

The Passat and Passat Estate

Price and specification guide

Effective from 24.2.2020

Intuitive, intelligent and quite simply inspirational.

Everything about the Passat is designed to make your busy life easier, safer and more comfortable. It's the first Volkswagen to offer the new IQ.Drive system 'Travel Assist', providing partially assisted driving with control of steering, braking and acceleration up to 130mph (where the law permits) aided by a touch-sensitive steering wheel, another Volkswagen first. A new, self-assured exterior showcases stylish contours, an updated front grille, new LED headlights and new colours including Lapiz Blue. While the restyled interior is spacious and packed with features such as seamless smartphone integration, Adaptive Cruise Control with Lane Assist and parking sensors as standard. Available as a Saloon or an Estate, the latter with a vast 650 litre luggage compartment volume. Trim levels include SE, SE Nav, SEL, R-Line and R-Line Edition, there are also Saloon and Estate GTE plug-in hybrids and an Estate Alltrack off-road model.

Model shown is Passat Estate R-Line with optional 'IQ. Light' LED matrix headlights, 19" 'Pretoria' Dark Graphite alloy wheels, panoramic sunroof and metallic signature paint.

Front cover models shown are Passat SEL with optional 'IQ. Light' LED matrix headlights, 17" 'Soho' Anthracite alloy wheels, panoramic sunroof and metallic paint, and Passat Estate R-Line with optional 'IQ. Light' LED matrix headlights, 19" 'Pretoria' Dark Graphite alloy wheels, panoramic sunroof and metallic signature paint.

[Configure now >](#)

R-Line. For those who demand the best.

The Passat R-Line raises the bar when it comes to style. Distinctive R-Line accents include specially designed front and rear bumpers, chrome body trim highlights, LED headlights blending seamlessly into the front chrome radiator grille and 'Gloss Black' surrounds featuring integrated fog lights. The exterior styling continues with the striking tornado line that runs from the front panel to the rear, as does the chrome detailing on the lower doors and lower front and rear bumpers. Side skirts and a 'Gloss Black' rear diffuser add to the sporty look and are enhanced by LED rear tail lights. Dynamic, sporty and self-assured, the Passat R-Line commands attention, leaving a lasting impression wherever it goes.

Model shown is Passat R-Line with optional 'IQ. Light' LED matrix headlights, 19" 'Pretoria' Dark Graphite alloy wheels and metallic signature paint.

01 The R-Line interior features an intuitive multifunction steering wheel, finished in Titan Black 'Nappa' leather¹ with 'R-Line' logo, and complementary decorative dashboard accents in 'Dark Diamond Flag'. Also included are pedals and door sill protectors in stainless steel effect and ambient lighting. Many of Volkswagen's new technologies are fitted as standard, including the Discover Navigation infotainment system with integrated eSIM card and 'R-Line' start-screen. Furthermore, thanks to the new Wireless 'App-Connect'², your Passat can connect with current Apple or Android smartphones through three innovative technologies: 'MirrorLink'[™], Apple 'CarPlay' and Google 'Android Auto'. Image shown features an optional Discover Navigation Pro infotainment system, Active Info Display and metallic signature paint.

02 R-Line sports seats for the driver and front passenger are both contemporary and stylish, featuring seat centre sections in Titan Black 'Nappa' leather¹ with 'Carbon Optic' side bolsters and the distinctive 'R-Line' logo displayed on the front seat backrest. Image shown features optional panoramic sunroof and metallic signature paint.

¹ Some parts of leather interior will contain artificial leather.
² Only operable in conjunction with compatible smartphones including iPhone 5 and above. Display and operation of certified apps including audio and voice control (if supported by the app). Usage of certified apps only while driving. Please see www.volkswagen.co.uk to check smartphone compatibility.

The perfect companion for on- and off-road adventures.

The Passat Alltrack is confident on- and off-road, thanks to its rugged underbody protection, increased ground clearance and off-road driving programme. Standard 4MOTION all-wheel drive improves traction in wet and slippery conditions, handling the most challenging surfaces with ease, while intelligent driver assistance systems and a seven speed automatic DSG gearbox deliver a dynamic driving experience with outstanding handling on most surfaces. High quality design elements in stainless steel, chrome and aluminium create a contemporary, exclusive look, providing the ultimate in luxury and comfort on every journey. Whatever or wherever the challenge, the Alltrack more than delivers.

Model shown is Passat Alltrack with optional 'IQ. Light' LED matrix headlights, 19" 'Albertville' alloy wheels and metallic paint. Roof bars are available as an accessory. Please refer to the [Accessories section](#), or visit www.volkswagen.co.uk for full availability of products.

01 The **stylish front design** is sporty and eye-catching with LED headlights blending seamlessly into the new chrome radiator grille complete with the exclusive 'Alltrack' logo. Striking 'Gloss Black' surrounds featuring integrated fog lights with static cornering function complete the look. Image shown features optional 'IQ. Light' LED matrix headlights and metallic paint.

¹ Figures shown are for comparability purposes; only compare fuel consumption and CO₂ figures with other vehicles tested to the same technical procedures. These figures may not reflect real life driving results, which will depend upon a number of factors including the accessories fitted (post-registration), variations in weather, driving styles and vehicle load. There is a new test used for fuel consumption and CO₂ figures (known as WLTP). The CO₂ figures shown however, are based on a calculation designed to be equivalent to the outgoing (NEDC) test cycle and will be used to calculate vehicle tax on first registration. For more information, please see www.volkswagen.co.uk/need-help/wltp or consult your authorised Volkswagen retailer. ² For full details of 'First year rate' VED (Vehicle Excise Duty), delivery to retailer, number plates and vehicle first registration fee included in the recommended 'On the road' retail price, [please click here](#) ³ P11D value = Total recommended retail price + delivery to retailer £509.17, + number plates £20, + VAT £105.83 (calculated by reference to total of delivery to retailer + number plates). P11D value is based on standard specification model with no factory-fitted options or other accessories. ⁴ The BIK % figure quoted includes the 4% diesel supplement, where applicable. ⁵ The ABI insurance group is the recommended insurance rating set by the Association of British Insurers. Please note that insurance group ratings are purely advisory. They are used by insurers (ABI members and Lloyd's syndicates) as one of the factors in calculating premiums. Insurers are not required to follow the advisory group ratings and they may depart from them if they so wish.

[‡] These vehicles are WLTP (Worldwide Harmonised Light-Duty Vehicles Test Procedure) type approved vehicles. More information is available at www.volkswagen.co.uk/need-help/wltp.

SCR (Selective Catalytic Reduction) requires AdBlue®, [please click here](#) or visit www.volkswagen.co.uk/technology/engines/adblue for more details.

RDE2 refers to Real Driving Emissions Step 2.

Volkswagen Service Plan – Retail sales only.

For vehicles under 1 year old set to the Fixed Service regime that has not had its first service, comprising first two manufacturer's scheduled services:

– 'Oil service' including oil filter change

– 'Oil service' including oil filter change and 'Inspection service' plus a pollen filter replacement (if required)

Excludes electric vehicles. Service plan covers first two consecutive services, limited to 1x 'Oil service' and 1x 'Oil and Inspection service'. T&Cs apply: All vehicles must be set to the Fixed Service regime by the retailer. Maximum age of car is 12 months (Service plan must be taken out before first service is due). Additional work, including wear and tear is excluded. Servicing must be carried out in line with the requirement of the Service Schedule. All work must be carried out by an Authorised Volkswagen Repairer. Offers may be varied or withdrawn at any time. Plan validity is dependent on required payments received. Administered by Volkswagen Financial Services. Retail sales only. For pricing and further details, please consult your authorised Volkswagen retailer or visit www.volkswagen.co.uk

Prices, specifications, features, technical and other information (including fuel consumption, CO₂ emissions and range) are updated regularly and are subject to change without notice (this may include changes between order and delivery). There may be a delay in updates to our materials – always consult your authorised Volkswagen retailer for the latest information.

