

The new Sharan

Das Auto.

CO₂ EMISSIONS AND FUEL CONSUMPTION INFORMATION

Our CO₂ and consumption values are provisional and are currently under review.
Revised values will be published if necessary.

The new Sharan.
At home wherever you are.

As you'd expect, the new Sharan is roomy, spacious and luxurious. Flexible easy folding seats, practical sliding doors and contemporary new upholsteries provide a stylish, elegant interior, with seats as comfortable as your favourite sofa. And, with high quality materials and a wealth of refinements enhancing the driving experience like never before, this is home comfort on a whole new level.

Model shown is new Sharan SEL with optional 18" 'Marseille' alloy wheels and metallic paint.

01

Interior shown is new Sharan SEL.

Space to live life as you choose.

The new Sharan provides all the space you could ask for, with room for up to seven occupants and luggage. A choice of cloth or leather upholsteries in contemporary colours allows you to furnish the interior to your taste, while the seats configure easily to suit your needs. Depending whether you're travelling alone or with family, the rear seats fold down to create from 300 up to 2,297 litres of loading space – with so much space, your options are countless.

02

01 The **three rows of seats** are as comfortable as they look and every bit as luxurious, thanks to the choice of stylish upholstery. If you want more space, you can always extend upwards with the optional **panoramic sliding sunroof** on S and all SE models. Image shown features Alcantara with 'Vienna' leather* side bolsters in Cornsilk Beige and optional net partition.

02 The refreshed exterior includes eye-catching **rear LED lights**, adding a touch of elegance to the exterior of the new Sharan. Image shown features optional 18 inch 'Marseille' alloy wheels, available on all SE and SEL models.

* Some parts of leather interior will contain artificial leather.

Multimedia and assistance systems

The new Sharan is equipped with a wealth of technological refinements, designed to increase comfort and help improve safety. It's also the latest Volkswagen to feature Car-Net 'App-Connect', enabling you to display and operate certified smartphone apps via the infotainment's touch-screen, enhancing your driving experience still further.

01 The Composition Media system is equipped with a 6.5 inch colour touch-screen that displays the DAB digital radio information, Think Blue. Trainer. – driver tips and journey analysis, car information display, title and cover art display and, for compatible Android smartphones, the SMS functionality which allows you to read, compose and send SMS messages using the touch-screen display. Bluetooth telephone and audio connection now allows simultaneous pairing of two compatible mobile devices¹, while the MDI (Multi Device Interface) via USB connection for compatible products, SD card reader and single CD player allows music playback from MP3, WMA and AAC files through 8 speakers with 4 x 20 watt output. Standard on S and SE models.

02 The Discover Navigation touch-screen navigation/radio system with Car-Net 'Guide and Inform' builds upon the impressive Composition Media system, but with additional features enabling you to easily manage not only your music, but also navigation data and a broad range of vehicle information. The system offers preloaded European navigation data, 2D/3D map view, three calculated route choices (Fast, Short and Eco), dynamic navigation based on TMC+, branded points of interest and Speed Limit Display². 3-year's Car-Net 'Guide and Inform'³ access makes it possible to get up to date 'traffic information online', route guidance and transfer public and personal points of interest to the navigation system. The service also includes information for fuel pricing, parking space availability, weather and news feeds. Standard on SE Nav and SEL models, and optional on S models.

03 The optional **Car-Net 'App-Connect'**⁴ combines three innovative technologies that allow you to bring compatible smartphone apps onto your infotainment system's touchscreen: the established MirrorLink™ apps, the new CarPlay™ function from Apple, and the Android Auto™ function from Google. As such, Volkswagen is the first manufacturer to offer a choice of three interfaces to connect your smartphone. This means you no longer have to be without the practical assistance of your smartphone even when you're behind the wheel – simply connect your smartphone to your car via USB connection and the system will allow display and operation of certified apps including audio and voice control (if supported by the app). Volkswagen apps such as 'Think Blue. Trainer', 'Shared Audio', 'Drive & Track' or 'My Guide' can help make your journey more pleasant and interesting, providing useful tips about handling your car, parking opportunities and even where to find the closest café. Optional on all models. Images shown feature Discover Navigation touch-screen navigation/radio system, standard on SE Nav and SEL models, and optional on S models.

