# A MASTERPIECE OF MODERN ENGINEERING.

Model shown is Golf Estate GT with optional Bi-xenon headlights, 18" 'Durban' alloy wheels and metallic paint.

# THE GOLF ESTATE. WHERE EXCEPTIONAL IS STANDARD.

With its distinctive black air intake and radiator grille, body-coloured bumpers and door mirrors, and tinted glass, the new front design is eye-catching, iconic and unmistakeably Golf. With up to 1,620 litres of boot space, the Golf Estate is incredibly versatile. And that's just the inside story. Outside, it is equally impressive, with sculpted bodylines, integral rear lights and a rear tailgate spoiler creating a look that is dynamic and exciting. Never has such spaciousness looked quite so good.

**Golf Estate**

# THE GOLF ESTATE. THE GOLF AMONG ESTATES.

The Golf Estate offers everything you would expect and more. It has the same high levels of equipment, refinement and safety as the award-winning Golf hatchback, the same powerful performance and exceptional economy, and the same sporty elegance. But then it goes one better, with an extra 307mm of body length. Giving you more space than ever before.

Model shown is Golf Estate GT with optional Bi-xenon headlights and metallic paint.

FIRST YOU SEE IT.

**THEN YOU EXPERIENCE IT.**

Interior shown is Golf Estate GT DSG with optional Discover Navigation Pro touch-screen navigation/DVD radio system, climate control – 2Zone electronic air conditioning, 'Vienna' leather upholstery and metallic paint.

# OPEN UP A WORLD OF POSSIBILITIES.

## PANORAMIC SUNROOF

The electrically operated panoramic sunroof adds an extra dimension of light and space, while ensuring a draft-free journey. Choose closed, halfway, fully open or tilted, depending how much fresh air you require, or keep the sun out completely with the integrated roller blind. Optional on SE models and above.

## BIG ON SPACE, HUGE ON STYLE.

### VARIABLE BOOT FLOOR

With an impressive boot volume of 605 litres, the Golf Estate has the capacity to carry any combination of load, luggage or passengers you wish. When the backrests are folded down, the boot space increases to a massive 1,620 litres, and an additional load-through facility in the central armrest enables you to carry two skis or snowboards with the greatest of ease. The load area is continuously level and can be lowered or removed totally for maximum boot space. And thanks to the low level sill height of just 60cm, even heavy objects can be easily loaded.

### AUTOMATICALLY FOLDING BACKRESTS

The backrests can be conveniently folded down remotely, either from the rear or the passenger compartment, while the removable and retractable luggage compartment cover will keep your possessions away from prying eyes.

## GOLF ESTATE S

The entry level Golf Estate S is equipped with a range of advanced features that is nothing short of exceptional. Externally, the black radiator grille, tinted glass and body-coloured bumpers, door handles, mirrors, rear tailgate spoiler and black roof rails provide the characteristic Golf look. Inside, the driver's and front passenger's seats upholstered in stylish 'Salt' cloth are height adjustable and, along with 'Dark Rhodium Fine' decorative inserts in dash and door panels, ensures total driving comfort.

The specification continues with a multifunction computer that includes a visual gear change recommendation for improved fuel consumption, manual air conditioning, electronic parking brake with auto hold function and a variable boot floor which is height adjustable and removable. The latest generation Composition Media system now features a larger 6.5 inch colour touch-screen that displays the DAB digital radio information, Think Blue. Trainer. – driver tips and journey analysis, car information display, title and cover art display and, for compatible Android smartphones, the SMS functionality which allows you to read, compose and send SMS messages using the touch-screen display, when the vehicle is stationary. Bluetooth telephone and audio connection now allows simultaneous pairing of two compatible mobile devices\*, while the MDI (Multi Device Interface) via USB connection, SD card reader and single CD player allows music playback from MP3, WMA and AAC files through eight speakers with 4 x 20 watt output.

Safety and security features too, with the latest safety systems including Automatic Post-Collision Braking, tyre pressure loss indicator, misfuel prevention device for diesel engines and the XDS electronic differential lock for improved traction and handling. Finally, a total of seven airbags, including a driver's knee airbag, provide peace of mind on every journey.

\* Devices must be Bluetooth HFP (Hands Free Profile) compatible, please contact your authorised Volkswagen retailer for specific phone compatibility.

Interior shown is Golf Estate S with optional metallic paint.

# GOLF ESTATE BLUEMOTION

BlueMotion Technologies feature on every Golf Estate which help improve more efficient driving. The Golf Estate BlueMotion also includes a number of other innovative features and engineering refinements to help reduce fuel consumption and CO<sub>2</sub> emissions.

The body is lowered by reducing the suspension by 10mm, and this together with the underbody panelling, the partially closed black radiator grille and the D-pillar rear tailgate spoiler, all greatly improve aerodynamics. Other contributing factors are the innovative lightweight construction and refined transmission with longer gear ratios. And, of course, the Start/Stop function, cruise control, battery regeneration system and multifunction computer with visual gear change recommendation. Through a combination of all these measures, fuel consumption and CO<sub>2</sub> emissions are significantly reduced. The effectiveness of all these refinements is considerable. The Golf Estate BlueMotion with its efficient 1.6 litre 110 PS diesel engine returns an outstanding 80.7mpg on the Combined fuel cycle\* with impressive CO<sub>2</sub> emissions of just 92g/km, yet can still accelerate the Golf Estate BlueMotion from standstill to 62mph in only 11.0 seconds on its way to a top speed of 124mph (where the law permits).

This success can easily be seen. And to distinguish the Golf Estate BlueMotion, in fact, is quite simple. Unique only to the BlueMotion model is the distinctive 'BlueMotion' badging which adorns the front, back and sides of this very special Golf Estate model.

\* Please see pages 62-65 for CO<sub>2</sub> emissions and fuel consumption figures.

Model shown is Golf Estate BlueMotion with optional metallic paint.

## GOLF ESTATE BLUEMOTION

Style and comfort with impressive fuel consumption and CO<sub>2</sub> emissions combine seamlessly in the Golf Estate BlueMotion. Building over the already high specification of the Golf Estate S, durable 'Salt' cloth upholstery and 'Dark Rhodium Fine' decorative inserts in dash and door panels create a stylish interior. The latest generation Composition Media system with 6.5 inch colour touch-screen, DAB digital radio, Think Blue. Trainer. – driver tips and journey analysis, car information display, title and cover art display, Bluetooth telephone and audio connection, MDI (Multi Device Interface) via USB connection for compatible devices, SD card reader and single CD player help make every journey enjoyable. A lower, more aerodynamic look to the exterior is created by the partially closed black radiator grille with blue stripe, D-pillar spoiler and sports suspension. 15 inch 'Lyon' alloy wheels, black roof rails and unique 'BlueMotion' badging to the front radiator grille, front panels and rear tailgate complete the exterior look.

Interior shown is Golf Estate BlueMotion with optional metallic paint.

## GOLF ESTATE SE AND NEW SE BLUEMOTION

Luxury, style and comfort go hand in hand in the Golf Estate SE. 16 inch 'Toronto' alloy wheels, black front air intake and radiator grille with chrome trimmed inserts set the exterior scene. While inside, adding to the S specification, the refined interior features 'Brushed Dark Silver' decorative inserts, a leather trimmed three-spoke multifunction steering wheel and gear knob, multifunction computer with 3.5 inch TFT screen and front comfort seats with height and lumbar adjustment. The flexible layout features a load-through provision for carrying larger items, with a handy drawer beneath the passenger's seat and storage area in the roof console. The SE is equipped with a range of driver assistance systems including a Driver profile selection, Adaptive Cruise Control (ACC) including Front Assist a radar sensor controlled distance monitoring system and City emergency braking system, while SE and SE BlueMotion models both benefit from a Driver Alert system, cruise control and along with a dusk sensor, rain sensor, automatically dimming interior rear-view mirror and automatic coming/leaving home lighting function, ensure a level of specification that is truly impressive. Also available on the SE BlueMotion, which boasts all the luxury and style of the SE, plus all the fuel saving benefits of the BlueMotion. An aerodynamic black front air intake and radiator grille, D-pillar spoiler and lowered sports suspension all help aerodynamic efficiency, while the 1.0 litre 115 PS TSI petrol engine reduces CO<sub>2</sub> emissions and improves fuel consumption.

