

# The new Tiguan

## Price and specification guide

Effective from 17.12.2020

# Progressive, powerful and **uncompromising**

Sportier and more refined with sharp new looks, uncompromising functionality and better connectivity than ever before, the updated new Tiguan redefines what's possible in an SUV. The dynamic new design features stylish elements such as a higher bonnet, new wider radiator grille, eye-catching new bumpers front and rear, and exclusive new tail lights, giving a confident, assured new look, while powerful bodylines and precise proportions create an expressive silhouette that exudes charisma, strength and innovation.

There's no mistaking the exciting new Tiguan, with its **striking new radiator grille**, new narrow LED headlights and prominently displayed new Volkswagen logo all highlighting its strong, adventurous nature. Image shown is new Tiguan R-Line with optional 'IQ. Light' LED headlights and metallic paint.

Model shown is new Tiguan R-Line with optional 'IQ. Light' LED headlights and metallic paint. Front cover model shown is new Tiguan R-Line with optional 'IQ. Light' LED headlights and metallic paint.

1 Figures shown are for comparability purposes; only compare fuel consumption and CO<sub>2</sub> figures with other vehicles tested to the same technical procedures. These figures may not reflect real life driving results, which will depend upon a number of factors including the accessories fitted (post-registration), variations in weather, driving styles and vehicle load. Data correct at 17.12.2020. For more information, please see [www.volkswagen.co.uk/need-help/wltp](http://www.volkswagen.co.uk/need-help/wltp) or consult your authorised Volkswagen retailer. 2 The recommended 'On the road' prices and any VED charges quoted reflect the VED charges which apply to vehicles registered after 1 April 2020. The price and charges you pay may differ from any prices or charges displayed or quoted before 1 April 2020. For full details of 'First year rate' VED (Vehicle Excise Duty), delivery to retailer, number plates and vehicle first registration fee included in the recommended 'On the road' retail price, [please click here](#). 3 P11D value = Total recommended retail price + delivery to retailer £509.17, + number plates £20, + VAT £105.83 (calculated by reference to total of delivery to retailer + number plates). P11D value is based on standard specification model with no factory-fitted options or other accessories. 4 The BIK charges quoted reflect the charges which apply to vehicles registered after 6 April 2020. These charges may differ from any charges displayed or quoted before 6 April 2020. The BIK % figure quoted includes the 4% diesel supplement, where applicable. Please consult your Volkswagen retailer for full details. 5 The ABI insurance group is the recommended insurance rating set by the Association of British Insurers. Please note that insurance group ratings are purely advisory. They are used by insurers (ABI members and Lloyd's syndicates) as one of the factors in calculating premiums. Insurers are not required to follow the advisory group ratings and they may depart from them if they so wish.

‡ These vehicles are WLTP (Worldwide Harmonised Light-Duty Vehicles Test Procedure) type approved vehicles. More information is available at [www.volkswagen.co.uk/need-help/wltp](http://www.volkswagen.co.uk/need-help/wltp).

All diesel engines are SCR (Selective Catalytic Reduction) which require AdBlue®, [please click here](#) or visit [www.volkswagen.co.uk/technology/engines/adblue](http://www.volkswagen.co.uk/technology/engines/adblue) for more details.

RDE2 refers to Real Driving Emissions Step 2.

## Volkswagen Service Plan – Retail sales only.

For vehicles under 1 year old set to the Fixed Service regime that has not had its first service, comprising first two manufacturer's scheduled services:

- 'Oil service' including oil filter change
- 'Oil service' including oil filter change and 'Inspection service' plus a pollen filter replacement (if required)

Excludes electric vehicles. Service plan covers first two consecutive services, limited to 1x 'Oil service' and 1x 'Oil and Inspection service'. T&Cs apply: All vehicles must be set to the Fixed Service regime by the retailer. Maximum age of car is 12 months (Service plan must be taken out before first service is due). Additional work, including wear and tear is excluded. Servicing must be carried out in line with the requirement of the Service Schedule. All work must be carried out by an Authorised Volkswagen Repairer. Offers may be varied or withdrawn at any time. Plan validity is dependent on required payments received. Administered by Volkswagen Financial Services. Retail sales only. For pricing and further details, please consult your authorised Volkswagen retailer or visit [www.volkswagen.co.uk](http://www.volkswagen.co.uk)

**Prices, specifications, features, technical and other information (including fuel consumption, CO<sub>2</sub> emissions and range) are updated regularly and are subject to change without notice (this may include changes between order and delivery). There may be a delay in updates to our materials – always consult your authorised Volkswagen retailer for the latest information.**

**Volkswagen UK may change RRP's at any time (this includes where there are government changes in regulation and/or legislation).**

**There may be a delay to any RRP displaying correctly on our materials. Always obtain prices from your chosen authorised Volkswagen retailer.**

VAT IS CALCULATED AT 20%. EFFECTIVE FROM 17 DECEMBER 2020.

# Standard items of equipment: Tiguan.

**VOLKSWAGEN SERVICE**

- 3-year/60,000 miles warranty (whichever is soonest)
- 3-year paintwork warranty
- 12-year body protection warranty
- Volkswagen Roadside Assistance
- Exclusions and terms apply, [please click here](#) for more details

**WHEELS AND SUSPENSION**

- Alloy wheels, four 7J x 17" 'Montana' with 215/65 R17 low rolling resistance tyres and anti-theft wheel bolts
- Tyre mobility kit, in lieu of spare wheel

**EXTERIOR**

- Black grained lower door protectors with chrome insert
- Body-coloured bumpers and door handles
- Body-coloured door mirrors with integrated indicators
- Chrome trim on radiator grille
- Front air intake with chrome strip
- Heat insulating tinted glass
- LED self-levelling dipped and main beam headlights
  - Dynamic headlight range control
  - LED daytime running lights
- LED rear number plate lights
- Rear lights incorporating LED technology
- Rear wash/wipe with intermittent wipe

**EFFICIENCY**

- Battery regeneration (recuperation – energy recovery during braking)
- Multifunction computer colour, includes visual gear change recommendation
- Start/Stop function

**INTERIOR**

- Cup holders, front x 2
- 'Diamond Silver' decorative inserts in dash and centre console
- Glovebox
- Height and reach adjustable steering wheel
- Instrument lighting, white adjustable panel illumination
- Interior light delay
- Leather trimmed three-spoke multifunction steering wheel and gear knob

- Load-through provision with two cup holders when folded down
- Load lashing points x 4, in luggage compartment
- Luggage compartment cover, removable
- Luggage compartment light
- Luggage net
- Reading lights, front and rear x 2 incorporating LED technology
- Seating
  - Upholstery – 'Quad Paper' cloth
  - Front seats with height adjustment
  - Sliding rear bench seat
  - Split folding rear seat backrests, 40:20:40
- Storage compartment in driver's and front passenger's door (for 1.5 litre bottle)
- Storage compartment in rear doors
- Storage compartment with soft-touch opening cover, dashboard
- Storage compartments in luggage area, left and right
- Vanity Mirrors, illuminated
- 12V socket in centre console storage area
- 12V socket in luggage compartment
- 12V socket on rear of front centre armrest

**SAFETY AND SECURITY**

- Airbags
  - Curtain airbag system
  - Driver's and front passenger's airbags with passenger's airbag deactivation switch
  - Driver's knee airbag
  - Front seat side impact airbags
- Alarm with interior protection, with deactivation via infotainment system
- Automatic coming/leaving home lighting function
- Automatic hazard lights activation under emergency braking
- Disc brakes, front and rear, front ventilated

- Driver's and front passenger's safety-optimised head restraints
- Electronic engine immobiliser
- ESC (Electronic Stability Control) – includes EDL (Electronic Differential Lock) and ASR (Traction Control), EDTC (Engine Drag Torque Control) and trailer stabilisation function
- Height-adjustable front three-point seat belts with tensioners
- High level 3rd brake light
- Isofix 1-size child seat preparation, easy-fit (for 2 outer rear seats)
- Misfuel prevention device for diesel engines
- Remote central locking with 2 remote folding keys
- Rigid safety cell with front and rear crumple zones
- Two-tone horn
- Tyre pressure loss indicator
- Warning sound and light for front seat belts if unfastened
- Warning triangle
- 3 rear head restraints
- 3 rear three-point seat belts

