This recommended retail price list supersedes all previous recommended retail price lists and is effective from 14.11.2019. All recommended 'On the road' retail prices, recommended retail prices and specifications are correct at the time of going to press. These prices and specifications may be subject to change without notice.

## VOLKSWAGEN SERVICE PLAN – RETAIL SALES ONLY

For vehicles under 1 year old set to the Fixed Service regime that has not had its first service, comprising first two manufacturer's scheduled services:

- 'Oil service' including oil filter change
- 'Oil service' including oil filter change and 'Inspection service' plus a pollen filter replacement (if required)

Excludes electric vehicles. Service plan covers first two consecutive services, limited to 1x 'Oil service' and 1x 'Oil and Inspection service'. T&Cs apply: All vehicles must be set to the Fixed Service regime by the retailer. Maximum age of car is 12 months (Service plan must be taken out before first service is due). Additional work, including wear and tear is excluded. Servicing must be carried out in line with the requirement of the Service Schedule. All work must be carried out by an Authorised Volkswagen Repairer. Offers may be varied or withdrawn at any time. Plan validity is dependent on required payments received. Administered by Volkswagen Financial Services. Retail sales only. For pricing and further details, please consult your authorised Volkswagen retailer or visit [volkswagen.co.uk](http://volkswagen.co.uk)

Front cover model shown is Touareg R-Line with optional 'IQ. Light' LED matrix headlights, headlight washers and premium signature paint.

1 Figures shown are for comparability purposes; only compare fuel consumption and CO<sub>2</sub> figures with other vehicles tested to the same technical procedures. These figures may not reflect real life driving results, which will depend upon a number of factors including the accessories fitted (post-registration), variations in weather, driving styles and vehicle load. There is a new test used for fuel consumption and CO<sub>2</sub> figures (known as WLTP). The CO<sub>2</sub> figures shown however, are based on a calculation designed to be equivalent to the outgoing (NEDC) test cycle and will be used to calculate vehicle tax on first registration. For more information, please see [volkswagen.co.uk/owners/wltp](http://volkswagen.co.uk/owners/wltp) or consult your authorised Volkswagen retailer.

2 For full details of 'First year rate' VED (Vehicle Excise Duty), delivery to retailer, number plates and vehicle first registration fee included in the recommended 'On the road' retail price, please see page 24.

3 P11D value = Total recommended retail price + delivery to retailer £509.17, + number plates £20, + VAT £105.83 (calculated by reference to total of delivery to retailer + number plates). P11D value is based on standard specification model with no factory-fitted options or other accessories.

4 The BIK % figure quoted includes the 4% diesel supplement, where applicable.

5 The ABI insurance group is the recommended insurance rating set by the Association of British Insurers. Please note that insurance group ratings are purely advisory. They are used by insurers (ABI members and Lloyd's syndicates) as one of the factors in calculating premiums. Insurers are not required to follow the advisory group ratings and they may depart from them if they so wish.

† These vehicles are WLTP (Worldwide Harmonised Light-Duty Vehicles Test Procedure) type approved vehicles. More information is available at [volkswagen.co.uk/need-help/wltp](http://volkswagen.co.uk/need-help/wltp).

‡ SCR (Selective Catalytic Reduction) requires AdBlue®, please see page 30 or visit [volkswagen.co.uk/technology/engines/adblue](http://volkswagen.co.uk/technology/engines/adblue) for more details.

RDE2 refers to Real Driving Emissions Step 2.

*Prices, specifications, features, technical and other information (including fuel consumption, CO<sub>2</sub> emissions and range) are updated regularly and are subject to change without notice (this may include changes between order and delivery). There may be a delay in updates to our materials – always consult your authorised Volkswagen retailer for the latest information.*

*Volkswagen UK may change RRP's at any time (this includes where there are government changes in regulation and/or legislation). There may be a delay to any RRP displaying correctly on our materials. Always obtain prices from your chosen authorised Volkswagen retailer.*

- Upholstery - 'Vienna Black' leather<sup>1</sup>. Leather upholstery consists of upper surface of seat base and backrest, and top part of front and rear armrests. Interior door panel trim in leatherette
- Front seats with manual 6-way adjustment
- Heated front seats with 3 preset temperatures
- Lumbar support for front seats, 2-way manual
- Modular rear seat system, with sliding and reclining function 40:20:40, split folding

Shopping bag hooks in luggage compartment x 2

Storage compartment in dashboard centre with cover and USB connectivity

Storage compartment in driver's door for 1.5 litre bottle

Storage compartments in passengers' doors for 1.0 litre bottle

12V sockets x 3 - located in centre console, rear centre console and luggage compartment

## IN-CAR ENTERTAINMENT AND COMMUNICATIONS

Discover Navigation Pro infotainment system

- 9.2" colour touch-screen
- Bluetooth telephone and audio connection for compatible devices<sup>2</sup>
- Branded points of interest
- Car information display
- DAB digital radio receiver
- Dynamic navigation based on TMC+, three route options (Fast, Short, Eco)
- Dynamic traffic sign recognition<sup>3</sup>
- 'Gesture Control'
- MDI (Multi Device Interface), via USB connection – compatible products only
- Music playback from MP3, WMA and AAC files
- Preloaded European navigation data
- SD card reader
- Simultaneous pairing of 2 compatible mobile devices
- SMS functionality – read, compose and send SMS messages using touch-screen display (when stationary, compatible Android smartphones only)
- Title and cover art display
- 'Think Blue. Trainer.' Driver tips and journey analysis
- Voice activated control system for telephone and navigation functions

## IN-CAR ENTERTAINMENT AND COMMUNICATIONS (CONTINUED)

Discover Navigation Pro infotainment system (continued)

- Volkswagen Media Control<sup>4</sup> – allows remote control of the infotainment system via smartphone or tablet
  - 3D map view
  - 2D/3D map view
  - 8 speakers front/rear 4 x 20 watt output
- Premium USB cable (choice of either Apple or Android smartphone compatibility)

