to retailer, number plates and vehicle first registration fee included in the recommended “On the road” retail price, please click here.
3. P11D value = Total recommended retail price + delivery to retailer £509.17, + number plates £20, + VAT £105.83 (calculated by reference to total of delivery to retailer + number plates). P11D value is based on standard specification model with no factory-fitted options or other accessories.
4. The BIK charges quoted reflect the charges which apply to vehicles registered after 6 April 2020. These charges may differ from any charges displayed or quoted before 6 April 2020. The BIK % figure quoted includes the 4% diesel supplement, where applicable. Please consult your Volkswagen retailer for full details.
5. The ABI insurance group is the recommended insurance rating set by the Association of British Insurers. Please note that insurance group ratings are purely advisory. They are used by insurers (ABI members and Lloyd’s syndicates) as one of the factors in calculating premiums. Insurers are not required to follow the advisory group ratings and they may depart from them if they so wish.

‡ These vehicles are WLTP (Worldwide Harmonised Light-Duty Vehicles Test Procedure) type-approved vehicles. More information is available at www.volkswagen.co.uk/owners/wltp.

RDE2 refers to Real Driving Emissions Step 2.
The entry level Polo S is impressively equipped, with many stylish touches. Contemporary 'Basket' cloth upholstery contrasts with 'Limestone Grey' decorative inserts, 'High Gloss Black' air vent trim and 'Black' gear lever trim help to give the interior a sporty look, while the Composition Media infotainment system provides an 8.0 inch colour touch-screen, Bluetooth telephone connection and a wealth of entertainment and communication functions. Safety features and driver assistant systems provide additional peace of mind, for example, Front Assist and City emergency braking offers you intelligent control of your driving speed by automatically adjusting acceleration and braking. Curtain airbags for front and rear passengers provide increased protection, helping to protect heads in an emergency.

1 Devices must be Bluetooth HFP (Hands Free Profile) compatible, please contact your authorised Volkswagen retailer for specific device compatibility.
Standard items of equipment: S.

**VOLKSWAGEN SERVICE**
- 3-year/60,000 miles warranty (whichever is soonest)

The Polo Match offers a higher level of comfort and style, enhanced by ‘Millie’ cloth upholstery, lumbar adjustment on the front seats, a leather trimmed three-spoke multifunction steering wheel, gear knob and handbrake grip, illuminated vanity mirrors and rear tinted glass. The multifunction computer ‘Plus’ gives easy access to driving data, telephone operation, audio selection and driver assistant system’s information, while reading lights front and rear, electrically heated and adjustable door mirrors and rear electric windows enhance driving comfort. Split folding 60:40 rear seat backrest and a variable load floor in the luggage compartment increases functionality, while allowing easy access and providing ample storage space for bulky objects. Front and rear parking sensors assist parking manoeuvres by emitting both audible and visual signals, alerting the driver to any obstacles in the way, while front fog lights add presence to the exterior as well as helping with safety.
Additional items of standard equipment:
SE† (over S).

Polo beats. Discover the bass.

Enjoy near perfect sound in the Polo beats with the phenomenal beats audio™ sound system. The powerful eight channel amplifier, Digital Sound Processor, subwoofer and six speakers with 300 watt output ensures an acoustic experience that’s as good as it gets, giving you maximum enjoyment wherever you go. And you don’t just hear it, the distinctive ‘beats’ branding gives it a visual presence both inside and out.

Model shown is Polo beats with optional LED dipped and main beam headlights and metallic paint.
01 The Polo beats’ interior is designed to be noticed. The beats audio logo sits proudly on the on the door sill protectors, the backrest of the front sports seats and also on the speakers. The ‘Velvet Red’ trim in the dash and centre console are vibrant and eye-catching, echoed in the red double seam on the stylish ‘Tracks 2’ seats.

02 The Polo beats’ distinctive tornado line starts at the front side panels, extends across the doors and around the rear, emphasising its dynamic shape and bodyline. To the front, exterior door mirror housings are finished in Black, creating a highly visual detail, and to the rear, stylish rear lights and tinted glass from the B-pillar back complete the look.

03 All about that bass. The ‘beats’ logo refers to the Polo beats audio™ sound system, offering phenomenal acoustics, with a Digital Sound Processor and eight channel amplifier controlling its six tweeters, woofers and broadband speakers, delivering an overall 300 watt output. The integrated subwoofer ensures the right level of bass is supplied throughout the interior, creating the beats audio characteristic rich sound.

04 Front sports seats provide exceptional comfort and excellent support, especially when cornering. Finished in hard-wearing ‘Tracks 2’ fabric in Titan Black with twin contrasting red stripes and leatherette ‘Tracks 2’ side bolsters, they’re contemporary and stylish, displaying the ‘beats’ logo proudly on the backrest.

Interior shown is Polo beats with optional Discover Navigation infotainment system, climate control – 2Zone electronic air conditioning, Light & Sight pack, Adaptive Cruise Control (ACC) and metallic paint.
Standard items of equipment: beats (over SE).

---

¹ Devices must be Bluetooth HFP (Hands Free Profile) compatible, please contact your authorised Volkswagen retailer for specific device compatibility.
² Speed Limit Display only reflects national speed limits and does not show temporary speed limit restrictions, or where permanent changes to speed limits are made in-between map updates.
³ Only operable in conjunction with compatible tablets and smartphones including iPhone 5 and above. Please see www.volkswagen.co.uk to check compatibility.
⁴ Car-Net ‘Guide and Inform’ services are accessed via a compatible mobile device. Please see www.volkswagen.co.uk for more information. The use of ‘Guide and Inform’ services entails exchanging large volumes of data. As such, we strongly recommend that you sign-up for a flat rate data plan with your mobile network provider. After the initial 3-year Car-Net contract, an annual subscription is chargeable for the continuation of ‘Guide and Inform’ services.

The specifications listed are for information purposes only as our products are continually updated and changes may be made to the specifications at any time. If you require any specific feature, please consult your authorised Volkswagen retailer who is regularly updated with any change in specification. Specifications are subject to change without notice.

---

Model shown is new Polo UNITED with optional metallic paint.
**Polo SEL.**

Interior shown is Polo SEL with optional 'Energetic Orange' Dashpad pack, Active Info Display, Driving Profile Selection, Adaptive Cruise Control (ACC) and metallic paint.

01 The Polo SEL ensures a luxurious and comfortable driving experience. 'Tracks 2' cloth upholstery, 'Deep Iron' decorative inserts, interior chrome-plated detailing and front and rear carpet mats create a stylish and relaxed interior, enhanced by ambient lighting in the front footwell and light strips below the trim in the front and rear doors and dashboard. Front sports seats feature height adjustment, while the Discover Navigation infotainment system provides a full range of in-car entertainment, navigation and communication functions, and a storage compartment in the front centre armrest provides a practical touch.

02 Climate control – 2Zone electronic air conditioning with automatic air recirculation features dual zone temperature control for the driver and front passenger, allowing each to select their individual preferred temperature. A sensor monitors the outside air quality and if necessary automatically activates the air recirculation function.

03 The stunning looking 16 inch 'Las Minas' alloy wheels characterise the design of the SEL and provide an elegant flair as well as a sporty look to the exterior.

