Model shown is Golf Match with optional Bi-xenon headlights and metallic paint.

IN ONE SECOND A PERSON CAN  
PROCESS JUST **SIX WORDS.**  
OR, AN ENTIRE IMAGE.

MORE AERODYNAMIC, MORE ATHLETIC AND  
MORE ELEGANT. BUT STILL UNMISTAKABLY A GOLF.

Model shown is Golf GTI with optional GTI Performance pack and Oryx White premium paint.

Iconic down to the last detail: the body-coloured door mirrors are now mounted stylishly on the lower window line, allowing an extra triangular window to improve all-round vision. Integrated rear lights blend harmoniously with the bodywork, creating a powerful presence.

Model shown is Golf GT with optional Bi-xenon headlights and metallic paint.

OVER A LIFETIME,  
THE AVERAGE PERSON WILL  
TAKE DETOURS OF NEARLY  
**15,000 MILES.**

YOU CAN ENJOY EVERY ONE – THANKS TO THE  
EXCEPTIONAL LEVELS OF COMFORT, QUALITY,  
FUNCTIONALITY AND SPACIOUSNESS IN THE GOLF.

Interior shown is Golf GT DSG with optional Discover Navigation Pro touch-screen navigation/DVD radio system,  
climate control – 2Zone electronic air conditioning, 'Vienna' leather upholstery and metallic paint.

When it comes to functionality and ergonomics, the Golf excels. For a more controlled, intense driving experience, the newly designed centre console is angled slightly towards the driver. This ensures both the touch-screen of the new infotainment system and the controls for the air conditioning and heating are easy to reach, with every switch and display intuitively to hand, exactly where you would expect it to be. And yet again, we're raising the benchmark in workmanship and finish, with chrome-plated surrounds on controls and switches, depending which model you select. All of which ensures the Golf not only looks good, but feels good too – the true test of quality.

Image shown is for illustrative purposes only and does not show the actual field of vision.

## A PERSON'S CENTRAL FIELD OF VISION COVERS JUST 30 DEGREES.

IN THE GOLF, THE DASHBOARD AND CENTRE CONSOLE ARE ANGLED TOWARDS THE DRIVER, ENSURING ALL CONTROLS ARE OPTIMALLY POSITIONED AND INFORMATION IS CLEARLY IN VIEW.

Interior shown is Golf GT DSG with optional Discover Navigation Pro touch-screen navigation/DVD radio system, 'Vienna' leather upholstery, climate control – 2Zone electronic air conditioning and metallic paint.

Model shown is Golf GT with optional 18" 'Serron' alloy wheels, panoramic sunroof and metallic paint.

Closed, half open or fully open, the optional electric panoramic sliding/tilting glass sunroof opens up a world of possibilities. The long glass roof merges into the windscreen, so that you are almost completely surrounded by sky and the sweep of the horizon. When open, you can enjoy fresh air even at high speeds without the worry of turbulence; and when closed, the sunroof reflects 99% of UV radiation, 92% of heat and 90% of light thanks to the optimised insulation. Should the sun get too hot or the sky too grey, simply close the integrated roller blind, even if the sunroof is open, allowing in draught-free ventilation. Optional on Match, GT, GTD, GTI and R models.

# DIRECT **SUNLIGHT** INCREASES HUMAN ENDORPHIN PRODUCTION 8-FOLD.

MORE LIGHT, MORE AIR, MORE ATMOSPHERE: THE OPTIONAL PANORAMIC ELECTRIC SLIDING/TILTING GLASS SUNROOF INCREASES DRIVING FUN THREE TIMES OVER.

# GOLF S

## EQUIPMENT

The Golf S offers better performance, greater safety and a higher level specification than ever before. Key features include the Composition Media system with 5.8 inch colour touch-screen, DAB digital radio receiver, Bluetooth telephone connection\*, multifunction computer and manual air conditioning fitted as standard, ensuring an exceptional driving experience. Inside, 'Dark Rhodium Fine' decorative inserts in the dash and door panels complement the stylish and durable 'Salt' cloth upholstery. Safety features such as Automatic Post-Collision Braking System, tyre pressure loss indicator and XDS electronic differential lock for improved traction and handling make your journey even safer and more enjoyable, while remote central locking, electric front windows and an electronic parking brake make for a more convenient journey. The distinctive black radiator grille and front air intake, halogen clear headlights with daytime running lights, and heat insulating green tinted glass exude style and charisma, epitomised by the sleek tornado line running down the side of the Golf. 15 inch wheel trims and twin exhaust tailpipe (122 PS engines only) complete the look. However, the Golf doesn't just have great looks and lots of specification, it also packs in great technology to help you save fuel. Already more fuel efficient than its predecessor it features a Start/Stop function, visual gear change recommendation and battery regeneration (recuperation – energy recovery during braking), so it's kinder to your wallet.

**01** Manual **air conditioning** ensures a pleasant cabin temperature throughout, with the selected temperature reached quickly and efficiently and then regulated.

**02** The **Composition Media system** is equipped with a 5.8 inch colour touch-screen, DAB digital radio receiver, glovebox-mounted single CD player, MDI (Multi Device Interface) with iPod connection cables including the latest generation Lightning to 30-pin adaptor, SD card reader, and also features title and cover art display.

**03** Distinctive **halogen clear headlights** set into the stylish black radiator grille, along with the new design air intake and body-coloured bumpers create a character that's unmistakably Golf.

\* Phones must be Bluetooth compatible, please contact your authorised Volkswagen retailer for specific phone compatibility.

Interior shown is Golf S with optional metallic paint.

# GOLF BLUEMOTION

## EQUIPMENT

The Golf BlueMotion is one of the world's most economical family cars, setting a new benchmark in fuel efficiency, as well as delivering all the Golf's traditional attributes of comfort, safety and practicality. A genuine five-seater, it returns an outstanding 88.3mpg on the Combined fuel cycle\*, which means, based on an annual driving distance of around 9,300 miles, it potentially requires refuelling just ten times a year, making it an ideal family choice. It also produces greatly reduced CO<sub>2</sub> emissions of just 85g/km, representing 15% less than the previous generation Golf BlueMotion. These impressive figures are due to a whole raft of innovations, including longer gear ratios, Start/Stop function and battery regeneration system, and the outstanding 1.6 litre TDI 110 PS engine. Exceptional frugality and low emissions are not at the expense of style, and the Golf BlueMotion is fitted with a higher level of specification than ever before. External styling includes 15 inch 'Lyon' alloy wheels, an aerodynamic black front air intake and radiator grille with distinctive blue stripe, and unique 'BlueMotion' badging, while performance is enhanced by the uniquely shaped C-pillar spoiler and roof spoiler, and sports suspension lowered by approximately 10mm. Inside, the Golf BlueMotion is equipped with the same impressive features as the Golf S, including a multifunction computer, Bluetooth telephone connectivity†, and Composition Media system with large colour touch-screen and DAB digital radio receiver. 'Salt' cloth upholstery is durable and contemporary, enhanced by 'Dark Rhodium Fine' decorative inserts in the dash and door panels, while luxuries such as electric front windows, electronic parking brake, manual air conditioning and electrically heated and adjustable door mirrors enhance driving comfort.

**01** The **Golf BlueMotion** has set a new benchmark of low emissions through a combination of enhanced aerodynamics such as the uniquely shaped C-pillar spoiler and rear roof spoiler, weight reduction and intelligent engineering refinements. These exemplary environmental credentials herald the Golf BlueMotion with having the lowest CO<sub>2</sub> emission of any Golf, at just 85g/km. Exterior shown is Golf BlueMotion with optional metallic paint.

\* Please see pages 58-61 for CO<sub>2</sub> emissions and fuel consumption figures.  
† Phones must be Bluetooth compatible, please contact your authorised Volkswagen retailer for specific phone compatibility.

Interior shown is Golf BlueMotion with optional metallic paint.

