

The new T-Roc

Volkswagen

CONVINCES.
RIGHT FROM THE START.

Models shown are new T-Roc SEL with optional two-tone black roof and metallic paint and new T-Roc Design with optional 18" 'Arlo' Adamantium Silver alloy wheels and metallic paint.

Front cover model shown is new T-Roc Design with optional 18" 'Arlo' Adamantium Silver alloy wheels and metallic paint.

Model shown is new T-Roc SEL with optional Sport pack, two-tone black roof and metallic paint.

Strong impression and expression.

Strong, striking and sporty, the new T-Roc exudes character and confidence. Take for example the SEL with its wide radiator grille with integrated LED dual headlights and separate unique signature LED daytime running lights* creating an unmistakable look, especially at night. Strong lines and a wide front air intake emphasise its bold design, with dynamic handling, a host of new technology, impressive standard specification and the option to personalise it to your preferred choice. This all adds up to create an SUV that is as much at home in the city as it is on rough terrain.

* LED headlights are standard on SEL and optional on all other models.

01

01 Dynamically designed rear tail lights are wide and distinctive, giving real road presence. On the new T-Roc SEL, the **LED darkened rear light clusters** enhance the sporty, modern design, while saving energy and maximising visibility day or night.

Self-confidence comes from within.

Robust, modern and elegant, the interior of the new T-Roc embraces the future, with an all-new design combined with Volkswagen’s characteristic build quality. Unprecedented levels of functionality and technology, enhanced by ergonomic attention to detail, places it in a league of its own. With plenty of space for occupants and luggage alike, the new T-Roc offers all you could ask for in terms of comfort, style and convenience. Look within and discover the inside story.

01

01–02 The interior of the new T-Roc SEL is luxurious and elegant, with ambient lighting in the front footwell and light strips below the trim in the front doors, enhanced with Dark Grey decorative inserts in the dash and door panels. Front sport seats, beautifully finished in contemporary ‘Gem’ cloth upholstery, feature height adjustment, ensuring the optimum driving position, while front and rear reading lights incorporate LED technology for optimum illumination, while the optional panoramic sunroof adds a new dimension of light and spaciousness above. Interior shown is new T-Roc SEL with optional panoramic sunroof, Sport pack and metallic paint.

Interior shown is new T-Roc SEL 4MOTION with optional Sport pack, beats soundpack, carpet mats and non-metallic paint.

Step out in style.

The new T-Roc is designed to be noticed. Its sporty, modern exterior heralds a new era of Volkswagen style, combining the practicality of an SUV with the agility of a sports model. The elongated coupé silhouette is characterised by a striking chrome strip running the length of the side roofline, while a choice of contrasting colours for the roof, A-pillar and door mirrors on Design models, allow you to create a look that's as individual as you are.

01 Eye-catching 17 inch 'Mayfield' alloy wheels give the new T-Roc Design a distinctive look and can be personalised to your taste with a **choice of traditional silver-finish or three different colour options: Gloss Black, Atlantic Blue or Black/Hot Orange.** Along with the two-tone customisable colour options for the bodywork and roof, what better way to express yourself? Image shown features 17 inch 'Mayfield' Black/Hot Orange alloy wheels which are optional on SE and Design models.

01

Model shown is new T-Roc Design with optional 18" 'Arlo' Adamantium Silver alloy wheels and metallic paint.

Only adapts if you want it to.

The interior of the new T-Roc Design is the epitome of contemporary design and individuality. A choice of four exclusive interior colours gives you maximum opportunity to personalise the interior, creating a look that reflects your taste and style. It's time to express yourself!

01–03 Specify the T-Roc Design and you decide on the **dashpad colour**, with a choice of Dark Oak Brown, Energetic Orange, Ravenna Blue or Turmeric Yellow depending on your choice of exterior paint. The dashpad colour you select will also feature on the door trims and centre console trim as well as the central stripe detail of the 'Tracks 4' seat upholstery, creating an interior that's fun, stylish and totally personal. Interiors shown feature optional Discover Navigation infotainment system, Active Info Display, beats soundpack, carpet mats and metallic paint.