**COMFORT AND CONVENIENCE**

- Air conditioning, manual
- Automatic dimming interior rear-view mirror
- Electric windows, front and rear
- Electrically heated and adjustable door mirrors
- Heated rear window
- Rain sensor

**DRIVER'S ASSISTANCE**

- Dusk sensor, automatic driving lights
- Electronic parking brake – with auto hold function
- Front Assist with City Emergency Braking and Pedestrian Monitoring
  - Front Assist, the front camera and radar monitor the traffic situation in front of your vehicle, warning you when you get too close and even applying the brakes, if necessary, to help avoid a collision
  - City Emergency Braking, active in traffic at speeds up to 19mph, the system will boost brake pressure if required to help prevent a collision
  - Pedestrian Monitoring, the radar monitors an area in front of your vehicle for pedestrians, warning you or applying the brakes if it determines the pedestrian may cross your path
- Lane Assist with Road Edge Recognition
  - Lane Assist, camera controlled warning system that recognises road markings to correctively steer your vehicle should drift out of its lane
  - Road Edge Recognition, detects kerbs, grass verges and lane markings
- Power-assisted steering, speed-sensitive
- Remote tailgate unlocking, via key fob
- Warning 'lights on' sound
- Warning sound and light for doors and tailgate if open

**IN-CAR ENTERTAINMENT AND COMMUNICATIONS**

- Ready 2 Discover infotainment system
  - 8" colour touch-screen with natural, intuitive, capacitive touch-sensitive functionality
  - Bluetooth telephone and audio connection for compatible devices<sup>1</sup>
  - Car information display
  - DAB+ digital radio receiver
  - In-Car shop: Purchase additional services i.e. We Connect contract extensions or upgrade to navigation services after vehicle purchase
  - Integrated SIM-card
  - MDI (Multi Device Interface), via USB-C connection – compatible products only
  - Music playback from MP3, WMA and AAC files
  - Simultaneous pairing of 2 compatible mobile devices
  - Title and cover art display
  - 2 x USB-C connection, USB charging socket (compatible products only) in centre console
  - 8 speakers, front and rear
- Premium USB-C cable (choice of either Apple or Android smartphone compatibility)
- 'App-Connect'<sup>1</sup>
  - Combines the functionality of Apple 'CarPlay', Google 'Android Auto' and 'MirrorLink'<sup>TM</sup> allowing 'mirroring' of smartphone display on the infotainment touch-screen
  - Wireless connection for Apple 'CarPlay' and Google 'Android Auto'
  - USB-C connection for 'MirrorLink'<sup>TM</sup>

**WE CONNECT**

We Connect preparation<sup>2</sup>

- Driver and vehicle integration via We Connect Portal or We Connect app
- Driver and vehicle integration with Volkswagen call centre or server for: 'eCall' – Emergency call service for SOS calls to emergency response
- Provides continuous interaction between the driver, vehicle and Volkswagen, via integrated SIM-card connectivity
- Vehicle based services for: Car breakdown call, Vehicle status, Doors and lights, Automatic accident notification, Vehicle health report, Driving data, Parking position, Service schedule

<sup>1</sup> Devices must be Bluetooth HFP (Hands Free Profile) compatible, please contact your authorised Volkswagen retailer for specific phone compatibility.  
<sup>2</sup> To use the free We Connect app you will need a smartphone with iOS or Android operating system and a SIM-card with a data option. Depending on your mobile tariff, sending and receiving data online may incur additional charges (e.g. roaming charges), particularly if you are using We Connect abroad. For more information on We Connect services, go to [www.portal.volkswagen-we.com](http://www.portal.volkswagen-we.com) or contact your Volkswagen retailer.

The specifications listed are for information purposes only as our products are continually updated and changes may be made to the specifications at any time. If you require any specific feature, please consult your authorised Volkswagen retailer who is regularly updated with any change in specification. Specifications are subject to change without notice.

# Additional items of standard equipment: Life (over Tiguan).

**WHEELS AND SUSPENSION**  
Alloy wheels, four 7J x 18" 'Frankfurt' with 235/55 R18 self-sealing 'AirStop' tyres and anti-theft wheel bolts

**EXTERIOR**  
High beam assist (not Elegance)  
Rear tinted glass from B-pillar backwards, approx. 65% tinted  
Roof rails, black

**SAFETY AND SECURITY**  
Driver's and front passenger's safety-optimised head restraints with x-adjustment

**INTERIOR**  
Carpet mats, front and rear  
Front footwell illumination  
Leather trimmed three-spoke multifunction steering wheel and gear knob. Including paddle shift (auto DSG only)  
Seating  
- Upholstery – 'Shooting Star' cloth  
- Driver's and front passenger's under seat drawer (not R-Line models)  
- Foldable front passenger seat backrest  
- Front comfort seats with manual height and lumbar adjustment  
'Weave' decorative inserts in dash and door panels

**IN-CAR ENTERTAINMENT AND COMMUNICATIONS**  
Discover Media Navigation infotainment system including Streaming & Internet  
- 8.0" colour touch-screen with touch sensitive functionality  
- Bluetooth telephone and audio connection for compatible devices<sup>1</sup>  
- Branded points of interest  
- Car information display  
- DAB digital radio receiver  
- Dynamic guidance via We Connect Plus online traffic information  
- In-Car shop: Purchase additional services i.e. We Connect contract extensions or upgrade to navigation services after vehicle purchase  
- Integrated SIM-card  
- MDI (Multi Device Interface), via USB-C connection – compatible products only  
- Music playback from MP3, WMA and AAC files  
- Preloaded European navigation data  
- Simultaneous pairing of 2 compatible mobile devices  
- SMS functionality – read, compose and send SMS messages using touch-screen display (when stationary, compatible Android smartphones only)  
- Speed Limit Display<sup>2</sup>  
- Three route options (Fast, Short, Eco)  
- Title and cover art display  
- 2 x USB-C connection, USB charging socket (compatible products only)  
- 2D/3D map view  
- 4 x 20 watt output  
- 8 speakers, front and rear  
1 x USB-C connection, USB charging socket (compatible products only) in rear of centre console

**WE CONNECT PLUS**  
We Connect Plus preparation<sup>3,4</sup>  
- Driver and vehicle integration via We Connect Portal or We Connect app  
- Driver and vehicle integration with Volkswagen call centre or server for: 'eCall' – Emergency call service for SOS calls to emergency response  
- Provides continuous interaction between the driver, vehicle and Volkswagen, via integrated SIM-card connectivity  
- Navigation based services for: Online voice control, Online traffic information, Online route calculations and Online destination import. Petrol station, Charging point and Parking locations. Online map updates  
- Streaming and internet based services<sup>5</sup> for: Internet radio, Wi-Fi hotspot and Media streaming<sup>5</sup>  
- Vehicle based services for: Car breakdown call, Vehicle status, Doors and lights, Automatic accident notification, Vehicle health report, Driving data, Parking position, Service schedule, Area alert, Speed alert, Horn and indicators, Online anti-theft alarm, Online ventilation control, Lock & unlock<sup>6</sup>

**DRIVER'S ASSISTANCE**  
Adaptive Cruise Control (ACC), including Front Assist, radar sensor controlled distance monitoring system and City emergency braking system  
Dynamic Road Sign Display uses the front camera in combination with navigation data to detect road signs  
Driver Alert system, fatigue detection  
Parking sensors, front and rear – ultrasonic, audible with audio volume reduction when activated and optical parking display via vehicle's infotainment system