Volkswagen UK may change RRP's at any time (this includes where there are government changes in regulation and/or legislation).

There may be a delay to any RRP displaying correctly on our materials. Always obtain prices from your chosen authorised Volkswagen retailer.

VAT IS CALCULATED AT 20%. EFFECTIVE FROM 24 FEBRUARY 2020.

¹ Figures shown are for comparability purposes; only compare fuel consumption and CO₂ figures with other vehicles tested to the same technical procedures. These figures may not reflect real life driving results, which will depend upon a number of factors including the accessories fitted (post-registration), variations in weather, driving styles and vehicle load. There is a new test used for fuel consumption and CO₂ figures (known as WLTP). The CO₂ figures shown however, are based on a calculation designed to be equivalent to the outgoing (NEDC) test cycle and will be used to calculate vehicle tax on first registration. For more information, please see [www.volkswagen.co.uk/need-help/wltp](#) or consult your authorised Volkswagen retailer. ² For full details of 'First year rate' VED (Vehicle Excise Duty), delivery to retailer, number plates and vehicle first registration fee included in the recommended 'On the road' retail price, [please click here](#) ³ P11D value = Total recommended retail price + delivery to retailer £509.17, + number plates £20, + VAT £105.83 (calculated by reference to total of delivery to retailer + number plates). P11D value is based on standard specification model with no factory-fitted options or other accessories. ⁴ The BIK % figure quoted includes the 4% diesel supplement, where applicable. ⁵ The ABI insurance group is the recommended insurance rating set by the Association of British Insurers. Please note that insurance group ratings are purely advisory. They are used by insurers (ABI members and Lloyd's syndicates) as one of the factors in calculating premiums. Insurers are not required to follow the advisory group ratings and they may depart from them if they so wish.

[‡] These vehicles are WLTP (Worldwide Harmonised Light-Duty Vehicles Test Procedure) type approved vehicles. More information is available at [www.volkswagen.co.uk/need-help/wltp](#).
SCR (Selective Catalytic Reduction) requires AdBlue®, [please click here](#) or visit [www.volkswagen.co.uk/technology/engines/adblue](#) for more details.
RDE2 refers to Real Driving Emissions Step 2.

Volkswagen Service Plan – Retail sales only.

- For vehicles under 1 year old set to the Fixed Service regime that has not had its first service, comprising first two manufacturer’s scheduled services:
- ‘Oil service’ including oil filter change
 - ‘Oil service’ including oil filter change and 'Inspection service' plus a pollen filter replacement (if required)

Excludes electric vehicles. Service plan covers first two consecutive services, limited to 1x ‘Oil service’ and 1x ‘Oil and Inspection service’. T&Cs apply: All vehicles must be set to the Fixed Service regime by the retailer. Maximum age of car is 12 months (Service plan must be taken out before first service is due). Additional work, including wear and tear is excluded. Servicing must be carried out in line with the requirement of the Service Schedule. All work must be carried out by an Authorised Volkswagen Repairer. Offers may be varied or withdrawn at any time. Plan validity is dependent on required payments received. Administered by Volkswagen Financial Services. Retail sales only. For pricing and further details, please consult your authorised Volkswagen retailer or visit [www.volkswagen.co.uk](#)

Prices, specifications, features, technical and other information (including fuel consumption, CO₂ emissions and range) are updated regularly and are subject to change without notice (this may include changes between order and delivery). There may be a delay in updates to our materials – always consult your authorised Volkswagen retailer for the latest information.

*Volkswagen UK may change RRP’s at any time (this includes where there are government changes in regulation and/or legislation).
There may be a delay to any RRP displaying correctly on our materials. Always obtain prices from your chosen authorised Volkswagen retailer.*

Black radiator grille with chrome louvres
Body-coloured bumpers
Body-coloured door handles
Body-coloured door mirrors with integrated indicators
Chrome-plated side window surrounds
Exterior temperature gauge and frost warning function
Front fog lights with static cornering function and chrome trimmed surround
Galvanised body
'Gloss Black' B-pillar trim
Rear lights incorporating LED technology
Rear number plate lights incorporating LED technology
Rear windscreen wash/wipe (Estate only)
Roof rails, black (Estate only)
Windscreen wipers with intermittent operation

INTERIOR

Carpet mats, front and rear
'Cross Hatch' decorative inserts in dash, centre console and door panels
Chrome-plated instrument and air vent surrounds
Cup holders with covers, front x 2
Extending luggage compartment cover, stowable (Estate only)
Front centre armrest with storage compartment and two rear air vents
Glovebox, cooled, illuminated and lockable
Height and reach adjustable steering wheel
Interior lighting: front and rear with interior delay and dimming function
Leather trimmed three-spoke multifunction steering wheel and gear knob
LED entrance/warning lights in front doors
Load lashing points x 4, in luggage compartment
Load sill protection – plastic (Estate only)
Load-through provision
Luggage compartment light
Reading lights, front and rear x 2 incorporating LED technology
Seating
– Upholstery – 'Django' cloth
– Driver's and front passenger's seat height adjustment
– Front seats with lumbar adjustment
– ergoComfort driver's seat with seat cushion tilt adjustment, thigh support and electric backrest adjustment
Rear seat centre armrest with storage compartment
Split folding rear seat backrests 60:40 (Saloon)
Split folding rear seat backrest 40:20:40 (Estate)

INTERIOR (CONTINUED)

Storage compartment in driver's door for 1.0 litre bottle
Storage compartment in roof console with cover
Storage compartments in front passenger's door for 1.5 litre bottle
Storage compartment in rear doors
Vanity mirrors, illuminated
Variable boot floor, height adjustable and removable (Estate only)
White instrument lighting
12V socket in front centre console
12V socket in luggage compartment

IN-CAR ENTERTAINMENT AND COMMUNICATIONS

Aerial integrated into rear windscreen
Composition Colour infotainment system
– 6.5" colour touch-screen
– Music playback from MP3, WMA and AAC files
– 4 x 20 watt output
– 8 speakers, front and rear
Wireless 'App-Connect'¹
– Combines the functionality of Apple 'CarPlay', Google 'Android Auto' and 'MirrorLink'™ allowing 'mirroring' of smartphone display on the infotainment touch-screen via wireless connection

WE CONNECT

We Connect²
– Driver and vehicle integration via We Connect Portal or We Connect app
– Provides continuous interaction between the driver, vehicle and Volkswagen, via integrated SIM-card connectivity
– Driver and vehicle integration with Volkswagen call centre or server for: 'eCall' – Emergency call service for SOS calls to emergency response
– Vehicle based services for: Car breakdown call, Vehicle status, Doors and lights, Automatic accident notification, Vehicle health report, Driving data, Parking position and Service schedule
We Connect Plus³ – 3-year subscription
– Vehicle based services for: Area alert, Speed alert, Horn and indicators, Online anti-theft alarm, Online auxiliary heater, Online ventilation control, Lock and unlock

- 1 Only operable in conjunction with compatible smartphones including iPhone 5 and above. Display and operation of certified apps including audio and voice control (if supported by the app). Usage of certified apps only while driving. Please see www.volkswagen.co.uk to check smartphone compatibility.
- 2 To use the free We Connect app you will need a smartphone with iOS or Android operating system and a SIM-card with a data option. Depending on your mobile tariff, sending and receiving data online may incur additional charges (e.g. roaming charges), particularly if you are using We Connect abroad. For more information on We Connect services, go to www.portal.volkswagen-we.com or contact your Volkswagen retailer.
- 3 We Connect Plus services are accessed via a compatible mobile device. Please see www.portal.volkswagen-we.com for more information. The use of We Connect Plus entails exchanging large volumes of data. As such, we strongly recommend that you sign-up for a flat rate data plan with your mobile network provider. After the initial 3-year We Connect Plus contract, an annual subscription is chargeable for the continuation of We Connect Plus services.