# GOLF MATCH

## EQUIPMENT

More elegant, luxurious and flexible than ever, the Golf Match offers the highest levels of comfort and convenience you could ask for. Outside is characterised by stylish 16 inch 'Dover' alloy wheels, front fog lights including static cornering function and chrome detailing on the front radiator grille and air intake. Inside, the interior is upholstered in 'Zoom/Micro' cloth and 'Brushed Dark Silver' decorative inserts adorn the dash and door panels. Standard features include front comfort seats with height and lumbar adjustment, a leather-trimmed three-spoke multifunction steering wheel and gear knob, and an alarm with interior protection. Safety and security is enhanced with PreCrash preventive occupant protection, front and rear parking sensors, and a Driver Alert system to advise you when to take a break. Also fitted as standard is Adaptive Cruise Control (ACC), which under certain conditions will maintain a distance to a car in front. ACC also includes Front Assist which uses radar sensors to monitor the traffic situation in front of your car and warn of a potential rear-end collision and the City emergency braking system will boost brake pressure should it be required. Driver profile selection allows you to choose the driving style you prefer and cruise control and speed limiter help take the strain out of your journey. A rain sensor and automatic dimming interior rear-view mirror, electrically foldable door mirrors with reverse activated kerb-view adjustment on passenger's door mirror, door mirror puddle lights, automatic coming/leaving home lighting function and, on 5-door models, rear electric windows are convenient additions. Finally, a 3.5 inch TFT multifunction computer will tell you everything you need to know about your trip, leaving you to enjoy your journey in the greatest of comfort.

**01** The 16 inch 'Dover' alloy wheels give the exterior a dynamic look.

**02 Adaptive Cruise Control (ACC)** including Front Assist, radar sensor controlled distance monitoring system with City emergency braking system and cruise control offers you intelligent control of your driving speed by automatically adjusting acceleration and braking.

**03** The **Driver Alert system** monitors your driving behaviour or if you've been driving too long, it will advise you to take a break both acoustically and visually.

**04** Door mirror puddle lights form part of the **Mirror pack**, illuminating the area for added convenience and safety. Image features optional Gas discharge (Bi-xenon) headlights.

01

02

03

04

Interior shown is Golf Match with optional metallic paint.

# GOLF GT

## EQUIPMENT

Sporty, charismatic and refined, the Golf GT combines exclusivity with elegance, offering a driving experience that is second to none. Its exterior features stylish 17 inch 'Dijon' alloy wheels and sports suspension lowered by approximately 10mm, giving it more poise and sports appeal. Front fog lights with static cornering function add further style and safety, while the black front air intake, radiator grille with chrome trimmed inserts and roundel surround, and 65% light absorbing tinted glass from the B pillar backwards, are perfectly complemented by 'Cherry red' rear light clusters. Inside, front sports seats with height and lumbar adjustment upholstered with Alcantara seat centre sections and 'Global' cloth side bolsters perfectly complement the 'Cyclone' decorative inserts in the dash and door panels and 'Gloss Black' decorative inserts in the centre console. Standard equipment includes the Discover Navigation system with a 5.8 inch colour touch-screen which features preloaded European navigation data, Traffic Sign Display, branded points of interest, the choice of 2D or 2.5D view, plus all the functionality of the Composition Media system. Ambient lighting is created by lights in the front door armrests and light strips set below the trim in the front doors, and along with front and rear carpet mats and chrome detailing on the electric window and mirror switch surrounds, they enhance the already luxurious feel. Finally, front and rear parking sensors with optical parking display via the vehicle's audio system and electrically foldable door mirrors with reverse activated kerb-view adjustment on the passenger's door mirror provide extra convenience when parking.

**01** The **leather trimmed three-spoke multifunction steering wheel** enables you to change gears on DSG models using the paddle shift, and control such functions as Adaptive Cruise Control (ACC), radio, phone and the multifunction display without taking your hands off the wheel.

**02** The 17 inch '**Dijon**' alloy wheels complete with sports suspension, lowered by approximately 10mm, give the exterior a stylish and sporty look.

**03** The **front fog lights** including static cornering function improve visibility in poor driving conditions and are a stylish addition to the front of the Golf GT.

Interior shown is Golf GT DSG with optional Discover Navigation Pro touch-screen navigation/DVD radio system, climate control – 2Zone electronic air conditioning, 'Vienna' leather upholstery and metallic paint.

# GOLF GTD

## EQUIPMENT

The Golf GTD is the most powerful ever, raising the benchmark to a whole new level. And that's not all. It's more fuel efficient and emits less emissions than ever before, which means you can enjoy outstanding performance and be environmentally conscious. What better way to have fun? The phenomenal 184 PS engine accelerates from 0-62mph in just 7.5 seconds and returning an astounding 67.3mpg on the Combined fuel cycle\*, it's also the most fuel efficient ever. The eye-catching exterior of the GTD is built to impress; the 'GTD' styling pack – uniquely shaped front and rear bumpers and 'Black' honeycomb front air intake and radiator grille hint at its sporting prowess, while illuminated door sill protectors, lowered sports suspension and a prominent rear spoiler reinforce its capability. The positive stance of the 18 inch 'Nogaro' alloy wheels, chrome twin exhaust tailpipe and a rear diffuser confirm its race-inspired pedigree. Inside the GTD, hot hatch styling includes classic 'Jacara Grey' tartan sports seats, 'GTD' instrument cluster, 'Cyclone' decorative inserts, stainless steel pedals and stylish grey stitching on the leather trimmed multifunction steering wheel and gear knob gaiter. While climate control – 2Zone electronic air conditioning, front and rear parking sensors, ambient lighting and a Composition Media system, ensures total luxury. Why would you ever want to get out? It doesn't get cooler than this.

**01** The imposing style of the **18 inch 'Nogaro' alloy wheels** reinforcing the dynamic look of the Golf GTD.

**02** Confident and self-assured with its streamlined body shape, dynamic handling and sports suspension, the **Golf GTD** is a true sports performer.

\* Please see pages 58-61 for CO<sub>2</sub> emissions and fuel consumption figures.

# GOLF GTI

## EQUIPMENT

Often copied, never equalled; there has only ever been one Golf GTI. Now in its seventh generation, the Golf GTI remains true to itself, still retaining its iconic detail – the ‘Black’ honeycomb radiator and front air intake grilles, side skirts and gleaming chrome ‘GTI’ badge – but now with a modern twist. Like the traditional red stripe that now extends into the Bi-xenon headlights, 18 inch ‘Austin’ alloy wheels, ‘Red’ brake calipers, lowered sports suspension, unique ‘GTI’ badging and classic ‘Jacara Red’ tartan upholstery that shows unmistakably where it began. Not to mention faster acceleration, unprecedented power and exhilarating performance with the powerful 2.0 litre TSI 220 PS engine. And if that’s not enough, there is the anticipation of 350 Nm of torque. Specify the optional GTI Performance pack, and you gain up to 230 PS of power to get your adrenalin pumping even more.

**01** The optional **‘GTI Performance pack’** features larger brake discs, red brake calipers with ‘GTI’ logo, mechanical limited slip differential and an extra 10 PS, accelerating from 0-62mph in just 6.4 seconds.

**02 Gas discharge (Bi-xenon dipped and main beam headlights)** including static cornering function, automatic range adjustment, headlight washers, low washer fluid warning light and LED daytime running lights ensure your vehicle is visible to other road users in any weather.

Interior shown is Golf GTI with optional Discover Navigation touch-screen navigation/radio system, Winter pack and Oryx White premium paint.

# THE GOLF R.

PURE ENERGY.

Model shown is Golf R with optional 19" 'Pretoria' alloy wheels and metallic paint.