**COMFORT AND CONVENIENCE**  
Climate control – 'Air Care Climatronic' 3Zone electronic air conditioning with automatic air recirculation. Independent temperature control, air intensity and settings for driver, front passenger and rear seat passengers controlled via infotainment system  
Remote unlocking for rear seat backrest

1 Devices must be Bluetooth HFP (Hands Free Profile) compatible, please contact your authorised Volkswagen retailer for specific phone compatibility.  
2 Speed Limit Display only reflects national speed limits and does not show temporary speed limit restrictions, or where permanent changes to speed limits are made in-between map updates.  
3 To use the free We Connect app you will need a smartphone with iOS or Android operating system and a SIM-card with a data option. Depending on your mobile tariff, sending and receiving data online may incur additional charges (e.g. roaming charges), particularly if you are using We Connect abroad. For more information on We Connect services, go to [www.portal.volkswagen-we.com](http://www.portal.volkswagen-we.com) or contact your Volkswagen retailer.  
4 We Connect Plus services are accessed via a compatible mobile device. Please see [www.portal.volkswagen-we.com](http://www.portal.volkswagen-we.com) for more information. The use of We Connect Plus entails exchanging large volumes of data. As such, we strongly recommend that you sign-up for a flat rate data plan with your mobile network provider. Information on the duration of We Connect Plus services can be obtained once a user account has been registered on the We Connect web portal.  
5 For the use of the Streaming and Internet based services and for the Wi-Fi hotspot, data packages can be purchased from Cubic Telecom, our mobile communications partner and used in the network coverage area within many European countries. You can find information on prices and supported countries at [www.vw.cubictelecom.com](http://www.vw.cubictelecom.com)  
6 Lock & unlock service is a secure service and requires that your identity be verified via the Volkswagen Ident process. Your identity will be verified by a Volkswagen retailer or via video chat.

The specifications listed are for information purposes only as our products are continually updated and changes may be made to the specifications at any time. If you require any specific feature, please consult your authorised Volkswagen retailer who is regularly updated with any change in specification. Specifications are subject to change without notice.

## Additional items of standard equipment: Elegance (over Life).

### WHEELS AND SUSPENSION

Alloy wheels, four 7J x 19" 'Auckland Dark Graphite' diamond-turned with 235/55 R19 self-sealing 'AirStop' tyres and anti-theft wheel bolts

### EXTERIOR

Chrome trim trapezoid styling element on lower bumper, left and right

Chrome side window surrounds

'IQ. Light' LED matrix dipped and main beam headlights

- Dynamic Light Assist
- Dynamic sequential indicators
- 24 separate LEDs per headlight which perform as daytime running lights, indicator function and Dynamic curve lighting
- LED animation for coming/leaving home lighting function

LED tinted rear light clusters with dynamic sequential indicators

Roof rails, silver anodised

### INTERIOR

Aluminium door sill protectors

Chrome-plated electric mirror adjustment switch surround

Chrome-plated electric window button surround

'Cross' decorative inserts in dash and door panels

Heated leather trimmed three-spoke multifunction steering wheel and gear knob. Including paddle shift (auto DSG only)

Seating

- Upholstery - 'Lounge' cloth with Art Velours microfleece
- Heated front seats
- Front comfort seats with height and lumbar adjustment

### SAFETY AND SECURITY

Proactive occupant protection - using sensors from the Front Assist monitoring system to detect critical situations with elevated accident potential from the front

### COMFORT AND CONVENIENCE

Ambient lighting in front footwell, light strips below trim in front and rear doors and dashboard. Choice of 30 colour options

Electrically heated, adjustable and foldable door mirrors with memory, including automatic dimming function on driver's side, door mirror puddle lights and reverse activated kerb-view adjustment on passenger's side

Electrically-operated boot opening and closing function, operated via foot movement under rear tailgate, from driver's door or remotely via key fob

Heated windscreen washer jets

Keyless entry using key fob including Start/Stop button on centre console

Panoramic sunroof with integrated roller blind

### DRIVER'S ASSISTANCE

Adaptive Cruise Control (ACC) with Predictive Cruise Control<sup>1</sup>

- Adaptive Cruise Control, accelerates and brakes in order to maintain a predetermined set speed and distance to the vehicle in front
- Dynamic Road Sign Display uses the front camera in combination with navigation data to detect road signs
- Predictive Cruise Control, utilises Dynamic road sign recognition and navigation data to automatically adjust the speed of the vehicle for bends, roundabouts and junctions and automatically speeds up or slows down to the designated speed limit
- Speed limiter, restricts the vehicle to a predetermined set speed
- Traffic Jam Assist, Stop and Go, in conjunction with DSG gearbox it will automatically accelerate when the vehicle in front moves forward

Digital Cockpit Pro, 10.25" high resolution TFT dash display screen with customisable menus and information

Driver profile selection - choice of three settings: Eco, Normal and Sport driving modes

Park Assist, sensor controlled steering aid to assist parallel or bay parking, optical and audible

Rear-view camera

Side Assist with Rear traffic alert

- Side Assist, two rear radar systems monitor the areas behind the car and the blind spots at the sides to provide a warning for lane changing and blind spots from speeds of 6mph and above. The system sees fast approaching vehicles in adjacent lanes with visual warning via light in door mirror housing. The system can intervene and countersteer if a vehicle is detected as the driver attempts to overtake

- Rear traffic alert, radar sensor controlled rear warning system for vehicles approaching from the sides whilst reversing from driveways or parking spaces. Two radar sensors integrated in the rear bumper monitor traffic to intervene with emergency braking if the driver does not react

Interior shown is new Tiguan Elegance with optional 'Vienna' leather upholstery and metallic paint.

<sup>1</sup> The intelligent technology of Adaptive Cruise Control (ACC) with predictive cruise control cannot overcome the laws of physics and functions only within the limits of the system. It is the driver's responsibility to have full concentration and control of the vehicle, as well as ensuring appropriate speeds by observing the maximum speed limits and road positioning of the car at all times.

The specifications listed are for information purposes only as our products are continually updated and changes may be made to the specifications at any time. If you require any specific feature, please consult your authorised Volkswagen retailer who is regularly updated with any change in specification. Specifications are subject to change without notice.

# Additional items of standard equipment: R-Line (over Life).

– 24 separate LEDs per headlight which perform as daytime running lights, indicator function and Dynamic curve lighting  
– High Beam Assist  
'R-Line' styling pack – 'R-Line' design front and rear bumpers with 'C' signature 'Gloss Black' front air intakes with chrome trim, black wheel arch extensions, body-coloured side skirts with chrome trim  
Roof rails, black  
Sports suspension, lowered by approx. 10mm  
Unique 'R-Line' badging

## INTERIOR

Black rooflining  
'Carbon Grey' decorative inserts in dash and door panels  
Chrome-plated electric mirror adjustment switch surround  
Chrome-plated electric window button surround  
Heated leather trimmed three-spoke multifunction capacitive touch-sensitive steering wheel and gear knob. Including paddle shift (auto DSG only)

## Seating

– Upholstery – 'Greyson' cloth with Art Velours microfleece  
– Heated front seats  
– Front sport seats with height and lumbar adjustment

Stainless steel pedals – clutch, brake and accelerator

Unique 'R-Line' carpet mats, front and rear

Unique 'R-Line' door sill protectors

## SAFETY AND SECURITY

Proactive occupant protection – using sensors from the Front Assist monitoring system to detect critical situations with elevated accident potential from the front

## DRIVER'S ASSISTANCE

Adaptive Cruise Control (ACC) with Predictive Cruise Control<sup>1</sup>

– Adaptive Cruise Control, accelerates and brakes in order to maintain a predetermined set speed and distance to the vehicle in front  
– Dynamic Road Sign Display uses the front camera in combination with navigation data to detect road signs  
– Predictive Cruise Control, utilises Dynamic road sign recognition and navigation data to automatically adjust the speed of the vehicle for bends, roundabouts and junctions and automatically speeds up or slows down to the designated speed limit  
– Speed limiter, restricts the vehicle to a predetermined set speed  
– Traffic Jam Assist, Stop and Go, in conjunction with DSG gearbox it will automatically accelerate when the vehicle in front moves forward

