Model shown is Tiguan R-Line Tech with optional Head-up Display and premium signature paint.

The Tiguan. A new world at your fingertips.

Clear shapes, sharply sculpted lines: with its distinctive design the Tiguan makes its mark visually straight away. It is a look that promises much – and lives up to it. Numerous design elements consistently continue the stylistic features in the vehicle interior. And thanks to a host of connectivity services, you are always well ahead on the data highway. Through trendsetting technology, a comprehensive range of standard equipment and confident handling characteristics, the Tiguan supports you with everything you want to reach – whether it's off-road, on road or online.

Model shown is Tiguan R-Line Tech with optional Head-up Display and premium signature paint.

01

Interior shown is Tiguan SEL 4MOTION with optional Discover Navigation Pro touch-screen navigation/DVD infotainment system, Saffrano Orange 'Vienna' leather upholstery and Pure White non-metallic paint.

Interior.

The highest quality materials combine with ergonomic styling to bring you an interior that is as comfortable and refined as it is well designed and practical. The Tiguan offers flexible seating and stowage options, enabling you to transport long and bulky loads with ease. This, combined with a wealth of equipment designed to provide both comfort and convenience, creates the perfect environment for any journey.

01 Functionality and ergonomics go hand in hand in the Tiguan. **The premium quality centre console** is purposely angled towards the driver for optimum driving convenience, placing the impressive 8.0 inch colour touch-screen and infotainment system easily within reach and every switch and control intuitively to hand. With controls optimally positioned and information clearly in view, driving the Tiguan is so much fun.

02 Contemporary upholsteries and decorative inserts coordinate perfectly to create a modern interior, while **front seats featuring height and lumbar adjustment** and a height and reach adjustable steering wheel ensure maximum driving comfort whatever the terrain. Interior shown is Tiguan SEL.

02

On road or off-road, the adventure starts here.

The Tiguan boasts a smart look that's longer and lower than previous models, providing more interior space and helping to improve drive and handling. Sharp lines, stylish alloy wheels and details such as LED daytime running lights, along with deeper front air intake grilles on R-Line Tech models, give a look that is dynamic, strong and unmistakably Volkswagen. High torque engines and 4MOTION Active Control, with a choice of driving modes, provide optimum handling even in challenging weather conditions or terrain.

01 Daytime running lights feature LED technology for greater visibility, and fit flush with the LED headlights with Dynamic Light Assist, enhancing the Tiguan's sporty look. Standard on SEL and R-Line Tech. Optional on Match models. Model shown features optional premium signature paint.

02 All 4MOTION models feature 4MOTION Active Control which allows you to adapt your Tiguan to suit the weather and road conditions ahead. Choose from four driving modes including On road, Off-road, Off-road Individual and Snow, enabling you to find the optimum choice of driving mode wherever your adventures may take you. Standard on all 4MOTION models. Image shown features optional 'Vienna' leather upholstery.

Model shown is Tiguan SEL 4MOTION with optional 20" 'Miramar' grey metallic alloy wheels, Dynamic Chassis Control (DCC) and metallic paint.

Great views, wherever you look.

Whether you are gazing at a clear starry sky or a spectacular skyline, the generous interior in combination with the panoramic sunroof provides not only a sense of space, but clear views from every seat. The ergonomically designed interior and the host of assistance systems make every journey in the Tiguan a pleasurable one whatever the destination.

01 The **electrically operated, panoramic glass sunroof with integrated roller blind** adds additional light and space, whether open or closed, filling the interior with natural light and providing an inviting view of the sky above. Standard on SEL and R-Line Tech. Optional on all other models. Image shown is Tiguan SEL with optional 'Vienna' leather upholstery.

01

01-03 From front to rear, everything in the Tiguan is designed to meet your needs. The **rear seats split 40:20:40** and each side can be moved lengthways, giving you various loading options. The rear seats feature a load-through provision and when they're folded down and the rear bench is in the forward position, there's an impressive loading capacity of up to 1,655 litres. The load area is continuously level and can be lowered or removed totally for maximum boot space, thanks to the variable boot floor. Load-through provision is standard on Match models and above. Images shown feature optional Pure White non-metallic paint.

04-05 3Zone electronic air conditioning with air intensity control and automatic air recirculation ensures a pleasant interior temperature to suit the individual preference of driver, front passenger and rear seat passengers. Rear passengers are able to make adjustments via an electronic control panel conveniently located to the rear of the front centre armrest. A sensor monitors the outside air quality and, if necessary, automatically activates the air recirculation function. Standard on Match models and above. Optional on S models.

06 Everything about the Tiguan is geared towards providing total comfort and functionality. The **flexible seating** concept allows you to adapt the interior to suit your requirements with all seats, apart from the driver's seat, folding down from Match models upwards. Interior shown is Tiguan SEL with optional 'Vienna' leather upholstery.

A virtual world at your fingertips.

Thanks to Car-Net connectivity you can enjoy a whole range of online services while you travel, helping to make your journey easier, more comfortable and ultimately more informed. As well as enjoying up-to-the-minute information, you can also access many of your favourite apps from your smartphone, all conveniently displayed on the infotainment system's touch-screen display.

01 Car-Net 'Security & Service'¹ acts as your personal assistant supporting you in every driving situation and providing you with all the key information you need regarding your mobility. An integrated SIM-card provides continuous connectivity and interaction between the driver, vehicle and Volkswagen's call centre or server. In the event of an accident, should the driver activate the 'eCall' button or the airbags are deployed triggering the 'eCall' service, Volkswagen's Emergency Centre will be contacted directly. Key information such as the condition and location of the vehicle will be sent to emergency response units. In the event of minor incidents, the 'Automatic accident notification' can send location and vehicle details to the Volkswagen Emergency Centre should the driver wish. Additional data is also shared including details of 'Car breakdown', 'Vehicle health report' and 'Service schedule' ensuring your vehicle's information is always up to date – 10-year subscription included.

The service also allows vehicle information to be accessed via the Car-Net Portal or Car-Net app, via a laptop or smartphone, from the comfort of your home or even the office. Information such as 'Driving data', the status of 'Doors and lights', 'Area alert', 'Speed alert', remote control of 'Horn and hazard lights', 'Parking position' and 'Online anti-theft alarm' can be easily accessed and monitored – 3-year subscription included. Standard on SEL and R-Line Tech models. Optional on S and Match models.

Interior shown is Tiguan SEL with optional Discover Navigation Pro touch-screen navigation/DVD infotainment system, Side scan, 'Vienna' leather upholstery and Pure White non-metallic paint.

