This recommended retail price list supersedes all previous recommended retail price lists and is effective from 27.2.2020. All recommended 'On the road' retail prices, recommended retail prices and specifications are correct at the time of going to press. These prices and specifications may be subject to change without notice.

VOLKSWAGEN SERVICE PLAN – RETAIL SALES ONLY

For vehicles under 1 year old set to the Fixed Service regime that has not had its first service, comprising first two manufacturer's scheduled services:

- 'Oil service' including oil filter change
- 'Oil service' including oil filter change and 'Inspection service' plus a pollen filter replacement (if required)

Excludes electric vehicles. Service plan covers first two consecutive services, limited to 1x 'Oil service' and 1x 'Oil and Inspection service'. T&Cs apply: All vehicles must be set to the Fixed Service regime by the retailer. Maximum age of car is 12 months (Service plan must be taken out before first service is due). Additional work, including wear and tear is excluded. Servicing must be carried out in line with the requirement of the Service Schedule. All work must be carried out by an Authorised Volkswagen Repairer. Offers may be varied or withdrawn at any time. Plan validity is dependent on required payments received. Administered by Volkswagen Financial Services. Retail sales only. For pricing and further details, please consult your authorised Volkswagen retailer or visit volkswagen.co.uk

Front cover model shown is Arteon R-Line Edition 2.0 Itr BiTDI SCR 4MOTION.

1 Figures shown are for comparability purposes; only compare fuel consumption and CO₂ figures with other vehicles tested to the same technical procedures. These figures may not reflect real life driving results, which will depend upon a number of factors including the accessories fitted (post-registration), variations in weather, driving styles and vehicle load. There is a new test used for fuel consumption and CO₂ figures (known as WLTP). The CO₂ figures shown however, are based on a calculation designed to be equivalent to the outgoing (NEDC) test cycle and will be used to calculate vehicle tax on first registration. For more information, please see volkswagen.co.uk/owners/wltp or consult your authorised Volkswagen retailer.

2 For full details of 'First year rate' VED (Vehicle Excise Duty), delivery to retailer, number plates and vehicle first registration fee included in the recommended 'On the road' retail price, please see page 22.

3 P11D value = Total recommended retail price + delivery to retailer £509.17, + number plates £20, + VAT £105.83 (calculated by reference to total of delivery to retailer + number plates). P11D value is based on standard specification model with no factory-fitted options or other accessories.

4 The BIK % figure quoted includes the 4% diesel supplement, where applicable.

5 The ABI insurance group is the recommended insurance rating set by the Association of British Insurers. Please note that insurance group ratings are purely advisory. They are used by insurers (ABI members and Lloyd's syndicates) as one of the factors in calculating premiums. Insurers are not required to follow the advisory group ratings and they may depart from them if they so wish.

‡ These vehicles are WLTP (Worldwide Harmonised Light-Duty Vehicles Test Procedure) type approved vehicles. More information is available at volkswagen.co.uk/need-help/wltp.

SCR (Selective Catalytic Reduction) requires AdBlue®, please see page 28 or visit volkswagen.co.uk/technology/engines/adblue for more details.

RDE2 refers to Real Driving Emissions Step 2.

Prices, specifications, features, technical and other information (including fuel consumption, CO₂ emissions and range) are updated regularly and are subject to change without notice (this may include changes between order and delivery). There may be a delay in updates to our materials – always consult your authorised Volkswagen retailer for the latest information.

Volkswagen UK may change RRP's at any time (this includes where there are government changes in regulation and/or legislation). There may be a delay to any RRP displaying correctly on our materials. Always obtain prices from your chosen authorised Volkswagen retailer.

EFFECTIVE FROM 27 FEBRUARY 2020.

THE ARTEON - 05

MAIN ITEMS OF STANDARD SPECIFICATION

STANDARD ITEMS OF EQUIPMENT: SE

VOLKSWAGEN SERVICE

3-year/60,000 miles warranty (whichever is soonest)

3-year paintwork warranty

12-year body protection warranty

Volkswagen Roadside Assistance

Exclusions and terms apply, please see page 32 for more details

WHEELS AND SUSPENSION

Alloy wheels, four 8J x 18" 'Almere Adamantium' with 245/45 R18 self-sealing 'AirStop' tyres and anti-theft wheel bolts

Full size alloy spare wheel and tyre, tool kit and jack

EXTERIOR

Body-coloured bumpers, door handles and side skirts

Body-coloured top and matt black lower door mirrors with integrated indicators

Chrome effect trapezoid dummy exhaust tailpipe surrounds, left and right (2.0 ltr TSI 190 PS models only)

Chrome trim headlight surrounds extending into radiator grille

Chrome trim on side window surrounds

Chrome trim on radiator grille louvres

Chrome trim on lower bumper, front and rear

Chrome trim on lower doors, front and rear

Frameless side windows with 'one-touch' and 'convenience' opening and closing functions

Headlight washer system

LED headlights with separate LED daytime running lights

LED rear number plate lights

LED tinted rear light clusters

Part galvanised body

Rear tinted glass from B pillar backwards

Stainless steel door sill protectors, front and rear

Windscreen wiper with intermittent wipe and 4 position delay

INTERIOR

Aluminium trim on upper and lower air vents extending across cockpit

Analogue clock in the dashboard

Brushed aluminium interior door handles

Carpet mats, front and rear

Cup holders, front x 2

'Daytona Brush' brushed aluminium decorative inserts in dash and door panels

Front centre armrest, longitudinally and height adjustable with storage compartment, and two rear air vents

Glovebox

Height and reach adjustable steering wheel

Leather trimmed three-spoke multifunction steering wheel and gear knob. Including paddle shift (auto DSG only)

LED interior lighting: 2 reading lights front and rear with interior delay and dimming function

Load-through provision with two cup holders when folded down

LED luggage compartment lights x 2, left and right

Luggage compartment bag hooks x 2, left and right

Luggage compartment cover, removable

Luggage compartment load lashing points x 4

'Mistral' rooflining

'Piano Black' decorative inserts in centre console

INTERIOR (CONTINUED)