¹ Devices must be Bluetooth HFP (Hands Free Profile) compatible, please contact your authorised Volkswagen retailer for specific phone compatibility.
² Speed Limit Display only reflects national speed limits and does not show temporary speed limit restrictions, or where permanent changes to speed limits are made in-between map updates.
³ Car-Net 'Guide and Inform' services are accessed via a compatible mobile device. Please see www.volkswagen.co.uk for more information. The use of 'Guide and Inform' services entails exchanging large volumes of data. As such, we strongly recommend that you sign-up for a flat rate data plan with your mobile network provider. After the initial 3-year Car-Net contract, an annual subscription is chargeable for the continuation of Car-Net 'Guide and Inform' services.
⁴ Only available with compatible smartphones including iPhone 5 and 6. Volkswagen Apps are only available with compatible smartphones. Please consult www.volkswagen.co.uk to check smartphone compatibility.

Wheels

It's all about personal taste. A choice of eye-catching alloy wheels allows you to add a touch of individuality to your new Sharan.

01 6½J x 16 **steel wheels** and full size wheel trims with 205/60 R16 self-sealing tyres and anti-theft wheel bolts. Standard on S models.

02 **'Memphis'** 6½J x 16 alloy wheels with 215/60 R16 self-sealing tyres and anti-theft wheel bolts. Standard on SE and SE Nav and optional on S models.

03 **'Sydney'** 7J x 17 alloy wheels with 225/50 R17 self-sealing tyres and anti-theft wheel bolts. Standard on SEL models.

04 **'Jakarta'** 6½J x 16 alloy wheels with 215/60 R16 tyres and anti-theft wheel bolts. Optional on SE and SE Nav models.

05 **'Stratford'** 7J x 17 alloy wheels with 225/50 R17 tyres and anti-theft wheel bolts. Optional on SE, SE Nav and SEL models.

06 **'Jarama'** 7J x 17 alloy wheels with 225/50 R17 tyres and anti-theft wheel bolts. Optional on S, SE, SE Nav and SEL models.

07 **'Marseille'** 7½J x 18 alloy wheels with 225/45 R18 tyres, anti-theft wheel bolts and lowered sports suspension. Optional on SE, SE Nav and SEL models.

08 **'Toulon'** 7½J x 18 alloy wheels with 225/45 R18 tyres, anti-theft wheel bolts and lowered sports suspension. Optional on SE, SE Nav and SEL models.

Please note, the addition of larger optional wheels may result in a higher CO₂ emission figure and change in VED band, and subsequently an increase in the Manufacturer's Recommended 'On the road' Retail price. Please see page 20 for full details.

There's a Volkswagen for all of us.

Nippy city run around? Luxurious executive saloon? Open-top cruiser? Whatever it is you're looking for, we probably have it. From the iconic Beetle and Golf GTI to the compact up!, there's a Volkswagen for everyone.

If you're thinking you might like to try a different Volkswagen, there are over 20 models in our range, so there's bound to be at least one that catches your eye.

Sporty

Golf: As exciting to drive as it is to look at. Style, performance and power.

You will also find our sporty gene in the iconic Golf GTD and Golf R.

Spacious family cars

New Sharan: The ultimate in convenience with sliding rear doors, and enough space for the whole family. And their luggage. And the dogs.

If it's space you're after, then you might also like to consider the Tiguan, Golf SV, Golf Estate, new Touran and Passat Estate.

Style

Beetle: The original icon. And still the most unique way to make a fashion statement.

For more fun with the top down, why not consider Beetle Cabriolet or the Golf Cabriolet.

City run around

up!: The ideal city car. Fun, easy to manoeuvre and surprisingly spacious, with that trademark Volkswagen solidity.

If you're looking for something slightly more spacious, then why not consider the up!'s bigger sibling, the Polo. City run around practicality with more versatility and even more space can be found on the iconic Golf.