# GOLF R

## EQUIPMENT

Inspired by the performance and technology of motorsport, the Golf R delivers all the exhilaration, excitement and dynamic handling you would expect from the fastest ever Golf to date. Powered by a 2.0 litre TSI engine with an incredible 300 PS and a six speed manual gearbox – or six speed auto DSG gearbox – the ‘R’ features 4MOTION four wheel drive which transmits power to the 18 inch ‘Cadiz’ alloy wheels with 225/40 R18 tyres seamlessly, propelling it from 0 – 62mph in a heart pounding 5.1 seconds (4.9 seconds on DSG models), and accelerating to a top speed of 155 mph, where the law permits. The adrenalin buzz will begin as soon as you set eyes on the R, featuring ‘Black’ brake calipers with ‘R’ logo, ‘R’ sports suspension, ‘Black’ rear diffuser and twin oval chrome exhaust tailpipes to the left and right. The distinctive ‘R’ styling pack with specially shaped front and rear bumpers and side sills and unique ‘R’ radiator grille with matt-chrome strip hint at the power within, while ‘R’ badging, and matt-chrome door mirrors add to the thrill. Bi-xenon headlights with static cornering function, automatic range adjustment and double ‘U-shaped’ LED daytime running lights complete the stunning visual impact. Inside, front sports seats with embroidered ‘R’ logo on the head restraints provide support and comfort while cornering, and the leather trimmed three-spoke multifunction steering wheel with ‘R’ logo gives the feel of a real sports performer. ‘Race’ cloth upholstery seat centre sections with grey ‘Alcantara’ side bolsters, ‘Carbon-touch’ decorative inserts on the dash and door panels and ‘Gloss Black’ decorative inserts in the centre console add style and luxury. Finally, the unique ‘R’ gear lever knob, ‘R’ instrument cluster with blue needles and ‘R’ design key reinforce the fact that this is no ordinary Golf. Prepare to be amazed.

**01** The **18 inch ‘Cadiz’ alloy wheels** and lowered sports suspension give the look and feel of a true sports performer.

**02** **Matt-chrome door mirrors** are unique to the Golf R, contributing even more to the sporty exterior of the Golf R.

**03** The **unique ‘R’ radiator grille with matt-chrome strip**, ‘**R’ badging** and ‘R’ styling pack, featuring uniquely shaped front and rear bumpers and side sills create a streamlined, aerodynamic exterior that hints of the power and performance that awaits you.

Interior shown is Golf R DSG with optional Discover Navigation Pro touch-screen navigation/DVD radio system and ‘Vienna’ leather upholstery.

# THE NEW e-GOLF

## EQUIPMENT

The future is electric. The e-Golf takes a major step forward to a future of sustainable motoring. With a range of up to 118 miles between charges, it is the ideal everyday vehicle. Whether driving round town, doing the school run, going on a shopping trip, socialising or going to work, it delivers responsive performance, giving you plenty of driving enjoyment, while producing zero emissions\*. If you're looking for the ultimate in driving efficiency alongside incredibly low operating costs, this is the car for you. The conveniently located 'Powermeter' shows the energy currently being retrieved, while 'eMAX' will display to the driver the maximum available acceleration performance. The range efficiency of the e-Golf can be increased by using the driving profiles ECO and ECO+, both available at the touch of a button. In the ECO+ mode, the maximum range is reached with slower acceleration and a reduced top speed, and climate control – 2Zone electronic air conditioning is deactivated. For drivers who value a good driving range but not at the expense of agility and comfort, ECO mode is the optimal solution, delivering a top speed of 71mph, where the law permits, with reduced air conditioning performance. With sufficient battery charge level, higher speeds are possible in the ECO and ECO+ profiles, for example, when overtaking or using short bursts of speed.

**For more information about the new e-Golf, contact your Volkswagen Retailer or go to [www.volkswagen.co.uk/new/e-golf-vii/which-model/brochures](http://www.volkswagen.co.uk/new/e-golf-vii/which-model/brochures)**

**01** The **CCS (Combined Charging System)** provides a charging cable with two different plugs: one to charge up from a domestic mains socket, and one for a charging station or wall box.

**02** The **e-Golf interior** not only looks good, but also feels good, thanks to the leather trimmed multifunction steering wheel, gear knob and gear lever gaiter, all finished with contrast blue stitching, improving grip and enhancing the high quality aesthetics. Contemporary and stylish 'Iridium Matrix' trim also add to the ambience of the new e-Golf's interior.

**03** Thanks to the new **LED daytime running lights** integrated in the newly designed front bumper, you can see and be seen in the new e-Golf. The distinctive 'C-shaped' lights not only make a real contribution towards safety, but also give the new e-Golf its signature look.

\* When the vehicle is in motion.

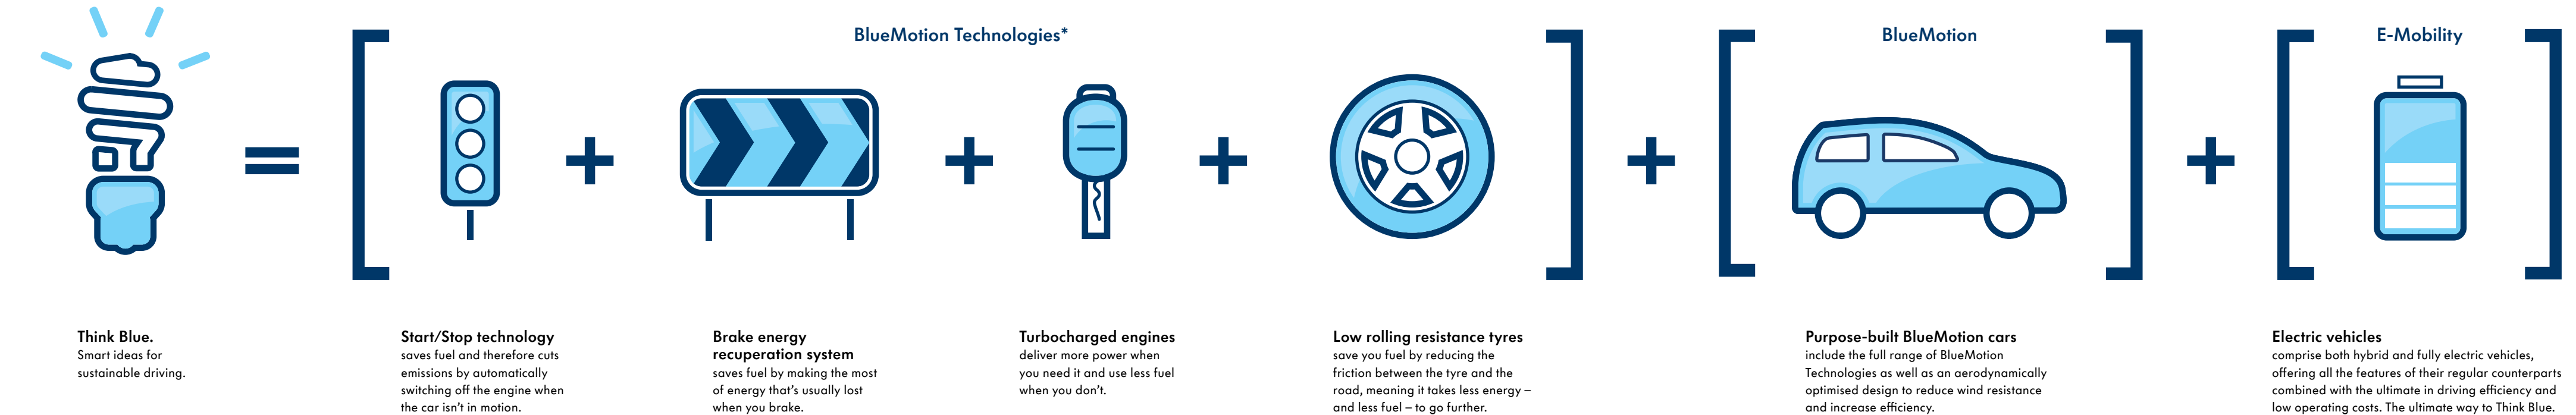

Model shown is new e-Golf with optional Pure White paint.

# Think Blue.

## Sustainability + Ingenuity.

‘Think Blue’ is Volkswagen’s promise to create progressive, environmentally friendly products and processes. So, from our concepts to our designs, from our fabrics to our machines, from our buildings to our water supply and from our engines to the open road, we can help shape a more sustainable future. We have already started by creating electric vehicles, BlueMotion models and efficient BlueMotion Technologies that save you money and reduce emissions.

\*BlueMotion Technologies are available on all Volkswagens, excluding Phaeton, and vary between models.