## CAR-NET

Car-Net 'Guide and Inform Premium'<sup>5</sup>

- Providing online access to a range of useful information such as traffic, fuel pricing, weather, news feeds, internet and hybrid radio, online route calculation and satellite and 3D city maps – 3-year subscription

Car-Net 'Security & Service'<sup>6</sup>

- Provides continuous interaction between the driver, vehicle and Volkswagen, via integrated SIM-card connectivity
- Driver and vehicle integration with Volkswagen call centre or server for: 'eCall' – Emergency call service for SOS calls to emergency response incl. Automatic accident notification, Car breakdown, Vehicle health report and Service schedule

## CAR-NET (CONTINUED)

Car-Net 'Security & Service'<sup>6</sup> (continued)

- Driver and vehicle integration via Car-Net Portal or Car-Net app for: Driving data, Doors and lights, Area alert, speed alert, Horn and hazard lights, Parking position and Online anti-theft alarm – 3-year subscription
- Lock & Unlock – use the app to display the lock status and change this after entering the S-PIN. For reasons of security, a one-time identity check using the Volkswagen Ident procedure is a prerequisite

Car-Net 'App-Connect'<sup>7</sup>

- Combines the functionality of Apple 'CarPlay', Google 'Android Auto' and 'MirrorLink'™ allowing 'mirroring' of smartphone display on the infotainment touch-screen via USB connection

The specifications listed are for information purposes only as our products are continually updated and changes may be made to the specifications at any time. If you require any specific feature, please consult your authorised Volkswagen retailer who is regularly updated with any change in specification. Specifications are subject to change without notice.

## STANDARD ITEMS OF EQUIPMENT: SEL (CONTINUED)

### SAFETY AND SECURITY

Active bonnet – sensor controlled pedestrian protection system to raise bonnet away from engine compartment in the event of an impact

Adaptive Cruise Control (ACC), including Front Assist, radar sensor controlled distance monitoring system, City emergency braking system, cruise control and speed limiter

Dusk sensor

Traffic Sign Recognition, camera controlled system with visual warning for traffic and road signs

Electronic parking brake – with auto hold function

Hill descent assist

Hill start assist

Lane Assist, camera controlled warning system should the vehicle drift out of its lane

Multifunction camera

Multifunction computer with 7" colour screen in instrument cluster

Parking sensors, ultrasonic front and rear, optical and audible

Power-assisted steering, speed-sensitive

Remote unlocking for tailgate on driver's side

### EFFICIENCY

Battery regeneration (recuperation – energy recovery during braking)

Start/Stop function

- 1 Some parts of leather interior will contain artificial leather.
- 2 Phones must be Bluetooth HFP (Hands Free Profile) compatible, please contact your authorised Volkswagen retailer for specific phone compatibility.
- 3 Dynamic traffic sign recognition reflects national speed limits as well as temporary speed limit restrictions.
- 4 Only operable in conjunction with compatible tablets and smartphones including iPhone 5 and above. Please see [volkswagen.co.uk](http://volkswagen.co.uk) to check compatibility.
- 5 Car-Net 'Guide and Inform Premium' services are accessed via a compatible mobile device. Please see [volkswagen.co.uk](http://volkswagen.co.uk) for more information. The use of 'Guide and Inform Premium' services entails exchanging large volumes of data. As such, we strongly recommend that you sign-up for a flat rate data plan with your mobile network provider. After the initial 3-year Car-Net contract, an annual subscription is chargeable for the continuation of 'Guide and Inform Premium' services.
- 6 Use of Car-Net 'Security & Service' is governed in a separate Contract concluded online with Volkswagen. To use the free Car-Net app you will need a smartphone with iOS or Android operating system and a SIM-card with a data option. Depending on your mobile tariff, sending and receiving data online may incur additional charges (e.g. roaming charges), particularly if you are using Car-Net abroad. For more information on Car-Net 'Security & Service', go to [volkswagen.co.uk/technology/car-net/security-and-service](http://volkswagen.co.uk/technology/car-net/security-and-service) or contact your Volkswagen retailer.
- 7 Only operable in conjunction with compatible smartphones including iPhone 5 and above. Display and operation of certified apps including audio and voice control (if supported by the app). Usage of certified apps only while driving. Please see [volkswagen.co.uk](http://volkswagen.co.uk) to check smartphone compatibility.

Model shown is Touareg SEL with optional 21" 'Suzuka' Dark Graphite diamond-turned alloy wheels, panoramic sunroof, air suspension, 'IQ. Light' LED matrix headlights, headlight washers and metallic paint.

EFFECTIVE FROM 14 NOVEMBER 2019.

THE TOUAREG - 09

- 1 Some parts of leather interior will contain artificial leather.
- 2 The driver's seat moves backwards if the driving position is stored in the memory function after seat has been adjusted.

The specifications listed are for information purposes only as our products are continually updated and changes may be made to the specifications at any time. If you require any specific feature, please consult your authorised Volkswagen retailer who is regularly updated with any change in specification. Specifications are subject to change without notice.

## ADDITIONAL ITEMS OF STANDARD EQUIPMENT: BLACK EDITION (OVER R-LINE TECH)

### WHEELS AND SUSPENSION

Alloy wheels, four 9½J x 21" 'Suzuka' Gloss Black diamond-turned with 285/45 R21 tyres and anti-theft wheel bolts

Air suspension, lowered by approx 25mm. Including Driving Profile selection for: improved aerodynamics, off-road/rough terrain driving performance, automatic self-levelling suspension, height adjustment and electronic shock absorption control. Includes Normal, Comfort, Off-road and Special Off-road driving modes

Driving Profile selection

### EXTERIOR

Black door mirrors and side window surrounds

Black lower edge of door, extending onto sills

Black upper and lower grille louvres, extending into headlights and radiator grille

Headlight washers

'IQ. Light' LED matrix headlights

'R-Line' body styling kit – unique front and rear bumpers, side skirts and side sills

Roof rails, black anodised

### COMFORT AND CONVENIENCE

Keyless entry/keyless start and full electric tailgate operation

Panoramic sunroof with electrically operated sunblind

### DRIVER'S ASSISTANCE

Area view

Model shown is Touareg Black Edition with optional Silicon Grey metallic paint.

