Traffic information services available from the Highways Agency

The Highways Agency provides live traffic information on England's motorways and major A roads in a number of ways to help You plan Your journey. The Agency's website gives You access to up to date information on the current traffic conditions including unplanned incidents such as accidents and congestion, lane closures and other restrictions due to improvement works.

Live traffic information is also available on compatible mobile devices at www.highways.gov.uk/mobile or alternatively, iPhone users can download a free travel news app by going to the iTunes store and searching for 'Highways Agency'. The app allows You to check how the traffic is flowing on motorways and major A roads in England before You begin Your journey or when You stop for a break – never use a mobile phone while driving.

The Agency's National Traffic Operations Centre also provides live updates using the micro-blogging site Twitter. This service will let You know of any major traffic incidents, along with timely information to help You on Your way. This includes regional feeds providing live traffic information. For the full index and map of the areas covered, visit www.highways.gov.uk/twitter.

You can speak to an advisor at the Highways Agency Information line 24 hours a day on 0300 123 5000*. These advisors have access to live traffic data so You can get updates on all major incidents on motorways and major A roads across England. You can also use this service to report any urgent road safety issues, for example debris on the road.

There are over 2,000 large electronic signs across the Agency's network to inform You of traffic conditions ahead. They also carry road safety campaign messages such as warning You to slow down or reminding You not to use a mobile phone while driving.

* Calls from landlines to 0300 numbers can cost up to 8p per minute but are free from some landline providers; mobiles usually cost more. Please check costs with your service provider.

England's motorways are changing

Controlled motorway

Uses variable mandatory speed limits (VMSL) on a motorway with a hard shoulder.

Hard shoulder running

During peak times the hard shoulder will be open to traffic as a running lane.

All lane running

There is no hard shoulder on these sections of motorway. Obey variable speed limits and do not stop on the motorway. If you need to stop in an emergency, use an emergency refuge area (shown in the picture above), motorway service area or leave at the next junction.

Speed limit signs

Speed limits will vary. Speed limits will be applied at times of congestion, to prevent stop start conditions. Signs above the carriageway will advise the current speed limit. If no speed limit is shown the national speed limit applies.

Emergency refuge areas

Drivers who breakdown should try to drive to the nearest emergency refuge area or if a breakdown occurs in a live lane we set signs and signals on the overhead gantry until assistance can reach the driver.

A red **X** symbol on a gantry sign over the motorway

or

A red **X** symbol on a gantry sign at the side of the motorway

Red X

We use a red **X** symbol to show that a lane is closed because of an incident or people working on the road. Driving in a lane with a red **X** symbol is dangerous and drivers must **NOT** use it.

Electronic Signals

The electronic signs and signals on smart motorways let you know about traffic conditions on the road ahead, current speed limits and

availability of individual lanes. It is important to comply with the signs, which will make your journey safer and more reliable.

Blank signal

This is applicable to all lanes, including the hard shoulder, where it is used as a running lane, and means that normal motorway rules apply. The hard shoulder is only for use in case of an emergency or breakdown.

Speed limit

This is applicable to all lanes, including the hard shoulder when in use, and means that this is the maximum permitted speed. The speed will be enforced by digital enforcement cameras.

Arrow with flashing beacons

This is applicable to all lanes, including the hard shoulder, and means that you should move into the lane as directed.

Red cross with flashing beacons

This is applicable to all lanes, including the hard shoulder, and means that you must not proceed any further in this lane.

Red cross without flashing beacons

This is applicable to the hard shoulder only and means that you should only use the hard shoulder in an emergency or breakdown, as per the Highway Code.

National speed limit

This is applicable to all lanes, including the hard shoulder where used as a running lane, and means that national speed limits apply.

Please note: the above table has been read in conjunction with the AA Touring Tips for the relevant country. The table is not a comprehensive list and for further information, please visit www.theaa.com and the respective AA Touring Tips and Winter Requirement pages. Items highlighted above can be purchased from the AA Travel Shop – the one stop shop for all your motoring accessories.