80% OF **PEOPLE** PREDOMINANTLY  
BREATHE THROUGH JUST ONE  
NOSTRIL IN ORDER TO SAVE ENERGY.

STATE-OF-THE-ART ROLE MODEL: THE ACT (ACTIVE CYLINDER TECHNOLOGY) CAN TEMPORARILY DEACTIVATE TWO CYLINDERS, SO THAT ONLY THE ENERGY TRULY NEEDED IS CONSUMED.

The introduction of ACT (Active Cylinder Technology) is a completely new feature in the Golf. When driving with an engine speed of between 1,000 and 4,000rpm and at speeds of up to approximately 80mph, where the law permits, two of the four cylinders can be completely, and imperceptibly deactivated, regardless of the gear you are in. This optimises the engine's efficiency and can ultimately reduce fuel consumption and CO<sub>2</sub> emissions by up to 9g/km, depending on the driving situation. ACT (Active Cylinder Technology) is only available with the 1.4 litre TSI ACT 150 PS engine.

01

A HUMAN **HEART** WEIGHS  
APPROXIMATELY 0.5% OF THE AVERAGE  
BODY WEIGHT. BY AGE 80 IT WILL  
HAVE BEATEN AROUND 3 BILLION TIMES.

LIGHTER, MORE COMPACT, MORE EFFICIENT: THE NEW  
GENERATION OF TDI DIESEL AND TSI PETROL ENGINES.

The engines in the Golf provide the driving force behind 'Think Blue'. Thanks to their sophisticated, lightweight construction and BlueMotion Technology, each of these highly efficient, economical, low emission engines sets a benchmark in sustainable motoring.

**01 TDI diesel engines:** turbocharging, combined with common rail direct injection technology, ensures diesel engines are economical, powerful and surprisingly smooth. Choose from five diesel variants including the compact 90 PS engine, and the stalwart 105 PS engine. The latest and most economical Golf BlueMotion to date, the 1.6 litre 110 PS, returns 88.3mpg on the Combined fuel cycle\* with 85g/km CO<sub>2</sub> emissions and VED band A. Power and economy are encompassed in the 2.0 litre 150 PS, returning 68.9mpg on the Combined fuel cycle\* with 106g/km CO<sub>2</sub> emissions. Finally, for dynamic performance and style, choose the 184 PS engine on the Golf GTD with a Combined fuel cycle\* of 67.3mpg and 109g/km CO<sub>2</sub> emissions.

**02 TSI petrol engines:** a combination of downsizing, turbocharging and direct injection technology delivers maximum torque at low engine speeds, reducing fuel consumption and noise levels, while ensuring consistent power. Choose from two 1.2 litre or two 1.4 litre TSI variants. The 1.2 litre units: the 85 PS and 105 PS both returning 57.6mpg on the Combined fuel cycle\* with 113 and 114g/km CO<sub>2</sub> emissions respectively. The 1.4 litre units: the 1.4 litre 122 PS returning 54.3mpg on the Combined fuel cycle\* with 120g/km CO<sub>2</sub> emissions; or the ground-breaking 1.4 litre ACT 150 PS returning 60.1mpg on the Combined fuel cycle\* with 109g/km CO<sub>2</sub> emissions and VED band B. Enter the Golf GTI with two power levels; the standard 220 PS and optional uprated 230 PS engine, both with impressive torque of 350 Nm reaching 0-62mph in 6.5 and 6.4 seconds respectively. Finally, there is the 2.0 litre TSI 300 PS engine, powering the Golf R. A perfect blend of TSI technology, direct injection, downsizing and sophisticated turbocharging combine to produce the most powerful TSI engine ever to power the Golf R, with a torque figure of 380 Nm. Top speed is restricted to 155mph, where the law permits, and an exhilarating acceleration to 62mph in just 5.1 seconds.

\* Please see pages 58-61 for CO<sub>2</sub> emissions and fuel consumption figures.

#### PRECRASH PREVENTIVE OCCUPANT PROTECTION

This is a proactive passenger safety system that identifies a critical driving situation and automatically closes the electric windows and optional panoramic sunroof, as well as tensioning the front seat belts as a precautionary measure. Standard on Match, GT, GTD, GTI and R models. Optional on S and BlueMotion.

#### TRAFFIC SIGN DISPLAY

Traffic Sign Display uses preloaded data stored within the Golf's navigation system to advise you of speed restrictions on the road ahead. If traffic signs for the route you are currently travelling along are included in the data, they will be displayed in the map view. Standard on GT and optional on all other models. Traffic Sign Display is included in all navigation systems.

#### LANE ASSIST WITH SIDE SCAN

Lane Assist is a camera controlled warning system that warns the driver via an audible warning and steering wheel vibration if the vehicle is about to leave its chosen lane unintentionally. This also includes High Beam Assist. Side scan makes motorway driving safer by helping to prevent accidents when you want to change lanes. The radar system monitors the areas to the left and right of the car and up to 50 metres behind it, and should it detect a potentially hazardous situation, it warns you by means of flashing warning lights in the door mirror housing. Optional on Match, GT, GTD, GTI and R models.

#### ADAPTIVE CRUISE CONTROL (ACC)

Adaptive Cruise Control (ACC), including Front Assist radar sensor controlled distance monitoring system, City emergency braking system, cruise control and speed limiter offers you intelligent control of your driving speed by automatically adjusting acceleration and braking. Whether around town or on the motorway, the system will adjust your speed to that of the vehicle in front, keep your specified distance, warn if you are approaching too fast and, in an emergency situation, generate enough braking force to reduce the severity of a collision or even prevent the collision entirely. Standard on Match, GT, GTD, GTI and R models.

#### AUTOMATIC POST-COLLISION BRAKING SYSTEM

Supported by the airbag sensors, the Automatic Post-Collision Braking System automatically initiates braking after the vehicle suffers a collision, and brakes for as long as necessary to reduce the speed of the vehicle to 6mph in order to prevent or minimise the severity of subsequent collisions. Standard on all models.

Model shown is Golf GT with optional 18" 'Serron' alloy wheels, panoramic sunroof and metallic paint.

THE HUMAN EYE TAKES ABOUT  
35 MINUTES TO ADJUST  
FULLY TO THE **DARK.**

THE GOLF'S INNOVATIVE LIGHTING SYSTEMS  
ADJUST TO THE AMBIENT CONDITIONS AND THE  
ROAD SITUATION WITHIN A FRACTION OF A SECOND,  
ENSURING OPTIMUM ROAD ILLUMINATION.

One of the new technologies available on the Golf is the optional **High Beam Assist** that ingeniously senses the lights from oncoming vehicles and automatically switches between dipped and main beam accordingly. It also senses vehicles you are approaching from the rear and ensures your main beam is dipped in order to avoid dazzling the vehicle in front. Optional on Match, GT, GTD, GTI and R models. Along with **Bi-xenon headlights including LED daytime running lights**, a defining characteristic of the Golf, optimum visibility ensures you can stay focused on the road ahead. Standard on GTD, GTI and R, and optional on GT models. R models get double 'U-shaped' LED daytime running lights as standard.

As a further option on Match and GT models, you can specify Bi-xenon headlights without LED daytime running lights should you wish.

Model shown is Golf GT with optional Bi-xenon headlights and metallic paint.

**01** The **rear-view camera**, integrated behind the Volkswagen badge on the rear tailgate, displays the area behind your vehicle on the screen of the vehicle's audio system, helping you to manoeuvre into tight spaces quickly and easily. Auxiliary lines help you navigate safely into parking spaces, and thanks to the high resolution display, even small obstacles such as kerbs are clearly visible. Optional on all models. Image shown features optional Discover Navigation Pro touch-screen navigation/DVD radio system. Optional on Match, GT, GTD, GTI and R models.

**02** **Front and rear parking sensors** assist parking manoeuvres by emitting both audible and visual signals, alerting the driver to any obstacles in the way. The closer you are to an obstacle the faster the sound frequency, while an optical parking display indicates your position in relation to obstacles on the screen of the vehicle's audio system. Standard on Match, GT, GTD, GTI and R models. Optional on S and BlueMotion models. Image shown features optional Discover Navigation Pro touch-screen navigation/DVD radio system. Optional on Match, GT, GTD, GTI and R models.