The specifications listed are for information purposes only as our products are continually updated and changes may be made to the specifications at any time. If you require any specific feature, please consult your authorised Volkswagen retailer who is regularly updated with any change in specification. Specifications are subject to change without notice.

Additional items of standard equipment: SE Nav (over SE).

costs

WHEELS AND SUSPENSION

Sports suspension, lowered

'R-Line' styling pack – 'R-Line' design front and rear bumpers, radiator grille, side skirts and rear spoiler¹

Ambient lighting

Black rooflining

Black rooflining

'Dark Diamond Flag' decorative inserts in dash and door panels

Leather trimmed three-spoke multifunction steering wheel with aluminium inserts and 'R-Line' logo

Seating

- Upholstery – 'Nappa' leather² and 'Carbon Optic' side bolsters
- Front seats with embroidered 'R-Line' logo on backrest

Stainless steel pedals – clutch, brake and accelerator (brake and accelerator pedals only on auto DSG models)

Unique 'R-Line' carpet mats, front and rear

Unique 'R-Line' decorative inserts for dash and door panels

Unique 'R-Line' door sill protectors

Climate control - 3Zone electronic air conditioning with automatic air recirculation

'Easy open' full electric tailgate opening and closing function, operated via foot movement under rear or from driver's door

Heated windscreen washer jets

Keyless entry, including Start/Stop button

XDS electronic differential lock for improved traction and handling (2.0 ltr BiTDI SCR 4MOTION engine only)

A woman wearing sunglasses, a denim jacket over an orange top, and a long green pleated skirt is walking from right to left in the foreground. She is holding a black bag and a folder. In the background, a blue Volkswagen Passat R-Line is parked on a paved surface. The car is a four-door sedan with alloy wheels and a rear spoiler. The setting is an urban environment with a modern building featuring large glass windows and a copper-colored facade. The lighting is bright, suggesting a sunny day.

1 Estate only.

2 Some parts of leather interior will contain artificial leather.

Driver's assistance systems.

Good assistants are usually hard to find. It's different in the Passat. Here you will find numerous intelligent driver assistance systems which are grouped at Volkswagen under the name IQ.Drive. IQ.Drive stands for all assistance systems that already exist today and that we are developing for tomorrow and the future. In the Passat you can benefit from innovative features such as 'Traffic jam assist', 'Emergency Assist' and many more.

01 Whether on business or leisure travel, if you travel frequently, the Traffic jam assist system offers you assistance from motorways to city congestion traffic. **Traffic jam assist** can take into account the distance to the traffic ahead and adjust the speed accordingly. In conjunction with the DSG dual clutch transmission, you can even drive relaxed through traffic jams and stop-and-go traffic. It detects if traffic is stopping and slows your vehicle to a standstill if necessary. Once the car in front pulls away, the system recognises this and sets the vehicle in motion. Standard on all models.

02 Emergency Assist can help even further should a driver medical emergency situation arise. In conjunction with the DSG gearbox, the system recognises an incapacity of the driver and slows the car down in its lane to a standstill if necessary. As soon as the system cannot detect any steering, braking or acceleration activity, it alerts the driver. If the driver remains inactive, it automatically activates the hazard warning lights to alert other road users. Standard on all models in conjunction with the DSG gearbox.

03 Adaptive Cruise Control (ACC) is a radar sensor controlled distance monitoring system that utilises a front mounted camera to set a distance to the vehicle in front and maintain it up to a predetermined set speed by automatically accelerating and braking as necessary. The system adds speed and cornering assistance by using information from the vehicle's navigation system if fitted. Standard on all models.

Models shown are Passat Estate R-Line with optional 19" 'Pretoria' Dark Graphite alloy wheels, panoramic sunroof and metallic signature paint.
Image 02 is Passat Estate R-Line with optional 'IQ. Light' LED matrix headlights, 19" 'Pretoria' Dark Graphite alloy wheels, panoramic sunroof and metallic signature paint.

Please note: The intelligent technology of Adaptive Cruise Control (ACC) with predictive cruise control cannot overcome the laws of physics and functions only within the limits of the system. It is the driver's responsibility to have full concentration and control of the vehicle, as well as ensuring appropriate speeds by observing the maximum speed limits and road positioning of the car at all times.

Infotainment and connectivity.

The design of the Passat is not only ground-breaking, but in the technologically advanced cockpit you will also find the very latest in digital communication and navigation systems, keeping you connected and informed. It also includes voice control for the Discover Navigation Pro which lets you conveniently choose your favourite music and plan your route while keeping your eyes on the road.

01 The optional **Head-up Display**¹ presents driving information directly in your field of vision. Speed, traffic signs and information about the assistance systems, as well as warnings and navigation data are projected on to the high-quality retractable screen transparently displayed in front of the windscreen, enabling you to read everything clearly while keeping your focus on the road ahead. Optional on SE, SE Nav, SEL, R-Line, GTE, GTE Advance and Alltrack models.

¹ Please note, use of polarised lenses may impair the visibility of the Head-up Display.

01 The **Composition Colour infotainment system** is equipped with an FM receiver, 6.5 inch colour touch-screen and facilitates music playback from MP3, WMA and AAC files through eight speakers, front and rear. Standard on SE models.

02 The **Discover Navigation touch-screen navigation/infotainment system with We Connect Plus¹** builds upon the Composition Colour system, but with additional features enabling you to easily manage not only your music, but also navigation data and a broad range of vehicle information on the 8.0 inch colour touch-screen. The system includes a DAB digital radio receiver (on SEL models and above) and an MDI (Multi Device Interface) via USB connection for compatible products. Also included is Bluetooth telephone and audio connection for compatible devices², simultaneous pairing of two compatible mobile devices, SMS functionality – allowing you to read, compose and send SMS messages using the touch-screen display to a compatible Android smartphone (while the vehicle is stationary), title and compatible cover art display, and also offers preloaded European navigation data, 2D/3D map view, three calculated route choices (Fast, Short and Eco), dynamic navigation based on TMC+, branded points of interest and Speed Limit Display⁴. 3-years We Connect Plus access makes it possible to integrate 'traffic information online' into route guidance and transfer public and personal points of interest to the navigation system. The service also includes information for fuel station location and pricing, weather and news feeds. Finally, car information display and 'Think Blue. Trainer.' – provide journey analysis and driver tips on your journey. Standard on SE Nav, SEL, R-Line, GTE and Alltrack models.