04 Front and rear parking sensors assist parking manoeuvres by emitting both audible and visual signals, alerting the driver to any obstacles in the way. The closer you are to an obstacle the faster the sound frequency, while an optical parking display indicates your position in relation to obstacles on the screen of the vehicle's infotainment system.
Standard items of equipment: SEL (over SE).

WHEELS AND SUSPENSION
Alloy wheels, four 6½J x 16" 'Las Minas' with 195/55 R16 tyres and anti-theft wheel bolts. Steel space saver spare wheel.

INTERIOR
Carpet mats, front and rear.
Chrome-plated air vent surround.
Chrome-plated electric mirror adjustment switch surround.
Chrome-plated electric window button surround.
Chrome-plated instrument surrounds.
Front centre armrest with storage compartment, longitudinal adjustable (not GTI).
LED interior lighting: 2 reading lights front and rear with interior delay and dimming function.
Seating:
- Upholstery – ‘Tracks 2’ cloth.
- Front sports seats with height adjustment.
- Split folding rear seat backrest 60:40.

SAFETY AND SECURITY
Disc brakes, front and rear.
1.0 ltr TSI 115 PS engine only.

IN-CAR ENTERTAINMENT AND COMMUNICATIONS
Discover Navigation infotainment system (SEL only)
- 8" 0 colour touch-screen.
- Bluetooth telephone and audio connection for compatible devices 1.
- Branded points of interest.
- Car information display.
- DAB digital radio receiver.
- Dynamic navigation based on TMC+.
- Three route options (Fast, Short, Eco).
- MDI (Multi Device Interface), via USB connection – compatible products only.
- Music playback from MP3, WMA and AAC files.
- Preloaded European navigation data.
- SD card reader.
- Single CD player.
- Simultaneous pairing of 2 compatible mobile devices.
- SMS functionality – read, compose and send SMS messages using touch-screen display (when stationary, compatible Android smartphones only).
- Speed Limit Display 2.
- Title and cover art display.
- ‘Think Blue. Trainer.’
- Driver tips and journey analysis.
- Volkswagen Media Control 3 – allows remote control of the infotainment system via smartphone or tablet.

CAR-NET
- Car Net ‘Guide and Inform’ 4 – 3-year subscription (SEL only).
- Providing online access to a range of useful information such as traffic, fuel pricing, weather and news feeds.

COMFORT AND CONVENIENCE
Ambient lighting in front footwell, light strips below trim in front and rear doors and dashboard.
Climate control – 2 zone electronic air conditioning with automatic air recirculation (SEL only).
Manual coming/automatic leaving home lighting function.
Rain sensor and automatic dimming interior rear-view mirror (not GTI).

DRIVER’S ASSISTANCE
Parking sensors, front and rear – ultrasonic, audible with audio volume reduction when activated and optical parking display via vehicle’s infotainment system.

1 Devices must be Bluetooth HFP (Hands Free Profile) compatible, please contact your authorised Volkswagen retailer for specific device compatibility.
2 Speed Limit Display only reflects national speed limits and does not show temporary speed limit restrictions, or where permanent changes to speed limits are made in-between map updates.
3 Only operable in conjunction with compatible tablets and smartphones including iPhone 5 and above. Please see www.volkswagen.co.uk to check compatibility.
4 Car Net ‘Guide and Inform’ services are accessed via a compatible mobile device. Please see www.volkswagen.co.uk for more information. The use of ‘Guide and Inform’ services entails exchanging large volumes of data. As such, we strongly recommend that you sign-up for a flat rate data plan with your mobile network provider. After the initial 3-year Car-Net contract, an annual subscription is chargeable for the continuation of ‘Guide and Inform’ services.

The specifications listed are for information purposes only as our products are continually updated and changes may be made to the specifications at any time. If you require any specific feature, please consult your authorised Volkswagen retailer who is regularly updated with any change in specification. Specifications are subject to change without notice.
Polo R-Line.

Exciting, sporty and stylish, the Polo R-Line is no ordinary model. It has its own unique styling, providing a level of specification that is fitting for a car of this stature, adding to the excitement of driving this eye-catching car. Thanks to the ‘R-Line’ exterior styling pack, it’s easy to recognise this distinctive model, with its specially designed front and rear bumpers, ‘C’ signature ‘Gloss Black’ front air intakes and radiator grille. The unique ‘R-Line’ badging and striking 16 inch ‘Sebring’ Galvano Grey alloy wheels add the finishing touch, creating a look that’s sleek, stylish and distinctively R-Line.

Model shown is Polo R-Line with optional 17” ‘Sonneville’ Black diamond-turned alloy wheels, panoramic sunroof, LED dipped and main beam headlights and metallic paint.
The interior emphasises the sporty character of the Polo R-Line, demonstrated by the leather trimmed three-spoke multifunction steering wheel with aluminium inserts and ‘R-Line’ logo, Titanium Black rooflining and sun visors, and stainless steel pedals. Electrically heated, adjustable and foldable door mirrors feature reverse-activated kerb-view adjustment on the passenger’s side, completing the impressive specification, reinforcing the quality and attention to detail.

Front sports seats feature the familiar ‘R-Line’ logo on the backrest and are finished in contemporary ‘Carbon Flag’ cloth upholstery.

The unique door sill protectors with ‘R-Line’ logo are proudly seen as the door opens adding an extra touch of sportiness to the dynamic appearance.
Standard items of equipment: R-Line (over SEL).

WHEELS AND SUSPENSION
Alloy wheels, four 6½J x 16" ‘Sebring’ Galvano Grey with 195/55 R16 tyres and anti-theft wheel bolts

EXTERIOR
Chrome effect trapezoid fascia exhaust tailpipe surrounds, left and right
LED tinted rear light clusters
Rear diffuser
Rear tinted glass from B-pillar backwards, approx. 65% tinted
‘R-Line’ styling pack – ‘R-Line’ design front and rear bumpers with unique ‘C’ signature ‘Gloss Black’ front air intakes, rear roof spoiler, radiator grille and side skirts
Unique ‘R-Line’ badging

INTERIOR
Leather trimmed three-spoke multifunction steering wheel with aluminium inserts and ‘R-Line’ logo
Paddle shift on steering wheel (auto DSG only)
Seating
- Upholstery – ‘Carbon Flag’ cloth
- Front sports seats with lumbar adjustment and ‘R-Line’ logo on seat backrest
‘Shadow Steel’ decorative inserts
Stainless steel pedals
Titanium Black rooflining and sun visors
Unique ‘R-Line’ door sill protectors

COMFORT AND CONVENIENCE
Electrically heated, adjustable and foldable door mirrors and reverse activated kerb-view adjustment on passenger’s side

The specifications listed are for information purposes only as our products are continually updated and changes may be made to the specifications at any time. If you require any specific feature, please consult your authorised Volkswagen retailer who is regularly updated with any change in specification. Specifications are subject to change without notice.
Three letters that say it all. GTI.

The name GTI has always stood for exceptional performance and driving enjoyment. The Polo GTI continues this tradition with a truly striking exterior and dynamic appeal. Sporty 17 inch ‘Parker’ alloy wheels with red brake callipers, sports suspension lowered by approximately 15mm and extended sill strips flared in black all bear testimony to its sporting heritage, continued on the rear by the chrome exhaust twin tailpipe, ‘Gloss Black’ rear spoiler and LED darkened rear light clusters.