04 Front comfort seats in the new T-Roc Design feature **'Tracks 4' upholstery**, finished here in 'Turmeric Yellow' stitching to match the dashboard, centre console and interior door trims. Thanks to the Composition Media infotainment system, you can make phone calls safely while you drive or play your favourite music via your smartphone, plus a host of other helpful features. The leather trimmed three-spoke multifunction steering wheel and gear lever knob provide excellent grip and add a sporty touch, while ambient lighting in the front footwell and lighting strips below the trim in the front doors, and front and rear LED reading lights create real atmosphere, especially at night.

Please note, interior images shown feature DSG gearbox which will be available to order on Design models later in 2018.

Interior shown is new T-Roc Design with Turmeric Yellow dashpad and optional Discover Navigation infotainment system, Active Info Display, beats soundpack, carpet mats and metallic paint.

All-new interactive dashboard.

Enjoy all the benefits of an interactive, digital dashboard thanks to a host of standard and optional equipment such as Active Info Display and the Discover Navigation touch-screen navigation/infotainment system. A wide range of online services and apps are available via your smartphone and Volkswagen Car-Net, keeping you connected and informed, while other high-tech features include wireless smartphone charging and the powerful beats audio™ sound system.

01

01 The **Composition Media** infotainment system is equipped with an 8.0 inch colour touch-screen, DAB digital radio receiver, Multi Device Interface (MDI), single CD player, SD card reader and USB connection. It allows music playback from MP3, WMA and AAC files, simultaneous pairing of two compatible mobile devices, SMS functionality (when stationary and on compatible Android smartphones only), Bluetooth telephone and audio functionality¹, and provides driver tips and journey analysis via the 'Think Blue. Trainer.' Six speakers, situated to the front and rear, deliver excellent acoustics with 6 x 20 watt output. Standard on SE and Design models.

02

02 The **Discover Navigation** touch-screen navigation/infotainment system with **Car-Net 'Guide and Inform'** and **Car-Net 'Security & Service'** builds upon the impressive Composition Media infotainment system, but with additional features enabling you to easily manage not only your music, but also navigation data and a broad range of vehicle information. The system offers Volkswagen Media Control², allowing remote control of the infotainment system via a smartphone or tablet, preloaded European navigation data, 2D/3D map view which can be easily followed on the 8.0 inch colour touch-screen, three calculated route choices (Fast, Short and Eco), dynamic navigation based on TMC+, branded points of interest, Speed Limit Display³ and 3-year's Car-Net 'Guide and Inform'⁴ access makes it possible to integrate 'traffic information online' into route guidance and transfer public and personal points of interest to the navigation system. The service also includes information for fuel location and pricing, weather and news feeds. Car-Net 'Security & Service'⁵ acts as your personal assistant supporting you in every driving situation and providing you with all the key information you need regarding your mobility. An integrated SIM-card provides continuous connectivity and interaction between the driver, vehicle and Volkswagen's call centre or server. Standard on SEL and optional on all other models.

03

03 The **Active Info Display** provides a 10.3 inch high-resolution TFT dash display with customisable menus that can be configured as you wish, providing such information as detailed driving data, graphic displays of your driver assistance systems, and, when used in conjunction with the optional Discover Navigation system, large map display⁶. Standard on SEL and optional on all other models.

04 The **beats soundpack** delivers just the right amount of bass. Inspired by Dr Dre, it includes six speakers, a subwoofer and an 8 channel digital amplifier with Digital Signal Processor (DSP), delivering 400 watt output with Dolby Pro Logic surround sound. It's controlled via your infotainment or navigation system and displays a beats welcome screen when switching on. Optional on all models.

05 The **wireless smartphone charger** allows you to charge your compatible smartphone wirelessly via a storage compartment in the front centre console. It also provides USB connection, enabling you to power a tablet, for example. Thanks to wireless connection with the external aerial, you can make phone calls easily and enjoy exceptional voice quality. Non-Qi-compatible smartphones can be retrofitted with a cover or wireless charging module to allow operation. Please see www.qi-wireless-charging.net for full details. Optional on all models.