03 The **Discover Navigation Pro touch-screen navigation infotainment system with integrated voice activation and We Connect Plus²** can be operated intuitively via the 9.2 inch colour touch-screen, enabling you to manage music and navigation data. Gesture control for use with various different menus, responds to a sideways swiping gesture and confirms a successful swipe with a sound effect, which can be deactivated if required. Eight powerful speakers deliver great acoustics while it also offers a 64 GB SSD hard drive, voice control and a USB connection. The Discover Navigation Pro also features We Connect Plus providing online access to a range of useful information such as traffic, fuel station location and pricing, weather and news feeds. The **Active Info Display** is ideal for those who love the latest technology, providing a system that can be tailored to suit your specific preferences. A fully configurable, interactive, 10.25 inch high resolution TFT dash display replaces the standard instrument cluster, displaying vehicle data and information on your dashboard. A choice of five different modes enables you to customise the screen as you wish, showing large or small dials as you prefer, with a number of items displayed behind. In navigation mode, for example, you can move the speedometer and rev counter to the edge of the display, creating more space for the navigational map. If you wish, you can include driving, navigation and assistance functions within the graphics of the speedometer. As the Active Info Display is linked to all other assistance systems in the vehicle, any data shown in the centre console of the infotainment system, such as phone numbers or compatible cover art, can also be displayed on the dash, conveniently placed directly within the driver's optimum field of vision. Standard on R-Line Edition and GTE Advance, and optional on all other models.

1 We Connect Plus services are accessed via a compatible mobile device. Please see [www.portal.volkswagen-we.com](#) for more information. The use of We Connect Plus entails exchanging large volumes of data. As such, we strongly recommend that you sign-up for a flat rate data plan with your mobile network provider. After the initial 3-year We Connect Plus contract, an annual subscription is chargeable for the continuation of We Connect Plus services. To use the free We Connect app you will need a smartphone with iOS or Android operating system and a SIM-card with a data option. Depending on your mobile tariff, sending and receiving data online may incur additional charges (e.g. roaming charges), particularly if you are using We Connect abroad. For more information on We Connect services, go to [www.portal.volkswagen-we.com](#) or contact your Volkswagen retailer.

2 Devices must be Bluetooth HFP (Hands Free Profile) compatible, please contact your authorised Volkswagen retailer for specific device compatibility.

3 Only operable in conjunction with compatible tablets and smartphones including iPhone 5 and above. Please see [www.volkswagen.co.uk](#) to check compatibility.

4 Speed Limit Display only reflects national speed limits and does not show temporary speed limit restrictions, or where permanent changes to speed limits are made in-between map updates.

¹ Must be ordered in conjunction with full size alloy spare wheel.

Choosing larger alloy wheels than standard, as an option, may result in increased fuel consumption as well as higher CO₂ emissions and subsequently increased Vehicle Excise Duty (VED) band, and BIK rates paid by company car drivers may increase. This is due to the fact that larger wheels have both more aerodynamic drag and more mechanical drag, resulting in increased rolling resistance and increased wind resistance. As a result, the VED band that the vehicle falls into may increase from its original VED band when fitted with standard size wheels. In some instances, the recommended 'On the road' retail price paid for the vehicle may increase as a result of the increased VED rate. [Please click here for full details.](#)

Accessories.

Make a statement and further enhance your Passat or Passat Estate by choosing from our wealth of stylish, innovative and sporty Volkswagen accessories. Choose from the high-quality carrier systems to the practical protection solutions and select the accessories to perfectly match your lifestyle.

01 Volkswagen roof box (Matt black)
Take the pressure off the boot when you next head away on holiday and pack all those essentials into one of these stylish Volkswagen roof boxes. In matt black, they not only fit a lot in, they look stylish too. 340 litres, maximum load capacity 50kg.
Part number: 000 071 200

02 Bicycle holder
Safely transport bicycles on the roof of your vehicle. The wheel rails are aerodynamically designed, and ensure the bicycle is correctly positioned. They enable you to use both hands to fix the wheels and frame. Thanks to the quick-fastening system, the bicycle holder is easy to fit onto the roof bars, without using any tools. The carrier also includes anti-theft protection. Suitable for maximum down tube widths of 80mm, bike weights of up to 20kg.
Part number: 000 071 128 F

03 Roof bars
Have a lot more fun when you arrive by throwing a lot more up top before you depart. These city crash-tested roof bars are essential when you want to fit a ski and snowboard holder, a bicycle holder, a useful roof box and more besides.
Two-piece set.
Part number: 3G0 071 126

04 Rear mudflaps
Prevent muck from messing up your vehicle's underbody, bumpers, sills and doors with Volkswagen mudflaps. They're long-lasting and durable, protecting your vehicle against excessive mud and reducing the chance of road chip damage.
Two-piece set.
Part number: 3G0 075 101 C

Front mudflaps
Two-piece set.
Part number: 3G0 075 111

05 Front rubber floor mats
When it comes to keeping out the worst, these rubber mats are the best. Durable, this set of two non-slip front mats protect from dirt and moisture. Shaped to fit, they're easy to clean and come with push button fastening.
Two-piece set.
Part number: 3G2 061 502 A82 V

Rear rubber floor mats
Two-piece set.
Part number: 3G0 061 512 82V

☒ Standard ☐ Optional
SE | SE/SE Nav SEL | SEL RL | R-Line GTE | GTE GTE A | GTE Advance AT | Alltrack

Please note, choosing larger alloy wheels than standard, as an option, may result in increased fuel consumption. This is due to the fact that larger wheels have both more aerodynamic drag and more mechanical drag, resulting in increased rolling resistance and increased wind resistance. Images shown feature optional metallic paint.

AdBlue®.

Your Volkswagen car is fitted with an advanced emissions control system, which helps your vehicle meet EURO 6 exhaust gas regulations.

How does the system work?

AdBlue®, a water/urea based additive, is stored in a tank (like diesel fuel), however, unlike fuel it is not injected into the engine, but directly into a specially modified part of the vehicle’s exhaust. This begins a chemical reaction which removes the polluting oxides of nitrogen (NOx), converting them into harmless oxygen and nitrogen in a process known as Selective Catalytic Reduction, or SCR for short. SCR is only applicable to diesel engines and the more economically you drive, typically, the less AdBlue® you will use.

The size of the AdBlue® tank fitted to your car will vary depending on which Volkswagen model you have, therefore the interval between top-ups will vary. In addition, many factors such as mileage, journey type, driving style and environmental conditions can influence how much AdBlue® is consumed. A passenger car can consume approximately 1.5 litres of AdBlue® every 620 miles (1.0–1.5 litres for the Passat and Passat Estate). The chart below details the AdBlue® tank size and location.

Model (SCR derivatives only)	Tank size (Approximately)	AdBlue® tank filler location	Initial warning of low AdBlue® (2,400km/1,500 miles to go) can be expected to occur at:
Passat and Passat Estate	13 litres	Next to fuel filler nozzle	4,000 to 6,500 miles or sooner*

* Distances are approximate and the warning light may come on sooner depending on driving style, journey type, engine and vehicle load and environmental conditions.

How will I know if the system needs topping-up?

A series of warnings will be given via the driver information system, accompanied by advice/messages.

The first message is displayed when the remaining range is approximately 1,500 miles, and is repeated every 62 miles until the range reaches 1,000 miles, at which point the warning turns amber. This warning is repeated every 31 miles and is accompanied by an audible tone. If these warnings are not acted upon, the warning turns red; once this happens the car will not restart once the ignition is turned off. This is not a fault, but a required feature of the system. If this stage is reached the system will need a full top-up before the car can be restarted. Further information is available in the vehicle handbook.

Why should I use a Volkswagen Authorised repairer for top-ups?