Seating

- Upholstery - 'Amaleva' cloth
- Front comfort seats with height and lumbar adjustment
- Heated front seats with 3 preset temperature settings
- Split folding rear seat backrests, 60:40 with centre armrest

Storage compartment in driver's and front passenger's door

Storage compartment in rear doors

Storage compartment with soft-touch opening cover in centre console

Storage compartments in luggage area, left and right

Vanity mirrors, illuminated

12V socket in centre console storage area

12V socket in storage compartment with soft-touch opening cover¹

12V socket on rear of front centre armrest

SAFETY AND SECURITY

ABS (Anti-lock Braking System) – includes BAS (Brake Assist System) and EBD (Electronic Brake-pressure Distribution)

Active bonnet – sensor controlled pedestrian protection system to raise bonnet away from engine compartment in the event of an impact

Airbags

- Curtain airbag system for front and rear seat occupants
- Driver's and front passenger's airbags with passenger's airbag deactivation switch
- Front seat side impact airbags

Alarm with interior protection

Automatic coming/leaving home lighting function

Automatic hazard light activation under emergency braking

Disc brakes, front and rear, front ventilated

Driver's and front passenger's safety-optimised head restraints

Electrically heated, adjustable and foldable door mirrors, including automatic dimming function on driver's side, door mirror puddle lights and reverse activated kerb-view adjustment on passenger's side

Electronic engine immobiliser

Emergency release function in rear tailgate

ESC (Electronic Stability Control) – includes EDL (Electronic Differential Lock) and ASR (Traction Control), EDTC (Engine Drag Torque Control) and trailer stabilisation function, with deactivation via infotainment system

Height-adjustable front three-point seat belts with tensioners

SAFETY AND SECURITY (CONTINUED)

Isofix child seat preparation, easy-fit (for 2 outer rear seats)

LED high level 3rd brake light

Misfuel prevention device for diesel engines

Press and drive, keyless engine start/stop

Proactive occupant protection – using sensors from the Front Assist monitoring system to detect critical situations with elevated accident potential from the front

Remote central locking with 2 remote folding keys

Rigid safety cell with front and rear crumple zones

Two-tone horn

Tyre pressure loss indicator

Warning sound and light for front and rear seat belts if unfastened

Warning triangle

3 rear head restraints, height adjustable

3 rear three-point seat belts with tensioners on outer seats

1 Not available in conjunction with optional Discover Navigation Pro touch-screen infotainment system.

The specifications listed are for information purposes only as our products are continually updated and changes may be made to the specifications at any time. If you require any specific feature, please consult your authorised Volkswagen retailer who is regularly updated with any change in specification. Specifications are subject to change without notice.

STANDARD ITEMS OF EQUIPMENT: SE (CONTINUED)

IN-CAR ENTERTAINMENT AND COMMUNICATIONS

Discover Navigation infotainment system

- 8.0" colour touch-screen
- Bluetooth telephone and audio connection for compatible devices²
- Branded points of interest
- Car information display
- DAB digital radio receiver
- Dynamic navigation based on TMC+, three route options (Fast, Short, Eco)
- MDI (Multi Device Interface), via USB connection – compatible products only
- Music playback from MP3, WMA and AAC files
- Preloaded European navigation data
- SD card reader (not Discover Navigation Pro)
- Single CD player (not Discover Navigation Pro)
- Simultaneous pairing of 2 compatible mobile devices
- SMS functionality – read, compose and send SMS messages using touch-screen display (when stationary, compatible Android smartphones only)
- Speed Limit Display³
- Title and cover art display
- 'Think Blue. Trainer.' Driver tips and journey analysis

Premium USB cable (choice of either Apple or Android smartphone compatibility)

IN-CAR ENTERTAINMENT AND COMMUNICATIONS (CONTINUED)

- 1 x USB connection, USB charging socket (compatible products only) in front seat centre armrest storage compartment
- 2D/3D map view
- 8 speakers front/rear 4 x 20 watt output

CAR-NET

Car-Net 'Guide and Inform'⁴

- Providing online access to a range of useful information such as traffic, fuel pricing, weather and news feeds – 3-year subscription

Car-Net 'Security & Service'⁵

- Provides continuous interaction between the driver, vehicle and Volkswagen, via integrated SIM-card connectivity
- Driver and vehicle integration with Volkswagen call centre or server for: 'eCall' – Emergency call service for SOS calls to emergency response incl. Automatic accident notification, Car breakdown, Vehicle health report and Service schedule
- Driver and vehicle integration via Car-Net Portal or Car-Net app for: Driving data, Doors and lights, Area alert, speed alert, Horn and hazard lights, Parking position and Online anti-theft alarm – 3-year subscription

Car-Net wireless 'App-Connect'⁶

- Combines the functionality of Apple 'CarPlay', Google 'Android Auto' and 'MirrorLink'™ allowing 'mirroring' of smartphone display on the infotainment touch-screen via wireless connection

COMFORT AND CONVENIENCE

Ambient lighting in front footwell, light strips below trim in front and rear doors and dashboard. Choice of 3 colour options: blue, white or yellow

Automatic dimming interior rear-view mirror

Climate control – 'Air Care Climatronic' 3Zone electronic air conditioning with automatic air recirculation. Independent temperature control, air intensity and settings for driver, front passenger and rear seat passengers controlled via infotainment system

Electric windows, front and rear

Heated rear window

Heated windscreen washer jets

Rain sensor

EFFICIENCY

Battery regeneration (recuperation – energy recovery during braking)

Start/Stop function

DRIVER'S ASSISTANCE

Adaptive Cruise Control (ACC) with predictive cruise control⁷

- Adaptive Cruise Control, automatic acceleration and braking to maintain a specified distance to the vehicle ahead
- City emergency braking, active in traffic at speeds up to 19mph, the system will boost brake pressure if required to help prevent a collision
- Road recognition, using the front camera and route information from the navigation data, the system predictively adjusts the vehicle's speed prior to bends, roundabouts and junctions
- Front Assist, monitors the traffic situation in front of your car, warning you when you get too close and even applying the brakes, if necessary, to help avoid a collision
- Speed assist, using the front camera, dynamic road sign recognition and route information from the navigation data, the system can 'see' speed limits and automatically adjusts to the speed changes
- Speed limiter
- Traffic jam assist, Stop and Go (DSG only)