04

05

- 1 Devices must be Bluetooth HFP (Hands Free Profile) compatible, please contact your authorised Volkswagen retailer for specific phone compatibility.
- 2 Only operable in conjunction with compatible tablets and smartphones including iPhone 5 and above. Please see www.volkswagen.co.uk to check compatibility.
- 3 Speed Limit Display only reflects national speed limits and does not show temporary speed limit restrictions, or where permanent changes to speed limits are made in-between map updates.
- 4 Car-Net 'Guide and Inform' services are accessed via a compatible mobile device. Please see www.volkswagen.co.uk for more information. The use of 'Guide and Inform' services entails exchanging large volumes of data. As such, we strongly recommend that you sign-up for a flat rate data plan with your mobile network provider. After the initial 3-year Car-Net contract, an annual subscription is chargeable for the continuation of Car-Net 'Guide and Inform' services.
- 5 Use of Car-Net 'Security & Service' is governed in a separate Contract concluded online with Volkswagen. The customer has 90 days after vehicle handover to register the vehicle at www.volkswagen.com/car-net. This will enable the customer to use Services for the full period of validity. The Emergency Call Service is already activated when the vehicle is delivered, without registration being required. Availability of Car-Net Services may vary depending on the country in question. The services are available during the agreed contractual period and may be subject to amendments during the duration of the contract. To use the free Car-Net app you will need a smartphone with iOS or Android operating system and a SIM-card with a data option. You will also need an appropriate mobile phone contract already in place or separately arranged with your mobile phone provider. Depending on your mobile tariff, sending and receiving data online may incur additional charges (e.g. roaming charges), particularly if you are using Car-Net abroad. For more information on Car-Net Security & Service, go to www.volkswagen.com/car-net or contact your Volkswagen retailer.
- 6 Please note: When the navigation map is displayed in the Active Info Display in conjunction with the Discover Navigation system, the navigation map cannot be displayed on the Discover Navigation's infotainment touch-screen.

Driver's assistance systems.

01 All 4MOTION models feature **4MOTION Active Control** which allows you to adapt your T-Roc to suit the weather and road conditions ahead. Choose from four driving modes including On road, Off-road, Off-road Individual and Snow, enabling you to find the optimum choice of driving mode wherever your adventures may take you. Standard on all 4MOTION models.

02 The **Park Assist system** not only makes parallel parking easier, but also helps you reverse park into a space at 90 degrees to the kerb. Using ultrasonic sensors, Park Assist will detect a parking space large enough for either bay or parallel parking. Once the vehicle is in reverse, all the driver has to do is operate the accelerator and brake and keep a lookout, while the new T-Roc steers itself into its chosen space. Optional on all models.

03 **Lane Assist** is a camera controlled warning system that alerts you if your vehicle drifts out of its lane, helping to reduce the chance of an accident and making long motorway journeys safer. Using a camera located in the rear-view mirror unit, it monitors the road markings and prevents unintentional lane deviations. The system only intervenes if the indicators are not used, so if you decide to change lanes and indicate, the intelligent system recognises this and switches off. Standard on all models.

04 **PreCrash preventive occupant protection** recognises dangerous driving situations and automatically takes measures to help protect vehicle occupants, tensioning the front seat belts, closing the electric windows, shutting the optional panoramic sunroof, if fitted, and deploying the brakes. Optional on all models.

05 The **Front Assist** monitoring system combines Predictive Pedestrian Protection with City Emergency Braking, alerting you if it detects vehicles or pedestrians at the edge of the road or on the carriageway, via acoustic and optical signals, as well as a gentle application of the brakes. The system even performs an emergency stop should the distance become critical, helping to protect other road users and possibly avert potential accidents. Standard on all models.

06 **Front and rear parking sensors** assist parking manoeuvres by emitting both audible and visual signals, alerting the driver to any obstacles in the way. The closer you are to an obstacle the faster the sound frequency, while an optical parking display indicates your position in relation to obstacles on the screen of the vehicle's infotainment system. Standard on all models.

Alloy wheels.

- 01 'Kulmbach' 7J x 17" alloy wheels with 215/55 R17 94V low rolling resistance tyres and anti-theft wheel bolts.
- 02 'Mayfield' 7J x 17" alloy wheels with 215/55 R17 94V tyres and anti-theft wheel bolts.
- 03 'Arlo' Sterling Silver 7J x 18" alloy wheels with 215/50 R18 92W low rolling resistance tyres and anti-theft wheel bolts.
- 04 'Kulmbach' Adamantium Silver 7J x 17" with 215/55 R17 94V tyres and anti-theft wheel bolts.
- 05 'Mayfield' Atlantic Blue diamond-turned 7J x 17" alloy wheels with 215/55 R17 94V tyres and anti-theft wheel bolts.
- 06 'Mayfield' Gloss Black diamond-turned 7J x 17" alloy wheels with 215/55 R17 94V tyres and anti-theft wheel bolts.
- 07 'Mayfield' Black/Hot Orange diamond-turned 7J x 17" alloy wheels with 215/55 R17 94V tyres and anti-theft wheel bolts.
- 08 'Montego Bay' diamond-turned 7J x 18" alloy wheels with 215/50 R18 92W low rolling resistance tyres and anti-theft wheel bolts.
- 09 'Arlo' Adamantium Silver 7J x 18" alloy wheels with 215/50 R18 92W low rolling resistance tyres and anti-theft wheel bolts.