- Guide to table:
- Minimum age at which a visitor may drive a car.
 - UK driving licences which do not incorporate photograph are recognised but, drivers must be able to produce photographic proof of identity (e.g. passport).
 - All valid UK licences should be accepted. However, the acceptance of the older 'all green' style UK licences cannot be guaranteed. Drivers may wish to voluntarily update them before travelling abroad, if time permits. Alternatively, older licences may be accompanied by an IDP.
 - Before taking a vehicle abroad contact your motor insurer or broker to notify them of your intentions, and ask their advice. It is important to know what level of cover you will have and what documents you need to prove it.
 - GB Stickers are compulsory within the EU unless your UK registration plates display the GB Euro-symbol (Euro-plates) which became a legal option from 21 March 2001. The Euro-plate must comply with the new British Standard (BS AU 145d). The Euro-plate is only legally recognised in the EU; it is still a requirement to display a GB sticker when travelling outside the EU.
 - Not required for two-wheeled vehicles.
 - Although not compulsory for visiting motorists to carry a warning triangle, its use is compulsory in an accident/breakdown situation.
 - Spain:** one warning triangle compulsory for non-Spanish registered vehicles; two for Spanish registered vehicles. Note: drivers of non-Spanish registered vehicles should consider carrying two triangles as, regardless of regulations, local officials may impose an on-the-spot fine if only one is available.
Croatia: two triangles compulsory for vehicles towing a trailer. **Switzerland:** warning triangle must be kept within easy reach (not in the boot).
 - The use of hazard warning lights or a warning triangle is compulsory in an accident/breakdown situation. However, a warning triangle should always be carried as hazard-warning lights have no effect at bends or rises in the road, or may become damaged or inoperative.
 - Wearing, compulsory if driver and/or passenger(s) exits vehicle immobilised on carriageway, in **Italy** at night or in poor visibility, in **Spain** on all motorways and busy roads, it must be kept within the vehicle. In **Croatia** the wearing is compulsory whenever you have to get out of the vehicle at the roadside in an emergency. In **Portugal** and **Norway** the actual law applies to residents; however, regardless of the regulations local officials may impose an on-the-spot fine.

- In **Belgium** the wearing of the reflective jacket only applies to the driver, it must be worn should you be stranded on a Belgian motorway or on a major road or should you stop at a place where parking is not allowed. In **France** drivers must have one warning triangle and one reflective jacket in their vehicle. In **Austria** the regulation applies only to the driver.
- The legal requirement is to 'not dazzle oncoming drivers' rather than specifically to adjust/convert the headlight beam pattern. Without adjustment the dipped beam will dazzle oncoming drivers and this could result in a fine. Headlight beam converter kits are widely available but may not be suitable for all types of headlights. The AA shop sells beam converters suitable for all vehicles and individual fitting diagrams are included for the latest 'clear glass', 'projector and xenon' headlights inside the packaging. In some countries it is compulsory to use dipped headlights at all times when driving during the day. Note: this adjustment is not required for two-wheeled vehicles as the beam pattern is more symmetrical but check that any extra loading has not affected the beam height. On some cars it is inadvisable or impossible for anyone other than a qualified technician to change a headlight bulb unit e.g. high intensity discharge (HID) headlights and carrying spares is not an option. However, it is recommended that spare bulbs are carried for any lights that may be easily and/or safely replaced by the owner/driver. Spare bulbs are compulsory for **Croatia**.
 - Sweden:** police are not authorised to actually collect fines, which must be paid in accordance with notice instructions. **Italy:** police will collect a quarter of the maximum fine amount from drivers of foreign registered vehicles. **Ireland:** police are not authorised to actually collect fines, they will issue a notice which must be paid within 28 days. **Croatia:** the fine does not have to be paid on-the-spot; however it does need to be paid within eight days. **Portugal:** some traffic police carry ATMs.
 - Portugal:** visiting drivers of 17 years of age may encounter problems even though they hold a valid driving licence in the UK.
 - Outside built up areas, during snow or rain causing poor visibility.
 - Compulsory during daylight hours if the visibility is poor. For **France** the use of dipped headlights are recommended throughout the year, for **Croatia** during daylight hours from the last Sunday in October to the last Sunday in March.
 - Recommended as their carriage is compulsory for vehicles registered in that country.
 - Many countries now stipulate that GPS based navigation systems which have maps indicating the location of fixed speed cameras must have the 'fixed speed camera Pol (Point of interest)' function deactivated, please check individual touring tips.
 - In order to use some motorways in **Portugal**, a temporary electronic toll device (DEM) or the pre-payment of tolls is required.
 - Recommended for two-wheeled vehicles.
 - In principle all drivers should possess a breathalyser, however, as of 25 January 2013 a driver can not be penalised for not carrying one – the possibility of imposing a fine has been postponed indefinitely. The breathalyser has to be a certified by the French authorities, showing an 'NF' number. The official text states that one unused breathalyser should be produced. We recommend that two single-use breathalysers are carried, so if one is used or damaged you will still have a replacement to produce.