# FACTORY-FITTED OPTIONS

At Volkswagen, we work towards making sure that our cars are as close to how you want them as possible, and we understand that every detail needs to be right for you and your needs.

Introducing our exceptional range of factory-fitted options which allow you to express your individuality, help with the practical things in life, and add a touch of luxury at the same time. Whether you're looking for things to help you relax and help take the stress out of driving, feel protected, or simply look fantastic, just take your pick.

From night vision to a panoramic sunroof, from keyless entry to Ultra Metallic paint, you'll find everything you need on the following pages to make your Touareg **your** Touareg, and perfect in every detail.

Factory-fitted option prices are the manufacturer's Recommended Retail Prices (RRP), inclusive of 20% VAT, and are charged in addition to recommended 'On the road' retail price paid for the vehicle.

	Rear axle steering. Below 22mph rear wheels turn in the opposite direction to front for improved manoeuvring. Above 22mph rear wheels turn in the same direction to front for improved stability	○	○	○	○	-	1,975.00	2,370.00
		-	-	-	-	○	570.83	685.00

1 Must be ordered in conjunction with Air suspension, Air suspension with rear axle steering or 'Professional' Chassis pack.

2 Air suspension, Air suspension with rear axle steering and 'Professional' Chassis pack cannot be ordered in conjunction with each other.

*Choosing alternative alloy wheels than standard, as an option, may result in different fuel consumption as well as different CO<sub>2</sub> emissions and subsequently an alternative Vehicle Excise Duty (VED) band, while BIK rates paid by company car drivers may differ. This is due to the fact that different wheels have both alternative aerodynamic drag and mechanical drag, resulting in different rolling resistance and wind resistance. As a result, the VED band that the vehicle falls into may differ from its original VED band when fitted with standard size wheels. In some instances, the recommended 'On the road' retail price paid for the vehicle may change as a result of the change in VED rate. Please see page 28 for full details.*

● Standard equipment ○ Optional equipment - Not available. Factory-fitted options are subject to availability and extended delivery.

*Volkswagen UK may change RRP's at any time (this includes where there are government changes in regulation and/or legislation). There may be a delay to any RRP displaying correctly on our materials. Always obtain prices from your chosen authorised Volkswagen retailer.*

# WHEELS AND SUSPENSION (CONTINUED)

## 'Professional' Chassis pack<sup>2</sup>

'Professional' Chassis pack with eAWS electromechanical anti-roll bars for front and rear axles. Depending on driving situation and terrain, either side of the anti-roll bar can be stiffened or decoupled by an electronically controlled 48V actuator motor that joins them

Active eAWS anti-roll bars significantly reduce vehicle roll when cornering, while improving directional stability on roads that are uneven on one side. Driving off-road, electromechanical decoupling of the anti-roll bars enables improved articulation of the axles which improves traction

Air suspension system lowered by approximately 25mm. Including Driving Profile selection for: improved aerodynamics, off-road/rough terrain driving performance, automatic self-levelling suspension, height adjustment and electronic shock absorption control. Includes Normal, Comfort, Off-road and Special Off-road driving modes

Rear axle steering. Below 22mph rear wheels turn in the opposite direction to front for improved manoeuvring. Above 22mph rear wheels turn in the same direction to front for improved stability

# DRIVER'S ASSISTANCE

## Driver's Assistance Pack Plus

Emergency Assist, driver intervention should sensors detect the driver is incapable of driving. Automatic hazard light activation while bringing the vehicle to a controlled stop within its lane

Front Cross Traffic Assist: Radar sensor controlled warning system for vehicles approaching from the sides at junctions, driveways and parking spaces. Two radar sensors integrated in the front bumper monitor traffic to intervene with emergency braking if the driver does not react

Predictive Pedestrian Protection: Camera and radar sensor controlled warning system to detect pedestrians on the edge of, or in the road

Proactive occupant protection – using sensors from the Front Assist monitoring system to detect critical situations with elevated accident potential from the front

Side scan: Radar sensor controlled warning system for lane changing and blind spots with visual warning via light in door mirror housing

Traffic Jam Assist: Camera and radar sensor controlled warning system to accelerate, brake and steer should the vehicle drift out of its lane, providing the driver's hands are on the wheel

## Head-up Display<sup>1</sup>

Driving information including current speed is laser projected directly onto the windscreen within the driver's field of vision helping to reduce the time that the driver's eyes are averted from the road

## High Beam Assist

Automatic sensing for switching between dipped and main beam

## Park Assist and rear-view camera

Sensor controlled steering aid to assist parallel or bay parking. Rear-view camera displayed via the vehicle's infotainment system display. *Not in conjunction with Area view and Park Assist*

## Park Assist and Area view

Front, rear and side cameras to provide 360° exterior view of vehicle displayed via vehicle's infotainment system. Sensor controlled steering aid to assist parallel or bay parking. *Not in conjunction with Park Assist and rear-view camera*

## Night vision

Thermal imaging camera registers infrared radiation emitted by people or animals, displaying them in amber or red according to the level of risk, on a black and white image on the Digital Cockpit and optional Head-up Display. Visual warning and simultaneous pre-conditioning of brake assistance systems for optimum braking

## Side scan<sup>3</sup>

Radar sensor controlled warning system for lane changing and blind spots with visual warning via light in door mirror housing

Accessory prices are the manufacturer's Recommended Retail Prices (RRP), shown exclusive and inclusive of fitting where applicable, inclusive of appropriate VAT, and are charged in addition to recommended 'On the road' retail price paid for the vehicle. For full details, please contact your authorised Volkswagen retailer.

Volkswagen UK may change RRP's at any time (this includes where there are government changes in regulation and/or legislation). There may be a delay to any RRP displaying correctly on our materials. Always obtain prices from your chosen authorised Volkswagen retailer.