Technology.

Technical specification notes

- 01) The maximum power output figures are quoted in PS (or Pferdestärke, which is the metric equivalent of horsepower). To convert from metric to imperial horsepower, divide the PS figure by 1.0139.
- 02) Figures are calculated in accordance with manufacturer's criteria. The individual unladen weight depends on the specification of the vehicle, this then reduces the possible payload accordingly. The unladen weight and payload both include the fuel tank 90% full, driver (68kg) and luggage (7kg) in line with EU directive 95/48. Unladen weight shown refers to 3-door models. The unladen weight of 5-door models will increase by 30kg.
- 03) With increasing altitude the engine performance diminishes. From 1,000m above sea level and for every 1,000m thereafter 10% of the vehicle/trailer weight (trailer weight + gross vehicle weight) must be deducted.
- 04) The size of the fuel tank is approximate and therefore it may be possible to add a greater amount of fuel than the size of the tank specified, due to the space in the filler neck.
- 05) Fuel consumption and CO₂ figures are obtained under standardised EU test conditions (Directive 93/116/EEC). This allows a direct comparison between different manufacturer models but may not represent the actual fuel consumption and CO₂ emissions achieved in 'real world' driving conditions. More information is available on the Volkswagen website at www.volkswagen.co.uk and at www.dft.gov.uk/vca. CO₂ is the main greenhouse gas responsible for global warming. This information should be used for illustration purposes only. Choosing larger alloy wheels than standard may result in increased fuel consumption as well as higher CO₂ emissions and subsequently increased Vehicle Excise Duty (VED) band, and BIK rates paid for company car drivers will increase. In some instances, the 'On the road' cost paid for the vehicle may increase as a result of the increased VED rate. The specifications contained in this brochure are for information purposes only and are subject to change.

Transmission

- Electronic differential lock, combined with a hydraulically operated single-plate dry clutch with asbestos-free lining via a six or seven speed automatic DSG gearbox
- Front wheel drive through asbestos-free single-plate dry clutch. Hydraulic clutch-mechanism. Six speed manual or seven speed automatic DSG gearbox with double joint half axles

Brakes

- Electronically controlled Anti-lock Braking System (ABS) with Electronic Brake-pressure Distribution (EBD)
- Diagonal twin-circuit brake system with ventilated front disc brakes and rear disc brakes
- Asbestos-free brake pad
- HBA (Hydraulic Brake Assist)

Steering

- Electro-mechanical steering rack
- Collapsible, height and lengthways adjustable safety steering column

Running gear

- ESC (Electronic Stability Control) including EDL (Electronic Differential Lock), ASR (Traction Control) and Countersteer Support
- Front suspension through coil springs with telescopic shock absorbers, all elements integrated in chassis legs
- Rear suspension with gas pressure shock absorbers and separate springs
- Wheel control: front through chassis legs and (lower) triangular wishbones (directionally stabilising steering roll radius)
- Wheel control: rear through four-link suspension with independent wheel suspension
- Front and rear anti-roll bar

Engines

- Front transverse-installed engine
- 1.0 litre/115 PS⁽⁰¹⁾ (85 kW) petrol engine: EU6 emissions standard, three cylinder in-line direct injection engine, with two valves per cylinder. Fitted with a turbocharger module with electric boost pressure regulation. Available with a six speed manual transmission
- 1.5 litre/150 PS⁽⁰¹⁾ (110 kW) petrol engine: EU6 emissions standard, four cylinder in-line direct injection turbocharged engine, with four valves per cylinder. Fitted with a turbocharger. Available with a six speed manual transmission
- 2.0 litre/190 PS⁽⁰¹⁾ (140 kW) petrol engine: EU6 emissions standard, four cylinder in-line direct injection turbocharged engine, with four valves per cylinder. Fitted with a turbocharger. Available with a seven speed automatic DSG transmission

On illustrations, where arrows and figures are shown inside of the vehicle, the measurements are for interior dimensions. Where arrows and figures are shown outside of the vehicle, the measurements are for exterior dimensions.