Accident Management terms and conditions

1. Accident Management services do not form a policy of Insurance.
2. Accident Management will only be provided following **Your** involvement in an **Accident** in the **United Kingdom** (please note that restrictions on certain services may apply in Northern Ireland).
3. **We** can stop providing **You** with Accident Management at any time if **We** reasonably believe (at **Our** discretion) that the service **You** are requesting goes beyond the scope of Accident Management or will cause **Us** to incur unreasonable costs on **Your** behalf (for example, if any claim is disputed by **Your** insurers, **We** will not be obliged to assist **You** in pursuing the claim). This will not affect any other aspect of Volkswagen Roadside Assistance.
4. Any contract for goods or services **We** obtain on **Your** behalf will be between **You** and the third party supplier (unless **We** notify **You** otherwise). **We** will not be responsible for the terms of any agreement with a third party supplier, or for the implications to **You** of entering into a contract on those terms. **You** should therefore check the terms of any such agreement carefully, to ensure that **You** are happy with them.
5. There may be additional charges for goods or services **We** arrange on **Your** behalf including, but not limited to, services such as the sourcing of car hire or car repair. **You** will be notified of any additional charges (either by **Us** or the third party supplier) before **You** are obliged to enter into any contracts with any third party suppliers.

Service whilst abroad

A **Vehicle** is only eligible to receive this aspect of Volkswagen Roadside Assistance if it is being used for a journey and returning to the **United Kingdom** within the **Period of Eligibility**. Any number of journeys up to 90 days each in duration are eligible for Volkswagen Roadside Assistance, but longer stays are not. Volkswagen Roadside Assistance provided in respect of **Breakdowns** occurring in the European Territories is subject to a maximum total benefit of £2,500 per claim. In the event of a **Breakdown**, **We** will procure for the following, subject to the limitations for each section.

Service in the United Kingdom en route to the European Territory

If **You** are stranded on a public highway through **Breakdown** of the **Vehicle** on the outward journey from **Home**, to **Your** point of departure from the **United Kingdom**, or on the inward journey from **Your** point of entry to the **United Kingdom** to **Home**, **We** will arrange and cover the cost of services as if **You** were abroad.

In addition, **We** may in **Our** absolute discretion procure a contribution towards the cost of self-drive hire car including collision damage waiver and replacement Green Card as necessary, to complete the planned journey if Volkswagen Roadside Assistance confirms the **Vehicle** cannot be repaired within 24 hours, this is subject to a maximum contribution of £750.

Service whilst abroad

Volkswagen Roadside Assistance is available for:

1. Attendance of local **Breakdown** or garage services to repair the **Vehicle** at the roadside if possible; or
2. Tow of the **Vehicle** from the place of **Breakdown** or, in **Our** absolute discretion, **Accident** to the nearest local repairer where **You** may arrange repairs;
3. Storage charges for the **Vehicle** while awaiting repair or repatriation up to £100 (this is provided in **Our** absolute discretion); and
4. The cost of wheel changes but not for replacement tyres, such assistance to be provided at **Our** absolute discretion.

Volkswagen Roadside Assistance is not available for:

- Any labour costs other than those incurred at the roadside. **We** will not pay labour costs at any garage to which the **Vehicle** is taken; or
- Repair costs, including labour, if the **Vehicle** was in a road traffic **Accident**, damaged by fire or stolen or is considered uneconomical to repair; or
- The cost of parts used for roadside or garage repairs; or
- The cost of any repairs not directly necessary to enable the **Vehicle** to continue the journey on the date of the **Breakdown**; or
- The cost of any other supplies, including but not limited to **Specialist Equipment**.

If the Volkswagen Group European Roadside Assistance centre can confirm that repairs to the **Vehicle** will take more than 12 hours of being notified of a **Breakdown**, or if it is to be repatriated to the **United Kingdom** then Volkswagen Roadside Assistance may in **Our** absolute discretion provide for either:

a) Additional accommodation expenses

A contribution of up to £60 per person per day towards necessary additional (not alternative) accommodation expenses (room only) while **You** wait for the **Vehicle**. Volkswagen Roadside Assistance is not available for the costs of meals, drinks or any other costs that are not specified above.