# VOLKSWAGEN SERVICE PLAN

## AN ADDITIONAL WAY TO KEEP YOUR PERFECT CAR, PERFECT FOR LONGER

Exclusions and terms apply, please see page 34 for more details. For pricing and further details of the Volkswagen Service Plan, please consult your authorised Volkswagen retailer or visit [volkswagen.co.uk](http://volkswagen.co.uk)

### VOLKSWAGEN SERVICE PLAN – RETAIL SALES ONLY

We offer Volkswagen Service Plans to cover all new models for their first two consecutive services in line with the Fixed Service schedule required on the vehicle. Your car will be in the hands of Volkswagen trained technicians who use specialist Volkswagen tools, technology and Volkswagen original parts, and all parts and labour are guaranteed for two years. What's more, the Volkswagen Service Plan will remain with the vehicle should you decide to sell your car.

#### Volkswagen Service Plan – retail sales only

For vehicles under 1 year old set to the Fixed Service regime that has not had its first service, comprising first two manufacturer's scheduled services:

- 'Oil service' including oil filter change
- 'Oil service' including oil filter change and 'Inspection service' plus a pollen filter replacement (if required)

Excludes electric vehicles. Service plan covers first two consecutive services, limited to 1x 'Oil service' and 1x 'Oil and Inspection service'. T&Cs apply: All vehicles must be set to the Fixed Service regime by the retailer. Maximum age of car is 12 months (Service plan must be taken out before first service is due). Additional work, including wear and tear is excluded. Servicing must be carried out in line with the requirement of the Service Schedule. All work must be carried out by an Authorised Volkswagen Repairer. Offers may be varied or withdrawn at any time. Plan validity is dependent on required payments received. Administered by Volkswagen Financial Services. Retail sales only. For pricing and further details, please consult your authorised Volkswagen retailer or visit [volkswagen.co.uk](http://volkswagen.co.uk)

# VED AND ADDITIONAL 'ON THE ROAD' COSTS

Diesel vehicles that do not meet the RDE2 standard will be charged a supplement on their 'First year rate' to the effect of moving up by one VED (Vehicle Excise Duty) band. The following tables give the rates of vehicle tax on cars registered on or after 1 April 2019. Please refer to the Model Prices pages to confirm which models are RDE2 compliant.

## 'FIRST YEAR RATE' VED – CARS REGISTERED ON OR AFTER 1.4.2019 BASED ON CO<sub>2</sub> EMISSIONS AND FUEL TYPE

Petrol/Diesel<sup>†</sup> – 'First year rate' VED

CO <sub>2</sub> emissions (g/km)	Petrol/Diesel <sup>†</sup> VED £	Petrol total 'On the road' costs £
0	0.00	690.00
1-50	10.00	700.00
51-75	25.00	715.00
76-90	110.00	800.00
91-100	130.00	820.00
101-110	150.00	840.00
111-130	170.00	860.00
131-150	210.00	900.00
151-170	530.00	1,220.00
171-190	855.00	1,545.00
191-225	1,280.00	1,970.00
226-255	1,815.00	2,505.00
Over 255	2,135.00	2,825.00

Diesel<sup>†</sup> – 'First year rate' VED

CO <sub>2</sub> emissions (g/km)	Diesel <sup>†</sup> VED £	Diesel total 'On the road' costs £
0	0.00	690.00
1-50	25.00	715.00
51-75	110.00	800.00
76-90	130.00	820.00
91-100	150.00	840.00
101-110	170.00	860.00
111-130	210.00	900.00
131-150	530.00	1,220.00
151-170	855.00	1,545.00
171-190	1,280.00	1,970.00
191-225	1,815.00	2,505.00
226-255	2,135.00	2,825.00
Over 255	2,135.00	2,825.00

Alternative fuel – 'First year rate' VED

CO <sub>2</sub> emissions (g/km)	Alternative fuel VED £	Alternative fuel total 'On the road' costs £
0	0.00	690.00
1-50	0.00	690.00
51-75	15.00	705.00
76-90	100.00	790.00
91-100	120.00	810.00
101-110	140.00	830.00
111-130	160.00	850.00
131-150	200.00	890.00
151-170	520.00	1,210.00
171-190	845.00	1,535.00
191-225	1,270.00	1,960.00
226-255	1,805.00	2,495.00
Over 255	2,125.00	2,815.00

<sup>†</sup> Diesel cars that are tested to RDE2 standards. <sup>†</sup> Diesel cars, including those tested to RDE standards.

## 'STANDARD RATE' VED

'Standard rate' VED based on fuel type

Fuel type	CO <sub>2</sub> emissions (g/km)	'Standard rate' 12 months VED £
Electric/Other	0	0.00
Petrol/Diesel	1 - Over 255	145.00
Alternative	1 - Over 255	135.00

After the 'First year rate', all vehicles with zero emissions will be exempt from the 'Standard rate' of vehicle tax. All petrol and diesel vehicles will pay a standard rate of £145 a year, and alternative fuel vehicles will pay a standard rate of £135 a year.

## 'STANDARD RATE' – OVER £40,000 RRP

'Standard rate' VED for vehicles over £40,000 list price – five year annual rate

Fuel type	'Standard rate' 12 months VED £	Additional rate £	Total annual payment £
Electric	0.00	320.00	320.00
Petrol/Diesel	145.00	320.00	465.00
Alternative	135.00	320.00	455.00

Petrol or diesel vehicles with a list price over £40,000 at first registration pay £465 a year after the 'First year rate' for a period of five years. Alternative fuel vehicles over £40,000 at first registration – hybrids, bi-ethanol or LPG, pay £455 a year after the 'First year rate' for a period of five years. Electric or vehicles producing zero emissions over £40,000 at first registration pay £320 a year after the 'First year rate' for a period of five years. After five years, vehicles will revert to their 'Standard rate' tax depending on fuel type.