02 With Car-Net 'Guide and Inform'², your Tiguan becomes a mobile network using your smartphone's Wi-Fi hotspot. You can access up-to-the-minute information directly from the internet, enabling you to benefit from continually updated information while you travel, such as online traffic information, fuel pricing, weather and news feeds. Car-Net 'Guide and Inform' includes 3-year's online navigation software updates enabling you to download the latest map data to keep you up-to-date. Another useful feature is 'Destination Input' that allows you to send locations to your navigation system, where they will be displayed on the colour touch-screen ready for your journey ahead. Car-Net 'Guide and Inform' is standard on Match models and above, and optional on S models as part of the Discover Navigation touch-screen navigation/infotainment system. Image shown features optional Discover Navigation Pro touch-screen navigation/DVD infotainment system. Please contact your authorised Volkswagen retailer for full details.

Opting for the Discover Navigation Pro touch-screen navigation/DVD infotainment system means that you can benefit from even more features with **'Guide and Inform Plus'¹,** which has an Online POI Search which displays places in the area requested either by voice command or text entry. These can be downloaded from the internet and are always up to date. Optional on Match models and above.

03 Volkswagen apps such as 'Think Blue. Trainer', 'Shared Audio', 'Drive & Track' or 'My Guide' can help to make your journey more pleasant and interesting, providing useful tips about handling your car, parking opportunities and even where to find the closest café. Volkswagen Apps are only available with compatible smartphones. Please consult www.volkswagen.co.uk to check smartphone compatibility. Usage of certified apps only while driving. Car-Net 'App-Connect' is standard on Match models and above. Optional on S models.

04 The Volkswagen Car-Net Destination Import allows you to search for destinations from the comfort of your home or office and send them directly to your Tiguan's navigation system. Simply log into the Volkswagen Car-Net portal, click 'Online destination import' and search for wherever you wish to go. Find your destination, save it, name it, and then send it to your Tiguan's navigation system. Your named destinations will then be displayed under 'My Destinations' on the main navigation display screen, it's that easy. You can also similarly send your 'Personal points of interest' from your computer or tablet and download them to your Tiguan's navigation system and they will appear on the navigation screen as you drive. Standard on Match models and above, and optional on S models as part of the Discover Navigation touch-screen navigation/infotainment system.

¹ Use of Car-Net 'Security & Service' is governed in a separate Contract concluded online with Volkswagen. To use the free Car-Net app you will need a smartphone with iOS or Android operating system and a SIM-card with a data option. Depending on your mobile tariff, sending and receiving data online may incur additional charges (e.g. roaming charges), particularly if you are using Car-Net abroad. For more information on Car-Net Security & Service, go to www.volkswagen.com/car-net or contact your Volkswagen retailer.

² Car-Net 'Guide and Inform' and 'Guide and Inform Plus' services are accessed via a compatible mobile device. Please see www.volkswagen.co.uk for more information. The use of all 'Guide and Inform' services entails exchanging large volumes of data. As such, we strongly recommend that you sign-up for a flat rate data plan with your mobile network provider. After the initial 3-year Car-Net contract, an annual subscription is chargeable for the continuation of all 'Guide and Inform' services.

Trendsetting. And leading.

Route guidance, vehicle status centre and infotainment system – the infotainment and navigation systems of the Tiguan are real multitaskers.

Apart from controlling several online services they also enable connection to a mobile or compatible smartphone. All the functions can be

intuitively operated via the high-resolution touch-screen, from the navigation system, apps and connectivity functions to the extended sound

functions of the optional ‘Dynaudio Excite’ soundpack.

01 Depending on which smartphone you have, you can connect **Car-Net ‘App-Connect’**¹ via one of three interfaces: Apple ‘CarPlay’, Google ‘Android Auto’ or ‘MirrorLink’™, allowing your smartphone display to be ‘mirrored’ on the infotainment touch-screen via USB connection and giving access to your favourite smartphone functions, such as music, messages, phone and news. Volkswagen apps such as ‘Think Blue. Trainer.’, ‘Shared Audio’, ‘Drive & Track’ or ‘My Guide’ can help to make your journey more pleasant and interesting by providing useful tips about handling your car, parking opportunities and even where to find the closest café. Volkswagen Apps are only available with compatible smartphones. Please consult www.volkswagen.co.uk to check smartphone compatibility. Usage of certified apps only while driving. Standard on Match models and above. Optional on S models. Image shown features optional Discover Navigation Pro touchscreen navigation/DVD infotainment system.

02 The **Composition Media infotainment system** is equipped with an impressive 8.0 inch colour touch-screen with proximity sensor that recognises in advance your intention to touch the screen and automatically magnifies the display mode. Features also include DAB digital radio receiver, CD player, USB connection for compatible products and SD card reader. The media system also includes Bluetooth telephone and audio connection for compatible devices², simultaneous pairing of two compatible mobile devices, SMS functionality – allowing you to read, compose and send SMS messages using the touch-screen display to a compatible Android smartphone (while the vehicle is stationary), title and compatible cover art display and facilitates music playback from MP3, WMA and AAC files through eight speakers, front and rear. Finally, car information display and ‘Think Blue. Trainer.’ – provide journey analysis and driver tips during your journey. Standard on S models.

03 The **Discover Navigation touch-screen navigation/infotainment system with Car-Net ‘Guide and Inform’**³ builds upon the impressive Composition Media system, but with additional features enabling you to easily manage not only your music, but also navigation data and a broad range of vehicle information. The system offers Volkswagen Media Control⁴, which allows remote control of the infotainment system via a smartphone or tablet, preloaded European navigation data, 2D/3D map view which can be easily followed on the 8.0 inch colour touch-screen, three calculated route choices (Fast, Short and Eco), dynamic navigation based on TMC+, branded points of interest and Speed Limit Display⁵. 3-year’s Car-Net ‘Guide and Inform’ access makes it possible to integrate ‘traffic information online’ into route guidance and transfer public and personal points of interest to the navigation system. The service also includes information for fuel station location and pricing, weather and news feeds. Standard on Match, SEL and R-Line Tech models. Optional on S models.

1 Only operable in conjunction with compatible smartphones including iPhone 5 and above. Display and operation of certified apps including audio and voice control (if supported by the app). Usage of certified apps only while driving. Please see www.volkswagen.co.uk to check smartphone compatibility.
2 Devices must be Bluetooth HFP (Hands Free Profile) compatible, please contact your authorised Volkswagen retailer for specific phone compatibility.
3 Car-Net ‘Guide and Inform’ services are accessed via a compatible mobile device. Please see www.volkswagen.co.uk for more information. The use of ‘Guide and Inform’ services entails exchanging large volumes of data. As such, we strongly recommend that you sign-up for a flat rate data plan with your mobile network provider. After the initial 3-year Car-Net contract, an annual subscription is chargeable for the continuation of Car-Net ‘Guide and Inform’ services.
4 Only operable in conjunction with compatible tablets and smartphones including iPhone 5 and above. Please see www.volkswagen.co.uk to check compatibility.
5 Speed Limit Display only reflects national speed limits and does not show temporary speed limit restrictions, or where permanent changes to speed limits are made in-between map updates.
6 Must be ordered in conjunction with ambient lighting pack on Match models.

