Model shown is Tiguan R-Line with optional Head-up Display and premium signature paint.

The Tiguan.

A new world at your fingertips.

Clear shapes, sharply sculpted lines: with its distinctive design the Tiguan makes its mark visually straight away. It is a look that promises much – and lives up to it. Numerous design elements consistently continue the stylistic features in the vehicle interior. And thanks to a host of connectivity services, you are always well ahead on the data highway. Through trendsetting technology, a comprehensive range of standard equipment and confident handling characteristics, the Tiguan supports you with everything you want to reach – whether it's off-road, on road or online.

Model shown is Tiguan R-Line with optional Head-up Display and premium signature paint.

01

Interior shown is Tiguan SEL 4MOTION with optional Discover Navigation Pro touch-screen navigation/DVD radio system, Saffrano Orange 'Vienna' leather upholstery and Pure White non-metallic paint.

Interior.

The highest quality materials combine with ergonomic styling to bring you an interior that is as comfortable and refined as it is well designed and practical. The Tiguan offers flexible seating and stowage options, enabling you to transport long and bulky loads with ease. This, combined with a wealth of equipment designed to provide both comfort and convenience, creates the perfect environment for any journey.

01 Functionality and ergonomics go hand in hand in the Tiguan. **The premium quality centre console** is purposely angled towards the driver for optimum driving convenience, placing the impressive 8.0 inch colour touch-screen and infotainment system easily within reach and every switch and control intuitively to hand. With controls optimally positioned and information clearly in view, driving the Tiguan is so much fun.

02 Contemporary upholsteries and decorative inserts coordinate perfectly to create a modern interior, while **front seats featuring height and lumbar adjustment** and a height and reach adjustable steering wheel ensure maximum driving comfort whatever the terrain. Interior shown is Tiguan SEL.

02

On road or off-road, the adventure starts here.

The Tiguan boasts a smart look that's longer and lower than previous models, providing more interior space and helping to improve drive and handling. Sharp lines, stylish alloy wheels and details such as LED daytime running lights, along with deeper front air intake grilles on R-Line models, give a look that is dynamic, strong and unmistakably Volkswagen. High torque engines and 4MOTION Active Control, with a choice of driving modes, provide optimum handling even in challenging weather conditions or terrain. Venturing off the beaten track? The optional 'Outdoor' pack for SE, SE Navigation and SEL models feature additional front underbody protection, improved approach and departure angles and a restyled front bumper for an all terrain look.

01 Daytime running lights feature LED technology for greater visibility, and fit flush with the newly designed **LED headlights with Dynamic Light Assist**, enhancing the Tiguan's sporty look. Standard on SEL and R-Line. Optional on SE and SE Navigation models. Model shown features optional premium signature paint.

02 All 4MOTION models feature **4MOTION Active Control** which allows you to adapt your Tiguan to suit the weather and road conditions ahead. Choose from four driving modes including On road, Off-road, Off-road Individual and Snow, enabling you to find the optimum choice of driving mode wherever your adventures may take you. Standard on all 4MOTION models. Image shown features optional 'Vienna' leather upholstery.

Model shown is Tiguan SEL 4MOTION with optional 'Outdoor' pack, 20" 'Miramar' grey metallic alloy wheels and metallic paint.

Great views. Wherever you look

Whether you are gazing at a clear starry sky or a spectacular skyline, the generous interior in combination with the panoramic sunroof provides not only a sense of space, but clear views from every seat, while integrated LED lighting creates a calm and pleasing ambience. The ergonomically designed interior and the host of assistance systems make every journey in the Tiguan a pleasurable one whatever the destination.

01 The **electrically operated, panoramic glass sunroof with integrated roller blind and LED ambient lighting** adds additional light and space, whether open or closed, filling the interior with natural light and providing an inviting view of the sky above. When tilted upwards, it lets in fresh air, and if the sky is a little dull, the integrated LED lighting adds a pleasant, ambient feel. Standard on SEL and R-Line. Optional on all other models. Image shown is Tiguan SEL with optional 'Vienna' leather upholstery.

01

01-03 From front to rear, everything in the Tiguan is designed to meet your needs. The **rear seats split 40:20:40** and each side can be moved lengthways, giving you various loading options. The rear seats feature a load-through provision and when they're folded down and the rear bench is in the forward position, there's an impressive loading capacity of up to 1,655 litres. The load area is continuously level and can be lowered or removed totally for maximum boot space, thanks to the variable boot floor. Load-through provision is standard on SE models and above. Images shown feature optional Pure White non-metallic paint.

04-05 3Zone electronic air conditioning with air intensity control and automatic air recirculation ensures a pleasant interior temperature to suit the individual preference of driver, front passenger and rear seat passengers. Rear passengers are able to make adjustments via an electronic control panel conveniently located to the rear of the front centre armrest. A sensor monitors the outside air quality and, if necessary, automatically activates the air recirculation function. Standard on SE models and above. Optional on S models.

06 Everything about the Tiguan is geared towards providing total comfort and functionality. The **flexible seating** concept allows you to adapt the interior to suit your requirements with all seats, apart from the driver's seat, folding down from SE models upwards. Interior shown is Tiguan SEL with optional 'Vienna' leather upholstery.

A virtual world at your fingertips.

Thanks to Car-Net connectivity you can enjoy a whole range of online services while you travel, helping to make your journey easier, more comfortable and ultimately more informed. As well as enjoying up-to-the-minute information, you can also access many of your favourite apps from your smartphone, all conveniently displayed on the infotainment system’s touch-screen display.

Interior shown is Tiguan SEL with optional Discover Navigation Pro touch-screen navigation/DVD radio system, Side scan, ‘Vienna’ leather upholstery and Pure White non-metallic paint.

01 Car-Net ‘Security & Service’¹ acts as your personal assistant supporting you in every driving situation and providing you with all the key information you need regarding your mobility. An integrated SIM-card provides continuous connectivity and interaction between the driver, vehicle and Volkswagen’s call centre or server. In the event of an accident, should the driver activate the ‘eCall’ button or the airbags are deployed triggering the ‘eCall’ service, Volkswagen’s Emergency Centre will be contacted directly. Key information such as the condition and location of the vehicle will be sent to emergency response units. In the event of minor incidents, the ‘Automatic accident notification’ can send location and vehicle details to the Volkswagen Emergency Centre should the driver wish. Additional data is also shared including details of ‘Car breakdown’, ‘Vehicle health report’ and ‘Service schedule’ ensuring your vehicle’s information is always up to date – 10-year subscription included.

The service also allows vehicle information to be accessed via the Car-Net Portal or Car-Net app, via a laptop or smartphone, from the comfort of your home or even the office. Information such as ‘Driving data’, the status of ‘Doors and lights’, ‘Area alert’, ‘Speed alert’, remote control of ‘Horn and hazard lights’, ‘Parking position’ and ‘Online anti-theft alarm’ can be easily accessed and monitored – 3-year subscription included. Optional on all models.

¹ Use of Car-Net ‘Security & Service’ is governed in a separate Contract concluded online with Volkswagen. The customer has 90 days after vehicle handover to register the vehicle at www.volkswagen.com/car-net. This will enable the customer to use Services for the full period of validity. The Emergency Call Service is already activated when the vehicle is delivered, without registration being required. Availability of Car-Net Services may vary depending on the country in question. The services are available during the agreed contractual period and may be subject to amendments during the duration of the contract. To use the free Car-Net app you will need a smartphone with iOS or Android operating system and a SIM-card with a data option. You will also need an appropriate mobile phone contract already in place or separately arranged with your mobile phone provider. Depending on your mobile tariff, sending and receiving data online may incur additional charges (e.g. roaming charges), particularly if you are using Car-Net abroad. For more information on Car-Net Security & Service, go to www.volkswagen.com/car-net or contact your Volkswagen retailer. For information on your mobile tariff rates, please contact your mobile phone provider.