CO₂ emissions and VED bands with optional wheels.

Effect of wheel size on CO₂ emissions and VED Bands

Choosing larger alloy wheels than standard as an option, may result in increased fuel consumption as well as higher CO₂ emissions and subsequently increased Vehicle Excise Duty (VED) band and BIK rates paid by company car drivers may increase. This is due to the fact that larger wheels have both more aerodynamic drag and more mechanical drag, resulting in increased rolling resistance and increased wind resistance. As a result, the VED band that the vehicle falls into may increase from its original VED band when fitted with standard size wheels. In some instances, the recommended 'On the road' retail price paid for the vehicle may increase as a result of the increased VED rate. The chart below shows CO₂ emissions and the related VED bands for vehicles with both standard-fit wheels and larger optional alloy wheels, as well as the change in VED band.

			Output, PS	Standard wheel size	CO ₂ emission, g/km*, standard wheels	First year VED £, standard wheels	Optional alloy wheel and size		CO ₂ emission, g/km*, optional alloy wheels	First year VED £, optional wheels
5-door range	SE	1.0 ltr TSI	6 speed manual	115	17"	117*	160.00	17" Kulmbach Adamantium Silver, 17" Mayfield, 17" Mayfield Atlantic Blue, 17" Mayfield Gloss Black, 17" Mayfield Black/Hot Orange	117*	160.00
DESIGN	1.5 ltr TSI EVO	6 speed manual	150	17"	120*†	160.00	17" Kulmbach Adamantium Silver, 17" Mayfield, 17" Mayfield Atlantic Blue, 17" Mayfield Gloss Black, 17" Mayfield Black/Hot Orange	120*†	160.00	
	1.0 ltr TSI	6 speed manual	115	17"	117*	160.00	17" Mayfield Atlantic Blue, 17" Mayfield Gloss Black, 17" Mayfield Black/Hot Orange	117*	160.00	
	1.5 ltr TSI EVO	6 speed manual	150	17"	120*†	160.00	17" Mayfield Atlantic Blue, 17" Mayfield Gloss Black, 17" Mayfield Black/Hot Orange	120*†	160.00	
SEL	1.5 ltr TSI EVO	6 speed manual	150	18"	121*†	160.00	18" Arlo Sterling Silver, 18" Arlo Adamantium Silver	121*†	160.00	
	2.0 ltr TSI 4MOTION	7 speed auto DSG	190	18"	155*	500.00	18" Arlo Sterling Silver, 18" Arlo Adamantium Silver	155*	500.00	

* Fuel consumption and CO₂ figures are obtained under standardised EU test conditions (Directive 93/116/EEC). This allows a direct comparison between different manufacturer models but may not represent the actual fuel consumption achieved in 'real world' driving conditions. More information is available on the Volkswagen website at www.volkswagen.co.uk and at www.dft.gov.uk/vca. Please note: the increase in VED rate that is payable is in addition to the cost of the optional alloy wheels. Please consult your Volkswagen retailer for full details.
† The CO₂ figure quoted is a provisional figure which has yet to be confirmed. A change to this figure may result in a change to the Manufacturer's Recommended 'On the road' Retail price.

Model shown is new T-Roc SEL with optional two-tone black roof and metallic paint.

Volkswagen service.

Exclusions and terms and conditions apply to all warranties and plans listed. For pricing and further details of Volkswagen Warranties and Service Plans, please consult your authorised Volkswagen retailer or repairer, or visit www.volkswagen.co.uk

The Volkswagen Warranty Three-year Warranty

All Volkswagen passenger cars come with a three-year/60,000 miles warranty, which protects your car against the failure of most technical and electrical components due to manufacturing defects. This comprises a two-year manufacturer's warranty with unlimited mileage plus a further one-year/60,000 miles (whichever is soonest) Retailer Warranty¹. Should the mileage exceed 60,000 miles within the first two years, the manufacturer's two-year warranty will still be valid. Full details of the three-year warranty are available from your authorised Volkswagen retailer or repairer.