04 The **Discover Navigation Pro touch-screen navigation/DVD infotainment system with integrated voice activation, ‘Gesture Control’, Car-Net ‘Guide and Inform Plus’**³ and **Car-Net ‘App-Connect’** can be operated intuitively via the 9.2 inch colour touch-screen, enabling you to manage music and navigation data. Also featured is gesture control for use with various different menus, responding to a sideways swiping gesture and confirming a successful swipe with a sound effect, which can be deactivated if required. Eight powerful speakers deliver great acoustics and the DVD system is compatible with MP3, WMA and AAC files. It also offers a 64 GB SSD hard drive, two SD card readers, photo display from JPEG and PNG files, voice control and USB connection. The Discover Navigation Pro also features ‘Guide and Inform Plus’ providing online access to a range of useful information such as traffic, fuel pricing, weather and news feeds. In addition, the Car-Net ‘App-Connect’ combines the functionality of Apple ‘CarPlay’, Google ‘Android Auto’ and ‘MirrorLink’™ allowing ‘mirroring’ of a smartphone display on the infotainment touch-screen via USB connection. Display and operation of certified apps including audio and voice control (if supported by the app). Usage of certified apps only while driving. Only operable in conjunction with compatible smartphones including iPhone 5 and above. Please see www.volkswagen.co.uk to check smartphone compatibility. Optional on Match models and above.

05 The **‘Dynaudio Excite’ soundpack**⁶ will deliver impressive acoustics on any journey’s soundtrack. Incorporating an eight channel digital amplifier, Dolby Pro Logic surround sound, Digital Signal Processor (DSP), subwoofer and 400 watt output through eight high performance speakers. Optional on Match models and above.

Not just any interior. It's yours.

You know best what makes you feel good. That's why the Tiguan offers a choice of options with which you can perfectly tailor your Tiguan to your individual needs. For example, the fully configurable Active Info Display or the innovative Head-up Display. Once comfortably seated, all displays and functions can be optimally viewed and reached thanks to the ergonomically arranged centre console that is perfectly angled towards the driver.

01 The Active Info Display provides a system that can be tailored to suit your exact preferences. The fully configurable, interactive 10.3 inch TFT display replaces the standard analogue instrument cluster, displaying vehicle data and information on your dashboard. Five different modes allow you to customise the screen, with large or small dials as you prefer and a number of items displayed behind. When used in navigation mode in conjunction with the Discover Navigation¹ or Discover Navigation Pro systems, you can move the speedometer and rev counter to the edge of the display, creating more space for the navigational map. If you wish, you are able to include driving, navigation and assistance functions within the graphics of the speedometer. As the Active Info Display is linked to all other assistance systems in the vehicle, any data shown in the centre console of the infotainment system, such as phone numbers or your music's compatible cover art, can also be displayed on the dash conveniently placed directly within the driver's optimum field of vision. Standard on SEL and R-Line Tech models. Optional on Match models.

02 The Head-up Display² rises from its position behind the dashboard into the driver's primary field of vision at the press of a button. Driving information, including current speed, navigation details and traffic data, is projected onto the retractable screen and transparently displayed, helping to reduce the amount of time that the driver's eyes are averted from the road. Optional on Match models and above.

03 Front and rear parking sensors assist parking manoeuvres by emitting both audible and visual signals, alerting the driver to any obstacles in the way. The closer you are to an obstacle the faster the sound frequency, while an optical parking display indicates your position in relation to obstacles on the screen of the vehicle's infotainment system. Standard on Match models and above. Optional on S models. Image shown is Tiguan SEL 4MOTION with optional metallic paint.

04 The Park Assist system not only makes parallel parking easier, but also helps you reverse park into a space at 90 degrees to the kerb. Using ultrasonic sensors, Park Assist will detect a parking space large enough for either bay or parallel parking. Once the vehicle is in reverse, all the driver has to do is operate the accelerator and brake, and keep a lookout, while the Tiguan steers itself into its chosen space. Standard on Match and R-Line Tech models. Optional on all other models.

05 The Tiguan effortlessly tows a trailer or caravan and, depending on your choice of engine, can tow up to a maximum weight of 2.5 tons³. **Trailer Assist including Park Assist and rear-view camera** helps you reverse more easily and accurately with a trailer or caravan hitched. The optical display visualises actual and possible steering angles in the instrument cluster. Reverse steering is automatic, with direction controlled via the mirror adjustment switch which acts as a joystick, while the driver controls the pedals and keeps a good look out. Optional on Match and SEL models. Only in conjunction with the optional swivelling towbar.

¹ When the large navigation map is displayed on the full Active Info Display in conjunction with the Discover Navigation system, the navigation map cannot be displayed on the central 8.0 inch colour touch-screen.
² Please note, use of polarised lenses may impair the visibility of the Head-up Display.
³ Maximum towing weight is dependent on vehicle specific equipment. The exact towing weights of individually configured vehicles, if required, must be obtained from the manufacturer before the purchase order is completed.

Intelligent driving. Smart choice.

With its numerous intelligent technologies and driver assistance systems, the Tiguan provides a reassuring and confident driving experience even in the most challenging driving situations.

01 Lane Assist is a camera controlled warning system that warns you if your vehicle drifts out of its lane helping to reduce the chance of an accident and helping to make long motorway journeys safer. Using a camera located in the rear-view mirror unit, it monitors the road markings and prevents unintentional lane deviations. The system only intervenes if the indicators are not used, so if you decide to change lanes and indicate, the intelligent system recognises this and switches off. Standard on all models.

02 High Beam Assist ingeniously senses the lights from oncoming vehicles and automatically switches between dipped and main beam accordingly. It also senses vehicles you are approaching from the rear and ensures your main beam is dipped in order to avoid dazzling the vehicle in front. Standard on Match models. Optional on S models.

03 Area view with Park Assist. Four separate cameras, located in the rear tailgate, door mirrors and radiator grille, provide a 360-degree view around the Tiguan, helping you to manoeuvre with confidence in any direction. The driver can select up to twelve possible views of the vehicle, from the front, rear or side, on either full or split-screen displayed on the infotainment system's screen. Should you specify the optional Discover Navigation Pro system, you will also gain a bird's-eye view around your Tiguan. Not in conjunction with rear-view camera. Standard on R-Line Tech models. Optional on all other models.