02 With Car-Net ‘Guide and Inform’², your Tiguan becomes a mobile network using your smartphone’s Wi-Fi hotspot. You can access up-to-the-minute information directly from the internet, enabling you to benefit from continually updated information while you travel, such as online traffic information, fuel pricing, parking space availability, weather and news feeds. Car-Net ‘Guide and Inform’ includes 3-year’s online navigation software updates enabling you to download the latest map data to keep you up-to-date. Another useful feature is ‘Destination Input’ that allows you to send locations to your navigation system, where they will be displayed on the colour touch-screen ready for your journey ahead. Car-Net ‘Guide and Inform’ is standard on SE Navigation models and above, and optional on S models as part of the Discover Navigation touch-screen navigation/radio system. Image shown features optional Discover Navigation Pro touch-screen navigation/DVD radio system. Please contact your authorised Volkswagen retailer for full details.

Opting for the Discover Navigation Pro touch-screen navigation/DVD radio system means that you can benefit from even more features such as Google Earth and more with **‘Guide and Inform Plus’¹**. Optional on SE Navigation models and above.

² Car-Net ‘Guide and Inform’ and ‘Guide and Inform Plus’ services are accessed via a compatible mobile device. Please see www.volkswagen.co.uk for more information. The use of all ‘Guide and Inform’ services entails exchanging large volumes of data. As such, we strongly recommend that you sign-up for a flat rate data plan with your mobile network provider. After the initial 3-year Car-Net contract, an annual subscription is chargeable for the continuation of all ‘Guide and Inform’ services.

03 Volkswagen apps such as ‘Think Blue. Trainer.’, ‘Shared Audio’, ‘Drive & Track’ or ‘My Guide’ can help to make your journey more pleasant and interesting, providing useful tips about handling your car, parking opportunities and even where to find the closest café. Volkswagen Apps are only available with compatible smartphones. Please consult www.volkswagen.co.uk to check smartphone compatibility. Usage of certified apps only while driving. Car-Net ‘App-Connect’ is standard on SE models and above. Optional on S models.

04 The Volkswagen Car-Net Destination Import allows you to search for destinations from the comfort of your home or office and send them directly to your Tiguan’s navigation system. Simply log into the Volkswagen Car-Net portal, click ‘Online destination import’ and search for wherever you wish to go. Find your destination, save it, name it, and then send it to your Tiguan’s navigation system. Your named destinations will then be displayed under ‘My Destinations’ on the main navigation display screen, it’s that easy. You can also similarly send your ‘Personal points of interest’ from your computer or tablet and download them to your Tiguan’s navigation system and they will appear on the navigation screen as you drive. Standard on SE Navigation models and above, and optional on S models as part of the Discover Navigation touch-screen navigation/radio system. Image shown features optional Discover Navigation Pro touch-screen navigation/DVD radio system.

Trendsetting. And leading.

Route guidance, vehicle status centre and infotainment system – the radio and navigation systems of the Tiguan are real multitaskers.

Apart from controlling several online services they also enable connection to a mobile or compatible smartphone. All the functions can be intuitively operated via the high-resolution touch-screen, from the navigation system, apps and connectivity functions to the extended sound functions of the optional ‘Dynaudio Excite’ soundpack.

01

01 Depending on which smartphone you have, you can connect **Car-Net ‘App-Connect’** via one of three interfaces: Apple ‘CarPlay’, Google ‘Android Auto’ or ‘MirrorLink’™, allowing your smartphone display to be ‘mirrored’ on the infotainment touch-screen via USB connection¹ and giving access to your favourite smartphone functions, such as music, messages, phone and news. Volkswagen apps such as ‘Think Blue. Trainer.’, ‘Shared Audio’, ‘Drive & Track’ or ‘My Guide’ can help to make your journey more pleasant and interesting by providing useful tips about handling your car, parking opportunities and even where to find the closest café. Volkswagen Apps are only available with compatible smartphones. Please consult www.volkswagen.co.uk to check smartphone compatibility. Usage of certified apps only while driving. Standard on SE models and above. Optional on S models. Image shown features optional Discover Navigation Pro touch-screen navigation/DVD radio system.

02 The ‘**Dynaudio Excite**’ soundpack will deliver impressive acoustics on any journey’s soundtrack. Incorporating an eight channel digital amplifier, Dolby Pro Logic surround sound, Digital Signal Processor (DSP), subwoofer and 400 watt output through eight high performance speakers. Optional on SE models and above.

02

03

04

05

03 The **Discover Navigation Pro** touch-screen navigation/DVD radio system with integrated voice activation, **Car-Net ‘Guide and Inform Plus’²** and **Car-Net ‘App-Connect’** can be operated intuitively via the 8.0 inch TFT colour touch-screen, enabling you to manage music and navigation data. Eight powerful speakers deliver great acoustics and the DVD system is compatible with MP3, WMA and AAC files. It also offers a 64 GB SSD hard drive, two SD card readers, photo display from JPEG and PNG files, voice control and USB connection. The Discover Navigation Pro also features ‘Guide and Inform Plus’ providing online access to a range of useful information such as traffic, fuel pricing, parking space availability, weather, news feeds and Google Earth. In addition, the Car-Net ‘App-Connect’ combines the functionality of Apple ‘CarPlay’, Google ‘Android Auto’ and ‘MirrorLink’™ allowing ‘mirroring’ of a smartphone display on the infotainment touch-screen via USB connection. Display and operation of certified apps including audio and voice control (if supported by the app). Usage of certified apps only while driving. Only operable in conjunction with compatible smartphones including iPhone 5, 6 and 7. Please see www.volkswagen.co.uk to check smartphone compatibility. Optional on SE Navigation models and above.

04 The **Discover Navigation** touch-screen navigation/radio system with **Car-Net ‘Guide and Inform’²** builds upon the impressive Composition Media system, but with additional features enabling you to easily manage not only your music, but also navigation data and a broad range of vehicle information. The system offers preloaded European navigation data, 2D/3D map view which can be easily followed on the 8.0 inch colour touch-screen, three calculated route choices (Fast, Short and Eco), dynamic navigation based on TMC+, branded points of interest and Speed Limit Display³. 3-year’s Car-Net ‘Guide and Inform’ access makes it possible to integrate ‘traffic information online’ into route guidance and transfer public and personal points of interest to the navigation system. The service also includes information for fuel station location and pricing, car parks and parking space availability, weather and news feeds. Standard on SE Navigation, SEL and R-Line models. Optional on S models.

05 The **Composition Media** system is equipped with an impressive 8.0 inch colour touch-screen with proximity sensor that recognises in advance your intention to touch the screen and automatically magnifies the display mode. Features also include DAB digital radio receiver, CD player, USB connection for compatible products and SD card reader. The media system also includes Bluetooth telephone and audio connection for compatible devices⁴, simultaneous pairing of two compatible mobile devices, SMS functionality – allowing you to read, compose and send SMS messages using the touch-screen display to a compatible Android smartphone (while the vehicle is stationary), title and compatible cover art display and facilitates music playback from MP3, WMA and AAC files through eight speakers, front and rear. Finally, car information display and ‘Think Blue. Trainer.’ – provide journey analysis and driver tips during your journey. Standard on S and SE models.

¹ Only operable in conjunction with compatible smartphones including iPhone 5, 6 and 7.
² Car-Net ‘Guide and Inform’ services are accessed via a compatible mobile device. Please see www.volkswagen.co.uk for more information. The use of ‘Guide and Inform’ services entails exchanging large volumes of data. As such, we strongly recommend that you sign-up for a flat rate data plan with your mobile network provider. After the initial 3-year Car-Net contract, an annual subscription is chargeable for the continuation of Car-Net ‘Guide and Inform’ services.
³ Speed Limit Display only reflects national speed limits and does not show temporary speed limit restrictions, or where permanent changes to speed limits are made in-between map updates.
⁴ Devices must be Bluetooth HFP (Hands Free Profile) compatible, please contact your authorised Volkswagen retailer for specific device compatibility.

Not just any interior. It's yours.