## ADDITIONAL 'OTR' COSTS

Additional 'On the road' costs

Delivery to retailer	509.17
Number plates	20.00
VAT	105.83
Vehicle first registration fee	55.00
Total	690.00

The total 'On the road' costs above for petrol, diesel, electric and alternative fuel vehicles include the applicable 'First year rate' VED charge plus the 'On the road' costs as detailed above:

The way VED (Vehicle Excise Duty) vehicle tax is calculated will change for vehicles that are first registered with the DVLA on, or after, 1 April 2018. All new diesel vehicles registered after 1 April 2018 that do not meet the RDE2 standard will be charged a supplement on their 'First year rate' to the effect of moving up by one VED (Vehicle Excise Duty) band.

If a new vehicle is registered on or after 1 April 2018, after the 'First year rate' VED the majority of vehicles move to the 'Standard rate' of vehicle tax which is £145 a year.

The 'First year rate' will be based on the CO<sub>2</sub> emissions, fuel type and the list price of the vehicle supplied by the Manufacturer or Retailer as applicable on the day before the vehicle is first registered and taxed.

After the 'First year rate', all vehicles with zero emissions will be exempt from the 'Standard rate' of vehicle tax. All petrol and diesel vehicles will pay a standard rate of £145 a year, and alternative fuel vehicles will pay a standard rate of £135 a year.

Petrol or diesel vehicles with a list price over £40,000 at first registration will pay £465 a year, after the first 'First year rate' vehicle tax, for a period of five years. This comprises the £145 'Standard rate' and £320 additional rate. After five years the vehicle tax will revert to the 'Standard rate' of £145 per year.

Alternative fuel vehicles – hybrids, bi-ethanol or LPG, with a list price over £40,000 at first registration will pay £455 a year after the 'First year rate' vehicle tax for a period of five years. This comprises the £135 'Standard rate' and £320 additional rate which reverts to £135 'Standard rate' after five years.

Vehicles with a list price exceeding £40,000 with zero emissions (including electric) will pay the additional rate of £320 a year for a further five year period, after the 'First year rate' tax. After the five year period these vehicles will pay zero VED tax.

There is no provision for 6 month's 'First year rate' VED.

EFFECTIVE FROM 14 NOVEMBER 2019.

Model shown is Touareg SEL with optional 21" 'Suzuka' Dark Graphite diamond-turned alloy wheels, air suspension, 'IQ. Light' LED matrix headlights, headlight washers and metallic paint.

# CO<sub>2</sub> EMISSIONS, BIK% AND VED BANDS WITH OPTIONAL WHEELS

## EFFECT OF WHEEL SIZE ON CO<sub>2</sub> EMISSIONS, BIK% AND VED BANDS

Choosing alternative alloy wheels than standard, as an option, may result in different fuel consumption as well as different CO<sub>2</sub> emissions and subsequently an alternative Vehicle Excise Duty (VED) band, while BIK rates paid by company car drivers may differ. This is due to the fact that different wheels have both alternative aerodynamic drag and mechanical drag, resulting in different rolling resistance and wind resistance. As a result, the VED band that the vehicle falls into may differ from its original VED band when fitted with standard size wheels. In some instances, the recommended 'On the road' retail price paid for the vehicle may change as a result of the change in VED rate. The chart below shows CO<sub>2</sub> emissions and the related VED bands for vehicles with both standard-fit wheels and larger optional alloy wheels, as well as the different cost payable due to a change in VED band if applicable.

5-DOOR 4X4 RANGE.			Output, PS	Standard wheel size	CO <sub>2</sub> emission, g/km <sup>1</sup> , standard wheels	First year VED F, standard wheels	BIK % with standard wheel size <sup>2</sup>	Optional alloy wheel and size	CO <sub>2</sub> emission, g/km <sup>1</sup> , optional alloy wheels	First year VED F, optional wheels	BIK % with optional wheel size <sup>2</sup>
SEL <sup>†</sup>	3.0 ltr V6 TSI 4MOTION <sup>‡</sup>	8-spd auto tiptronic	340	19"	205	1,280.00	37	19" 'Tirano' Black diamond-turned, 20" 'Montero' Silver, 21" 'Suzuka' Dark Graphite diamond-turned	205	1,280.00	37

2 The BIK % figure quoted includes the 4% diesel supplement, where applicable. Please note: the increase in VED and BIK rate that is payable is in addition to the cost of the optional alloy wheels.

Please consult your Volkswagen retailer for full details.

‡ These vehicles are WLTP (Worldwide Harmonised Light-Duty Vehicles Test Procedure) type approved vehicles. More information is available at [volkswagen.co.uk/need-help/wltp](http://volkswagen.co.uk/need-help/wltp).

SCR (Selective Catalytic Reduction) requires AdBlue®, please see page 30 or visit [volkswagen.co.uk/technology/engines/adblue](http://volkswagen.co.uk/technology/engines/adblue) for more details.

RDE2 refers to Real Driving Emissions Step 2.

Your Volkswagen car is fitted with an advanced emissions control system, which helps your vehicle meet EURO 6 exhaust gas regulations.

## How does the system work?

AdBlue®, a water/urea based additive, is stored in a tank (like diesel fuel), however, unlike fuel it is not injected into the engine, but directly into a specially modified part of the vehicle's exhaust. This begins a chemical reaction which removes the polluting oxides of nitrogen (NOx), converting them into harmless oxygen and nitrogen in a process known as Selective Catalytic Reduction, or SCR for short. SCR is only applicable to diesel engines and the more economically you drive, typically, the less AdBlue® you will use.

The size of the AdBlue® tank fitted to your car will vary depending on which Volkswagen model you have, therefore the interval between top-ups will vary. In addition, many factors such as mileage, journey type, driving style and environmental conditions can influence how much AdBlue® is consumed. A passenger car can consume approximately 1.5 litres of AdBlue® every 620 miles (1.0–1.5 litres for the Passat and Passat Estate). The chart below details the AdBlue® tank size and location.