Interior shown is Golf Estate SE with optional metallic paint.

## GOLF ESTATE GT

Building over the SE model, exclusivity and refinement feature further throughout the Golf Estate GT, beginning with 17 inch 'Dijon' alloy wheels, sports suspension lowered by approx. 15mm and rear tinted glass 65% light absorbing from B pillar backwards, not to mention the chrome detailing on the front air intake surround and roundel surround, front fog lights and silver anodised roof rails. The chrome detail continues inside, along with 'Cyclone' and 'Gloss Black' decorative inserts, ambient lighting, front footwell illumination and front and rear reading lights with LED technology.

Other features such as front sports seats with Alcantara seat centre sections and 'Global' cloth side bolsters with height and lumbar adjustment, remote electrically foldable door mirrors and front and rear parking sensors all ensure the highest levels of luxury, comfort and relaxation on every journey. Finally, the latest generation Discover Navigation system which includes all the features of the Composition Media system as well as preloaded European navigation data, branded points of interest, dynamic navigation based on TMC+, three route options (Fast, Short, Eco), Speed Limit Display, 2D/3D map view and 3-years Car-Net 'Guide and Inform' access\* providing online access to a range of useful information such as traffic, fuel pricing, parking space availability, weather and news feeds.

\* Car-Net 'Guide and Inform' services are accessed via a compatible mobile device. Please see [www.volkswagen.co.uk](http://www.volkswagen.co.uk) for more information. The use of 'Guide and Inform' services entails exchanging large volumes of data. As such, we strongly recommend that you sign-up for a flat rate data plan with your mobile network provider. After the initial 3-year Car-Net contract, an annual subscription is chargeable for the continuation of 'Guide and Inform' services.

Interior shown is Golf Estate GT DSG with optional Discover Navigation Pro touch-screen navigation/DVD radio system, climate control – 2Zone electronic air conditioning, 'Vienna' leather upholstery and metallic paint.

# THE NEW GOLF ALLTRACK

## MAKES EVERY DAY AN ADVENTURE.

Asphalt or dirt track, mountain or coast road, the exciting new Golf Alltrack is equipped for every situation. A combination of 4MOTION four wheel drive, up to 15mm increased ground clearance, ABSPlus, off-road suspension and an 'Off-road' setting which includes hill descent assist, gives the new Golf Alltrack exceptional off-road driving characteristics, while a wealth of exterior and interior refinements ensure a Golf Estate that's dynamic, adventurous and ready for anything.

As soon as you see its prominent anthracite wheel arch protection, matt-chrome effect and anthracite side sill protection, matt-chrome effect underbody protection at the front and rear, and sporty 17 inch 'Valley' alloys, you know this is a car built for action. The front design exudes charisma and style, with a black honeycomb radiator grille with matt-chrome effect stripe that now extends into headlights, unique 'Alltrack' badging, matching honeycomb lower air intake grille and uniquely shaped off-road front and rear bumpers.

Completing the external look and styling are Bi-xenon headlights featuring static cornering function, automatic range adjustment and LED daytime running lights, matt-chrome effect door mirrors, silver anodised roof rails and rear tinted glass 65% from the B pillar back.

Model shown is new Golf Alltrack with optional 18" 'Canyon' alloy wheels and metallic paint.

Interior shown is new Golf Alltrack with optional Discover Navigation Pro touch-screen navigation/DVD radio system.

## NEW GOLF ALLTRACK

The high end interior reflects the new Golf Alltrack's sporty off-road character, with such details as a multifunction leather-trimmed steering wheel and gear lever gaiter, front sports seats with height and lumbar adjustment, 'Alltrack' cloth seat centre sections with Alcantara side bolsters and 'Pavaino' decorative inserts on the dash, centre console and door panels.

Climate control – 2Zone electronic air conditioning will keep you comfortable wherever your travels may take you, allowing you and the front seat passenger to chose their preferred interior temperature. The latest generation Discover Navigation system features a 6.5 inch colour touch-screen, displaying preloaded European navigation data, branded points of interest, dynamic navigation based on TMC+, three route options (Fast, Short, Eco), Speed Limit Display, 2D/3D map view and 3-years Car-Net 'Guide and Inform' access\* that will help get you to your destination with minimal fuss. And just to ensure your comfort en route, you'll find extra touches such as Adaptive Cruise Control (ACC) including Front Assist, ambient lighting, front footwell illumination, brushed stainless steel pedals, chrome detailing on switches and buttons, brushed stainless steel door sill protectors with 'Alltrack' logo and carpet mats front and rear. Quite simply, all you could ask for and more.

\* Car-Net 'Guide and Inform' services are accessed via a compatible mobile device. Please see [www.volkswagen.co.uk](http://www.volkswagen.co.uk) for more information. The use of 'Guide and Inform' services entails exchanging large volumes of data. As such, we strongly recommend that you sign-up for a flat rate data plan with your mobile network provider. After the initial 3-year Car-Net contract, an annual subscription is chargeable for the continuation of 'Guide and Inform' services.

# THE NEW GOLF ESTATE GTD

## DYNAMIC, POWERFUL AND PRACTICAL.

The Golf Estate GTD proves that practical and sporty go together with head-turning style. From the minute you see its dynamic exterior, you can tell this is something special.

Stylish 18 inch 'Nogaro' alloy wheels, XDSPlus electronic differential lock for improved traction and handling, 'Grey' brake calipers, extended sill strips and unique 'GTD' badging set the scene, enhanced by the 'GTD' styling pack, comprising uniquely shaped bumpers and 'Black' honeycomb front air intake. Extra touches, such as the black honeycomb radiator grille with grey stripe that extends into the headlights, uniquely shaped rear roof spoiler and 'Black' rear diffuser with chrome twin exhaust tailpipe hint at its sporty performance, while 'GTD' sports suspension lowered by approximately 15mm ensures real sports handling. Other features include Bi-xenon headlights with static cornering function, automatic range adjustment and LED daytime running lights, headlight washers, silver anodised roof rails, front fog lights featuring LED technology and the choice of optional 'Carbon Grey' metallic paint which is available exclusively to the GTD. To the rear, 'smoked' light clusters and LED rear number plate lighting finish off the exterior styling.

# NEW GOLF ESTATE GTD

GTD styling continues inside with contemporary 'Jacara Grey' cloth upholstery, 'Cyclone' decorative inserts in the dash, centre console and door panels, and grey stitching and 'GTD' badging on the leather trimmed multifunction steering wheel and gear knob gaiter. The unique 'GTD' instrument cluster, multifunction colour display, stainless steel pedals, black rooflining and illuminated door sill protectors complete the picture.

Dynamic styling is complemented with both comfort and convenience for example, climate control – 2Zone electronic climate control, keyless entry and keyless start, progressive steering and a Winter pack, which includes heated front seats, heated windscreen washer jets and a low washer fluid warning light. Infotainment is supplied by the Discover Navigation system which includes all the features of the Composition Media system as well as preloaded European navigation data, branded points of interest, dynamic navigation based on TMC+, three route options (Fast, Short, Eco), Speed Limit Display, 2D/3D map view and 3-years Car-Net 'Guide and Inform' access\* providing online access to a range of useful information such as traffic, fuel pricing, parking space availability, weather and news feeds. Who said practicality comes at the expense of style?