Model shown is Polo GTI with optional 18" 'Brescia' Black diamond-turned alloy wheels.

01 The GTI is easily recognisable from a distance, thanks to its unique ‘GTI’ styling, with its uniquely shaped front and rear GTI bumpers and ‘Black’ honeycomb front air intake, familiar honeycomb radiator grille with traditional red stripe, fog lights and unique ‘GTI’ badging. Model shown is Polo GTI with optional LED dipped and main beam headlights.

Model shown is Polo GTI + with optional 18" 'Brescia' Black diamond-turned alloy wheels.
Iconic design. Ground-breaking technology.

Iconic GTI design meets ground-breaking technology in the GTI’s interior. The leather trimmed three-spoke multifunction steering wheel with ‘GTI’ logo and red stitching, ‘Velvet Red’ or ‘Deep Iron’ decorative inserts and stainless steel door sill protectors with ‘GTI’ logo pay homage to its sporting tradition, while a choice of driver profiles allows you to select Eco, Normal, Sport or Individual settings, depending on the driving style you prefer.
The Polo Model prices

**Standard equipment**

Model shown is Polo GTI+ with optional 18" ‘Brescia’ Black diamond-turned alloy wheels.
Infotainment and connectivity.

The Polo is truly a car of the digital age, providing endless infotainment and connectivity possibilities, exceptional ease of use and amazing functionality. Take the Active Info Display, offering five different customisable screens and journey data, with either large or small dials depending on your preference, on the interactive 10.3 inch high resolution screen, enabling you to view information exactly as you wish, in the configuration of your choice.

01-03 It's up to you in which configuration you display data. Thanks to the Active Info Display's fully configurable screen, you can view combinations of information, from a full screen navigation map to detailed driving data such as journey time, speedometer display and fuel level, phone information or driver assistance systems. The choice is yours. Standard on GTI+ and optional on Match, beats, SEL, R-Line, GTI and GTI+ models. Images shown feature cruise control which is optional on Match, beats, SEL and GTI models.

1 Please note: When the navigation map is displayed in the Active Info Display in conjunction with the Discover Navigation infotainment system, the navigation map cannot be displayed on the Discover Navigation's 8.0 inch touch-screen.
Completely free. But well connected.

Whatever your plans, you’re totally flexible in the Polo. Car-Net online mobile services provide remote access via your smartphone, enabling you to stay connected with everything that’s important to you whilst still enjoying complete independence.

Model shown is Polo R-Line with optional panoramic sunroof and metallic paint.
It’s never been easier to stay connected.

Thanks to Car-Net ‘App-Connect’, your smartphone, your music, your messages, the internet, and selected apps are available at your fingertips. Simply connect your smartphone via USB to the infotainment touch-screen and your phone integrates seamlessly into your infotainment system allowing you to listen to your favourite music, use your phone, view messages or check the latest news and journey information. It’s that simple to stay connected on every trip.

01 Depending on which smartphone you have, you can connect Car-Net ‘App-Connect’ via USB connection to one of three interfaces: Apple ‘CarPlay’, Google ‘Android Auto’ or ‘MirrorLink™’, allowing your smartphone display to be ‘mirrored’ on the infotainment touch-screen and giving access to your favourite smartphone functions, such as music, messages, phone and news. Volkswagen apps such as ‘Think Blue. Trainer’, ‘Shared Audio’, ‘Drive & Track’ or ‘My Guide’ can help to make your journey more pleasant and interesting by providing useful tips on driving your car, parking opportunities and even where to find the closest café. Please note, there is usage of only certified apps while driving. Standard on Match models and above, and optional on S models.

02 Car-Net ‘Guide and Inform’ gives you online access to a wide range of useful information, such as weather, exciting destinations in your surrounding area, or the next filling station. You can also receive the latest traffic information with recommendations for avoiding congestion or news and weather feeds from the Internet. Car-Net ‘Guide and Inform’ is standard on the Discover Navigation infotainment system.

03 The Active Info Display is a fully configurable, interactive 10.3 inch TFT display which replaces the standard analogue instrument cluster, displaying vehicle data and information on your dashboard. Five different modes allow you to customise the screen, with large or small dials as you prefer, and a number of items displayed behind them. When used in navigation mode, in conjunction with the optional Discover Navigation infotainment system, you can move the speedometer and rev counter to the edge of the display, creating more space for the navigational map. If you wish, you can include driving, navigation and assistance functions within the graphics of the speedometer. As the Active Info Display is linked to all other assistance systems in the vehicle, any data shown in the centre console of the infotainment system, such as phone numbers or your music’s compatible cover art, can also be displayed on the dash, conveniently placed directly within the driver’s optimum field of vision. Standard on GTI+ and optional on Match, beats, SEL, R-Line, GTI and GTI+ models.

1 Only operable in conjunction with compatible smartphones including iPhone 5 and above. Display and operation of certified apps including audio and voice control (if supported by the app). Please see www.volkswagen.co.uk to check smartphone compatibility.

2 Car-Net ‘Guide and Inform’ services are accessed via a compatible mobile device. Please see www.volkswagen.co.uk for more information. The use of ‘Guide and Inform’ services entails exchanging large volumes of data. As such, we strongly recommend that you sign-up for a flat rate data plan with your mobile network provider. After the initial 3-year Car-Net contract, an annual subscription is chargeable for the continuation of Car-Net ‘Guide and Inform’ services.

3 Please note: When the navigation map is displayed in the Active Info Display in conjunction with the Discover Navigation infotainment system, the navigation map cannot be displayed on the Discover Navigation’s 8.0 inch touch-screen.

Images shown are Polo SEL with optional ‘Energetic Orange’ Dashpad pack and metallic paint.
Everything to hand. Exactly as you’d expect.

Want to combine your selected route with your favourite music? No problem. The infotainment systems in the Polo couldn’t be easier to use. Featuring high quality, touch-screen displays, they’re ergonomically designed for intuitive use with everything to hand, exactly where you’d expect it to be. Sit back, enjoy the journey and the entertainment.

01 The Composition Media infotainment system is equipped with an 8.0 inch colour touch-screen, DAB digital radio receiver, Multi Device Interface (MDI), single CD player, SD card reader and USB connection. It allows music playback from MP3, WMA and AAC files, simultaneous pairing of two compatible mobile devices, SMS functionality (when stationary and on compatible Android smartphones only), Bluetooth telephone and audio functionality1, and provides driver tips and journey analysis via the ‘Think Blue. Trainer.’ Six speakers, situated to the front and rear, deliver 4 x 20 watt output. Standard on S, Match, beats, R-Line, GTI and GTI+ models.

02 The Discover Navigation touch-screen navigation/infotainment system adds navigational functionality to the ‘Composition Media’ system, providing dynamic navigation based on TMC+, branded points of interest, preloaded European navigation data, Speed Limit Display2 and three routes (Fast, Short and Eco), and 2D/3D map view. It comes with 3-years’ Car Net ‘Guide and Inform’3, providing online access to such information as traffic, fuel pricing, weather and news feeds; and includes online navigation software updates, enabling you to download the latest map data. The system also offers Volkswagen Media Control4, which allows remote control of the infotainment system via a smartphone or tablet. Standard on UNITED and SEL and optional on Match, beats, R-Line, GTI and GTI+ models.