Model (SCR derivatives only)	Tank size (Approximately)	AdBlue® tank filler location	Initial warning of low AdBlue® (2,400km/1,500 miles to go) can be expected to occur at:
Touareg	12 litres	Behind the fuel filling flap	6,000 to 7,000 miles or sooner*

\* Distances are approximate and the warning light may come on sooner depending on driving style, journey type, engine and vehicle load and environmental conditions.

## How will I know if the system needs topping-up?

A series of warnings will be given via the driver information system, accompanied by advice/messages.

The first message is displayed when the remaining range is approximately 1,500 miles, and is repeated every 62 miles until the range reaches 1,000 miles, at which point the warning turns amber. This warning is repeated every 31 miles and is accompanied by an audible tone. If these warnings are not acted upon, the warning turns red; once this happens the car will not restart once the ignition is turned off. This is not a fault, but a required feature of the system. If this stage is reached the system will need a full top-up before the car can be restarted. Further information is available in the vehicle handbook.

## Why should I use a Volkswagen Authorised repairer for top-ups?

- AdBlue® top-ups at authorised repairers are extremely competitive and charged by the litre, so you only pay for what you need
- Authorised repairer staff are trained to handle AdBlue®
- AdBlue® tanks need special adaptors on fillers to ensure there are no spillages
- Volkswagen do not recommend keeping top-up bottles in cars

The top-up bottles supplied by Volkswagen have a capacity of 1.89 litres, and come complete with the adaptor nozzles that fit the Volkswagen AdBlue® tank. These are available from all Volkswagen Authorised repairers.

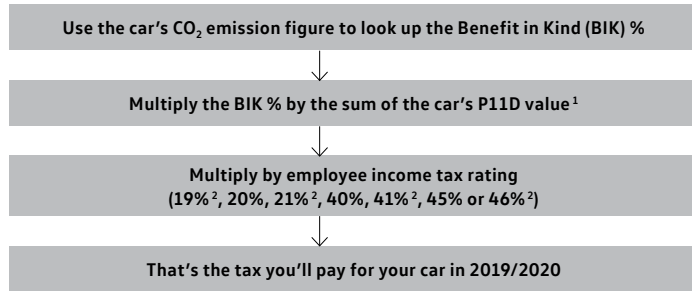

## Important information

- AdBlue® is not a fuel additive. This is why there is a separate AdBlue® tank
- If you put AdBlue® in your fuel tank by mistake, please do not start the engine, but contact a retailer for help
- Put only AdBlue® in the AdBlue® tank; do not fill the AdBlue® tank with any other liquids
- Prevent anything from contaminating AdBlue®
- If small quantities of AdBlue® come into contact with the vehicle's paintwork, for example, wipe them off and if necessary rinse the area with water

AdBlue® warning lights.

# COMPANY CAR TAXATION CHART – TAX YEAR 2019/20

## HOW TO CALCULATE YOUR COMPANY CAR INCOME TAX LIABILITY – EFFECTIVE 6.4.2019

The government is retaining the diesel supplement in company car tax until 2021, when EU-wide testing procedures will ensure new diesel cars meet air quality standards even under strict 'real world' driving conditions. From 6 April 2018 drivers must add 4% to their appropriate percentage if the car is propelled solely by diesel (up to a maximum of 37%).

From 2020/21, the BIK percentages for zero emission cars will reduce from 16% to 2%, whilst BEV/PHEV cars with CO<sub>2</sub> emissions between 1-50g/km will vary between 2% and 14%, depending on the electric range (miles).

For further details of company car tax, please consult your authorised Volkswagen retailer, or visit [volkswagen.co.uk/offers-and-finance/fleet/calculators/company-car-tax-calculator](http://volkswagen.co.uk/offers-and-finance/fleet/calculators/company-car-tax-calculator). Full details can be found at [assets.publishing.service.gov.uk/government/uploads/system/uploads/attachment\\_data/file/815268/190617\\_-\\_WLTP\\_-\\_summary\\_of\\_responses\\_v2.2.pdf](https://assets.publishing.service.gov.uk/government/uploads/system/uploads/attachment_data/file/815268/190617_-_WLTP_-_summary_of_responses_v2.2.pdf)

- 1 P11D values given in this price list are based on standard specification models with no factory-fitted options or other accessories. If your car includes factory-fitted options or other accessories, you may need to adjust the P11D value to take this into account.
- 2 From 6 April 2018, new income tax rates have been introduced for Scottish Taxpayers, these figures reflect the new Scottish rates. For full details of Scottish BIK tax liability, please refer to the Benefit In Kind for Scottish Residents section on page 31.
- 3 Subject to UK Government announcements.
- 4 Diesel cars that are tested to RDE2 standards.

									2021/22	57,510.00	37	8,511.48

1 Figures shown are for comparability purposes; only compare fuel consumption and CO<sub>2</sub> figures with other vehicles tested to the same technical procedures. These figures may not reflect real life driving results, which will depend upon a number of factors including the accessories fitted (post-registration), variations in weather, driving styles and vehicle load. There is a new test used for fuel consumption and CO<sub>2</sub> figures (known as WLTP). The CO<sub>2</sub> figures shown however, are based on a calculation designed to be equivalent to the outgoing (NEDC) test cycle and will be used to calculate vehicle tax on first registration. For more information, please see [volkswagen.co.uk/owners/wltp](http://volkswagen.co.uk/owners/wltp) or consult your authorised Volkswagen retailer.

2 The BIK % figure quoted includes the 4% diesel supplement, where applicable.

3 From 6 April 2018, new income tax rates have been introduced for Scottish Taxpayers. For full details of Scottish BIK tax liability, please refer to the Benefit In Kind for Scottish Residents section on page 35.

† These vehicles are WLTP (Worldwide Harmonised Light-Duty Vehicles Test Procedure) type approved vehicles. More information is available at [volkswagen.co.uk/need-help/wltp](http://volkswagen.co.uk/need-help/wltp).

All examples are for manual derivatives unless otherwise stated.

RDE2 refers to Real Driving Emissions Step 2.