04 The **Front Assist** monitoring system combines **Predictive Pedestrian Protection** with **City Emergency Braking**, alerting you if it detects vehicles or pedestrians at the edge of the road or on the carriageway, via acoustic and optical signals, as well as a gentle application of the brakes. The system even performs an emergency stop should the distance become critical, helping to protect other road users and possibly avert potential accidents. Standard on all models.

05 The **Emergency Assist** system monitors the driver's inputs, such as acceleration, braking and steering and helps, within the system's limits, to possibly prevent accidents. The Adaptive Cruise Control (ACC) and Lane Assist work hand in hand with this. If the driver fails to respond, the system prompts the driver, by means of gentle brake application, to correct the steering and automatically applies the brakes. Adaptive Cruise Control (ACC) monitors the distance to the vehicle ahead while Lane Assist ensures the vehicle stays within its lane. Emergency Assist alerts other road users by means of hazard warning lights and safely brakes the vehicle to a complete standstill if necessary. The driver can override the assistance function at any time and regain control of the vehicle. Only in conjunction with DSG Gearbox. Optional on Match models and above.

06 Adaptive Cruise Control (ACC), including Front Assist radar sensor controlled distance monitoring system, City emergency braking system, cruise control and speed limiter offers you intelligent control of your driving speed by automatically adjusting acceleration and braking. Whether around town or on the motorway, the system will adjust your speed to that of the vehicle in front, keep your specified distance, warn if you are approaching too fast and, in an emergency situation, generate enough braking force to try to reduce the severity of a collision or possibly even prevent the collision entirely. Standard on Match models and above.

07 Side Scan provides assistance if you want to change lanes from speeds of 37mph upwards. Sensors in the rear of the vehicle monitor the traffic and should they detect any road users in your blind spot or vehicles approaching quickly from behind, the system will alert you via a warning light within the door mirror housing and an audible warning within the vehicle. The parking assistant monitors the area behind and next to your vehicle, alerting you if it detects a vehicle or object, and automatically instigating an emergency stop if a collision is imminent. Not in conjunction with Emergency Assist. Optional on Match models and above.

Images shown are for illustration purposes only and may not necessarily reflect UK specification.

Tiguan S.

The Tiguan does not follow trends, it sets them. Although the entry level Tiguan, this model features an impressive range of driver assistance systems as well as many comfort and convenience features too. For example, Lane Assist and Front Assist provide extra reassurance on every journey by monitoring the Tiguan's position in relation to the road, as well as potential hazards on the road itself. The Composition Media infotainment system with 8.0 inch colour touch-screen and proximity sensor allows pairing of two compatible devices via Bluetooth¹ as well as a host of other features. With exterior design highlights such as the radiator grille's chrome detailing and the stylish 17 inch 'Montana' alloy wheels, the Tiguan is right up your street.

¹ Devices must be Bluetooth HFP (Hands Free Profile) compatible, please contact your authorised Volkswagen retailer for specific phone compatibility.

01 The Tiguan's **comprehensive airbag system** includes curtain airbags for front and rear passengers, front seat side impact airbags, driver's and front passenger's airbags with passenger's airbag deactivation switch and a driver's knee airbag.

02 The black grained wheel arches not only provide protection to the exterior paintwork, they also provide the frame for the stylish 17 inch '**Montana**' alloy wheels. Both which perfectly complement the Tiguan's crisp sculpted lines.

Model shown is Tiguan S with optional metallic paint.

01 The **Composition Media infotainment system** is equipped with an impressive 8.0 inch colour touch-screen with proximity sensor that recognises in advance your intention to touch the screen and automatically magnifies the display mode. Features also include DAB digital radio receiver, CD player, USB connection for compatible products and SD card reader. The media system also includes Bluetooth telephone and audio connection for compatible devices¹, simultaneous pairing of two compatible mobile devices, SMS functionality – allowing you to read, compose and send SMS messages using the touch-screen display to a compatible Android smartphone (while the vehicle is stationary), title and compatible cover art display and facilitates music playback from MP3, WMA and AAC files through eight speakers, front and rear. Finally, car information display and ‘Think Blue. Trainer.’ – provide journey analysis and driver tips on your journey.

¹ Devices must be Bluetooth HFP (Hands Free Profile) compatible, please contact your authorised Volkswagen retailer for specific phone compatibility.

02 All 4MOTION models feature **4MOTION Active Control** which allows you to adapt your Tiguan to suit the weather and road conditions ahead. Choose from four driving modes including On road, Off-road, Off-road Individual and Snow, enabling you to find the optimum choice of driving mode wherever your adventures may take you. Standard on all 4MOTION models.

03 The **Front Assist** monitoring system combines **Predictive Pedestrian Protection** with **City Emergency Braking**, alerting you if it detects vehicles or pedestrians at the edge of the road or on the carriageway, via acoustic and optical signals, as well as a gentle application of the brakes. The system even performs an emergency stop should the distance become critical, helping to protect other road users and avert potential accidents.

Model shown is Tiguan Match with optional LED headlights with Dynamic Light Assist and metallic paint.

Tiguan Match.

Arriving calm and relaxed comes as standard with the Tiguan Match model, thanks to the additional driver assistance systems. The leather trimmed multifunction steering wheel allows control of audio and telephone functions without taking your hands off the wheel, with information displayed on the colour multifunction computer. The Discover Navigation system with 8.0 inch colour touch-screen and Car-Net 'Guide and Inform' will not only guide you to your destination, but update you on information during your journey such as traffic congestion and fuel stations, or even news and weather should you wish. Adaptive Cruise Control (ACC) offers you intelligent control of your driving speed by automatically adjusting acceleration and braking, while High Beam Assist will assist by switching between dipped and main beam as required and the Park Assist system with rear-view camera helps with parallel parking and also helps you reverse park into a space at 90 degrees to the kerb. Outside, the rear tinted glass from B-pillar backwards with chrome surround, silver anodised roof rails, front fog lights and dynamic 19 inch 'Victoria' alloy wheels enhance an already impressive exterior.

01 Adaptive Cruise Control (ACC), including Front Assist radar sensor controlled distance monitoring system, City emergency braking system, cruise control and speed limiter offers you intelligent control of your driving speed by automatically adjusting acceleration and braking. Whether around town or on the motorway, the system will adjust your speed to that of the vehicle in front, keep your specified distance, warn if you are approaching too fast and, in an emergency situation, generate enough braking force to try to reduce the severity of a collision or possibly even prevent the collision entirely.

02 Park Assist with rear-view camera not only makes parallel parking easier, but also helps you reverse park into a space at 90 degrees to the kerb. Using ultrasonic sensors, Park Assist will detect a parking space large enough for either bay or parallel parking. Once the vehicle is in reverse, all the driver has to do is operate the accelerator and brake, and keep a lookout, while the your vehicle steers itself into its chosen space. The rear-view camera displays the area behind your vehicle on the screen of the vehicle's infotainment system, helping you to manoeuvre into tight spaces quickly and easily. Auxiliary lines help you navigate safely into parking spaces, and thanks to the high resolution display, even small obstacles such as kerbs are visible.