1 Devices must be Bluetooth HFP (Hands Free Profile) compatible, please contact your authorised Volkswagen retailer for specific device compatibility.
2 Speed Limit Display only reflects national speed limits and does not show temporary speed limit restrictions, or where permanent changes to speed limits are made in-between map updates.
3 Car-Net ‘Guide and Inform’ services are accessed via a compatible mobile device. Please see www.volkswagen.co.uk for more information. The use of ‘Guide and Inform’ services entails exchanging large volumes of data. As such, we strongly recommend that you sign-up for a flat rate data plan with your mobile network provider. After the initial 3-year Car-Net contract, an annual subscription is chargeable for the continuation of Car-Net ‘Guide and Inform’ services.
4 Only operable in conjunction with compatible tablets and smartphones including iPhone 5 and above. Please see www.volkswagen.co.uk to check compatibility.

Images shown features optional ‘Energetic Orange’ Dashpad pack.
We Connect Go®.

All your car’s information. All in one place.

We Connect Go is the easy way to connect your Polo to your smartphone. It relays everything you need to know, from service information and fuel consumption, parking location and helpful tips on driving more economically.

Welcome on board.
Getting started is easy. Follow these simple steps to find out how We Connect Go® can provide you with help and information on every journey.

Step 1
Download the free We Connect Go® App to your smartphone from the App Store for iOS, or Google Play Store for Android.

Step 2
Follow the instructions in the App.

Step 3
Put the DataPlug onto the diagnostic port that you’ll find below the steering wheel.

Step 4
Connect via Bluetooth.

Step 5
That’s it.

My Volkswagen.
The overview of key information about your car such as service and maintenance intervals, warning message displays, fuel level and mileage.

Fuel monitor.
Everything you need to know about your vehicle’s fuel consumption and costs. It even tracks your fuel stops, especially useful if you use your car for business purposes.

Trips.
This feature shows detailed map views, trip details, statistics, and the cost of each trip. You can categorise all trips into either business or private, and all of this can be downloaded to your desktop if required.

Service partner.
Wherever you are, you can see exactly where your nearby retailers are and be navigated to the nearest one. And if you need to call them, the app will put you straight through.

Driving style.
This feature can help save you money, analysing and evaluating all the elements of the engine and braking performance, combined with your driving style to give you tips on how to be even more efficient when driving.

Assistance call.
Just press and call Volkswagen’s 24-hour helpline where you’ll be put straight through to Customer Service. And if you’re not sure where you are, don’t worry, it transmits your location directly to them.

Parking space.
The app automatically remembers where you’ve parked. And while you’re away from your car, it’ll show you how long you’ve been parked for.

Challenges.
This feature helps you meet efficiency and driving style targets. Collect points and trophies as you move through the tasks and discover hidden bonus challenges to help keep you improving your scores.

For a list of all compatible models and for more information visit www.vwconnect.com
Safety is a team effort.

When it comes to safety, the Polo is well equipped, scoring a maximum Euro NCAP five-star rating. Which means it's well equipped to take good care of occupants and other road users. A wealth of on-board driver assistance systems help you travel safely and comfortably, arriving at your destination relaxed and stress free.
01 The **Front Assist** monitoring system combines Predictive Pedestrian Protection with City emergency braking, alerting you if it detects vehicles or pedestrians at the edge of the road or on the carriageway, via acoustic and optical signals, as well as a gentle application of the brakes. The system even performs an emergency stop should the distance become critical, helping to protect other road users and possibly avert potential accidents. Standard on all models.

02 The **PreCrash preventive occupant protection** recognises dangerous driving situations and automatically takes measures to help protect vehicle occupants, tensioning the front seat belts, closing the electric windows, shutting the optional panoramic sunroof, if fitted, and deploying the brakes. Optional on S, Match, beats, SEL, R-Line, GTI and GTI+ models.

03 The **Park Assist system** not only makes parallel parking easier, but also helps you reverse park into a space at 90 degrees to the kerb. Using ultrasonic sensors, Park Assist will detect a parking space large enough for either bay or parallel parking. Once the vehicle is in reverse, all the driver has to do is operate the accelerator and brake, and keep a lookout, while the Polo steers itself into its chosen space. Optional on Match, beats, SEL, R-Line, GTI and GTI+ models.

04 The **Driver Alert system** monitors driver behaviour. As soon as it detects unusual driving patterns, such as lane deviation or erratic steering movements, it recommends taking a break via visual and acoustic signals. Standard on all models.
01 Blind spot detection with rear traffic alert provides additional peace of mind by assisting when you want to change lanes. A radar sensor controlled warning system monitors your blind spot and should it detect a potentially hazardous situation, it warns you by means of flashing warning lights in the door mirror housing. The rear traffic alert monitors the area to the rear and both sides when in reverse gear. If it detects a vehicle moving towards you, the system provides audible and visual warnings and will initiate braking if necessary. Optional on Match, beats, SEL, R-Line and GTI models.

02 The rear-view camera displays the area behind your vehicle on the screen of the vehicle’s infotainment system, helping you to manoeuvre into tight spaces quickly and easily. Auxiliary lines help you navigate safely into parking spaces, and thanks to the high resolution display, even small obstacles such as kerbs are visible. Optional on Match, beats, SEL, R-Line, GTI and GTI+ models. Image shown features optional Discover Navigation infotainment system.

03 Adaptive Cruise Control (ACC)\(^1\) including Front Assist radar sensor controlled distance monitoring system, City emergency braking system, cruise control and speed limiter, offers you intelligent control of your driving speed by automatically adjusting acceleration and braking. Whether around town or on the motorway, the system will adjust your speed to that of the vehicle in front, keep your specified distance, warn if you are approaching too fast and, in an emergency situation, generate enough braking force to try to reduce the severity of a collision or possibly even prevent the collision entirely. Standard on GTI+ and optional on Match, beats, SEL, R-Line and GTI models.

---

1 Not in conjunction with 1.0 litre EVO 80 PS engines or cruise control. Images shown features optional metallic paint.

1. Not in conjunction with Black roof pack.  
2. Only available on 1.0 ltr TSI 95 PS 5-sp manual engines.

Choosing larger alloy wheels than standard, as an option, may result in increased fuel consumption as well as higher CO₂ emissions and subsequently increased Vehicle Excise Duty (VED) band, and BIK rates paid by company car drivers may increase. This is due to the fact that larger wheels have both more aerodynamic drag and more mechanical drag, resulting in increased rolling resistance and increased wind resistance. As a result, the VED band that the vehicle falls into may increase from its original VED band when fitted with standard size wheels. In some instances, the recommended ‘On the road’ retail price paid for the vehicle may increase as a result of the increased VED rate. Please refer to CO₂ emissions, BIK % and VED Bands with optional wheels section.