\* Car-Net 'Guide and Inform' services are accessed via a compatible mobile device. Please see [www.volkswagen.co.uk](http://www.volkswagen.co.uk) for more information. The use of 'Guide and Inform' services entails exchanging large volumes of data. As such, we strongly recommend that you sign-up for a flat rate data plan with your mobile network provider. After the initial 3-year Car-Net contract, an annual subscription is chargeable for the continuation of 'Guide and Inform' services.

Interior shown is new Golf Estate GTD with optional Discover Navigation Pro touch-screen navigation/DVD radio system and Tornado Red non-metallic paint.

Model shown is new Golf Estate R with optional Lapiz Blue metallic signature paint.

# THE NEW GOLF ESTATE R THE REAL DEAL.

The Golf Estate R makes a real statement. From the minute you see its exciting exterior, you'll be smitten. If you're looking for practicality wrapped up in the ultimate sports package, this is the real deal.

The dynamic design features a unique 'R' radiator grille with matt-chrome strip that extends into the headlights, large air intakes and uniquely shaped front and rear bumpers and side sills emphasising its sports temperament, while the prominent 'R' badging leaves a lasting impression. 18 inch 'Cadiz' alloy wheels and 'Black' brake calipers, matt-chrome effect door mirrors and a 'Black' rear diffuser with twin oval chrome exhaust tailpipes left and right, enhance its sporting prowess, while 'R' sports suspension lowered by approximately 15mm and 4MOTION permanent four wheel drive ensure dynamic handling. Distinctive Bi-xenon headlights with static cornering function, automatic range adjustment and unique double 'U-shaped' LED daytime running lights complete its sporty look. If that's not enough, exclusively available to the Golf Estate R is optional Lapiz Blue metallic signature paint which will add a touch of individuality to really make it stand out from the crowd.

Golf Estate R delivers all the exhilaration, excitement and dynamic handling you would expect. The adrenalin buzz begins as soon as you drive the Golf Estate R, propelling you from a heart pounding 0 – 62mph in 5.1 seconds and accelerating to a top speed of 155 mph, where the law permits. For those who love performance, go for the eye-catching and powerful R.

## NEW GOLF ESTATE R

The interior is testament that size and sportiness are not mutually exclusive. Stylish front sports seats, upholstered with 'Race' cloth centre sections and grey Alcantara side bolsters feature the embroidered 'R' logo, and the leather trimmed three-spoke multifunction steering wheel also bears the 'R' logo. Other design touches include 'Carbon-touch' decorative inserts in the dash and door panels, 'Gloss Black' decorative inserts in the centre console and the unique 'R' gear lever knob, while the 'R' instrument cluster, blue ambient lighting and special 'R' designed key highlight the fact that this is no ordinary Golf Estate.

When you are not listening to the sound of the 2.0 litre TSI 300 PS engine, the latest generation Composition Media system will provide all your audio needs. It features a larger 6.5 inch colour touch-screen that displays the DAB digital radio information, Think Blue. Trainer. – driver tips and journey analysis, car information display, title and cover art display and, for compatible Android smartphones, the SMS functionality which allows you to read, compose and send SMS messages using the touch-screen display. Bluetooth telephone and audio connection now allows simultaneous pairing of two compatible mobile devices\*, while the MDI (Multi Device Interface) via USB connection, SD card reader and single CD player allows music playback from MP3, WMA and AAC files through eight speakers with 4 x 20 watt output.

\* Devices must be Bluetooth HFP (Hands Free Profile) compatible, please contact your authorised Volkswagen retailer for specific phone compatibility.

Interior shown is new Golf Estate R with optional Discover Navigation Pro touch-screen navigation/DVD radio system, 'Vienna' leather upholstery and metallic signature paint.

# DESIGNED TO PERFORM. ENGINEERED TO PERFECTION.

Powerful TSI and TDI engines deliver effortless performance, mile after mile, ensuring maximum driving enjoyment even on the longest journey. Thanks to the impressive fuel consumption of these engines, fewer stops are required for refuelling, enabling you to reach your destination completely relaxed.

Equipped with such technology as turbocharging and dual-clutch DSG transmission, and achieving top speeds of up to 155mph, where the law permits, the Golf Estate delivers real sports performance.

Five petrol TSI engines are available, starting with the 1.2 litre TSI 85 PS available for the Golf Estate S and the 1.4 litre TSI 125 PS that powers the S and SE models. The latest addition to the range is the 1.0 litre TSI 115 PS that powers the new Golf Estate SE BlueMotion. The more powerful TSI units are the 1.4 litre TSI 150 PS for the GT, and finally the exhilarating 2.0 litre TSI 300 PS that lies beneath the bonnet of the new Golf Estate R.

If it's a diesel you wish to opt for, there are four TDI variants in the range. Two 1.6 litre TDI units are available, with 90 PS for the Golf Estate S and 110 PS for the S, BlueMotion, SE and Alltrack models. There are also two 2.0 litre TDI engines available, the first producing 150 PS available for the SE, GT and Alltrack models and finally the most powerful diesel in the range, the 184 PS available exclusively to the new Alltrack and GTD.

Model shown is Golf Estate GT with optional 18" 'Durban' alloy wheels and metallic paint.

# ENGINES AND GEARBOXES

## 01 // DSG

Dual-clutch DSG (Direct Shift Gearbox) shifts smoothly and imperceptibly into the next pre-selected gear within a few hundredths of a second, without disrupting traction. This enables you to change gear faster than a manual and more smoothly than a conventional automatic, making dynamic acceleration twice as much fun. Interior shown is Golf Estate GT DSG with optional climate control – 2Zone electronic air conditioning and 'Vienna' leather upholstery.

## 02 // DRIVER PROFILE SELECTION

The driver profile selection enables you to adjust your vehicle to suit your personal driving style, with a choice of Normal, Eco and Sports settings. When used in conjunction with optional Dynamic Chassis Control (DCC), it enables you to also control the damping, ensuring greater driving comfort. Standard on SE, GT, Alltrack, GTD and R models.

## 03 // DYNAMIC CHASSIS CONTROL (DCC)

Dynamic Chassis Control (DCC), works alongside the driver profile selection, allowing you to adjust the damping control and shock absorption rate to the road conditions and your driving style, with a choice of three settings: Sport, Comfort and Normal. Optional on SE, GT, Alltrack, GTD and R models. Not available on 110 PS and 125 PS engines.

01

02

03

04

05

## 04 // TDI

TDI diesel engines, equipped with common rail technology, ensure low consumption, high torque and amazingly quiet performance.

## 05 // TSI

A combination of direct fuel injection and intelligent turbocharging technology ensures TSI petrol engines deliver maximum torque at low speeds, reducing fuel consumption and noise levels, while ensuring powerful performance. Image shown is 2.0 litre TSI 300 PS engine for the new Golf Estate R.

## 06 // 4MOTION

Intelligent 4MOTION four wheel drive distributes power to all four wheels as required, and ensures optimum traction on almost every surface, even in adverse weather conditions. Standard on Alltrack and R models.