**03** **Cruise control** with speed limiter, can be set at speeds of over 19mph to maintain a constant speed. Once set to your desired speed, you can focus on the road ahead, creating a more relaxed drive. Standard on Match, GT, GTD, GTI and R models. Optional on S and BlueMotion models.

**04** **Front fog lights\*** include static cornering function, which illuminates when indicating or turning at low speeds. It adds a great look to the front of the car and provides additional safety in poor driving conditions. Standard on Match and GT models. Optional on S and BlueMotion models.

**05** The **Electronic Stability Control (ESC)** utilises sensors to detect critical situations at an early stage, reacting within milliseconds by controlling the speed of individual wheels, helping to bring the vehicle under control. Standard on all models.

**06** The **Park Assist** system not only makes parallel parking easier, but also helps you reverse park into a space at 90 degrees to the kerb. Using ultrasonic parking sensors, Park Assist will detect a parking space large enough for either bay or parallel parking. Once the vehicle is in reverse, all the driver has to do is operate the accelerator and brake, and keep a lookout, while the Golf steers itself into its chosen space. Optional on S, BlueMotion, Match, GT, GTD and GTI models.

**07** The **comprehensive airbag system** includes curtain airbags for front and rear passengers, front seat side impact airbags, driver's and front passenger's airbags with passenger's airbag deactivation switch and a driver's knee airbag. Standard on all models. Side airbags and seat belt tensioners for rear passengers are available as an option on all 5-door models.

\* Front fog lights incorporating LED technology, but without static cornering function, are standard on GTD and GTI models.

A PERSON CAN FOCUS ON  
SOMETHING FOR AROUND 20 MINUTES  
BEFORE LOSING  
CONCENTRATION.

A tightly held steering wheel and erratic steering movements are the first signs of driver fatigue. If several of these signs appear one after the other, the **Driver Alert system** recommends taking a break via visual and acoustic signals, helping to keep you safe on long journeys. Standard on Match, GT, GTD, GTI and R models. Optional on S and BlueMotion models. Image shown features optional Discover Navigation Pro touch-screen navigation/DVD radio system. Optional on Match, GT, GTD, GTI and R models.

ON AVERAGE, DRIVERS GET DISTRACTED  
10 TIMES PER HOUR  
IN **TRAFFIC.**

WHETHER IT'S A BRIEF MOMENT OF INATTENTION OR ON A LONG JOURNEY WITH POOR VISIBILITY, IT'S EASY TO GET DISTRACTED WHILE DRIVING. TO HELP KEEP YOU SAFE AND PROVIDE SUPPORT IN CRITICAL SITUATIONS, A NUMBER OF DRIVER ASSISTANCE SYSTEMS CONTINUALLY ANALYSE YOUR JOURNEY AND INTERVENE WHERE NECESSARY.

Model shown is Golf GT with optional Bi-xenon headlights and metallic paint.

Interior shown is S.

Interior shown is Match.

Interiors shown are GT.

**01** The **Composition Media system** is equipped with a 5.8 inch colour touch-screen, DAB digital radio receiver, glovebox-mounted single CD player, MDI (Multi Device Interface) with iPod connection cables including the latest generation Lightning to 30-pin adaptor, and SD card reader. It facilitates music playback from MP3, WMA and AAC files and features title and compatible cover art display, 8 speakers front and rear, 4 x 20 watt output, a car menu and Eco HMI. Standard on all models except GT.

**02** The **Discover Navigation touch-screen navigation/radio system** builds upon the impressive Composition Media system, but with additional features enabling you to easily manage not only your music, but also navigation data, and a broad range of vehicle information. The system offers preloaded European navigation data, 2D/2.5D map view, three calculated route choices (Fast, Short and Eco), dynamic navigation based on TMC+, branded points of interest and Traffic Sign Display. It is also equipped with a proximity sensor that recognises in advance your intention to touch the screen and automatically adjusts the display mode. Standard on GT and optional on all other models.

**03** Leading the way to the future: The **Discover Navigation Pro touch-screen navigation/DVD radio system with voice control** represents the latest generation of infotainment systems and is as intuitive and simple to use as a smartphone or tablet. It features a large 8 inch colour touch-screen for navigation, DVD, CD and radio functions; DAB digital radio, 64 GB SSD hard drive, preloaded European navigation data, 3D map view, three calculated route choices (Fast, Short and Eco), dynamic navigation based on TMC+, branded points of interest, Traffic Sign Display, photo display from JPEG and PNG files and two SD card readers. As well as responding to spoken voice commands, it is also equipped with a proximity sensor that recognises in advance your intention to touch the screen and automatically adjusts the display mode to make it easier to use. Optional on Match, GT, GTD, GTI and R models. Interior shown is GT featuring optional climate control – 2Zone electronic air conditioning.

**01** The manual **air conditioning system** ensures a pleasant cabin temperature throughout, with the set temperature reached quickly and efficiently and automatically regulated. Standard on S, BlueMotion, Match and GT models.

**02** Climate control – **2Zone electronic air conditioning** with automatic air recirculation features dual zone temperature control for the driver and front passenger, allowing each to select their individual preferred temperature. A sensor monitors the outside air quality and if necessary automatically activates the air recirculation function. The air conditioning also cools the glovebox. Standard on GTD, GTI and R models. Optional on Match and GT models.

**03** The headlight cleaning system is part of the **Winter pack**, which also includes heated front seats, heated windscreen washer jets and a low washer fluid warning light. Optional on all models.

**04** Heat insulating rear tinted glass from the B pillar backwards absorbs 65% of light, helping to reduce exposure to the sun's rays whilst giving your Golf a sporty look. Standard on GT, GTD, GTI and R models. Optional on Match models. Model shown is Match with optional 17 inch 'Madrid' alloy wheels, heat insulating rear tinted glass and metallic paint.

04

**01 Dynamic Chassis Control (DCC)**

offers you a choice of three settings: Sport, Comfort or Normal. At the touch of a button, depending on your choice, the system adjusts the damping, enabling you to adapt your Golf to suit the road and your driving style. Optional on Match (not 105 PS and 122 PS), GT, GTD, GTI and R models.

**02 Ambient lighting** creates a pleasant interior atmosphere and enhances the sense of spaciousness. Lights in the front door armrests, light strips below the trim in front doors and reflectors in the front and rear doors form the luxurious feel. For added effect GTI models feature red ambient lighting, while the sporty theme of the Golf R's interior is enhanced with blue ambient lighting. Standard on GT, GTD, GTI and R models.

**03 The Convenience pack** includes an automatic dimming interior rear-view mirror, automatic headlights on with coming/leaving home lighting function and rain sensor. Optional on S and BlueMotion models. Standard on Match, GT, GTD, GTI and R models.

**04 The leather trimmed three-spoke multifunction steering wheel** enables you to change gears via the paddle shift (DSG only) and control such functions as Adaptive Cruise Control (ACC), radio, phone and the multifunction display without taking your hands off the steering wheel. Optional on S and BlueMotion models. Standard on Match, GT, GTD, GTI and R models. Paddle shift is standard on GT, GTD, GTI and R models. Optional on Match models. Also available as an option is the **leather trimmed three-spoke heated multifunction steering wheel**, offering all the features of the multifunction steering wheel, whilst warming your hands on cold days. Optional on Match and GT models.

**05 The Mirror pack** includes electrically foldable door mirrors, door mirror puddle lights and reverse activated kerb-view adjustment on the passenger's door mirror. Optional on S and BlueMotion models. Standard on Match, GT, GTD, GTI and R models.

**06 Two remote folding keys** for the central locking enable you to open the doors at the touch of a button. Standard on all models.

Interior shown is Golf GT DSG with optional Discover Navigation Pro touch-screen navigation/DVD radio system, climate control – 2Zone electronic air conditioning, 'Vienna' leather upholstery and metallic paint.

**01** 6J x 15" **steel wheels** with 195/65 R15 tyres and wheel trims. Standard on S models.

**02** **'Lyon'** 6J x 15" alloy wheels with 195/65 R15 tyres and anti-theft wheel bolts. Standard on BlueMotion and optional on S models.