Digital Cockpit Pro, 10.25" high resolution TFT dash display screen with customisable menus and information

Driver profile selection – choice of three settings: Eco, Normal and Sport driving modes

Emergency Assist – Driver intervention should sensors detect the driver is incapable of driving. Automatic hazard light activation while bringing the vehicle to a controlled stop within its lane (DSG gearbox only)

Lane Assist with Road Edge Recognition

– Lane Assist, camera controlled warning system that recognises road markings to correctively steer your vehicle should drift out of its lane  
– Road Edge Recognition, detects kerbs, grass verges and lane markings

Park Assist, sensor controlled steering aid to assist parallel or bay parking, optical and audible

## DRIVER'S ASSISTANCE (CONTINUED)

Side Assist with Rear traffic alert

– Side Assist, two radar systems at the rear monitor the areas behind the car and the blind spots at the sides to provide a warning for lane changing and blind spots from speeds of 6mph and above. The system sees fast approaching vehicles in adjacent lanes with visual warning via light in door mirror housing. The system can intervene and countersteer if a vehicle is detected as the driver attempts to overtake  
– Rear traffic alert, radar sensor controlled rear warning system for vehicles approaching from the sides whilst reversing from driveways or parking spaces. Two radar sensors integrated in the rear bumper monitor traffic to intervene with emergency braking if the driver does not react

Travel Assist – Camera and radar sensor controlled assistance system to accelerate, brake, steer and maintain distance to vehicles ahead. Camera detection of road markings provide lane guidance to prevent the vehicle drifting out of its lane, providing the driver's hands are on the wheel (manual gearbox only)

## COMFORT AND CONVENIENCE

Ambient lighting in front footwell, light strips below trim in front and rear doors and dashboard. Choice of 30 colour options

Electrically heated, adjustable and foldable door mirrors with memory, including automatic dimming function on driver's side, door mirror puddle lights and reverse activated kerb-view adjustment on passenger's side

Heated windscreen washer jets

Keyless entry using key fob including Start/Stop button on centre console

Model shown is new Tiguan R-Line with optional 'IQ. Light' LED headlights and metallic paint.

Model shown is new Tiguan R-Line with optional 'IQ. Light' LED headlights and metallic paint.

<sup>1</sup> The intelligent technology of Adaptive Cruise Control (ACC) with predictive cruise control cannot overcome the laws of physics and functions only within the limits of the system. It is the driver's responsibility to have full concentration and control of the vehicle, as well as ensuring appropriate speeds by observing the maximum speed limits and road positioning of the car at all times.

The specifications listed are for information purposes only as our products are continually updated and changes may be made to the specifications at any time. If you require any specific feature, please consult your authorised Volkswagen retailer who is regularly updated with any change in specification. Specifications are subject to change without notice.

# Touch-sensitive innovation

Designed for those who love innovation, the spacious interior features a wealth of intuitive controls with the emphasis on safety and ease of use. Advanced features include the capacitive touch-sensitive multifunction leather steering wheel, touch-sensitive 'Air Care Climatronic' 3Zone electronic air conditioning and the innovative Digital Cockpit Pro with its 10.25 inch high resolution TFT colour display. Front comfort seats and an optional 480 watt sound system by audio specialist Harman/Kardon ensure a relaxed driving experience with exceptional acoustics, while LED ambient lighting with a choice of 30 different colours, lets you create just the right atmosphere for the occasion.

Interior shown is new Tiguan R-Line with optional Discover Navigation Pro touch-screen navigation infotainment system and metallic paint.

[Configure now >](#)

# 'IQ. Light'. Advanced intelligence

Intelligent 'IQ. Light' LED matrix headlights represent a shining example of advanced engineering. Safer, smarter, with enhanced illumination, headlights are equipped with cornering lights and Dynamic Light Assist that operates interactively. Sensors automatically switch individual LED segments on and off, lighting up dark spots ahead and ensuring optimum light distribution for more relaxed night driving, while preventing oncoming traffic from being dazzled, helping to improve road safety. Front and rear integrated dynamic sequential indicators are another feature, operating with a fluid light movement. 'IQ. Light' LED matrix headlights are standard on Elegance and optional on Life and R-Line models.

Model shown is new Tiguan R-Line with optional 'IQ. Light' LED headlights and metallic paint.

# IQ.Drive Assistants that think for themselves

The new Tiguan comes with a wealth of intelligent driver assistance systems designed to make driving as easy and safe as possible. Whether you are travelling on motorways or country roads, the latest IQ.Drive technology keeps a constant eye on the road and your surroundings, monitoring the situation and reacting accordingly when necessary.

**01 The proactive occupant protection system** protects you in critical situations such as an impending collision. When the system detects an increased risk of accident, it reacts by automatically closing the windows and panoramic sliding sunroof, if fitted, and tightening the front seat belts as precautionary measure. Standard on all models.

**02 Emergency Assist** can help even further should a driver medical emergency situation arise. In conjunction with the DSG gearbox, the system recognises an incapacity of the driver and slows the car down in its lane to a standstill if necessary. As soon as the system cannot detect any steering, braking or acceleration activity, it alerts the driver. If the driver remains inactive, it automatically activates the hazard warning lights to alert other road users. Emergency Assist is part of the Assistance Pack Plus which is standard R-Line and optional on Life and Elegance models.

**03 Travel Assist** keeps you in lane on motorways and well maintained country roads, helping to regulate your speed and ensuring you travel at a safe distance from the vehicle in front whilst keeping you in your chosen lane. Working in conjunction with the DSG dual clutch gearbox, thanks to Traffic Jam Assist, it copes effortlessly with congestion and stop-start traffic. Travel Assist is part of the Assistance Pack Plus which is standard R-Line and optional on Life and Elegance models.

**04 The Front Assist** monitoring system combines Predictive Pedestrian Protection with City emergency braking, alerting you if it detects vehicles or pedestrians at the edge of the road or on the carriageway, via acoustic and optical signals, as well as a gentle application of the brakes. The system even performs an emergency stop should the distance become critical, helping to protect other road users and possibly avert potential accidents. Standard on all models.

# A new generation of connectivity

A new generation of connectivity provides a gateway to Volkswagen's digital services, ensuring you remain fully networked throughout your journey via the latest Infotainment systems. As soon as you've activated the system, We Connect gives you access to numerous services, helping to make your journey as easy and pleasurable as possible. Using the We Connect app, you can access important vehicle information from your smartphone, checking remotely, for example, if the doors of your vehicle are locked and the side lights are switched off.

To use the free We Connect app you will need a smartphone with iOS or Android operating system and a SIM-card with a data option. Depending on your mobile tariff, sending and receiving data online may incur additional charges (e.g. roaming charges), particularly if you are using We Connect abroad. For more information on We Connect services, go to [www.portal.volkswagen-we.com](http://www.portal.volkswagen-we.com) or contact your Volkswagen retailer.

Interior shown is new Tiguan with optional 'Vienna' leather upholstery.

The **integrated WLAN hotspot** <sup>1</sup> ensures your Tiguan is ready for the data highway, providing a stable Internet connection that allows you and your passengers to surf the Internet on up to eight devices. You can easily purchase data packages via the infotainment system, giving you total control of your data consumption.

For the use of the Streaming and Internet based services and for the Wi-Fi hotspot, data packages can be purchased from Cubic Telecom, our mobile communications partner and used in the network coverage area within many European countries. You can find information on prices and supported countries at [www.vw.cubictelcom.com](http://www.vw.cubictelcom.com)

[Configure now >](#)

# We Connect

We Connect Plus<sup>1,2</sup> access makes it possible to integrate 'traffic information online' into route guidance and transfer to online points of interest to the navigation system. The service also includes information for fuel station location and pricings. The accompanying We Connect app syncs with your smartphone, enabling you to keep track of important data while on the move.