06

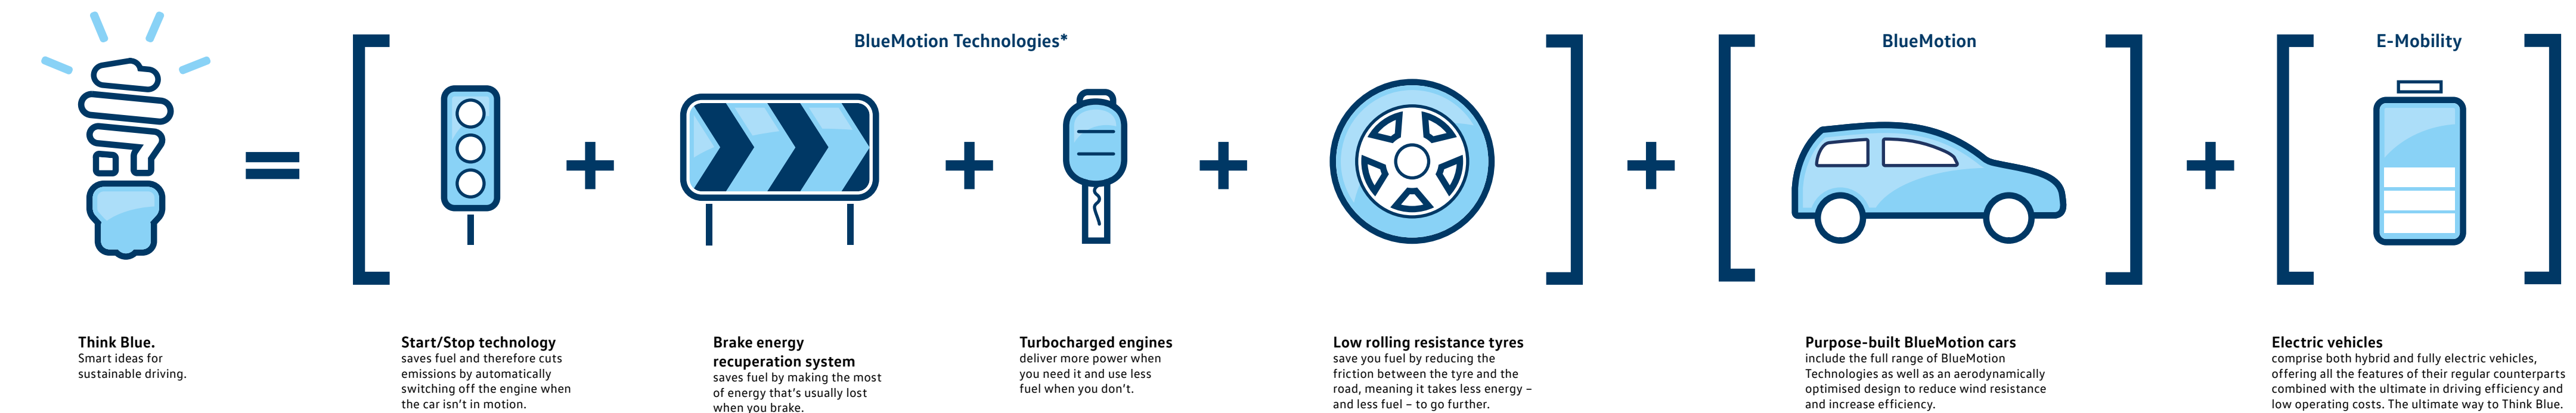

# Think Blue.

## Sustainability + Ingenuity.

‘Think Blue’ is Volkswagen’s promise to create progressive, environmentally friendly products and processes. So, from our concepts to our designs, from our fabrics to our machines, from our buildings to our water supply and from our engines to the open road, we can help shape a more sustainable future. We have already started by creating electric vehicles, BlueMotion models and efficient BlueMotion Technologies that save you money and reduce emissions.

\*BlueMotion Technologies are available on all Volkswagens, excluding Phaeton, and vary between models.

PARKS, BRAKES AND  
**MONITORS THE TRAFFIC.**  
**DRIVING ASSISTANTS THAT HELP**  
**KEEP YOU SAFE.**

It's easy to enjoy the journey once you're behind the steering wheel of the Golf Estate. With up to 20 driver assistance systems on board to help you drive and stay safe, such as Front Assist, which monitors the traffic ahead of you, and Park Assist, which helps you park in spaces only 1.1 metres longer than the vehicle, all you have to focus on is having fun. How difficult is that? Park Assist is optional on all models except R.

Model shown is Golf Estate GT with optional Park Assist, Bi-xenon headlights, 18" 'Durban' alloy wheels, panoramic sunroof and metallic paint.

# SAFETY

**01 // AUTOMATIC POST-COLLISION BRAKING SYSTEM**

Supported by the airbag sensors, the Automatic Post-Collision Braking System automatically initiates braking after the vehicle suffers a collision, and brakes for as long as necessary to reduce the speed of the vehicle to 6mph in order to prevent or minimise the severity of subsequent collisions. Standard on all models.

**02 // PRECRASH PREVENTIVE OCCUPANT PROTECTION**

This is a proactive passenger safety system that identifies a critical driving situation and automatically closes the electric windows and optional panoramic sunroof, as well as tensioning the front seat belts as a precautionary measure. Standard on SE models and above. Optional on S and BlueMotion models.

**03 // DRIVER ALERT SYSTEM**

A tightly held steering wheel and erratic steering movements are the first signs of driver fatigue. If several of these signs appear one after the other, the Driver Alert system recommends taking a break via visual and acoustic signals, helping to keep you safe on long journeys. Standard on SE models and above. Optional on S and BlueMotion models.

**04 // LANE ASSIST WITH SIDE SCAN**

Lane Assist is a camera controlled warning system that warns the driver via an audible warning and steering wheel vibration if the vehicle is about to leave its chosen lane unintentionally. Side Scan assists you if you want to change lane safely at speeds over 37mph. The system warns you of any road users in your blind spot via a warning light within the door mirror housing and an audible warning within the vehicle. This option also includes High Beam Assist which ingeniously senses the lights from oncoming vehicles and automatically switches between dipped and main beam accordingly. It also senses vehicles you are approaching from the rear and ensures your main beam is dipped in order to avoid dazzling the vehicle in front. Optional on SE, SE BlueMotion and GT models.

Not in conjunction with Gas discharge (Bi-xenon) dipped and main beam headlights and LED daytime running lights.

**05 // FRONT AND REAR PARKING SENSORS**

Front and rear parking sensors assist parking manoeuvres by emitting both audible and visual signals, alerting the driver to any obstacles in the way. The closer you are to an obstacle the faster the sound frequency, while an optical parking display indicates your position in relation to obstacles on the screen of the vehicle's audio system. Standard on GT models and above. Optional on S, BlueMotion, SE and SE BlueMotion models.

**06/07 // ADAPTIVE CRUISE CONTROL (ACC)**

Adaptive Cruise Control (ACC), including Front Assist radar sensor controlled distance monitoring system, City emergency braking system, cruise control and speed limiter offers you intelligent control of your driving speed by automatically adjusting acceleration and braking. Whether around town or on the motorway, the system will adjust your speed to that of the vehicle in front, keep your specified distance, warn if you are approaching too fast and, in an emergency situation, generate enough braking force to reduce the severity of a collision or even prevent the collision entirely. Standard on SE, GT, Alltrack, GTD and R models.

**01 // XDS**  
The Golf Estate features XDS, an extension of the well-known Electronic Differential Lock (EDL) function. This is linked to the Electronic Stability Control (ESC) hydraulics and works by applying pressure to the inner front wheel during fast cornering to prevent spinning. The one-sided, precise brake pressure helps to maximise traction, reduce understeer and improve responsiveness, thus making cornering even more sporty, safe and accurate. Standard on S, BlueMotion, SE, SE BlueMotion, GT and Alltrack models. XDSPlus is standard on GTD and R models.

**02 // ELECTRONIC STABILITY CONTROL (ESC)**  
The Electronic Stability Control (ESC) utilises sensors to detect critical situations at an early stage, reacting within milliseconds by controlling the speed of individual wheels, helping to bring the vehicle under control. Standard on all models.