Or

b) Journey continuation or return Home

A contribution (subject to the limits set out in these Terms and Conditions) to travel expenses to allow **You** to either:

- Continue the planned journey during the period the **Vehicle** is not roadworthy; or
- Return **Home** by a direct route.

Expenses can comprise self-drive car hire up to a maximum of £750 including collision damage waiver and replacement Green Card as necessary, or second/standard class rail, or a combination of both. Volkswagen Roadside Assistance will in its reasonable discretion decide which course of action to adopt, but Volkswagen Roadside Assistance will take into consideration **Your** preference. **You** must collect the **Vehicle** when repaired as once the **Vehicle** is repaired and **You** have been notified, Volkswagen Roadside Assistance will not pay any further expenses other than the costs of collection. This benefit may also be available, in **Our** absolute discretion, if the **Vehicle** is stolen and not recovered within 24 hours of reporting the matter to the police. A police report must be obtained. However, this benefit will cease if and when the **Vehicle** is recovered in a roadworthy condition.

Volkswagen Roadside Assistance is not available for:

- Fuel, oil, personal insurance, any collection charge if a hire car is left at a different location to that arranged or any other costs in connection with self-drive hire car.
- The cost of any car hire beyond the period agreed with the Volkswagen Group European Roadside Assistance centre.
- Any car hire expenses after the **Vehicle** is repaired except for the direct journey to return and collect it.
- First class rail fares.
- Any costs under this benefit if they are for a service **You** used at the same time as the previous section 'Additional accommodation expenses'.
- International drop charges where a vehicle hired from abroad is dropped within the **United Kingdom**.
- The costs of hiring a motorcycle.
- Any hire costs not arranged through Volkswagen Roadside Assistance or agreed by Volkswagen Roadside Assistance.

If Volkswagen Roadside Assistance can confirm that repairs cannot be completed by **Your** planned return date to the **United Kingdom** and providing the cost of repatriation is not uneconomical. (Repatriation will be uneconomical if it will cost more than the **United Kingdom** market value of **Your Vehicle** according to Glass's guide or other appropriate industry standard used by Volkswagen Roadside Assistance).

Volkswagen Roadside Assistance may in Our absolute discretion either:

a) Vehicle repatriation to the United Kingdom

Arrange and cover the cost of taking the **Vehicle** by a road transporter from abroad to **Your Home** or chosen **United Kingdom** repairer for repair in the **United Kingdom**. When repatriation is authorised it normally takes 10-14 working days for delivery to a **United Kingdom** address from most west European countries. At busy times and from east European countries it may take longer.

If the **Vehicle** has been fitted with a roof box or bicycle rack, **You** must remove and place it inside the **Vehicle**. The roof box keys need to be left with the **Vehicle** keys.

Volkswagen Roadside Assistance is not available for:

- Any repatriation not authorised by the Volkswagen Group European Roadside Assistance centre.
- Repatriation if this is uneconomical. Repatriation will be uneconomical if it will cost more than the **United Kingdom** market value of the **Vehicle** according to Glass's guide or other appropriate industry standard used by **Us**.
- The cost of repatriation if the **Vehicle** is roadworthy.
- Any **Vehicle** being repatriated if Customs in any country find its contents are breaking the law.
- Any further costs in connection with the **Vehicle** once declared a write-off by **Us**.

Or

b) Collection of Vehicle left abroad for repair

Cover the following costs up to £600 for one person to collect the **Vehicle**, repaired abroad after **Breakdown**:

- Standard/second class rail fare plus other public transport fares which are necessary to reach the place of collection.
- Additional homeward cross channel ferry or rail fare for the repaired **Vehicle** (calculated by taking the actual fare less the value of any unused homeward portion of **Your** original cross channel ticket).
- Up to £60 per night for single room hotel accommodation necessary to complete the round trip – limited to room only.

Volkswagen Roadside Assistance is not available for:

- First class rail fares.
- The cost of any meals and drinks.
- The costs of more than one person.

Note: the Volkswagen Group European Roadside Assistance centre will, after taking a fair and reasonable view, decide whether **Your Vehicle** should be repaired abroad for **You** (or someone nominated by **You**) to return and collect. When **You** are advised the **Vehicle** is repaired and ready for collection, **You** must immediately notify the Volkswagen Group European Roadside Assistance centre by telephone.

Volkswagen European Roadside Assistance 24 hour helpline: 00 800 1330 3939.