Interior shown is new Tiguan R-Line with optional Discover Navigation Pro touch-screen navigation infotainment system, 'Vienna' leather upholstery and metallic paint.

<sup>1</sup> To use the free We Connect app you will need a smartphone with iOS or Android operating system and a SIM-card with a data option. Depending on your mobile tariff, sending and receiving data online may incur additional charges (e.g. roaming charges), particularly if you are using We Connect abroad. For more information on We Connect services, go to [www.portal.volkswagen-we.com](http://www.portal.volkswagen-we.com) or contact your Volkswagen retailer.

<sup>2</sup> We Connect Plus services are accessed via a compatible mobile device. Please see [www.portal.volkswagen-we.com](http://www.portal.volkswagen-we.com) for more information. The use of We Connect Plus entails exchanging large volumes of data. As such, we strongly recommend that you sign-up for a flat rate data plan with your mobile network provider. After the initial 3-year We Connect Plus contract, an annual subscription is chargeable for the continuation of We Connect Plus services.

1 Not in conjunction with 1.5 ltr TSI 2WD 130 PS model. 2 Must be ordered in conjunction with Dynamic Chassis Control (DCC) or sports suspension. 3 Not in conjunction with steel space saver spare wheel.

Choosing larger alloy wheels than standard, as an option, may result in increased fuel consumption as well as higher CO<sub>2</sub> emissions and subsequently increased Vehicle Excise Duty (VED) band, and BIK rates paid by company car drivers may increase. This is due to the fact that larger wheels have both more aerodynamic drag and more mechanical drag, resulting in increased rolling resistance and increased wind resistance. As a result, the VED band that the vehicle falls into may increase from its original VED band when fitted with standard size wheels. In some instances, the recommended 'On the road' retail price paid for the vehicle may increase as a result of the increased VED rate. Please refer to [CO<sub>2</sub> emissions, BIK % and VED Bands with optional wheels section](#).

# VED and additional 'On the road' costs.

Diesel vehicles that do not meet the RDE2 standard will be charged a supplement on their 'First year rate' to the effect of moving up by one VED (Vehicle Excise Duty) band. The following tables give the rates of vehicle tax on cars registered on or after 1 April 2020. Please refer to the Model Prices pages to confirm which models are RDE2 compliant.

## 'FIRST YEAR RATE' VED – CARS REGISTERED ON OR AFTER 1.4.2020 BASED ON CO<sub>2</sub> EMISSIONS AND FUEL TYPE

Petrol/Diesel<sup>†</sup> – 'First year rate' VED

Diesel<sup>‡</sup> – 'First year rate' VED

Alternative fuel – 'First year rate' VED

CO <sub>2</sub> emissions (g/km)	Petrol/Diesel <sup>†</sup> VED £	Petrol total 'On the road' costs £
0	0.00	690.00
1-50	10.00	700.00
51-75	25.00	715.00
76-90	110.00	800.00

111-130	165.00	855.00
131-150	205.00	895.00
151-170	530.00	1,220.00
171-190	860.00	1,550.00
191-225	1,295.00	1,985.00
226-255	1,840.00	2,530.00
Over 255	2,165.00	2,855.00

The way VED (Vehicle Excise Duty) vehicle tax is calculated will change for vehicles that are first registered with the DVLA on, or after, 1 April 2018. All new diesel vehicles registered after 1 April 2018 that do not meet the RDE2 standard will be charged a supplement on their 'First year rate' to the effect of moving up by one VED (Vehicle Excise Duty) band.

If a new vehicle is registered on or after 1 April 2018, after the 'First year rate' VED the majority of vehicles move to the 'Standard rate' of vehicle tax which is £150 a year.

The 'First year rate' will be based on the CO<sub>2</sub> emissions, fuel type and the list price of the vehicle supplied by the Manufacturer or Retailer as applicable on the day before the vehicle is first registered and taxed.

After the 'First year rate', all vehicles with zero emissions will be exempt from the 'Standard rate' of vehicle tax. All petrol and diesel vehicles will pay a standard rate of £150 a year, and alternative fuel vehicles will pay a standard rate of £140 a year.

Petrol or diesel vehicles with a list price over £40,000 at first registration will pay £475 a year, after the first 'First year rate' vehicle tax, for a period of five years. This comprises the £150 'Standard rate' and £325 additional rate. After five years the vehicle tax will revert to the 'Standard rate' of £145 per year.

Alternative fuel vehicles – hybrids, bi-ethanol or LPG, with a list price over £40,000 at first registration will pay £465 a year after the 'First year rate' vehicle tax for a period of five years. This comprises the £140 'Standard rate' and £325 additional rate which reverts to £140 'Standard rate' after five years.

Vehicles with a list price exceeding £40,000 (excluding vehicles with zero emissions) will pay the additional rate of £325 a year for a further five year period, after the 'First year rate' tax. After the five year period these vehicles will pay zero VED tax.

<sup>†</sup> Diesel cars that are tested to RDE2 standards. <sup>‡</sup> Diesel cars, including those tested to RDE standards.

## 'STANDARD RATE' VED

'Standard rate' VED based on fuel type

Fuel type	CO <sub>2</sub> emissions (g/km)	'Standard rate' 12 months VED £
Electric/Other	0	0.00
Petrol/Diesel	1 - Over 255	150.00
Alternative	1 - Over 255	140.00

After the 'First year rate', all vehicles with zero emissions will be exempt from the 'Standard rate' of vehicle tax. All petrol and diesel vehicles will pay a standard rate of £150 a year, and alternative fuel vehicles will pay a standard rate of £140 a year.

## 'STANDARD RATE' – OVER £40,000 RRP

'Standard rate' VED for vehicles over £40,000 list price – five year annual rate

Fuel type	'Standard rate' 12 months VED £	Additional rate £	Total annual payment £
Electric	0.00	0.00	0.00
Petrol/Diesel	150.00	325.00	475.00
Alternative	140.00	325.00	465.00

Petrol or diesel vehicles with a list price over £40,000 at first registration pay £475 a year after the 'First year rate' for a period of five years. Alternative fuel vehicles over £40,000 at first registration – hybrids, bi-ethanol or LPG, pay £465 a year after the 'First year rate' for a period of five years. After five years, vehicles will revert to their 'Standard rate' tax depending on fuel type. Electric or vehicles producing zero emissions over £40,000 at first registration are exempt from any charge after the 'First year rate'.

## ADDITIONAL 'OTR' COSTS

Additional 'On the road' costs

Delivery to retailer	509.17
Number plates	20.00
VAT	105.83
Vehicle first registration fee	55.00
Total	690.00

The total 'On the road' costs above for petrol, diesel, electric and alternative fuel vehicles include the applicable 'First year rate' VED charge plus the 'On the road' costs as detailed above.

VAT IS CALCULATED AT 20%. EFFECTIVE FROM 17 DECEMBER 2020.

1. Figures shown are for comparability purposes; only compare fuel consumption and CO<sub>2</sub> figures with other vehicles tested to the same technical procedures. These figures may not reflect real life driving results, which will depend upon a number of factors including the accessories fitted (post-registration), variations in weather, driving styles and vehicle load. Data correct at 17.12.2020. Figures quoted are for a range of configurations (including non-UK) and are subject to change due to ongoing approvals/changes. For more information, please see [www.volkswagen.co.uk/need-help/wltp](http://www.volkswagen.co.uk/need-help/wltp) or consult your authorised Volkswagen retailer.

‡ These vehicles are WLTP (Worldwide Harmonised Light-Duty Vehicles Test Procedure) type approved vehicles. More information is available at [www.volkswagen.co.uk/need-help/wltp](http://www.volkswagen.co.uk/need-help/wltp).

All diesel engines are SCR (Selective Catalytic Reduction) which require AdBlue®, [please click here](#) or visit [www.volkswagen.co.uk/technology/engines/adblue](http://www.volkswagen.co.uk/technology/engines/adblue) for more details.