Coasting function

Driver Alert system, fatigue detection

Dusk sensor, automatic driving lights

DRIVER'S ASSISTANCE (CONTINUED)

Electronic parking brake – with auto hold function

Lane Assist, camera controlled warning system should your vehicle drift out of its lane

Multifunction colour display

Parking sensors, front and rear – ultrasonic, audible with audio volume reduction when activated and optical parking display via vehicle's infotainment system

DRIVER'S ASSISTANCE (CONTINUED)

Pedestrian monitoring

Progressive steering

Remote tailgate unlocking, via key fob

Speedo and rev counter, electronic odometer, trip, service interval display and fuel gauge

Warning light for low washer fluid

Warning 'lights on' sound

Warning notification for doors and tailgate, if open

- 1 Not available in conjunction with optional Discover Navigation Pro touch-screen infotainment system.
- 2 Devices must be Bluetooth HFP (Hands Free Profile) compatible, please contact your authorised Volkswagen retailer for specific phone compatibility.
- 3 Speed Limit Display only reflects national speed limits and does not show temporary speed limit restrictions, or where permanent changes to speed limits are made in-between map updates.
- 4 Car-Net 'Guide and Inform' services are accessed via a compatible mobile device. Please see volkswagen.co.uk for more information. The use of 'Guide and Inform' services entails exchanging large volumes of data. As such, we strongly recommend that you sign-up for a flat rate data plan with your mobile network provider. After the initial 3-year Car-Net contract, an annual subscription is chargeable for the continuation of 'Guide and Inform' services.
- 5 Use of Car-Net 'Security & Service' is governed in a separate Contract concluded online with Volkswagen. To use the free Car-Net app you will need a smartphone with iOS or Android operating system and a SIM-card with a data option. Depending on your mobile tariff, sending and receiving data online may incur additional charges (e.g. roaming charges), particularly if you are using Car-Net abroad. For more information on Car-Net Security & Service, go to volkswagen.co.uk/technology/car-net/security-and-service or contact your Volkswagen retailer.
- 6 Only operable in conjunction with compatible smartphones including iPhone 5 and above. Display and operation of certified apps including audio and voice control (if supported by the app). Usage of certified apps only while driving. Please see volkswagen.co.uk to check smartphone compatibility.
- 7 The intelligent technology of ACC with predictive cruise control cannot overcome the laws of physics and functions only within the limits of the system. It is the driver's responsibility to have full concentration and control of the vehicle, as well as ensuring appropriate speeds by observing the maximum speed limits and road positioning of the car at all times.

The specifications listed are for information purposes only as our products are continually updated and changes may be made to the specifications at any time. If you require any specific feature, please consult your authorised Volkswagen retailer who is regularly updated with any change in specification. Specifications are subject to change without notice.

ADDITIONAL ITEMS OF STANDARD EQUIPMENT: ELEGANCE (OVER SE)

WHEELS AND SUSPENSION

Alloy wheels, four 8J x 18" 'Muscat Black' with 245/45 R18 self-sealing 'AirStop' tyres and anti-theft wheel bolts

4MOTION – 4 WHEEL DRIVE MODELS

Four wheel drive – 4MOTION

Dynamic Chassis Control (DCC) lowered by approx. 15mm, allows individual tuning of shock absorption and other driving mode characteristics. Choice of five preset modes: Eco, Comfort, Normal, and Sport, as well as an Individual mode that allows up to 43 selectable stages (2.0 ltr TSI 4MOTION 272 PS and 2.0 ltr BitDI 4MOTION 240 PS models only)

EXTERIOR

Body-coloured side skirts with chrome inserts

Chrome effect trapezoid dummy exhaust tailpipe surrounds, left and right (2.0 ltr TDI 190 PS and 2.0 ltr BitDI 240 PS models only)

Chrome effect trapezoid exhaust tailpipes left and right (2.0 ltr TSI 272 PS models only)

LED tinted rear light clusters with dynamic indicators

LED self-levelling headlights

- Dual LED headlights with separate LED daytime running lights
- Dynamic light assist, optimises illumination of the carriageway by controlling the main beam automatically and ensuring greater visibility on the road
- Light mode for poor weather – rain, fog or snow. Specific illumination for poor weather as well as both cornering lights activated. In this mode Dynamic light assist is deactivated
- Predictive dynamic cornering lights, automatic light steering using camera and GPS navigation data. The cornering light illuminates bends before you start to turn the wheel, allowing you to see and be seen, much better on winding roads
- Headlight washer system
- Chrome trim highlights extending into radiator grille

Matt-chrome effect top and matt black lower door mirrors with integrated indicators

Unique 'Elegance' badging on front panels

INTERIOR

Seating

- Upholstery – 'Nappa' leather¹
- Driver's seat with 6-way electric adjustment. Driver's ergoComfort seat with electrically adjustable backrest angle and 4-way electrically adjustable lumbar support. Manually adjustable seat height, seat length, seat cushion angle and seat cushion depth
- Passenger's seat with 6-way adjustment. Manually adjustable seat height, backrest angle and lumbar support

Stainless steel pedals – clutch, brake and accelerator (brake and accelerator pedals only on auto DSG models)

IN-CAR ENTERTAINMENT AND COMMUNICATIONS

Discover Navigation Pro infotainment system (in addition to Discover Navigation infotainment system)

- 9.2" colour touch-screen
- Voice activated control system for telephone and navigation functions
- 3D map view
- 64 GB SSD hard drive

CAR-NET

Car-Net 'Guide and Inform Plus'² – 3-year subscription

- Providing online access to a range of useful information such as traffic, fuel pricing, weather and news feeds

SAFETY AND SECURITY

Airbags

- Driver's knee airbag
- Rear seat side impact airbags, outer

XDS electronic differential lock for improved traction and handling (Standard on 2.0 ltr TSI 4MOTION 272 PS and 2.0 ltr BitDI 4MOTION 240 PS models only)

DRIVER'S ASSISTANCE

Active Info Display, 12.3" high resolution TFT dash display screen with customisable menus and information

Driver Personalisation profile – set up to 4 profiles to preset the radio stations, phone connectivity and contacts, default address in navigation system and Car-Net 'Guide and Inform' settings

Driving Profile Selection – choice of 4 preset modes: Eco, Normal, Sport or Individual modes. Individual mode allows manual settings for steering, drive, Adaptive Cruise Control (ACC), dynamic cornering lights and air conditioning settings (not 2.0 ltr TSI 4MOTION 272 PS and 2.0 ltr BiTDI 4MOTION 240 PS models)

Model shown is Arteon Elegance 2.0 ltr BiTDI SCR 4MOTION with optional 19" 'Chennai' alloy wheels and Oryx White premium signature paint.