IN-CAR ENTERTAINMENT AND COMMUNICATIONS

beats audio™
8 channel amplifier with 300 watt output, 2 x tweeters in A-pillars, 2 x woofers in front doors, 2 x broadband speakers in rear, 1 x subwoofer below luggage compartment cover and Digital Sound Processor (DSP). Subwoofer in the luggage compartment in lieu of the variable load floor

Car-Net ‘App-Connect’
Combined functionality of Apple ‘CarPlay’, Google ‘Android Auto’ and ‘MirrorLink’™ allowing ‘mirroring’ of smartphone display on the infotainment touch-screen via USB connection, Display and operation of certified apps including audio and voice control (if supported by the app). Usage of certified apps only while driving. Additional 1 x USB connection. Only operable in conjunction with compatible smartphones including iPhone 5 and above. Please see www.volkswagen.co.uk to check smartphone compatibility

Discover Navigation touch-screen navigation/infotainment system with Car-Net ‘Guide and Inform’
8.0” colour touch-screen control infotainment system for navigation, CD and radio functions and Volkswagen Media Control, allowing remote control of the infotainment system via a smartphone or tablet. Preloaded European navigation data, 2D/3D map view, three calculated routes (Fast, Short, Eco), dynamic navigation based on TMC+, branded points of interest and Speed Limit Display. 3-years Car-Net ‘Guide and Inform’ access providing online access to a range of useful information such as traffic, fuel pricing, weather and news feeds. Includes online navigation software updates, enabling you to download the latest map data. Please contact your authorised Volkswagen retailer for full details

Voice activation
Spoken voice commands for telephone and, if fitted, navigation functions

COMFORT AND CONVENIENCE

Climate control
2Zone electronic air conditioning with automatic air recirculation and allergy filter

Electrically foldable door mirrors
Electrically heated, adjustable and foldable door mirrors and reverse activated kerb-view adjustment on passenger’s side

Keyless entry
Remote keyless entry including Start/Stop button on centre console

Light & Sight pack
Automatic dimming interior rear-view mirror, manual coming/automatic leaving home lighting function and rain sensor

Panoramic sunroof
Electric, glass sliding/tilting including integrated roller blind

Smoking pack
Cigarette lighter and ashtray in front

Winter pack
Heated front seats and low washer fluid warning light

Winter pack in conjunction with Upholstery – Art Velours
Low washer fluid warning light

Your Polo. Your design. Your style.

It's up to you how your Polo looks. Optional style packs provide a choice of finishes, interior styling, interior and exterior colours and equipment, offering all the customisation options you need to create your own unique Polo. So you feel totally at home, the moment you sit behind the wheel.

01-02

The Black style pack ¹ is elegant and classic, comprising a range of black features to create a stylish and exclusive look. The non-metallic Black roof and upper door mirror housings create a dynamic contrast with your chosen vehicle colour.

Also included in the Black style pack are the 16 inch 'Sebring' Black diamond-turned alloy wheels featuring a five double-spoke design. Their glossy black look provides a further contrast with the vehicle colour, while wide 195/55 R16 tyres enhance the exterior’s sporty appeal. Optional on Match and SEL models.

Model shown is Polo SEL with optional 17” 'Pamplona' Dark Adamantium alloy wheels, Black roof Pack, ‘Energetic Orange’ Dashpad pack, LED dipped and main beam headlights and metallic paint.

¹ Not in conjunction with optional Black roof pack or panoramic sunroof.
Not only does the Black style pack deliver a sporty and dynamic look, it also ensures exceptional comfort, thanks to the front sports seats equipped with lumbar support, 'Level' cloth seat centre section and 'Carbon leather' side bolsters. The look is completed by the Titanium black rooflining and sun visors, 'Deep iron' upper dashpad, and front and rear carpet mats, creating a luxurious and inviting interior, while two LED reading lights in the front and rear with interior delay and dimming function help create a relaxing interior ambience. Optional on Match and SEL models. Interior shown is Polo SEL with optional Black style pack, Dashpad pack, Active Info Display and metallic paint.

Also available as an option is the Style pack, which includes all the interior equipment of the Black style pack. Optional on Match and SEL models.

1 Not in conjunction with optional Black roof pack or panoramic sunroof.
01 The **Dashpad pack** allows you to introduce even more colour and individuality to the interior of your Polo, with a choice of 'Energetic Orange' or 'Silver Silk' dashpad inserts. Optional on Match and SEL models. 'Deep Iron' dashpad is standard on SEL and available as a no cost option on GTI and GTI+ models. Interiors shown are Polo SEL with optional 'Energetic Orange' and 'Silver Silk' Dashpad packs, Active Info Display, cruise control and metallic paint.

02 When choosing your Polo, why not make the most of the opportunity to express your individual style? Thanks to the extensive choice of finishes, there's a wide selection of stylish body colours and you can further enhance the visual presence by selecting the **Black roof pack**, comprising of non-metallic Black roof and upper door mirror housings and rear tinted glass from B-pillar backwards. Matched with a vibrant body colour such as 'Energetic Orange' or a classic colour such as 'Pure White', it ensures your Polo really stands out, while creating a truly individual look. Optional on Match, SEL, R-Line, GTI and GTI+ models.

---

1 Not in conjunction with optional panoramic sunroof.

1 Not suitable for GTI and GTI+ models.

Accessory prices are the manufacturer’s Recommended Retail Prices (RRP), shown exclusive and inclusive of fitting where applicable, inclusive of appropriate VAT, and are charged in addition to recommended ‘On the road’ retail price paid for the vehicle. For full details, please contact your authorised Volkswagen retailer.

Volkswagen UK may change RRP’s at any time (this includes where there are government changes in regulation and/or legislation). There may be a delay to any RRP displaying correctly on our materials. Always obtain prices from your chosen authorised Volkswagen retailer.

VAT IS CALCULATED AT 20%, EXCEPT RETAILER SUPPLIED CHILD SAFETY SEATS WHERE IT IS CALCULATED AT 5%. EFFECTIVE FROM 23 JULY 2020.
Wheels – standard.

01 Steel wheels 5J x 14" with 185/70 R14 tyres and full size wheel trims.

02 ‘Sassari’ 5½J x 15" alloy wheels with 185/65 R15 low rolling resistance tyres and anti-theft wheel bolts.

03 ‘Seyne’ Black diamond-turned 5½J x 15" alloy wheels with 185/65 R15 low rolling resistance tyres and anti-theft wheel bolts.

04 ‘Forby’ Black diamond-turned 6½J x 16" alloy wheels with 195/55 R16 tyres and anti-theft wheel bolts. Including steel space saver spare wheel on SE models.

05 ‘Dublin’ 5½J x 15" alloy wheels with 185/65 R15 low rolling resistance tyres and anti-theft wheel bolts.

06 ‘Las Minas’ 6½J x 16" alloy wheels with 195/55 R16 tyres and anti-theft wheel bolts.

07 ‘Sebring’ Galvano Grey 6½J x 16" alloy wheels with 195/55 R16 tyres and anti-theft wheel bolts.

08 ‘Parker’ 7½J x 17" alloy wheels with 215/45 R17 tyres and anti-theft wheel bolts.

† Please note these models may no longer be available to order, or only available from stock and not available to factory order. Choosing alloy wheels with low rolling resistance tyres, as an option, may result in lowered fuel consumption as well as lower CO2 emissions.