Authority for repatriation or repair

If the **Vehicle** is not able to be driven due to a road traffic **Accident**, fire, break-in or theft, any damage which **You** are entitled to have repaired by **Your** motor insurers must be reported to them immediately. **Your** insurers must decide whether to declare the **Vehicle** as a write-off, authorise repair abroad or have the **Vehicle** repatriated. **We** cannot repatriate the **Vehicle** unless **Your** insurers first give their permission. Any repatriation after an **Accident** is at **Our** absolute discretion.

Volkswagen Roadside Assistance also reserve the right to negotiate with them to reclaim costs incurred. If **Your** insurers cannot or do not give permission to repatriate then it is Volkswagen Roadside Assistance's decision alone whether to declare the **Vehicle** as a write-off, or repatriate or repair locally a **Vehicle** which cannot be driven as a result of a **Breakdown**, or as a result of a road traffic **Accident**, fire or theft, for which **You** do not have fully comprehensive cover.

Additional services

We may in **Our** absolute discretion provide the following if applicable:

Vehicle break-in, emergency repairs

In the event of damage to windows, windscreens or locks caused solely by forcible entry, or attempted forcible entry of the **Vehicle**, **We** may in **Our** absolute discretion arrange for immediate emergency repairs up to £175, **You** MUST report the matter to the police before contacting **Us** or within 24 hours of contacting **Us**, and MUST obtain a written report from the police.

Volkswagen Roadside Assistance may in **Our** absolute discretion:

- Treat the **Vehicle** as if a **Breakdown** had occurred, meaning that **You** will be entitled to all of the services set out in this document except repatriation of the **Vehicle**.

Volkswagen Roadside Assistance is not available for:

- Any costs if **You** do not obtain a police report and submit it to **Us** within 14 days of request.
- Repatriation benefits as described under the section entitled 'Vehicle Repatriation to the United Kingdom'.

Spare parts dispatch

If as a result of a **Breakdown** the **Vehicle** needs parts but these are unavailable locally the **Vehicle** is in **Our** absolute discretion eligible for:

- Freight, handling and ancillary charges for dispatch of spare parts not obtainable locally.
- The fare for one person to collect parts from the appropriate railway station or airport.

Volkswagen Roadside Assistance is not available for:

- The cost of parts themselves, which must be paid on receipt. When telephoning the Volkswagen Group European Roadside Assistance centre **You** will be asked for **Your** credit card details. Alternatively **You** will be asked to pay for the part(s) direct to the repairer.

Accidental damage to or loss of tent

We may, in **Our** absolute discretion make a contribution to accommodation expenses of up to £30 per person per day if during the **Period of Eligibility** **You** are camping and **Your** tent is damaged accidentally making it unusable, or it is stolen. Alternatively, **We** may in **Our** absolute discretion authorise the cost of a replacement tent. If **Your** tent is stolen **You** must report the theft to the police as soon as reasonably possible and obtain a written report.

Volkswagen Roadside Assistance does not extend to:

- The cost of meals, drinks or any other costs that are not specified opposite.
- Damage caused by weather conditions.
- The cost of a replacement tent not authorised by **Us**.
- Any costs if **Your** tent was stolen and **You** do not report the theft to the police as soon as reasonably possible and obtain a written report.

Urgent message relay service

We may in **Our** absolute discretion relay urgent messages from the Volkswagen Group European Roadside Assistance centre to **Your** immediate relatives or close business associates if the **Vehicle** cannot be driven because of **Breakdown**, **Accident** or fire or it is stolen.

Volkswagen Roadside Assistance does not provide assistance with:

- Non urgent messages or messages to persons not described in the previous paragraph.
- The cost of relaying any urgent message not arranged through the Volkswagen Group European Roadside Assistance centre.

Replacement driver

We may in **Our** absolute discretion arrange and cover the costs of a replacement driver to drive the **Vehicle** and **Your Party** to **Your** destination or **Home**, if a registered doctor declares **You** medically unfit to drive and **You** are the only qualified driver.

A replacement driver will not be arranged if there is another qualified driver in **The Party** who is fit to drive. Replacement drivers are limited to one per journey abroad.