Body Protection Warranty

The internal body sections and panels of the T-Roc are covered against rusting through from the inside for 12 years. Naturally, the vehicle must be cared for in compliance with the manufacturer's operating instructions. Please consult your authorised Volkswagen retailer or repairer for full warranty details.

Three-year Paintwork Warranty

This latest paintwork warranty, pioneered by Volkswagen, provides you with cover on a new car. Naturally, during the warranty period the car must be cared for in compliance with the manufacturer's operating instructions. Any paintwork defects, as a result of the manufacturing process, will be rectified without charge.

Approved Accessories

A comprehensive range of accessories from alloy wheels to carpet mats is available to complement the factory-fitted option list. Volkswagen approved accessories purchased from and fitted by your authorised Volkswagen retailer at the point of vehicle sale will also benefit from the three-year vehicle warranty.

Extended Warranty

If you order the Volkswagen Extended Warranty as an option when buying your new T-Roc then you get the 100% Volkswagen Warranty and you can continue to enjoy comprehensive Volkswagen protection against many unforeseeable repair costs. Designed to your needs, you can purchase an extra one or two year's warranty up to a maximum of five years or 90,000 miles.

Service Intervals

Volkswagen is pleased to offer you a choice on how your Volkswagen is serviced. The appropriate selection is entirely dependent on how the car is likely to be driven and its general use. To help you identify which type of service would be most suitable, please refer to the following guide.

The Fixed Service is recommended for vehicles that will cover less than 10,000 miles in 12 months and if the vehicle is likely to be used in the following way:

- Predominantly urban driving, short journeys with frequent cold starts.
- Activities regularly producing high engine loading, e.g. frequent hill climbs, driving with vehicle fully loaded and towing.
- Uneconomical driving style using high rpms with heavy acceleration and heavy braking.

The service intervals for the Fixed Service are as follows:

- Oil change service – After 1 year or 10,000 miles (15,000km), whichever is soonest.
- Inspection service² – First after 2 years or 20,000 miles (30,000km), then every one year or 20,000 miles (30,000km), whichever is soonest.

The Flexible Service is recommended for vehicles with daily mileage of more than 25 miles where the vehicle is driven regularly mainly on longer distance journeys. The vehicle is driven mainly at a constant speed with minimum vehicle and engine loading, minimal towing and driven in an economical manner. With the Flexible Service the vehicle can cover anywhere between 10,000³ and a maximum of 20,000³ miles or 24 months (whichever is soonest) between oil changes.

The service intervals for the Flexible Service are as follows:

- Oil change service – According to flexible service interval display (after 2 years at the latest).
- Inspection service² – First after 2 years or 20,000 miles (30,000km), then every one year or 20,000 miles (30,000km), whichever is soonest.

The up! model is only available with the Fixed Service schedule. Please consult your authorised Volkswagen retailer or repairer for advice and full details.

Please note: If you purchase a Volkswagen Fixed Price Service Plan your vehicle will follow the Fixed Service schedule.

Volkswagen Insurance⁴

We want you to start enjoying your new car from day one and thanks to Volkswagen free 5 day insurance, you can. Call free on 0330 303 6930 (lines are open Monday to Friday 8am – 9pm and Saturday 9am – 5pm), provide a few details and a cover note will be sent to your retailer. They will then tax your car and you can drive it away.

Volkswagen Insurance⁵

Get three years' Volkswagen Insurance cover for free.

Another great benefit of being a Volkswagen driver. If your Volkswagen was damaged in an accident, wouldn't you want it fixed by a Volkswagen trained technician using only genuine Volkswagen parts? Insurance is Volkswagen's accident and repair cover which does exactly that. It works alongside your main comprehensive motor insurance policy no matter who you are insured with, to make sure you get the quality repair and service you would want. If you're involved in an accident or your car is stolen, just one call to us and we'll look after your claim from start to finish ensuring your Volkswagen is restored to the highest standard.

Activate your cover and benefit from:

- A guarantee that your Volkswagen will be repaired by a Volkswagen approved repairer and Volkswagen trained technicians, using only genuine Volkswagen parts and paints.
- A dedicated Claims Manager who will manage your claim from start to finish, liaising with your insurer and the repairer so you don't have to.
- Help to recover any uninsured losses using our Legal Expenses Cover.
- Online claims tracking so you can keep up to date with the status of any claim.