Images shown feature Flash Red non-metallic paint on GTI model, Atlantic Blue on UNITED model and optional Energetic Orange metallic paint on all other models.
Wheels – optional.

Choosing alloy wheels with low rolling resistance tyres, as an option, may result in lowered fuel consumption as well as lower CO₂ emissions. Images shown feature Flash Red non-metallic paint on GTI models and optional Energetic Orange metallic paint on all other models.

- **01 ‘Sassari’**: 5½J x 15” alloy wheels with 185/65 R15 low rolling resistance tyres and anti-theft wheel bolts.
- **02 ‘Torsby’**: Black diamond-turned 6½J x 16” alloy wheels with 195/55 R16 tyres and anti-theft wheel bolts. Including steel space saver spare wheel on SE models.
- **03 ‘Las Minas’**: 6½J x 16” alloy wheels with 195/55 R16 tyres and anti-theft wheel bolts.
- **04 ‘Sassari’ Smokey Aurora Grey**: 5½J x 15” alloy wheels with 185/65 R15 low rolling resistance tyres and anti-theft wheel bolts.
- **05 ‘Seyne’**: Black diamond-turned 5½J x 15” alloy wheels with 185/65 R15 low rolling resistance tyres and anti-theft wheel bolts.
- **06 ‘Salou’**: 5½J x 15” alloy wheels with 185/65 R15 tyres and anti-theft wheel bolts.
- **07 ‘Las Minas’ Dark Adamantium**: 6½J x 16” alloy wheels with 195/55 R16 tyres and anti-theft wheel bolts. Including steel space saver spare wheel.
- **08 ‘Pamplona’**: 7J x 17” alloy wheels with 215/45 R17 tyres and anti-theft wheel bolts.
- **09 ‘Pamplona’ Dark Adamantium**: 7J x 17” alloy wheels with 215/45 R17 tyres and anti-theft wheel bolts.
- **10 ‘Bonneville’**: Black diamond-turned 7J x 17” alloy wheels with 215/45 R17 tyres and anti-theft wheel bolts.
- **11 ‘Brescia’**: Black diamond-turned 7½J x 18” alloy wheels with 215/40 R18 tyres and anti-theft wheel bolts.

* Not in conjunction with Black roof pack. † No cost option.
Paint.

Please note: Colour range is reproduced for illustration purposes only. Actual on-car colours may vary from those shown, as screen technology does allow exact reproduction of the paint colours.

Models shown are Polo SEL with optional 17" 'Pamplona' alloy wheels, LED dipped and main beam headlights and panoramic sunroof.

Please note: Optional panoramic sunroof cannot be ordered with optional Black style pack or Black roof pack.

* Limestone Grey must be ordered in conjunction with optional Dashpad pack on SE and SEL models. † Please note these models may no longer be available to order, or only available from stock and not available to factory order.
Upholstery.

Please note: Swatches reproduced for illustration purposes only. Actual upholstery colours may vary from those shown, as screen technology does not allow exact reproduction of the upholstery colours.

† Please note these models may no longer be available to order, or only available from stock and not available to factory order.
Combinations.

Figures shown are for standard specification models. The addition of certain factory-fitted options and/or accessories may affect some of the dimensions shown.

All figures in millimetres. On illustrations, where arrows and figures are shown inside of the vehicle, the measurements are for interior dimensions. Where arrows and figures are shown outside of the vehicle, the measurements are for exterior dimensions.
VED and additional ‘On the road’ costs.

Diesel vehicles that do not meet the RDE2 standard will be charged a supplement on their ‘First year rate’ to the effect of moving up by one VED (Vehicle Excise Duty) band. The following tables give the rates of vehicle tax on cars registered on or after 1 April 2020. Please refer to the Model Prices pages to confirm which models are RDE2 compliant.

**‘FIRST YEAR RATE’ VED – CARS REGISTERED ON OR AFTER 1.4.2020 BASED ON CO₂ EMISSIONS AND FUEL TYPE**

<td>485.00</td>
</tr>
</tbody>
</table>

Petrol or diesel vehicles with a list price over £40,000 at first registration pay £475 a year after the ‘First year rate’ for a period of five years. Alternative fuel vehicles over £40,000 at first registration – hybrids, bi-ethanol or LPG, pay £465 a year after the ‘First year rate’ for a period of five years. Electric or vehicles producing zero emissions over £40,000 at first registration pay £325 a year after the ‘First year rate’ for a period of five years. After five years, vehicles will revert to their ‘Standard rate’ tax depending on fuel type.

**ADDITIONAL ‘OTR’ COSTS**

Additional ‘On the road’ costs.

\(^2\) These vehicles are WLTP (Worldwide Harmonised Light-Duty Vehicles Test Procedure) type approved vehicles. More information is available at www.volkswagen.co.uk/owners/wltp.

\(^3\) RDE2 refers to Real Driving Emissions Step 2.
CO₂ emissions, BIK % and VED Bands with optional wheels.

Effect of wheel size on CO₂ emissions, BIK % and VED Bands.

Choosing alternative alloy wheels than standard, as an option, may result in different fuel consumption as well as different CO₂ emissions and subsequently an alternative Vehicle Excise Duty (VED) Band, while BIK rates paid by company car drivers may differ. This is due to the fact that different wheels have both alternative aerodynamic drag and mechanical drag, resulting in different rolling resistance and wind resistance. As a result, the VED Band that the vehicle falls into may differ from its original VED Band when fitted with standard size wheels. In some instances, the recommended ‘On the road’ retail price paid for the vehicle may change as a result of the change in VED rate. The chart below shows CO₂ emissions and the related VED Bands for vehicles with both standard-fit wheels and larger optional alloy wheels, as well as the different cost payable due to a change in VED Band if applicable.

1. Figures shown are for comparability purposes; only compare fuel consumption and CO₂ figures with other vehicles tested to the same technical procedures. These figures may not reflect real life driving results, which will depend upon a number of factors including the accessories fitted (post-registration), variations in weather, driving styles and vehicle load. Data correct at 23.7.2020. Figures quoted are for a range of configurations (including non-UK) and are subject to change due to ongoing approvals/changes. For more information, please see www.volkswagen.co.uk/need-help/wltp or consult your authorised Volkswagen retailer.

2. The BIK charges quoted reflect the charges which apply to vehicles registered after 6 April 2020. These charges may differ from any charges displayed or quoted before 6 April 2020. The BIK % figure quoted includes the 4% diesel supplement, where applicable. Please note: the increase in VED and BIK rate that is payable is in addition to the cost of the optional alloy wheels. Please consult your Volkswagen retailer for full details.

‡ These vehicles are WLTP (Worldwide Harmonised Light-Duty Vehicles Test Procedure) type approved vehicles. More information is available at www.volkswagen.co.uk/need-help/wltp.

† Please note these models may no longer be available to order, or only available from stock and not available to factory order.

VAT IS CALCULATED AT 20%. EFFECTIVE FROM 23 JULY 2020.
CO₂ emissions, BIK % and VED Bands with optional wheels.

Effect of wheel size on CO₂ emissions, BIK % and VED Bands.