03 The dynamic looking 19 inch '**Victoria**' alloy wheels with mobility self-sealing tyres characterise the design of the Match and provide an elegant flair as well as a sporty look to the exterior.

Interior shown is Tiguan Match 4MOTION with optional metallic paint.

01 The **Discover Navigation touch-screen navigation/infotainment system with Car-Net 'Guide and Inform'**¹ builds upon the impressive Composition Media system, but with additional features enabling you to easily manage not only your music, but also navigation data and a broad range of vehicle information. The system offers Volkswagen Media Control² allowing remote control of the infotainment system via a smartphone or tablet, preloaded European navigation data, 2D/3D map view which can be easily followed on the 8.0 inch colour touch-screen, three calculated route choices (Fast, Short and Eco), dynamic navigation based on TMC+, branded points of interest, Speed Limit Display³ and 3-year's Car-Net 'Guide and Inform' access makes it possible to integrate 'traffic information online' into route guidance and transfer public and personal points of interest to the navigation system. The service also includes information for fuel location and pricing, weather and news feeds.

02 The **keyless entry system** is a convenient addition especially if you have your hands full. As you approach the vehicle, the key automatically unlocks it, enabling you to enter your vehicle and even start the engine using a button in the centre console, without actually using the key itself.

03 **High Beam Assist** ingeniously senses the lights from oncoming vehicles and automatically switches between dipped and main beam accordingly. It also senses vehicles you are approaching from the rear and ensures your main beam is dipped in order to avoid dazzling the vehicle in front.

04 **3Zone electronic air conditioning with air intensity control and automatic air recirculation** ensures a pleasant interior temperature to suit the individual preference of driver, front passenger and rear seat passengers. Rear passengers are able to make adjustments via an electronic control panel conveniently located to the rear of the front centre armrest. A sensor monitors the outside air quality and, if necessary, automatically activates the air recirculation function.

¹ Car-Net 'Guide and Inform' services are accessed via a compatible mobile device. Please see www.volkswagen.co.uk for more information. The use of 'Guide and Inform' services entails exchanging large volumes of data. As such, we strongly recommend that you sign-up for a flat rate data plan with your mobile network provider. After the initial 3-year Car-Net contract, an annual subscription is chargeable for the continuation of Car-Net 'Guide and Inform' services.
² Only operable in conjunction with compatible tablets and smartphones including iPhone 5 and above. Please see www.volkswagen.co.uk to check compatibility.
³ Speed Limit Display only reflects national speed limits and does not show temporary speed limit restrictions, or where permanent changes to speed limits are made in-between map updates.

Model shown is Tiguan SEL with optional metallic paint.

Tiguan SEL.

Comfort and convenience move to the next level with the Tiguan SEL and, when combined with high-quality design detail and even higher levels of standard equipment, this really is a formidable vehicle. Sit back and relax in the 14-way adjustable ergoComfort driver's seat which is heated and also has electrically-adjustable lumbar support and massage function. Natural light and fresh air will flood in from the panoramic sunroof. The Active Info Display with 10.3 inch high resolution TFT dash display with customisable menus allows the driver to set and arrange their own preferred dash configuration and will even display the Discover Navigation system's route guidance. The exterior styling is enhanced with LED headlights with LED daytime running lights, silver coloured front underbody protection and rear diffuser, and distinctive 19 inch 'Victoria' alloy wheels.

01 The electrically operated, panoramic glass sunroof with integrated roller blind adds additional light and space, whether open or closed, filling the interior with natural light and providing an inviting view of the sky above, and when tilted upwards it lets in fresh air. Image shown is Tiguan SEL with optional 'Vienna' leather upholstery.

Interior shown is Tiguan SEL 4MOTION with optional Discover Navigation Pro touch-screen navigation/DVD infotainment system, Side scan, Saffrano Orange 'Vienna' leather upholstery, 'Dynaudio Excite' soundpack and Pure White non-metallic paint.

01 The **Active Info Display**¹ provides a system that can be tailored to suit your exact preferences. The fully configurable, interactive 10.3 inch TFT display replaces the standard analogue instrument cluster, displaying vehicle data and information on your dashboard. Five different modes allow you to customise the screen, with large or small dials as you prefer and a number of items displayed behind. When used in navigation mode in conjunction with the Discover Navigation or Discover Navigation Pro systems, you can move the speedometer and rev counter to the edge of the display, creating more space for the navigational map. If you wish, you are able to include driving, navigation and assistance functions within the graphics of the speedometer. As the Active Info Display is linked to all other assistance systems in the vehicle, any data shown in the centre console of the infotainment system, such as phone numbers or your music's compatible cover art, can also be displayed on the dash conveniently placed directly within the driver's optimum field of vision.

02 Daytime running lights feature LED technology for greater visibility, and fit flush with the **LED headlights with Dynamic Light Assist**, enhancing the Tiguan's sporty new look. Model shown features optional premium signature paint.

03 **'Cherry red' rear tail lights**, equipped with LED technology for optimum performance and visibility, blend harmoniously into the bodylines, creating a dynamic three-dimensional look.

¹ Please note: When the navigation map is displayed in the Active Info Display in conjunction with the Discover Navigation system, the navigation map cannot be displayed on the Discover Navigation's 8.0" infotainment touch-screen.

Model shown is Tiguan R-Line Tech with optional premium signature paint.

Tiguan R-Line Tech.

Exciting, sporty and stylish, the R-Line Tech is no ordinary model. It has its own unique styling inside and out, providing a level of specification that is fitting for a car of this stature adding to the excitement of driving this eye-catching car. Thanks to the 'R-Line' exterior styling pack, it's easy to recognise this distinctive model, with its specially designed front and rear bumpers, black wheel arch extensions, side skirts and 'Piano Black' front air intake and rear diffuser. The radiator grille proudly displays the unique 'R-Line' badging, while the imposing 20 inch 'Suzuka' alloy wheels and front fog lights add the finishing touch, creating a look that's sleek, stylish and distinctively R-Line. Interior styling highlights continue the R-Line theme with the front sports seats, leather trimmed steering wheel and door sill protectors all bearing the exclusive 'R-Line' logo.

01 The muscular look to the front of the R-Line Tech is created by the deep '**Piano Black**' front air intake that surrounds the front fog lights and extends into the R-Line Tech's unique front bumper. Chrome detailing runs across the radiator grille and extends through the LED headlights with LED daytime running lights creating a very distinctive look, while the 'R-Line' badging leaves you in no doubt which special model this is.

02 The stunning looking 20 inch '**Suzuka**' alloy wheels with mobility self-sealing tyres and sports suspension add the finishing touch to the exterior of this unique model.