Volkswagen Insurance is free to all Volkswagen customers for three years and it only takes a minute to get cover. To find out more and to activate your cover, visit volkswagen-insurance.co.uk

Volkswagen Finance⁶

Volkswagen Finance specialises in providing funding solutions for Volkswagen drivers. Whether your Volkswagen is for private or business use, you can choose from a range of funding options.

- Solutions – a Personal Contract Plan
- Hire purchase
- Lease purchase
- Finance lease
- Contract hire

With all Volkswagen Finance products you can choose a fixed-cost maintenance plan to help you budget for your servicing and maintenance costs. No matter what finance product you choose, your local Volkswagen retailer will be able to provide you with a personalised quote that could meet your budget and vehicle needs.

Fuel consumption and CO₂ Emissions

Fuel consumption and CO₂ figures are obtained under standardised EU test conditions (Directive 93/116/EEC). This allows a direct comparison between different manufacturer models but may not represent the actual fuel consumption achieved in 'real world' driving conditions. More information is available on the Volkswagen website at www.volkswagen.co.uk and at www.dft.gov.uk/vca. The weight of a vehicle will influence the level of CO₂ emissions it produces; as a result, vehicles with higher levels of specification and factory-fitted options may emit higher levels of CO₂. Choosing larger alloy wheels than those fitted as standard may result in increased fuel consumption as well as higher CO₂ emissions and subsequently an increased Vehicle Excise Duty (VED) band. BIK rates paid by company car drivers may also increase. In some instances, the recommended 'On the road' retail price paid for a vehicle may increase as a result of the increased VED rate. CO₂ is the main greenhouse gas responsible for global warming. The specifications contained in this brochure are for information purposes only and are subject to change.

Volkswagen Roadside Assistance

Every new car is registered for Volkswagen Roadside Assistance for one year except the Touareg which is registered for three years. This provides vehicle roadside and home recovery in the unlikely event of a breakdown in the UK and Europe (subject to conditions). Volkswagen Roadside Assistance can also be purchased for subsequent years. Exclusions and terms and conditions apply. For pricing and further details of Volkswagen Roadside Assistance, please consult your authorised Volkswagen retailer, or visit www.volkswagen.co.uk

Tax Free Sales

For full details, please contact your authorised Volkswagen retailer.

Please note:

Some illustrations in this brochure do not necessarily reflect UK specifications and may not be available. In particular, controls and some items of equipment are positioned differently for the UK. The specifications contained in this brochure are for information purposes only and are subject to change. If you require any specific feature, you must consult your authorised Volkswagen retailer who is regularly updated with any change in specification. Please check model availability and full specification details with your authorised Volkswagen retailer prior to ordering. Note: we would like to advise you that telephone calls to Volkswagen Customer Care may be monitored and recorded as part of our training and quality assurance processes. All our monitoring and recording processes meet Ofcom regulations.

¹ All warranty work must be completed by an authorised Volkswagen retailer or repairer.

² The inspection service first at 3 years (or 40,000 miles) and then every second year (or 40,000 miles) has additional workscope.

³ The quoted mileage is based on a conversion from kilometres and is therefore unlikely to exceed circa 18,000 miles between oil changes.

⁴ Volkswagen Financial Services is a trading name of Volkswagen Financial Services (UK) Limited ('VWFS UK'). Registered in England and Wales number: 2835230. Registered Office: Brunswick Court, Yeomans Drive, Blakelands, Milton Keynes MK14 5LR. Financial and consumer credit services are provided by VWFS UK. Annual insurance credit is provided by Ageas Retail Limited. Volkswagen Motor Insurance from VWFS UK is sold and administered by Ageas Retail Limited, registered in England and Wales number: 1324965 Registered Office: Ageas House, Hampshire Corporate Park, Templars Way, Eastleigh, Hampshire SO53 3YA. VWFS UK and Ageas Retail Limited are not part of the same corporate group.

⁵ Insurance from Volkswagen Financial Services is sold and administered by Lawshield UK Limited, registered in England number: 3360532 (registered office: Lawshield House, 850 Ibis Court, Lakeside Drive, Centre Park, Warrington, Cheshire WA1 1RL) and underwritten by UK General Insurance Limited on behalf of Ageas Insurance Limited, registered in England number: 354568 (registered office: Ageas House, Tollgate, Eastleigh, Hampshire SO53 3YA).

⁶ Finance is available to 18s and over, subject to status. Terms and conditions apply. Volkswagen Finance.