You know best what makes you feel good. That's why the Tiguan offers a choice of options with which you can perfectly tailor your Tiguan to your individual needs. For example, the fully configurable Active Info Display or the innovative Head-up Display. Once comfortably seated, all displays and functions can be optimally viewed and reached thanks to the ergonomically arranged centre console that is perfectly angled towards the driver.

01 The Active Info Display provides a system that can be tailored to suit your exact preferences. The fully configurable, interactive 12.3 inch TFT display replaces the standard analogue instrument cluster, displaying vehicle data and information on your dashboard. Five different modes allow you to customise the screen, with large or small dials as you prefer and a number of items displayed behind. When used in navigation mode in conjunction with the Discover Navigation¹ or Discover Navigation Pro systems, you can move the speedometer and rev counter to the edge of the display, creating more space for the navigational map. If you wish, you are able to include driving, navigation and assistance functions within the graphics of the speedometer. As the Active Info Display is linked to all other assistance systems in the vehicle, any data shown in the centre console of the infotainment system, such as phone numbers or your music's compatible cover art, can also be displayed on the dash conveniently placed directly within the driver's optimum field of vision. Standard on SEL and R-Line models. Optional on SE and SE Navigation models.

02 The Head-up Display² rises from its position behind the dashboard into the driver's primary field of vision at the press of a button. Driving information, including current speed, navigational details and traffic data, is projected onto the retractable screen and transparently displayed, helping to reduce the amount of time that the driver's eyes are averted from the road. Optional on SE models and above.

03 Front and rear parking sensors assist parking manoeuvres by emitting both audible and visual signals, alerting the driver to any obstacles in the way. The closer you are to an obstacle the faster the sound frequency, while an optical parking display indicates your position in relation to obstacles on the screen of the vehicle's infotainment system. Standard on SE models and above. Optional on S models. Image shown is Tiguan SEL 4MOTION with optional 'Outdoor' pack and metallic paint.

04 The Park Assist system not only makes parallel parking easier, but also helps you reverse park into a space at 90 degrees to the kerb. Using ultrasonic sensors, Park Assist will detect a parking space large enough for either bay or parallel parking. Once the vehicle is in reverse, all the driver has to do is operate the accelerator and brake, and keep a lookout, while the Tiguan steers itself into its chosen space. Optional on SE models and above. Park Assist including parking sensors, front and rear is available on S models.

06 The rear-view camera, which forms part of the Park Assist and Trailer Assist options displays the area behind your vehicle on the screen of the vehicle's infotainment system, helping you to manoeuvre into tight spaces quickly and easily. Auxiliary lines help you navigate safely into parking spaces, and thanks to the high resolution display, even small obstacles such as kerbs are visible. Optional on SE models and above.

07 Dynamic Chassis Control (DCC) allows you to select Sport, Comfort or Normal settings for your journey with a touch of a button, and adapts the damping control and shock absorption rate to the road conditions and driving style you require within milliseconds. Image shown is for illustration purposes only and may not necessarily reflect UK specification. Standard on 2.0 litre BiTDI 240 PS DSG and optional on SE, SE Navigation and SEL models.

05 The Tiguan effortlessly tows a trailer or caravan and, depending on your choice of engine, can tow up to a maximum weight of 2.5 tons³. **Trailer Assist including Park Assist and rear-view camera** helps you reverse more easily and accurately with a trailer or caravan hitched. The optical display visualises actual and possible steering angles in the instrument cluster. Reverse steering is automatic, with direction controlled via the mirror adjustment switch which acts as a joystick, while the driver controls the pedals and keeps a good look out. Optional on SE models and above. Only in conjunction with the optional swivelling towbar.

¹ When the large navigation map is displayed on the full Active Info Display in conjunction with the Discover Navigation system, the navigation map cannot be displayed on the central 8.0 inch colour touch-screen.
² Please note, use of polarised lenses may impair the visibility of the Head-up Display.
³ Maximum towing weight is dependent on vehicle specific equipment. The exact towing weights of individually configured vehicles, if required, must be obtained from the manufacturer before the purchase order is completed.

Intelligent driving. Smart choice.

With its numerous intelligent technologies and driver assistance systems, the Tiguan provides a reassuring and confident driving experience even in the most challenging driving situations.

01 Lane Assist is a camera controlled warning system that warns you if your vehicle drifts out of its lane helping to reduce the chance of an accident and helping to make long motorway journeys safer. Using a camera located in the rear-view mirror unit, it monitors the road markings and prevents unintentional lane deviations. The system only intervenes if the indicators are not used, so if you decide to change lanes and indicate, the intelligent system recognises this and switches off. Standard on all models.

02 High Beam Assist ingeniously senses the lights from oncoming vehicles and automatically switches between dipped and main beam accordingly. It also senses vehicles you are approaching from the rear and ensures your main beam is dipped in order to avoid dazzling the vehicle in front. Standard on SE and SE Navigation models. Optional on S models.

03 Area view with Park Assist. Four separate cameras, located in the rear tailgate, door mirrors and radiator grille, provide a 360-degree view around the Tiguan, helping you to manoeuvre with confidence in any direction. The driver can select up to twelve possible views of the vehicle, from the front, rear or side, on either full or split-screen displayed on the infotainment system's screen. Should you specify the optional Discover Navigation Pro system, you will also gain a bird's-eye view around your Tiguan. Not in conjunction with rear-view camera. Optional on all models.

04 The Front Assist monitoring system combines **Predictive Pedestrian Protection** with **City Emergency Braking**, alerting you if it detects vehicles or pedestrians at the edge of the road or on the carriageway, via acoustic and optical signals, as well as a gentle application of the brakes. The system even performs an emergency stop should the distance become critical, helping to protect other road users and possibly avert potential accidents. Standard on all models.

05 The Emergency Assist system monitors the driver's inputs, such as acceleration, braking and steering and helps, within the system's limits, to possibly prevent accidents. The Adaptive Cruise Control (ACC) and Lane Assist work hand in hand with this. If the driver fails to respond, the system prompts the driver, by means of gentle brake application, to correct the steering and automatically applies the brakes. Adaptive Cruise Control (ACC) monitors the distance to the vehicle ahead while Lane Assist ensures the vehicle stays within its lane. Emergency Assist alerts other road users by means of hazard warning lights and safely brakes the vehicle to a complete standstill if necessary. The driver can override the assistance function at any time and regain control of the vehicle. Only in conjunction with DSG Gearbox. Optional on SE models and above. Must be ordered in conjunction with Adaptive Cruise Control (ACC) on SE and SE Navigation models.

06 Adaptive Cruise Control (ACC), including Front Assist radar sensor controlled distance monitoring system, City emergency braking system, cruise control and speed limiter offers you intelligent control of your driving speed by automatically adjusting acceleration and braking. Whether around town or on the motorway, the system will adjust your speed to that of the vehicle in front, keep your specified distance, warn if you are approaching too fast and, in an emergency situation, generate enough braking force to try to reduce the severity of a collision or possibly even prevent the collision entirely. Standard on SEL and R-Line models. Optional on SE and SE Navigation models.

07 Side Scan provides assistance if you want to change lanes from speeds of 37 mph upwards. Sensors in the rear of the vehicle monitor the traffic and should they detect any road users in your blind spot or vehicles approaching quickly from behind, the system will alert you via a warning light within the door mirror housing and an audible warning within the vehicle. The parking assistant monitors the area behind and next to your vehicle, alerting you if it detects a vehicle or object, and automatically instigating an emergency stop if a collision is imminent. Not in conjunction with Emergency Assist. Optional on SE models and above.

Images shown are for illustration purposes only and may not necessarily reflect UK specification.

Tiguan S.

The Tiguan does not follow trends, it sets them. Although the entry level Tiguan, this model features an impressive range of driver assistance systems as well as many comfort and convenience features too. For example, Lane Assist and Front Assist provide extra reassurance on every journey by monitoring the Tiguan's position in relation to the road, as well as potential hazards on the road itself. The Composition Media infotainment system with 8.0 inch colour touch-screen and proximity sensor allows pairing of two compatible devices via Bluetooth¹ as well as a host of other features. With exterior design highlights such as the radiator grille's chrome detailing and the stylish 17 inch 'Montana' alloy wheels, the Tiguan is right up your street.