**03** **'Dover'** 6½J x 16" alloy wheels with 205/55 R16 tyres and anti-theft wheel bolts. Standard on Match models.

**04** **'Dijon'** 7J x 17" alloy wheels with 225/45 R17 tyres and anti-theft wheel bolts. Standard on GT models.

**05** **'Nogaro'** 7½J x 18" alloy wheels with 225/40 R18 tyres and anti-theft wheel bolts. Standard on GTD models.

**06** **'Austin'** 7½J x 18" alloy wheels with 225/40 R18 tyres and anti-theft wheel bolts. Standard on GTI models. Image shown features optional GTI Performance pack and Oryx White premium paint.

**07** **'Cadiz'** 7½J x 18" alloy wheels with 225/40 R18 tyres and anti-theft wheel bolts. Standard on R models.

**08** **'Perth'** 6½J x 16" alloy wheels with 205/55 R16 tyres and anti-theft wheel bolts. Optional on S and BlueMotion models.

**09** **'Geneva'** 7J x 17" alloy wheels with 225/45 R17 tyres and anti-theft wheel bolts. Optional on GT models.

**10** **'Madrid'** 7J x 17" alloy wheels with 225/45 R17 tyres, anti-theft wheel bolts and lowered sports suspension. Optional on Match models.

**11** **'Singapore'** 7J x 17" alloy wheels with 225/45 R17 tyres and anti-theft wheel bolts. Optional on Match and GT models. Match models also include lowered sports suspension.

**12** **'Serron'** 7½J x 18" alloy wheels with 225/40 R18 tyres and anti-theft wheel bolts. Optional on GT models. Not available in conjunction with 1.4 ltr TSI ACT engines.

**13** **'Durban'** 7½J x 18" alloy wheels with 225/40 R18 tyres and anti-theft wheel bolts. Optional on GT models. Only available in conjunction with 1.4 ltr TSI ACT engines.

**14** **'Santiago'** 7½J x 19" alloy wheels with 225/35 R19 tyres and anti-theft wheel bolts. Optional on GTD and GTI models. Not available in conjunction with optional panoramic sunroof.

**15** **'Pretoria'** 8J x 19" alloy wheels with 235/35 R19 tyres and anti-theft wheel bolts. Optional on R models.

# There's a Volkswagen for all of us.

Nippy city run around? Luxurious executive saloon? Open-top cruiser? Whatever it is you're looking for, we probably have it. From the iconic Beetle and Golf GTI to the up! and fuel-efficient BlueMotion Golf, there's a Volkswagen for everyone.

If you're thinking you might like to try a different Volkswagen, take a look at the selection below to see what else we have. There are 21 models in our range, so there's bound to be at least one that catches your eye.

To see these models and configure your ideal Volkswagen, visit: [www.volkswagen.co.uk](http://www.volkswagen.co.uk)

## Sporty

**Golf:** As exciting to drive as it is to look at. Style, performance and power.

You will also find our sporty gene in the iconic Golf GTD and R. Or for something more refined and elegant, there's the Eos too.

## Efficient

Our **BlueMotion** models benefit from innovative energy-saving technology that helps you optimise fuel consumption and reduce harmful emissions. This includes low rolling resistance tyres and improved aerodynamics, accompanied with advanced engines and gearboxes. Choose from the BlueMotion Polo, Golf, Golf Estate and Golf SV.

However, BlueMotion Technology can be found across our range where automatic Start/Stop technology and brake energy recuperation is standard on the majority of our engines, helping you to save more money by being more efficient.

## Spacious family cars

**Sharan:** The ultimate in convenience with sliding rear doors, and enough space for the whole family. And their luggage. And the dogs.

If it's space you're after, then you might also like to consider the Tiguan, Golf SV, Golf Estate, Touran and new Passat Estate.

## Style

**Beetle:** The original icon. And still the most unique way to make a fashion statement.

For more fun with the top down, why not consider Beetle Cabriolet, Golf Cabriolet or Eos.

## City run around

**up!:** The ideal city car. Efficient, fun and surprisingly spacious, with that trademark Volkswagen solidity.

If you're looking for something slightly more spacious, then why not consider the up!'s bigger sibling, the Polo. City run around efficiency with more versatility and even more space can be found on the iconic Golf – winner of 'World Car of the Year 2013'.

## Executive

**Volkswagen CC:** Perfectly turned out high-tech, executive luxury. A contemporary, stylish and innovative coupé.

All the luxury you need can also be found in the top of the range Phaeton, and executive comfort in the new Passat, new Passat Estate and Jetta.

## 4x4

**New Touareg:** The SUV just got smarter. True four by four capability off-road, and smooth, luxurious and powerful when on it. Features four wheel drive technology, '4MOTION', as standard for optimum road grip, stability and control.

Go anywhere, do anything in our four wheel drive alternatives: Tiguan and new Passat and Estate 4MOTION models.

TECHNOLOGY.

Technical specification notes

- 01) The maximum power output figures are quoted in PS (or Pferdestärke, which is the metric equivalent of horsepower). To convert from metric to imperial horsepower, divide the PS figure by 1.0139.
- 02) Figures are calculated in accordance with manufacturer’s criteria. The individual unladen weight depends on the specification of the vehicle, this then reduces the possible payload accordingly. The unladen weight and payload both include the fuel tank 90% full, driver (68kg) and luggage (7kg) in line with EU directive 95/48. Unladen weight shown refers to 3-door models. The unladen weight of 5-door models will increase by 30kg.
- 03) With increasing altitude the engine performance diminishes. From 1,000m above sea level and for every 1,000m thereafter 10% of the vehicle/trailer weight (trailer weight + gross vehicle weight) must be deducted.
- 04) The use of 100% RME and FAME (bio diesel) is not possible. Forecourt diesel with up to 7% bio diesel content, adhering to standard BS EN 590, can be used in diesel engines. The use of ethanol in forecourt petrol meeting BS EN 228 is allowable.
- 05) The size of the fuel tank is approximate and therefore it may be possible to add a greater amount of fuel than the size of the tank specified, due to the space in the filler neck.
- 06) Fuel consumption and CO<sub>2</sub> figures are obtained under standardised EU test conditions (Directive 93/116/EEC). This allows a direct comparison between different manufacturer models but may not represent the actual fuel consumption achieved in ‘real world’ driving conditions. More information is available on the Volkswagen web site at [www.volkswagen.co.uk](http://www.volkswagen.co.uk) and at [www.vca.gov.org](http://www.vca.gov.org).
- 07) The weight of a vehicle will influence the level of CO<sub>2</sub> emission it produces; as a result, vehicles with higher levels of specification and factory-fitted options may emit higher levels of CO<sub>2</sub>.

Transmission

- Electronic differential lock, combined with a hydraulically operated single-plate dry clutch with asbestos-free lining via a six or seven speed automatic DSG gearbox
- Front wheel drive through asbestos-free single-plate dry clutch. Hydraulic clutch-mechanism. Five or six speed manual, six or seven speed automatic DSG gearbox with double joint half axles (wet clutch on six speed DSG models)
- Four wheel drive (R only) with electronically controlled multi-plate clutch. Hydraulically operated single-plate dry clutch with asbestos-free lining via a six speed manual or six speed auto DSG gearbox with double joint half axles (wet clutch on six speed DSG models)

Brakes

- Electronically controlled Anti-lock Braking System (ABS) with Electronic Brake-pressure Distribution (EBD)
- Diagonal twin-circuit brake system with ventilated front disc brakes and rear disc brakes
- Asbestos-free brake pad
- HBA (Hydraulic Brake Assist)

Steering

- Electro-mechanical steering rack
- Collapsible, height and lengthways adjustable safety steering column