# THE VOLKSWAGEN SERVICE, FOR YOUR PEACE OF MIND

## VOLKSWAGEN FINANCE<sup>1</sup>

Volkswagen Finance specialises in providing funding solutions for Volkswagen drivers. Whether your Volkswagen is for private or business use, you can choose from a range of funding options.

### Solutions – a Personal Contract Plan

Flexible finance plan designed to allow you to drive a new vehicle sooner than you think. At the end of your agreement you can choose to trade in your Volkswagen for a new one, keep it, or hand it back.

### Hire Purchase

A simple and straightforward way to finance your Volkswagen. Have the option to break down your monthly payments over a period that suits you, making financing your car much more manageable than you think.

### Contract Hire

Available for both personal and business customers. Ideal for customers simply wanting to pay a monthly rental for the vehicle, change it on a regular fixed period and have no disposal risk.

- Lease Purchase
- Finance Lease

With all Volkswagen Finance products you can choose a fixed-cost maintenance plan to help you budget for your servicing and maintenance costs. Buy your service plan online or visit your local Volkswagen retailer for more information.

## VOLKSWAGEN INSURANCE<sup>2</sup>

We want you to start enjoying your new car from day one, and thanks to our complimentary five day Volkswagen Drive Away Insurance you can. Please visit: [insurewithvolkswagen.co.uk/driveaway](https://www.insurewithvolkswagen.co.uk/driveaway) to activate your cover. If eligible, we will also give you a quotation for our annual insurance, designed specifically for Volkswagen drivers.

## ANNUAL CAR INSURANCE

Volkswagen car insurance helps give you peace of mind with the following benefits at no extra cost:

- Repairs carried out by Volkswagen trained technicians using Volkswagen Genuine Parts and paints when repaired by a Volkswagen approved repairer
- Guaranteed courtesy car
- Child seat replacement
- Uninsured driver promise
- Vandalism promise
- 24 hour accident recovery

For more information or to get a quote, visit: [insurewithvolkswagen.co.uk](https://www.insurewithvolkswagen.co.uk)

## SERVICING AND MAINTENANCE

Volkswagen is pleased to offer you a choice on how your Volkswagen is serviced. The appropriate selection is entirely dependent on how the car is likely to be driven and its general use. To help you identify which type of service would be most suitable, please refer to the following guide.

### Fixed Service

The Fixed Service is recommended for vehicles that will cover less than 10,000 miles in 12 months and if the vehicle is likely to be used in the following way:

- Predominantly urban driving, short journeys with frequent cold starts.
- Activities regularly producing high engine loading, e.g. frequent hill climbs, driving with vehicle fully loaded and towing.
- Uneconomical driving style using high rpms with heavy acceleration and heavy braking.

The service intervals for the Fixed Service schedule are as follows:

- Oil change service – After 1 year or 10,000 miles (15,000km), whichever is soonest.
- Inspection service<sup>3</sup> – First after 2 years or 20,000 miles (30,000km), then every 1 year or 20,000 miles (30,000km), whichever is soonest.

## SERVICING AND MAINTENANCE (CONTINUED)

### Flexible Service

The Flexible Service is recommended for vehicles with daily mileage of more than 25 miles where the vehicle is driven regularly mainly on longer distance journeys. The vehicle is driven mainly at a constant speed with minimum vehicle and engine loading, minimal towing and driven in an economical manner. With the Flexible Service the vehicle can cover anywhere between 10,000<sup>a</sup> and a maximum of 20,000<sup>a</sup> miles or 24 months (whichever is soonest) between oil changes.

The service intervals for the Flexible Service schedule are as follows:

- Oil change service – According to flexible service interval display (after 2 years at the latest).
- Inspection service<sup>3</sup> – First after 2 years or 20,000 miles (30,000km), then every one year or 20,000 miles (30,000km), whichever is soonest.

The up! model is only available with the Fixed Service schedule. Please consult your authorised Volkswagen retailer or repairer for advice and full details.

### Electric vehicles

Vehicles powered only by an electric motor require a Fixed Service schedule as follows:

- Inspection service – First after 2 years or 20,000 miles (30,000km), whichever is soonest.
- Subsequent services every 1 year or 20,000 miles (30,000km), whichever is soonest.

Please note: If you purchase a Volkswagen Fixed Price Service Plan your vehicle will follow the Fixed Service schedule.

## VOLKSWAGEN ENSURANCE<sup>5</sup>

Get three years' Volkswagen Insurance cover for free.

Another great benefit of being a Volkswagen driver. If your Volkswagen was damaged in an accident, wouldn't you want it fixed by a Volkswagen trained technician using only Genuine Volkswagen Parts? Insurance is Volkswagen's accident and repair cover which does exactly that. It works alongside your main comprehensive motor insurance policy no matter who you are insured with, to make sure you get the quality repair and service you would want. If you're involved in an accident or your car is stolen, just one call to us and we'll look after your claim from start to finish, ensuring your Volkswagen is restored to the highest standard.

Activate your cover and benefit from:

- A guarantee that your Volkswagen will be repaired by a Volkswagen approved repairer and Volkswagen trained technicians, using only Genuine Volkswagen Parts and paints.
- A dedicated Claims Manager who will manage your claim from start to finish, liaising with your insurer and the repairer so you don't have to.
- Help to recover any uninsured losses using our Legal Expenses Cover.
- Online claims tracking so you can keep up to date with the status of any claim.

Volkswagen Insurance is free to all Volkswagen customers for three years and it only takes a minute to get cover.

To find out more and to activate your cover, visit: [insurewithvolkswagen.co.uk/insurance](https://www.insurewithvolkswagen.co.uk/insurance)

## WARRANTY

**Exclusions and terms and conditions apply to all warranties, plans and insurance listed. For pricing and further details of Volkswagen Warranties, Service Plans and Insurance, please consult your authorised Volkswagen retailer or repairer, or visit: [volkswagen.co.uk](http://volkswagen.co.uk)**

## THE VOLKSWAGEN WARRANTY THREE-YEAR WARRANTY

All Volkswagen passenger cars come with a three-year/60,000 miles warranty, which protects your car against the failure of most technical and electrical components due to manufacturing defects. This comprises a two-year manufacturer's warranty with unlimited mileage plus a further one-year/60,000 miles (whichever is soonest) Retailer Warranty\*. Should the mileage exceed 60,000 miles within the first two years, the manufacturer's two-year warranty will still be valid. Full details of the three-year warranty are available from your authorised Volkswagen retailer or repairer.