RDE2 refers to Real Driving Emissions Step 2.

EFFECTIVE FROM 17 DECEMBER 2020.

# AdBlue®.

Your Volkswagen car is fitted with an advanced emissions control system, which helps your vehicle meet EURO 6 exhaust gas regulations.

## How does the system work?

AdBlue®, a water/urea based additive, is stored in a tank (like diesel fuel), however, unlike fuel it is not injected into the engine, but directly into a specially modified part of the vehicle's exhaust. This begins a chemical reaction which removes the polluting oxides of nitrogen (NOx), converting them into harmless oxygen and nitrogen in a process known as Selective Catalytic Reduction, or SCR for short. SCR is only applicable to diesel engines and the more economically you drive, typically, the less AdBlue® you will use.

The size of the AdBlue® tank fitted to your car will vary depending on which Volkswagen model you have, therefore the interval between top-ups will vary. In addition, many factors such as mileage, journey type, driving style and environmental conditions can influence how much AdBlue® is consumed. A passenger car can consume approximately 1.5 litres of AdBlue® every 620 miles (1.0–1.5 litres for the Passat and Passat Estate). The chart below details the AdBlue® tank size and location.

Model (SCR derivatives only)	Tank size (Approximately)	AdBlue® tank filler location	Initial warning of low AdBlue® (2,400km/1,500 miles to go) can be expected to occur at:
New Tiguan	13 litres	Next to fuel filler nozzle	3,000 to 4,000 miles or sooner*

\* Distances are approximate and the warning light may come on sooner depending on driving style, journey type, engine and vehicle load and environmental conditions.

## How will I know if the system needs topping-up?

A series of warnings will be given via the driver information system, accompanied by advice/messages.

The first message is displayed when the remaining range is approximately 1,500 miles, and is repeated every 62 miles until the range reaches 1,000 miles, at which point the warning turns amber. This warning is repeated every 31 miles and is accompanied by an audible tone. If these warnings are not acted upon, the warning turns red; once this happens the car will not restart once the ignition is turned off. This is not a fault, but a required feature of the system. If this stage is reached the system will need a full top-up before the car can be restarted. Further information is available in the vehicle handbook.

## Why should I use a Volkswagen Authorised repairer for top-ups?

- AdBlue® top-ups at authorised repairers are extremely competitive and charged by the litre, so you only pay for what you need
- Authorised repairer staff are trained to handle AdBlue®
- AdBlue® tanks need special adaptors on fillers to ensure there are no spillages
- Volkswagen do not recommend keeping top-up bottles in cars

The top-up bottles supplied by Volkswagen have a capacity of 1.89 litres, and come complete with the adaptor nozzles that fit the Volkswagen AdBlue® tank. These are available from all Volkswagen Authorised repairers.

AdBlue® warning lights.

**Important information**

- AdBlue® is not a fuel additive. This is why there is a separate AdBlue® tank
- If you put AdBlue® in your fuel tank by mistake, please do not start the engine, but contact a retailer for help
- Put only AdBlue® in the AdBlue® tank; do not fill the AdBlue® tank with any other liquids
- Prevent anything from contaminating AdBlue®
- If small quantities of AdBlue® come into contact with the vehicle's paintwork, for example, wipe them off and if necessary rinse the area with water

# CO<sub>2</sub> emissions, BIK % and VED Bands with optional wheels.

## Effect of wheel size on CO<sub>2</sub> emissions, BIK % and VED Bands.

Choosing alternative alloy wheels than standard, as an option, may result in different fuel consumption as well as different CO<sub>2</sub> emissions and subsequently an alternative Vehicle Excise Duty (VED) Band, while BIK rates paid by company car drivers may differ. This is due to the fact that different wheels have both alternative aerodynamic drag and mechanical drag, resulting in different rolling resistance and wind resistance. As a result, the VED Band that the vehicle falls into may differ from its original VED Band when fitted with standard size wheels. In some instances, the recommended 'On the road' retail price paid for the vehicle may change as a result of the change in VED rate. The chart below shows CO<sub>2</sub> emissions and the related VED Bands for vehicles with both standard-fit wheels and larger optional alloy wheels, as well as the different cost payable due to a change in VED Band if applicable.

5-DOOR RANGE.			Output, PS	Standard wheel size	CO <sub>2</sub> emission, g/km <sup>1</sup> , WLTP test cycle, standard wheels	First year VED £, standard wheels	BIK % with standard wheel size <sup>2</sup>	Optional alloy wheel and size	CO <sub>2</sub> emission, g/km <sup>1</sup> , WLTP test cycle, optional alloy wheels	First year VED £, optional wheels	BIK % with optional wheel size <sup>2</sup>

1 Figures shown are for comparability purposes; only compare fuel consumption and CO<sub>2</sub> figures with other vehicles tested to the same technical procedures. These figures may not reflect real life driving results, which will depend upon a number of factors including the accessories fitted (post-registration), variations in weather, driving styles and vehicle load. Data correct at 17.12.2020. Figures quoted are for a range of configurations (including non-UK) and are subject to change due to ongoing approvals/changes. For more information, please see [www.volkswagen.co.uk/need-help/wltp](http://www.volkswagen.co.uk/need-help/wltp) or consult your authorised Volkswagen retailer.

2 The BIK charges quoted reflect the charges which apply to vehicles registered after 6 April 2020. These charges may differ from any charges displayed or quoted before 6 April 2020. The BIK % figure quoted includes the 4% diesel supplement, where applicable.

Please note: the increase in VED and BIK rate that is payable is in addition to the cost of the optional alloy wheels. Please consult your Volkswagen retailer for full details.

‡ These vehicles are WLTP (Worldwide Harmonised Light-Duty Vehicles Test Procedure) type approved vehicles. More information is available at [www.volkswagen.co.uk/need-help/wltp](http://www.volkswagen.co.uk/need-help/wltp).

All diesel engines are SCR (Selective Catalytic Reduction) which require AdBlue®, [please click here](#) or visit [www.volkswagen.co.uk/technology/engines/adblue](http://www.volkswagen.co.uk/technology/engines/adblue) for more details.

VAT IS CALCULATED AT 20%. EFFECTIVE FROM 17 DECEMBER 2020.

# CO<sub>2</sub> emissions, BIK % and VED Bands with optional wheels.

## Effect of wheel size on CO<sub>2</sub> emissions, BIK % and VED Bands.

Choosing alternative alloy wheels than standard, as an option, may result in different fuel consumption as well as different CO<sub>2</sub> emissions and subsequently an alternative Vehicle Excise Duty (VED) Band, while BIK rates paid by company car drivers may differ. This is due to the fact that different wheels have both alternative aerodynamic drag and mechanical drag, resulting in different rolling resistance and wind resistance. As a result, the VED Band that the vehicle falls into may differ from its original VED Band when fitted with standard size wheels. In some instances, the recommended 'On the road' retail price paid for the vehicle may change as a result of the change in VED rate. The chart below shows CO<sub>2</sub> emissions and the related VED Bands for vehicles with both standard-fit wheels and larger optional alloy wheels, as well as the different cost payable due to a change in VED Band if applicable.

5-DOOR RANGE.		Output, PS	Standard wheel size	CO <sub>2</sub> emission, g/km <sup>1</sup> , WLTP test cycle, standard wheels	First year VED £, standard wheels	BIK % with standard wheel size <sup>2</sup>	Optional alloy wheel and size	CO <sub>2</sub> emission, g/km <sup>1</sup> , WLTP test cycle, optional alloy wheels	First year VED £, optional wheels	BIK % with optional wheel size <sup>2</sup>

Taxable percentage of P11D value (Diesel figures include the 4% diesel supplement)

The government is retaining the diesel supplement in company car tax until 2021, when EU-wide testing procedures will ensure new diesel cars meet air quality standards even under strict 'real world' driving conditions. From 6 April 2018 drivers must add 4% to their appropriate percentage if the car is propelled solely by diesel (up to a maximum of 37%).