¹ Devices must be Bluetooth HFP (Hands Free Profile) compatible, please contact your authorised Volkswagen retailer for specific device compatibility.

01 The Tiguan's **comprehensive airbag system** includes curtain airbags for front and rear passengers, front seat side impact airbags, driver's and front passenger's airbags with passenger's airbag deactivation switch and a driver's knee airbag.

02 The black grained wheel arches not only provide protection to the exterior paintwork, they also provide the frame for the stylish 17 inch '**Montana**' alloy wheels. Both which perfectly complement the Tiguan's crisp sculpted lines.

Model shown is Tiguan S with optional metallic paint.

01 The **Composition Media system** is equipped with an impressive 8.0 inch colour touch-screen with proximity sensor that recognises in advance your intention to touch the screen and automatically magnifies the display mode. Features also include DAB digital radio receiver, CD player, USB connection for compatible products and SD card reader. The media system also includes Bluetooth telephone and audio connection for compatible devices¹, simultaneous pairing of two compatible mobile devices, SMS functionality – allowing you to read, compose and send SMS messages using the touch-screen display to a compatible Android smartphone (while the vehicle is stationary), title and compatible cover art display and facilitates music playback from MP3, WMA and AAC files through eight speakers, front and rear. Finally, car information display and ‘Think Blue. Trainer.’ – provide journey analysis and driver tips on your journey.

1 Devices must be Bluetooth HFP (Hands Free Profile) compatible, please contact your authorised Volkswagen retailer for specific device compatibility.

02 All 4MOTION models feature **4MOTION Active Control** which allows you to adapt your Tiguan to suit the weather and road conditions ahead. Choose from four driving modes including On road, Off-road, Off-road Individual and Snow, enabling you to find the optimum choice of driving mode wherever your adventures may take you. Standard on all 4MOTION models. Image shown features optional ‘Vienna’ leather upholstery.

03 The **Front Assist** monitoring system combines **Predictive Pedestrian Protection** with **City Emergency Braking**, alerting you if it detects vehicles or pedestrians at the edge of the road or on the carriageway, via acoustic and optical signals, as well as a gentle application of the brakes. The system even performs an emergency stop should the distance become critical, helping to protect other road users and avert potential accidents.

Model shown is Tiguan SE with optional LED headlights with Dynamic Light Assist, 18" 'Kingston' alloy wheels and metallic paint.

Tiguan SE and SE Navigation.

Arriving calm and relaxed comes as standard with the Tiguan SE and SE Navigation models, thanks to the additional driver assistance systems fitted as standard. The leather trimmed multifunction steering wheel allows control of audio and telephone functions without taking your hands off the wheel with information displayed on the colour multifunction computer. Cruise control will keep you to your chosen speed, High Beam Assist will assist by switching between dipped and main beam as required and front and rear parking sensors will assist with any tricky parking manoeuvres. Outside, the rear tinted glass from B pillar backwards with chrome surround, silver anodised roof rails, front fog lights and impressive 18 inch 'Patagonia' alloy wheels enhance an already impressive exterior. Choose the SE Navigation model and who knows where it will take you. The Discover Navigation system with 8.0 inch colour touch-screen and Car-Net 'Guide and Inform' will not only guide you to your destination, but update you on information during your journey such as traffic congestion, parking spaces and fuel stations, or even news and weather should you wish.

01 At crossings or junctions when travelling below 25 mph with the steering wheel turned or indicator activated, the **front fog lights with static cornering function** automatically switch on to illuminate the area in the direction the Tiguan is turning.

02 The 5-spoke design of the 18 inch '**Patagonia**' alloy wheel not only look good, but will keep you going on your journey thanks to the mobility self-sealing tyres.

Interior shown is Tiguan SE Navigation 4MOTION with optional metallic paint.

01 The **Discover Navigation touch-screen navigation/radio system with Car-Net 'Guide and Inform'**¹ builds upon the impressive Composition Media system, but with additional features enabling you to easily manage not only your music, but also navigation data and a broad range of vehicle information. The system offers preloaded European navigation data, 2D/3D map view which can be easily followed on the 8.0 inch colour touch-screen, three calculated route choices (Fast, Short and Eco), dynamic navigation based on TMC+, branded points of interest, Speed Limit Display² and 3-year's Car-Net 'Guide and Inform' access makes it possible to integrate 'traffic information online' into route guidance and transfer public and personal points of interest to the navigation system. The service also includes information for fuel location and pricing, parking space availability, weather and news feeds. Standard on SE Navigation models.

02 The **colour multifunction display** is in the direct field of vision of the driver. It allows you to always keep an eye on important vehicle information and pay full attention to the traffic.

03 **High Beam Assist** ingeniously senses the lights from oncoming vehicles and automatically switches between dipped and main beam accordingly. It also senses vehicles you are approaching from the rear and ensures your main beam is dipped in order to avoid dazzling the vehicle in front.

04 **3Zone electronic air conditioning with air intensity control and automatic air recirculation** ensures a pleasant interior temperature to suit the individual preference of driver, front passenger and rear seat passengers. Rear passengers are able to make adjustments via an electronic control panel conveniently located to the rear of the front centre armrest. A sensor monitors the outside air quality and, if necessary, automatically activates the air recirculation function.

¹ Car-Net 'Guide and Inform' services are accessed via a compatible mobile device. Please see www.volkswagen.co.uk for more information. The use of 'Guide and Inform' services entails exchanging large volumes of data. As such, we strongly recommend that you sign-up for a flat rate data plan with your mobile network provider. After the initial 3-year Car-Net contract, an annual subscription is chargeable for the continuation of Car-Net 'Guide and Inform' services.
² Speed Limit Display only reflects national speed limits and does not show temporary speed limit restrictions, or where permanent changes to speed limits are made in-between map updates.

Model shown is Tiguan SEL with optional metallic paint.

Tiguan SEL.

Comfort and convenience move to the next level with the Tiguan SEL and, when combined with high-quality design detail and even higher levels of standard equipment, this really is a formidable vehicle. Sit back and relax in the 14-way adjustable ergoComfort driver's seat which is heated and also has electrically-adjustable lumbar support and massage function. Natural light and fresh air will flood in from the panoramic sunroof and at night it's soothing LED ambient lighting can be seen. The Active Info Display with 12.3 inch high resolution TFT dash display with customisable menus allows the driver to configure their own preferred dash configuration and will even display the Discover Navigation system's route guidance. The exterior styling is enhanced with LED headlights with LED daytime running lights, silver coloured front underbody protection and rear diffuser, and distinctive 19 inch 'Victoria' alloy wheels.

01 The electrically operated, panoramic glass sunroof with integrated roller blind and LED ambient lighting adds additional light and space, whether open or closed, filling the interior with natural light and providing an inviting view of the sky above. When tilted upwards, it lets in fresh air, and if the sky is a little dull, the integrated LED lighting adds a pleasant, ambient feel. Image shown is Tiguan SEL with optional 'Vienna' leather upholstery.

02 The dynamic looking 19 inch 'Victoria' alloy wheels with mobility self-sealing tyres characterise the design of the SEL and provide an elegant flair as well as a sporty look to the exterior.

Interior shown is Tiguan SEL 4MOTION with optional Discover Navigation Pro touch-screen navigation/DVD radio system, Side scan, Saffrano Orange 'Vienna' leather upholstery, 'Dynaudio Excite' soundpack and Pure White non-metallic paint.

01 The Active Info Display provides a system that can be tailored to suit your exact preferences. The fully configurable, interactive 12.3 inch TFT display replaces the standard analogue instrument cluster, displaying vehicle data and information on your dashboard. Five different modes allow you to customise the screen, with large or small dials as you prefer and a number of items displayed behind. When used in navigation mode in conjunction with the Discover Navigation or Discover Navigation Pro systems, you can move the speedometer and rev counter to the edge of the display, creating more space for the navigational map. If you wish, you are able to include driving, navigation and assistance functions within the graphics of the speedometer. As the Active Info Display is linked to all other assistance systems in the vehicle, any data shown in the centre console of the infotainment system, such as phone numbers or your music's compatible cover art, can also be displayed on the dash conveniently placed directly within the driver's optimum field of vision.