- AdBlue® top-ups at authorised repairers are extremely competitive and charged by the litre, so you only pay for what you need
- Authorised repairer staff are trained to handle AdBlue®
- AdBlue® tanks need special adaptors on fillers to ensure there are no spillages
- Volkswagen do not recommend keeping top-up bottles in cars

The top-up bottles supplied by Volkswagen have a capacity of 1.89 litres, and come complete with the adaptor nozzles that fit the Volkswagen AdBlue® tank. These are available from all Volkswagen Authorised repairers.

AdBlue® warning lights.

Important information

- AdBlue® is not a fuel additive. This is why there is a separate AdBlue® tank
- If you put AdBlue® in your fuel tank by mistake, please do not start the engine, but contact a retailer for help
- Put only AdBlue® in the AdBlue® tank; do not fill the AdBlue® tank with any other liquids
- Prevent anything from contaminating AdBlue®
- If small quantities of AdBlue® come into contact with the vehicle’s paintwork, for example, wipe them off and if necessary rinse the area with water

EFFECTIVE FROM 24 FEBRUARY 2020.

VED and additional ‘On the road’ costs.

Diesel vehicles that do not meet the RDE2 standard will be charged a supplement on their ‘First year rate’ to the effect of moving up by one VED (Vehicle Excise Duty) band. The following tables give the rates of vehicle tax on cars registered on or after 1 April 2019. Please refer to the Model Prices pages to confirm which models are RDE2 compliant.

‘FIRST YEAR RATE’ VED – CARS REGISTERED ON OR AFTER 1.4.2019 BASED ON CO₂ EMISSIONS AND FUEL TYPE

Petrol/Diesel[†] – ‘First year rate’ VED

CO ₂ emissions (g/km)	Petrol/Diesel [†] VED £	Petrol total ‘On the road’ costs £
0	0.00	690.00
1-50	10.00	700.00
51-75	25.00	715.00
76-90	110.00	800.00

131-150	530.00	1,220.00
151-170	855.00	1,545.00
171-190	1,280.00	1,970.00
191-225	1,815.00	2,505.00
226-255	2,135.00	2,825.00
Over 255	2,135.00	2,825.00

Alternative fuel – ‘First year rate’ VED

CO ₂ emissions (g/km)	Alternative fuel VED £	Alternative fuel total ‘On the road’ costs £
0	0.00	690.00
1-50	0.00	690.00
51-75	15.00	705.00
76-90	100.00	790.00
91-100	120.00	810.00
101-110	140.00	830.00
111-130	160.00	850.00
131-150	200.00	890.00
151-170	520.00	1,210.00
171-190	845.00	1,535.00
191-225	1,270.00	1,960.00
226-255	1,805.00	2,495.00
Over 255	2,125.00	2,815.00

The way VED (Vehicle Excise Duty) vehicle tax is calculated will change for vehicles that are first registered with the DVLA on, or after, 1 April 2018. All new diesel vehicles registered after 1 April 2018 that do not meet the RDE2 standard will be charged a supplement on their ‘First year rate’ to the effect of moving up by one VED (Vehicle Excise Duty) band.

If a new vehicle is registered on or after 1 April 2018, after the ‘First year rate’ VED the majority of vehicles move to the ‘Standard rate’ of vehicle tax which is £145 a year.

The ‘First year rate’ will be based on the CO2 emissions, fuel type and the list price of the vehicle supplied by the Manufacturer or Retailer as applicable on the day before the vehicle is first registered and taxed.

After the ‘First year rate’, all vehicles with zero emissions will be exempt from the ‘Standard rate’ of vehicle tax. All petrol and diesel vehicles will pay a standard rate of £145 a year, and alternative fuel vehicles will pay a standard rate of £135 a year.

Petrol or diesel vehicles with a list price over £40,000 at first registration will pay £465 a year, after the first ‘First year rate’ vehicle tax, for a period of five years. This comprises the £145 ‘Standard rate’ and £320 additional rate. After five years the vehicle tax will revert to the ‘Standard rate’ of £145 per year.

Alternative fuel vehicles – hybrids, bi-ethanol or LPG, with a list price over £40,000 at first registration will pay £455 a year after the ‘First year rate’ vehicle tax for a period of five years. This comprises the £135 ‘Standard rate’ and £320 additional rate which reverts to £135 ‘Standard rate’ after five years.

Vehicles with a list price exceeding £40,000 with zero emissions (including electric) will pay the additional rate of £320 a year for a further five year period, after the ‘First year rate’ tax. After the five year period these vehicles will pay zero VED tax.

There is no provision for 6 month’s ‘First year rate’ VED.

[†] Diesel cars that are tested to RDE2 standards. [‡] Diesel cars, including those tested to RDE standards.

‘STANDARD RATE’ VED

‘Standard rate’ VED based on fuel type

Fuel type	CO ₂ emissions (g/km)	‘Standard rate’ 12 months VED £
Electric/Other	0	0.00
Petrol/Diesel	1 - Over 255	145.00
Alternative	1 - Over 255	135.00

After the ‘First year rate’, all vehicles with zero emissions will be exempt from the ‘Standard rate’ of vehicle tax. All petrol and diesel vehicles will pay a standard rate of £145 a year, and alternative fuel vehicles will pay a standard rate of £135 a year.

‘STANDARD RATE’ – OVER £40,000 RRP

‘Standard rate’ VED for vehicles over £40,000 list price – five year annual rate

Fuel type	‘Standard rate’ 12 months VED £	Additional rate £	Total annual payment £
Electric	0.00	320.00	320.00
Petrol/Diesel	145.00	320.00	465.00
Alternative	135.00	320.00	455.00

Petrol or diesel vehicles with a list price over £40,000 at first registration pay £465 a year after the ‘First year rate’ for a period of five years. Alternative fuel vehicles over £40,000 at first registration – hybrids, bi-ethanol or LPG, pay £455 a year after the ‘First year rate’ for a period of five years. Electric or vehicles producing zero emissions over £40,000 at first registration pay £320 a year after the ‘First year rate’ for a period of five years. After five years, vehicles will revert to their ‘Standard rate’ tax depending on fuel type.

ADDITIONAL ‘OTR’ COSTS

Additional ‘On the road’ costs

Delivery to retailer	509.17
Number plates	20.00
VAT	105.83
Vehicle first registration fee	55.00
Total	690.00

The total ‘On the road’ costs above for petrol, diesel, electric and alternative fuel vehicles include the applicable ‘First year rate’ VED charge plus the ‘On the road’ costs as detailed above:

VAT IS CALCULATED AT 20%. EFFECTIVE FROM 24 FEBRUARY 2020.

1 Figures shown are for comparability purposes; only compare fuel consumption and CO₂ figures with other vehicles tested to the same technical procedures. These figures may not reflect real life driving results, which will depend upon a number of factors including the accessories fitted (post-registration), variations in weather, driving styles and vehicle load. There is a new test used for fuel consumption and CO₂ figures (known as WLTP). The CO₂ figures shown however, are based on a calculation designed to be equivalent to the outgoing (NEDC) test cycle and will be used to calculate vehicle tax on first registration. For more information, please see www.volkswagen.co.uk/need-help/wltp or consult your authorised Volkswagen retailer. Data correct at 22.8.19. Figures quoted are for a range of configurations (including non-UK) and are subject to change due to ongoing approvals/changes.

‡ These vehicles are WLTP (Worldwide Harmonised Light-Duty Vehicles Test Procedure) type approved vehicles. More information is available at www.volkswagen.co.uk/need-help/wltp.