## BODY PROTECTION WARRANTY

The internal body sections and panels are covered against rusting through from the inside for 12 years. Naturally, the vehicle must be cared for in compliance with the manufacturer's operating instructions. Please consult your authorised Volkswagen retailer or repairer for full warranty details.

## THREE-YEAR PAINTWORK WARRANTY

This latest paintwork warranty, pioneered by Volkswagen, provides you with cover on a new car. Naturally, during the warranty period the car must be cared for in compliance with the manufacturer's operating instructions. Any paintwork defects, as a result of the manufacturing process, will be rectified without charge.

## APPROVED ACCESSORIES

A comprehensive range of accessories from alloy wheels to carpet mats is available to complement the factory-fitted option list. Volkswagen approved accessories purchased from and fitted by your authorised Volkswagen retailer at the point of vehicle sale will also benefit from the three-year vehicle warranty.

## VOLKSWAGEN ROADSIDE ASSISTANCE

Every new car is registered for Volkswagen Roadside Assistance for one year except the Touareg which is registered for three years. This provides vehicle roadside and home recovery in the unlikely event of a breakdown in the UK and Europe (subject to conditions). Volkswagen Roadside Assistance can also be purchased for subsequent years.

**Exclusions and terms and conditions apply. For pricing and further details of Volkswagen Roadside Assistance, please consult your authorised Volkswagen retailer, or visit: [volkswagen.co.uk](http://volkswagen.co.uk)**

## ADBLUE®

Diesel engines with SCR (Selective Catalytic Reduction) technology require AdBlue® which must be kept topped up. Please see [volkswagen.co.uk/technology/engines/adblue](http://volkswagen.co.uk/technology/engines/adblue) for more details.

## PRICES AND SPECIFICATIONS

The prices and specifications contained in this price list are for information purposes only as our products are continually updated and changes may be made to the prices and specifications at any time. If you require any specific feature, please consult your authorised Volkswagen retailer who is regularly updated with any change in specification. Prices and specifications are subject to change without notice.

Following the announcement of a price increase, any vehicle order which can be accepted into the factory production system before the effective date of the price increase will be supplied at the current price, even if built and delivered after the date on which the increase became effective.

*Note: We would like to advise you that telephone calls to Volkswagen Customer Care may be monitored and recorded as part of our training and quality assurance processes. All our monitoring and recording processes meet Ofcom regulations.*

## BENEFIT IN KIND (BIK) FOR SCOTTISH RESIDENTS

Effective as of 6 April 2018, the Scottish Government introduced their own BIK taxation structure. This is only applicable to Company Car Drivers that are resident Scottish taxpayers. HMRC will continue to be responsible for the collection and management of taxes and will determine whether or not an individual is a Scottish taxpayer based on where their primary place of residence is.

### Scottish Income Tax rates and Bands 2018/19

Starter rate 19% – over £11,850 – £13,850

Basic rate of 20% – over £13,850 – £24,000

Intermediate rate 21% – over £24,000 – £44,273

Higher rate 41% – over £44,273 – £150,000

Top rate 46% – above £150,000

1 Finance is available to 18s and over, subject to status. Terms and conditions apply. Volkswagen Finance.

2 Volkswagen Car Insurance is underwritten by UK Insurance Limited. Registered Office: The Wharf, Neville Street, Leeds LS1 4AZ. Registered in England and Wales number: 1179980. UK Insurance Limited is authorised by the Prudential Regulation Authority and regulated by the Financial Conduct Authority (FCA) and the Prudential Regulation Authority. Calls may be recorded. Volkswagen Financial Services is a trading name of Volkswagen Financial Services (UK) Limited ('VWFS UK'), registered in England and Wales number: 2835230 (Registered Office: Brunswick Court, Yeomans Drive, Blakelands, Milton Keynes MK14 5LR). Volkswagen Insurance Service (Great Britain) Ltd. is an appointed representative of VWFS UK. VWFS UK is authorised and regulated by the FCA, registration number: 311988. Authorisation details for both organisations can be checked on the Financial Services Register by visiting [fca.org.uk](http://fca.org.uk). VWFS UK and UK Insurance Limited are not part of the same corporate group.

3 The inspection service first at 2 years (or 40,000 miles) and then every second year (or 40,000 miles) has additional workscope.

4 The quoted mileage is based on a conversion from kilometres and is therefore unlikely to exceed circa 18,000 miles between oil changes.

5 Insurance from Volkswagen Financial Services is sold and administered by Lawshield UK Limited, registered in England number: 3360532. Registered office: Lawshield House, 850 Ibis Court, Lakeside Drive, Centre Park, Warrington, Cheshire, WA1 1RL and underwritten by UK General Insurance Limited on behalf of Great Lakes Insurance SE. Great Lakes Insurance SE is a German insurance company with its headquarters at Königinstrasse 107, 80802 Munich. UK Branch office: Plantation Place, 30 Fenchurch Street, London, EC3M 3AJ. Lawshield UK Limited is authorised and regulated by the Financial Conduct Authority (FCA). Authorisation details can be checked on the FCA's register at [fca.org.uk](http://fca.org.uk). Great Lakes Insurance SE, UK Branch, is authorised by Bundesanstalt für Finanzdienstleistungsaufsicht and subject to limited regulation by the Financial Conduct Authority and Prudential Regulation Authority. Details about the extent of their regulation by the Financial Conduct Authority and Prudential Regulation Authority are available on request.

6 All warranty work must be completed by an authorised Volkswagen retailer or repairer.