**03 // AIRBAG SYSTEM**  
The comprehensive airbag system includes curtain airbags for front and rear passengers, front seat side impact airbags, driver's and front passenger's airbags with passenger's airbag deactivation switch and a driver's knee airbag. Standard on all models. Side airbags and seat belt tensioners for rear passengers are available as an option on all models.

**04 // PARK ASSIST**  
The Park Assist system not only makes parallel parking easier, but also helps you reverse park into a space at 90 degrees to the kerb. Using ultrasonic parking sensors, Park Assist will detect a parking space large enough for either bay or parallel parking. Once the vehicle is in reverse, all the driver has to do is operate the accelerator and brake, and keep a lookout, while the Golf Estate steers itself into its chosen space. Optional on GT, Alltrack and GTD models. Optional Park Assist which also includes front and rear parking sensors, is available on S, BlueMotion, SE and SE BlueMotion models.

**05 // REAR-VIEW CAMERA**  
The rear-view camera, integrated behind the Volkswagen badge on the rear tailgate, displays the area behind your vehicle on the screen of the vehicle's audio system, helping you to manoeuvre into tight spaces quickly and easily. Auxiliary lines help you navigate safely into parking spaces, and thanks to the high resolution display, even small obstacles such as kerbs are clearly visible. Optional on all models.

Image shown features optional Discover Navigation Pro touch-screen navigation/DVD radio system, optional on SE models and above, and climate control – 2Zone electronic air conditioning, standard on Alltrack, GTD and R. Optional on S, BlueMotion, SE, SE BlueMotion and GT models.

Model shown is Golf Estate GT with optional Bi-xenon headlights and metallic paint.

## EQUIPMENT

### 01 // CONVENIENCE PACK

The Convenience pack includes an automatic dimming interior rear-view mirror, automatic headlights on with coming/leaving home lighting function and rain sensor. Standard on SE models and above. Optional on S and BlueMotion models.

### 02 // WINTER PACK

The headlight cleaning system is part of the Winter pack, which also includes heated front seats, heated windscreen washer jets and a low washer fluid warning light. Standard on GTD models. Optional on S, BlueMotion, SE, SE BlueMotion, GT and R models.

02

05

### 03 // MANUAL AIR CONDITIONING

The manual air conditioning system ensures a pleasant cabin temperature throughout, with the set temperature reached quickly and efficiently and automatically regulated. Standard on S, BlueMotion, SE, SE BlueMotion and GT models.

### 04 // CLIMATE CONTROL

Climate control – 2Zone electronic air conditioning with automatic air recirculation features dual zone temperature control for the driver and front passenger, allowing each to select their individual preferred temperature. A sensor monitors the outside air quality and if necessary, automatically activates the air recirculation function. The air conditioning also cools the glovebox. Standard on Alltrack, GTD, and R models. Optional on S, BlueMotion, SE, SE BlueMotion and GT models.

### 05 // MIRROR PACK

The Mirror pack includes remote electrically foldable door mirrors, door mirror puddle lights and reverse activated kerb-view adjustment on the passenger's door mirror. Standard on GT, Alltrack, GTD and R models. Optional on S, BlueMotion, SE and SE BlueMotion models.

# NAVIGATION AND MULTIMEDIA

**01 // COMPOSITION MEDIA SYSTEM**

The Composition Media system is equipped with a 6.5 inch colour touch-screen that displays the DAB digital radio information, Think Blue. Trainer. – driver tips and journey analysis, car information display, title and cover art display and, for compatible Android smartphones, the SMS functionality which allows you to read, compose and send SMS messages using the touch-screen display. Bluetooth telephone and audio connection now allows simultaneous pairing of two compatible mobile devices<sup>1</sup>, while the MDI (Multi Device Interface) via USB connection for compatible products, SD card reader and single CD player allows music playback from MP3, WMA and AAC files through 8 speakers with 4 x 20 watt output. The system is also equipped with a proximity sensor that recognises in advance your intention to touch the screen and automatically adjusts the display mode. Standard on S, BlueMotion, SE, SE BlueMotion and R models.

**02 // DISCOVER NAVIGATION SYSTEM WITH CAR-NET ‘GUIDE AND INFORM’**

The Discover Navigation touch-screen navigation/radio system with Car-Net ‘Guide and Inform’ builds upon the impressive Composition Media system, but with additional features enabling you to easily manage not only your music, but also navigation data, and a broad range of vehicle information. The system offers preloaded European navigation data, branded points of interest, dynamic navigation based on TMC+, three route options (Fast, Short, Eco), Speed Limit Display, 2D/3D map view and 3-years Car-Net ‘Guide and Inform’<sup>2</sup> access providing online access to a range of useful information such as traffic, fuel pricing, parking space availability, weather and news feeds. Standard on GT, Alltrack and GTD models. Optional on S, BlueMotion, SE, SE BlueMotion and R models.

<sup>1</sup> Devices must be Bluetooth HFP (Hands Free Profile) compatible, please contact your authorised Volkswagen retailer for specific phone compatibility.  
<sup>2</sup> Car-Net ‘Guide and Inform’ and ‘Guide and Inform Plus’ services are accessed via a compatible mobile device. Please see [www.volkswagen.co.uk](http://www.volkswagen.co.uk) for more information. The use of ‘Guide and Inform’ services entails exchanging large volumes of data. As such, we strongly recommend that you sign-up for a flat rate data plan with your mobile network provider. After the initial 3-year Car-Net contract, an annual subscription is chargeable for the continuation of Car-Net ‘Guide and Inform’ services.  
<sup>3</sup> Only available with compatible smartphones including iPhone 5 and 6. Please see [www.volkswagen.co.uk](http://www.volkswagen.co.uk) to check smartphone compatibility.

**03 // DISCOVER NAVIGATION PRO SYSTEM WITH INTEGRATED VOICE ACTIVATION, CAR-NET ‘GUIDE AND INFORM PLUS’ AND CAR-NET ‘APP-CONNECT’**

Leading the way to the future: The Discover Navigation Pro touch-screen navigation/DVD radio system with integrated voice activation, Car-Net ‘Guide and Inform Plus’ and Car-Net ‘App-Connect’ represents the latest generation of infotainment systems and is as intuitive and simple to use as a smartphone or tablet. As well as responding to spoken voice commands, it features a large 8 inch colour touch-screen for navigation, DVD, CD and radio functions; DAB digital radio, 64 GB SSD hard drive, preloaded European navigation data, 3D map view, three calculated route choices (Fast, Short and Eco), dynamic navigation based on TMC+, branded points of interest, Speed Limit Display, photo display from JPEG and PNG files and two SD card readers. 3-years Car-Net ‘Guide and Inform Plus’<sup>2</sup> provides online access to a range of useful information such as traffic, fuel pricing, parking space availability, weather, news feeds and Google Earth. The Car-Net ‘App-Connect’<sup>3</sup> combines the functionality of Apple ‘CarPlay’, Google ‘Android Auto’ and ‘MirrorLink’<sup>™</sup> allowing ‘mirroring’ of a smartphone display on the infotainment touch-screen via USB connection. It cleverly allows display and operation of certified apps including audio and voice control, if supported by the app. Optional on SE models and above.

**04 // CAR-NET ‘APP-CONNECT’**

Car-Net ‘App-Connect’<sup>3</sup> allows you to integrate a smartphone with your car by allowing ‘mirroring’ of the display on the infotainment touch-screen via USB connection. It uses the combined functionality of Apple ‘CarPlay’, Google ‘Android Auto’ and ‘MirrorLink’<sup>™</sup> to replicate the smartphone display, allowing operation of certified apps including audio and voice control (if supported by the app). Please note, there is usage of only certified apps while driving. Optional on all models. Car-Net ‘App-Connect’ is standard on Discover Navigation Pro touch-screen navigation/DVD radio system.