02 Adaptive Cruise Control (ACC), including Front Assist radar sensor controlled distance monitoring system, City emergency braking system, cruise control and speed limiter offers you intelligent control of your driving speed by automatically adjusting acceleration and braking. Whether around town or on the motorway, the system will adjust your speed to that of the vehicle in front, keep your specified distance, warn if you are approaching too fast and, in an emergency situation, generate enough braking force to try to reduce the severity of a collision or possibly even prevent the collision entirely.

03 Daytime running lights feature LED technology for greater visibility, and fit flush with the newly designed **LED headlights with Dynamic Light Assist**, enhancing the Tiguan's sporty new look. Standard on SEL and R-Line. Model shown features optional premium signature paint.

04 'Cherry red' rear tail lights, equipped with LED technology for optimum performance and visibility, blend harmoniously into the bodylines, creating a dynamic three-dimensional look.

Tiguan R-Line.

Exciting, sporty and stylish, the R-Line is no ordinary model. It has its own unique styling inside and out, providing a level of specification that is fitting for a car of this stature adding to the excitement of driving this eye-catching car. Thanks to the 'R-Line' exterior styling pack, it's easy to recognise this distinctive model, with its specially designed front and rear bumpers, black wheel arch extensions, side skirts and 'Piano Black' front air intake and rear diffuser. The radiator grille proudly displays the unique 'R-Line' badging, while the imposing 20 inch 'Suzuka' alloy wheels and front fog lights add the finishing touch, creating a look that's sleek, stylish and distinctively R-Line. Interior styling highlights continue the R-Line theme with the front sports seats, leather trimmed steering wheel and door sill protectors all bearing the exclusive 'R-Line' logo.

01 The muscular look to the front of the R-Line is created by the deep '**Piano Black**' front air intake that surrounds the front fog lights and extends into the R-Line's unique front bumper. Chrome detailing runs across the radiator grille and extends through the LED headlights with LED daytime running lights creating a very distinctive look, while the 'R-Line' badging leaves you in no doubt which special model this is.

02 The stunning looking 20 inch '**Suzuka**' alloy wheels with mobility self-sealing tyres and sports suspension add the finishing touch to the exterior of this unique model.

01 The distinctive '**R-Line**' **badging** that adorns the front wings is just another reminder of the exclusivity of this special model.

02 Daytime running lights feature LED technology for greater visibility, and fit flush with the newly designed **LED headlights with Dynamic Light Assist**, enhancing the R-Line's sporty appearance.

03 The first thing you see as you open the driver's door to get in or out of the R-Line is the stylish **aluminium door sill protectors** complete with the 'R-Line' Logo. These stylish protectors not only look good, but protect the sills from the scuffs and scrapes of everyday use.

04 As confident in style and design as it is in bends, the R-Line's front sport seats not only provide optimal support when cornering but also perfect sporty elegance. These ergonomic sports sets are upholstered in Dark Magnetic Grey 'Race' cloth and bear the 'R-Line' logo on the backrest, while the front seat side bolsters in 'San Remo' microfibre with crystal grey contrast decorative stitching provide a dramatic appearance. For a perfect match the rooflining is black to add to the interior ambience.

Models shown features optional premium signature paint.

Interior shown is Tiguan R-Line.

Alloy wheels.

- 01 'Montana' 7J x 17 alloy wheels with 215/65 R17 low rolling resistance tyres and anti-theft wheel bolts.
- 02 'Patagonia' 7J x 18 alloy wheels with 235/55 R18 mobility self-sealing tyres and anti-theft wheel bolts.
- 03 'Victoria' 7J x 19 alloy wheels with 235/50 R19 mobility self-sealing tyres and anti-theft wheel bolts.

Accessories packs.

Tiguan Protection.

Part Number: ZGB BOM 097 VW

01 Front rubber floor mats – set of two

The Volkswagen Genuine all-weather rubber floor mats protect your vehicle's interior against dirt and moisture. They are designed to fit perfectly, are easy to clean and have a non-slip underside. The integrated model lettering is a particular visual highlight. The floor mats are also 100% recyclable, very sturdy and durable. The material used allows the Genuine all-weather floor mats to be considerably lighter than standard floor mats.

Part Number: 5NC 061 502 82V

Rear rubber floor mats – set of two (not shown)

Part Number: 5NA 061 512 82V

02 Flexible boot liner

The Volkswagen Genuine flexible boot liner for vehicles with variable luggage compartment floor is light, flexible and perfectly shaped to fit the contours of your vehicle. The edge provides adequate protection against moisture and dirt and goods are effectively prevented from slipping. If the flexible boot liner is not required, it can simply be rolled up so that it takes up less storage space.

Part Number: 5NA 061 160

03 Front mudflaps – set of two

Long lasting and durable, the Volkswagen Genuine mudflaps effectively protect the underbody and bumpers against excessive dirt. They also significantly reduce the impact of dangerous road chippings and water spray.

Part Number: 5NA 075 101

04 Rear mudflaps – set of two

Part Number: 5NA 075 111

Tiguan Pet.

Part Number: ZGB BOM 098 VW

01 Upper partition grille

Safety first, the sturdy Volkswagen Genuine metal partition grille separates the luggage compartment from the passenger compartment. It is quickly and easily fitted, and just as easily removed with only a few quick motions.

Part Number: 5NA 017 221

02 Flexible boot liner

The Volkswagen Genuine flexible boot liner for vehicles with variable luggage compartment floor is light, flexible and perfectly shaped to fit the contours of your vehicle. The edge provides adequate protection against moisture and dirt and goods are effectively prevented from slipping. If the flexible boot liner is not required, it can simply be rolled up so that it takes up less storage space.

Part Number: 5NA 061 160

03 Rear sill cover – transparent

The transparent loading sill protection film is designed to fit your vehicle perfectly, protecting the bumper against scratches when loading and unloading the luggage compartment.

Part Number: 5NA 061 197

Images shown are for illustration purposes only and may not necessarily reflect UK specification.
Models shown features optional metallic paint.

Tiguan Transport.

Part Number: ZGB BOM 099 VW

01 Load bars

The Volkswagen Genuine supporting rods are the ideal base system for all attachments. The aerodynamic aluminium profile supporting rods are City Crash Plus tested to Volkswagen's strict standards and can accommodate items such as a surf board holder (000 071 120 HA), bicycle holder (6Q0 071 128 A), ski and snowboard holder (3B0 071 129 F/1T0 071 129) or a practical roof box (000 071 200/000 071 200 AA/000 071 200 FA) The supporting rods are delivered pre-assembled and are easy to attach to the roof rails of your Volkswagen. The supporting rods can be locked to prevent theft. A torque wrench is also included.

Part Number: 5QF 071 151

02 Storage bag for load bars and supporting rods

Robust storage bag with genuine Volkswagen logo for all Genuine Volkswagen load bars and supporting rods. For the protection and dust-free storage of load bars and supporting rods. The length of the bag is adjustable. Additional compartment for storing the installation instructions and installation wrench.

Part Number: 000 071 156 A

03 Bicycle holder

Keep your bike safe and secure using this easy to fit bicycle carrier. It attaches to the existing genuine load bars of your vehicle and can carry one bicycle safely and securely. The bicycle holder is City-Crash tested and lockable for extra peace of mind and what's more you can still access the boot for added convenience.

Part Number: 6Q0 071 128 A

Tiguan Style.

Part Number: ZGB BOM 100 VW

01 Chrome-look protective strip for tailgate

Enhances the appearance of the vehicle with its chrome effect and serves as effective edge protection.