For further details of company car tax, please consult your authorised Volkswagen retailer, or visit [www.volkswagen.co.uk/offers-and-finance/fleet/calculators/company-car-tax-calculator](http://www.volkswagen.co.uk/offers-and-finance/fleet/calculators/company-car-tax-calculator). Full details can be found at [www.assets.publishing.service.gov.uk/government/uploads/system/uploads/attachment\\_data/file/815268/190617\\_-\\_WLTP\\_-\\_summary\\_of\\_responses\\_v2.2.pdf](http://www.assets.publishing.service.gov.uk/government/uploads/system/uploads/attachment_data/file/815268/190617_-_WLTP_-_summary_of_responses_v2.2.pdf)

<sup>1</sup> P11D values given in this price list are based on standard specification models with no factory-fitted options or other accessories. If your car includes factory-fitted options or other accessories, you may need to adjust the P11D value to take this into account.  
<sup>2</sup> From 6 April 2018, new income tax rates have been introduced for Scottish Taxpayers, these figures reflect the new Scottish rates. For full details of Scottish BIK tax liability, please refer to the [Benefit In Kind for Scottish Residents section](#)

# Volkswagen service.

## VOLKSWAGEN FINANCE<sup>1</sup>

Volkswagen Finance specialises in providing funding solutions for Volkswagen drivers. Whether your Volkswagen is for private or business use, you can choose from a range of funding options.

### Solutions – a Personal Contract Plan

Flexible finance plan designed to allow you to drive a new vehicle sooner than you think. At the end of your agreement you can choose to trade in your Volkswagen for a new one, keep it, or hand it back.

### Hire Purchase

A simple and straightforward way to finance your Volkswagen. Have the option to break down your monthly payments over a period that suits you, making financing your car much more manageable than you think.

### Contract Hire

Available for both personal and business customers. Ideal for customers simply wanting to pay a monthly rental for the vehicle, change it on a regular fixed period and have no disposal risk.

- Lease Purchase
- Finance Lease

With all Volkswagen Finance products you can choose a fixed-cost maintenance plan to help you budget for your servicing and maintenance costs. Buy your service plan online or visit your local Volkswagen retailer for more information.

## VOLKSWAGEN INSURANCE<sup>2</sup>

We want you to start enjoying your new car from day one, and thanks to our complimentary five day Volkswagen Drive Away Insurance you can. Please visit [www.insurewithvolkswagen.co.uk/driveaway](http://www.insurewithvolkswagen.co.uk/driveaway) to activate your cover. If eligible, we will also give you a quotation for our annual insurance, designed specifically for Volkswagen drivers.

## ANNUAL CAR INSURANCE

Volkswagen car insurance helps give you peace of mind with the following benefits at no extra cost:

- Repairs carried out by Volkswagen trained technicians using Volkswagen Genuine Parts and paints when repaired by a Volkswagen approved repairer
- Guaranteed courtesy car
- Child seat replacement
- Uninsured driver promise
- Vandalism promise
- 24 hour accident recovery

For more information or to get a quote, visit [www.insurewithvolkswagen.co.uk](http://www.insurewithvolkswagen.co.uk)

## SERVICING AND MAINTENANCE

Volkswagen is pleased to offer you a choice on how your Volkswagen is serviced. The appropriate selection is entirely dependent on how the car is likely to be driven and its general use. To help you identify which type of service would be most suitable, please refer to the following guide.

### Fixed Service

The Fixed Service is recommended for vehicles that will cover less than 10,000 miles in 12 months and if the vehicle is likely to be used in the following way:

- Predominantly urban driving, short journeys with frequent cold starts.
- Activities regularly producing high engine loading, e.g. frequent hill climbs, driving with vehicle fully loaded and towing.
- Uneconomical driving style using high rpms with heavy acceleration and heavy braking.

The service intervals for the Fixed Service schedule are as follows:

- Oil change service – After 1 year or 10,000 miles (15,000km), whichever is soonest.
- Inspection service<sup>3</sup> – First after 2 years or 20,000 miles (30,000km), then every 1 year or 20,000 miles (30,000km), whichever is soonest.

## SERVICING AND MAINTENANCE (CONTINUED)

### Flexible Service

The Flexible Service is recommended for vehicles with daily mileage of more than 25 miles where the vehicle is driven regularly mainly on longer distance journeys. The vehicle is driven mainly at a constant speed with minimum vehicle and engine loading, minimal towing and driven in an economical manner. With the Flexible Service the vehicle can cover anywhere between 10,000<sup>4</sup> and a maximum of 20,000<sup>4</sup> miles or 24 months (whichever is soonest) between oil changes.

The service intervals for the Flexible Service schedule are as follows:

- Oil change service – According to flexible service interval display (after 2 years at the latest).
- Inspection service<sup>3</sup> – First after 2 years or 20,000 miles (30,000km), then every one year or 20,000 miles (30,000km), whichever is soonest.

The up! model is only available with the Fixed Service schedule. Please consult your authorised Volkswagen retailer or repairer for advice and full details.

Please note: If you purchase a Volkswagen Fixed Price Service Plan your vehicle will follow the Fixed Service schedule.

## VOLKSWAGEN ENSURANCE<sup>5</sup>

Get three years' Volkswagen Insurance cover for free.

Another great benefit of being a Volkswagen driver. If your Volkswagen was damaged in an accident, wouldn't you want it fixed by a Volkswagen trained technician using only Genuine Volkswagen Parts? Insurance is Volkswagen's accident and repair cover which does exactly that. It works alongside your main comprehensive motor insurance policy no matter who you are insured with, to make sure you get the quality repair and service you would want. If you're involved in an accident or your car is stolen, just one call to us and we'll look after your claim from start to finish, ensuring your Volkswagen is restored to the highest standard.

Activate your cover and benefit from:

- A guarantee that your Volkswagen will be repaired by a Volkswagen approved repairer and Volkswagen trained technicians, using only Genuine Volkswagen Parts and paints.
- A dedicated Claims Manager who will manage your claim from start to finish, liaising with your insurer and the repairer so you don't have to.
- Help to recover any uninsured losses using our Legal Expenses Cover.
- Online claims tracking so you can keep up to date with the status of any claim.

Volkswagen Insurance is free to all Volkswagen customers for three years and it only takes a minute to get cover.

To find out more and to activate your cover, visit [www.insurewithvolkswagen.co.uk/insurance](http://www.insurewithvolkswagen.co.uk/insurance)

- 1 Finance is available to 18s and over, subject to status. Terms and conditions apply. Volkswagen Finance.
- 2 Volkswagen Car Insurance is underwritten by U K Insurance Limited. Registered Office: The Wharf, Neville Street, Leeds LS1 4AZ. Registered in England and Wales number: 1179980. U K Insurance Limited is authorised by the Prudential Regulation Authority and regulated by the Financial Conduct Authority (FCA) and the Prudential Regulation Authority. Calls may be recorded. Volkswagen Financial Services is a trading name of Volkswagen Financial Services (UK) Limited ('VWFS UK'), registered in England and Wales number: 2835230 (Registered Office: Brunswick Court, Yeomans Drive, Blakelands, Milton Keynes MK14 5LR). Volkswagen Insurance Service (Great Britain) Ltd. is an appointed representative of VWFS UK. VWFS UK is authorised and regulated by the FCA, registration number: 311988. Authorisation details for both organisations can be checked on the Financial Services Register by visiting [www.fca.org.uk](http://www.fca.org.uk). VWFS UK and U K Insurance Limited are not part of the same corporate group.
- 3 The inspection service first at 2 years (or 40,000 miles) and then every second year (or 40,000 miles) has additional workscope.
- 4 The quoted mileage is based on a conversion from kilometres and is therefore unlikely to exceed circa 18,000 miles between oil changes.
- 5 Insurance from Volkswagen Financial Services is sold and administered by Lawshield UK Limited, registered in England number: 3360532. Registered office: Lawshield House, 850 Ibis Court, Lakeside Drive, Centre Park, Warrington, Cheshire, WA1 1RL and underwritten by UK General Insurance Limited on behalf of Great Lakes Insurance SE. Great Lakes Insurance SE is a German insurance company with its headquarters at Königinstrasse 107, 80802 Munich. UK Branch office: Plantation Place, 30 Fenchurch Street, London, EC3M 3AJ. Lawshield UK Limited is authorised and regulated by the Financial Conduct Authority (FCA). Authorisation details can be checked on the FCA's register at [www.fca.org.uk](http://www.fca.org.uk). Great Lakes Insurance SE, UK Branch, is authorised by Bundesanstalt für Finanzdienstleistungsaufsicht and subject to limited regulation by the Financial Conduct Authority and Prudential Regulation Authority. Details about the extent of their regulation by the Financial Conduct Authority and Prudential Regulation Authority are available on request.