Running gear

- ESC (Electronic Stability Control) including EDL (Electronic Differential Lock), ASR (Traction Control) and Countersteer Support
- Front suspension through coil springs with telescopic shock absorbers, all elements integrated in chassis legs
- Mechanical limited slip differential (230 PS GTI Performance pack only)
- Rear suspension with gas pressure shock absorbers and separate springs
- Twist beam rear axle (1.2 litre TSI 85 PS, 1.2 litre TSI 105 PS, 1.6 litre TDI 90 PS, 1.6 litre TDI 105 PS, 1.6 litre TDI 110 PS)
- Multilink rear axle (1.4 litre TSI 122 PS, 1.4 litre TSI ACT 150 PS, 2.0 litre TSI 220 PS, 2.0 litre TSI 230 PS, 2.0 litre TSI 300 PS, 2.0 litre TDI 150 PS, 2.0 litre TDI 184 PS)
- Wheel control: front through chassis legs and (lower) triangular wishbones (directionally stabilising steering roll radius)
- Wheel control: rear through four-link suspension with independent wheel suspension
- Front and rear anti-roll bar
- XDSPlus electronic differential lock

Engines

- Front transverse-installed engine
- 1.2 litre/85 PS<sup>(01)</sup> (63 kW) petrol engine: EU5 emissions standard, four cylinder in-line direct injection engine, with two valves per cylinder. Fitted with a turbocharger module with electric boost pressure regulation. Available with a five speed manual transmission
- 1.2 litre/105 PS<sup>(01)</sup> (77 kW) petrol engine: EU5 emissions standard, four cylinder in-line direct injection engine, two valves per cylinder and turbocharger module with electric boost pressure regulation. Available with a six speed manual or a seven speed automatic DSG transmission
- 1.4 litre/122 PS<sup>(01)</sup> (90 kW) petrol engine: EU5 emissions standard, four cylinder in-line direct injection turbocharged engine, with four valves per cylinder. Fitted with a turbocharger. Available with a six speed manual or a seven speed automatic DSG transmission
- 1.4 litre/150 PS<sup>(01)</sup> (110 kW) petrol engine: EU6 emissions standard, four cylinder in-line direct injection turbocharged engine, with four valves per cylinder. Fitted with a turbocharger. Available with a six speed manual or a seven speed automatic DSG transmission
- 2.0 litre/220 PS<sup>(01)</sup> (162 kW) petrol engine: EU6 emissions standard, four cylinder in-line direct injection turbocharged engine. Fitted with four valves per cylinder and a turbocharger. Available with a six speed manual or a six speed automatic DSG transmission
- 2.0 litre/230 PS<sup>(01)</sup> (169 kW) petrol engine: EU6 emissions standard, four cylinder in-line direct injection turbocharged engine. Fitted with four valves per cylinder and a turbocharger. Available with a six speed manual or a six speed automatic DSG transmission
- 2.0 litre/300 PS<sup>(01)</sup> (221 kW) petrol engine: EU6 emissions standard, four cylinder in-line direct injection turbocharged engine. Fitted with four valves per cylinder and a turbocharger. Available with a six speed manual or a six speed automatic DSG transmission
- 1.6 litre/90 PS<sup>(01)</sup> (66 kW) common rail diesel engine: EU5 emissions standard, four cylinder in-line turbocharged engine, with four valves per cylinder. Fitted with a turbocharger and a DPF (diesel particulate filter). Available with a five speed manual transmission
- 1.6 litre/105 PS<sup>(01)</sup> (77 kW) common rail diesel engine: EU5 emissions standard, four cylinder in-line common rail diesel engine, with four valves per cylinder. Fitted with a turbocharger and a DPF (diesel particulate filter). Available with a five speed manual or a seven speed automatic DSG transmission
- 1.6 litre/110 PS<sup>(01)</sup> (81 kW) common rail diesel engine: Available with a six speed manual transmission
- 2.0 litre/150 PS<sup>(01)</sup> (110 kW) common rail diesel engine: EU5 emissions standard, four cylinder in-line common rail diesel engine, with four valves per cylinder. Fitted with a turbocharger and a DPF (diesel particulate filter). Available with a six speed manual or a six speed automatic DSG transmission
- 2.0 litre/184 PS<sup>(01)</sup> (135 kW) common rail diesel engine: EU6 emissions standard. Available with a six speed manual or a six speed automatic DSG transmission

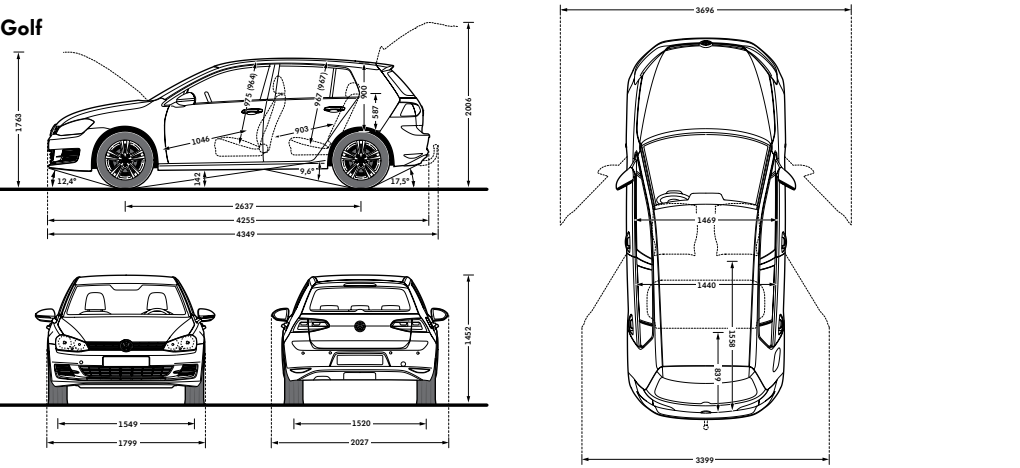

DIMENSIONS.

Exterior dimensions	S, BlueMotion, Match, GT
Length, mm	4255
Width – excl. door mirrors – 3-door/5-door, mm	TBA/1799
Width – opened front doors – 3-door/5-door, mm	TBA/3696
Height – mm	1452
Height – opened bonnet/floor, mm	1763
Height – opened tailgate/floor, mm	2006
Wheelbase, mm	2637
Turning circle, mm	10900

Interior dimensions	
Effective headroom – front, mm (with sunroof)	975 (964)
Effective headroom – rear, mm (with sunroof)	967 (967)
Elbow width, front – 3-door/5-door, mm	TBA/1469
Elbow width, rear – 3-door/5-door, mm	TBA/1440

Maximum luggage capacity, litres VDA measuring method using 200 x 100 x 50mm blocks	
With rear seats upright	380
With rear seats folded	1270

On illustrations, where arrows and figures are shown inside of the vehicle, the measurements are for interior dimensions. Where arrows and figures are shown outside of the vehicle, the measurements are for exterior dimensions.

DIMENSIONS (CONTINUED).

Elbow width, rear – 3-door/5-door, mm	TBA/1440	TBA/1440

Maximum luggage capacity, litres VDA measuring method using 200 x 100 x 50mm blocks		
With rear seats upright	380	343
With rear seats folded	1270	1233

On illustrations, where arrows and figures are shown inside of the vehicle, the measurements are for interior dimensions. Where arrows and figures are shown outside of the vehicle, the measurements are for exterior dimensions.

Model shown is Golf R with optional 19" 'Pretoria' alloy wheels and metallic paint.

# VOLKSWAGEN SERVICE.

## The Volkswagen Warranty

### Three-year Warranty

All Volkswagen passenger cars come with a three-year/60,000 miles warranty, which protects your car against the failure of most technical and electrical components due to manufacturing defects. This comprises a two-year manufacturer's warranty with unlimited mileage plus a further one-year/60,000 miles (whichever is soonest) Retailer Warranty<sup>1</sup>. Should the mileage exceed 60,000 miles within the first two years, the manufacturer's two-year warranty will still be valid. Full details of the three-year warranty are available from your authorised Volkswagen retailer or repairer.

### Body Protection Warranty

The internal body sections and panels of the Golf are covered against rusting through from the inside for 12 years. Naturally, the vehicle must be cared for in compliance with the operating instructions. Please consult your authorised Volkswagen retailer or repairer for full warranty details.