Part Number: 5NA 071 360

02 Door sill trims - aluminium

The high-quality aluminium sill panel trims protects the entry areas of the vehicle and gives them an individual look. Each set consists of two sill panel trims with vehicle lettering.

Part Number: 5NA 071 303

Tiguan Business.

Part Number: ZGB BOM 094 VW

01 Luggage net

Ensures that everything stays in its place and items do not slide around. This tear-proof net with integrated pocket is easy to fit with hooks attached to the standard lashing rings in the boot area.

Part Number: 5N0 065 111

02 Travel and Comfort System - Base module

A base module to use with the following attachments: universal hook, clothes hanger, folding table, Apple iPad bracket for iPad 2-4 and iPad mini, along with iPad Air and bracket for Samsung Galaxy Tab 3/4 10.1. The base carrier keeps everything in the right place.

Part Number: 000 061 122

03 Travel and Comfort System - Clothes hanger

The clothes hanger is attached to the base module using a simple click system. The clothes hanger allows articles of clothing to be transported without becoming wrinkled and can also be used outside the vehicle thanks to the integrated hook.

Part Number: 000 061 127 B

04 Hook for the headrest

Headrest hooks – two-piece set for mounting on the front seat headrest posts. Prevents objects flying around in the car during transport.

Simply attach the goods weighing up to 2 kg.

Part Number: 000 061 126 A 041

Images shown are for illustration purposes only and may not necessarily reflect UK specification. Models shown features optional metallic paint.

Think Blue.

Think Blue.

Start/Stop technology
saves fuel by automatically switching off the engine when the car isn't in motion.

Brake energy recuperation system
makes use of energy that's usually lost when you brake.

Turbocharged engines
deliver more power when you need it and use less fuel when you don't.

Low rolling resistance tyres
reduce the friction between the tyre and the road, meaning it takes less energy – and less fuel – to go further.

Purpose-built BlueMotion cars
include the full range of BlueMotion Technologies as well as an aerodynamically optimised design to reduce wind resistance.

Electric vehicles
comprise both hybrid and fully electric vehicles, offering all the features of their regular counterparts.

*BlueMotion Technologies are available on all Volkswagens and vary between models.

There's a Volkswagen for all of us.

Nippy city run around? Luxurious executive saloon? Open-top cruiser? Whatever it is you're looking for, we probably have it. From the iconic Beetle and Golf GTI to the compact up!, there's a Volkswagen for everyone.

If you're thinking you might like to try a different Volkswagen, there are over 20 models in our range, so there's bound to be at least one that catches your eye.

To see these models and configure your ideal Volkswagen, visit: www.volkswagen.co.uk

Sporty

Golf: As exciting to drive as it is to look at. Style, performance and power.

You will also find our sporty gene in the iconic Golf GTD, Golf GTI and Golf R.

Spacious family cars

Sharan: The ultimate in convenience with sliding rear doors, and enough space for the whole family. And their luggage. And the dogs.

If it's space you're after, then you might also like to consider the Tiguan, Golf SV, Golf Estate, Touran and Passat Estate.

Style

Beetle: The original icon. And still the most unique way to make a fashion statement.

For more fun with the top down, why not consider the Beetle Cabriolet.

City run around

up!: The ideal city car. Fun, easy to manoeuvre and surprisingly spacious, with that trademark Volkswagen solidity.

If you're looking for something slightly more spacious, then why not consider the up!'s bigger sibling, the Polo. City run around practicality with more versatility and even more space can be found on the iconic Golf.

Executive

Volkswagen CC: Perfectly turned out high-tech, executive luxury. A contemporary, stylish and innovative coupé.

All the luxury you need can also be found in the Jetta, and executive comfort in the Passat and Passat Estate – winner of 'European Car of the Year 2015'.

4x4

Touareg: The SUV just got smarter. True four by four capability off-road, and smooth, luxurious and powerful when on it, with four wheel drive technology, '4MOTION' as standard.

Go everywhere, do anything in our four wheel drive alternatives: Golf Alltrack, Tiguan and Passat and Passat Estate 4MOTION models.

SCR (Selective Catalytic Reduction) requires AdBlue®, please see page 61 or visit www.volkswagen.co.uk/technology/adblue for more details.

Technology.

Technical specification notes

- 01) The maximum power output figures are quoted in PS (or Pferdestärke, which is the metric equivalent of horsepower). To convert from metric to imperial horsepower, divide the PS figure by 1.0139.
- 02) Figures are calculated in accordance with manufacturer’s criteria. The individual unladen weight depends on the specification of the vehicle, this then reduces the possible payload accordingly. The unladen weight and payload both include the fuel tank 90% full, driver (68kg) and luggage (7kg) in line with EU directive 95/48.
- 03) With increasing altitude the engine performance diminishes. From 1,000m above sea level and for every 1,000m thereafter 10% of the vehicle/trailer weight (trailer weight + gross vehicle weight) must be deducted.
- 04) The use of 100% RME and FAME (bio diesel) is not possible. Forecourt diesel with up to 7% bio diesel content, adhering to standard BS EN 590, can be used in diesel engines. The use of ethanol in forecourt petrol meeting BS EN 228 is allowable.
- 05) The size of the fuel tank is approximate and therefore it may be possible to add a greater amount of fuel than the size of the tank specified, due to the space in the filler neck.
- 06) Fuel consumption and CO₂ figures are obtained under standardised EU test conditions (Directive 93/116/EEC). This allows a direct comparison between different manufacturer models but may not represent the actual fuel consumption achieved in ‘real world’ driving conditions. More information is available on the Volkswagen website at www.volkswagen.co.uk and at www.dft.gov.uk/vca. The weight of a vehicle will influence the level of CO₂ emissions it produces; as a result, vehicles with higher levels of specification and factory-fitted options may emit higher levels of CO₂. Choosing larger alloy wheels than those fitted as standard may result in increased fuel consumption as well as higher CO₂ emissions and subsequently an increased Vehicle Excise Duty (VED) band. BIK rates paid by company car drivers may also increase. In some instances, the recommended ‘On the road’ retail price paid for a vehicle may increase as a result of the increased VED rate. CO₂ is the main greenhouse gas responsible for global warming. The specifications contained in this brochure are for information purposes only and are subject to change.

Transmission

- Electronic differential lock, combined with a hydraulically operated single-plate dry clutch with asbestos-free lining via a six manual or seven speed automatic DSG gearbox
- Front wheel drive through asbestos-free single-plate dry clutch. Hydraulic clutch-mechanism. Six speed manual or seven speed automatic DSG gearbox with double joint half axles (wet clutch on seven speed DSG models)
- Four wheel drive, 4MOTION: Six speed manual 2.0 litre TDI SCR 150 PS
Seven speed automatic DSG 2.0 litre TSI 180 PS, 2.0 litre TDI SCR 150 PS, 2.0 litre TDI SCR 190 PS, 2.0 litre BiTDI SCR 240 PS

Running gear

- ESC (Electronic Stability Control) including EDL (Electronic Differential Lock), ASR (Traction Control), EDTC (Engine Drag Torque Control) and Countersteer Support with trailer stabilisation function
- Front suspension through coil springs with telescopic shock absorbers, all elements integrated in chassis legs
- Rear suspension with gas pressure shock absorbers and separate springs
- Multilink rear axle
- Wheel control: front through chassis legs and (lower) triangular wishbones (directionally stabilising steering roll radius)
- Wheel control: rear through four-link suspension with independent wheel suspension
- Front and rear anti-roll bar
- XDS electronic differential lock

Steering

- Electro-mechanical steering rack
- Collapsible, height and lengthways adjustable safety steering column

Brakes

- Electronically controlled Anti-lock Braking System (ABS) with Electronic Brake-pressure Distribution (EBD)
- Diagonal twin-circuit brake system with ventilated front disc brakes and rear disc brakes
- Asbestos-free brake pad
- HBA (Hydraulic Brake Assist)