# Volkswagen service (continued).

## WARRANTY

Exclusions and terms and conditions apply to all warranties, plans and insurance listed. For pricing and further details of Volkswagen Warranties, Service Plans and Insurance, please consult your authorised Volkswagen retailer or repairer, or visit [www.volkswagen.co.uk](http://www.volkswagen.co.uk)

### THE VOLKSWAGEN WARRANTY THREE-YEAR WARRANTY

All Volkswagen passenger cars come with a three-year/60,000 miles warranty, which protects your car against the failure of most technical and electrical components due to manufacturing defects. This comprises a two-year manufacturer's warranty with unlimited mileage plus a further one-year/60,000 miles (whichever is soonest) Retailer Warranty<sup>1</sup>. Should the mileage exceed 60,000 miles within the first two years, the manufacturer's two-year warranty will still be valid. Full details of the three-year warranty are available from your authorised Volkswagen retailer or repairer.

### BODY PROTECTION WARRANTY

The internal body sections and panels are covered against rusting through from the inside for 12 years. Naturally, the vehicle must be cared for in compliance with the manufacturer's operating instructions. Please consult your authorised Volkswagen retailer or repairer for full warranty details.

### THREE-YEAR PAINTWORK WARRANTY

This latest paintwork warranty, pioneered by Volkswagen, provides you with cover on a new car. Naturally, during the warranty period the car must be cared for in compliance with the manufacturer's operating instructions. Any paintwork defects, as a result of the manufacturing process, will be rectified without charge.

### APPROVED ACCESSORIES

A comprehensive range of accessories from alloy wheels to carpet mats is available to complement the factory-fitted option list. Volkswagen approved accessories purchased from and fitted by your authorised Volkswagen retailer at the point of vehicle sale will also benefit from the three-year vehicle warranty.

## VOLKSWAGEN ROADSIDE ASSISTANCE

Every new car is registered for Volkswagen Roadside Assistance for one year except the Touareg which is registered for three years. This provides vehicle roadside and home recovery in the unlikely event of a breakdown in the UK and Europe (subject to conditions). Volkswagen Roadside Assistance can also be purchased for subsequent years.

Exclusions and terms and conditions apply. For pricing and further details of Volkswagen Roadside Assistance, please consult your authorised Volkswagen retailer, or visit [www.volkswagen.co.uk](http://www.volkswagen.co.uk)

## ADBLUE®

Diesel engines with SCR (Selective Catalytic Reduction) technology require AdBlue® which must be kept topped up. Please see [www.volkswagen.co.uk/technology/engines/adblue](http://www.volkswagen.co.uk/technology/engines/adblue) for more details.

## PRICES AND SPECIFICATIONS

The prices and specifications contained in this price list are for information purposes only as our products are continually updated and changes may be made to the prices and specifications at any time. If you require any specific feature, please consult your authorised Volkswagen retailer who is regularly updated with any change in specification. Prices and specifications are subject to change without notice.

Following the announcement of a price increase, any vehicle order which can be accepted into the factory production system before the effective date of the price increase will be supplied at the current price, even if built and delivered after the date on which the increase became effective.

*Note: We would like to advise you that telephone calls to Volkswagen Customer Care may be monitored and recorded as part of our training and quality assurance processes. All our monitoring and recording processes meet Ofcom regulations.*

## BENEFIT IN KIND (BIK) FOR SCOTTISH RESIDENTS

Effective as of 6 April 2018, the Scottish Government introduced their own BIK taxation structure. This is only applicable to Company Car Drivers that are resident Scottish taxpayers. HMRC will continue to be responsible for the collection and management of taxes and will determine whether or not an individual is a Scottish taxpayer based on where their primary place of residence is.

### Scottish Income Tax rates and Bands 2018/19

Starter rate 19% over £11,850 - £13,850

Basic rate of 20% over £13,850 - £24,000

Intermediate rate 21% over £24,000 - £44,273

Higher rate 41% over £44,273 - £150,000

Top rate 46% above £150,000

## FUEL CONSUMPTION AND CO<sub>2</sub> EMISSIONS

Fuel consumption and CO<sub>2</sub> figures are obtained under standardised EU test conditions (Directive 93/116/EEC). This allows a direct comparison between different manufacturer models but may not represent the actual fuel consumption achieved in 'real world' driving conditions. More information is available on the Volkswagen website at [www.volkswagen.co.uk](http://www.volkswagen.co.uk) and at [www.dft.gov.uk/vca](http://www.dft.gov.uk/vca). The weight of a vehicle will influence the level of CO<sub>2</sub> emissions it produces; as a result, vehicles with higher levels of specification and factory-fitted options may emit higher levels of CO<sub>2</sub>. Choosing larger alloy wheels than those fitted as standard may result in increased fuel consumption as well as higher CO<sub>2</sub> emissions and subsequently an increased Vehicle Excise Duty (VED) band. BIK rates paid by company car drivers may also increase. In some instances, the recommended 'On the road' retail price paid for a vehicle may increase as a result of the increased VED rate. CO<sub>2</sub> is the main greenhouse gas responsible for global warming. The specifications contained in this brochure are for information purposes only and are subject to change.

<sup>1</sup> All warranty work must be completed by an authorised Volkswagen retailer or repairer.

# Volkswagen service plan.

An additional way to keep your perfect car, perfect for longer.

Exclusions and terms apply, [please click here](#) for more details. For pricing and further details of the Volkswagen Service Plan, please consult your authorised Volkswagen retailer or visit [www.volkswagen.co.uk](http://www.volkswagen.co.uk)

## Volkswagen Service Plan – retail sales only

We offer Volkswagen Service Plans to cover all new models for their first two consecutive services in line with the Fixed Service schedule required on the vehicle. Your car will be in the hands of Volkswagen trained technicians who use specialist Volkswagen tools, technology and Volkswagen original parts, and all parts and labour are guaranteed for two years. What's more, the Volkswagen Service Plan will remain with the vehicle should you decide to sell your car.

## Volkswagen Service Plan – retail sales only

For vehicles under 1 year old set to the Fixed Service regime that has not had its first service, comprising first two manufacturer's scheduled services:

- 'Oil service' including oil filter change
- 'Oil service' including oil filter change and 'Inspection service' plus a pollen filter replacement (if required)

Excludes electric vehicles. Service plan covers first two consecutive services, limited to 1x 'Oil service' and 1x 'Oil and Inspection service'. T&Cs apply: All vehicles must be set to the Fixed Service regime by the retailer. Maximum age of car is 12 months (Service plan must be taken out before first service is due). Additional work, including wear and tear is excluded. Servicing must be carried out in line with the requirement of the Service Schedule. All work must be carried out by an Authorised Volkswagen Repairer. Offers may be varied or withdrawn at any time. Plan validity is dependent on required payments received. Administered by Volkswagen Financial Services. Retail sales only. For pricing and further details, please consult your authorised Volkswagen retailer or visit [www.volkswagen.co.uk](http://www.volkswagen.co.uk)