Executive

Volkswagen CC: Perfectly turned out high-tech, executive luxury. A contemporary, stylish and innovative coupé.

All the luxury you need can also be found in the Jetta, and executive comfort in the Passat and Passat Estate – winner of 'European Car of the Year 2015'.

4x4

Touareg: The SUV just got smarter. True four by four capability off-road, and smooth, luxurious and powerful when on it, with four wheel drive technology, '4MOTION' as standard.

Go everywhere, do anything in our four wheel drive alternatives: new Golf Alltrack, Tiguan and Passat and Passat Estate 4MOTION models.

To see these models and configure your ideal Volkswagen, visit: www.volkswagen.co.uk

SCR (Selective Catalytic Reduction) requires AdBlue®, please see www.volkswagen.co.uk/technology/adblue for more details.

Technology

Technical specification notes

- 01) The maximum power output figures are quoted in PS (or Pferdestärke, which is the metric equivalent of horsepower). To convert from metric to imperial horsepower, divide the PS figure by 1.0139.
- 02) Figures are calculated in accordance with manufacturer's criteria. The individual unladen weight depends on the specification of the vehicle, this then reduces the possible payload accordingly. The unladen weight and payload both include the fuel tank 90% full, driver (68kg) and luggage (7kg) in line with EU directive 95/48.
- 03) With increasing altitude the engine performance diminishes. From 1,000m above sea level and for every 1,000m thereafter 10% of the vehicle/trailer weight (trailer weight + gross vehicle weight) must be deducted.
- 04) The use of 100% RME and FAME (bio diesel) is not possible. Forecourt diesel with up to 7% bio diesel content, adhering to standard BS EN 590, can be used in diesel engines. The use of ethanol in forecourt petrol meeting BS EN 228 is allowable.
- 05) The size of the fuel tank is approximate and therefore it may be possible to add a greater amount of fuel than the size of the tank specified, due to the space in the filler neck.
- 06) Our CO₂ and consumption values are provisional and are currently under review. Revised values will be published if necessary. Fuel consumption and CO₂ figures are obtained under standardised EU test conditions (Directive 93/116/EEC). This allows a direct comparison between different manufacturer models but may not represent the actual fuel consumption achieved in 'real world' driving conditions. More information is available on the Volkswagen website at www.volkswagen.co.uk and at www.dft.gov.uk/vca. The weight of a vehicle will influence the level of CO₂ emissions it produces; as a result, vehicles with higher levels of specification and factory-fitted options may emit higher levels of CO₂. Choosing larger alloy wheels than those fitted as standard may result in increased fuel consumption as well as higher CO₂ emissions and subsequently an increased Vehicle Excise Duty (VED) band. BIK rates paid by company car drivers may also increase. In some instances, the 'On The Road' cost paid for a vehicle may increase as a result of the increased VED rate. CO₂ is the main greenhouse gas responsible for global warming. The specifications contained in this brochure are for information purposes only and are subject to change.

Transmission

- Electronic differential lock, combined with a hydraulically operated single-plate dry clutch with asbestos-free lining via a six manual or six and seven speed automatic DSG gearbox
- Front wheel drive through asbestos-free single-plate dry clutch. Hydraulic clutch-mechanism. Six speed manual or six speed automatic DSG gearbox with double joint half axles (wet clutch on six speed DSG models)

Running gear

- ESC (Electronic Stability Control) including EDL (Electronic Differential Lock), ASR (Traction Control), EDTC (Engine Drag Torque Control) and Countersteer Support with trailer stabilisation function
- Front suspension through coil springs with telescopic shock absorbers, all elements integrated in chassis legs
- Rear suspension with gas pressure shock absorbers and separate springs
- Multilink rear axle
- Wheel control: front through chassis legs and (lower) triangular wishbones (directionally stabilising steering roll radius)
- Wheel control: rear through four-link suspension with independent wheel suspension
- Front and rear anti-roll bar
- XDS electronic differential lock (2.0 litre TDI 184 PS only)

Steering

- Electro-mechanical steering rack
- Collapsible, height and lengthways adjustable safety steering column