01

02

03

04

01 Thanks to keyless entry with **electrically-operated tailgate opening operation**, providing you have the key on you, it simply takes a flick of the foot under the rear of the vehicle to open the electric tailgate.

02 **Area view** provides a 360-degree display of your Tiguan in the infotainment display, transmitting information via four cameras to the front, the sides and the rear, enabling you to view areas that are difficult to see from the driver's seat – very useful when there is limited space to manoeuvre. Also included with Area view is **Park Assist** which helps you parallel and bay park using ultrasonic and audible parking sensors. All the driver has to do is operate the pedals whilst keeping a good look-out and Park Assist will do the rest.

03 Daytime running lights feature LED technology for greater visibility, and fit flush with the **LED headlights with Dynamic Light Assist**, enhancing the R-Line Tech's sporty appearance.

04 The first thing you see as you open the driver's door to get in or out of the R-Line Tech is the stylish **aluminium door sill protectors** complete with the 'R-Line' Logo. These stylish protectors not only look good, but protect the sills from the scuffs and scrapes of everyday use.

Models shown features optional premium signature paint.

05

05 As confident in style and design as it is in bends, the R-Line Tech's front sport seats not only provide optimal support when cornering but also perfect sporty elegance. These ergonomic sports seats are upholstered in **Dark Magnetic Grey 'Race' cloth and bear the 'R-Line' logo on the backrest**, while the front seat side bolsters in 'San Remo' microfibre with crystal grey contrast decorative stitching provide a dramatic appearance. For a perfect match the roof lining is black to add to the interior ambience.

Accessories.

Make a statement and further enhance your Tiguan by choosing from our wealth of stylish, innovative and sporty Volkswagen accessories. Choose from the high-quality carrier systems to the practical protection solutions and select the accessories to perfectly match your lifestyle.

01 Front rubber floor mats – set of two
The Volkswagen Genuine all-weather rubber floor mats protect your vehicle's interior against dirt and moisture. They are designed to fit perfectly, are easy to clean and have a non-slip underside. The integrated model lettering is a particular visual highlight. The floor mats are also 100% recyclable, very sturdy and durable. The material used allows the Genuine all-weather floor mats to be considerably lighter than standard floor mats.
Part number: 5NC 061 502 82V

Rear rubber floor mats – set of two (not shown)
Part number: 5NA 061 512 82V

02 Boot mat – variable loading floor
The practical and extremely robust Volkswagen Genuine luggage compartment tray protects the luggage area against dirt and prevents items from sliding around. The plastic tray fits perfectly and is washable and acid-resistant. The surrounding raised rim of approximately 4cm prevents liquids running out onto the vehicle floor.
Part number: 5NA 061 161

03 Front mudflaps – set of two
Long lasting and durable, the Volkswagen Genuine mudflaps effectively protect the underbody and bumpers against excessive dirt. They also significantly reduce the impact of dangerous road chippings and water spray.
Part number: 5NA 075 101

04 Rear mudflaps – set of two
Part number: 5NA 075 111

Images shown are for illustration purposes only and may not necessarily reflect UK specification. Models shown features optional metallic paint.

Protection.

01 Upper partition grille
Safety first, the sturdy Volkswagen Genuine metal partition grille separates the luggage compartment from the passenger compartment. It is quickly and easily fitted, and just as easily removed with only a few quick motions.
Part number: 5NA 017 221

02 Flexible boot liner
The Volkswagen Genuine flexible boot liner for vehicles with variable luggage compartment floor is light, flexible and perfectly shaped to fit the contours of your vehicle. The edge provides adequate protection against moisture and dirt and goods are effectively prevented from slipping. If the flexible boot liner is not required, it can simply be rolled up so that it takes up less storage space.
Part number: 5NA 061 160

03 Luggage net
Ensures that everything stays in its place and items do not slide around. This tear-proof net with integrated pocket is easy to fit with hooks attached to the standard lashing rings in the boot area.
Part number: 5N0 065 111

04 Rear sill cover – transparent
The transparent loading sill protection film is designed to fit your vehicle perfectly, protecting the bumper against scratches when loading and unloading the luggage compartment.
Part number: 5NA 061 197

Travel and transport.

01-03

01 Volkswagen roof box – 340 litres – black

Take the pressure off the boot when you next head away on holiday and pack all those essentials into one of these stylish Volkswagen roof boxes. In black, they not only fit a lot in, they look the business too. 340 litres, maximum load capacity 50kg. Part number: 000 071 200

02 Bicycle holder

Safely transport bicycles on the roof of your vehicle. The wheel rails are aerodynamically designed and ensure the bicycle is correctly positioned. They enable you to use both hands to fix the wheels and frame. Thanks to the quick-fastening system, the bicycle holder is easy to fit onto the roof bars, without using any tools. The carrier also includes anti-theft protection. Suitable for maximum down tube widths of 80mm, bike weights of up to 20kg. Part number: 000 071 128 F

03 Load bars

The Volkswagen Genuine supporting rods are the ideal base system for all attachments. The aerodynamic aluminium profile supporting rods are City Crash Plus tested to Volkswagen's strict standards and can accommodate items such as a surf board holder (000 071 120 HA), bicycle holder (000 071 128 F), ski and snowboard holder (000 071 129 N) or a practical roof box (000 071 200/000 071 200 AA/000 071 200 FA) The supporting rods are delivered pre-assembled and are easy to attach to the roof rails of your Volkswagen. The supporting rods can be locked to prevent theft. A torque wrench is also included. Part number: 5QF 071 151

Images shown are for illustration purposes only and may not necessarily reflect UK specification. Models shown features optional metallic paint.

Styling and technology.

01 Vodafone Protect & Connect 6 – Tracker including 1 year subscription

- Key features:
- Thatcham Category 6 Stolen Vehicle Tracking System
 - Easy registration process with subscription included
 - Special modes (selectable by the customer) allow alert functionality to be sent to the Vodafone Automotive Secure Operating Centre
 - Tamper alert (e.g. vehicle battery disconnect during a service)
 - Tow-away alert (e.g. if the vehicle is travelling on a ferry)
 - GSM Jamming alert
 - Real-time vehicle location tracking through App and web
 - Set a defined geofence area for vehicles entering or leaving an area and receive an in-App message
 - Vehicle can be tracked by the Vodafone Automotive Secure Operating Centres in 49 countries worldwide if stolen
 - Built-in led for auto-diagnosis
- Fully fitted. Part number: ZGB 000 054 202

02 Door sill trims – aluminium

The high-quality aluminium sill panel trims protects the entry areas of the vehicle and gives them an individual look. Each set consists of two sill panel trims with vehicle lettering. Part number: 5NA 071 303

03 Chrome-look protective strip for tailgate

Enhances the appearance of the vehicle with its chrome effect and serves as effective edge protection. Part number: 5NA 071 360

AdBlue®.