Choosing alternative alloy wheels than standard, as an option, may result in different fuel consumption as well as different CO₂ emissions and subsequently an alternative Vehicle Excise Duty (VED) Band, while BIK rates paid by company car drivers may differ. This is due to the fact that different wheels have both alternative aerodynamic drag and mechanical drag, resulting in different rolling resistance and wind resistance. As a result, the VED Band that the vehicle falls into may differ from its original VED Band when fitted with standard size wheels. In some instances, the recommended ‘On the road’ retail price paid for the vehicle may change as a result of the change in VED rate. The chart below shows CO₂ emissions and the related VED Bands for vehicles with both standard-fit wheels and larger optional alloy wheels, as well as the different cost payable due to a change in VED Band if applicable.

How to calculate your company car income tax liability – effective 6.4.2020

Use the car’s CO₂ emission figure to look up the Benefit in Kind (BIK) %

Multiply the BIK % by the sum of the car’s P11D value

Multiply by employee income tax rating (19% ¹, 20%, 21% ², 40%, 41% ³, 45% or 46% ²)

That’s the tax you’ll pay for your car in 2020/2021

The government is retaining the diesel supplement in company car tax until 2021, when EU-wide testing procedures will ensure new diesel cars meet air quality standards even under strict ‘real world’ driving conditions. From 6 April 2018 drivers must add 4% to their appropriate percentage if the car is propelled solely by diesel (up to a maximum of 37%).

¹ P11D values given in this price list are based on standard specification models with no factory-fitted options or other accessories. If your car includes factory-fitted options or other accessories, you may need to adjust the P11D value to take this into account.

² From 6 April 2018, new income tax rates have been introduced for Scottish Taxpayers, these figures reflect the new Scottish rates. For full details of Scottish BIK tax liability, please refer to the Benefit In Kind for Scottish Residents section

³ Diesel cars that are tested to RDE2 standards.

1. Figures shown are for comparability purposes; only compare fuel consumption and CO₂ figures with other vehicles tested to the same technical procedures. These figures may not reflect real life driving results, which will depend upon a number of factors including the accessories fitted (post-registration), variations in weather, driving styles and vehicle load. Data correct at 23.7.2020. For more information, please see www.volkswagen.co.uk/need-help/wltp or consult your authorised Volkswagen retailer.

2. P11D value = Total recommended retail price + delivery to retailer £509.17, + number plates £20, + VAT £105.83 (calculated by reference to total of delivery to retailer + number plates). P11D value is based on standard specification model with no factory-fitted options or other accessories.

3. The BIK charges quoted reflect the charges which apply to vehicles registered after 6 April 2020. These charges may differ from any charges displayed or quoted before 6 April 2020. The BIK % figure quoted includes the 4% diesel supplement, where applicable. Please consult your Volkswagen retailer for full details.

4. From 6 April 2018, new income tax rates have been introduced for Scottish Taxpayers. For full details of Scottish BIK tax liability, please refer to the Benefit In Kind for Scottish Residents section.

‡ These vehicles are WLTP (Worldwide Harmonised Light-Duty Vehicles Test Procedure) type approved vehicles. More information is available at www.volkswagen.co.uk/owners/wltp. All examples are for manual derivatives unless otherwise stated.

RDE2 refers to Real Driving Emissions Step 2.

**Company car taxation chart and comparison**

Volkswagen UK may change RRPs at any time (this includes where there are government changes in regulation and/or legislation). There may be a delay to any RRP displaying correctly on our materials. Always obtain prices from your chosen authorised Volkswagen retailer.

VAT IS CALCULATED AT 20%. EFFECTIVE FROM 23 JULY 2020.
Volkswagen is pleased to offer you a choice on how your Volkswagen is serviced. The appropriate selection is entirely dependent on how the car is driven and its general use. To help you identify which type of service would be most suitable, please refer to the following guide.

**Fixed Service**

The Fixed Service is recommended for vehicles that will cover less than 10,000 miles in 12 months and if the vehicle is likely to be used in the following way:

- Pedestrianly urban driving, short journeys with frequent cold starts.
- Activities regularly producing high engine loading, e.g. frequent hill climbs, driving with vehicle fully loaded and towing.
- Uneconomical driving style using high rpms with heavy acceleration and heavy braking.

The service intervals for the Fixed Service schedule are as follows:

- Oil change service – According to flexible service schedule interval display (after 2 years at the latest).
- Inspection service – First after 2 years or 20,000 miles (30,000km), then every year or 20,000 miles (30,000km), whichever is soonest.

**Flexible Service**

The Flexible Service is recommended for vehicles with daily mileage of more than 25 miles where the vehicle is driven regularly mainly on longer distance journeys. The vehicle is driven mainly at a constant speed with minimum vehicle and engine loading, minimal towing and driven in an economical manner. With the Flexible Service the vehicle can cover anywhere between 10,000- and a maximum of 20,000 miles (24 months) whichever is soonest between oil changes.

The service intervals for the Flexible Service schedule are as follows:

- Oil change service – According to flexible service schedule interval display (after 2 years at the latest).
- Inspection service – First after 2 years or 20,000 miles (30,000km), then every year or 20,000 miles (30,000km), whichever is soonest.

The up! model is only available with the Flexible Service schedule. Please consult your authorised Volkswagen retailer or repairer for advice and full details.

Please note: If you purchase a Volkswagen Fixed Price Service Plan your vehicle will follow the Fixed Service schedule.

**Volkswagen Insurance**

Get three years’ Volkswagen Insurance cover for free.

Another great benefit of being a Volkswagen driver. If your Volkswagen was damaged in an accident, wouldn’t you want it fixed by a Volkswagen trained technician using only Genuine Volkswagen Parts? Ensurance is Volkswagen’s accident and repair cover which does exactly that. It works alongside your main comprehensive motor insurance policy no matter who you are insured with, to make sure you get the quality repair and service you would want. If you’re involved in an accident or your car is stolen, just one call to us and we’ll look after your claim from start to finish, ensuring your Volkswagen is restored to the highest standard.

Activate your cover and benefit from:

- A guarantee that your Volkswagen will be repaired by a Volkswagen approved repairer and Volkswagen trained technicians, using only Genuine Volkswagen Parts and paints.
- A dedicated Claims Manager who will manage your claim from start to finish, liaising with your insurer and the repairer so you don’t have to.
- Help to recover any uninsured losses using our Legal Expenses Cover.
- Online claims tracking so you can keep up to date with the status of any claim.

Volkswagen Insurance is free to all Volkswagen customers for three years and it only takes a minute to get cover.

To find out more and to activate your cover, visit www.insurewithvolkswagen.co.uk/ensurance

**Volkswagen Finance**

Finance is available to 18s and over, subject to status. Terms and conditions apply. Volkswagen Finance.

1 Volkswagen Car Insurance is sold by Great Lakes Insurance SE (Volkswagen Insurance Solutions – Volkswagen Financial Services (UK) Limited V13/19). UK Insurance Limited is authorised by the Financial Conduct Authority (FCA) and the Prudential Regulation Authority. Calls may be recorded. Volkswagen Financial Services (UK) Limited (VWFS UK) is a member of the Financial Services Compensation Scheme. Volkswagen Financial Services (Ireland) Limited is authorised by the Prudential Regulation Authority and regulated by the Financial Conduct Authority and by the Prudential Regulation Authority. Details about the authorisation of both organisations can be checked on the Financial Services Register by visiting www.fca.org.uk. VWFS UK and its FCA Insurance Limited are not part of the same corporate group.