1 Some parts of leather interior will contain artificial leather.

2 Car-Net 'Guide and Inform Plus' services are accessed via a compatible mobile device. Please see volkswagen.co.uk for more information. The use of 'Guide and Inform Plus' services entails exchanging large volumes of data. As such, we strongly recommend that you sign-up for a flat rate data plan with your mobile network provider. After the initial 3-year Car-Net contract, an annual subscription is chargeable for the continuation of 'Guide and Inform Plus' services.

ADDITIONAL ITEMS OF STANDARD EQUIPMENT: R-LINE (OVER ELEGANCE)

WHEELS AND SUSPENSION

Alloy wheels, four 8J x 19" 'Montevideo Black' with 245/40 R19 self-sealing 'AirStop' tyres and anti-theft wheel bolts

THE ARTEON - 13

FACTORY-FITTED OPTIONS

At Volkswagen, we work towards making sure that our cars are as close to how you want them as possible, and we understand that every detail needs to be right for you and your needs.

Introducing our exceptional range of factory-fitted options which allow you to express your individuality, help with the practical things in life, and add a touch of luxury at the same time. Whether you're looking for things to help you relax and help take the stress out of driving, feel protected, or simply look fantastic, just take your pick.

From voice activation to a panoramic sunroof, from area view to a towbar, you'll find everything you need on the following pages to make your Arteon **your** Arteon, and perfect in every detail.

Factory-fitted option prices are the manufacturer's Recommended Retail Prices (RRP), inclusive of 20% VAT, and are charged in addition to recommended 'On the road' retail price paid for the vehicle. Models shown feature optional metallic paint.

19" 'Chennai Adamantium'	Four 8J x 19" 'Chennai Adamantium' with 245/40 R19 self-sealing 'AirStop' tyres and anti-theft wheel bolts	-	○	-	333.33	400.00
20" 'Rosario'	Four 8J x 20" 'Rosario' with 245/35 R20 self-sealing 'AirStop' tyres and anti-theft wheel bolts. <i>Only available in conjunction with Dynamic Chassis Control (DCC)</i>	-	-	○	708.33	850.00
20" 'Rosario Dark Graphite'	Four 8J x 20" 'Rosario Dark Graphite' with 245/35 R20 self-sealing 'AirStop' tyres and anti-theft wheel bolts. <i>Only available in conjunction with Dynamic Chassis Control (DCC)</i>	-	-	○	708.33	850.00
Dynamic Chassis Control (DCC)	Allows individual tuning of shock absorption and other driving mode characteristics. Lowered by approx. 15mm. Choice of five preset modes: Eco, Normal, Comfort and Sport, as well as an Individual mode that allows up to 43 selectable stages. <i>DCC lowered by approx. 15mm standard on 2.0 ltr TSI 4MOTION 272 PS and 2.0 ltr BITDI 4MOTION 240 PS models</i>	-	○	○	700.00	840.00
	Allows individual tuning of shock absorption and other driving mode characteristics. Lowered by approx. 20mm. Choice of five preset modes: Eco, Normal, Comfort and Sport, as well as an Individual mode that allows up to 43 selectable stages. <i>DCC lowered by approx. 20mm available as a no cost option on 2.0 ltr TSI 4MOTION 272 PS and 2.0 ltr BITDI 4MOTION 240 PS models</i>	-	-	○	700.00	840.00

Please note, choosing optional alloy wheels does not affect CO₂ emissions on Arteon models. Choosing larger alloy wheels than standard, as an option, may result in increased fuel consumption. This is due to the fact that larger wheels have both more aerodynamic drag and more mechanical drag, resulting in increased rolling resistance and increased wind resistance.

PAINT

Choosing larger alloy wheels than standard, may result in increased fuel consumption as well as higher CO₂ emissions and subsequently increased Vehicle Excise Duty (VED) band, and BIK rates paid for company car drivers may increase. As a result, the VED band that the vehicle falls into may increase from its original VED band when fitted with standard size wheels. In some instances, the recommended 'On the road' retail price paid for the vehicle may increase as a result of the increased VED rate. Please see page 26 for full details. In addition, larger alloy wheels than standard size will require the purchase of tyres. Prices shown do not include the transfer of tyres. ¹ Price per wheel excludes tyre. ² Elegance models only.

Accessory prices are the manufacturer's Recommended Retail Prices (RRP), shown exclusive and inclusive of fitting where applicable, inclusive of appropriate VAT, and are charged in addition to recommended 'On the road' retail price paid for the vehicle. For full details, please contact your authorised Volkswagen retailer.

Volkswagen UK may change RRP's at any time (this includes where there are government changes in regulation and/or legislation). There may be a delay to any RRP displaying correctly on our materials. Always obtain prices from your chosen authorised Volkswagen retailer.

VOLKSWAGEN SERVICE PLAN

AN ADDITIONAL WAY TO KEEP YOUR PERFECT CAR, PERFECT FOR LONGER

Exclusions and terms apply, please see page 32 for more details. For pricing and further details of the Volkswagen Service Plan, please consult your authorised Volkswagen retailer or visit volkswagen.co.uk

VOLKSWAGEN SERVICE PLAN – RETAIL SALES ONLY

We offer Volkswagen Service Plans to cover all new models for their first two consecutive services in line with the Fixed Service schedule required on the vehicle. Your car will be in the hands of Volkswagen trained technicians who use specialist Volkswagen tools, technology and Volkswagen original parts, and all parts and labour are guaranteed for two years. What's more, the Volkswagen Service Plan will remain with the vehicle should you decide to sell your car.