Engines

- Front transverse-installed engine
- 1.4 litre/125 PS⁽⁰¹⁾ (92 kW) petrol engine: EU6 emissions standard, four cylinder in-line direct injection turbocharged engine, with four valves per cylinder. Fitted with a turbocharger. Available with a six speed manual transmission
- 1.4 litre/150 PS⁽⁰¹⁾ (110 kW) petrol engine: EU6 emissions standard, four cylinder in-line direct injection turbocharged engine, with four valves per cylinder. Fitted with a turbocharger. Available with a six speed manual transmission
- 2.0 litre/180 PS⁽⁰¹⁾ (132 kW) petrol engine: EU6 emissions standard, four cylinder in-line direct injection turbocharged engine, with four valves per cylinder. Fitted with a turbocharger. Available with a seven speed automatic DSG transmission
- 2.0 litre/115 PS⁽⁰¹⁾ (85 kW) common rail diesel engine: EU6 emissions standard, four cylinder in-line common rail diesel engine, with four valves per cylinder. Fitted with a turbocharger and a DPF (diesel particulate filter) with SCR (Selective Catalytic Reduction). Available with a six speed manual transmission
- 2.0 litre/150 PS⁽⁰¹⁾ (110 kW) common rail diesel engine: EU6 emissions standard, four cylinder in-line common rail diesel engine, with four valves per cylinder. Fitted with a turbocharger and a DPF (diesel particulate filter) with SCR (Selective Catalytic Reduction). Available with a six speed manual or a seven speed automatic DSG transmission
- 2.0 litre/190 PS⁽⁰¹⁾ (140 kW) common rail diesel engine: EU6 emissions standard, four cylinder in-line common rail diesel engine, with four valves per cylinder. Fitted with a turbocharger and a DPF (diesel particulate filter) with SCR (Selective Catalytic Reduction). Available with a seven speed automatic DSG transmission
- 2.0 litre/240 PS⁽⁰¹⁾ (176 kW) common rail diesel engine: EU6 emissions standard, four cylinder in-line common rail diesel engine, with four valves per cylinder. Fitted with a turbocharger and a DPF (diesel particulate filter) with SCR (Selective Catalytic Reduction). Available with a seven speed automatic DSG transmission

SCR (Selective Catalytic Reduction) requires AdBlue®, please see page 61 or visit www.volkswagen.co.uk/technology/adblue for more details.

Dimensions.

Exterior dimensions

Height – mm	1654 [1673]
Height – opened tailgate/floor, mm	2087 [2096]
Wheelbase, mm	2677
Turning circle, m	11.5

Interior dimensions	
Effective headroom – front max., mm (with sunroof)	1049 (1004)
Effective headroom – rear, mm (with sunroof)	1012 (967)
Interior width – front, mm	1503
Interior width – 2nd row rear, mm	1491

Maximum luggage capacity, litres VDA measuring method using 200 x 100 x 50mm blocks	
With rear seats upright and rear bench forward	615
With rear seats folded and rear bench forward	1655

Figures shown are for standard specification models. The addition of certain factory-fitted options and/or accessories may affect some of the dimensions shown.

[] 4MOTION models.

AdBlue®.

Your Volkswagen car is fitted with an advanced emissions control system, which helps your vehicle meet the latest EURO 6 exhaust gas regulations.

How does the system work?
AdBlue®, a water/urea based additive, is stored in a tank (like diesel fuel), however, unlike fuel it is not injected into the engine, but directly into a specially modified part of the vehicle's exhaust. This begins a chemical reaction which removes the polluting oxides of nitrogen (NOx), converting them into harmless oxygen and nitrogen in a process known as Selective Catalytic Reduction, or SCR for short. SCR is only applicable to diesel engines and the more economically you drive, typically, the less AdBlue® you will use.

The size of the AdBlue® tank fitted to your car will vary depending on which Volkswagen model you have, therefore the interval between top-ups will vary. In addition, many factors such as mileage, journey type, driving style and environmental conditions can influence how much AdBlue® is consumed. A passenger car can consume approximately 1.5 litres of AdBlue® every 620 miles (1.0–1.5 litres for the Passat and Passat Estate). The chart below details the AdBlue® tank size and location.

Model (SCR derivatives only)	Tank size (Approximately)	AdBlue® tank filler location	Initial warning of low AdBlue® (2,400km/1,500 miles to go) can be expected to occur at:
Tiguan	13 litres	Next to fuel filler nozzle	3,000 to 4,000 miles or sooner*

* Distances are approximate and the warning light may come on sooner depending on driving style, journey type, engine and vehicle load and environmental conditions.

How will I know if the system needs topping-up?
A series of warnings will be given via the driver information system, accompanied by advice/messages.

The first message is displayed when the remaining range is approximately 1,500 miles, and is repeated every 62 miles until the range reaches 1,000 miles, at which point the warning turns amber. This warning is repeated every 31 miles and is accompanied by an audible tone. If these warnings are not acted upon, the warning turns red; once this happens the car will not restart once the ignition is turned off. This is not a fault, but a required feature of the system. If this stage is reached the system will need a full top-up before the car can be restarted. Further information is available in the vehicle handbook.

- Why should I use a Volkswagen Authorised repairer for top-ups?**
- AdBlue® top-ups at authorised repairers are extremely competitive and charged by the litre, so you only pay for what you need
 - Authorised repairer staff are trained to handle AdBlue®
 - AdBlue® tanks need special adaptors on fillers to ensure there are no spillages
 - Volkswagen do not recommend keeping top-up bottles in cars

The top-up bottles supplied by Volkswagen have a capacity of 1.89 litres, and come complete with the adaptor nozzles that fit the Volkswagen AdBlue® tank. These are available from all Volkswagen Authorised repairers

AdBlue® warning lights.

Important information

- AdBlue® is not a fuel additive. This is why there is a separate AdBlue® tank
- If you put AdBlue® in your fuel tank by mistake, please do not start the engine, but contact a retailer for help
- Put only AdBlue® in the AdBlue® tank; do not fill the AdBlue® tank with any other liquids
- Prevent anything from contaminating AdBlue®
- If small quantities of AdBlue® come into contact with the vehicle's paintwork, for example, wipe them off and if necessary rinse the area with water

The Tiguan. A new world at your fingertips.

Model shown is Tiguan R-Line with optional Park Assist with rear-view camera and premium signature paint.

Volkswagen service.

Exclusions and terms and conditions apply to all warranties and plans listed. For pricing and further details of Volkswagen Warranties and Service Plans, please consult your authorised Volkswagen retailer or repairer, or visit www.volkswagen.co.uk

The Volkswagen Warranty. Three-year Warranty.

All Volkswagen passenger cars come with a three-year/60,000 miles warranty, which protects your car against the failure of most technical and electrical components due to manufacturing defects. This comprises a two-year manufacturer's warranty with unlimited mileage plus a further one-year/60,000 miles (whichever is soonest) Retailer Warranty¹. Should the mileage exceed 60,000 miles within the first two years, the manufacturer's two-year warranty will still be valid. Full details of the three-year warranty are available from your authorised Volkswagen retailer or repairer.

Body Protection Warranty.

The internal body sections and panels of the Tiguan are covered against rusting through from the inside for 12 years. Naturally, the vehicle must be cared for in compliance with the manufacturer's operating instructions. Please consult your authorised Volkswagen retailer or repairer for full warranty details.

Three-year Paintwork Warranty.

This latest paintwork warranty, pioneered by Volkswagen, provides you with cover on a new car. Naturally, during the warranty period the car must be cared for in compliance with the manufacturer's operating instructions. Any paintwork defects, as a result of the manufacturing process, will be rectified without charge.

Approved Accessories.

A comprehensive range of accessories from alloy wheels to carpet mats is available to complement the factory-fitted option list. Volkswagen approved accessories purchased from and fitted by your authorised Volkswagen retailer at the point of vehicle sale will also benefit from the three-year vehicle warranty.

Extended Warranty.

If you order the Volkswagen Extended Warranty as an option when buying your Tiguan then you get the 100% Volkswagen Warranty and you can continue to enjoy comprehensive Volkswagen protection against many unforeseeable repair costs. Designed to your needs, you can purchase an extra one or two year's warranty up to a maximum of five years or 90,000 miles.