Brakes

- Electronically controlled Anti-lock Braking System (ABS) with Electronic Brake-pressure Distribution (EBD)
- Diagonal twin-circuit brake system with ventilated front disc brakes and rear disc brakes
- Asbestos-free brake pad
- HBA (Hydraulic Brake Assist)

Engines

- Front transverse-installed engine
- 1.4 litre/150 PS⁽⁰¹⁾ (110 kW) petrol engine: EU6 emissions standard, four cylinder in-line direct injection turbocharged engine, with four valves per cylinder. Fitted with a turbocharger. Available with a six speed manual or a six speed automatic DSG transmission
- 2.0 litre/115 PS⁽⁰¹⁾ (85 kW) common rail diesel engine: EU6 emissions standard, four cylinder in-line common rail diesel engine, with four valves per cylinder. Fitted with a turbocharger and a DPF (diesel particulate filter) with SCR (Selective Catalytic Reduction). Available with a six speed manual transmission
- 2.0 litre/150 PS⁽⁰¹⁾ (110 kW) common rail diesel engine: EU6 emissions standard, four cylinder in-line common rail diesel engine, with four valves per cylinder. Fitted with a turbocharger and a DPF (diesel particulate filter) with SCR (Selective Catalytic Reduction). Available with a six speed manual or a six speed automatic DSG transmission
- 2.0 litre/184 PS⁽⁰¹⁾ (135 kW) common rail diesel engine: EU6 emissions standard, four cylinder in-line common rail diesel engine, with four valves per cylinder. Fitted with a turbocharger and a DPF (diesel particulate filter) with SCR (Selective Catalytic Reduction). Available with a six speed manual or a six speed automatic DSG transmission

SCR (Selective Catalytic Reduction) requires AdBlue®, please see www.volkswagen.co.uk/technology/adblue for more details.

CO₂ emissions and VED bands with optional wheels

Effect of wheel size on CO₂ emissions and VED bands
Choosing larger alloy wheels than standard as an option, may result in increased fuel consumption as well as higher CO₂ emissions and subsequently increased Vehicle Excise Duty (VED) band and BIK rates paid for company car drivers may also increase. This is due to the fact that larger wheels have both more aerodynamic drag and more mechanical drag, resulting in increased rolling resistance and increased wind resistance. As a result, the VED band that the vehicle falls into may increase from its original VED band when fitted with standard size wheels. In some instances, the 'On the Road' cost paid for the vehicle may increase as a result of the increased VED rate. The chart below shows CO₂ emissions and the related VED bands for vehicles with both standard-fit wheels and larger optional alloy wheels, as well as the increased cost payable due to a change in VED band.

			Output, PS	Standard wheel size	CO ₂ emission, g/km*, standard wheels	VED band, standard wheels	Optional alloy wheel and size	CO ₂ emission, g/km*, optional alloy wheels	VED Band, optional wheels

* Our CO₂ and consumption values are provisional and are currently under review. Revised values will be published if necessary. Fuel consumption and CO₂ figures are obtained under standardised EU test conditions (Directive 93/116/EEC). This allows a direct comparison between different manufacturer models but may not represent the actual fuel consumption achieved in 'real world' driving conditions. More information is available on the Volkswagen website at www.volkswagen.co.uk and at www.dft.gov.uk/vca. Please note: the increase in VED rate that is payable is in addition to the cost of the optional alloy wheels. Please consult your Volkswagen retailer for full details. [BMT](#) refers to BlueMotion Technology.

Model shown is new Sharan SEL with optional 18" 'Marseille' alloy wheels and metallic paint.

Volkswagen service

Exclusions and terms and conditions apply to all warranties and plans listed. For pricing and further details of Volkswagen Warranties and Service Plans, please consult your authorised Volkswagen retailer or repairer, or visit www.volkswagen.co.uk

The Volkswagen Warranty Three-year Warranty

All Volkswagen passenger cars come with a three-year/60,000 miles warranty, which protects your car against the failure of most technical and electrical components due to manufacturing defects. This comprises a two-year manufacturer's warranty with unlimited mileage plus a further one-year/60,000 miles (whichever is soonest) Retailer Warranty¹. Should the mileage exceed 60,000 miles within the first two years, the manufacturer's two-year warranty will still be valid. Full details of the three-year warranty are available from your authorised Volkswagen retailer or repairer.