Requirements and limitations

A. Service in the United Kingdom and abroad

Credit card details

Volkswagen Roadside Assistance will require **Your** credit card details if Volkswagen Roadside Assistance arrange a service for **You** which is not covered by, or exceeds, any levels specified in the part entitled 'Terms and Conditions'. If **You** do not provide Volkswagen Roadside Assistance with **Your** credit card details Volkswagen Roadside Assistance will not be able to provide certain services which will be notified to **You** when credit card details are requested.

Caravans and trailers

The **Vehicle** restrictions apply equally to caravans and trailers except that the maximum length of trailers and/or caravans must not exceed 7m. If the **Vehicle** which has suffered a **Breakdown** is towing a caravan or trailer and **We** provide recovery, the caravan or trailer will be recovered together with the **Vehicle** to a single destination. Other than as set out in this paragraph caravans and trailers are not eligible to receive Volkswagen Roadside Assistance. **We** do **Our** best to find solutions to motoring problems, but **We** regret **We** cannot arrange a replacement caravan or trailer in the event of **Breakdown** or, in **Our** absolute discretion, **Accident** damage which cannot be repaired. It is also virtually impossible to hire vehicles with tow bars and it may become necessary to repatriate a caravan or trailer together with a towing vehicle which cannot be repaired abroad by the return date.

Unforeseeable losses or events

Except in relation to any claim **You** may have for death or personal injury or for fraud or fraudulent misrepresentation, neither **We** nor **Our Contractors** will be liable for any increased costs or expenses or any loss, damage, cost or expense incurred as a result of, or in connection with, Volkswagen Roadside Assistance that is not reasonably foreseeable, including loss of profit, business, contracts, revenue or anticipated savings, or for any business losses. **We** do not guarantee the provision of any of the benefits under this document, if there is anything beyond **Our** reasonable control (for example storm, flood, severe weather, severe road traffic congestion, natural disaster, terrorist attack, war, strikes) or the reasonable control of any service provider which prevents **Us** or a service provider from providing that benefit. Where such an event occurs, **Our** obligations under Volkswagen Roadside Assistance will be suspended and the time for performance of **Our** obligations will be extended for the duration of the event outside **Our** control. Benefits may be refused if **You** or any of **Your Party** behaves in a threatening or abusive way to any persons providing service.

Taxi bookings

In some circumstances it can be quicker and easier for **You** to arrange a taxi. **We** may ask **You** to make **Your** own arrangements for taxi service. If so please send **Your** receipts to **Us** and **We** will reimburse **You** subject to these Terms and Conditions, in particular the limits set out in the 'Onward Travel' and 'Service Whilst Abroad' sections.

Contractors

Volkswagen Roadside Assistance is provided by Volkswagen Group United Kingdom Limited. **We** reserve the right to change any **Contractor** (including the **AA**) in **Our** sole discretion from time to time.

Please note: **Our Contractors** provide services to **Us** and to drivers of **Vehicles** on **Our** behalf.

Nothing in the Terms and Conditions creates a direct contract between **You** and **Our Contractors**.

B. Service in the United Kingdom only

Battery related issues

We may in **Our** absolute discretion provide the following benefits:

- Initial attendance for a battery related issue.
- The fitting of any parts or batteries purchased by **You** prior to **Our** attendance is not covered. This is to ensure that parts are fitted from reputable sources in order to avoid secondary call outs.
- Volkswagen Roadside Assistance will test **Your** battery at that initial **Breakdown** attendance. If the battery is no longer serviceable and so fails the test **You** will be advised to replace it.

C. Service abroad only

Motor insurance

We strongly recommend **You** tell **Your** motor insurers before taking the **Vehicle** abroad. If **You** do not, **Your** motor insurance policy may only cover **You** for damage **You** might cause to other people or their property (third party cover). This means that **You** would not be covered for any loss or damage to the **Vehicle**. **Your** insurers will also need to know if **You** are towing a caravan or trailer.

Service providers

Unless the services are provided by Volkswagen Roadside Assistance patrols or **Contractors** acting on **Our** instructions and on **Our** behalf, **We** do not give any guarantee as to the services provided by:

- garages,
- breakdown/recovery companies,
- repairers,
- car hire companies and
- other third party service providers whose emergency services **We** arrange on **Your** behalf and/or pay for under European Motoring Assistance.

Such entities do not act as **Our** agents or subcontractors and **We** do not accept responsibility for their acts or omissions. **You** should check that any repairs to **Your Vehicle** are carried out to **Your** reasonable satisfaction.