SCR (Selective Catalytic Reduction) requires AdBlue®, [please click here](#) or visit www.volkswagen.co.uk/technology/engines/adblue for more details.

RDE2 refers to Real Driving Emissions Step 2.

EFFECTIVE FROM 24 FEBRUARY 2020.

Environmental information – Passat.

4-DOOR SALOON RANGE.		RDE2 Compliant	Fuel	Transmission	Combined output, PS	Combined CO ₂ emission, g/km ¹	Combined Fuel Consumption ² mpg/ltr per 100km	Combined Energy Consumption ² miles/kWh	Combined Electric Range, miles/km (WLTP) ³	City Electric Range, miles/km (WLTP) ³
GTE ‡	1.4 ltr TSI PHEV ‡	No	Plug-in Hybrid	6-spd auto DSG	218	32	235.4/1.2	3.91	37/59	39/63
GTE ADVANCE ‡	1.4 ltr TSI PHEV ‡	No	Plug-in Hybrid	6-spd auto DSG	218	34	217.3/1.3	3.84	36/58	38/61

1 Range is not only dependent on the efficient use of the battery by the vehicle but also on driver behaviour and other non-technical factors (e.g. environmental conditions). Extra equipment and accessories (add-on parts, tyres etc.) can change relevant vehicle parameters, such as weight, rolling resistance and aerodynamics, and with weather and traffic conditions, can affect range and performance values. This information should be used for illustration purposes only. The 'combined/weighted' fuel consumption/CO₂ figures are calculated from two test results: one when the battery is fully charged and another when the battery is discharged. The two results are a weighted average, taking into account mileage range on battery power only, providing a figure in a variety of charge conditions. Battery charged using mains-sourced electricity via plug-in. Extended range achieved by 1.4 litre TSI petrol engine generating electricity. Fuel consumption and CO₂ emissions figures are obtained under standardised test conditions (Directive 93/116/EEC) using a representative model. This allows direct comparison between different models from different manufacturers, but may not represent the actual fuel consumption achieved in 'real world' driving conditions. Emissions are while driving. More information is available at www.vehicle-certification-agency.gov.uk. Choosing larger alloy wheels than standard may result in increased fuel consumption as well as higher CO₂ emissions and subsequently increased Vehicle Excise Duty (VED) band and BIK rates paid for company car drivers will increase. In some instances, the recommended 'On the road' retail price paid for the vehicle may increase as a result of the increased VED rate. The specifications contained in this price list are for information purposes only and are subject to change.

2 Fuel consumption and CO₂ figures are obtained under standardised EU test conditions (Directive 93/116/EEC). This allows a direct comparison between different manufacturer models but may not represent the actual fuel consumption and CO₂ emissions achieved in 'real world' driving conditions. More information is available on the Volkswagen website at www.volkswagen.co.uk and at www.vehicle-certification-agency.gov.uk.

3 These figures were obtained using a combination of battery power and fuel. The Passat GTE is a plug-in hybrid vehicle requiring mains electricity for charging. Figures shown are for comparability purposes; only compare fuel consumption, CO₂ and electric range figures with other vehicles tested to the same technical procedures. These figures may not reflect real life driving results, which will depend upon a number of factors including the accessories fitted (post-registration), variations in weather, driving styles and vehicle load. There is a new test used for fuel consumption and CO₂ figures (known as WLTP). The CO₂ figures shown however, are based on a calculation designed to be equivalent to the outgoing (NEDC) test cycle and will be used to calculate vehicle tax on first registration.

‡ These vehicles are WLTP (Worldwide Harmonised Light-Duty Vehicles Test Procedure) type approved vehicles. More information is available at www.volkswagen.co.uk/need-help/wltp.

RDE2 refers to Real Driving Emissions Step 2.

EFFECTIVE FROM 24 FEBRUARY 2020.

Company car taxation chart – tax year 2019/20.

How to calculate your company car income tax liability – effective 6.4.2019

The government is retaining the diesel supplement in company car tax until 2021, when EU-wide testing procedures will ensure new diesel cars meet air quality standards even under strict 'real world' driving conditions. From 6 April 2018 drivers must add 4% to their appropriate percentage if the car is propelled solely by diesel (up to a maximum of 37%).

From 2020/21, the BIK percentages for zero emission cars will reduce from 16% to 2%, whilst BEV/PHEV cars with CO₂ emissions between 1-50g/km will vary between 2% and 14%, depending on the electric range (miles).

For further details of company car tax, please consult your authorised Volkswagen retailer, or visit www.volkswagen.co.uk/offers-and-finance/fleet/calculators/company-car-tax-calculator. Full details can be found at www.assets.publishing.service.gov.uk/government/uploads/system/uploads/attachment_data/file/815268/190617_-_WLTP_-_summary_of_responses_v2.2.pdf

¹ P11D values given in this price list are based on standard specification models with no factory-fitted options or other accessories. If your car includes factory-fitted options or other accessories, you may need to adjust the P11D value to take this into account.

² From 6 April 2018, new income tax rates have been introduced for Scottish Taxpayers, these figures reflect the new Scottish rates. For full details of Scottish BIK tax liability, please refer to the [Benefit In Kind for Scottish Residents section](#)

³ Subject to UK Government announcements.

1 Figures shown are for comparability purposes; only compare fuel consumption and CO₂ figures with other vehicles tested to the same technical procedures. These figures may not reflect real life driving results, which will depend upon a number of factors including the accessories fitted (post-registration), variations in weather, driving styles and vehicle load. There is a new test used for fuel consumption and CO₂ figures (known as WLTP). The CO₂ figures shown however, are based on a calculation designed to be equivalent to the outgoing (NEDC) test cycle and will be used to calculate vehicle tax on first registration. For more information, please see [www.volkswagen.co.uk/need-help/wltp](#) or consult your authorised Volkswagen retailer.

2 The BIK % figure quoted includes the 4% diesel supplement, where applicable.

3 From 6 April 2018, new income tax rates have been introduced for Scottish Taxpayers. For full details of Scottish BIK tax liability, please refer to the [Benefit In Kind for Scottish Residents section](#)

‡ These vehicles are WLTP (Worldwide Harmonised Light-Duty Vehicles Test Procedure) type approved vehicles. More information is available at [www.volkswagen.co.uk/need-help/wltp](#).

All examples are for manual derivatives unless otherwise stated.

RDE2 refers to Real Driving Emissions Step 2.

Volkswagen UK may change RRP's at any time (this includes where there are government changes in regulation and/or legislation).
There may be a delay to any RRP displaying correctly on our materials. Always obtain prices from your chosen authorised Volkswagen retailer.

VAT IS CALCULATED AT 20%. EFFECTIVE FROM 24 FEBRUARY 2020.

Volkswagen service.

VOLKSWAGEN FINANCE¹

Volkswagen Finance specialises in providing funding solutions for Volkswagen drivers. Whether your Volkswagen is for private or business use, you can choose from a range of funding options.

Solutions – a Personal Contract Plan

Flexible finance plan designed to allow you to drive a new vehicle sooner than you think. At the end of your agreement you can choose to trade in your Volkswagen for a new one, keep it, or hand it back.

Hire Purchase

A simple and straightforward way to finance your Volkswagen. Have the option to break down your monthly payments over a period that suits you, making financing your car much more manageable than you think.

Contract Hire

Available for both personal and business customers. Ideal for customers simply wanting to pay a monthly rental for the vehicle, change it on a regular fixed period and have no disposal risk.