### Three-year Paintwork Warranty

This latest warranty, pioneered by Volkswagen, really provides you with the widest possible cover on a new car. There are no special conditions attached and paintwork manufacturing defects will be rectified without charge. Naturally, during the warranty period the car must be cared for in compliance with the operating instructions.

### Approved Accessories

A comprehensive range of accessories from alloy wheels to carpet mats is available to complement the factory-fitted option list. Volkswagen approved accessories purchased from and fitted by your authorised Volkswagen retailer at the point of vehicle sale will also benefit from the three-year vehicle warranty.

### Extended Warranty

If you order the Volkswagen Extended Warranty as an option when buying your new Golf then you get the 100% Volkswagen Warranty and you can continue to enjoy comprehensive Volkswagen protection against many unforeseeable repair costs. Designed to your needs, you can purchase an extra one or two year's warranty up to a maximum of five years or 90,000 miles.

## Service Intervals

Volkswagen is pleased to offer you a choice on how your Volkswagen is serviced. The appropriate selection is entirely dependent on how the car is likely to be driven and its general use. To help you identify which type of service would be most suitable, please refer to the following guide.

The Fixed Service is recommended for vehicles that will cover less than 10,000 miles in 12 months and if the vehicle is likely to be used in the following way:

- Predominantly urban driving, short journeys with frequent cold starts.
- Activities regularly producing high engine loading, e.g. frequent hill climbs, driving with vehicle fully loaded and towing.
- Uneconomical driving style using high rpms with heavy acceleration and heavy braking.

The service intervals for the Fixed Service are as follows:

- Oil change service – After 1 year or 10,000 miles (15,000km), whichever is soonest.
- Inspection service<sup>2</sup> – First after 2 years or 20,000 miles (30,000km), then every one year or 20,000 miles (30,000km), whichever is soonest.

The Flexible Service is recommended for vehicles with daily mileage of more than 25 miles where the vehicle is driven regularly mainly on longer distance journeys. The vehicle is driven mainly at a constant speed with minimum vehicle and engine loading, minimal towing and driven in an economical manner. With the Flexible Service the vehicle can cover anywhere between 10,000<sup>3</sup> and a maximum of 20,000<sup>3</sup> miles or 24 months (whichever is soonest) between oil changes.

The service intervals for the Flexible Service are as follows:

- Oil change service – According to flexible service interval display (after 2 years at the latest).
- Inspection service<sup>2</sup> – First after 2 years or 20,000 miles (30,000km), then every one year or 20,000 miles (30,000km), whichever is soonest.

The up! model is only available with the Fixed Service schedule. Please consult your authorised Volkswagen retailer or repairer for advice and full details.

Please note: If you purchase a Volkswagen Fixed Price Service Plan your vehicle will follow the Fixed Service schedule.

## Volkswagen Insurance<sup>4</sup>

We want you to start enjoying your new car from day one and thanks to Volkswagen Insurance complimentary seven day cover, you can. Call free on 0800 316 7892 (lines are open Monday to Friday 8am – 9pm and Saturday 9am – 5pm), provide a few details and a cover note will be sent to your retailer. They will then tax your car and you can drive it away.

## Volkswagen Ensurance<sup>5</sup>

Get three years' Volkswagen Ensurance cover for free.

Another great benefit of being a Volkswagen driver. If your Volkswagen was damaged in an accident, wouldn't you want it fixed by a Volkswagen trained technician using only genuine Volkswagen parts?

Ensurance is Volkswagen's accident and repair cover which does exactly that. It works alongside your main comprehensive motor insurance policy no matter who you are insured with, to make sure you get the quality repair and service you would want. If you're involved in an accident or your car is stolen, just one call to us and we'll look after your claim from start to finish ensuring your Volkswagen is restored to the highest standard.

Activate your cover and benefit from:

- A guarantee that your Volkswagen will be repaired in a Volkswagen Insurance approved repairer, by Volkswagen trained technicians, using only genuine Volkswagen parts and paints.
- A dedicated Claims Manager will manage your claim from start to finish, liaising with your insurer and the repairer so you don't have to.
- Help to recover any uninsured losses using our Legal Expenses Cover.
- Online claims tracking so you can keep up to date with the status of any claim.

Volkswagen Ensurance is free to all Volkswagen customers for three years and it only takes a minute to get cover. To find out more and to activate your cover, visit [volkswagen-ensurance.co.uk](http://volkswagen-ensurance.co.uk)

## Volkswagen Finance<sup>6</sup>

Volkswagen Finance specialises in providing funding solutions for Volkswagen drivers. Whether your Volkswagen is for private or business use, you can choose from a range of funding options.

- Solutions – a personal contract plan
- Hire purchase
- Lease purchase
- Finance lease
- Contract hire

With all Volkswagen Finance products you can choose a fixed-cost maintenance plan to help you budget for your servicing and maintenance costs. No matter what finance product you choose, your local Volkswagen retailer will be able to provide you with a personalised quote that could meet your budget and vehicle needs.

## CO<sub>2</sub> Emissions

Increased weight of a vehicle, including higher trim levels and the addition of options will have

a detrimental influence on the level of fuel consumption and CO<sub>2</sub> emissions produced.

The CO<sub>2</sub> and fuel consumption figures are obtained from tests on a representative vehicle of the type, conducted and approved in accordance with Council Directive 80/1268/EEC as amended by Directive 1999/100/EC (or later) on the approximation of the laws of the member states relating to the carbon dioxide emissions and the fuel consumption of motor vehicles.

## Volkswagen Roadside Assistance

Every new car is registered for Volkswagen Roadside Assistance for one year except the Touareg and Phaeton which are registered for three years. This provides vehicle roadside and home recovery in the unlikely event of a breakdown in the UK and Europe (subject to conditions). Volkswagen Roadside Assistance can also be purchased for subsequent years. For full details, please contact your authorised Volkswagen retailer.

## Tax Free Sales

For full details, please contact your authorised Volkswagen retailer.

## Please note:

Some illustrations in this brochure do not necessarily reflect UK specifications and may not be available. In particular, controls and some items of equipment are positioned differently for the UK. The specifications contained in this brochure are for information purposes only and are subject to change. If you require any specific feature, you must consult your authorised Volkswagen retailer who is regularly updated with any change in specification. Please check model availability and full specification details with your authorised Volkswagen retailer prior to ordering.

Note: we would like to advise you that telephone calls to Volkswagen Customer Care may be monitored and recorded as part of our training and quality assurance processes. All our monitoring and recording processes meet OfTel regulations.

<sup>1</sup> All warranty work must be completed by an authorised Volkswagen retailer or repairer.  
<sup>2</sup> The inspection service first at 3 years (or 40,000 miles) and then every second year (or 40,000 miles) has additional workscope.  
<sup>3</sup> The quoted mileage is based on a conversion from kilometres and is therefore unlikely to exceed circa 18,000 miles between oil changes.  
<sup>4</sup> Volkswagen Insurance is a trading name of Volkswagen Insurance Service (Great Britain) Limited, an appointed representative of Volkswagen Financial Services (UK) Limited, Brunswick Court, Yeomans Drive, Blakelands, Milton Keynes MK14 5LR. Registered in England number 2835230. Volkswagen Insurance is sold, underwritten and administered by Allianz Insurance plc registered in England number 84638. Registered office 57 Ladymead, Guildford, Surrey GU1 1DB. Volkswagen Financial Services (UK) Limited and Allianz Insurance plc are authorised and regulated by the Financial Services Authority. Volkswagen Financial Services (UK) Limited and Allianz Insurance plc are not part of the same corporate group.  
<sup>5</sup> Ensurance from Volkswagen Insurance is sold and administered by Lawshield UK Limited, registered in England number: 3360532 (registered office: Lawshield House, 850 Ibis Court, Lakeside Drive, Centre Park, Warrington, Cheshire WA1 1RL) and underwritten by UK General Insurance Limited on behalf of Ageas Insurance Limited, registered in England number: 354568 (registered office: Ageas House, Tollgate, Eastleigh, Hampshire SO53 3YA).  
<sup>6</sup> Finance is available to 18s and over, subject to status. Terms and conditions apply. Volkswagen Finance.