Volkswagen Service Plan – retail sales only

For vehicles under 1 year old set to the Fixed Service regime that has not had its first service, comprising first two manufacturer's scheduled services:

- 'Oil service' including oil filter change
- 'Oil service' including oil filter change and 'Inspection service' plus a pollen filter replacement (if required)

Excludes electric vehicles. Service plan covers first two consecutive services, limited to 1x 'Oil service' and 1x 'Oil and Inspection service'. T&Cs apply: All vehicles must be set to the Fixed Service regime by the retailer. Maximum age of car is 12 months (Service plan must be taken out before first service is due). Additional work, including wear and tear is excluded. Servicing must be carried out in line with the requirement of the Service Schedule. All work must be carried out by an Authorised Volkswagen Repairer. Offers may be varied or withdrawn at any time. Plan validity is dependent on required payments received. Administered by Volkswagen Financial Services. Retail sales only. For pricing and further details, please consult your authorised Volkswagen retailer or visit volkswagen.co.uk

VED AND ADDITIONAL 'ON THE ROAD' COSTS

Diesel vehicles that do not meet the RDE2 standard will be charged a supplement on their 'First year rate' to the effect of moving up by one VED (Vehicle Excise Duty) band. The following tables give the rates of vehicle tax on cars registered on or after 1 April 2019. Please refer to the Model Prices pages to confirm which models are RDE2 compliant.

'FIRST YEAR RATE' VED – CARS REGISTERED ON OR AFTER 1.4.2019 BASED ON CO₂ EMISSIONS AND FUEL TYPE

Petrol/Diesel[†] – 'First year rate' VED

CO ₂ emissions (g/km)	Petrol/Diesel [†] VED £	Petrol total 'On the road' costs £

[†] Diesel cars that are tested to RDE2 standards. [†] Diesel cars, including those tested to RDE standards.

'STANDARD RATE' VED

'Standard rate' VED based on fuel type

Fuel type	CO ₂ emissions (g/km)	'Standard rate' 12 months VED £
Electric/Other	0	0.00
Petrol/Diesel	1 - Over 255	145.00
Alternative	1 - Over 255	135.00

After the 'First year rate', all vehicles with zero emissions will be exempt from the 'Standard rate' of vehicle tax. All petrol and diesel vehicles will pay a standard rate of £145 a year, and alternative fuel vehicles will pay a standard rate of £135 a year.

'STANDARD RATE' – OVER £40,000 RRP

'Standard rate' VED for vehicles over £40,000 list price – five year annual rate

Fuel type	'Standard rate' 12 months VED £	Additional rate £	Total annual payment £
Electric	0.00	320.00	320.00
Petrol/Diesel	145.00	320.00	465.00
Alternative	135.00	320.00	455.00

Petrol or diesel vehicles with a list price over £40,000 at first registration pay £465 a year after the 'First year rate' for a period of five years. Alternative fuel vehicles over £40,000 at first registration – hybrids, bi-ethanol or LPG, pay £455 a year after the 'First year rate' for a period of five years. Electric or vehicles producing zero emissions over £40,000 at first registration pay £320 a year after the 'First year rate' for a period of five years. After five years, vehicles will revert to their 'Standard rate' tax depending on fuel type.

ADDITIONAL 'OTR' COSTS

Additional 'On the road' costs

Delivery to retailer	509.17
Number plates	20.00
VAT	105.83
Vehicle first registration fee	55.00
Total	690.00

The total 'On the road' costs above for petrol, diesel, electric and alternative fuel vehicles include the applicable 'First year rate' VED charge plus the 'On the road' costs as detailed above:

The way VED (Vehicle Excise Duty) vehicle tax is calculated will change for vehicles that are first registered with the DVLA on, or after, 1 April 2018. All new diesel vehicles registered after 1 April 2018 that do not meet the RDE2 standard will be charged a supplement on their 'First year rate' to the effect of moving up by one VED (Vehicle Excise Duty) band.

If a new vehicle is registered on or after 1 April 2018, after the 'First year rate' VED the majority of vehicles move to the 'Standard rate' of vehicle tax which is £145 a year.

The 'First year rate' will be based on the CO₂ emissions, fuel type and the list price of the vehicle supplied by the Manufacturer or Retailer as applicable on the day before the vehicle is first registered and taxed.

After the 'First year rate', all vehicles with zero emissions will be exempt from the 'Standard rate' of vehicle tax. All petrol and diesel vehicles will pay a standard rate of £145 a year, and alternative fuel vehicles will pay a standard rate of £135 a year.

Petrol or diesel vehicles with a list price over £40,000 at first registration will pay £465 a year, after the first 'First year rate' vehicle tax, for a period of five years. This comprises the £145 'Standard rate' and £320 additional rate. After five years the vehicle tax will revert to the 'Standard rate' of £145 per year.

Alternative fuel vehicles – hybrids, bi-ethanol or LPG, with a list price over £40,000 at first registration will pay £455 a year after the 'First year rate' vehicle tax for a period of five years. This comprises the £135 'Standard rate' and £320 additional rate which reverts to £135 'Standard rate' after five years.

Vehicles with a list price exceeding £40,000 with zero emissions (including electric) will pay the additional rate of £320 a year for a further five year period, after the 'First year rate' tax. After the five year period these vehicles will pay zero VED tax.

There is no provision for 6 month's 'First year rate' VED.

EFFECTIVE FROM 27 FEBRUARY 2020.

Interior shown is Arteon Elegance DSG in Mistral Grey/Raven Grey 'Nappa' leather and Raven Grey lower dashboard with optional Head-up Display, 'Silver Birch' decorative inserts and metallic paint.