**05 // ‘DYNAUDIO EXCITE’ SOUNDPACK**

Another addition to improve your journey's soundtrack is the ‘Dynaudio Excite’ sound system incorporating an eight channel digital amplifier and Digital Signal Processor (DSP). It provides impressive acoustics and the highest levels of audio pleasure, delivering 400 watts through eight high performance speakers. Optional on SE, GT, Alltrack, GTD and R models.

ELEGANT, SPORTY, STYLISH.  
**THE CHOICE IS YOURS.**

Model shown is Golf Estate GT with optional 18" 'Serron' alloy wheels, Bi-xenon headlights and metallic paint.

Model shown is Golf Estate GT with optional 18" 'Durban' alloy wheels, Bi-xenon headlights and metallic paint.

# WHEELS

**01 // Steel wheels** 6J x 15" steel wheels with 195/65 R15 tyres and full size wheel trims. Standard on S models.

**02 // 'Lyon'** 6J x 15" alloy wheels with 195/65 R15 tyres and anti-theft wheel bolts. Standard on BlueMotion models and optional on S models.

**03 // 'Toronto'** 6½J x 16" alloy wheels with 205/55 R16 tyres and anti-theft wheel bolts. Standard on SE and SE BlueMotion models.

**04 // 'Dijon'** 7J x 17" alloy wheels with 225/45 R17 tyres and anti-theft wheel bolts. Standard on GT models.

**05 // 'Valley'** 6½J x 17" alloy wheels with 205/55 R17 tyres and anti-theft wheel bolts. Standard on Alltrack models.

**06 // 'Nogaro'** 7½J x 18" alloy wheels with 225/40 R18 tyres and anti-theft wheel bolts. Standard on GTD models.

**07 // 'Cadiz'** 7½J x 18" alloy wheels with 225/40 R18 tyres and anti-theft wheel bolts. Standard on R models.

**08 // 'Perth'** 6½J x 16" alloy wheels with 205/55 R16 tyres and anti-theft wheel bolts. Optional on S, BlueMotion, SE and SE BlueMotion models.

**09 // 'Madrid'** 7J x 17" alloy wheels with 225/45 R17 tyres, anti-theft wheel bolts and lowered sports suspension. Optional on SE models.

**10 // 'Singapore'** 7J x 17" alloy wheels with 225/45 R17 tyres and anti-theft wheel bolts. Optional on SE and GT models. SE models also include lowered sports suspension.

**11 // 'Geneva'** 7J x 17" alloy wheels with 225/45 R17 tyres and anti-theft wheel bolts. Optional on GT models.

**12 // 'Serron'** 7½J x 18" alloy wheels with 225/40 R18 tyres and anti-theft wheel bolts. Optional on GT models.

**13 // 'Durban'** 7½J x 18" alloy wheels with 225/40 R18 tyres and anti-theft wheel bolts. Optional on GT models.

**14 // 'Canyon'** 7½J x 18" alloy wheels with 225/45 R18 tyres and anti-theft wheel bolts. Optional on Alltrack models.

**15 // 'Pretoria'** 8J x 19" alloy wheels with 235/35 R19 tyres and anti-theft wheel bolts. Optional on R models.

Please note: the addition of larger optional wheels may result in a higher CO<sub>2</sub> emission figure and change in VED band, and subsequently an increase in the Manufacturer's Recommended 'On the road' Retail price. Please see page 69 and current price list for full details.

\* Pure White and Tornado Red non-metallic, metallic, metallic signature, pearl effect, premium signature paints and leather upholstery are optional at extra cost. † Some parts of leather interior will contain artificial leather. ● Standard. ○ Optional at extra cost. - Not available.  
1 Pure White and Tornado Red non-metallic paints are non-chargeable on R models. 2 Black non-metallic paint is non-chargeable on GTD models.

\* Some parts of leather interior will contain artificial leather.  
Please note: the print processes do not allow exact reproduction  
of the upholstery colours.

# There's a Volkswagen for all of us.

Nippy city run around? Luxurious executive saloon? Open-top cruiser? Whatever it is you're looking for, we probably have it. From the iconic Beetle and Golf GTI to the up! and fuel-efficient BlueMotion Golf, there's a Volkswagen for everyone.

If you're thinking you might like to try a different Volkswagen, take a look at the selection below to see what else we have. There are 21 models in our range, so there's bound to be at least one that catches your eye.

To see these models and configure your ideal Volkswagen, visit: [www.volkswagen.co.uk](http://www.volkswagen.co.uk)

## Sporty

**Golf:** As exciting to drive as it is to look at. Style, performance and power.

You will also find our sporty gene in the iconic Golf GTD and Golf R.

## Efficient

Our **BlueMotion** models benefit from innovative energy-saving technology that helps you optimise fuel consumption and reduce harmful emissions. This includes low rolling resistance tyres and improved aerodynamics, accompanied with advanced engines and gearboxes. Choose from the BlueMotion Polo, Golf, Golf Estate and Golf SV.

However, BlueMotion Technology can be found across our range where automatic Start/Stop technology and brake energy recuperation is standard on the majority of our engines, helping you to save more money by being more efficient.

## Spacious family cars

**New Sharan:** The ultimate in convenience with sliding rear doors, and enough space for the whole family. And their luggage. And the dogs.

If it's space you're after, then you might also like to consider the Tiguan, Golf SV, Golf Estate, Touran and Passat Estate.

## Style

**Beetle:** The original icon. And still the most unique way to make a fashion statement.

For more fun with the top down, why not consider Beetle Cabriolet or the Golf Cabriolet.

## City run around

**up!:** The ideal city car. Efficient, fun and surprisingly spacious, with that trademark Volkswagen solidity.

If you're looking for something slightly more spacious, then why not consider the up!'s bigger sibling, the Polo. City run around efficiency with more versatility and even more space can be found on the iconic Golf.

## Executive

**Volkswagen CC:** Perfectly turned out high-tech, executive luxury. A contemporary, stylish and innovative coupé.

All the luxury you need can also be found in the Jetta, and executive comfort in the Passat and Passat Estate – winner of 'European Car of the Year 2015'.

## 4x4

**Touareg:** The SUV just got smarter. True four by four capability off-road, and smooth, luxurious and powerful when on it. Features four wheel drive technology, '4MOTION', as standard for optimum road grip, stability and control.

Go anywhere, do anything in our four wheel drive alternatives: new Golf Alltrack, Tiguan and Passat and Passat Estate 4MOTION models.

## TECHNOLOGY AND DIMENSIONS

## Technical specification notes

01) The maximum power output figures are quoted in PS (or Pferdestärke, which is the metric equivalent of horsepower). To convert from metric to imperial horsepower, divide the PS figure by 1.0139.

02) Figures are calculated in accordance with manufacturer's criteria. The individual unladen weight depends on the specification of the vehicle, this then reduces the possible payload accordingly. The unladen weight and payload both include the fuel tank 90% full, driver (68kg) and luggage (7kg) in line with EU directive 95/48. Unladen weight shown refers to 3-door models. The unladen weight of 5-door models will increase by 30kg.

03) With increasing altitude the engine performance diminishes. From 1,000m above sea level and for every 1,000m thereafter 10% of the vehicle/trailer weight (trailer weight + gross vehicle weight) must be deducted.

04) The use of 100% RME and FAME (bio diesel) is not possible. Forecourt diesel with up to 7% bio diesel content, adhering to standard BS EN 590, can be used in diesel engines. The use of ethanol in forecourt petrol meeting BS EN 228 is allowable.