Service Intervals.

Volkswagen is pleased to offer you a choice on how your Volkswagen is serviced. The appropriate selection is entirely dependent on how the car is likely to be driven and its general use. To help you identify which type of service would be most suitable, please refer to the following guide.

- The Fixed Service is recommended for vehicles that will cover less than 10,000 miles in 12 months and if the vehicle is likely to be used in the following way:
- Predominantly urban driving, short journeys with frequent cold starts.
 - Activities regularly producing high engine loading, e.g. frequent hill climbs, driving with vehicle fully loaded and towing.
 - Uneconomical driving style using high rpms with heavy acceleration and heavy braking.
- The service intervals for the Fixed Service are as follows:
- Oil change service – After 1 year or 10,000 miles (15,000km), whichever is soonest.
 - Inspection service² – First after 2 years or 20,000 miles (30,000km), then every one year or 20,000 miles (30,000km), whichever is soonest.

- The Flexible Service is recommended for vehicles with daily mileage of more than 25 miles where the vehicle is driven regularly mainly on longer distance journeys. The vehicle is driven mainly at a constant speed with minimum vehicle and engine loading, minimal towing and driven in an economical manner. With the Flexible Service the vehicle can cover anywhere between 10,000³ and a maximum of 20,000³ miles or 24 months (whichever is soonest) between oil changes.
- The service intervals for the Flexible Service are as follows:
- Oil change service – According to flexible service interval display (after 2 years at the latest).
 - Inspection service² – First after 2 years or 20,000 miles (30,000km), then every one year or 20,000 miles (30,000km), whichever is soonest.
- The up! model is only available with the Fixed Service schedule. Please consult your authorised Volkswagen retailer or repairer for advice and full details.
- Please note: If you purchase a Volkswagen Fixed Price Service Plan your vehicle will follow the Fixed Service schedule.

Volkswagen Insurance⁴.

We want you to start enjoying your new car from day one and thanks to Volkswagen free 5 day insurance, you can. Call free on 0800 316 7892 (lines are open Monday to Friday 8am – 9pm and Saturday 9am – 5pm), provide a few details and a cover note will be sent to your retailer. They will then tax your car and you can drive it away.

Volkswagen Ensurance⁵.

- Get three years' Volkswagen Ensurance cover for free.
- Another great benefit of being a Volkswagen driver. If your Volkswagen was damaged in an accident, wouldn't you want it fixed by a Volkswagen trained technician using only genuine Volkswagen parts? Ensurance is Volkswagen's accident and repair cover which does exactly that. It works alongside your main comprehensive motor insurance policy no matter who you are insured with, to make sure you get the quality repair and service you would want. If you're involved in an accident or your car is stolen, just one call to us and we'll look after your claim from start to finish ensuring your Volkswagen is restored to the highest standard.
- Activate your cover and benefit from:
- A guarantee that your Volkswagen will be repaired in a Volkswagen approved repairer and Volkswagen trained technicians, using only genuine Volkswagen parts and paints.
 - A dedicated Claims Manager who will manage your claim from start to finish, liaising with your insurer and the repairer so you don't have to.
 - Help to recover any uninsured losses using our Legal Expenses Cover.
 - Online claims tracking so you can keep up to date with the status of any claim.
- Volkswagen Ensurance is free to all Volkswagen customers for three years and it only takes a minute to get cover. To find out more and to activate your cover, visit volkswagen-ensurance.co.uk

Volkswagen Finance⁶.

- Volkswagen Finance specialises in providing funding solutions for Volkswagen drivers. Whether your Volkswagen is for private or business use, you can choose from a range of funding options.
- Solutions – a Personal Contract Plan
 - Hire purchase
 - Lease purchase
 - Finance lease
 - Contract hire
- With all Volkswagen Finance products you can choose a fixed-cost maintenance plan to help you budget for your servicing and maintenance costs. No matter what finance product you choose, your local Volkswagen retailer will be able to provide you with a personalised quote that could meet your budget and vehicle needs.

Fuel consumption and CO₂ Emissions.

Fuel consumption and CO₂ figures are obtained under standardised EU test conditions (Directive 93/116/EEC). This allows a direct comparison between different manufacturer models but may not represent the actual fuel consumption achieved in 'real world' driving conditions. More information is available on the Volkswagen website at www.volkswagen.co.uk and at www.dft.gov.uk/vca. The weight of a vehicle will influence the level of CO₂ emissions it produces; as a result, vehicles with higher levels of specification and factory-fitted options may emit higher levels of CO₂. Choosing larger alloy wheels than those fitted as standard may result in increased fuel consumption as well as higher CO₂ emissions and subsequently an increased Vehicle Excise Duty (VED) band. BIK rates paid by company car drivers may also increase. In some instances, the recommended 'On the road' retail price paid for a vehicle may increase as a result of the increased VED rate. CO₂ is the main greenhouse gas responsible for global warming. The specifications contained in this brochure are for information purposes only and are subject to change.

AdBlue®.

Diesel engines with SCR (Selective Catalytic Reduction) technology require AdBlue® which must be kept topped up. Please see page 61 or visit www.volkswagen.co.uk/technology/adblue for more details.

Volkswagen Roadside Assistance.

Every new car is registered for Volkswagen Roadside Assistance for one year except the Touareg which is registered for three years. This provides vehicle roadside and home recovery in the unlikely event of a breakdown in the UK and Europe (subject to conditions). Volkswagen Roadside Assistance can also be purchased for subsequent years. For full details, please contact your authorised Volkswagen retailer. Exclusions and terms and conditions apply. For pricing and further details of Volkswagen Roadside Assistance, please consult your authorised Volkswagen retailer, or visit www.volkswagen.co.uk

Tax Free Sales.

For full details, please contact your authorised Volkswagen retailer.

Please note:

Some illustrations in this brochure do not necessarily reflect UK specifications and may not be available. In particular, controls and some items of equipment are positioned differently for the UK. The specifications contained in this brochure are for information purposes only and are subject to change. If you require any specific feature, you must consult your authorised Volkswagen retailer who is regularly updated with any change in specification. Please check model availability and full specification details with your authorised Volkswagen retailer prior to ordering. Note: we would like to advise you that telephone calls to Volkswagen Customer Care may be monitored and recorded as part of our training and quality assurance processes. All our monitoring and recording processes meet OfTel regulations.

¹ All warranty work must be completed by an authorised Volkswagen retailer or repairer.

² The inspection service first at 3 years (or 40,000 miles) and then every second year (or 40,000 miles) has additional workscope.

³ The quoted mileage is based on a conversion from kilometres and is therefore unlikely to exceed circa 18,000 miles between oil changes.

⁴ Volkswagen Financial Services is a trading name of Volkswagen Financial Services (UK) Limited ('VWFS UK'). Registered in England and Wales number: 2835230. Registered Office: Brunswick Court, Yeomans Drive, Blakelands, Milton Keynes MK14 5LR. Financial and consumer credit services are provided by VWFS UK. Annual insurance credit is provided by Ageas Retail Limited. Volkswagen Motor Insurance from VWFS UK is sold and administered by Ageas Retail Limited, registered in England and Wales number: 1324965 Registered Office: Ageas House, Hampshire Corporate Park, Templars Way, Eastleigh, Hampshire SO53 3YA. VWFS UK and Ageas Retail Limited are not part of the same corporate group.

⁵ Ensurance from Volkswagen Financial Services is sold and administered by Lawshield UK Limited, registered in England number: 3360532 (registered office: Lawshield House, 850 Ibis Court, Lakeside Drive, Centre Park, Warrington, Cheshire WA1 1RL) and underwritten by UK General Insurance Limited on behalf of Ageas Insurance Limited, registered in England number: 354568 (registered office: Ageas House, Tollgate, Eastleigh, Hampshire SO53 3YA).

⁶ Finance is available to 18s and over, subject to status. Terms and conditions apply. Volkswagen Finance.