1. Figures shown are for comparability purposes; only compare fuel consumption and CO₂ figures with other vehicles tested to the same technical procedures. These figures may not reflect real life driving results, which will depend upon a number of factors including the accessories fitted (post-registration), variations in weather, driving styles and vehicle load. There is a new test used for fuel consumption and CO₂ figures (known as WLTP). The CO₂ figures shown however, are based on a calculation designed to be equivalent to the outgoing (NEDC) test cycle and will be used to calculate vehicle tax on first registration. For more information, please see volkswagen.co.uk/owners/wltp or consult your authorised Volkswagen retailer. For fuel consumption data based on the outgoing test cycle (NEDC equivalent data), which is the 'official' UK fuel consumption data until 31.12.18, please consult your authorised Volkswagen retailer. Data correct at 7.1.20. Figures quoted are for a range of configurations (including non-UK) and are subject to change due to ongoing approvals/changes.

‡ These vehicles are WLTP (Worldwide Harmonised Light-Duty Vehicles Test Procedure) type approved vehicles. More information is available at volkswagen.co.uk/need-help/wltp.

SCR (Selective Catalytic Reduction) requires AdBlue®, please see page 28 or visit volkswagen.co.uk/technology/engines/adblue for more details.

CO₂ EMISSIONS, BIK% AND VED BANDS WITH OPTIONAL WHEELS – 2020 MODEL YEAR[‡]

EFFECT OF WHEEL SIZE ON CO₂ EMISSIONS, BIK% AND VED BANDS

Choosing larger alloy wheels than standard as an option, may result in increased fuel consumption as well as higher CO₂ emissions and subsequently increased Vehicle Excise Duty (VED) band and BIK rates paid by company car drivers may increase. This is due to the fact that larger wheels have both more aerodynamic drag and more mechanical drag, resulting in increased rolling resistance and increased wind resistance. As a result, the VED band that the vehicle falls into may increase from its original VED band when fitted with standard size wheels. In some instances, the recommended 'On the road' retail price paid for the vehicle may increase as a result of the increased VED rate. The chart below shows CO₂ emissions and the related VED bands for vehicles with both standard-fit wheels and larger optional alloy wheels, as well as the increased cost payable due to a change in VED band.

			RDE2 Compliant	Output, PS	Standard wheel size	CO ₂ emission, g/km ¹ , standard wheels	First year VED £, standard wheels	BIK % with standard wheel size ²	Optional alloy wheel and size	CO ₂ emission, g/km ¹ , optional alloy wheels	First year VED £, optional wheels	BIK % with optional wheel size ²

[†] Please note these are limited edition models only available from stock and not available to factory order.

SCR (Selective Catalytic Reduction) requires AdBlue[®], please see page 28 or visit volkswagen.co.uk/technology/engines/adblue for more details.

RDE2 refers to Real Driving Emissions Step 2.

Your Volkswagen car is fitted with an advanced emissions control system, which helps your vehicle meet EURO 6 exhaust gas regulations.

How does the system work?

AdBlue®, a water/urea based additive, is stored in a tank (like diesel fuel), however, unlike fuel it is not injected into the engine, but directly into a specially modified part of the vehicle's exhaust. This begins a chemical reaction which removes the polluting oxides of nitrogen (NOx), converting them into harmless oxygen and nitrogen in a process known as Selective Catalytic Reduction, or SCR for short. SCR is only applicable to diesel engines and the more economically you drive, typically, the less AdBlue® you will use.

The size of the AdBlue® tank fitted to your car will vary depending on which Volkswagen model you have, therefore the interval between top-ups will vary. In addition, many factors such as mileage, journey type, driving style and environmental conditions can influence how much AdBlue® is consumed. A passenger car can consume approximately 1.5 litres of AdBlue® every 620 miles (1.0–1.5 litres for the Passat and Passat Estate). The chart below details the AdBlue® tank size and location.

Model (SCR derivatives only)	Tank size (Approximately)	AdBlue® tank filler location	Initial warning of low AdBlue® (2,400km/1,500 miles to go) can be expected to occur at:
Arteon	13 litres	Left-hand side of luggage compartment	5,000 to 6,000 miles or sooner*

* Distances are approximate and the warning light may come on sooner depending on driving style, journey type, engine and vehicle load and environmental conditions.

How will I know if the system needs topping-up?

A series of warnings will be given via the driver information system, accompanied by advice/messages.

The first message is displayed when the remaining range is approximately 1,500 miles, and is repeated every 62 miles until the range reaches 1,000 miles, at which point the warning turns amber. This warning is repeated every 31 miles and is accompanied by an audible tone. If these warnings are not acted upon, the warning turns red; once this happens the car will not restart once the ignition is turned off. This is not a fault, but a required feature of the system. If this stage is reached the system will need a full top-up before the car can be restarted. Further information is available in the vehicle handbook.

Why should I use a Volkswagen Authorised repairer for top-ups?

- AdBlue® top-ups at authorised repairers are extremely competitive and charged by the litre, so you only pay for what you need
- Authorised repairer staff are trained to handle AdBlue®
- AdBlue® tanks need special adaptors on fillers to ensure there are no spillages
- Volkswagen do not recommend keeping top-up bottles in cars

The top-up bottles supplied by Volkswagen have a capacity of 1.89 litres, and come complete with the adaptor nozzles that fit the Volkswagen AdBlue® tank. These are available from all Volkswagen Authorised repairers

Important information

- AdBlue® is not a fuel additive. This is why there is a separate AdBlue® tank
- If you put AdBlue® in your fuel tank by mistake, please do not start the engine, but contact a retailer for help
- Put only AdBlue® in the AdBlue® tank; do not fill the AdBlue® tank with any other liquids
- Prevent anything from contaminating AdBlue®
- If small quantities of AdBlue® come into contact with the vehicle's paintwork, for example, wipe them off and if necessary rinse the area with water

AdBlue® warning lights.

COMPANY CAR TAXATION CHART – TAX YEAR 2019/20

HOW TO CALCULATE YOUR COMPANY CAR INCOME TAX LIABILITY – EFFECTIVE 6.4.2019

Use the car's CO₂ emission figure to look up the Benefit in Kind (BIK) %

Multiply the BIK % by the sum of the car's P11D value¹

Multiply by employee income tax rating
(19%², 20%, 21%², 40%, 41%², 45% or 46%²)

That's the tax you'll pay for your car in 2019/2020

The government is retaining the diesel supplement in company car tax until 2021, when EU-wide testing procedures will ensure new diesel cars meet air quality standards even under strict 'real world' driving conditions. From 6 April 2018 drivers must add 4% to their appropriate percentage if the car is propelled solely by diesel (up to a maximum of 3%).