05) The size of the fuel tank is approximate and therefore it may be possible to add a greater amount of fuel than the size of the tank specified, due to the space in the filler neck.

06) Fuel consumption and CO<sub>2</sub> figures are obtained under standardised EU test conditions (Directive 93/116/EEC). This allows a direct comparison between different manufacturer models but may not represent the actual fuel consumption achieved in 'real world' driving conditions. More information is available on the Volkswagen web site at [www.volkswagen.co.uk](http://www.volkswagen.co.uk) and at [www.vca.gov.org](http://www.vca.gov.org).

07) The weight of a vehicle will influence the level of CO<sub>2</sub> emission it produces; as a result, vehicles with higher levels of specification and factory-fitted options may emit higher levels of CO<sub>2</sub>.

## Transmission

- Electronic differential lock, combined with a hydraulically operated single-plate dry clutch with asbestos-free lining via a six or seven speed automatic DSG gearbox
- Front wheel drive through asbestos-free single-plate dry clutch. Hydraulic clutch-mechanism. Five or six speed manual, six or seven speed automatic DSG gearbox with double joint half axles (wet clutch on six speed DSG models)
- Four wheel drive (R and Alltrack only) with electronically controlled multi-plate clutch. Hydraulically operated single-plate dry clutch with asbestos-free lining via a six speed manual or six speed auto DSG gearbox with double joint half axles (wet clutch on six speed DSG models)

## Running gear

- ESC (Electronic Stability Control) including EDL (Electronic Differential Lock), ASR (Traction Control) and Countersteer Support
- Front suspension through coil springs with telescopic shock absorbers, all elements integrated in chassis legs
- Rear suspension with gas pressure shock absorbers and separate springs
- Twist beam rear axle (1.0 litre TSI 115 PS, 1.2 litre TSI 85 PS, 1.6 litre TDI 90 PS, 1.6 litre TDI 110 PS)
- Multilink rear axle (1.4 litre TSI 125 PS, 1.4 litre TSI 150 PS, 2.0 litre TSI 300 PS, 2.0 litre TDI 150 PS, 2.0 litre TDI 184 PS)
- Wheel control: front through chassis legs and (lower) triangular wishbones (directionally stabilising steering roll radius)
- Wheel control: rear through four-link suspension with independent wheel suspension
- Front and rear anti-roll bar
- XDS electronic differential lock
- XDSPlus electronic differential lock (2.0 litre TSI 300 PS, 2.0 litre TDI 184 PS)

## Steering

- Electro-mechanical steering rack
- Collapsible, height and lengthways adjustable safety steering column

## Brakes

- Electronically controlled Anti-lock Braking System (ABS) with Electronic Brake-pressure Distribution (EBD)
- Diagonal twin-circuit brake system with ventilated front disc brakes and rear disc brakes
- Asbestos-free brake pad
- HBA (Hydraulic Brake Assist)

## Engines

- Front transverse-installed engine
- 1.2 litre/85 PS <sup>(01)</sup> (63 kW) petrol engine: EU6 emissions standard, four cylinder in-line direct injection engine, with two valves per cylinder. Fitted with a turbocharger module with electric boost pressure regulation. Available with a five speed manual transmission
- 1.0 litre/115 PS <sup>(01)</sup> (85 kW) petrol engine: EU6 emissions standard, three cylinder in-line direct injection engine. Available with a six speed manual or a seven speed automatic DSG transmission
- 1.4 litre/125 PS <sup>(01)</sup> (92 kW) petrol engine: EU6 emissions standard, four cylinder in-line direct injection turbocharged engine, with four valves per cylinder. Fitted with a turbocharger. Available with a six speed manual or a seven speed automatic DSG transmission
- 1.4 litre/150 PS <sup>(01)</sup> (110 kW) petrol engine: EU6 emissions standard. Available with a six speed manual or a seven speed automatic DSG transmission
- 2.0 litre/300 PS <sup>(01)</sup> (221 kW) petrol engine: EU6 emissions standard, four cylinder in-line direct injection turbocharged engine. Fitted with four valves per cylinder and a turbocharger. Available with a six speed automatic DSG transmission
- 1.6 litre/90 PS <sup>(01)</sup> (66 kW) common rail diesel engine: EU6 emissions standard, four cylinder in-line turbocharged engine, with four valves per cylinder. Fitted with a turbocharger and a DPF (diesel particulate filter). Available with a five speed manual transmission
- 1.6 litre/110 PS <sup>(01)</sup> (81 kW) common rail diesel engine: EU6 emissions standard, four cylinder in-line common rail diesel engine, with four valves per cylinder. Fitted with a turbocharger and a DPF (diesel particulate filter). Available with a five and six speed manual or a seven speed automatic DSG transmission
- 2.0 litre/150 PS <sup>(01)</sup> (110 kW) common rail diesel engine: EU6 emissions standard, four cylinder in-line common rail diesel engine, with four valves per cylinder. Fitted with a turbocharger and a DPF (diesel particulate filter). Available with a six speed manual or a six speed automatic DSG transmission
- 2.0 litre/184 PS <sup>(01)</sup> (135 kW) common rail diesel engine: EU6 emissions standard, four cylinder in-line common rail diesel engine, with four valves per cylinder. Available with a six speed manual or a six speed automatic DSG transmission

# CO<sub>2</sub> EMISSIONS AND VED BANDS WITH OPTIONAL WHEELS

**Effect of wheel size on CO<sub>2</sub> emissions and VED Bands**  
Choosing larger alloy wheels than standard as an option, may result in increased fuel consumption as well as higher CO<sub>2</sub> emissions and subsequently increased Vehicle Excise Duty (VED) band and BIK rates paid for company car drivers will increase. This is due to the fact that larger wheels have both more aerodynamic drag and more mechanical drag, resulting in increased rolling resistance and increased wind resistance. As a result, the VED band that the vehicle falls into may increase from its original VED band when fitted with standard size wheels. In some instances, the 'On the Road' cost paid for the vehicle may increase as a result of the increased VED rate. The chart below shows CO<sub>2</sub> emissions and the related VED bands for vehicles with both standard-fit wheels and larger optional alloy wheels, as well as the increased cost payable due to a change in VED band.

								CO <sub>2</sub> emission, g/km, optional alloy wheels
5-door estate range			Output, PS	Standard wheel size	CO <sub>2</sub> emission, g/km, standard wheels	Maximum VED Band, standard wheels	Optional alloy wheel and size

# VOLKSWAGEN SERVICE

## The Volkswagen Warranty

### Three-year Warranty

All Volkswagen passenger cars come with a three-year/60,000 miles warranty, which protects your car against the failure of most technical and electrical components due to manufacturing defects. This comprises a two-year manufacturer's warranty with unlimited mileage plus a further one-year/60,000 miles (whichever is soonest) Retailer Warranty<sup>1</sup>. Should the mileage exceed 60,000 miles within the first two years, the manufacturer's two-year warranty will still be valid. Full details of the three-year warranty are available from your authorised Volkswagen retailer or repairer.

### Body Protection Warranty

The internal body sections and panels of the Golf Estate are covered against rusting through from the inside for 12 years. Naturally, the vehicle must be cared for in compliance with the operating instructions. Please consult your authorised Volkswagen retailer or repairer for full warranty details.

### Three-year Paintwork Warranty

This latest warranty, pioneered by Volkswagen, really provides you with the widest possible cover on a new car. There are no special conditions attached and paintwork manufacturing defects will be rectified without charge. Naturally, during the warranty period the car must be cared for in compliance with the operating instructions.

### Approved Accessories

A comprehensive range of accessories from alloy wheels to carpet mats is available to complement the factory-fitted option list. Volkswagen approved accessories purchased from and fitted by your authorised Volkswagen retailer at the point of vehicle sale will also benefit from the three-year vehicle warranty.