- Lease Purchase
- Finance Lease

With all Volkswagen Finance products you can choose a fixed-cost maintenance plan to help you budget for your servicing and maintenance costs. Buy your service plan online or visit your local Volkswagen retailer for more information.

FUEL CONSUMPTION AND CO₂ EMISSIONS

Fuel consumption and CO₂ figures are obtained under standardised EU test conditions (Directive 93/116/EEC). This allows a direct comparison between different manufacturer models but may not represent the actual fuel consumption achieved in ‘real world’ driving conditions. More information is available on the Volkswagen website at www.volkswagen.co.uk and at www.dft.gov.uk/vca. The weight of a vehicle will influence the level of CO₂ emissions it produces; as a result, vehicles with higher levels of specification and factory-fitted options may emit higher levels of CO₂. Choosing larger alloy wheels than those fitted as standard may result in increased fuel consumption as well as higher CO₂ emissions and subsequently an increased Vehicle Excise Duty (VED) band. BIK rates paid by company car drivers may also increase. In some instances, the recommended ‘On the road’ retail price paid for a vehicle may increase as a result of the increased VED rate. CO₂ is the main greenhouse gas responsible for global warming. The specifications contained in this brochure are for information purposes only and are subject to change.

ANNUAL CAR INSURANCE

Volkswagen car insurance helps give you peace of mind with the following benefits at no extra cost:

- Repairs carried out by Volkswagen trained technicians using Volkswagen Genuine Parts and paints when repaired by a Volkswagen approved repairer
- Guaranteed courtesy car
- Child seat replacement
- Uninsured driver promise
- Vandalism promise
- 24 hour accident recovery

For more information or to get a quote, visit www.insurewithvolkswagen.co.uk

VOLKSWAGEN INSURANCE²

We want you to start enjoying your new car from day one, and thanks to our complimentary five day Volkswagen Drive Away Insurance you can. Please visit www.insurewithvolkswagen.co.uk/driveaway to activate your cover. If eligible, we will also give you a quotation for our annual insurance, designed specifically for Volkswagen drivers.

SERVICING AND MAINTENANCE

Volkswagen is pleased to offer you a choice on how your Volkswagen is serviced. The appropriate selection is entirely dependent on how the car is likely to be driven and its general use. To help you identify which type of service would be most suitable, please refer to the following guide.

Fixed Service

The Fixed Service is recommended for vehicles that will cover less than 10,000 miles in 12 months and if the vehicle is likely to be used in the following way:

- Predominantly urban driving, short journeys with frequent cold starts.
- Activities regularly producing high engine loading, e.g. frequent hill climbs, driving with vehicle fully loaded and towing.
- Uneconomical driving style using high rpms with heavy acceleration and heavy braking.

The service intervals for the Fixed Service schedule are as follows:

- Oil change service – After 1 year or 10,000 miles (15,000km), whichever is soonest.
- Inspection service³ – First after 2 years or 20,000 miles (30,000km), then every 1 year or 20,000 miles (30,000km), whichever is soonest.

SERVICING AND MAINTENANCE (CONTINUED)

Flexible Service

The Flexible Service is recommended for vehicles with daily mileage of more than 25 miles where the vehicle is driven regularly mainly on longer distance journeys. The vehicle is driven mainly at a constant speed with minimum vehicle and engine loading, minimal towing and driven in an economical manner. With the Flexible Service the vehicle can cover anywhere between 10,000⁴ and a maximum of 20,000⁴ miles or 24 months (whichever is soonest) between oil changes.

The service intervals for the Flexible Service schedule are as follows:

- Oil change service – According to flexible service interval display (after 2 years at the latest).
- Inspection service³ – First after 2 years or 20,000 miles (30,000km), then every one year or 20,000 miles (30,000km), whichever is soonest.

The up! model is only available with the Fixed Service schedule. Please consult your authorised Volkswagen retailer or repairer for advice and full details.

Electric vehicles

Vehicles powered only by an electric motor require a Fixed Service schedule as follows:

- Inspection service – First after 2 years or 20,000 miles (30,000km), whichever is soonest.
- Subsequent services every 1 year or 20,000 miles (30,000km), whichever is soonest.

Please note: If you purchase a Volkswagen Fixed Price Service Plan your vehicle will follow the Fixed Service schedule.

APPROVED ACCESSORIES

A comprehensive range of accessories from alloy wheels to carpet mats is available to complement the factory-fitted option list. Volkswagen approved accessories purchased from and fitted by your authorised Volkswagen retailer at the point of vehicle sale will also benefit from the three-year vehicle warranty.

TAX FREE SALES

For full details, please contact your authorised Volkswagen retailer.

ADBLUE[®]

Diesel engines with SCR (Selective Catalytic Reduction) technology require AdBlue[®] which must be kept topped up. Please see www.volkswagen.co.uk/technology/engines/adblue for more details.

- 1 Finance is available to 18s and over, subject to status. Terms and conditions apply. Volkswagen Finance.
- 2 Volkswagen Car Insurance is underwritten by U K Insurance Limited. Registered Office: The Wharf, Neville Street, Leeds LS1 4AZ. Registered in England and Wales number: 1179980. U K Insurance Limited is authorised by the Prudential Regulation Authority and regulated by the Financial Conduct Authority (FCA) and the Prudential Regulation Authority. Calls may be recorded. Volkswagen Financial Services is a trading name of Volkswagen Financial Services (UK) Limited ('VWFS UK'), registered in England and Wales number: 2835230 (Registered Office: Brunswick Court, Yeomans Drive, Blakelands, Milton Keynes MK14 5LR). Volkswagen Insurance Service (Great Britain) Ltd. is an appointed representative of VWFS UK. VWFS UK is authorised and regulated by the FCA, registration number: 311988. Authorisation details for both organisations can be checked on the Financial Services Register by visiting www.fca.org.uk. VWFS UK and U K Insurance Limited are not part of the same corporate group.
- 3 The inspection service first at 2 years (or 40,000 miles) and then every second year (or 40,000 miles) has additional workscope.
- 4 The quoted mileage is based on a conversion from kilometres and is therefore unlikely to exceed circa 18,000 miles between oil changes.

Volkswagen service (continued).

VOLKSWAGEN ENSURANCE¹

Get three years' Volkswagen Insurance cover for free.

Another great benefit of being a Volkswagen driver. If your Volkswagen was damaged in an accident, wouldn't you want it fixed by a Volkswagen trained technician using only Genuine Volkswagen Parts? Insurance is Volkswagen's accident and repair cover which does exactly that. It works alongside your main comprehensive motor insurance policy no matter who you are insured with, to make sure you get the quality repair and service you would want. If you're involved in an accident or your car is stolen, just one call to us and we'll look after your claim from start to finish, ensuring your Volkswagen is restored to the highest standard.

Activate your cover and benefit from:

- A guarantee that your Volkswagen will be repaired by a Volkswagen approved repairer and Volkswagen trained technicians, using only Genuine Volkswagen Parts and paints.
- A dedicated Claims Manager who will manage your claim from start to finish, liaising with your insurer and the repairer so you don't have to.
- Help to recover any uninsured losses using our Legal Expenses Cover.
- Online claims tracking so you can keep up to date with the status of any claim.

Volkswagen Insurance is free to all Volkswagen customers for three years and it only takes a minute to get cover.