2 The inspection service first at 2 years (or 40,000 miles) and then every second year (or 40,000 miles) thereafter.

3 Total additional workscope.

4 The quoted mileage is based on a conversion from kilometres and is therefore unlikely to exceed circa 18,000 miles between oil changes.

5 Ensurance from Volkswagen Financial Services is sold by Great Lakes Insurance SE, an insurance company with its headquarters at Königstrasse 107, 80992 Munich, UK Branch office Plantation Place, 30 Fenchurch Street, London, EC3M 3AJ. Lawshield UK Limited is authorised and regulated by the Financial Conduct Authority (FCA). Authorisation details can be checked on the FCA’s register at www.fca.org.uk. Lawshield UK is a member of the Financial Services Compensation Scheme. Volkswagen is pleased to offer you a choice on how your Volkswagen is serviced. The appropriate selection is entirely dependent on how the car is driven and its general use. To help you identify which type of service would be most suitable, please refer to the following guide.

**Volkswagen service.**

Volkswagen Finance specialises in providing funding solutions for Volkswagen drivers. Whether your Volkswagen is for private or business use, you can choose from a range of funding options.

**Solutions – a Personal Contract Plan**

Flexible finance plan designed to allow you to drive a new vehicle sooner than you think. At the end of your agreement you can choose to trade in your Volkswagen for a new one, keep it, or hand it back.

**Hire Purchase**

A simple and straightforward way to finance your Volkswagen. Have the option to break down your monthly payments over a period that suits you, making financing your car much more manageable than you think.

**Contract Hire**

Available for both personal and business customers. Ideal for customers simply wanting to pay a monthly rental for the vehicle, change it on a regular fixed period and have no disposal risk.

- **Lease Purchase**

- **Finance Lease**

With all Volkswagen Finance products you can choose a fixed-cost maintenance plan to help you budget for your servicing and maintenance costs. Buy your service plan online or visit your local Volkswagen retailer for more information.

**Volkswagen Insurance**

We want you to start enjoying your new car from day one, and thanks to our complimentary five day Volkswagen Drive Away Insurance you can. Please visit www.insurewithvolkswagen.co.uk/driveaway to activate your cover. If eligible, we will also give you a quotation for our annual insurance, designed specifically for Volkswagen drivers.

**ANNUAL CAR INSURANCE**

Volkswagen car insurance helps give you peace of mind with the following benefits at no extra cost:

- Repairs carried out by Volkswagen trained technicians using Volkswagen Genuine Parts and paints when repaired by a Volkswagen approved repairer
- Guaranteed courtesy car
- Child seat replacement
- Uninsured driver promise
- Vandalism promise
- 24 hour accident recovery

Volkswagen service (continued).

WARRANTY

Exclusions and terms and conditions apply to all warranties, plans and insurance listed. For pricing and further details of Volkswagen Warranties, Service Plans and Insurance, please consult your authorised Volkswagen retailer or repairer, or visit www.volkswagen.co.uk

THE VOLKSWAGEN WARRANTY

THREE-YEAR WARRANTY

All Volkswagen passenger cars come with a three-year/60,000 miles warranty, which protects your car against the failure of most technical and electrical components due to manufacturing defects. This comprises a two-year manufacturer’s warranty with unlimited mileage plus a further one-year/60,000 miles (whichever is sooner) Retailer Warranty¹. Should the mileage exceed 60,000 miles within the first two years, the manufacturer’s two-year warranty will still be valid. Full details of the three-year warranty are available from your authorised Volkswagen retailer or repairer.

APPROVED ACCESSORIES

A comprehensive range of accessories from alloy wheels to carpet mats is available to complement the factory-fitted option list. Volkswagen approved accessories purchased from and fitted by your authorised Volkswagen retailer at the point of vehicle sale will also benefit from the three-year vehicle warranty.

APPROVED ACCESSORIES

TREES AND CONDITION

Exclusions and terms and conditions apply. For pricing and further details of Volkswagen Roadside Assistance, please consult your authorised Volkswagen retailer, or visit www.volkswagen.co.uk

ROADSIDE ASSISTANCE

Every new car is registered for Volkswagen Roadside Assistance for one year except the Touareg which is registered for three years. This provides vehicle roadside and home recovery in the unlikely event of a breakdown in the UK and Europe (subject to conditions). Volkswagen Roadside Assistance can also be purchased for subsequent years.

Exclusions and terms and conditions apply. For pricing and further details of Volkswagen Roadside Assistance, please consult your authorised Volkswagen retailer or repairer.

VOLKSWAGEN ROADSIDE ASSISTANCE

Prices and specifications

Every new car is registered for Volkswagen Roadside Assistance for one year except the Touareg which is registered for three years. This provides vehicle roadside and home recovery in the unlikely event of a breakdown in the UK and Europe (subject to conditions). Volkswagen Roadside Assistance can also be purchased for subsequent years.

The prices and specifications contained in this price list are for information purposes only as our products are continually updated and changes may be made to the prices and specifications at any time. If you require any specific feature, please consult your authorised Volkswagen retailer who is regularly updated with any change in specification. Prices and specifications are subject to change without notice.

Following the announcement of a price increase, any vehicle order which can be accepted into the factory production system before the effective date of the price increase will be supplied at the current price, even if built and delivered after the date on which the increase became effective.

Note: We would like to advise you that telephone calls to Volkswagen Customer Care may be monitored and recorded as part of our training and quality assurance processes. All our monitoring and recording processes meet OfTel regulations.

Tax free sales

Volkswagen service plan.

An additional way to keep your perfect car, perfect for longer.

Exclusions and terms apply, please click here for more details. For pricing and further details of the Volkswagen Service Plan, please consult your authorised Volkswagen retailer or visit www.volkswagen.co.uk

Volkswagen Service Plan – retail sales only

We offer Volkswagen Service Plans to cover all new models for their first two consecutive services in line with the Fixed Service schedule required on the vehicle. Your car will be in the hands of Volkswagen trained technicians who use specialist Volkswagen tools, technology and Volkswagen original parts, and all parts and labour are guaranteed for two years. What’s more, the Volkswagen Service Plan will remain with the vehicle should you decide to sell your car.

Volkswagen Service Plan – retail sales only

For vehicles under 1 year old set to the Fixed Service regime that has not had its first service, comprising first two manufacturer’s scheduled services:

- ‘Oil service’ including oil filter change
- ‘Inspection service’ plus a pollen filter replacement (if required)

Excludes electric vehicles. Service plan covers first two consecutive services, limited to 1x ‘Oil service’ and 1x ‘Oil and Inspection service’. T&Cs apply: All vehicles must be set to the Fixed Service regime by the retailer. Maximum age of car is 12 months (Service plan must be taken out before first service is due). Additional work, including wear and tear is excluded. Servicing must be carried out in line with the requirement of the Service Schedule. All work must be carried out by an Authorised Volkswagen Repairer. Offers may be varied or withdrawn at any time. Plan validity is dependent on required payments received. Administered by Volkswagen Financial Services. Retail sales only. For pricing and further details, please consult your authorised Volkswagen retailer or visit www.volkswagen.co.uk