Your Volkswagen car is fitted with an advanced emissions control system, which helps your vehicle meet EURO 6 exhaust gas regulations.

How does the system work?

AdBlue®, a water/urea based additive, is stored in a tank (like diesel fuel), however, unlike fuel it is not injected into the engine, but directly into a specially modified part of the vehicle's exhaust. This begins a chemical reaction which removes the polluting oxides of nitrogen (NOx), converting them into harmless oxygen and nitrogen in a process known as Selective Catalytic Reduction, or SCR for short. SCR is only applicable to diesel engines and the more economically you drive, typically, the less AdBlue® you will use.

The size of the AdBlue® tank fitted to your car will vary depending on which Volkswagen model you have, therefore the interval between top-ups will vary. In addition, many factors such as mileage, journey type, driving style and environmental conditions can influence how much AdBlue® is consumed. A passenger car can consume approximately 1.5 litres of AdBlue® every 620 miles (1.0–1.5 litres for the Passat and Passat Estate). The chart below details the AdBlue® tank size and location.

Model (SCR derivatives only)	Tank size (Approximately)	AdBlue® tank filler location	Initial warning of low AdBlue® (2,400km/1,500 miles to go) can be expected to occur at:
Tiguan	18 litres	Next to fuel filler nozzle	3,000 to 4,000 miles or sooner*

* Distances are approximate and the warning light may come on sooner depending on driving style, journey type, engine and vehicle load and environmental conditions.

How will I know if the system needs topping-up?

A series of warnings will be given via the driver information system, accompanied by advice/messages.

The first message is displayed when the remaining range is approximately 1,500 miles, and is repeated every 62 miles until the range reaches 1,000 miles, at which point the warning turns amber. This warning is repeated every 31 miles and is accompanied by an audible tone. If these warnings are not acted upon, the warning turns red; once this happens the car will not restart once the ignition is turned off. This is not a fault, but a required feature of the system. If this stage is reached the system will need a full top-up before the car can be restarted. Further information is available in the vehicle handbook.

Why should I use a Volkswagen Authorised repairer for top-ups?

- AdBlue® top-ups at authorised repairers are extremely competitive and charged by the litre, so you only pay for what you need
- Authorised repairer staff are trained to handle AdBlue®
- AdBlue® tanks need special adaptors on fillers to ensure there are no spillages
- Volkswagen do not recommend keeping top-up bottles in cars

The top-up bottles supplied by Volkswagen have a capacity of 1.89 litres, and come complete with the adaptor nozzles that fit the Volkswagen AdBlue® tank. These are available from all Volkswagen Authorised repairers.

AdBlue® warning lights.

Important information

- AdBlue® is not a fuel additive. This is why there is a separate AdBlue® tank
- If you put AdBlue® in your fuel tank by mistake, please do not start the engine, but contact a retailer for help
- Put only AdBlue® in the AdBlue® tank; do not fill the AdBlue® tank with any other liquids
- Prevent anything from contaminating AdBlue®
- If small quantities of AdBlue® come into contact with the vehicle's paintwork, for example, wipe them off and if necessary rinse the area with water

The Tiguan. A new world at your fingertips.

Model shown is Tiguan R-Line Tech with optional premium signature paint.

Volkswagen service.

Exclusions and terms and conditions apply to all warranties and plans listed. For pricing and further details of Volkswagen Warranties and Service Plans, please consult your authorised Volkswagen retailer or repairer, or visit www.volkswagen.co.uk

The Volkswagen Warranty. Three-year Warranty.

All Volkswagen passenger cars come with a three-year/60,000 miles warranty, which protects your car against the failure of most technical and electrical components due to manufacturing defects. This comprises a two-year manufacturer's warranty with unlimited mileage plus a further one-year/60,000 miles (whichever is soonest) Retailer Warranty¹. Should the mileage exceed 60,000 miles within the first two years, the manufacturer's two-year warranty will still be valid. Full details of the three-year warranty are available from your authorised Volkswagen retailer or repairer.

Body Protection Warranty.

The internal body sections and panels of the Tiguan are covered against rusting through from the inside for 12 years. Naturally, the vehicle must be cared for in compliance with the manufacturer's operating instructions. Please consult your authorised Volkswagen retailer or repairer for full warranty details.

Three-year Paintwork Warranty.

This latest paintwork warranty, pioneered by Volkswagen, provides you with cover on a new car. Naturally, during the warranty period the car must be cared for in compliance with the manufacturer's operating instructions. Any paintwork defects, as a result of the manufacturing process, will be rectified without charge.

Approved Accessories.

A comprehensive range of accessories from alloy wheels to carpet mats is available to complement the factory-fitted option list. Volkswagen approved accessories purchased from and fitted by your authorised Volkswagen retailer at the point of vehicle sale will also benefit from the three-year vehicle warranty.

Service Intervals.

Volkswagen is pleased to offer you a choice on how your Volkswagen is serviced. The appropriate selection is entirely dependent on how the car is likely to be driven and its general use. To help you identify which type of service would be most suitable, please refer to the following guide.

The Fixed Service is recommended for vehicles that will cover less than 10,000 miles in 12 months and if the vehicle is likely to be used in the following way:

- Predominantly urban driving, short journeys with frequent cold starts.
 - Activities regularly producing high engine loading, e.g. frequent hill climbs, driving with vehicle fully loaded and towing.
 - Uneconomical driving style using high rpms with heavy acceleration and heavy braking.
- The service intervals for the Fixed Service are as follows:
- Oil change service – After 1 year or 10,000 miles (15,000km), whichever is soonest.
 - Inspection service² – First after 2 years or 20,000 miles (30,000km), then every one year or 20,000 miles (30,000km), whichever is soonest.

The Flexible Service is recommended for vehicles with daily mileage of more than 25 miles where the vehicle is driven regularly mainly on longer distance journeys. The vehicle is driven mainly at a constant speed with minimum vehicle and engine loading, minimal towing and driven in an economical manner. With the Flexible Service the vehicle can cover anywhere between 10,000³ and a maximum of 20,000³ miles or 24 months (whichever is soonest) between oil changes.

The service intervals for the Flexible Service are as follows:

- Oil change service – According to flexible service interval display (after 2 years at the latest).
- Inspection service² – First after 2 years or 20,000 miles (30,000km), then every one year or 20,000 miles (30,000km), whichever is soonest.

The up! model is only available with the Fixed Service schedule. Please consult your authorised Volkswagen retailer or repairer for advice and full details.

Please note: If you purchase a Volkswagen Fixed Price Service Plan your vehicle will follow the Fixed Service schedule.