### Extended Warranty

If you order the Volkswagen Extended Warranty as an option when buying your new Golf Estate then you get the 100% Volkswagen Warranty and you can continue to enjoy comprehensive Volkswagen protection against many unforeseeable repair costs. Designed to your needs, you can purchase an extra one or two year's warranty up to a maximum of five years or 90,000 miles.

## Service Intervals

Volkswagen is pleased to offer you a choice on how your Volkswagen is serviced. The appropriate selection is entirely dependent on how the car is likely to be driven and its general use. To help you identify which type of service would be most suitable, please refer to the following guide.

The Fixed Service is recommended for vehicles that will cover less than 10,000 miles in 12 months and if the vehicle is likely to be used in the following way:

- Predominantly urban driving, short journeys with frequent cold starts.
- Activities regularly producing high engine loading, e.g. frequent hill climbs, driving with vehicle fully loaded and towing.
- Uneconomical driving style using high rpms with heavy acceleration and heavy braking.

The service intervals for the Fixed Service are as follows:

- Oil change service – After 1 year or 10,000 miles (15,000km), whichever is soonest.
- Inspection service<sup>2</sup> – First after 2 years or 20,000 miles (30,000km), then every one year or 20,000 miles (30,000km), whichever is soonest.

The Flexible Service is recommended for vehicles with daily mileage of more than 25 miles where the vehicle is driven regularly mainly on longer distance journeys. The vehicle is driven mainly at a constant speed with minimum vehicle and engine loading, minimal towing and driven in an economical manner. With the Flexible Service the vehicle can cover anywhere between 10,000<sup>3</sup> and a maximum of 20,000<sup>3</sup> miles or 24 months (whichever is soonest) between oil changes.

The service intervals for the Flexible Service are as follows:

- Oil change service – According to flexible service interval display (after 2 years at the latest).
- Inspection service<sup>2</sup> – First after 2 years or 20,000 miles (30,000km), then every one year or 20,000 miles (30,000km), whichever is soonest.

The up! model is only available with the Fixed Service schedule. Please consult your authorised Volkswagen retailer or repairer for advice and full details.

Please note: If you purchase a Volkswagen Fixed Price Service Plan your vehicle will follow the Fixed Service schedule.

## Volkswagen Insurance<sup>4</sup>

We want you to start enjoying your new car from day one and thanks to Volkswagen Insurance complimentary seven day cover, you can. Call free on 0800 316 7892 (lines are open Monday to Friday 8am – 9pm and Saturday 9am – 5pm), provide a few details and a cover note will be sent to your retailer. They will then tax your car and you can drive it away.

## Volkswagen Ensurance<sup>5</sup>

Get three years' Volkswagen Ensurance cover for free.

Another great benefit of being a Volkswagen driver. If your Volkswagen was damaged in an accident, wouldn't you want it fixed by a Volkswagen trained technician using only genuine Volkswagen parts? Ensurance is Volkswagen's accident and repair cover which does exactly that. It works alongside your main comprehensive motor insurance policy no matter who you are insured with, to make sure you get the quality repair and service you would want. If you're involved in an accident or your car is stolen, just one call to us and we'll look after your claim from start to finish ensuring your Volkswagen is restored to the highest standard.

Activate your cover and benefit from:

- A guarantee that your Volkswagen will be repaired in a Volkswagen Insurance approved repairer, by Volkswagen trained technicians, using only genuine Volkswagen parts and paints.
- A dedicated Claims Manager will manage your claim from start to finish, liaising with your insurer and the repairer so you don't have to.
- Help to recover any uninsured losses using our Legal Expenses Cover.
- Online claims tracking so you can keep up to date with the status of any claim.

Volkswagen Ensurance is free to all Volkswagen customers for three years and it only takes a minute to get cover. To find out more and to activate your cover, visit [volkswagen-ensurance.co.uk](http://volkswagen-ensurance.co.uk)

## Volkswagen Finance<sup>6</sup>

Volkswagen Finance specialises in providing funding solutions for Volkswagen drivers. Whether your Volkswagen is for private or business use, you can choose from a range of funding options.

- Solutions – a personal contract plan
- Hire purchase
- Lease purchase
- Finance lease
- Contract hire

With all Volkswagen Finance products you can choose a fixed-cost maintenance plan to help you budget for your servicing and maintenance costs. No matter what finance product you choose, your local Volkswagen retailer will be able to provide you with a personalised quote that could meet your budget and vehicle needs.

## CO<sub>2</sub> Emissions

Increased weight of a vehicle, including higher trim levels and the addition of options will have a detrimental influence on the level of fuel consumption and CO<sub>2</sub> emissions produced.

The CO<sub>2</sub> and fuel consumption figures are obtained from tests on a representative vehicle of the type, conducted and approved in accordance with Council Directive 80/1268/EEC as amended by Directive 1999/100/EC (or later) on the approximation of the laws of the member states relating to the carbon dioxide emissions and the fuel consumption of motor vehicles.

## Volkswagen Roadside Assistance

Every new car is registered for Volkswagen Roadside Assistance for one year except the Touareg and Phaeton which are registered for three years. This provides vehicle roadside and home recovery in the unlikely event of a breakdown in the UK and Europe (subject to conditions). Volkswagen Roadside Assistance can also be purchased for subsequent years. For full details, please contact your authorised Volkswagen retailer.

## Tax Free Sales

For full details, please contact your authorised Volkswagen retailer.

## Please note:

Some illustrations in this brochure do not necessarily reflect UK specifications and may not be available. In particular, controls and some items of equipment are positioned differently for the UK. The specifications contained in this brochure are for information purposes only and are subject to change. If you require any specific feature, you must consult your authorised Volkswagen retailer who is regularly updated with any change in specification. Please check model availability and full specification details with your authorised Volkswagen retailer prior to ordering. Note: we would like to advise you that telephone calls to Volkswagen Customer Care may be monitored and recorded as part of our training and quality assurance processes. All our monitoring and recording processes meet OfTel regulations.

<sup>1</sup> All warranty work must be completed by an authorised Volkswagen retailer or repairer.  
<sup>2</sup> The inspection service first at 3 years (or 40,000 miles) and then every second year (or 40,000 miles) has additional workscope.  
<sup>3</sup> The quoted mileage is based on a conversion from kilometres and is therefore unlikely to exceed circa 18,000 miles between oil changes.  
<sup>4</sup> Volkswagen Insurance is a trading name of Volkswagen Insurance Service (Great Britain) Limited, an appointed representative of Volkswagen Financial Services (UK) Limited, Brunswick Court, Yeomans Drive, Blakelands, Milton Keynes MK14 5LR. Registered in England number 2835230. Volkswagen Insurance is sold, underwritten and administered by Allianz Insurance plc registered in England number 84638. Registered office 57 Ladymead, Guildford, Surrey GU1 1DB. Volkswagen Financial Services (UK) Limited and Allianz Insurance plc are authorised and regulated by the Financial Services Authority. Volkswagen Financial Services (UK) Limited and Allianz Insurance plc are not part of the same corporate group.  
<sup>5</sup> Ensurance from Volkswagen Insurance is sold and administered by Lawshield UK Limited, registered in England number: 3360532 (registered office: Lawshield House, 850 Ibis Court, Lakeside Drive, Centre Park, Warrington, Cheshire WA1 1RL) and underwritten by UK General Insurance Limited on behalf of Ageas Insurance Limited, registered in England number: 354568 (registered office: Ageas House, Tollgate, Eastleigh, Hampshire SO53 3YA).  
<sup>6</sup> Finance is available to 18s and over, subject to status. Terms and conditions apply. Volkswagen Finance.