Important self-drive hire car information

Volkswagen Roadside Assistance will normally try to arrange a hire car similar in seating capacity and volume to, but not necessarily the same as, the **Vehicle**, if there is one available. If **You** were travelling in an MPV or similar **Vehicle**, Volkswagen Roadside Assistance may arrange two hire cars. Volkswagen Roadside Assistance will only arrange this if there are two qualified drivers in **Your Party**. Otherwise, Volkswagen Roadside Assistance will arrange alternative means of transport.

Self-drive car hire arranged will be subject to the normal conditions of the hiring company. **You** will be required to enter in to a vehicle hire contract with the relevant hire car provider, and such contract will be between **You** and the relevant hire car provider. Hire car providers do not act as **Our** contractors.

The terms of such contracts will generally include limitations on driver age, driving convictions and other licence penalties etc. The driver must also have held a full **United Kingdom** driving licence or equivalent for a minimum of one year (two years for France).

Your credit card details will also be required as security for the hire and to cover extras such as top-up of the fuel tank when returning the vehicle. Car hire companies insist on having credit card details at the time of booking and the card must be produced at the time of hiring the car. The name on the credit card and the name of the driver of the hire vehicle must be the same. If **You** leave a hire car at a different location to the one arranged by the Volkswagen Roadside Assistance contact centre **You** must pay any collection charge which may be made.

In some parts of Europe hire cars are not allowed to cross national borders. It may be necessary therefore to arrange two hires or alternative transport to complete **Your** journey. A car hired abroad must not be brought into the **United Kingdom**. It cannot be guaranteed that a hire car will be available.

Volkswagen Roadside Assistance cannot arrange the hire of motorised caravans, motorcycles, convertibles or vehicles with tow bar, roof rack, roof boxes, automatic gearbox, sports cars, 4x4 or luxury class vehicles and cannot guarantee the hire of minibuses or vans. Volkswagen Roadside Assistance will not be responsible for any delays in obtaining a hired vehicle and cannot guarantee to provide it in time to connect with **Your** pre-booked ferry, etc. **You** may have to collect a hired vehicle from the nearest available place of supply.

Repayment of credit

You must pay back to Us on demand:

- a) any costs **We** have paid for which do not form part of Volkswagen Roadside Assistance as described in this document;
- b) the cost of any spare parts supplied.

Spares dispatch

After **You** have asked the Volkswagen Group European Roadside Assistance centre to dispatch parts **You** are responsible for paying for them in full, even if **You** later obtain them locally.

We will arrange the dispatch of parts as quickly as possible but delays will occur at weekends and bank holidays. **We** will not be responsible for manufacturers' or suppliers' errors, loss or damage of parts in transit or any delay in delivery.

Exclusions (Service in the United Kingdom and abroad)

Please note: **Our Contractors** provide services to **Us** and to drivers of **Vehicles** on **Our** behalf.

Nothing in these Terms and Conditions creates a direct contract between **You** and **Our Contractors**.

In addition to any limits and exclusions noted elsewhere Volkswagen Roadside Assistance does not provide assistance in respect of, and neither **We** nor **Our Contractors** are responsible for the following:

1. Costs for anything which was not caused by the **Breakdown**.

3. The cost of all parts, garage, labour or other costs in excess of the limits set out in this document. Please note these costs are likely to be higher in the **European Territory** than in the **United Kingdom**.

5. Any incident affecting a vehicle hired by **You** even if arranged for **You** by **Us**.
6. Routine servicing of **Your Vehicle**.
7. The cost of a glass or tyre specialist. **We** will arrange for **Your Vehicle** to be taken to a nearby garage for assistance but **You** will have to pay for any work carried out on the **Vehicle**. Any other recovery may be arranged but **You** will be liable for any additional costs.
8. Any consequence whatsoever which is the direct or indirect result of any of the following, or anything connected with any of the following, whether or not such consequence has been contributed to by any other cause or event:

- 13. Any claim which **You** have made under any policy of insurance held by **You**. If **You** have any policy which covers the same risk as Volkswagen Roadside Assistance **You** must advise **Us** of this when requesting service and **We** will be entitled to contact the insurance company to claim and receive a contribution towards costs.
- 14. The cost of any transportation, accommodation or care of any animal. Any onward transportation is at Volkswagen Roadside Assistance's discretion and solely at **Your** risk. Volkswagen Roadside Assistance will not insure any animal during any onward transportation.
- 15. Any period outside **Your Period of Eligibility**.
- 16. Any Volkswagen Touareg vehicle that does not conform to the following specification:

The **Vehicle** restrictions apply equally to caravans and trailers except that the maximum length of trailers and/or caravans must not exceed 7m. If the **Vehicle** which has suffered a **Breakdown** is towing a caravan or trailer and **We** procure recovery, the caravan or trailer will be recovered together with the **Vehicle** to a single destination. In the **European Territory** if the **Vehicle** requires repatriation **We** will arrange for repatriation of the caravan or trailer as well.