To find out more and to activate your cover, visit www.insurewithvolkswagen.co.uk/insurance

WARRANTY

Exclusions and terms and conditions apply to all warranties, plans and insurance listed. For pricing and further details of Volkswagen Warranties, Service Plans and Insurance, please consult your authorised Volkswagen retailer or repairer, or visit www.volkswagen.co.uk

THE VOLKSWAGEN WARRANTY THREE-YEAR WARRANTY

All Volkswagen passenger cars come with a three-year/60,000 miles warranty, which protects your car against the failure of most technical and electrical components due to manufacturing defects. This comprises a two-year manufacturer's warranty with unlimited mileage plus a further one-year/60,000 miles (whichever is soonest) Retailer Warranty². Should the mileage exceed 60,000 miles within the first two years, the manufacturer's two-year warranty will still be valid. Full details of the three-year warranty are available from your authorised Volkswagen retailer or repairer.

BODY PROTECTION WARRANTY

The internal body sections and panels are covered against rusting through from the inside for 12 years. Naturally, the vehicle must be cared for in compliance with the manufacturer's operating instructions. Please consult your authorised Volkswagen retailer or repairer for full warranty details.

THREE-YEAR PAINTWORK WARRANTY

This latest paintwork warranty, pioneered by Volkswagen, provides you with cover on a new car. Naturally, during the warranty period the car must be cared for in compliance with the manufacturer's operating instructions. Any paintwork defects, as a result of the manufacturing process, will be rectified without charge.

VOLKSWAGEN ROADSIDE ASSISTANCE

Every new car is registered for Volkswagen Roadside Assistance for one year except the Touareg which is registered for three years. This provides vehicle roadside and home recovery in the unlikely event of a breakdown in the UK and Europe (subject to conditions). Volkswagen Roadside Assistance can also be purchased for subsequent years.

Exclusions and terms and conditions apply. For pricing and further details of Volkswagen Roadside Assistance, please consult your authorised Volkswagen retailer, or visit www.volkswagen.co.uk

VOLKSWAGEN EV AND PHEV EIGHT-YEAR BATTERY WARRANTY

1. A guarantee for eight years or 99,360 miles/ 160,000km (whichever is soonest), on all material or manufacturing defects.
2. Gradual reduction in battery capacity over times is integral to the nature of the component, and does not represent a defect under the terms of this guarantee, as long as the reduction in capacity is not in excess of the value specified for this vehicle in the owner's manual.
3. With the exception of the warranty term, all warranty conditions stipulated by the Volkswagen retailer selling the vehicle (prerequisites, criteria for freedom from defects, exclusions, settlement of claims, entry into force and start of extended warranty term, scope of application etc.) also apply to the high voltage battery.

EV AND PHEV VEHICLE HOME CHARGING

Home charging using a domestic socket will depend on the condition and suitability of the wiring in your home. Always consult a qualified electrician before charging when using a domestic socket for the first time, or, if the socket is to be used as the primary source of charging. Domestic sockets on the same circuit as other appliances, particularly those in frequent use, will draw additional amperage which may result in a breaker switch being 'tripped'. Establishing a separate circuit for home charging will help ensure your electric vehicle is supplied with a consistent, uninterrupted current. For optimum charging, we recommend installing an electric vehicle charging point at home.

VOLKSWAGEN EV AND PHEV SPECIALIST RETAILER NETWORK

GTE models are only available for sale through an authorised specialist Volkswagen retailer. These retailers have the ability to provide the highest levels of service when purchasing your GTE model. For details of your nearest authorised specialist Volkswagen retailer, please visit www.volkswagen.co.uk for more details.

PRICES AND SPECIFICATIONS

The prices and specifications contained in this price list are for information purposes only as our products are continually updated and changes may be made to the prices and specifications at any time. If you require any specific feature, please consult your authorised Volkswagen retailer who is regularly updated with any change in specification. Prices and specifications are subject to change without notice.

Following the announcement of a price increase, any vehicle order which can be accepted into the factory production system before the effective date of the price increase will be supplied at the current price, even if built and delivered after the date on which the increase became effective.

Note: We would like to advise you that telephone calls to Volkswagen Customer Care may be monitored and recorded as part of our training and quality assurance processes. All our monitoring and recording processes meet Ofcom regulations.

BENEFIT IN KIND (BIK) FOR SCOTTISH RESIDENTS

Effective as of 6 April 2018, the Scottish Government introduced their own BIK taxation structure. This is only applicable to Company Car Drivers that are resident Scottish taxpayers. HMRC will continue to be responsible for the collection and management of taxes and will determine whether or not an individual is a Scottish taxpayer based on where their primary place of residence is.

Scottish Income Tax rates and Bands 2018/19

- Starter rate 19%
over £11,850 - £13,850
- Basic rate of 20%
over £13,850 - £24,000
- Intermediate rate 21%
over £24,000 - £44,273
- Higher rate 41%
over £44,273 - £150,000
- Top rate 46%
above £150,000

¹ Insurance from Volkswagen Financial Services is sold and administered by Lawshield UK Limited, registered in England number: 3360532. Registered office: Lawshield House, 850 Ibis Court, Lakeside Drive, Centre Park, Warrington, Cheshire, WA1 1RL and underwritten by UK General Insurance Limited on behalf of Great Lakes Insurance SE. Great Lakes Insurance SE is a German insurance company with its headquarters at Königinstrasse 107, 80802 Munich. UK Branch office: Plantation Place, 30 Fenchurch Street, London, EC3M 3AJ. Lawshield UK Limited is authorised and regulated by the Financial Conduct Authority (FCA). Authorisation details can be checked on the FCA's register at www.fca.org.uk. Great Lakes Insurance SE, UK Branch, is authorised by Bundesanstalt für Finanzdienstleistungsaufsicht and subject to limited regulation by the Financial Conduct Authority and Prudential Regulation Authority. Details about the extent of their regulation by the Financial Conduct Authority and Prudential Regulation Authority are available on request.

² All warranty work must be completed by an authorised Volkswagen retailer or repairer.

Volkswagen service plan.

An additional way to keep your perfect car, perfect for longer.

Exclusions and terms apply, [please click here](#) for more details. For pricing and further details of the Volkswagen Service Plan, please consult your authorised Volkswagen retailer or visit [www.volkswagen.co.uk](#)

Volkswagen Service Plan – retail sales only

We offer Volkswagen Service Plans to cover all new models for their first two consecutive services in line with the Fixed Service schedule required on the vehicle. Your car will be in the hands of Volkswagen trained technicians who use specialist Volkswagen tools, technology and Volkswagen original parts, and all parts and labour are guaranteed for two years. What's more, the Volkswagen Service Plan will remain with the vehicle should you decide to sell your car.

Volkswagen Service Plan – retail sales only

For vehicles under 1 year old set to the Fixed Service regime that has not had its first service, comprising first two manufacturer's scheduled services:

- 'Oil service' including oil filter change
- 'Oil service' including oil filter change and 'Inspection service' plus a pollen filter replacement (if required)

Excludes electric vehicles. Service plan covers first two consecutive services, limited to 1x 'Oil service' and 1x 'Oil and Inspection service'. T&Cs apply: All vehicles must be set to the Fixed Service regime by the retailer. Maximum age of car is 12 months (Service plan must be taken out before first service is due). Additional work, including wear and tear is excluded. Servicing must be carried out in line with the requirement of the Service Schedule. All work must be carried out by an Authorised Volkswagen Repairer. Offers may be varied or withdrawn at any time. Plan validity is dependent on required payments received. Administered by Volkswagen Financial Services. Retail sales only. For pricing and further details, please consult your authorised Volkswagen retailer or visit [www.volkswagen.co.uk](#)