Body Protection Warranty

The internal body sections and panels of the Sharan are covered against rusting through from the inside for 12 years. Naturally, the vehicle must be cared for in compliance with the manufacturer's operating instructions. Please consult your authorised Volkswagen retailer or repairer for full warranty details.

Three-year Paintwork Warranty

This latest paintwork warranty, pioneered by Volkswagen, provides you with cover on a new car. Naturally, during the warranty period the car must be cared for in compliance with the manufacturer's operating instructions. Any paintwork defects, as a result of the manufacturing process, will be rectified without charge.

Approved Accessories

A comprehensive range of accessories from alloy wheels to carpet mats is available to complement the factory-fitted option list. Volkswagen approved accessories purchased from and fitted by your authorised Volkswagen retailer at the point of vehicle sale will also benefit from the three-year vehicle warranty.

Extended Warranty

If you order the Volkswagen Extended Warranty as an option when buying your new Sharan then you get the 100% Volkswagen Warranty and you can continue to enjoy comprehensive Volkswagen protection against many unforeseeable repair costs. Designed to your needs, you can purchase an extra one or two year's warranty up to a maximum of five years or 90,000 miles.

Service Intervals

Volkswagen is pleased to offer you a choice on how your Volkswagen is serviced. The appropriate selection is entirely dependent on how the car is likely to be driven and its general use. To help you identify which type of service would be most suitable, please refer to the following guide.

The Fixed Service is recommended for vehicles that will cover less than 10,000 miles in 12 months and if the vehicle is likely to be used in the following way:

- Predominantly urban driving, short journeys with frequent cold starts.
- Activities regularly producing high engine loading, e.g. frequent hill climbs, driving with vehicle fully loaded and towing.
- Uneconomical driving style using high rpms with heavy acceleration and heavy braking.

The service intervals for the Fixed Service are as follows:

- Oil change service – After 1 year or 10,000 miles (15,000km), whichever is soonest.
- Inspection service² – First after 2 years or 20,000 miles (30,000km), then every one year or 20,000 miles (30,000km), whichever is soonest.

The Flexible Service is recommended for vehicles with daily mileage of more than 25 miles where the vehicle is driven regularly mainly on longer distance journeys. The vehicle is driven mainly at a constant speed with minimum vehicle and engine loading, minimal towing and driven in an economical manner. With the Flexible Service the vehicle can cover anywhere between 10,000³ and a maximum of 20,000³ miles or 24 months (whichever is soonest) between oil changes.

The service intervals for the Flexible Service are as follows:

- Oil change service – According to flexible service interval display (after 2 years at the latest).
- Inspection service² – First after 2 years or 20,000 miles (30,000km), then every one year or 20,000 miles (30,000km), whichever is soonest.

The up! model is only available with the Fixed Service schedule. Please consult your authorised Volkswagen retailer or repairer for advice and full details.

Please note: If you purchase a Volkswagen Fixed Price Service Plan your vehicle will follow the Fixed Service schedule.

Volkswagen Insurance⁴

We want you to start enjoying your new car from day one and thanks to Volkswagen free five day insurance, you can. Call free on 0330 303 6930 (lines are open Monday to Friday 8am – 9pm and Saturday 9am – 5pm), provide a few details and a cover note will be sent to your retailer. They will then tax your car and you can drive it away.

Volkswagen Insurance⁵

Get three years' Volkswagen Insurance cover for free.

Another great benefit of being a Volkswagen driver. If your Volkswagen was damaged in an accident, wouldn't you want it fixed by a Volkswagen trained technician using only genuine Volkswagen parts? Insurance is Volkswagen's accident and repair cover which does exactly that. It works alongside your main comprehensive motor insurance policy no matter who you are insured with, to make sure you get the quality repair and service you would want. If you're involved in an accident or your car is stolen, just one call to us and we'll look after your claim from start to finish ensuring your Volkswagen is restored to the highest standard.