From 2020/21, the BIK percentages for zero emission cars will reduce from 16% to 2%, whilst BEV/PHEV cars with CO₂ emissions between 1-50g/km will vary between 2% and 14%, depending on the electric range (miles).

For further details of company car tax, please consult your authorised Volkswagen retailer, or visit [volkswagen.co.uk/offers-and-finance/fleet/calculators/company-car-tax-calculator](https://www.volkswagen.co.uk/offers-and-finance/fleet/calculators/company-car-tax-calculator). Full details can be found at assets.publishing.service.gov.uk/government/uploads/system/uploads/attachment_data/file/815268/190617_-_WLTP_-_summary_of_responses_v2.2.pdf

1 P11D values given in this price list are based on standard specification models with no factory-fitted options or other accessories. If your car includes factory-fitted options or other accessories, you may need to adjust the P11D value to take this into account.

2 From 6 April 2018, new income tax rates have been introduced for Scottish Taxpayers, these figures reflect the new Scottish rates. For full details of Scottish BIK tax liability, please refer to the Benefit In Kind for UK Residents section on page 33.

3 Subject to UK Government announcements.

4 Diesel cars that are tested to RDE2 standards.

1 Figures shown are for comparability purposes; only compare fuel consumption and CO₂ figures with other vehicles tested to the same technical procedures. These figures may not reflect real life driving results, which will depend upon a number of factors including the accessories fitted (post-registration), variations in weather, driving styles and vehicle load. There is a new test used for fuel consumption and CO₂ figures (known as WLTP). The CO₂ figures shown however, are based on a calculation designed to be equivalent to the outgoing (NEDC) test cycle and will be used to calculate vehicle tax on first registration.

For more information, please see volkswagen.co.uk/owners/wltp or consult your authorised Volkswagen retailer.

2 The BIK % figure quoted includes the 4% diesel supplement, where applicable.

3 From 6 April 2018, new income tax rates have been introduced for Scottish Taxpayers. For full details of Scottish BIK tax liability, please refer to the Benefit In Kind for Scottish Residents section on page 33.

† These vehicles are WLTP (Worldwide Harmonised Light-Duty Vehicles Test Procedure) type approved vehicles. More information is available at volkswagen.co.uk/need-help/wltp.

All examples are for manual derivatives unless otherwise stated.

RDE2 refers to Real Driving Emissions Step 2.

THE VOLKSWAGEN SERVICE, FOR YOUR PEACE OF MIND

VOLKSWAGEN FINANCE¹

Volkswagen Finance specialises in providing funding solutions for Volkswagen drivers. Whether your Volkswagen is for private or business use, you can choose from a range of funding options.

Solutions – a Personal Contract Plan

Flexible finance plan designed to allow you to drive a new vehicle sooner than you think. At the end of your agreement you can choose to trade in your Volkswagen for a new one, keep it, or hand it back.

Hire Purchase

A simple and straightforward way to finance your Volkswagen. Have the option to break down your monthly payments over a period that suits you, making financing your car much more manageable than you think.

Contract Hire

Available for both personal and business customers. Ideal for customers simply wanting to pay a monthly rental for the vehicle, change it on a regular fixed period and have no disposal risk.

- Lease Purchase
- Finance Lease

With all Volkswagen Finance products you can choose a fixed-cost maintenance plan to help you budget for your servicing and maintenance costs. Buy your service plan online or visit your local Volkswagen retailer for more information.

VOLKSWAGEN INSURANCE²

We want you to start enjoying your new car from day one, and thanks to our complimentary five day Volkswagen Drive Away Insurance you can. Please visit: insurewithvolkswagen.co.uk/driveaway to activate your cover. If eligible, we will also give you a quotation for our annual insurance, designed specifically for Volkswagen drivers.

ANNUAL CAR INSURANCE

Volkswagen car insurance helps give you peace of mind with the following benefits at no extra cost:

- Repairs carried out by Volkswagen trained technicians using Volkswagen Genuine Parts and paints when repaired by a Volkswagen approved repairer
- Guaranteed courtesy car
- Child seat replacement
- Uninsured driver promise
- Vandalism promise
- 24 hour accident recovery

For more information or to get a quote, visit: insurewithvolkswagen.co.uk

SERVICING AND MAINTENANCE

Volkswagen is pleased to offer you a choice on how your Volkswagen is serviced. The appropriate selection is entirely dependent on how the car is likely to be driven and its general use. To help you identify which type of service would be most suitable, please refer to the following guide.

Fixed Service

The Fixed Service is recommended for vehicles that will cover less than 10,000 miles in 12 months and if the vehicle is likely to be used in the following way:

- Predominantly urban driving, short journeys with frequent cold starts.
- Activities regularly producing high engine loading, e.g. frequent hill climbs, driving with vehicle fully loaded and towing.
- Uneconomical driving style using high rpms with heavy acceleration and heavy braking.

The service intervals for the Fixed Service schedule are as follows:

- Oil change service – After 1 year or 10,000 miles (15,000km), whichever is soonest.
- Inspection service³ – First after 2 years or 20,000 miles (30,000km), then every 1 year or 20,000 miles (30,000km), whichever is soonest.

SERVICING AND MAINTENANCE (CONTINUED)

Flexible Service

The Flexible Service is recommended for vehicles with daily mileage of more than 25 miles where the vehicle is driven regularly mainly on longer distance journeys. The vehicle is driven mainly at a constant speed with minimum vehicle and engine loading, minimal towing and driven in an economical manner. With the Flexible Service the vehicle can cover anywhere between 10,000⁴ and a maximum of 20,000⁴ miles or 24 months (whichever is soonest) between oil changes.