- 24. **Vehicles** which were broken down/had suffered a **Breakdown** or unroadworthy at the start of this **Period of Eligibility**.
- 25. It is a legal requirement that **Vehicles** used or recovered with their wheels in contact with the public highway must have a valid current excise licence. Where no current excise licence is displayed **We** will attempt to fix **Your Vehicle** at the roadside but will not provide any other service or benefit.
The above is not applicable to those vehicles exempt under Section 5 of the Vehicle Excise and Registration Act 1994 (which include certain types of vehicles, including certain old vehicles, agricultural vehicles and emergency vehicles) or under Section 5 of the Vehicle Duty Order 2010 in Isle of Man. For further information please contact either DVLA at www.dvla.gov.uk or Vehicle Licensing, Dept of Transport for Isle of Man at www.gov.im/transport/highways/dandv/welcome.xml
- 26. The costs of any parts provided by Volkswagen Roadside Assistance to fix **Your Vehicle** at the roadside must be paid in full by credit/debit card at time of **Breakdown** before work can commence.
- 27. Auxiliary equipment that does not form part of the factory specification. Service can be arranged on a Pay on Use basis.
- 28. In relation to any **Accidents** or customer induced faults (including flat battery due to user error, running out of fuel, use of incorrect fuel; and tyre defects due to error e.g. driving over potholes/kerbs, or failure to maintain correct tyre pressures) unless **We** elect in **Our** absolute discretion to do so.
- 29. In circumstances where provision of the Volkswagen Roadside Assistance would involve a breach of the law.
- 30. When **Your Vehicle** is on private property e.g. garage premises, unless **You** can establish that **You** have the permission of the owner or the occupier.
- 31. Assistance is also not available following a **Breakdown** or **Accident** (where **We** elect in **Our** absolute discretion to provide service) attended by the police or other emergency service, until the **Vehicle's** removal is authorised. If the police insist on recovery by a third party, the cost must be met by **You**.

European claims procedure and conditions

When providing assistance **We** make every effort to arrange on **Your** behalf all costs within the limits set out in this document. However, in some instances **You** may be asked to pay locally and reclaim costs on **Your** return to the **United Kingdom**. There may also be occasions when **You** arrange and pay for assistance direct and wish to reclaim the cost. Any costs to be reclaimed must be agreed in advance and up to the limits as set out in these Terms and Conditions.

If **You** have paid any cost which **You** believe is included as part of Volkswagen Roadside Assistance, please telephone the **AA** for an application form immediately on **Your** return **Home**, quoting **Your** reference and **Vehicle** registration number. When returning **Your** completed application form **You** should enclose relevant original receipts (not photocopies).

To obtain an application form, please telephone **01256 493580** or email: **overseasclaims@theAA.com**

Receipts

You must keep all relevant original receipts (not photocopies) as they will be needed for any claim. **We** may refuse to arrange reimbursement of expenses **You** are claiming back if **You** cannot provide original receipts or bills for the items **You** have paid.

Claims for reimbursement are subject to **You** complying with the following conditions.

1. **You** must do all **You** can to prevent **Accident**, injury, loss or damage, as if **You** were not eligible to receive Volkswagen Roadside Assistance.
2. **You** must forward to the **AA** any writ, summons, legal document or other communication about a claim as soon as **You** receive it.
3. **You** must obtain any original receipts, certificates, police reports, evidence, etc. and give all the information and help **We** may need at **Your** expense. This includes medical certificates and details of **Your** household insurance if necessary.
4. **You** must not admit liability or offer or promise payment without the **AA's** written permission.
5. The **Vehicle** must be roadworthy and in good mechanical condition when **You** commence **Your** journey.
6. If any claim is found to be fraudulent in any way **Your** claim will be forfeited.

You must, within seven days of any request from the AA, send to the AA copies of any European accident statements (called a 'Constat d'amiable' in France) and/or any police reports should You make a claim following a road traffic incident.