Volkswagen Insurance⁴.

We want you to start enjoying your new car from day one, and thanks to our 5 day complimentary Volkswagen Drive Away Insurance you can. Call 0345 300 6119 (lines are open Monday to Friday 8am-8pm and Saturday 9am-5pm). If eligible, we will also give you a quotation for our annual insurance, designed specifically for Volkswagen drivers.

Volkswagen Ensurance⁵.

Get three years' Volkswagen Ensurance cover for free.

Another great benefit of being a Volkswagen driver. If your Volkswagen was damaged in an accident, wouldn't you want it fixed by a Volkswagen trained technician using only genuine Volkswagen parts? Ensurance is Volkswagen's accident and repair cover which does exactly that. It works alongside your main comprehensive motor insurance policy no matter who you are insured with, to make sure you get the quality repair and service you would want. If you're involved in an accident or your car is stolen, just one call to us and we'll look after your claim from start to finish ensuring your Volkswagen is restored to the highest standard.

Activate your cover and benefit from:

- A guarantee that your Volkswagen will be repaired in a Volkswagen approved repairer and Volkswagen trained technicians, using only genuine Volkswagen parts and paints.
- A dedicated Claims Manager who will manage your claim from start to finish, liaising with your insurer and the repairer so you don't have to.
- Help to recover any uninsured losses using our Legal Expenses Cover.
- Online claims tracking so you can keep up to date with the status of any claim.

Volkswagen Ensurance is free to all Volkswagen customers for three years and it only takes a minute to get cover. To find out more and to activate your cover, visit Volkswagen-ensurance.co.uk

Volkswagen Finance⁶.

Volkswagen Finance specialises in providing funding solutions for Volkswagen drivers. Whether your Volkswagen is for private or business use, you can choose from a range of funding options.

- Solutions – a Personal Contract Plan
- Hire purchase
- Lease purchase
- Finance lease
- Contract hire

With all Volkswagen Finance products you can choose a fixed-cost maintenance plan to help you budget for your servicing and maintenance costs. No matter what finance product you choose, your local Volkswagen retailer will be able to provide you with a personalised quote that could meet your budget and vehicle needs.

Tax Free Sales.

For full details, please contact your authorised Volkswagen retailer.

Volkswagen Roadside Assistance.

Every new car is registered for Volkswagen Roadside Assistance for one year except the Touareg which is registered for three years. This provides vehicle roadside and home recovery in the unlikely event of a breakdown in the UK and Europe (subject to conditions). Volkswagen Roadside Assistance can also be purchased for subsequent years.

Exclusions and terms and conditions apply. For pricing and further details of Volkswagen Roadside Assistance, please consult your authorised Volkswagen retailer, or visit www.volkswagen.co.uk

Fuel consumption and CO₂ Emissions.

Fuel consumption and CO₂ figures are obtained under standardised EU test conditions (Directive 93/116/EEC). This allows a direct comparison between different manufacturer models but may not represent the actual fuel consumption achieved in 'real world' driving conditions. More information is available on the Volkswagen website at www.volkswagen.co.uk and at www.dft.gov.uk/vca. The weight of a vehicle will influence the level of CO₂ emissions it produces; as a result, vehicles with higher levels of specification and factory-fitted options may emit higher levels of CO₂. Choosing larger alloy wheels than those fitted as standard may result in increased fuel consumption as well as higher CO₂ emissions and subsequently an increased Vehicle Excise Duty (VED) band. BIK rates paid by company car drivers may also increase. In some instances, the recommended 'On the road' retail price paid for a vehicle may increase as a result of the increased VED rate. CO₂ is the main greenhouse gas responsible for global warming. The specifications contained in this brochure are for information purposes only and are subject to change.

AdBlue®.

Diesel engines with SCR (Selective Catalytic Reduction) technology require AdBlue® which must be kept topped up. Please see page 51 or visit www.volkswagen.co.uk/technology/adblue for more details.

Please note:

Some illustrations in this brochure do not necessarily reflect UK specifications and may not be available. In particular, controls and some items of equipment are positioned differently for the UK. The specifications contained in this brochure are for information purposes only and are subject to change. If you require any specific feature, you must consult your authorised Volkswagen retailer who is regularly updated with any change in specification. Please check model availability and full specification details with your authorised Volkswagen retailer prior to ordering. Note: we would like to advise you that telephone calls to Volkswagen Customer Care may be monitored and recorded as part of our training and quality assurance processes. All our monitoring and recording processes meet Ofcom regulations.

¹ All warranty work must be completed by an authorised Volkswagen retailer or repairer.
² The inspection service first at 3 years (or 40,000 miles) and then every second year (or 40,000 miles) has additional workscope.
³ The quoted mileage is based on a conversion from kilometres and is therefore unlikely to exceed circa 18,000 miles between oil changes.
⁴ Volkswagen Car Insurance is underwritten by U K Insurance Limited. Registered Office: The Wharf, Neville Street, Leeds LS1 4AZ. Registered in England and Wales number: 1179980. U K Insurance Limited is authorised by the Prudential Regulation Authority and regulated by the Financial Conduct Authority (FCA) and the Prudential Regulation Authority. Calls may be recorded. Volkswagen Financial Services is a trading name of Volkswagen Financial Services (UK) Limited ('VWFS UK'), registered in England and Wales number: 2835230 (Registered Office: Brunswick Court, Yeomans Drive, Blakelands, Milton Keynes MK14 5LR). Volkswagen Insurance Service (Great Britain) Ltd. is an appointed representative of VWFS UK. VWFS UK is authorised and regulated by the FCA, registration number: 311988. Authorisation details for both organisations can be checked on the Financial Services Register by visiting www.fca.org.uk. VWFS UK and U K Insurance Limited are not part of the same corporate group.
⁵ Ensurance from Volkswagen Financial Services is sold and administered by Lawshield UK Limited, registered in England number: 3360532. Registered office: Lawshield House, 850 Ibis Court, Lakeside Drive, Centre Park, Warrington, Cheshire, WA1 1RL and underwritten by UK General Insurance Limited on behalf of Great Lakes Insurance SE. Great Lakes Insurance SE is a German insurance company with its headquarters at Königinstrasse 107, 80802 Munich. UK Branch office: Plantation Place, 30 Fenchurch Street, London, EC3M 3AJ. Lawshield UK Limited is authorised and regulated by the Financial Conduct Authority (FCA). Authorisation details can be checked on the FCA's register at www.fca.org.uk. Great Lakes Insurance SE, UK Branch, is authorised by Bundesanstalt für Finanzdienstleistungsaufsicht and subject to limited regulation by the Financial Conduct Authority and Prudential Regulation Authority. Details about the extent of their regulation by the Financial Conduct Authority and Prudential Regulation Authority are available on request.