The service intervals for the Flexible Service schedule are as follows:

- Oil change service – According to flexible service interval display (after 2 years at the latest).
- Inspection service³ – First after 2 years or 20,000 miles (30,000km), then every one year or 20,000 miles (30,000km), whichever is soonest.

The up! model is only available with the Fixed Service schedule. Please consult your authorised Volkswagen retailer or repairer for advice and full details.

Electric vehicles

Vehicles powered only by an electric motor require a Fixed Service schedule as follows:

- Inspection service – First after 2 years or 20,000 miles (30,000km), whichever is soonest.
- Subsequent services every 1 year or 20,000 miles (30,000km), whichever is soonest.

Please note: If you purchase a Volkswagen Fixed Price Service Plan your vehicle will follow the Fixed Service schedule.

VOLKSWAGEN INSURANCE⁵

Get three years' Volkswagen Insurance cover for free.

Another great benefit of being a Volkswagen driver. If your Volkswagen was damaged in an accident, wouldn't you want it fixed by a Volkswagen trained technician using only Genuine Volkswagen Parts? Insurance is Volkswagen's accident and repair cover which does exactly that. It works alongside your main comprehensive motor insurance policy no matter who you are insured with, to make sure you get the quality repair and service you would want. If you're involved in an accident or your car is stolen, just one call to us and we'll look after your claim from start to finish, ensuring your Volkswagen is restored to the highest standard.

Activate your cover and benefit from:

- A guarantee that your Volkswagen will be repaired by a Volkswagen approved repairer and Volkswagen trained technicians, using only Genuine Volkswagen Parts and paints.
- A dedicated Claims Manager who will manage your claim from start to finish, liaising with your insurer and the repairer so you don't have to.
- Help to recover any uninsured losses using our Legal Expenses Cover.
- Online claims tracking so you can keep up to date with the status of any claim.

Volkswagen Insurance is free to all Volkswagen customers for three years and it only takes a minute to get cover.

To find out more and to activate your cover, visit: insurewithvolkswagen.co.uk/insurance

WARRANTY

Exclusions and terms and conditions apply to all warranties, plans and insurance listed. For pricing and further details of Volkswagen Warranties, Service Plans and Insurance, please consult your authorised Volkswagen retailer or repairer, or visit: volkswagen.co.uk

THE VOLKSWAGEN WARRANTY THREE-YEAR WARRANTY

All Volkswagen passenger cars come with a three-year/60,000 miles warranty, which protects your car against the failure of most technical and electrical components due to manufacturing defects. This comprises a two-year manufacturer's warranty with unlimited mileage plus a further one-year/60,000 miles (whichever is soonest) Retailer Warranty*. Should the mileage exceed 60,000 miles within the first two years, the manufacturer's two-year warranty will still be valid. Full details of the three-year warranty are available from your authorised Volkswagen retailer or repairer.

BODY PROTECTION WARRANTY

The internal body sections and panels are covered against rusting through from the inside for 12 years. Naturally, the vehicle must be cared for in compliance with the manufacturer's operating instructions. Please consult your authorised Volkswagen retailer or repairer for full warranty details.

THREE-YEAR PAINTWORK WARRANTY

This latest paintwork warranty, pioneered by Volkswagen, provides you with cover on a new car. Naturally, during the warranty period the car must be cared for in compliance with the manufacturer's operating instructions. Any paintwork defects, as a result of the manufacturing process, will be rectified without charge.

APPROVED ACCESSORIES

A comprehensive range of accessories from alloy wheels to carpet mats is available to complement the factory-fitted option list. Volkswagen approved accessories purchased from and fitted by your authorised Volkswagen retailer at the point of vehicle sale will also benefit from the three-year vehicle warranty.

VOLKSWAGEN ROADSIDE ASSISTANCE

Every new car is registered for Volkswagen Roadside Assistance for one year except the Touareg which is registered for three years. This provides vehicle roadside and home recovery in the unlikely event of a breakdown in the UK and Europe (subject to conditions). Volkswagen Roadside Assistance can also be purchased for subsequent years.

Exclusions and terms and conditions apply. For pricing and further details of Volkswagen Roadside Assistance, please consult your authorised Volkswagen retailer, or visit: volkswagen.co.uk

ADBLUE®

Diesel engines with SCR (Selective Catalytic Reduction) technology require AdBlue® which must be kept topped up. Please see volkswagen.co.uk/technology/engines/adblue for more details.

PRICES AND SPECIFICATIONS

The prices and specifications contained in this price list are for information purposes only as our products are continually updated and changes may be made to the prices and specifications at any time. If you require any specific feature, please consult your authorised Volkswagen retailer who is regularly updated with any change in specification. Prices and specifications are subject to change without notice.

Following the announcement of a price increase, any vehicle order which can be accepted into the factory production system before the effective date of the price increase will be supplied at the current price, even if built and delivered after the date on which the increase became effective.

Note: We would like to advise you that telephone calls to Volkswagen Customer Care may be monitored and recorded as part of our training and quality assurance processes. All our monitoring and recording processes meet Ofcom regulations.

BENEFIT IN KIND (BIK) FOR SCOTTISH RESIDENTS

Effective as of 6 April 2018, the Scottish Government introduced their own BIK taxation structure. This is only applicable to Company Car Drivers that are resident Scottish taxpayers. HMRC will continue to be responsible for the collection and management of taxes and will determine whether or not an individual is a Scottish taxpayer based on where their primary place of residence is.

Scottish Income Tax rates and Bands 2018/19

Starter rate 19% - over £11,850 - £13,850

Basic rate of 20% - over £13,850 - £24,000

Intermediate rate 21% - over £24,000 - £44,273

Higher rate 41% - over £44,273 - £150,000

Top rate 46% - above £150,000

- 1 Finance is available to 18s and over, subject to status. Terms and conditions apply. Volkswagen Finance.
- 2 Volkswagen Car Insurance is underwritten by UK Insurance Limited. Registered Office: The Wharf, Neville Street, Leeds LS1 4AZ. Registered in England and Wales number: 1179980. UK Insurance Limited is authorised by the Prudential Regulation Authority and regulated by the Financial Conduct Authority (FCA) and the Prudential Regulation Authority. Calls may be recorded.