Activate your cover and benefit from:

- A guarantee that your Volkswagen will be repaired in a Volkswagen approved repairer, by Volkswagen trained technicians, using only genuine Volkswagen parts and paints.
- A dedicated Claims Manager who will manage your claim from start to finish, liaising with your insurer and the repairer so you don't have to.
- Help to recover any uninsured losses using our Legal Expenses Cover.
- Online claims tracking so you can keep up to date with the status of any claim.

Volkswagen Insurance is free to all Volkswagen customers for three years and it only takes a minute to get cover. To find out more and to activate your cover, visit volkswagen-insurance.co.uk

Volkswagen Finance⁶

Volkswagen Finance specialises in providing funding solutions for Volkswagen drivers. Whether your Volkswagen is for private or business use, you can choose from a range of funding options.

- Solutions – a Personal Contract Plan
- Hire purchase
- Lease purchase
- Finance lease
- Contract hire

With all Volkswagen Finance products you can choose a fixed-cost maintenance plan to help you budget for your servicing and maintenance costs. No matter what finance product you choose, your local Volkswagen retailer will be able to provide you with a personalised quote that could meet your budget and vehicle needs.

Fuel consumption and CO₂ Emissions

Our CO₂ and consumption values are provisional and are currently under review. Revised values will be published if necessary. Fuel consumption and CO₂ figures are obtained under standardised EU test conditions (Directive 93/116/EEC). This allows a direct comparison between different manufacturer models but may not represent the actual fuel consumption achieved in 'real world' driving conditions. More information is available on the Volkswagen website at www.volkswagen.co.uk and at www.dft.gov.uk/vca.

The weight of a vehicle will influence the level of CO₂ emissions it produces; as a result, vehicles with higher levels of specification and factory-fitted options may emit higher levels of CO₂. Choosing larger alloy wheels than those fitted as standard may result in increased fuel consumption as well as higher CO₂ emissions and subsequently an increased Vehicle Excise Duty (VED) band. BIK rates paid by company car drivers may also increase. In some instances, the recommended 'On the road' retail price paid for a vehicle may increase as a result of the increased VED rate. CO₂ is the main greenhouse gas responsible for global warming.

The specifications contained in this brochure are for information purposes only and are subject to change.

Volkswagen Roadside Assistance

Every new car is registered for Volkswagen Roadside Assistance for one year except the Touareg which is registered for three years. This provides vehicle roadside and home recovery in the unlikely event of a breakdown in the UK and Europe (subject to conditions). Volkswagen Roadside Assistance can also be purchased for subsequent years. For full details, please contact your authorised Volkswagen retailer. Exclusions and terms and conditions apply. For pricing and further details of Volkswagen Roadside Assistance, please consult your authorised Volkswagen retailer, or visit www.volkswagen.co.uk

Tax Free Sales

For full details, please contact your authorised Volkswagen retailer.

Please note:

Some illustrations in this brochure do not necessarily reflect UK specifications and may not be available. In particular, controls and some items of equipment are positioned differently for the UK. The specifications contained in this brochure are for information purposes only and are subject to change. If you require any specific feature, you must consult your authorised Volkswagen retailer who is regularly updated with any change in specification. Please check model availability and full specification details with your authorised Volkswagen retailer prior to ordering. Note: we would like to advise you that telephone calls to Volkswagen Customer Care may be monitored and recorded as part of our training and quality assurance processes. All our monitoring and recording processes meet Ofcom regulations.

¹ All warranty work must be completed by an authorised Volkswagen retailer or repairer.

² The inspection service first at 3 years (or 40,000 miles) and then every second year (or 40,000 miles) has additional workscope.

³ The quoted mileage is based on a conversion from kilometres and is therefore unlikely to exceed circa 18,000 miles between oil changes.

⁴ Volkswagen Financial Services is a trading name of Volkswagen Financial Services (UK) Limited ('VWFS UK'). Registered in England and Wales number: 2835230. Registered Office: Brunswick Court, Yeomans Drive, Blakelands, Milton Keynes MK14 5LR. Financial and consumer credit services are provided by VWFS UK.
